

February 1, 2018

Dear Neighbors,

I'm excited to introduce you to Tato, the restaurant I am opening in the Spring of this year at 4608 3rd Street at McKinnon Avenue. Tato is my 12 year old son Hudson's nickname, and I'm creating this restaurant in dedication to his Mexican heritage and in honor of the love that I have for his culture, family from Mexico City and the beautiful customs and traditions I have learned about, especially around food. I've raised Hudson here in the Bayview all of his life and it has long been my dream to open a family friendly restaurant here in our community.

I began pursuing that dream by opening All Good Pizza at Third and Jerrold six years ago in a food truck parked on an abandoned lot. All Good Pizza has been an incredible experience and the unique space has provided a great setting for the community to gather and enjoy the amazing weather we have in the Bayview. I plan on keeping All Good Pizza open, but opening Tato in a brick and mortar will enable me to be open later, provide indoor seating and also have an expanded menu with a larger kitchen and workspace.

Much like All Good Pizza, Tato will focus on local, fresh and affordable food. We have tremendous resources right here in the community like the 100 year old Produce Market on Jerrold Avenue and various local meat companies that will make the food at Tato uniquely Bayview. Tato will feature tacos, small plates, organic salads, quesadillas, tostadas and seasonal specialties. We will serve lunch and dinner and have brunch on the weekends. Everything will be made in house with fresh simple ingredients and time-honored methods- many of which I learned from Hudson's grandmother Alicia, who is an amazing chef in Mexico City. I am so excited to share this food with you!

I have applied for a neighborhood restricted liquor license as I feel like this cuisine is only made better by the addition of delicious cocktails like margaritas and palomas. I am excited to create a unique beverage menu that compliments the food at Tato and highlights these exceptional spirits with the use of house made juices, shrubs, and bitters. Part of the liquor license process involves hosting a community meeting to share my vision and answer any questions the community may have. I am seeking your support in this endeavor and hope you will join me!

The details of the meeting are listed below:

Community Meeting

Date: Tuesday, February 20th, 2018 **Time:** 6pm

Location: All Good Pizza, 1605 Jerrold Avenue, SF, CA 94124

I thank you for your support and look forward to feeding you at Tato soon! In the meantime, please check out our progress on Facebook and Instagram @tatosf or on the web at www.tatosf.com, where you can see our menu.

Cheers!

Kristin Houk

Owner, All Good Pizza and Tato
