CONTRACTOR's execution of this AGREEMENT signifies its acceptance of the Contract Time and Contract Sum as being sufficient for completion of the Work, as well as acceptance of the other terms and conditions of the Contract Documents.

**ARTICLE 1 – CONTRACT DOCUMENTS; CONTRACTOR'S GENERAL RESPONSIBILITIES**

- 1.01 Contract Documents. **Named Insured:** RANGER PIPELINES, INC.

**Address (including ZIP Code):** 1790 Yosemite Avenue, San Francisco, CA 94124

This endorsement modifies insurance provided under the:

### **Commercial General Liability Coverage Part**

- A.** Section II – **Who Is An Insured** is amended to include as an insured any person or organization who you are required to add as an additional insured on this policy under a written contract or written agreement.
- B.** The insurance provided to the additional insured person or organization applies only to "bodily injury", "property damage" or "personal and advertising injury" covered under Section I - **Coverage A - Bodily Injury And Property Damage Liability** and Section I - **Coverage B - Personal And Advertising Injury Liability**, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:
1. Your acts or omissions; or
  2. The acts or omissions of those acting on your behalf,
- and resulting directly from your ongoing operations or "your work" as included in the "products-completed operations hazard", which is the subject of the written contract or written agreement, performed for the additional insured person or organization.
- C.** However, regardless of the provisions of Paragraphs **A.** and **B.** above:
1. We will not extend any insurance coverage to any additional insured person or organization:
    - a. That is not provided to you in this policy; or
    - b. That is any broader coverage than you are required to provide to the additional insured person or organization in the written contract or written agreement; and
  2. We will not provide Limits of Insurance to any additional insured person or organization that exceed the lower of:
    - a. The Limits of Insurance provided to you in this policy; or
    - b. The Limits of Insurance you are required to provide in the written contract or written agreement.
- D.** The insurance provided to the additional insured person or organization does not apply to:
- "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering or failure to render any professional architectural, engineering or surveying services including:
1. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
  2. Supervisory, inspection, architectural or engineering activities.

- E. The additional insured must see to it that:
1. We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;
  2. We receive written notice of a claim or "suit" as soon as practicable; and
  3. A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured, if the written contract or written agreement requires that this coverage be primary and non-contributory.
- F. For the coverage provided by this endorsement:
1. The following paragraph is added to Paragraph 4.a. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions**:  
This insurance is primary insurance as respects our coverage to the additional insured person or organization, where the written contract or written agreement requires that this insurance be primary and non-contributory with respect to any other policy upon which the additional insured is a Named Insured. In that event, we will not seek contribution from any other such insurance policy available to the additional insured on which the additional insured person or organization is a Named Insured.
  2. The following paragraph is added to Paragraph 4.b. of the Other Insurance Condition of Section IV – **Commercial General Liability Conditions**:  
This insurance is excess over:  
Any of the other insurance, whether primary, excess, contingent or on any other basis, available to an additional insured, in which the additional insured on our policy is also covered as an additional insured on another policy providing coverage for the same "occurrence", offense, claim or "suit". This provision does not apply to any policy in which the additional insured is a Named Insured on such other policy and where our policy is required by written contract or written agreement to provide coverage to the additional insured on a primary and non-contributory basis.
- G. This endorsement does not apply to an additional insured which has been added to this policy by an endorsement showing the additional insured in a Schedule of additional insureds, and which endorsement applies specifically to that identified additional insured.

All other terms and conditions of this policy remain unchanged.
