Master Lease for CAAP and Non-CAAP Clients
July 1, 2014 to June 30, 2020**

I. Purpose of Grant

The purpose of the grant is to lease and provide property management and support services to residents of Single Room Occupancy (SRO) buildings.

The goals of these services are to empower tenants to become self-sufficient and retain their housing or move to other appropriate housing, promote community building and tenant participation, and maintain a safe, supportive and stable environment that fosters independence.

II. Target Population

Grantee shall serve formerly homeless single adults and adult couples, without custody of minor children, who meet the Department of Homelessness and Supportive Housing (HSH) established eligibility requirements and are referred by the HSH Access Point system.

Eligibility criteria include meeting the definition of homelessness at the time of referral and placement, specifically established benefits and/or income criteria and ability to live independently within the structure of the housing program.

Only clients who are County Adult Assistance Programs (CAAP) recipients at the time of acceptance into housing may be placed into a CAAP vacancy.

III. Description of Services

Grantee shall provide the following services during the term of this grant:

Property Management

Grantee shall provide the following property management services during the term of this grant:

- A. Lease and maintain 1,566 units at 16 hotels throughout San Francisco.
- B. Draft rental agreements to be signed with all tenants at move-in/upon occupancy.
- C. Communicate with the Housing Access Team in a timely fashion according to procedures, when a unit is vacant.
- D. Maintain a secure and healthful environment for tenants and delivery of all services, including but not limited to:
 1. Compliance with all building, fire and health codes;
 2. Clean, sanitary and regularly maintained common spaces and community areas within the building;
 3. Clean, sanitary and regularly maintained shared-use toilet/shower facilities;

 6. 24-hour, seven days a week front desk coverage;
 7. Maintenance and repair of facility systems, plumbing, HVAC, electrical, safety issues; and
 8. Facility security and pest control.
- E. Grantee shall collect rent. Unit rent is a minimum of \$493.00 per month for each available unit. CAAP recipients are responsible for a tenant rent portion of between \$278 and \$318 per month (depending upon the type of benefits each is receiving). The HSH grant budget covers the HSH approved expenses not covered by rental payments of tenants up to the total approved grant amount. Future tenant rent increases, no more than one a year, must be approved in advance of notice to tenants by the HSH program monitor for this grant. The tenant's portion of the rent while active on CAAP benefits is determined by HSH and does not require the same 30-day notice if it changes.
- F. Modified Payment Program (MPP): Grantee shall provide money management/representative payee services during the term of this grant. Should a tenant transition to Supplemental Security Income (SSI), Grantee shall calculate residents' pro-rated rent or tenant rent portion based on HSH guidelines. If Grantee is tenant's representative payee or tenant is enrolled in money management, Grantee shall collect the rent and issue disbursements according to an agreed upon money management plan. If Grantee is not representative payee, Grantee shall collect rent payments from tenant on a timely basis.
- G. Grantee shall provide written notice or warning to tenants related to any issue that may affect on-going tenancy including, but not limited to, failure to pay rent on time or in full, violations of house rules and actions that are in violation of the rental agreement. When necessary, Grantee shall provide notice and actions related to the eviction process in accordance with laws in effect in San Francisco.

Support Services

Grantee shall provide the following support services during the term of this grant:

- A. Outreach: Grantee shall contact, interact, inform and invite tenants to make use of support services to assist with and address individual needs or issues. This includes but is not limited to discontinuance from benefits, non-payment of rent, lease violations or warnings from Property Management, and conflicts with staff or tenants. These outreach efforts shall include written messages, in person interactions, phone messages and calls, and emails as available and appropriate to reach the individual tenant.

Outreach efforts are used to make contact and check in with these tenants.
- G. Support Groups, Social Events and Organized Tenant Activities:
 - 1. Grantee shall provide clients with opportunities to participate in organized gatherings for peer support, to gain information from presenters and each other, to form social connections with other tenants/staff, or to celebrate/commemorate significant individual, holiday and community events. Events are held on-site and are often planned with or based on the input from tenants. Appendix G, Dispute Resolution Procedure For Health and Human Services Nonprofit Contractors

Introduction

The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit contractors. Any questions for concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.

Dispute Resolution Procedure

The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services contractors.

Contractors and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department.

If informal discussion has failed to resolve the problem, contractors and departments should employ the following steps:

- Step 1 The contractor will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the contractor or provide a written response to the contractor within 10 working days.

- Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the contractor may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is

satisfactory to the contractor. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.

- Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the contractor may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the contractor. The Department will respond in writing within 10 working days.

In addition to the above process, contractors have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270.

The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites contractors to submit concerns about a department's implementation of the policies and procedures. Contractors can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. The contractor must submit the request in writing to purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to the contractor. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.
