Department: Human Service Agency

EXECUTIVE SUMMARY

Legislative Objectives

The Board of Supervisors is requested to review and approve an amendment to the existing agreement with the owners of Whitcomb Hotel to extend the terms of the agreement for an additional 327 days to provide shelter to San Francisco homeless residents as part of the City emergency response to the COVID-19 pandemic.

Key Points

- Resolution 200819 will approve a third amendment to an existing agreement between the Human Services Agency (HSA) and 1231 Market L.P. authorizing the Agency to extend the term of the current agreement from 122 to 449 days to secure continued use of 459 hotel rooms as part of the City's Alternative Housing program set up to provide shelter to the City's homeless residents during the COVID-19 epidemic.
- There are no changes to unit room costs or the daily not-to-exceed per room amounts allocated for linen and food costs, though additional costs will be incurred compared to the original agreement since the term of the agreement will be extended from 122 to 449 days.
- The agreement will expire on its own accord on July 1st, 2021

Fiscal Impact

- The primary modification is the length of the contract, which if approved as drafted, will be extend by a term of 327 additional days, from 122 days in the original agreement, to 449 days and hence involves an increase in total not-to-exceed costs of \$25,618,542 to \$35,608,542 from \$9,900,000 as established in the previously approved second amendment to the agreement.
- The Department is anticipating that the majority of costs will be covered by federal reimbursements through Federal Emergency Management Agency, prior Congressional authorization of funds as part of the CARES Act, some addition funding through HUD, and additional supplemental from the state. There are uncertainties regarding the availability and continuation of federal funding commitments, and these political contingencies could potentially affect the level of federal reimbursements.

Recommendations

1. Approve the resolution to amend the existing agreement between the City and 1231 Market L.P.
2. Require HSA to report back to the Board of Supervisors in six weeks as to the current status of the Alternative Housing program. In particular, the Agency should report on progress made in improving the utilization rate of current units, identifying and removing barriers to insuring that more homeless San Franciscans are being quickly housed, and progress is being made in securing additional units and expediting the process of bringing these units into active service

MANDATE STATEMENT

Section 9.118 of the City Charter requires the Board of Supervisors to approve the proposed third amendment to the existing agreement between the City and 1231 Market L.P.

BACKGROUND

On February 25, 2020, Mayor London Breed declared a state of emergency in order to address threats to public health and safety engendered by the COVID-19 pandemic. The Board of Supervisors concurred the following March 3rd with the mayoral declaration and the exercise of the statutory powers granted to the Mayor under Section 3.100 of the City Charter.¹

On March 6, 2020, the San Francisco Health Officer declared a local health emergency under Section 101080 of the California Health and Safety Code. The Board of Supervisors concurred on the local health emergency declaration on March 10, 2020. On the following March 16th, the County Health Officer issued Order no. C19-07, which was subsequently amended and replaced by Order no. C19-07b on March 31, 2020 that directed all San Francisco residents to remain in their homes and to observe social distancing measures. Given the large number of unsheltered persons in San Francisco, concerns developed over how to best protect the health and safety of San Francisco's homeless population. These concerns were exacerbated by the fact that Order no. C19-07b did not provide for any additional shelter to assist homeless persons in complying with the Executive Order. Nor did the Order specifically mandate minimum spacing requirements for congregate temporary homeless shelters.

To address the special health care and housing needs of unsheltered persons in San Francisco, on April 14, the Board of Supervisors passed, by unanimous vote, Ordinance 69-20 that required the City to secure and make available 8,250 rooms in hotels and motels to provide emergency shelter for homeless individuals by April 26, 2020. The ordinance specifically mandated that 7,000 rooms be made available to persons currently residing in temporary City shelters, Navigation Centers, SROs, persons without any shelter, and unhoused persons released from jail, with special provisions to prioritize elderly persons and those with existing health conditions that rendered them particularly vulnerable to complications or death from COVID-19. The Board also mandated the City to procure 500 rooms for people being discharged from hospitals that had tested positive for COVID-19 and who lacked the ability to self-quarantine. In addition, the

¹ Under San Francisco Charter Section 3.100(14), the actions taken by the Mayor to meet the declared emergency are subject to concurrence by the Board of Supervisors. The Charter requires that the Mayor seek the concurrence of the Board of Supervisors "as soon as reasonably possible," but according to a March 24, 2020 memorandum from the City Attorney's Office ("Process for Board of Supervisors Action on Emergency Orders"), neither state nor local law establishes a deadline by which the Board of Supervisors must act. An order issued by the Mayor under a declaration of emergency remains in effect until the Board of Supervisors acts, by motion, to either concur or reject.

ordinance required that 750 rooms would be made available to front-line responders. The ordinance waived the requirement of Charter section 9.118 that the Board of Supervisors approve the service agreements required for the procurement of such rooms but required the Department of Emergency Management to submit daily reports as to the progress to date in securing the required 8,250 rooms. If the City was not able to meet the Board mandate by April 26, 2020, the ordinance urged the Mayor to utilize the grant of authority under section 3.100(14) of the City Charter to commandeer all necessary public and private resources as needed to insure the protection and safety of the resident population of San Francisco.

Ordinance 69-20 was to expire unless reauthorized in 60 days from the time of passage, or on June 13, 2020. On that date, when the ordinance expired, the capacity of the City's emergency response to address the shelter needs of San Francisco's homeless population through the City program designated as C19AH, or the Alternative Housing program, was well below the 8,250 room requirement established by the Board of Supervisors in Ordinance 69-20. As shown below, only 2,614 hotel rooms have been procured as of August 7, 2020, and not all of those were occupied.

Progress to date

The City currently operates shelter programs targeting four sub-groups within the homeless population:

- COVID-19 positive and persons under investigation: individuals diagnosed with COVID-19 or "under investigation" without space to safely isolate and self-quarantine
- COVID-19 Negative: COVID-negative individuals experiencing homelessness, many of whom are designated as members of "vulnerable" populations due to age and underlying health issues
- COVID-19 Recovered: Individuals who have recovered from COVID-19 and who require a safe space to shelter in place
- Front-line workers: Front-line City workers and City-contracted workers.²

Exhibit 1 shows the City's current number of shelter rooms secured through the Alternative Housing program as of August 7th, 2020, and utilization data for the various categories of homeless persons served.

As seen in Exhibit 1, a total of 2,239 of all 3,003 active rooms or units were occupied as of August 10, 2020, and 764 were unoccupied, resulting in a 74.6 percent utilization rate. Active rooms refers to rooms currently under City contract, and which should be ready to accept additional placements, subject to any delays due to cleaning and repair undertaken in the event rooms become vacant. HSA representatives have stated it is the policy of the City to maintain around 10 percent of program hotel rooms vacant on any given day due to the need for repairs, safety

concerns, cleaning, and to allow for relocation of existing residents. In addition, some spare capacity is reserved to respond to “surges” in COVID-19 cases. However, the 74.6 percent utilization rate represents rooms or units unoccupied in excess of the number needed to leave 10 percent intentionally unoccupied for unit repairs, safety concerns, and to accommodate the transfer of existing residents.

Exhibit 1: Active units secured under C19AH Alternative Housing Programs as of 8/10/2020

	COVID-19 positive	COVID-19 recovered congregate	COVID-19 negative	Vulnerable sub-groups	Total

Unoccupied	163	39	90	472	764
Utilization	28.5%	64.9%	75.3%	79.5%	74.6%

Source: City Data, accessed on 8/10/2020

Based on the City’s stated criteria, existing unit capacity (or “active rooms”) is being underutilized within the Alternative Housing program. Approximately 20.5 percent of units allocated for persons designated as “vulnerable” were reported as unoccupied as of August 7, 2020 and 79.5 percent were occupied. For people designed as COVID-19-negative and who were not in high-risk groups, the utilization rate of existing units was 75.3 percent.

Exhibit 2 shows the total number of units procured to date through Alternative Housing program contracts in three housing categories: 1) recreational vehicles, 2) congregate units, and 3) hotel rooms. It further breaks out the number of units in active service and those in preparation for use. As of August 7, 2020, of the total 2,614 reported hotel rooms currently under contractual agreement with the City, 2,407 of these units, or 92.1 percent, were in active service – i.e., rooms under contract that are available for use, and which may or may not be currently occupied. (As shown in Exhibit 1, many units available for use are currently unoccupied due to the current 75 percent utilization rate). The difference of 207 represents units under contract and in preparation but not yet ready to accept resident placements.

All RV units were available for active service. The City had 476 congregate units secured under the Alternative Housing program as of August 7, 2020, with an additional 394 congregate units in preparation. As seen in Exhibit 2, the projected increase in near term capacity for the various categories of the Alternative Housing programs is 0 percent for RVs, 46.3 percent for congregate units, and 7.9 percent for hotel rooms. Even with these increases, the number of total units available will continue to fall well below the 8,250 hotel rooms required by Ordinance 69-20.

Exhibit 2: Active units and units in preparation

	RVs	Congregate	Hotel	All units
Total units available for service	120	476	2,407	3,003
Total units in preparation	0	394	207	601
Total units	120	870	2,614	3,604
% Increase in capacity	0%	46.3%	7.9%	16.7%

Source: Data provided by HSA, through 8/7/2020

Data provided to our office does not report utilization, or occupancy, by unit type – RV, congregate, and hotel. Hence, there is no way to determine how many of the 2,407 hotel rooms reported as being in active service in Exhibit 2 were occupied as of August 7, 2020. Nor has data been provided on the number of congregate units that are currently occupied, or the number of persons per congregate unit. Based on the reported utilization of units reported by categories of homeless residents (shown above in Exhibit 1), utilization for all categories of units currently appears to be below the City’s stated utilization target.

Exhibit 3 shows the total estimated cost of operations for the City’s Alternative Housing Program for FY 2019-20, while Exhibit 4 shows estimates cost reimbursements for the same period. The vast majority of the costs of the City’s Alternative Housing program in FY 2019-20 have been covered through reimbursements from the federal government – FEMA reimbursements and funding appropriated by Congress as part of the CARES Coronavirus Relief Fund. In addition, State funding has provided the City with an additional revenue source.

* Staffing costs refers to site monitors and sites leads. HSA provided some initial staffing through use of City workers, Staffing costs reported in Exhibit 3 represent the costs of additional staffing produced through a contract with Goodwill Industries. HSA will be contracting will be contracting with non-profit organizations to provide site staffing for existing and future units

HSA expects FEMA to reimburse around 56 percent of the total program costs shown in Exhibit 3. This is lower than the standard 75 percent reimbursement rate generally provided with the expectation that localities will contribute 25 percent in matching funds from other sources. The lower expected reimbursement rate reflects current City policy to place certain individuals into units that do not conform to FEMA eligibility criteria for federal reimbursement.³ For example, San Francisco currently seeks to place all homeless persons 60 years and over into units within the Alternative Housing program. Some of these people are not eligible for reimbursement under current FEMA guidelines. The balance will be covered through \$22.678 million made available

³. As stated by HSA, “FEMA will reimburse certain costs of the emergency operation, in line with their specific criteria. For example, they will only cover costs at the alternative housing sites for 3 groups of people (COVID+, Persons Under Investigation, or individuals who are homeless and meet the CDC criteria for vulnerability or are age 65 or over), and only for the costs deemed necessary for health and safety.”

through CARES Coronavirus Relief Funding, and a combination of state reimbursements from the Homeless Housing, Assistance and Prevention (HHAP) and California Department of Social Services (CDSS) Project Room Key funding, which together will provide a \$4.3 million in state subventions to the City.

Moreover, utilization data indicates there is room for scaling up and accelerating procurement. HSA representatives have indicated the primary cause for the inability of the City to meet its own targeted utilization rates is placement bottlenecks related to on-site staffing requirements. Site monitors and site leads must be available to insure buildings are properly managed, and to accommodate the needs of hotel residents. Initial staffing was provided through the designation of City employees as Disaster Service Workers/First Responders, with additional staffing provided through a staffing contact with Goodwill Industries. The City is currently moving to outsource all site management to non-profit providers. The Department claims that the costs and time required for securing trained and qualified on-site staff, and the fact that some persons placed into units may have more intensive need for supportive services, are the primary reasons for sub-par utilization of currently available units.

The City has fallen short of the targets set by the Board of Supervisors emergency shelter ordinance 69-20. HSA informed our office that the City has to date largely exhausted the hotels that responded to the City's initial Request for Qualifications (RFQ) to secure sites for Alternative Housing placements. HSA confirmed that the City currently has a large number of hotel rooms that remain vacant. To date, the Mayor has not exercised emergency power provided through Section 3.100 (14) of the City Charter to requisition additional rooms to allow for increased capacity for placements.

DETAILS OF PROPOSED RESOLUTION

The proposed resolution would approve an amendment between the City and 1231 Market Street L.P., one of the hotels providing housing as part of the Alternative Housing Program. The current agreement between these two parties would be modified primarily by extending the term of the agreement and providing for adjustments to total project costs. Under the terms of the proposed 3rd amendment, the City will extend its agreement with 1231 Market Street L.P from a term of 122 days under the original agreement to a term of 449 days to rent rooms and to pay for services at the Whitcomb Hotel at 1231 Market Street. The terms of the agreement amendment are retroactive, and commence on April 8, 2020. The contract will expire on its own accord on July 1, 2021.

The revised daily flat rate for rooms is \$45,441 for the 449 day contract period. The daily room rate of \$99 is unchanged from the original agreement. A total of 459 units will be made available as per the terms of the original agreement. The City will also agree to cover costs to provide linen and food services for the additional term of the contract. The contract also includes a 15 percent contingency rate to allow the City to request the hotel to provide additional services and initiate repair of certain damages.

As seen in Exhibit 5, the total amount 1231 Market St L.P. may charge the City over the entire term of the revised agreement for all rooms and services shall not exceed \$35,608,542. Of this amount, \$20,403,009 is the fixed cost of procurement of the 459 rooms for 459 nights, regardless of whether the rooms are filled or not, for the entire contract term of 449 days at a \$99 daily rate. The 15 percent add-on contingency rate applied to the room charges is fixed at \$3,060,451 (15 percent of \$20,403,009). Other variable not-to-exceed caps on itemized costs are \$1,104,098 for linen cleaning services, and \$11,040,984 for food, both charged only for occupied rooms.

Exhibit 5: Not-to-Exceed Total Contract Costs

	Total	Per day*
Room	\$20,403,009	\$99.00
Linen	\$1,104,098	\$5.36
Food	\$11,040,984	\$53.57
Other (15 % reimbursement)	\$3,060,451	\$14.85
Total	\$35,608,542	\$172.78

Source: 3rd Amendment to agreement between HSA and 1231 Market L.P.

Exhibit 5 also shows the breakdown of Not-to-Exceed total costs into per day per unit costs under the assumption that all rooms are fully occupied over the entire length of the service contract.

The fixed daily costs of securing the lodging and services are based on a daily rate of \$99 in room costs and the fixed contingency allotment that adds an additional \$14.85, or 15 percent, to the daily per room cost. Variable costs, assuming all rooms are fully occupied, would be \$5.36 for linens and \$53.57 for food service per pay per occupied room. The Board of Supervisors should note that the units will have a vacancy rate of at least 10 percent (as per HSA policy), and possibly higher based on program performance to date, and that food and linen costs will be billed based on actual levels of service provided, as opposed to the flat rate for rooms and the 15 percent contingency fee.

The key differences between the terms of the original agreement and the 3rd Amendment the Board of Supervisors is being asked to approve are shown in Exhibit 6. The room rate remains unchanged at \$99 per night and the contingency fee remains 15 percent of the room rate. There is no change in per unit per day rates for linen and food costs. The primary modification in the third amendment is the term of the agreement which, if approved as drafted, will be extended by 327 additional days, and hence allows for an increase in total not-to-exceed costs of \$25,618,542 to \$35,608,542 compared to the most recent not-to-exceed amount of \$9,990,000, established in the previously approved 2nd amendment to the agreement.

The hotel owners will continue to be responsible for complying with all additional health and public safety measures as required by the County Health Officer, as per the terms of the 1st Amendment to the agreement. In addition, the hotel is required to abide by all relevant FEMA laws and requirements, as specified in the 1st contract amendment Appendix E.

Fiscal Impact

As shown above in Exhibit 4, nearly 100 percent of the cost of procurement of rooms and services for FY 2019-2020 has been covered by a combination of FEMA reimbursements, the CARES Coronavirus Relief Fund, and supplemental State funding sources. Funding for the Whitcomb agreement between the City and 1231 Market St L.P. has been appropriated in the Mayor's interim budget in effect until September 1st, 2020. According to HSA representatives, the City will continue to rely on federal sources to cover the majority of the costs of providing Alternative Housing units, with expectations that funding will continue to be available from FEMA reimbursements, as well as monies still available in the CARES Coronavirus Relief Fund. In addition, HSA reports that some additional funding is anticipated to be provided by HUD. Anticipated amounts are sufficient to cover the cost of unit procurement and supplemental services for FY 2020-21 though the final budget for the year has not yet been adopted by the Board of Supervisors.

Provided HSA's expectation are satisfied, the proposed agreement should have negligible fiscal impact. However, there are uncertainties regarding the availability and continuation of federal funding commitments, and these political contingencies could potentially affect the level of federal reimbursements.

RECOMMENDATIONS

1. Approve the resolution to amend the existing agreement between the City and 1231 Market L.P.
2. Require HSA to report back to the Board of Supervisors in six weeks as to the current status of the Alternative Housing program. In particular, the Department should report on progress made in improving the utilization rate of current units, identifying and removing barriers to insuring that more homeless San Franciscans are being quickly housed, and progress is being made in securing additional units and expediting the process of bringing these units into active service.

Overview – Hotel Whitcomb

- ▶ Hotel Whitcomb: 459 Rooms
- ▶ (Largest of the City's Shelter-in-Place Hotels by about 3x)
- ▶ The Issue: City will soon exceed the \$10,000,000 contract authority allowable under the Charter.
- ▶ Because the 2-month emergency ordinance was not re-enacted, we are not able to exceed that budget authority without Board approval.
- ▶ HSA is requesting authority to increase the contract sum in order to allow the City to potentially remain at the Hotel through the end of the fiscal year (June 2021).
- ▶ City can terminate the contract prior to its expiration with 60 days' notice.

Deal Points – Original Contract

- ▶ Term: Began on April 8th through August 8, 2020
 - ▶ 4 months (or 122 nights)
 - ▶ City sent notice to extend on a month-to-month basis in July.
- ▶ Rooms: 459
- ▶ Room Rate: \$99 per room night
 - ▶ HSA controls the entire hotel as we do not want to co-mingle with other general populations
- ▶ Budget of \$75,000 per month for linens
- ▶ Budget of \$750,000 per month for food service
- ▶ 4-month subtotal: **\$9,675,372**

Deal Points – 1st & 2nd Amendment

- ▶ Done administratively under Emergency Ordinance Authority
- ▶ First Amendment from May 2020: amended to include FEMA Reimbursement Requirements
- ▶ Second Amendment from July 2020: amended to increase contract total to **\$9,990,000** to add additional authority until the 3rd Amendment is signed

Deal Points – 3rd Amendment

- ▶ TODAY's Proposed Third Amendment: Rates, terms and conditions remain, except:
- ▶ Potential **term is extended** to give City site control until through the night of June 30, 2021
 - ▶ City can unilaterally terminate earlier on 60 days' notice.
- ▶ The **contract sum is increased** accordingly to account for an additional 10+ months from today.
 - ▶ Additional **\$25,618,542** added to \$9,990,000 for a **total amount not to exceed \$35,608,542***
 - ▶ *Unless earlier terminated with 60 days' notice by City

**Third Amendment to
Emergency Agreement between the City and County of San Francisco
and
1231 Market Street Owner L.P.
Hotel Whitcomb**

THIS THIRD AMENDMENT (this “Amendment”) is made as of ____, 2020, in San Francisco, California, by and between **1231 Market Street Owner L.P.** (“Hotel”), and the City and County of San Francisco, a municipal corporation (“City”).

WHEREAS, City and Hotel have entered into an Emergency Agreement dated April 4, 2020, as subsequently amended by the First Amendment to Emergency Agreement dated May 15, 2020 and the Second Amendment to Emergency Agreement dated July __, 2020 (collectively, the “**Agreement**”), for Rooms and Services at the property commonly known as the Hotel Whitcomb located at 1231 Market Street, San Francisco, CA 94103, to further the public health and safety in connection with City’s response to the Local Emergency declared by Mayor London Breed on Tuesday, February 25, 2020; and

WHEREAS, on July 6, 2020, City exercised its option under Section 2.2 of the Agreement to extend the Booking Period on a month-to-month basis commencing August 8, 2020; and

WHEREAS, City and Hotel desire to modify the Agreement on the terms and conditions set forth herein to extend the Booking Period and increase the Total Not-to-Exceed Compensation and associated amounts in Appendix B; and

WHEREAS, the City’s Board of Supervisors approved this Amendment by Resolution [number] on [date];

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Hotel and City agree that the Agreement is hereby amended as follows:

1. **Defined Terms.** Capitalized terms not defined in this Amendment shall have the meaning set forth in the Agreement.
2. **Replace Section 2.1.** Section 2.1 is hereby deleted from the Agreement, and the following is hereby added in its place and fully incorporated into the Agreement:

2.1 Term.

2.1.1 The term of this Agreement shall be for 449 nights, commencing on April 8, 2020, and expiring of its own accord on July 1, 2020 (the last night will be June 30, 2020) (the “**Booking Period**”), unless earlier terminated in accordance with Section 8.1.1 or as otherwise provided herein.

3. **Replace Section 3.3.1.** Section 3.3.1 is hereby deleted from the Agreement, and the following is hereby added in its place and fully incorporated into the Agreement:

3.3.1 **Payment.** The flat daily rate for the Rooms and Services is \$45,441 (based upon a daily rate of \$99 per room per night). Hotel shall provide an invoice to the City for the monthly rate due under this Agreement for the Rooms and Services for such month (“**Compensation**”) and any additional charges and reimbursement payable by City under this Agreement for the immediately preceding month, unless a different schedule is set out in Appendix B, “Calculation of Charges.” Payment of the Compensation shall be made within 10 calendar days after receipt of the invoice, and payment for all other charges shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Hotel that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed Thirty-Five Million Six Hundred Eight Thousand Five Hundred Forty-Two Dollars (\$35,608,542). The breakdown of charges associated with this Agreement appears in Appendix B, “Calculation of Charges,” attached hereto and incorporated by reference as though fully set forth herein. In the event that the Hotel incurs any additional costs or expenses for additional services provided at the Property in order to accommodate special requests of the City to assist it in handling the COVID-19 pandemic at the Property and agreed upon in writing by the City and Hotel, which such additional services are not included in the Services, then the City shall reimburse Hotel for all such actual and reasonable additional costs and expenses.

4. **Replace Section 8.1.1.** Section 8.1.1 is hereby deleted from the Agreement, and the following is hereby added in its place and fully incorporated into the Agreement:

8.1.1 This Agreement shall expire of its own accord on the expiration of the Booking Period set forth in Section 2.1. In addition, City shall have the option, in its sole and absolute discretion with not less than 60 days’ written notice to Hotel, to terminate this Agreement for any reason. City may send the termination notice to Hotel at any time during the Booking Period, but any termination notice sent after the 8th day of the month in which the notice is sent will be deemed to have been sent on the 8th day of the following month. Within the notice, City will specify the termination date, which will be at least 60 days after the deemed effective date of the notice. For example, if City sends a termination notice to Hotel on January 12, 2021, then notice will be deemed to be effective as of February 8, 2021, and the Booking Period will terminate at least 60 days thereafter (City’s last night of occupancy would be no earlier than April 8, 2021, vacating on April 9, 2021).

5. **Replace Section 10.11.** Section 10.11 is hereby deleted from the Agreement, and the following is hereby added in its place and fully incorporated into the Agreement:

10.11 **Limitations on Contributions.** By executing this Agreement, Hotel acknowledges that it is familiar with section 1.126 of the City’s Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six

months after the date the contract is approved. The prohibition on contributions applies to each prospective party to the contract; each member of Hotel's board of directors; Hotel's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Hotel; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Hotel. Hotel must inform each such person of the limitation on contributions imposed by Section 1.126 and provide the names of the persons required to be informed to City.

6. **Amend Appendix B.** The following amounts within Appendix B Calculation of Charges are hereby amended, increased, and fully incorporated into the Agreement:

1. Maximum Not-to-Exceed Amount of Agreement

a. Total Not-to-Exceed Compensation - \$35,608,542

b. Not-to-Exceed Compensation for Room Nights - \$20,403,009 (*\$99 * 459 * 449 nights*)

8. **Status of Property.** The Parties acknowledge that for purposes of the Agreement, as amended by this Amendment, the Property is not being operated as a "Tourist Hotel" as defined in San Francisco Administrative Code Section 41.4.

9. **Full Force and Effect.** Except as specifically amended in this Amendment, the terms and conditions of the Agreement, as amended by this Amendment, shall remain unchanged and in full force and effect. In the event of any conflict between the terms and conditions of the Agreement and the terms and conditions of this Amendment, the terms and conditions of this Amendment shall control.

10. **Counterparts.** This Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.

IN WITNESS WHEREOF, Hotel and City have executed this Amendment as of the date first referenced above.

1. Precedence of FEMA Requirements. This contract may be eligible for FEMA funding. FEMA requires inclusion of the following contract provisions for procurement under exigent or emergency circumstances. In the event of a conflict between this appendix and other provisions of the Agreement that address the same or a similar requirement, the provisions that are stricter and impose the greater duties upon Hotel shall apply.

2. Work Hours and Safety Standards. Hotel agrees as follows:

A. Overtime requirements. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

B. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (A) of this section Hotel and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, Hotel and subcontractor(s) shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (A) of this section, in the sum of \$26 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (A) of this section.

C. Withholding for unpaid wages and liquidated damages. The City shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by Hotel or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (B) of this section.

D. Subcontracts. Hotel or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (A) through (D) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. Hotel shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (A) through (D) of this section.

E. **Exceptions.** This Section 2 does not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence

A. Hotel agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

B. Hotel agrees to report each violation to the City and understands and agrees that the City will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

C. Hotel agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

4. **Federal Water Pollution Act.** Hotel agrees as follows:

5. **Debarment and Suspension.** Hotel agrees as follows:

A. To the extent this contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000, Hotel is required to verify that none of Hotel's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).

B. To the extent this contract is a covered transaction, Hotel must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

2.1 Term.

2.1.1 The term of this Agreement shall be for four months, commencing on April 8, 2020, and expiring of its own accord on August 7, 2020 (the “**Booking Period**”), unless earlier terminated as otherwise provided herein.

2.1.2 City shall have the right to extend the Booking Period on a month-to month basis by providing no less than 30 days prior written notice to Hotel; *provided*, that (i) in no event shall any extension extend beyond April 7, 2021 and (ii) after August 7, 2020, either party may terminate this Agreement by providing thirty (30) days written notice to the other party of such termination. Any such extension shall be on the terms and conditions set forth in this Agreement and subject to any required approval by the City’s Mayor and Board of Supervisors.

2.2 Reserved.

Article 3 Financial Matters

3.1 Certification of Funds; Budget and Fiscal Provisions.

This Agreement is subject to the budget and fiscal provisions of the City’s Charter. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Hotel’s assumption of risk of possible non-appropriation is part of the consideration for this Agreement. Notwithstanding anything herein to the contrary, Hotel shall have no obligation to provide Services if no appropriation has been made for the City’s payment obligations hereunder.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 Guaranteed Maximum Costs.

The City’s payment obligation to Hotel cannot at any time exceed the amount certified by City’s Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Hotel under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, “Modification of this Agreement.”

3.3 Compensation.

3.3.1 **Payment.** The flat monthly rate for the Rooms and Services is \$1,460,950.50. At the beginning of each month of the Booking Period, Hotel shall provide an invoice to the City for the monthly rate due under this Agreement for the Rooms and Services for such month (“**Compensation**”)

and any additional charges and reimbursement payable by City under this Agreement for the immediately preceding month, unless a different schedule is set out in Appendix B, "Calculation of Charges." Payment of the Compensation shall be made within 10 calendar days after receipt of the invoice, and payment for all other charges shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Hotel that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed Nine Million Six Hundred Seventy-Five Thousand Three Hundred Seventy-Two Dollars (\$9,675,372). The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. In the event that the Hotel incurs any additional costs or expenses for additional services provided at the Property in order to accommodate special requests of the City to assist it in handling the COVID-19 pandemic at the Hotel and agreed upon in writing by the City and Hotel, which such additional services are not included in the Services, then the City shall reimburse Hotel for all such actual and reasonable additional costs and expenses.

3.3.2 Payment Limited to Satisfactory Services. If the City notifies Hotel that one of the Rooms is not usable by a Guest due to an engineering issue not caused by the City or a Guest, then the City shall (i) clean the Room in accordance with its obligations in Exhibit A, and (ii) after the Room has been cleaned, notify Hotel in writing of the problem with the Room and certifying that it has been cleaned. Hotel shall then be given access to the Room in order to resolve the issue. If the Room remains unavailable more than 24 hours after Hotel's receipt of such Notice, the amount of the Compensation for that month shall be reduced by \$99 for each day thereafter until Hotel resolves the issue and notifies the City of the same.

3.3.3 Last Month's Rent. Upon execution of this Agreement, the City shall pay to the Hotel the amount of \$1,460,950.50 (the "**Last Month's Rent**") by wire transfer or ACH to an account designated by the Hotel, which amount shall be applied to the Compensation payable for the last month of the Booking Period, except as otherwise provided in this Section. If, at any time during or at the end of the Booking Period there is any damage (other than ordinary wear and tear) caused to the Property by the City or any of its Guests ("**Property Damage**"), the City shall promptly repair such Property Damage at its sole cost and expense. If, at the end of the Booking Period, the City has not repaired any Property Damage, and such Property Damage is not repaired within three (3) days after the end of the Booking Period, the Hotel may use any and all of the Last Month's Rent as necessary to pay for the repair of any Property Damage. To the extent there is no Property Damage, the Hotel shall apply the Last Month's Rent to any other amounts owed to it by the City, including arising from any breach by the City. The Hotel hereby reserves all other rights and remedies available to it at law or in equity for any Property Damage. The Last Month's Rent will be held by the Hotel and may be commingled with other funds; any interest earned on the Last Month's Rent, if any, shall be the property of the Hotel.

3.3.4 Withhold Payments. If Hotel fails to provide Rooms and Services in accordance with Hotel's obligations under this Agreement, following written notice from City to Hotel of such failure the City may withhold any and all payments due Hotel until such failure to perform is cured, and Hotel shall not stop performance under this Agreement as a result of City's withholding of payments as provided herein.

3.3.5 Invoice Format. Invoices furnished by Hotel under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be

made by City as specified in Section 3.4, or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.6 LBE Payment and Utilization Tracking System. (Reserved)

3.5 Federal and/or State Funded Contracts. (Reserved)

3.6 Contract Amendments.

3.6.1 **Formal Contract Amendment:** Except as expressly set forth herein, Hotel shall not be entitled to an increase in the Compensation or an extension of the Booking Period unless the Parties agree to a Formal Amendment in accordance with the San Francisco Administrative Code and Section 11.5 (Modifications of this Agreement).

3.6.2 City Revisions to Program Budgets (Reserved)

3.7 Audit and Inspection of Records.

Hotel agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to the Rooms and Services. Hotel will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Hotel shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify Hotel in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section.

The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any entity who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. An entity will be deemed to have submitted a false claim to the City if the entity: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a

3.9 **Payment of Prevailing Wages (Reserved)**

Article 4 Services Hotel and City Agrees to Perform.

Hotel agrees to provide the Rooms and perform the Services provided for in Appendix A, “Rooms and Scope of Services.” Hotel agrees that all spaces within the Property that are not included in the Rooms provided to City under this Agreement, including, but not limited to, conference and meeting rooms and the offices located on the 8th floor of the Property (the “**Offices**”), shall remain secured and unoccupied during the Booking Period, and the City shall have no right to use or enter the same at any time without the prior written consent of Hotel in its sole discretion; *provided, however*, that, notwithstanding the foregoing, at all times during the Booking Period the tenants occupying the Offices (the “**Office Tenants**”) shall continue to have the right to use and access the Offices in accordance with the leases thereof. City shall be responsible for and perform all obligations and services set forth in Appendix A to be provided by or on behalf of City. Hotel shall have no responsibility to provide the same. The City shall not perform any alterations (including, for example, any modification, demolition or reconfiguration of, or any improvement) to the Rooms or other portions of the Property, without the prior written consent of the Hotel, which such consent shall be at Hotel’s sole discretion. City shall ensure that City’s Invitees will not be able to access the Offices, and shall indemnify the Hotel Parties against any claims by Office Tenants that result from City’s Invitees access the Offices, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except to the extent such claim was caused by the gross negligence or willful misconduct of the Hotel, in which case damages shall be apportioned pro rata under the California doctrine of comparative fault. Any such assignment, sublease, license or permission to use shall be void *ab initio*. Such prohibition shall not preclude City from entering into service contracts and similar agreements to perform City services required under this Agreement

4.5 **Warranty.** Hotel agrees to provide the Services to a standard that is commercially reasonable for hotel operations during the Local Emergency, subject to (i) the availability of sufficient Hotel employees to provide the Services and (ii) any changes in applicable law, rule, or regulation.

4.7 **Bonding Requirements. (Reserved)**

Article 5 Insurance and Indemnity

5.1.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.4 **(Reserved)**

5.1.5 **(Reserved)**

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. 5.1.7 Before providing any Hotels and Services, Hotel shall furnish to City certificates of insurance from insurance companies that are authorized to do business in the State of California, evidencing all coverages set forth above.

5.1.8 If City or Hotel will use any subcontractor(s) to provide services at or to the Property, such Party shall require the subcontractor(s) to provide all reasonably necessary insurance and to name the other Party as an additional insured.

In lieu of maintaining commercial insurance coverage, City may adopt alternative risk management programs, including self-insurance up to the limits required in the Section.

5.2 **Indemnification.**

5.2.1 **Indemnification by City.** City shall completely and unconditionally indemnify, defend and hold Hotel; its manager, Highgate Hotels, L.P. limitation sickness or death resulting from COVID-19), disease, loss of consortium or services, death or damage to property, by reason of or incident to City's or its Invitees' use of the Property, the Rooms or the Services, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except to the extent such Claim was caused by the gross negligence or willful misconduct of the Hotel Parties, in which case damages shall be apportioned pro rata under the California doctrine of comparative fault. For clarity, the City's liability does not extend to Claims covered by Hotel's workers compensation insurance; *provided, however*, that if any Hotel employee makes a workers compensation claim due to COVID-19, and such claim is denied, the City will reimburse Hotel in an amount equal to fourteen (14) days of such employee's salary or average daily pay, In addition, if any Hotel employee makes a claim under such employee's health insurance for reimbursement or payment for testing for COVID-19, and such claim is denied, the City shall reimburse Hotel in an amount equal to the employee's out-of-pocket cost for such test. The City acknowledges and agrees that, notwithstanding anything herein to the contrary, Highgate, the manager of the Property, (i) is included as a Hotel Party the City is obligated to indemnify under this Section 5.2.1, and (ii) shall have a direct right of action against the City to enforce the City's obligation to indemnify it hereunder. 13.3 Relationship.

The relationship between Hotel and the City is solely that of owner and temporary occupant, and will not be deemed a partnership, joint venture, agency or tenancy. APPENDIX A – STATEMENT OF WORK

459 ROOMS - ISOLATION

COMMON AREA SERVICES

Summary

The City and County of San Francisco (the “City”) is taking aggressive steps to slow the spread of the COVID-19 virus. At the same time, the City is making preparations for the expected increase in the number of affected people in the City and has identified a need to arrange for the use of at least 4,250 hotel rooms for a minimum of the next four months to further the health and safety of (a) approximately 3,500 people who have been exposed to COVID-19 or are under medical quarantine and (b) approximately 750 COVID-19 front-line responders, all as further described below.

This need arises against the backdrop of sharply dropping hotel occupancy and, in some cases, closure of hotels and furloughed hotel workforces. The City recognizes the importance of the hospitality industry to San Francisco’s economy and eventual recovery and would like to structure this public-private partnership as a win-win-win: responsibly addressing the COVID-19 outbreak, providing participating civic-minded hotels with a revenue stream in excess of what the private market can offer during this time, and ensuring work and wages to the City’s hotel labor force to the maximum extent possible.

Populations to be Housed

Hotel will house the following populations during the Term:

1. **Isolation Rooms:** In order to minimize the spread of the COVID-19 virus, the City plans to provide quarantine rooms to individuals whose current housing situation does not allow them to self-quarantine at home (the “Isolation Rooms”).
 - a. **Not Positive:** Those residents who have come in close contact with a COVID-19 positive individual but have not been tested, or who have been tested and are awaiting results (14 day quarantine); and
 - b. **Positive:** Those residents who have been tested positive for COVID-19 but do not have a medical need to be hospitalized.

These two populations will require different health protocols which will be set forth and agreed in detail prior to any occupancy.

Definitions

As used in this Exhibit A, the following terms have the following meanings:

1. “**Contractor**” anyone employed by City to perform under this Agreement.
2. “**Guest**” means a person housed in an Isolation Room.
3. “**Invitee**” means any person other than a Guest permitted by City to enter the Property.
4. “**Property**” means the interior and exterior of the Hotel property.

HOTEL SCOPE OF SERVICE

In no event shall the Hotel Services exceed the limits of any applicable collective bargaining agreement with respect to Hotel employees described herein.
