Dear Supervisor Preston,

I'm a resident of District 5. I am emailing you in support of the Mayor's legislation to make the Shared Spaces program permanent.

I love outdoor dining. During this awful pandemic, it created a safe way for us to eat out and support our local businesses.

Even though indoor dining is slowly re-opening, we shouldn't shut down the Shared Spaces program. Outdoor dining has given our neighborhoods a new energy, and has transformed our streets into communities.

Please make outdoor dining permanent so we can continue to enjoy great food outdoors.

Thank you,
