Adjustment of Principal Payments. The principal amounts set forth in this Official Notice of Sale reflect certain estimates of the City with respect to the likely interest rates of the winning bid and the premium contained in the winning bid. **The City reserves the right to change the principal payment schedule set forth above for a Series of Bonds after the determination of the winning bidder, by adjusting one or more of the principal payments of such Series of Bonds, in increments of \$5,000, as determined in the sole discretion of the City. Any such adjustment of principal payments with respect to a Series of Bonds shall be based on the schedule of principal payments provided by the City to be used as the basis of bids for such Series of Bonds. Any such adjustment will not change the average per Bond dollar amount of the applicable underwriter’s discount. Any such adjustment will be communicated to the winning bidder within 24 hours after receipt of such bid by the City. In the event of any such adjustment, no rebidding or recalculation of the bids submitted will be required or permitted and no winning bid may be withdrawn.**

See also “TERMS OF SALE - Right to Modify or Amend,” regarding the City’s right to modify or amend this Official Notice of Sale in any respect including, without limitation, increasing or decreasing the principal amount of any serial maturity or mandatory sinking fund payment for any Series of Bonds and adding or deleting serial or term maturity and mandatory sinking fund payment dates, along with corresponding principal amounts with respect thereto.

## TERMS OF SALE

Par and Premium Bids; No Net Discount Bids. All bids for each Series of Bonds shall be for par or more; no net discount bids for any Series of Bonds will be accepted. Bidders may not bid a price for more than [111]% of the aggregate principal amount of a Series of Bonds. Notwithstanding the foregoing, the City may not accept a bid price for a Series of Bonds which results in a net original issue premium of more than the aggregate amount of interest coming due or accruing through a date that is three years after the date of issuance for such Series. No bid submitted at a price less than the aggregate par value of a Series of Bonds will be considered. Individual maturities of any Series of Bonds may be reoffered at par, a premium or a discount.

Form of Bids; Delivery of Bids. Each bid for a Series of Bonds must be: (1) for not less than all of a Series of Bonds offered for sale; (2) unconditional; and (3) either submitted (i) on the Official Bid Form attached hereto as Exhibit A and signed by the bidder, or (ii) via Parity, along with a facsimile transmission by the winning bidder, after the verbal award, of the completed and signed applicable Official Bid Form conforming to the Parity bid, with any adjustments made by the City pursuant hereto, by not later than [11:00 a.m., California time, on the sale date][one hour after the City has given notice of such verbal award]. Electronic bids must conform to the procedures established by Parity. Sealed bids must be enclosed in a sealed envelope, delivered to the City at the address set forth on the cover and clearly marked “Bid for the City and County of San Francisco General Obligation Bonds (Series 2018C, Series 2018D and/or Series 2018E)” or words of similar import, as hereinafter described and received by \_\_\_\_\_ a.m., California time, on \_\_\_\_\_, 2018, at the offices of the Office of Public Finance, c/o Anna Van Degna, 1 Dr. Carlton B. Goodlett Place, Room 336, San Francisco, California 94102; telephone: (415) 554-5956. No bid submitted to the City shall be subject to withdrawal or modification by the bidder.

**All bids will be deemed to incorporate all of the terms of this Official Notice of Sale. If the sale of a Series of Bonds is canceled or postponed, all bids for such Series of Bonds shall be rejected. No bid submitted to the City shall be subject to withdrawal or modification by the bidder. No bid will be accepted after the time for receiving bids. The City retains absolute discretion to determine whether any bidder is a responsible bidder and whether any bid is timely, legible and complete and conforms to this Official Notice of Sale. The City takes no responsibility for informing any bidder prior to the time for receiving bids that its bid is incomplete, illegible or nonconforming with this Official Notice of Sale or has not been received.**

Solely as an accommodation to bidders, electronic bids will be received exclusively through Parity in accordance with this Official Notice of Sale. For further information about Parity, potential bidders may contact either of the Co-Municipal Advisors at the numbers provided above or Parity at: (212) 404-8107.

**Warnings Regarding Electronic Bids.** Bids for the Bonds may be submitted electronically via Parity. The City will attempt to accommodate bids submitted electronically via Parity. However, the City does not endorse or encourage the use of such electronic bidding service. None of the City, the City Attorney, the Co-Municipal Advisors or Co-Bond Counsel assumes any responsibility for any error contained in any bid submitted electronically or for failure of any bid to be transmitted, received or opened by the time for receiving bids, and each bidder expressly assumes the risk of any incomplete, illegible, untimely or nonconforming bid submitted by electronic transmission by such bidder, including, without limitation, by reason of garbled transmissions, mechanical failure, engaged telecommunications lines, or any other cause arising from submission by electronic transmission. The time for receiving bids will be determined by the City at the place of bid opening, and the City will not be required to accept the time kept by Parity.

If a bidder submits an electronic bid for a Series of Bonds through Parity, such bidder thereby agrees to the following terms and conditions: (1) if any provision in this Official Notice of Sale with respect to the Bonds conflicts with information or terms provided or required by Parity, this Official Notice of Sale, including any amendments or modifications issued through Parity and/or the News Services, will control; (2) each bidder will be solely responsible for making necessary arrangements to access Parity for purposes of submitting its bid in a timely manner and in compliance with the requirements of this Official Notice of Sale; (3) the City will not have any duty or obligation to provide or assure access to Parity to any bidder, and the City will not be responsible for proper operation of, or have any liability for, any delays, interruptions or damages caused by use of Parity or any incomplete, inaccurate or untimely bid submitted by any bidder through Parity; (4) the City is permitting use of Parity as a communication mechanism, and not as an agent of the City, to facilitate the submission of electronic bids for the Bonds; Parity is acting as an independent contractor, and is not acting for or on behalf of the City; (5) the City is not responsible for ensuring or verifying bidder compliance with any procedures established by Parity; (6) the City may regard the electronic transmission of a bid through Parity (including information regarding the purchase price for a Series of Bonds or the interest rates for any maturity of a Series of Bonds) as though the information were submitted on the Official Bid Form and executed on the bidder's behalf by a duly authorized signatory; (7) if the bidder's bid is accepted by the City, the signed, completed and conforming Official Bid Form submitted by the bidder by facsimile transmission after the verbal award, this Official Notice of Sale and the information that is transmitted electronically through Parity will form a contract, and the bidder will be bound by the terms of such contract; and (8) information provided by Parity to bidders will form no part of any bid or of any contract between the winning bidder and the City unless that information is included in this Official Notice of Sale or the Official Bid Form.

**Process of Award.** The City will take final action awarding each Series of Bonds or rejecting all bids for such Series of Bonds not later than [thirty (30)] hours after the time for receipt of bids, unless such time period is waived by the winning bidder.

The following five (5) steps constitute the City's process for a final award of each Series of Bonds:

(1) The Co-Municipal Advisors, on behalf of the City, will give a verbal notice of award to the apparent winning bidder (the “**Apparent Winning Bidder**”) to be determined as described below under “–Basis of Award;”

(2) If the Apparent Winning Bidder submitted its bid via Parity, such Apparent Winning Bidder shall, promptly after verbal award, but no later than one hour after the City has given notice of such verbal award, fax or email to the City (in c/o its Co-Municipal Advisors and to the City’s Director of Public Finance at the fax and/or email addresses provided for such purpose) the executed and completed Official Bid Form (attached hereto as Exhibit A), executed on the Apparent Winning Bidder’s behalf by duly authorized signatory;

(3) The Apparent Winning Bidder shall provide the Good Faith Deposit, as described under “–Good Faith Deposit;”

(4) The Co-Municipal Advisors will fax or email to the Apparent Winning Bidder confirmation of the final principal amortization schedule and purchase price for the Series of Bonds, after adjustments, if any, are made, as described under “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments;” and

(5) The City will fax or email to the Apparent Winning Bidder its written final award.

Upon completion of the steps described above, the Apparent Winning Bidder will be deemed the Purchaser of the Series of Bonds and will be contractually bound by the terms of this Official Notice of Sale to purchase the Bonds, which contract shall consist of: (a) this Official Notice of Sale; (b) the information that is transmitted electronically by the bidder through Parity or provided in the bidder’s written sealed bid, as applicable; (c) any adjustments to the final principal amortization schedule and purchase price made as described under “TERMS RELATED TO THE BONDS - Adjustment of Principal Payment;” and (d) the Official Bid Form executed and delivered, provided, however, in case of any inconsistencies between the information in the bid as originally transmitted by the Apparent Winning Bidder (either electronically or in the form of a written sealed bid) and the Official Bid Form subsequently submitted by such Apparent Winning Bidder, the data submitted electronically through Parity (or the written sealed bid, as applicable) shall control.

Basis of Award. Unless all bids are rejected each Series of Bonds will be awarded to the responsible bidder who submits a conforming bid that represents the lowest true interest cost to the City. The true interest cost will be that nominal interest rate that, when compounded semiannually and applied to discount all payments of principal and interest payable on such Series of Bonds to the dated date of such Series, results in an amount equal to the principal amount of the such Bonds plus the amount of any net premium. For the purpose of calculating the true interest cost, mandatory sinking fund payments for any term bond of a Series of Bonds specified by a bidder will be treated as Bonds maturing on the dates of such mandatory sinking fund payments. In the event that two or more bidders offer bids for a Series of Bonds at the same true interest cost, the City will determine by lot which bidder will be awarded such Series of Bonds. Bid evaluations or rankings made by Parity are not binding on the City.

Estimate of True Interest Cost. Each bidder is requested, but not required, to supply an estimate of the true interest cost based upon its bid, which will be considered as informative only and not binding on either the bidder or the City.

Multiple Bids. In the event multiple bids with respect to a Series of Bonds are received from a single bidder by any means or combination thereof, the City shall be entitled to accept the bid representing the lowest true interest cost to the City, and each bidder agrees by submitting multiple bids to be bound by the bid representing the lowest true interest cost to the City.

Good Faith Deposit. To secure the City from any loss resulting from the failure of the apparent winning bidder to comply with the terms of its bid, the apparent winning bidder for each Series must provide to the City a good faith deposit (in the amount of \$1,800,000 for the Series 2018C Bonds, \$1,400,000 for the Series 2018D Bonds, and \$500,000 for the Series 2018E Bonds) (each a “**Good Faith Deposit**”) for such Series.

Upon the determination by the City of the Apparent Winning Bidder of the Bonds of a Series, the Co-Municipal Advisors will (i) provide to the Apparent Winning Bidder of such Series of Bonds the wire transfer information and (ii) request the Apparent Winning Bidder to immediately wire the applicable Good Faith Deposit to the City. No later than 90 minutes after the time the Co-Municipal Advisors request the Apparent Winning Bidder to wire the Good Faith Deposit to the City, the Apparent Winning Bidder of such Series must wire the applicable Good Faith Deposit to the City and provide the Federal wire reference number of such Good Faith Deposit to the Co-Municipal Advisors. In the event that the Apparent Winning Bidder does not wire the Good Faith Deposit to the City or does not provide the Federal wire reference number of such Good Faith Deposit to the Co-Municipal Advisors within the time specified above, the City may reject the bid of the Apparent Winning Bidder and award such Series of Bonds to a responsible bidder that submitted a conforming bid that represents the next lowest true interest cost to the City.

No interest will be paid upon the Good Faith Deposit made by any bidder. The Good Faith Deposit of each Purchaser will immediately become the property of the City. The Good Faith Deposit will be held and invested for the exclusive benefit of the City. The Good Faith Deposit, without interest thereon, will be credited against the purchase price of the Series of Bonds purchased by such Purchaser at the time of delivery thereof.

If the purchase price is not paid in full upon tender of a Series of Bonds, the City shall retain the applicable Good Faith Deposit and the Purchaser thereof will have no right in or to the such Bonds or to the recovery of its Good Faith Deposit, or to any allowance or credit by reason of such deposit, unless it shall appear that such Series of Bonds would not be validly delivered to the Purchaser in the form and manner proposed, except pursuant to a right of cancellation. See “CLOSING PROCEDURES AND DOCUMENTS - Right of Cancellation.” In the event of nonpayment for a Series of Bonds by a winning bidder, the City reserves any and all rights granted by law to recover the full purchase price of such Series of Bonds and, in addition, any damages suffered by the City.

Reoffering Prices, Establishment of Issue Price and Certificate.

(a) The winning bidder for each of the Series 2018C and 2018E Bonds (collectively the “**Tax-Exempt Bonds**”) shall assist the City in establishing the issue price of such Series of Tax-Exempt Bonds and shall execute and deliver to the City at Closing an “issue price” or similar certificate setting forth the reasonably expected initial offering price to the public or, if the competitive sale requirements (defined below) are not satisfied and the parties agree that the 10% test shall apply to the Tax-Exempt Bonds the sales price or prices of each maturity of the Tax-Exempt Bonds, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit B, with such modifications as may be appropriate or necessary, in the reasonable judgment of each winning bidder, the City and Co-Bond Counsel.

(b) The City intends that Treasury Regulation Sections 1.148-1(f)(3)(i) and 1.148-1(f)(2)(iii) (providing a special rule for competitive sales and defining the term “competitive sale” for purposes of establishing the issue price of the Tax-Exempt Bonds) will apply to the initial sale of each Series of Tax-Exempt Bonds (the “**competitive sale requirements**”) because:

- (1) the City shall disseminate this Official Notice of Sale to potential underwriters in a manner that is reasonably designed to reach potential underwriters;
- (2) all bidders shall have an equal opportunity to bid;
- (3) the City may receive bids for each Series of Tax-Exempt Bonds from at least three underwriters of municipal bonds who have established industry reputations for underwriting new issuances of municipal bonds; and
- (4) the City anticipates awarding the sale of each Series of Tax-Exempt Bonds to the bidder who submits a firm offer to purchase such Series of Tax-Exempt Bonds at the highest price (or lowest interest cost), as set forth in this Official Notice of Sale.

Any bid submitted pursuant to this Official Notice of Sale shall be considered a firm offer for the purchase of a Series of Tax-Exempt Bonds, as specified in the bid.

(c) In the event that the competitive sale requirements are not satisfied for a Series of Tax-Exempt Bonds, the City shall so advise the winning bidder. The City may determine to treat (i) the first price at which 10% of any maturity of a Series of Tax-Exempt Bonds (the “**10% test**”) is sold to the public as the issue price of that maturity and/or (ii) the initial offering price to the public as of the sale date of any maturity of a Series of Tax-Exempt Bonds as the issue price of that maturity (the “**hold-the-offering-price rule**”), in each case applied on a maturity-by-maturity basis. The winning bidder shall advise the City if any maturity a Series of Tax-Exempt Bonds satisfies the 10% test as of the date and time of the award of the Bonds. The City shall promptly advise the winning bidder, at or before the time of award of the Bonds, which maturities of the Bonds shall be subject to the 10% test or shall be subject to the hold-the-offering-price rule. Bids will not be subject to cancellation in the event that the City determines to apply the hold-the-offering-price rule to any maturity of the Series of Tax-Exempt Bonds. Bidders should prepare their bids on the assumption that some or all of the maturities of the Tax-Exempt Bonds will be

subject to the hold-the-offering-price rule in order to establish the issue prices of the Series of Tax-Exempt Bonds. For purposes of this section, Tax-Exempt Bonds maturing on the same date but having different interest rates (and CUSIP numbers) shall be treated as separate maturities of the Tax-Exempt Bonds.

(d) By submitting a bid for a Series of Tax-Exempt Bonds, the winning bidder shall (i) confirm that the underwriters have offered or will offer such Series of Tax-Exempt Bonds to the public on or before the date of award at the offering price or prices (the “**initial offering price**”), or at the corresponding yield or yields, set forth in the bid submitted by the winning bidder and (ii) agree, on behalf of the underwriters participating in the purchase of the Series of Tax-Exempt Bonds, that the underwriters will neither offer nor sell unsold Tax-Exempt Bonds of any maturity to which the hold-the-offering-price rule shall apply to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

- (1) the close of the fifth (5<sup>th</sup>) business day after the sale date; or
- (2) the date on which the underwriters have sold at least 10% of that maturity of the Tax-Exempt Bonds to the public at a price that is no higher than the initial offering price to the public.

The winning bidder shall promptly advise the City when the underwriters have sold 10% of that maturity of the Tax-Exempt Bonds to the public at a price that is no higher than the initial offering price to the public, if that occurs prior to the close of the fifth (5<sup>th</sup>) business day after the sale date.

(e) If the competitive sale requirements are not satisfied, then until the 10% test has been satisfied as to each maturity of the Tax-Exempt Bonds, the winning bidder agrees to promptly report to the City the prices at which the unsold Tax-Exempt Bonds of that maturity have been sold to the public. That reporting obligation shall continue, whether or not the Closing Date has occurred, until the 10% test has been satisfied as to the Tax-Exempt Bonds of that maturity or until all Tax-Exempt Bonds of that maturity have been sold.

(f) The City acknowledges that, in making the representation set forth above, the winning bidder will rely on (i) the agreement of each underwriter to comply with the hold-the-offering-price rule, as set forth in an agreement among underwriters and the related pricing wires, (ii) in the event a selling group has been created in connection with the initial sale of such Tax-Exempt Bonds to the public, the agreement of each dealer who is a member of the selling group to comply with the hold-the-offering-price rule, as set forth in a selling group agreement and the related pricing wires, and (iii) in the event that an underwriter is a party to a retail distribution agreement that was employed in connection with the initial sale of such Tax-Exempt Bonds to the public, the agreement of each broker-dealer that is a party to such agreement to comply with the hold-the-offering-price rule, as set forth in the retail distribution agreement and the related pricing wires. The City further acknowledges that each underwriter shall be solely liable for its failure to comply with its agreement regarding the hold-the-offering-price rule and that no underwriter shall be liable for the failure of any other underwriter, or of any dealer who is a member of a selling group, or of any broker-dealer that is a party to a retail distribution agreement to comply with its

corresponding agreement regarding the hold-the-offering-price rule as applicable to the Series of Tax-Exempt Bonds.

(g) By submitting a bid for a Series of Tax-Exempt Bonds, each bidder confirms that:

- (i) any agreement among underwriters, any selling group agreement and each retail distribution agreement (to which the bidder is a party) relating to the initial sale of such Tax-Exempt Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter, each dealer who is a member of the selling group, and each broker-dealer that is a party to such retail distribution agreement, as applicable, to (A) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity allotted to it until it is notified by the winning bidder that either the 10% test has been satisfied as to such Tax-Exempt Bonds of that maturity or all Tax-Exempt Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder and as set forth in the related pricing wires, and (ii) any agreement among underwriters relating to the initial sale of such Tax-Exempt Bonds to the public, together with the related pricing wires, contains or will contain language obligating each underwriter that is a party to a retail distribution agreement to be employed in connection with the initial sale of the Tax-Exempt Bonds to the public to require each broker-dealer that is a party to such retail distribution agreement to (A) report the prices at which it sells to the public the unsold Tax-Exempt Bonds of each maturity allotted to it until it is notified by the winning bidder or such underwriter that either the 10% test has been satisfied as to such Tax-Exempt Bonds of that maturity or all Tax-Exempt Bonds of that maturity have been sold to the public and (B) comply with the hold-the-offering-price rule, if applicable, in each case if and for so long as directed by the winning bidder or such underwriter and as set forth in the related pricing wires.

(h) Sales of any Tax-Exempt Bonds to any person that is a related party to an underwriter shall not constitute sales to the public for purposes of this Official Notice of Sale. Further, for purposes of this Official Notice of Sale:

- (i) “public” means any person other than an underwriter or a related party,
- (ii) “underwriter” means (A) any person that agrees pursuant to a written contract with the City (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Tax-Exempt Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Tax-Exempt Bonds to the public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Tax-Exempt Bonds to the public),
- (iii) a purchaser of any of the Tax-Exempt Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of

another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

- (iv) “sale date” means the date that the Tax-Exempt Bonds are awarded by the City to the winning bidder.

Electronic Bids; Delivery of Form of Bids. If the City accepts a bidder’s bid that was submitted through Parity, the winning bidder shall submit a signed, completed and conforming Official Bid Form by facsimile transmission to Director of Public Finance, fax: (415) 554-4864, as soon as practicable, but not later than one hour after the verbal award of the Bonds.

Right of Rejection and Waiver of Irregularity. The City reserves the right, in its sole discretion, to reject any and all bids and to waive any irregularity or informality in any bid which does not materially affect such bid or change the ranking of the bids.

Right to Modify or Amend. Other than with respect to postponement or cancellation as described in this Official Notice of Sale, and in addition to the City’s right to adjust the payment amounts of the Bonds as provided in “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments” the City reserves the right to modify or amend this Official Notice of Sale in any respect including, without limitation, increasing or decreasing the principal amount of any serial maturity or mandatory sinking fund payment for any Series of Bonds and adding or deleting serial or term maturity and mandatory sinking fund payment dates, along with corresponding principal amounts with respect thereto; provided, that, subject to the terms of this Official Notice of Sale (see “TERMS RELATING TO THE BONDS - Adjustment of Principal Payments”) any such modification or amendment will be communicated to potential bidders through Parity and/or the News Services not later than 1:00 p.m., California time, on the business day preceding the date for receiving bids. Failure of any potential bidder to receive notice of any modification or amendment will not affect the sufficiency of any such notice or the legality of the sale.

Postponement or Cancellation of Sale. The City may postpone or cancel the sale of any or all Series of the Bonds at or prior to the time for receiving bids. Notice of such postponement or cancellation shall be given through Parity and/or the News Services as soon as practicable following such postponement or cancellation. If a sale is postponed, notice of a new sale date will be given through Parity and/or the News Services as soon as practicable following a postponement and no later than 1:00 p.m., California time, on the business day preceding the new date for receiving bids. Failure of any potential bidder to receive notice of postponement or cancellation will not affect the sufficiency of any such notice.

Prompt Award. The Controller of the City will take official action awarding the Bonds or rejecting all bids with respect to the Bonds not later than 30 hours after the time for receipt of bids for each Series of Bonds, unless such time period is waived by the Purchaser.

Equal Opportunity. Pursuant to the spirit and intent of the City’s Local Business Enterprise (“LBE”) Ordinance, Chapter 14B of the Administrative Code of the City, the City strongly encourages the inclusion of Local Business Enterprises certified by the San Francisco Human

Rights Commission in prospective bidding syndicates. A list of certified LBEs may be obtained from the San Francisco Human Rights Commission, 25 Van Ness Avenue, Room 800, San Francisco, California 94102; telephone: (415) 252-2500.

Sales Outside of the United States. The Purchaser must undertake responsibility for compliance with any laws or regulations of any foreign jurisdiction in connection with any sale of each Series of Bonds to persons outside the United States.

Insurance. No bids with municipal bond insurance will be accepted.

## **CLOSING PROCEDURES AND DOCUMENTS**

Delivery and Payment. **Delivery of the Bonds will be made through the facilities of DTC in New York, New York, and is presently expected to take place on or about \_\_\_\_\_, 2018\*.** Payment for the Bonds of each Series (including any premium) must be made at the time of delivery in immediately available funds to the City Treasurer. Any expense for making payment in immediately available funds shall be borne by the applicable Purchaser. The City will deliver to each Purchaser, dated as of the delivery date, the legal opinions with respect to the Series of Bonds purchased, described in APPENDIX F – “PROPOSED FORMS OF OPINIONS OF CO-BOND COUNSEL” to the Preliminary Official Statement.

Qualification for Sale. The City will furnish such information and take such action not inconsistent with law as a Purchaser may request and the City may deem necessary or appropriate to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as may be designated by the Purchaser; provided, that the City will not execute a general or special consent to service of process or qualify to do business in connection with such qualification or determination in any jurisdiction. By submitting its bid for a Series of Bonds, the Purchaser assumes all responsibility for qualifying the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of the states and jurisdictions in which the Purchaser offers or sells the Bonds, including the payment of fees for such qualification. Under no circumstances may the Bonds be sold or offered for sale or any solicitation of an offer to buy the Bonds be made in any jurisdiction in which such sale, offer or solicitation would be unlawful under the securities laws of the jurisdiction.

No Litigation. The City will deliver a certificate stating that no litigation of any nature is pending, or to the knowledge of the officer of the City executing such certificate, threatened, restraining or enjoining the sale, issuance or delivery of the Bonds or any part thereof, or the entering into or performance of any obligation of the City, or concerning the validity of the Bonds, the ability of the City to levy and collect the ad valorem tax required to pay debt service on the Bonds, the corporate existence or the boundaries of the City, or the entitlement of any officers of the City who will execute the Bonds to their respective offices.

Right of Cancellation. A Purchaser will have the right, at its option, to cancel this contract if the City fails to execute the purchased Bonds and tender the same for delivery within 30 days

from the sale date, and in such event the Purchaser will be entitled only to the return of the Good Faith Deposit, without interest thereon.

CUSIP Numbers. It is anticipated that CUSIP numbers will be printed on the Bonds, but neither the failure to print such numbers on any Bond nor any error with respect thereto will constitute cause for a failure or refusal by the Purchaser of the Bonds to accept delivery of and pay for such Bonds in accordance with the terms of this contract. The Purchaser of each Series, at its sole cost, will obtain separate CUSIP numbers for each maturity of such Series of Bonds. **The Purchaser of each Series of the Bonds is responsible for obtaining CUSIP numbers for the Bonds it purchased of such Series and the CUSIP Global Services (CGS) charge for the assignment of CUSIP numbers will be paid by such Purchaser.** CUSIP is a registered trademark of American Bankers Association. CUSIP data is provided by CUSIP Global Services managed by S&P Global Market Intelligence on behalf of the American Bankers Association. CUSIP data is not intended to create a database and does not serve in any way as a substitute for the CUSIP Service. CUSIP numbers are provided for convenience of reference only. The City takes no responsibility for the accuracy of such CUSIP numbers. CUSIP numbers are provided only for the convenience of the Purchaser of each Series.

Expenses of the Winning Bidder(s). CUSIP Service Bureau charges, California Debt and Investment Advisory Commission fees (under California Government Code Section 8856), Depository Trust Company charges and all other expenses of the winning bidder will be the responsibility of the winning bidder. Pursuant to Section 8856 of the California Government Code, the Purchaser must pay to the California Debt and Investment Advisory Commission, within 60 days from the sale date, the statutory fee for the Bonds purchased.

Official Statement. Copies of the Preliminary Official Statement with respect to the Bonds will be furnished or electronically transmitted to any potential bidder upon request to the Office of Public Finance or to either of the Co-Municipal Advisors. (The contact information for the Co-Municipal Advisors is set forth above in this Official Notice of Sale.) In accordance with Rule 15c2-12 of the Securities and Exchange Commission (“**Rule 15c2-12**”), the City deems the Preliminary Official Statement final as of its date, except for the omission of certain information permitted by Rule 15c2-12. Within seven business days after the date of award of the Bonds, the Purchaser of each Series will be furnished with a reasonable number of copies (not to exceed 50) of the final Official Statement, without charge, for distribution in connection with the resale of the Bonds. The Purchaser of each Series must notify the City in writing within two (2) days of the sale of the Bonds if the Purchaser requires additional copies of the final Official Statement to comply with applicable regulations. The cost for such additional copies will be paid by the Purchaser requesting such copies.

By submitting a bid for a Series of Bonds, the Purchaser of the Series of Bonds agrees: (1) to disseminate to all members of the underwriting syndicate, if any, copies of the final Official Statement, including any supplements, (2) to promptly file a copy of the final Official Statement, including any supplements, with the Municipal Securities Rulemaking Board, and (3) to take any and all other actions necessary to comply with applicable Securities and Exchange Commission and Municipal Securities Rulemaking Board rules governing the offering, sale and delivery of such Series of Bonds to the Purchaser, including, without limitation, the delivery of a final Official Statement, including any supplements, to each investor who purchases the Series of Bonds.

The form and content of the final Official Statement is within the sole discretion of the City. The name of the Purchaser(s) of the Bonds will not appear on the cover of the final Official Statement.

Certificate Regarding Official Statement. At the time of delivery of the Bonds, each Purchaser will receive a certificate, signed by an authorized representative of the City, confirming to the Purchaser that (i) such authorized representative has determined that, to the best of such authorized representative's knowledge and belief, the final Official Statement (excluding reoffering information, information relating to The Depository Trust Company and its book-entry system, as to which no view will be expressed) did not as of its date, and does not as of the date of closing, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, (ii) such authorized representative knows of no material adverse change in the condition or affairs of the City that would make it unreasonable for such Purchaser to rely upon the final Official Statement in connection with the resale of each Series of the Bonds, and (iii) the City authorizes the Purchaser of each Series of the Bonds to distribute copies of the final Official Statement in connection with the resale of its Series of Bonds.

Purchaser Certificate Concerning Official Statement. As a condition of delivery of each Series of the Bonds, the Purchaser of such Series will be required to execute and deliver to the City, prior to the date of closing, a certificate to the following effect:

- (i) The Purchaser has provided to the City the initial reoffering prices or yields on such Series of Bonds as printed in the final Official Statement, and the Purchaser has made a bona fide offering of such Series of Bonds to the public at the prices and yields so shown.
- (ii) The Purchaser has not undertaken any responsibility for the contents of the final Official Statement. The Purchaser, in accordance with and as part of its responsibilities under the federal securities laws, has reviewed the information in the final Official Statement and has not notified the City of the need to modify or supplement the final Official Statement.
- (iii) The foregoing statements will be true and correct as of the date of closing.

Continuing Disclosure. In order to assist bidders in complying with Rule 15c2-12, the City will undertake, pursuant to a Continuing Disclosure Certificate, to provide certain annual financial information, operating data and notices of the occurrence of certain events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the final Official Statement.

Except as otherwise disclosed in the Official Statement under the heading "CONTINUING DISCLOSURE," for the past five years, the City has been in compliance in all material respects with its continuing disclosure obligations under Rule 15c2-12.

Additional Information. Prospective bidders should read the entire Preliminary Official Statement, copies of which may be obtained in electronic form from the City.
