RE: Proposed Resolution for the first amendment to the grant agreement with Homebridge, Inc. for the Provision of In-Home Supportive Services (IHSS) Contract Mode

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors' consideration and approval, please find a proposed resolution which will authorize an amendment to the grant agreement between the City and County of San Francisco and Homebridge, Inc., increasing the not to exceed amount of the Agreement to \$158,400,000.

The purpose of this agreement is to provide grant funding for Homebridge, Inc. for the provision of high-quality in-home care to In-Home Supportive Services (IHSS) recipients who are unable to hire or supervise their own home care. IHSS is a state Medi-Cal program that supports older adults and adults with disabilities to live safely in their own homes and avoid placement in a long-term care facility.

Because the contract is over \$10,000,000, the Department is requesting approval from the Board of Supervisors in accordance with the Section 9.118 of the Charter.

If you need additional information, please contact Tara Alvarez, Contract Manager at Tara.Alvarez@sfgov.org.

Attached please find a copy of the proposed resolution and supporting documents. Please calendar this item at the Board's earliest convenience and advise us of the date of introduction.

Thank you for your assistance.

Respectfully,
