[Professional Services Agreement - AECOM Technical Services, Inc. - Program Management Consultant Services - Not to Exceed \$90,000,000]

Resolution approving the Professional Services Agreement, Contract No. PRO.0179, Wastewater Capital Plan Delivery, Program Management Consultant, to AECOM Technical Services, Inc., to provide program management consulting services for an amount not to exceed \$90,000,000 and with a term of 10 years, effective upon approval of this Resolution, pursuant to Charter, Section 9.118.

WHEREAS, The San Francisco Public Utilities Commission (SFPUC) Wastewater Enterprise (WWE) Capital Plan, also known as the Capital Improvement Plan (CIP), consists of several programs including the Sewer System Improvement Program (SSIP), the Facilities and Infrastructure (F&I) Program, and the Renewal and Replacement Program (R&R); and

WHEREAS, The SFPUC had undertaken the CIP to improve San Francisco's wastewater collection system and treatment facilities, and relative to other WWE capital programs, the SSIP is a larger, system-wide investment, which includes replacement of major WWE facilities; and

WHEREAS, On July 26, 2011, by Resolution No. 307-11 (File No. 110586), the Board of Supervisors authorized the General Manager of the SFPUC to execute Sewer System Improvement Program-Funded Agreement No. CS-165, Program Management Services, with AECOM-Parsons Joint Venture, for an amount not to exceed \$150,000,000 with a term of up to 15 years; and

WHEREAS, The original contract, CS-165 Program Management Support Services, reached capacity in 2023; and

WHEREAS, Services under the proposed Contract No. PRO.0179, will continue the program management work implemented under the SSIP and initiate new capital

improvement projects as part of a rolling ten-year CIP with new projects initiated based on priorities driven by asset management principles through the City's biennial budget process; and

WHEREAS, The SFPUC Infrastructure Division and WWE seeks consultant services to continue to provide a number of programmatic functions such as strategic capital planning, risk management, pre-construction technical advice, pre-construction planning and management, labor and contract relations, development and refinement of standards, preparation of programmatic schedules and budgets, analysis of alternative project delivery mechanisms and asset management; and

WHEREAS, Specialists in the following fields and areas are required; value engineering and alternative analysis, a recognized expert in climate change with Bay Area familiarity to support climate change analysis and adaptation plans, technology transfer and training specialist for wastewater and stormwater pump stations, treatment plants, and conveyance systems, an asset management integration specialist with experience in integrating wastewater infrastructure, a building information modeling (BIM) specialist with engineering and construction experience on wastewater projects, including expertise in BIM for wastewater and stormwater pump stations, treatment plants, and conveyance system; and

WHEREAS, The WWE CIP requires the support of consultants with extensive knowledge, experience, and expertise in providing program management, planning, design, and pre-construction support services for large water or wastewater infrastructure capital programs; and

WHEREAS, On June 30, 2022, the SFPUC advertised a Request for Proposals (RFP) for program management consulting services; and

WHEREAS, On August 31, 2022, the SFPUC received three proposals in response to the advertisement of the RFP, and the SFPUC and Contract Monitoring Division (CMD) staff,

upon review of the proposals, determined that AECOM Technical Services, Inc. (AECOM) to be the highest-ranked proposer based on the established scoring criteria; and

WHEREAS, The CMD established a Local Business Enterprise (LBE) subconsultant participation requirement of 15% for this contract, and AECOM committed to a 20.25% LBE subconsultant participation; and

WHEREAS, The Contract No. PRO.0179 and its services are anticipated to begin in July 2023 and end in June 2033, with a total duration of 10 years; and

WHEREAS, Funding for this Agreement will be available for individual task order awards from Project 10029732 - WWE Capital Improvement Program, SSIP Program-wide Management, and individual project funds within the WWE CIP; and

WHEREAS, Award of this contract does not constitute a "project" under the California Environmental Quality Act (CEQA) Guidelines section 15378 as it does not involve any commitment to any specific project that may result in a physical change in the environment and work under the contract will consist of support services only, and no support services during construction of the individual project(s) will be initiated under this contract until any appropriate environmental review under CEQA if required, has been completed for the individual project(s); and

WHEREAS, On April 11, 2023, by Resolution No. 23-0077, the SFPUC approved the Professional Services Agreement, Contract No. PRO.0179, Wastewater Capital Plan Delivery, Program Management Consultant, to AECOM Technical Services, Inc., to provide program management consulting services to replace the existing contract that is nearing capacity, for an amount not to exceed \$90,000,000 and with a duration of 10 years, subject to Board of Supervisors' approval; and

WHEREAS, The contract amount exceeds \$10,000,000 and is therefore subject to Board of Supervisors approval, in accordance with Charter, Section 9.118(b); now, therefore, be it

RESOLVED, That this Board of Supervisors hereby approves the Professional Services Agreement, Contract No. PRO.0179, Wastewater Capital Plan Delivery, Program Management Consultant, to AECOM Technical Services, Inc., to provide program management consulting services to replace the existing contract that is nearing capacity, for an amount not to exceed \$90,000,000, and with a duration of 10 years; and

FURTHER RESOLVED, That within thirty (30) days of the agreement being fully executed by all parties the San Francisco Public Utilities Commission shall provide the final agreement to the Clerk of the Board for inclusion into the official file.
