Dear Ms. Calvillo,

I hereby make the following nomination to the Redevelopment Successor Commission (commonly known as Commission on Community Investment and Infrastructure), pursuant to Ordinance No. 215-12:

Carolyn Ransom-Scott, to Seat 1, a District 10 resident, assuming the seat formerly held by Leah Pimentel, for a term ending November 3, 2020

I am confident that Rev. Dr. Ransom-Scott, an elector of the City and County, will serve our community well. Attached are her qualifications to serve, which demonstrates how this appointment represents the communities of interest, neighborhoods and diverse populations of the City and County of San Francisco.

I am pleased to advise you of this nomination and encourage the support of the Board of Supervisors.

Should you have any questions related to this appointment, please contact my Deputy Chief of Staff, Francis Tsang, at 415-554-6467.

Sincerely,

A handwritten signature in blue ink that reads "Mark E. Farrell".

Mark E. Farrell
Mayor

Rev. Dr. Carolyn H. Ransom-Scott

Dr. Scott is a native San Franciscan and a long-time Bayview Hunters Point resident. Growing up in the neighborhood, she has seen the Hunters Point Shipyard transform from a thriving economic engine that kept families moving forward to a closed Naval Shipyard and now its current rebirth. She has been active in its current economic revitalization and developments.

She has served in numerous leadership positions to promote economic stability and sustainable development, workforce and job training, housing, technology and education to improve the overall quality of life for Bayview and San Francisco residents.

She worked very closely with the late Mayor Lee and his Administration during numerous outreach efforts to engage the Bayview, interfaith communities and other stakeholders Citywide.

In 2017, Mayor Ed Lee appointed Dr. Scott to the Hunters Point Shipyard Citizen Advisory Committee, a committed group of community residents and business owners that provides recommendations to the City on the redevelopment process of the Hunters Point Shipyard.

She has helped to advance social causes, advocate for children, youth and seniors, and has been mentoring, volunteering and assisting in the implementation of various community projects in the neighborhood that she lives in.

For 30 years, she has worked with “Inner City Missions” to mentor low-income youth, to ensure they have more confidence and expectations with a greater hope in pursuing their dreams. One of her proudest moments to date occurred while mentoring Bayview Hunters Point students from SF State University and had the opportunity to take two low-income students with a group of pastors and community leaders from the Bayview to Washington, D.C. to attend the President’s National Prayer Breakfast, with preeminent global leaders attending. The youth she mentored participated in the discussion on “At Risk Youth” at the conference. She believes together we can build better lives and communities with meaningful support to help make it sustainable then we are “Building for Better Tomorrows, Today.”
