Re: Liquor License "PCN" Request
Type 21 Off Sale General Pending License No: 21-644443
1198 Pacific Avenue, San Francisco CA 94133

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our upgrading to a Type 21 license. We are wishing to upgrade to include distilled spirits to better serve the community at already-established store located at 1198 Pacific Avenue, San Francisco in Nob Hill. We will sell beer, wine and distilled spirits as a market, and continue to prepare to-go food items as a deli. We will continue to provide a range of fine off-sale food and drink fitting local customer's preferences and needs.

Our business has filled the need for quality food and beverages and now we wish to further serve the needs of our consumers in the community by including distilled spirits.

The hours of operation will be 7:00 am to 12:00 am every day. We will continue to vigilantly monitor the surrounding area to always ensure the safety of our business and customers and maintain a lawful business as we have for the past year and a half. Our experience in this area has allowed us to cultivate very good relationships with the community leaders and members.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our city.

Sincerely,

Linda Muhawieh, Manager
