TO: Angela Calvillo, Clerk of the Board

FROM: Tyrone Jue, Director, San Francisco Environment Department

SUBJECT: United States Department of Energy – Building Performance Standard (BPS): Adoption, Enforcement and Equitable Support, and Preparation for Regional Adoption Accept and Expend Retroactive Language

This Resolution seeks authorization for the San Francisco Environment Department to retroactively accept and expend funds in the amount of \$19,994,217 from the United States Department of Energy (DOE). We are requesting retroactive authorization because the agreement was received on December 31, 2024, with the project start date on January 1, 2025. It was signed promptly to ensure the expeditious processing and finalization of the grant award.

The Department has not initiated work on this grant or expended any grant funds to date. Work and use of funds will only commence upon approval of the Accept and Expend resolution by the San Francisco Board of Supervisors.

Please contact Alice Hur, Senior Policy and Public Affairs Coordinator, at alice.hur@sfgov.org for any questions regarding this request for retroactive authorization.
