The new Twin Peaks Promenade will formalize the Bay Area Ridge Trail alignment by converting the closed roadway into a linear park. A portion of the roadway will be resurfaced to create a multi-use trail for pedestrians, bicyclists, roller skaters/skate boarders, and persons with disabilities.

NATIVE PLANT PALETTE

Coyote Bush

California Poppy

Red Fescue

Silver Lupine

Blueblossom Ceanothus

California Sagebrush

Pacific Reed Grass

Lizard Tail

California Fuchsia

Central Coast Iris

Seaside Buckwheat

Common Yarrow
Achillea millefolium

Pearly Everlasting
Anaphalis margaritacea

California Sagebrush
Artemisia californica

Mountain Brome
Bromus carinatus ssp. carinatus

Blueblossom Ceanothus
Ceanothus thyrsiflorus

Soap Plant
Chlorogalum pomeridianum

Ruby Chalice Clarkia
Clarkia rubicunda

California Oatgrass
Danthonia californica var. americana

Tufted Hairgrass
Deschampsia cespitosa

Bush Monkeyflower
Diplacus aurantiacus

Western Rye Grass
Elymus glaucus ssp. glaucus

Seaside Fleabane
Erigeron glaucus

Seaside Buckwheat
Eriogonum latifolium

Seaside Wooly Sunflower
Eriophyllum staechadifolium

Eschscholtz's Buttercup
Eschscholzia californica

Red Fescue
Festuca rubra

Beach Strawberry
Fragaria chiloensis

Coffeeberry
Frangula californica

San Francisco Gum Plant
Grindelia hirsutula var. maritima

Central Coast Iris
Iris longipetala

Junegrass
Koeleria macrantha

California Goldfields
Lasthenia californica

Silver Lupine *
Lupinus albifrons var. collinus

Summer Lupine *
Lupinus formosus var. formosus

Manycolored Lupine *
Lupinus variicolor

California Melicgrass
Melica californica

Coyote Mint
Monardella villosa

Rock Phacelia
Phacelia californica

Snakeroot
Sanicula bipinnatifida

Bee Plant
Scrophularia californica

Yellow Stonecrop
Sedum spathulifolium

Checker Bloom
Sidalcea malviflora

Blue Eyed Grass
Sisyrinchium bellum

Purple Needlegrass
Stipa pulchra

California Aster
Symphyotrichum chilense

Narrow Leaf Mule Ears
Wyethia angustifolia

* *Mission Blue Butterfly host plant*
