Items 3 & 4 Files 09-1454 and 091455	Department(s): Sheriff's Department Department of Human Resources – Employee Relations Division (ERD)
---	--

EXECUTIVE SUMMARY**Legislative Objective**

- The proposed ordinances would approve two three-year Memoranda of Understanding (MOUs) between the City and the Deputy Sheriff's Association (DSA) that would become effective retroactively from July 1, 2009 covering FY 2009-2010, FY 2010-2011 and FY 2011-2012.

Key Points

- The primary difference of the two proposed MOUs from the existing MOU for the DSA is (a) the two proposed MOUs divide the previous single MOU covering all Deputy Sheriff classifications, into two separate MOUs such that supervisory classifications are separate from the non-supervisory classifications and (b) the proposed MOUs achieve budgetary savings for FY 2009-2010 and FY 2010-2011.

Fiscal Impact

- Based on the Controller's cost analysis of the two subject MOUs, the following incremental savings and costs to the City by fiscal year will result from the proposed two MOUs:

FY 2009-2010 (budgetary savings)	\$(2,031,892)
FY 2010-2011 (budgetary savings)	(476,161)
FY 2011-2012 (budgetary costs)	1,859,476
FY 2012-2013 (budgetary costs)	<u>5,178,541</u>
Total Net Incremental Cost Over the Four Year Period of the MOUs	\$4,529,964

Recommendations in June, 2008 Budget Analyst Report

- The Budget Analyst performed a review of fixed post staffing in the City's Jails, and issued a report in June of 2008. That report included recommendations that the mandated staffing level provisions be removed from the MOU with the DSA, including a mandated 12 hour shift schedule at Jail No. 2 located in the Hall of Justice, noting, among other findings, that no major Sheriff's Department in the State of California mandates Jail staffing levels in their respective bargaining agreements.
- The previous recommendations of the Budget Analyst, which were intended to increase management flexibility to improve staffing assignments, have not been implemented through the two subject, proposed DSA MOUs.

Recommendation

- Therefore, the Budget and Legislative Analyst recommends that the proposed ordinances be continued to the call of the Chair and that the Department of Human Resources – Employee Relations Division (ERD) meet and confer with the DSA to remove from the proposed two MOUs (a) the currently mandated 12-hour shift provisions at Jail No. 2 and (b) the currently mandated minimum staffing levels in all of the City's seven jails.

DETAILS OF PROPOSED LEGISLATION

Background

The DSA MOU previously covered the following seven classifications in the Sheriff's Department.

8302 - Deputy Sheriff I
 8304 - Deputy Sheriff
 8306 - Senior Deputy Sheriff
 8308 - Sheriff's Sergeant
 8310 - Sheriff's Lieutenant
 8312 - Sheriff's Captain
 8314 - Chief Deputy Sheriff

The Sheriff's FY 2009-2010 budget includes 850 authorized FTE positions in the above seven classifications.

Proposed Legislation

The two proposed ordinances divided the previous single MOU covering the seven classifications listed above into two MOUs: (a) an MOU for the non-supervisory classifications including the 8302 - Deputy Sheriff I, the 8304 - Deputy Sheriff and the 8306 - Senior Deputy Sheriff; and (b) a separate MOU for the supervisory classifications including: the 8308 - Sheriff's Sergeant, the 8310 Sheriff's Lieutenant, the 8312 - Sheriff's Captain and the 8314 - Chief Deputy Sheriff. The Budget and Legislative Analyst notes that although the previous single DSA MOU has been divided into two separate MOUs, the MOU provisions remain substantially the same for both the previous MOU and the proposed MOUs.

The previous DSA MOU covered the four-year period from July 1, 2005 through June 30, 2009. The two proposed MOUs cover the three-year period, retroactive, from July 1, 2009 through June 30, 2012.

During the three-year term of the two proposed MOUs, the covered classifications would receive no wage increases except for a single "market rate adjustment" on June 25, 2012 that would be based on a survey by the ERD of the seven Bay Area Counties. The market rate adjustment granted on June 25, 2012 would be no lower than three percent and no greater than five percent of total paid compensation, including base wages plus premium pay, for Peace Officer Standards and Training (POST) certification, employer paid employee retirement contributions and longevity premium pay. For purposes of the Controller's cost estimate, the Controller used a five percent adjustment.

Other economic factors in the proposed two MOUs are: (a) a new provision imposing three unpaid holidays in FY 2009-2010; (b) a reduction from three unpaid holidays to one unpaid holiday in FY 2010-2011; (c) the suspension of the two percent longevity pay for employees with five or more years of service from January 9, 2010 through June 30, 2011; and (d) the suspension of uniform allowances of \$850 per year per member for FY 2009-2010 and FY 2010-

2011. Beginning July 1, 2011 through June 30, 2012, the last year of the MOU, the above other economic factors, which would result in savings to the City for Fiscal Year 2009-2010 and 2010-2011, would revert back to the provisions of the previous MOU.

Mandate Statement

Legal Requirements

Article XI of the Charter, *Employer – Employee Relations System*, covers legal mandates for meeting and conferring with employees or their recognized employee organizations regarding salaries, working conditions, benefits and other terms and conditions of employment to be embodied in memoranda of understanding.

POLICY ISSUES

Policy Issue - Mandated Staffing Levels and 12-Hour Shifts in the City's Jails

The Budget Analyst performed a review of fixed post staffing in the City's Jails, and issued a report to the Board of Supervisors in June of 2008. This report included the following recommendations for the next DSA MOU: (a) that the MOU for sworn supervisory personnel be separated from sworn non-supervisory personnel, (b) that the mandated 12-hour shifts at Jail No. 2 in the Hall of Justice be removed from the two proposed MOUs, and (c) that all mandated minimum staffing levels for all of the City's seven jails be removed from the two proposed MOUs. The Budget and Legislative Analyst notes that the two proposed MOUs respond partially to the previous recommendations of the Budget Analyst in that the MOU for supervisory sworn personnel would be separate from non-supervisory sworn personnel. However, the Budget Analyst's other two recommendations, pertaining to mandated staffing levels, have not been implemented through the subject proposed two MOUs.

The June, 2008 prior report of the Budget Analyst specifically stated that:

The [DSA] MOU.....contains minimum staffing levels for each of the Sheriff's seven jail facilities, which is inconsistent with practices in other California counties which the Budget Analyst surveyed. Among other findings in the Budget Analyst's report, no major Sheriff's Department in the State of California mandates Jail staffing levels in their respective bargaining agreements.

The MOU between the DSA and the City contain two different shifts, a 12-hour shift and an 8-hour shift. The two facilities at the County Jail No. 1 (an 8-hour shift) and Jail No. 2 (a 12-hour shift), have different shifts, as noted in Sections 1 and 2 of this report. This makes staffing decisions more difficult for the commanders of these facilities. If one facility is short staffed, the differences in shifts creates operational problems because commanders are unable to move staff easily between facilities.

For operational concerns, the Budget Analyst therefore recommends that the Sheriff's Department meet and confer with the Deputy Sheriffs' Association to make sworn staff shifts consistent at each facility, by eliminating the 12-hour shift at County Jail No. 2 and throughout the department.

As a result, the Sheriff's Department does not have full management discretion or control when determining the minimum staffing needs for jail facilities, so that all proposed changes to staff assignments must first be approved by the DSA.

The Budget and Legislative Analyst therefore recommends that the Sheriff's Department and the Department of Human Resources-Employee Relations Division remove (1) the provisions in the two proposed MOUs which relate to mandated 12-hour shifts at Jail No. 2 and (b) all references to minimum staffing levels in the City's seven jails. As is common in other jurisdictions, the number of hours of each shift and the minimum staffing levels should be determined by departmental managers consistent with work rules, conditions of employment, jail population and technology improvements.

The Budget and Legislative Analyst notes that the proposed two MOUs for the DSA also include mandated staffing levels for Superior Court Security. Such staffing levels are funded through a work order with cost recoveries paid to the Sheriff by the Superior Court, using funds paid to the Court by the State of California. In September of 2009, the Superior Court notified the Sheriff that the State had imposed a furlough for ten days in FY 2009-2010 and that the Sheriff would not be paid for court security during those ten days.

In anticipation of such an action, language is included in the proposed two MOUs that states that in the event of such nonpayment for security services by the Superior Court, the Sheriff's Department management would meet and confer with the two DSA bargaining units to alter staffing such that the cost of court furloughs could be mitigated. According to Mr. Martin Gran, Director of Employee Relations, Deputy Sheriff personnel assigned to the courts are now reassigned to Jail security services or mandatory training on court furlough days. According to Mr. Gran, such flexibility reduces the need for overtime to staff fixed posts in the City's jails or to backfill for personnel who are required to fulfill training requirements.

FISCAL ANALYSIS

The attached memorandum from the Controller summarizes the incremental savings and costs of the proposed MOU as follows:

FY 2009-2010 (savings)	\$(2,031,892)
FY 2010-2011 (savings)	(476,161)
FY 2011-2012 (costs)	1,859,476
FY 2012-2013 (costs)	<u>5,178,541 *</u>
Total Incremental Cost	\$4,529,964

*Although FY 2012-2013 is not part of the proposed two three-year MOUs, an anticipated large salary “market rate adjustment” at the end of FY 2011-2012 will be annualized in FY 2012-2013, resulting in increased costs in FY 2012-2013 of \$5,178,541. Additionally, the new MOUs that will be in place for FY 2012-2013, and which will be subject to future Board of Supervisors approval, may have additional costs or savings.

Nearly all salary and benefit costs for Sheriff’s Deputies are General Fund supported.

The Budget and Legislative Analyst concurs with the Controller’s estimated savings and cost analysis. Such savings have been incorporated into the Sheriff’s FY 2009-2010 budget by the Mayor’s “mid-year budget solutions”.

POLICY ALTERNATIVES

The Budget and Legislative Analyst continues to conclude that the Sheriff’s Department does not have full management discretion or control when determining the appropriate staffing levels for the City’s seven jail facilities because of the mandated staffing levels that are locked into the provisions of the proposed two MOUs and because of the required 12 hour shift at Jail No. 2 in the Hall of Justice. Without proper management discretion and control, we conclude that the Sheriff’s Department management is unable to respond to changing conditions in an efficient and effective manner such as periods of reduced jail population or when new technology to operate the jails results in increased efficiencies and economies.

RECOMMENDATIONS

The Budget and Legislative Analyst recommends that (a) the proposed ordinances be continued to the call of the Chair and that (b) the Department of Human Resources – Employee Relations Division meet and confer with the Deputy Sheriff’s Association on the subject of removing from the proposed two MOUs, (a) the presently mandated 12-hour shift provisions at Jail No. 2 in the Hall of Justice and (b) the mandated minimum staffing levels in all of the City’s seven Jails.

RE: Memoranda of Understanding (MOU) with the San Francisco Deputy Sheriffs' Association, Units 12A and 12B

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the MOU between the City and County of San Francisco and the San Francisco Deputy Sheriffs' Association, Units 12A and 12B. The MOU applies to the period commencing July 1, 2009 through June 30, 2012, affecting 892 authorized positions with a salary base of approximately \$73.4 million and an overall pay and benefits base of approximately \$88 million.

Based on our analysis, the MOU will result in a \$2 million net cost savings in FY 2009-2010 and \$476,000 additional savings in FY 2010-2011. The FY 2011-2012 budget will see an incremental increase of \$1.9 million over base budget. During the term of the MOU, represented employees shall observe three unpaid holidays in fiscal year 2009-2010 and one unpaid holiday in FY 2010-2011, resulting in a \$1.2 million dollar cost savings in wages for FY 2009-2010 and a \$778,000 dollar cost increase in wages in FY 2010-2011. Beginning June 25, 2012 represented employees will receive a wage adjustment of a minimum of 3% to a maximum of 5% based on a survey resulting in a \$60,000 increase in FY 2011-2012 and a \$4.3 million increase in FY 2012-2013.

In addition, represented employees will forego a uniform allowance in FY 2010-2011 and FY 2011-2012, resulting in a \$720,000 dollar cost savings in FY 2010-2011. Represented employees will also forego longevity pay from January 9, 2010 through June 20, 2011 resulting in a \$620,000 dollar cost savings in FY 2009-2010 and an additional \$698,000 dollar cost savings in FY 2010-2011.

The Union and the City will meet to discuss minimum staffing requirements at the State and Superior Courts should there be projected cuts to the State Trial Courts budget that may result in a loss of funding for the Sheriff's Department. The Pilot Wellness Incentive Program will sunset on June 30, 2010, resulting in minor savings. In a side letter, represented employees will forego employer paid meals from January 1, 2010 through June 30, 2011 for a \$170,000 dollar cost savings in FY 2009-2010, an additional \$170,000 dollar cost savings in FY 2010-2011.

I.H. GRIEVANCE PROCEDURE

20. The following procedures are adopted by the parties to provide for the orderly and efficient disposition of grievances and are the sole and exclusive procedures for resolving grievances as defined herein.

25. *Economic Claims.* Any claim for monetary relief shall not extend more than thirty (30) calendar days prior to the filing of a grievance. Though the resolution of disputes outside the Grievance Procedure is desired, it is understood by the Association that, in order to preserve its claims for monetary relief, it will file a grievance upon having knowledge of the aggrieved event and, should resolution outside the Grievance Procedure appear probable, request an abeyance of the Grievance Procedure time limits, as set forth in section 2, above. The City will not unreasonably refuse a request for abeyance where settlement of an economic claim appears probable.

3. *Grievance Initiation.*

26. a. A grievance affecting more than one employee shall be filed with the departmental official having authority over all employees affected by the grievance.
27. b. Only the Association may file a grievance arising from a final disciplinary decision. These matters shall be initiated with the Sheriff or his designee at Step 2.
28. c. All other issues shall be initiated at Step 1.

29. 4. *Steps of the Procedure.* The grievant shall discuss the grievance informally with his/her immediate supervisor, provided the grievance is not a discrimination or retaliation claim against that supervisor, and try to work out a satisfactory solution in an informal manner as soon as possible, but in no case later than ten (10) calendar days from the date of the occurrence of the act or the date the grievant might reasonably have been expected to have learned of the alleged violation being grieved. The grievant may have an Association representative present.

30. a. *Step 1.* If the grievance is not resolved within seven (7) calendar days after contact with the immediate supervisor, the grievant will submit the grievance in writing to the facility or division commander no later than seventeen (17) calendar days of the facts or event giving rise to the grievance. The grievance will be submitted on a mutually agreeable grievance form. The grievance will set forth the facts of the grievance, the terms and conditions of the Agreement claimed to have been violated, misapplied or misinterpreted, and the remedy or solution being sought by the grievant.

Whether the Association or City strikes the first name in the alternating process shall be determined by lot.
39. b. *Proceeding.* No briefs will be used in Expedited Arbitration. Testimony and evidence will be limited consistent with the expedited format, as deemed appropriate by the arbitrator. There will be no court reporter or transcription of the proceeding, unless either party or the arbitrator requests one. At the conclusion of the Expedited Arbitration, the arbitrator will make a bench decision. Every effort shall be made to have a bench decision followed by a written decision. Expedited arbitration decisions will be non-precedential except in future issues regarding the same employee.
40. c. *Costs.* Each party shall bear its own expenses in connection with the presentation of its case. All fees and expenses of the arbitrator shall be borne and shared equally by the parties. The costs of a court reporter and the transcription of the proceeding, if any, shall be paid by the party requesting such, unless requested by the arbitrator, which will then be borne and equally shared by the parties. 140. Employees covered by the FLSA who are required to work overtime shall be paid at a rate of one and one-half times (1-1/2) the regular base rate except by mutual agreement an employee may earn up to 80 hours of compensatory time each fiscal year. 142. Employees shall not accumulate a balance of compensatory time in excess of 480 hours. Effective July 1, 2006, employees may not accumulate a balance of compensatory time in excess of 280 hours. Implementation of this provision is subject to confirmation by the City that it complies with state and federal law.
146. Upon transfer to another City department or upon separation of employment through resignation, retirement or termination, a bargaining unit member who is designated "non-Z" or whose "Z" symbol has been waived, shall be entitled to payout of all hours of compensatory time that the member has earned but not used at the time of transfer or separation, less any applicable deductions and withholdings. A bargaining unit member who transfers from Sheriff's Department to another City department shall provide written notice to the Sheriff's Department, prior to separation from the member's classification, of the member's desire to receive payout of all hours of compensatory time available under this section. At the direction of the Sheriff's Department, an employee shall be required to use compensatory before transferring from another Department.
147. The parties acknowledge that for purposes of calculating overtime under the Fair Labor Standards Act (FLSA), the work period now in effect for all sworn members, regardless of the member's assignment or shift, is a 14-day period (86 hours) under 29 USC Section 207k (e.g., Saturday, July 2, 2005 at 0001 hours to Friday, July 15, 2005 at 2400 hours; Saturday, July 16, 2005 at 0001 hours to Friday, July 29, 2005 at 2400 hours).

Only the employees required by the Department to meet minimum holiday staffing levels will work on the former holiday. The Department will select the employees to work on the former holiday by first offering the work first to the most senior employees in the required classification at the facility and on the watch who is regularly scheduled to work that day.

If the provisions of this section deprive an employee of the same number of holidays that an employee receives who works Monday through Friday, he/she shall be granted additional days off to equal such number of holidays. The designation of such days off shall be by mutual agreement of the employee and the appropriate employer representative. Such days off must be taken within the fiscal year. In no event shall the provisions of this section result in such employee receiving more or less holidays than an employee on a Monday through Friday work schedule.

Holiday time off shall be determined by calculating 1/10 of the hours worked by the part-time employee in the bi-weekly pay period immediately preceding the pay period in which the holiday falls. The computation of holiday time off shall be rounded to the nearest hour.

173. The proportionate amount of holiday time off shall be taken in the same fiscal year in which the holiday falls. Holiday time off shall be taken at a time mutually agreeable to the employee and the appropriate employer representative.

8. *In-Lieu Holidays.*

174. a. Requests for in-lieu holidays shall be made to the appropriate management representative within thirty (30) days after the holiday is earned and must be taken within the fiscal year.

180. b. If the employee is receiving a salary in his/her present classification which is less than the entrance step of the salary range of the promotive classification, the employee shall receive a salary step in the promotive class which is closest to an adjustment of seven and one-half percent (7.5%) above the salary received in the class from which promoted. The proper step shall be determined in the bi-weekly compensation schedule and shall not be above the maximum of the salary range of the promotive class.
181. For purpose of this Section, appointment of an employee as defined herein to a position in any class the salary schedule for which is higher than the salary schedule of the employee's class shall be deemed promotive.

186. c. A severe, easily demonstrated and documented recruiting and retention problem exists.
187. d. The appointee possesses special experience, qualifications, and/or skills that, in the opinion of the Sheriff, warrant appointment above the entrance rate.
188. 4. *Compensation Upon Reemployment.*
189. a. *Reemployment in Same Classification Following Layoff.* An employee who has acquired permanent status in a position and who is laid off because of lack of work or funds and is re-employed in the same class after such layoff shall be paid the salary step attained prior to layoff.

employee's accumulated unused sick leave with pay credit balance at the time of disability, compensatory time off, or vacation, so as to equal the normal salary the employee would have earned for the regular work schedule. Use of compensatory time requires the employee's appointing officer's approval.

206. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request to the appointing officer or designee within seven (7) calendar days following the first date of absence. Disability indemnity payments will be automatically supplemented with sick pay credits (if the employee has sick pay credits and is eligible to use them) to provide up to the employee's normal salary unless the employee makes an alternative election as provided in this section.
207. Employee supplementation of workers compensation payment to equal the full salary the employee would have earned for the regular work schedule in effect at the commencement of the workers compensation leave shall be drawn only from an employee's paid leave credits including vacation, sick leave balance, or other paid leave as available. An employee returning from disability leave will accrue sick leave at the regular rate and not an accelerated rate.
208. Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay, vacation, or compensatory time credit balance during any period prior to the determination of eligibility for disability indemnity payment without requiring a signed option by the employee.
209. Sick leave with pay, vacation, or compensatory time credits shall be used to supplement disability indemnity pay at the minimum rate of one (1) hour units.

211. Entitlements afforded represented employees under Labor Code Section 4850 and Article II.D.4. of this Agreement shall not be affected by this provision.
212. 2. *Return-To-Work Programs:* (1) all deputized duty assignments in the Sheriff's Department could require physical contact and require physical agility; (2) there are *no* light duty assignments; and, (3) deputies returning from disability or sick leave must be prepared and medically cleared to fully perform the full range of assigned duties.

214. b. In order to maintain Department operations, the Sheriff or Undersheriff may authorize the resumption of specific duties by management personnel who medically are not fully capable of performing all job duties.

215. Upon certification by the Association that one or more representation units covered by this Agreement desires to be enrolled in the State Disability Insurance (hereinafter "SDI") program, the Director, Department of Human Resources, shall take any and all necessary action to enroll such representation units and all employees therein. The cost of SDI will be paid by the employee through payroll deduction at a rate established by the State of California Employment Development Department.

III.K. VACATION

216. Vacations will be administered pursuant to the Administrative Code, Article II, Sections 16.10 through 16.16.

III.L. HEALTH AND WELFARE

1. Employee Health Care.

217. The level of the City's contribution to health benefits will be set in accordance with the requirements of Charter Sections 8.423 and 8.428.

218. The City shall contribute all of the premium for the employee's own health care benefit coverage for "medically single" employees (i.e. employees not receiving a City contribution for dependent health care benefits).

2. Dependent Health Care Pick-Up.

219. The City will contribute the greater amount of \$225 per month or 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two or more level.

3. Dental Coverage.

**COLLECTIVE BARGAINING AGREEMENT
SAN FRANCISCO DEPUTY SHERIFFS' ASSOCIATION
UNIT 12A
JULY 1, 2009 – JUNE 30, 2012**

ARTICLE III – PAY, HOURS AND BENEFITS

220. The City agrees to maintain dental plan coverage at present levels for the term of this Agreement.

4. *Contributions While On Unpaid Leave.*

221. As set forth in Administrative Code section 16.701(b), covered employees who are not in active service for more than twelve (12) weeks, shall be required to pay the Health Service System for the full premium cost of membership in the Health Service System, unless the employee shall be on sick leave, workers' compensation, mandatory administrative leave, approved personal leave following family care leave, disciplinary suspensions or on a layoff holdover list where the employee verifies they have no alternative coverage.

III.M. RETIREMENT PICK-UP

222. For the duration of this agreement, employees shall pay their own retirement contributions in an amount equal to 7.5% of covered gross salary.

223. Any City pickup of an employee's retirement contribution shall not be considered as a part of an employee's compensation for the purpose of computing straight-time earnings, compensation for overtime worked, premium pay, or retirement benefits; nor shall such contributions be taken into account in determining the level of any other benefit which is a function of our percentage of salary. The City reserves the right to take said contributions into account for the purpose of salary comparisons with other employers.

224. *Military Buy-Back Option.* Subject to meeting the PERS requirements for military buy-back, and in compliance with the City Charter, the parties agree that employees may buy-back up to four (4) years of active duty Federal Armed Services time under the following terms and conditions: (a) the employee shall pay the full employee share and the full employer share (expected to rise over the next few years) for the time (s)he bought back based on a rate of compensation to be determined by PERS; in addition, (b) the employee shall pay interest on the contribution as determined by PERS.

225. Charter Section A8.506 authorizes the Board of Supervisors to enter into a contract with the Public Employees Retirement System (PERS) to provide retirement benefits for the deputy sheriffs. In the MOU for 2001-2003, the City agreed that, in the event the voters approved an improvement to the retirement benefits for safety members (police officers and firefighters) of the San Francisco Retirement System, the City would recommend to the Board of Supervisors that the City's contract with PERS be amended to provide a comparable benefit for employees covered by this agreement. In November 2002, the voters approved a retirement benefit known as "3% @ 55" for safety members of SFERS. In accordance with that agreement, the Board of Supervisors adopted and implemented an agreement between the City and the DSA

ARTICLE III – PAY, HOURS AND BENEFITS

to amend the City's contract with PERS to provide employees covered by this agreement with the retirement benefit known as 3% @ 55.

226. In connection with the Board of Supervisors approval of the amendment to the contract with PERS, the DSA and City entered into a cost sharing agreement in which the DSA agreed that represented members had a continuing obligation to share in the increased cost to the City of amending the PERS contract to provide represented members with the 3% @ 55 retirement plan. The DSA further agreed that it had a continuing obligation to meet and confer with the City to implement a cost sharing agreement for the increased costs to the City of amending the PERS contract, which would materially reduce the cost to the City of the increase in the employer contribution caused by the retirement improvement. The parties agreed that the cost sharing agreement would not require an employee retirement contribution in excess of the limits set in the Charter.

Retirement Seminar Release Time

227. Subject to development, availability and scheduling by SFERS and PERS, employees shall be allowed not more than one day during the life of this MOU to attend a pre-retirement planning seminar sponsored by SFERS or PERS.
228. Employees must provide at least two-weeks advance notice of their desire to attend a retirement planning seminar to the appropriate supervisor. An employee shall be released from work to attend the seminar unless staffing requirements or other Department exigencies require the employee's attendance at work on the day or days such seminar is scheduled. Release time shall not be unreasonably withheld.
229. This section shall not be subject to the grievance procedure.

III.N. LEAVES OF ABSENCE

230. Those portions of the current Civil Service Commission Rules applicable to Leaves that are negotiable and arbitrable pursuant to Charter Sections A8.409 *et seq.*, may not be changed during the term of this Agreement except by mutual consent. Those matters within the jurisdiction of the Civil Service Commission are not subject to grievance or arbitration.

III.O. USE OF SICK LEAVE WITH PAY CREDITS TO SUPPLEMENT STATE DISABILITY INSURANCE

231. Sick leave with pay credits shall be used to supplement State Disability Insurance (SDI) at the minimum rate in units of one tenth (0.1) hour.
232. SDI payments to an employee who qualifies and who has accumulated and is eligible to use sick leave with pay credits shall be supplemented with sick leave with pay credits so that the

ARTICLE III – PAY, HOURS AND BENEFITS

total of SDI and sick leave with pay calculated in units of one/tenth (0.1) hour provides up to, but does not exceed, the regular net salary the employee would have received for the normal work schedule excluding overtime.

233. An employee who wishes not to supplement, or who wishes to supplement with compensatory time or vacation, must submit a written request on the prescribed form to the appointing officer or designee within seven (7) calendar days following the first date of absence.
234. An employee who supplements SDI, shall earn sick leave with pay credits at the normal rate only for those hours of sick leave pay credits used.

III.P. CHAPTER 12W PAID SICK LEAVE ORDINANCE

235. San Francisco Administrative Code, Chapter 12W, Paid Sick Leave Ordinance, is expressly waived in its entirety with respect to employees covered by this Agreement.

III.P. PILOT WELLNESS INCENTIVE PROGRAM

236. The City hereby establishes a pilot "wellness incentive program" to promote workforce attendance.
237. Any full-time employee leaving the employment of the City upon service or disability retirement may receive payment of a portion of accrued sick leave credits at the time of separation.
238. The amount of this payment shall be equal to two-and-one-half percent (2.5%) of accrued sick leave credits at the time of separation times the number of whole years of continuous employment times an employee's salary rate, exclusive of premiums or supplements, at the time of separation. Vested sick leave credits, as set forth under Civil Service Commission Rules, shall not be included in this computation.

239. Example of Calculation

Employee A retires with 20 years of service.
Employee A has a sick leave balance of 500 hours.
Employee A has a base salary rate of \$25.00 per hour at the time of separation.

Wellness Incentive = 2.5% for each year of service x 20 years of service = 50%
50% x 500 hours = 250 hours.
250 hours x \$25.00 (base salary at time of separation) = \$6,250.00

ARTICLE III – PAY, HOURS AND BENEFITS

- 240. The number of hours for which an employee may receive cash payments shall not exceed one thousand forty (1040) hours, including any vested sick leave.
- 241. A wellness incentive bonus payment shall not be considered as part of an employee's compensation for the purpose of computing retirement benefits.
- 242. The pilot wellness program will sunset on June 30, 2010.

III.Q. VOLUNTEER / PARENTAL RELEASE TIME

- 243. Represented employees shall be granted paid release time to attend parent teacher conferences of four (4) hours per fiscal year (for children in kindergarten or grades 1 to 12).
- 244. In addition, an employee who is a parent or who has child rearing responsibilities (including domestic partners but excluding paid child care workers) of one or more children in kindergarten or grades 1 to 12 shall be granted unpaid release time of up to forty (40) hours each fiscal year, not exceeding eight (8) hours in any calendar month of the fiscal year, to participate in the activities of the school of any child of the employee, providing the employee, prior to taking the time off, gives reasonable notice of the planned absence. Subject to minimum staffing requirements, an employee may use vacation, floating holiday hours, or compensatory time off during the planned absence.

ARTICLE IV - WORKING CONDITIONS

IV.A. UNIFORMS AND EQUIPMENT

245. 1. *Uniform Allowance.* The City agrees to provide a sum of Seven Hundred and Seventy-five (\$775) dollars in the payroll that includes September 1, 2005 as a uniform allowance to represented employees who have been continuously employed in the Sheriff's Department. An employee shall be considered "continuously employed" if he/she was on duty status cumulatively for ten (10) of the twelve (12) months immediately preceding September 1 each year of this contract. Employees who were on duty status less than ten (10) of the twelve (12) months shall be paid a pro-rata uniform allowance, calculated on a twelve (12) month basis. However, to receive this allowance, an employee must be in paid status or on approved leave on September 1. If an employee is not on duty status or on approved leave on September 1, the employee will not receive any allowance.
246. Beginning in fiscal year 2006-2007 and continuing for the duration of this Agreement, the City agrees to provide a uniform allowance each year in the amount of Eight Hundred Fifty (\$850) dollars. The City will pay the uniform allowance in the payroll that includes September 1 of each year. Represented employees must be on duty status or approved leave on each September 1 to be eligible for the uniform allowance. Any eligible employee hired on or after March 1 will receive fifty percent (50%) of the uniform allowance that year.
247. Effective July 1, 2010 through June 30, 2012, the parties agree to suspend payment of the uniform allowance. The parties agree that this concession will sunset at the expiration of this Memorandum of Understanding and therefore effective the close of business on June 30, 2012, the Department will again begin to pay a uniform allowance to eligible employees as set forth in paragraph 220.
248. 2. *Bulletproof Vests.* The City agrees to refurbish, repair or replace bulletproof vests for each represented employee, as appropriate and in accordance with manufacturer's specifications. All bulletproof vests provided to employees remain the property of the City and must be returned to the City when an employee is issued a replacement vest.
249. 3. *Ammunition.* The City will provide an adequate amount of ammunition per month as determined by the Sheriff, for each member of the bargaining unit to practice in order to qualify.

ARTICLE V - SCOPE

250. Any provision of this Agreement shall be held invalid by operation of the law or by any court of competent jurisdiction or if compliance with enforcement of any provision shall be restrained by any tribunal, the remainder of this Agreement shall not be affected thereby. Upon such occurrence, and upon the request of either party, the parties agree to meet and confer regarding the affected provision.

V.B. AMENDMENT OR MODIFICATION.

251. This Agreement may be amended or modified, but only in writing, upon the mutual consent of the parties.
