Pursuant to Charter Section 4.101 (a)2, Boards and Commissions established by the Charter must consist of electors (registered voters) of the City and County of San Francisco. For certain other bodies, the Board of Supervisors can waive the residency requirement.

Check All That Apply:

Registered voter in San Francisco: Yes [X] No [ ] If No, where registered: [ ]

Resident of San Francisco [X] Yes [ ] No If No, place of residence: [ ]

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I have lived in San Francisco's Mission District since 2008, and in the last 13 years, I have seen the rapid change in our neighborhood, driven in large part by insufficient housing to allow people from a range of backgrounds to stay here. This is part of the reason that I undertook a career change to affordable housing. I worked at BRIDGE for three years as a project manager, during which time I managed the rehabilitation of over 500 units of public housing in the Mission and in Bernal Heights, with no displacement, in close partnership with Mission Economic Development Agency and Bernal Heights Neighborhood Center. Currently, I work with affordable housing providers around the Bay Area to help source financing and execute projects involving both new construction and preservation. My experience has allowed me not only the opportunity to understand the diverse perspectives of residents of public and other subsidized housing, but also what is required to purchase, build, and operate it, and what it takes to meet residents' needs.

In addition to my work in the field, I am black, and an immigrant from Trinidad and Tobago, having moved to the United States to attend university. I naturalized in 2012, after 14 years, and have a special sensitivity to the challenges faced by non-citizens, and particularly undocumented people, in gaining housing security. As a parent of two young native San Franciscans, I care deeply that we have a city that can accommodate everyone who wants to live here well into the future, and affordable housing is a missing piece of that equation today.

## Business and/or professional experience:

2014-2017: I was a Project Manager at BRIDGE Housing, where I led the rehabilitation of over 500 units of public housing in San Francisco. These projects included senior/disabled housing in the Mission, and family housing in Bernal Heights. These buildings were renovated after years of deferred maintenance, recapitalized with a range of private and public financing sources, and set up with empowered tenant associations. At BRIDGE, I also secured state and local financing for affordable housing projects in San Leandro and Oakland.

2017-2019: I managed Special Projects at FivePoint Communities, which included overseeing design of pilot programs for transportation to Candlestick Point and the Hunters Point Shipyard, as well as research into sustainability modeling for the company's redevelopment.

2019-Present: I have been a self-employed consultant to affordable housing developers on their rehabilitation, new construction, and preservation work in San Francisco and the rest of the Bay Area. This work includes sourcing potential sites, managing design and entitlements, and financial modelling and identifying sources for funding.

## Civic Activities:

Mid-Peninsula Boys and Girls' Club - Tutoring, mentoring, and helping college readiness for low-income youth in Daly City

I will bring my unique voice as a bilingual woman of color, supporting policies and actions to support our San Francisco values and address the concerns of San Franciscans to support affordable housing. The City must address ways and means to support best policies to ensure a roof over everyone's head as well as the programs necessary to help people get back on their feet.

My involvement with issues of equity, diversity and inclusion is a daily lived experience for me as a woman of color and a para-educator in our San Francisco public schools. I translate my lived experience by being actively in supporting and publicizing policies relevant to marginalized communities. I have formed strategic alliances with progressive groups and organizations to mentor students and families in my work roles.
