<p>EXECUTIVE SUMMARY</p>	
<p style="text-align: center;">Legislative Objectives</p> <ul style="list-style-type: none"> • The proposed resolution would approve Amendment No. 2 to the Substance Use Disorder (SUD) treatment contract between the Department of Public Health (DPH) and Latino Commission, extending the term by three years through June 2027 and increasing the not-to-exceed amount by \$7,934,917, for a total not to exceed \$17,598,422. <p style="text-align: center;">Key Points</p> <ul style="list-style-type: none"> • In 2018, following a Request for Proposals (RFP) process, DPH awarded a SUD treatment services contract to Latino Commission for a term of four years and an amount not to exceed \$6,095,595. In May 2022, DPH amended the agreement to extend the term by eighteen months and increase the not-to-exceed amount by \$3,566,910, for a total not to exceed \$9,663,505. • Latino Commission provides the following services under the contract: (1) Perinatal residential treatment services; (2) Residential treatment services; (3) Residential Step-Down (RSD) services; and (4) outpatient treatment services. Between the four programs, Latino Commission services approximately 70 unduplicated clients annually. • The FY 2021-22 performance monitoring reports completed by DPH indicate substandard performance of meeting program deliverables for three out of four programs due to challenges related to the pandemic. FY 2022-23 performance data indicates that only one program continues to need improvement meeting DPH standards. There were no findings in recent fiscal monitoring reports. <p style="text-align: center;">Fiscal Impact</p> <ul style="list-style-type: none"> • Annual program spending is approximately \$2 million. • The contract is funded 76 percent by the City, 18 percent by federal sources, and 7 percent by state funding. <p style="text-align: center;">Recommendation</p> <ul style="list-style-type: none"> • Approve the proposed resolution. 	

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Procurement

In 2016, the Department of Public Health (DPH) issued a Request for Proposals (RFP) for programs treating Substance Use Disorder (SUD) for all ages at all levels of care.¹ The RFP stated that contracts would be for an initial term of five years, beginning July 1, 2017, through June 2022. Furthermore, DPH would have the option of executing a five-year extension through June 2027 based on program performance and available annual funding.

DPH evaluated a total of 39 proposals submitted by 20 organizations in a three-step review process. All proposals were ultimately recommended for funding. Applicants were assessed on the merits of meeting minimum agency requirements, financial solvency, and programmatic structure appropriate to the provided level of care.² As part of the third and final review phase, community members with expertise in SUD treatment services formed technical review panels according to treatment modalities and scored proposals out of 100 points.³ The scores for the four Latino Commission proposals are included in Exhibit 1 below.

Exhibit 1: Latino Commission's RFP Scores by Proposed Program

Treatment Category ^a	Average Panel Score (out of 100)	Rank within Category
Perinatal	73.43	3 rd (out of 3)
Outpatient	93.38	6 th (out of 13)
Residential (3.1)	84.36	5 th (out of 8)
Residential (3.5)	83.33	6 th (out of 8)

Source: RFP 26-2016 Selection Report Summary

^a Residential 3.1 treatment is clinically managed low-intensity residential services. Residential 3.5 is clinically managed high-intensity residential services.

¹ The RFP included the following American Society of Addiction Medicine (ASAM) levels of care: (1) Opioid treatment programs or outpatient services; (2) Intensive outpatient services; and (3) Clinically managed low intensity residential services, clinically managed high-intensity residential services for those with cognitive or other impairments, or clinically managed high-intensity residential services.

² Minimum agency requirements addressed in the RFP included Drug Medi-Cal certification, harm reduction requirements, cultural and linguistic competency, priority service populations and geographic service area, Americans with Disability Act compliance, financial management, and prior performance.

³ The four technical review panels were categorized by the following treatment modalities: perinatal and recovery track residence, outpatient, residential, and narcotic treatment.

Existing Contract

On July 1, 2018, DPH executed a contract with the Latino Commission for a term of four years, through June 2022. The total amount not-to-exceed in the agreement was \$6,096,595. DPH later amended the contract in May 2022 to extend the term for an additional 18 months, increasing the not-to-exceed amount by \$3,566,910 for a total not-to-exceed of \$9,663,505.⁴ The budget increase in Amendment No. 1 was predominantly due to an increase in staffing commitments across all three existing residential programs, and the addition of a separate outpatient program.⁵

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve the second amendment to the Substance Use Disorder (SUD) services and support contract between the Department of Public Health (DPH) and Latino Commission, extending the term by three years and six months through June 2027, and increasing the agreement by \$7,934,917, for a total not-to-exceed amount of \$17,598,422. The proposed resolution would furthermore authorize DPH to enter into any amendments or modifications to the contract in consultation with the City attorney.

Services Provided

Under the proposed amendment contract, Latino Commission would continue to provide services through the following programs:

1. Casa Aviva Perinatal Residential: Provides residential and partial day SUD treatment services for pregnant/postpartum Latina women and their children. Participation in the program may either be voluntary or mandated by the courts and involve Child Protective Services. Clients are typically treated for 90 days. This program has six residential treatment slots and a projected unduplicated client count (UDC) of 18 if clients stay for 90 days each at 80% occupancy.
2. Casa Quetzal Residential: Provides residential treatment services for Latino men experiencing SUD. Program duration is for 90 days, with a one-time 90-day extension if medically necessary. This program has eight residential treatment slots and projected UDC of 24 if clients stay for 90 days each at 80% occupancy.
3. Casa Ollin Residential: Provides residential Recovery Step-Down (RSD) housing to Latino men in need of a stable living environment in support of their recovery, i.e., following a residential treatment program. Participants may enroll for up to 24 months. Participants are required to concurrently enroll in outpatient services while enrolled in the RSD program. Casa Ollin has 12 slots and a projected UDC of 24 if residents stay for 180 days each.

⁴ Neither the original agreement between DPH and the Latino Commission nor Amendment No. 1 to the contract were subject to Board of Supervisors' approval given the total not-to-exceed amount for both agreements did not meet the \$10 million threshold for Board approval. Approval for Amendment No. 1 was granted by the Civil Service Commission under PSC number 48652-16/17.

⁵ According to DPH Director Michelle Ruggels, clients who exit residential treatment and enter a residential step-down program are required to enroll in outpatient treatment. Latino Commission's fourth and newest program was initially added to fund the required outpatient component.

4. Entre Familia Outpatient Services: Provides outpatient services to the Latino men enrolled in the Casa Ollin RSD program to meet the RSD criteria. Participants receive services for 90 days and may be granted a one-time 90-day extension based on medical necessity. Participants who continue to show medical necessity may be granted a longer term to coincide with an extended RSD residence. The contract funds four outpatient slots to ensure sufficient capacity for residents of Casa Ollin, who may receive their mandatory outpatient services in another outpatient program outside of the Latino Commission.

All programs offer a service delivery method that emphasizes trauma-informed, culturally competent care that combines traditional and non-traditional interventions to address individual needs. Services rendered include crisis interventions, planning for housing and employment stability, individual and family counseling, patient education, support groups, and referrals outside the Latino Commission. Combined, the four programs are contracted to serve 70 unique clients, including 66 unique clients across the three residential programs and four clients under the outpatient program.⁶ The contract directly funds 19.78 full time equivalent (FTE) employees and rates for several subcontractors and consultants.⁷ The Latino Commission reports that 80% of their residential client graduates are hired on as direct support staff.

Performance Monitoring

In March 2023, the DPH Business Office, Office of Contract Compliance (BOCC) finalized its monitoring reports for all four Latino Commission programs for FY 2021-22. Monitoring reports are based off a site visit and comprehensive documentation review, and score programs according to program performance, program deliverables, program compliance, and client satisfaction. The scores for the Latino Commission are shown in Exhibit 2 below.

Exhibit 2: Latino Commission Monitoring Scores for FY 2021-2022

Program	Score and Assessment
Casa Ollin (Adult Male Residential)	82/85 = 96% = Commendable/exceeds expectations
Casa Quetzal (Adult Male Residential)	84/90 = 93% = Commendable/exceeds expectations
Casa Aviva (Perinatal Residential)	82/90 = 91% = Commendable/exceeds expectations
Entre Familia (Outpatient)	54/90 = 60% = Improvement needed/below standards

Source: DPH Monitoring Reports

Latino Commission’s three residential programs scored generally well and received overall commendations for program performance. However, each Latino Commission program aside from Casa Ollin (residential adult male) struggled to meet their program deliverables, which encompass units of service delivered and therefore unique clients served. The unit of service reflects either 1) one 24-hour day, multiplied by 365 days and number of program slots, and then adjusted by an assumed vacancy rate, or 2) one counseling session provided.

⁶ Given dual enrollment between the Latino Commission’s residential and outpatient programs, the true total number of unduplicated clients served by the agreement is unknown and less than the number stated in this report by up to four unduplicated clients.

⁷ According to the contract, the three residential Latino Commission programs solicit hourly services from a Medical Doctor, therapists, and a body healer.

Casa Quetzal and Casa Aviva residential programs delivered 61% and 56% of their respective units of service, which indicates that there were fewer residential treatment days used overall in FY 2021-2022 than projected. Entre Familia outpatient services provided only 30% of their units of service capacity. The monitoring report for Entre Familia also indicates that no case management services were provided over the review period, and the program’s total units of service delivered for this review period were 5% less than what was reported in the previous fiscal year.

The FY 2021-22 monitoring reports indicate that the programs’ poor rate of services rendered was due to disruptions from the pandemic and challenges faced by clients exiting jail. Expanding on this information, DPH Business Office Director Michelle Ruggels advised that during the pandemic, programs established health and safety measures that reduced overall capacity and ability to meet contracted units of service. Double room occupancy was reduced to single room occupancy, program admissions were reduced overall, isolation rooms were set aside for potential need, and group therapy sessions were discontinued in favor of individual therapy. Furthermore, Ms. Ruggels explained that during the pandemic, the Casa Quetzal program prioritized client referrals from jail. Many of these clients exited early as they were court ordered and did not want treatment.

Ms. Ruggels separately provided the BLA with Latino Commission’s units of service delivered and unique clients served for FY 2022-23, shown in Exhibit 3 below.

For all programs but Casa Quetzal, the units of service delivered rates for FY 2022-23 are in line with standards set by DPH.⁸ In FY 2022-23 Casa Quetzal exceed its unduplicated client target.

⁸ DPH monitoring reports evaluate program deliverable rates at or above 71 percent as meeting expectations, between 51 and 70 percent as needing improvement, and below 51 percent as unacceptable.

Financial Monitoring

The Citywide Fiscal and Compliance Monitoring Program report for Latino Commission for FY 2022-23 did not produce any significant findings. Furthermore, BOCC reviewed Latino Commission's financial statements between FY 2014-15 and FY 2021-22 and determined that the organization was low risk.⁹

FISCAL IMPACT

The proposed Amendment No. 2 would increase the not-to-exceed amount of the agreement by \$7,934,917 for a total not to exceed of \$17,598,422. The actual and projected contract expenditures by year are shown in Exhibit 4 below. DPH advised that the State is behind in issuing instructions and settling annual cost reports, and therefore expenditures from 2019 onwards remain projected.

The proposed contract includes a contingency of 12 percent of projected expenditures from January 2024 through June 2027, which accounts for escalation, new programs, and/or expansion of existing programs. The contract is financed through the City General Fund, including Our City, Our Home funding (76 percent), federal funding (18 percent), and state sources (seven percent).¹⁰ Exhibit 5 below shows the breakdown of funding sources and projected costs by program for FY 2024-25.

⁹ BOCC defines "low risk" agencies as those that have solid financials and the capacity to absorb some losses in unpredictable times.

¹⁰ The \$388,700 in Prop C funding across the entire proposed contract term is intended to support a SUD Navigator for the Entre Familia outpatient program, according to correspondence from DPH.

5. **Methodology:**

A. Outreach, recruitment, promotion, and advertisement

Latino Commission's (LC) strategy to hire residential program graduates is consistent with peer support principles that include supporting clients in identifying how to access needed resources and advocating for clients, within the program and community; modeling healthy behavior in their own recovery and sharing their stories to inspire clients to achieve their goals; facilitating and encouraging change through realistic outcome driven goals that include education and skills building. Currently 80% of direct services staff are program graduates; the average number of years of experience of direct services staff members is 10 years; and LC has successfully engaged, treated, and transitioned its clients which is reflected in funding source annual monitoring reports that ranks our treatment programs as meeting and/or exceeding expectation standards

All LC positions have a corresponding position description that delineates duties and responsibilities, minimum qualifications, e.g., licenses, certifications, education, trainings, and other requirements. Only persons who at least meet minimum qualifications are interviewed and reference checks are conducted before an employment offer is made. Therefore, all professional and non-professional staff have the required experience and training necessary to perform the duties and responsibilities of the position for which they are hired.

Discharge plans are developed with clients, based on their needs. It needs to be noted that two critical priorities for subject clients are securing housing and employment. Case management support is critical for clients to secure financial stability and permanent housing. Once a client has achieved his/her treatment goals the assigned Certified SUD Counselor will discuss graduation and support structures needed to maintain recovery; and may be linked with other agency services that match their strengths, interests, and long-term goals. If it is determined that the needs of a client cannot be further met by TLC, the client will be referred to an appropriate service and the case will be discharged after successful connection with the referral service(s).

4. State or Federal Medi-Cal Revenues

A. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

B. CONTRACTOR further understands and agrees that any State or Federal Medi-Cal funding in this Agreement subject to authorized Federal Financial Participation (FFP) is an estimate, and actual amounts will be determined based on actual services and actual costs, subject to the total compensation amount shown in this Agreement."

5. Reports and Services

No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

APPENDIX D

Data Access Agreement

Article 1 Access

1.1 Revision to Scope of Access (RSA):

Any added access may be granted by the City to Agency and each Agency Data User through a Revision to Scope of Access in writing and executed by both parties. Any Revision to Scope of Access shall be considered a part of and incorporated into this Agreement, governed by all its terms, by reference.

1.2 Primary and Alternate Agency Site Administrator.

Before System(s) access is granted, Agency must appoint a primary and alternate Agency Site Administrator responsible for System(s) access tasks, including but not limited to the following:

1. Completing and obtaining City approval of the Account Provisioning Request documents and/or Data Set Request documents;
 2. Communicating with the SFDPH IT Service Desk;
 3. Providing Agency Data User(s) details to the City;
 4. Ensuring that Agency Data User(s) complete required SFDPH trainings annually;
 5. Ensuring that Agency Data User(s) understand and execute SFDPH's data access confidentiality agreement; and
 6. Provisioning and deprovisioning Agency Data Users as detailed herein.
- To start the process, the Agency Site Administrator must contact the SFDPH IT Service Desk at 628-206-7378, dph.helpdesk@sfdph.org.

1.3 SFDPH IT Service Desk.

For new provisioning requests, only Agency Site Administrators are authorized to contact the SFDPH IT Service Desk. The City reserves the right to decline any call placed by other than the Agency Site Administrator. Individual Agency Data Users are not authorized to contact the SFDPH IT Service Desk.

1.4 Deprovisioning Schedule.

Agency, through the Agency Site Administrator, has sole responsibility to deprovision Agency Data Users from the System(s) as appropriate on an ongoing basis. Agency must immediately deprovision an Agency Data User upon any event ending that Data User's need to access the System(s), including job duty change and/or termination. Agency remains liable for the conduct of Agency Data Users until deprovisioned. When deprovisioning employees via the SFDPH IT Service Desk, Agency must maintain evidence that the SFDPH IT Service Desk was notified.

1.5 Active Directory.

Agency Data Users will need an SFDPH Active Directory account in order to access each System(s). These Active Directory Accounts will be created as part of the provisioning process.

1.6 Role Based Access.

Each Agency Data User's access to the System(s) will be role-based and access is limited to that necessary for treatment, payment, and health care operations. The City will assign Agency Data User roles upon provisioning and reserves the right to deny, revoke, limit, or modify Agency Data User's access acting in its sole discretion.

1.7 Training Requirements.

Before System(s) access is granted, and annually thereafter, each Agency Data User must complete SFDPH compliance, privacy, and security training. Agency must maintain written records evidencing such annual training for each Agency Data User and provide copies upon request to the City. For questions about how to complete SFDPH's compliance, privacy, and security training, contact Compliance.Privacy@sfdph.org, (855) 729-6040.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

f. Appropriate Safeguards. BA shall take the appropriate security measures to protect the confidentiality, integrity and availability of PHI that it creates, receives, maintains, or transmits on behalf of the CE, and shall prevent any use or disclosure of PHI other than as permitted by the Agreement or this BAA, including, but not limited to, administrative, physical and technical safeguards in accordance with the Security Rule, including, but not limited to, 45 C.F.R. i. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. o. Breach Pattern or Practice by Business Associate's Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI. Per the Secretary's guidance, the City will accept destruction of electronic PHI in accordance with the standards enumerated in the NIST SP 800-88, Guidelines for Media Sanitization. The City will accept destruction of PHI contained in paper records by shredding, burning, pulping, or pulverizing the records so that the PHI is rendered unreadable, indecipherable, and otherwise cannot be reconstructed.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

3.4.1 Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$750,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Said requirements can be found at the following website address: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

If Contractor expends less than \$500,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.2 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.1 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.3 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 Submitting False Claims. The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this

Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 Reserved. (Payment of Prevailing Wages)

Article 4 Services and Resources

4.1 Services Contractor Agrees to Perform. Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 Qualified Personnel. Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 Subcontracting.

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 Contractor will not employ subcontractors.

4.4 Independent Contractor; Payment of Employment Taxes and Other Expenses.

4.4.1 Independent Contractor. For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other

benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment. The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 Reserved. Liquidated Damages.

4.8 **Reserved. Bonding Requirements.**

Article 5 Insurance and Indemnity

5.1 **Insurance.**

5.1.1 **Required Coverages.** Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

- (a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and
- (b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and
- (c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.
- (d) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with the Services.
- (e) Blanket Fidelity Bond or Crime Policy with limits of in the amount of any Initial Payment included under this Agreement covering employee theft of money written with a per loss limit.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

- (a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.
- (b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or

higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement, except where such breach is the result of the active negligence or willful misconduct of City. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL,

CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.2.3 All remedies provided for in this Agreement may be exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy. Nothing in this Agreement shall constitute a waiver or limitation of any rights that City may have under applicable law.

8.2.4 Any notice of default must be sent by registered mail to the address set forth in Article 11.

8.3 **Non-Waiver of Rights.** The omission by either party at any time to enforce any default or right reserved to it, or to require performance of any of the terms, covenants, or provisions hereof by the other party at the time designated, shall not be a waiver of any such default or right to which the party is entitled, nor shall it in any way affect the right of the party to enforce such provisions thereafter.

Section 164.526. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent's obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. 5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.

Dispute Resolution
Dispute Resolution Procedure
For Health and Human Services Nonprofit Contractors
9-06

Introduction

The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit contractors. Any questions for concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.

Dispute Resolution Procedure

The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services contractors.

Contractors and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department. However,

notwithstanding the foregoing, nothing shall diminish the parties' rights to seek any and all other legal or equitable remedies.

V Breaches and Security Incidents

During the term of this Agreement, Provider agrees to implement reasonable systems for the discovery and prompt reporting of any breach or security incident, and to take the following steps:

a. Initial Notice to the Department

(1) To notify the Department **immediately by telephone call or email or fax** upon the discovery of a breach of unsecured PHI in electronic media or in any other media if the PHI was, or is reasonably believed to have been, accessed or acquired by an unauthorized person.

(2) To notify the Department **within 24 hours (one hour if SSA data) by email or fax** of the discovery of any suspected security incident, intrusion or unauthorized access, use or disclosure of PHI in violation of this Agreement or this Exhibit F-1, or potential loss of confidential data affecting this Agreement. A breach shall be treated as discovered by provide as of the first day on which the breach is known, or by exercising reasonable diligence would have been known, to any person (other than the person committing the breach) who is an employee, officer or other agent of provider.

Notice shall be provided to the Information Protection Unit, Office of HIPAA Compliance. Notice shall be made using the DHCS "Privacy Incident Report" form, including all information known at the time. Provider shall use the most current version of this form, which is posted on the DHCS Information Security Officer website (www.dhcs.ca.gov, then select "Privacy" in the left column and then "Business Partner" near the middle of the page) or use this link: <http://www.dhcs.ca.gov/formsandpubs/laws/priv/Pages/DHCSBusinessAssociatesOnly.aspx> Upon discovery of a breach or suspected security incident, intrusion or unauthorized access, use or disclosure of Department PHI, Provider shall take:

c. Complete Report.

The report shall be submitted on the "Privacy Incident Report" form and shall include an assessment of all known factors relevant to a determination of whether a breach occurred under applicable provisions of HIPAA, the HITECH Act, and the HIPAA regulations. The report shall also include a full, detailed corrective action plan, including information on measures that were taken to halt and/or contain the improper use or disclosure. If the Department requests information in addition to that listed on the "Privacy Incident Report" form, provider shall make reasonable efforts to provide the Department with such information. If, because of the circumstances of the incident, provider needs more than ten (10) working days from the discovery to submit a complete report, the Department may grant a reasonable extension of time, in which case provider shall submit periodic updates until the complete report is submitted. If necessary, a Supplemental Report may be used to submit revised or additional information after the completed report is submitted, by submitting the revised or additional information on an updated "Privacy Incident Report" form. The Department will review and approve the determination of whether a breach occurred and whether individual notifications and a corrective action plan are required.

d. Responsibility for Reporting of Breaches

If the cause of a breach of Department PHI is attributable to provider or its agents, subcontractors or vendors, provider is responsible for all required reporting of the breach as specified in 42 U.S.C. section 17932 and its implementing regulations, including notification to media outlets and to the Secretary (after obtaining prior written approval of DHCS). If a breach involves more than 500 California residents, provider shall also provide, after obtaining written prior approval of DHCS, notice to the Attorney General for the State of California, Privacy Enforcement Section. If Contractor has reason to believe that duplicate reporting of the same breach or incident may occur because its subcontractors, agents or vendors may report the breach or incident to the Department in addition to provider, provider shall notify the Department, and the Department and provider may take appropriate action to prevent duplicate reporting.

e. Responsibility for Notification of Affected Individuals

If the cause of a breach of Department PHI is attributable to provider or its agents, subcontractors or vendors and notification of the affected individuals is required under state or federal law, provider shall bear all costs of such notifications as well as any costs associated with the breach. In addition, the Department reserves the right to require provider to notify such affected individuals,

which notifications shall comply with the requirements set forth in 42U.S.C. section 17932 and its implementing regulations, including, but not limited to, the requirement that the notifications be made without unreasonable delay and in no event later than 60 calendar days after discovery of the breach. The Department Privacy Officer shall approve the time, manner and content of any such notifications and their review and approval must be obtained before the notifications are made. The Department will provide its review and approval expeditiously and without unreasonable delay.

f. Department Contact Information

To direct communications to the above referenced Department staff, the provider shall initiate contact as indicated herein. The Department reserves the right to make changes to the contact information below by giving written notice to the provider. Said changes shall not require an amendment to this Addendum or the Agreement to which it is incorporated.

3.4 Audit and Inspection of Records.

3.4.1 Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. 3.4.4 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. 5. Methodology:

A. Outreach, recruitment, promotion, and advertisement

TLC strategy to hire residential program graduates is consistent with peer support principles that include supporting clients in identifying how to access needed resources and advocating for clients, within the program and community; modeling healthy behavior in their own recovery and sharing their stories to inspire clients to achieve their goals; facilitating and encouraging change through realistic outcome driven goals that include education and skills building. Currently 80% of direct services staff are program graduates; the average number of years of experience of direct services staff members is 10 years; and TLC has successfully engaged, treated, and transitioned its clients which is reflected in funding source annual monitoring reports that ranks our treatment programs as meeting and/or exceeding expectation standards

All TLC positions have a corresponding position description that delineates duties and responsibilities, minimum qualifications, e.g., licenses, certifications, education, trainings, and other requirements. Only persons who at least meet minimum qualifications are interviewed and reference checks are conducted before an employment offer is made. Therefore, all professional and non-professional staff have the required experience and training necessary to perform the duties and responsibilities of the position for which they are hired.

Culturally, relationships are important and continued interaction is encouraged. The Certified SUD Counselors “keep the door open” for clients and their families after they graduate from treatment. Case management support is critical for clients to secure financial stability and permanent housing. Once a client has achieved his/her treatment goals the assigned Certified SUD Counselor will discuss graduation and support structures needed to maintain recovery; and may be linked with other agency services that match their strengths, interests, and long-term goals. If it is determined that the needs of a client cannot be further met by TLC, the client will be referred to an appropriate service and the case will be discharged after successful connection with the referral service(s).

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those SERVICES rendered during the referenced period of performance. If SERVICES are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY. CITY'S final reimbursement to the CONTRACTOR at the close of the Agreement period shall be adjusted to conform to actual units certified multiplied by the unit rates identified in Appendix B attached hereto, and shall not exceed the total amount authorized and certified for this Agreement.

(2) Cost Reimbursement:

A final closing invoice, clearly marked "FINAL," shall be submitted no later than forty-five (45) calendar days following the closing date of each fiscal year of the Agreement, and shall include only those costs incurred during the referenced period of performance. If costs are not invoiced during this period, all unexpended funding set aside for this Agreement will revert to CITY.

C. Payment shall be made by the CITY to CONTRACTOR at the address specified in the section entitled "Notices to Parties."

D. Upon the effective date of this Agreement, contingent upon prior approval by the CITY'S Department of Public Health of an invoice or claim submitted by Contractor, and of each year's revised Appendix A (Description of Services) and each year's revised Appendix B (Program Budget and Cost Reporting Data Collection Form), and within each fiscal year, the CITY agrees to make an initial payment to CONTRACTOR not to exceed twenty-five per cent (25%) of the General Fund and MHSA Fund of the CONTRACTOR'S allocation for the applicable fiscal year.

CONTRACTOR agrees that within that fiscal year, this initial payment shall be recovered by the CITY through a reduction to monthly payments to CONTRACTOR during the period of October 1 through March 31 of the applicable fiscal year, unless and until CONTRACTOR chooses to return to the CITY all or part of the initial payment for that fiscal year. The amount of the initial payment recovered each month shall be calculated by dividing the total initial payment for the fiscal year by the total number of months for recovery. Any termination of this Agreement, whether for cause or for convenience, will result in the total outstanding amount of the initial payment for that fiscal year being due and payable to the CITY within thirty (30) calendar days following written notice of termination from the CITY.

B. Compensation

Compensation shall be made in monthly payments on or before the 30th day after the DIRECTOR, in his or her sole discretion, has approved the invoice submitted by CONTRACTOR. The breakdown of costs and sources of revenue associated with this Agreement appears in Appendix B, Cost Reporting/Data Collection (CR/DC) and Program Budget, attached hereto and incorporated by reference as though fully set forth herein. The maximum dollar obligation of the CITY under the terms of this Agreement shall not exceed **Nine Million Six Hundred Sixty-Three Thousand Five Hundred Five Dollars (\$9,663,505) for the period of July 1, 2018 through December 31, 2023.**

CONTRACTOR understands that, of this maximum dollar obligation, **\$0.00** is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

(1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. CONTRACTOR shall create these Appendices in compliance with the instructions of the Department of Public Health. These Appendices shall apply only to the fiscal year for which they were created. These Appendices shall become part of this Agreement only upon approval by the CITY.

(2) CONTRACTOR understands that, of the maximum dollar obligation stated above, the total amount to be used in Appendix B, Budget and available to CONTRACTOR for the entire term of the contract is as follows, notwithstanding that

for each fiscal year, the amount to be used in Appendix B, Budget and available to CONTRACTOR for that fiscal year shall conform with the Appendix A, Description of Services, and a Appendix B, Program Budget and Cost Reporting Data Collection form, as approved by the CITY's Department of Public Health based on the CITY's allocation of funding for SERVICES for that fiscal year.

CONTRACTOR understands that the CITY may need to adjust sources of revenue and agrees that these needed adjustments will become part of this Agreement by written modification to CONTRACTOR. In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.

To provide for continuity of services while a new agreement was developed, the Department of Public Health established a contract with Latino Commission for the same services and for a contract term which partially overlaps the term of this new agreement. The existing contract shall be superseded by this new agreement, effective the first day of the month following the date upon which the Controller's Office certifies as to the availability of funds for this new agreement.

3. Services of Attorneys

No invoices for Services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

4. State or Federal Medi-Cal Revenues

A. CONTRACTOR understands and agrees that should the CITY'S maximum dollar obligation under this Agreement include State or Federal Medi-Cal revenues, CONTRACTOR shall expend such revenues in the provision of SERVICES to Medi-Cal eligible clients in accordance with CITY, State, and Federal Medi-Cal regulations. Should CONTRACTOR fail to expend budgeted Medi-Cal revenues herein, the CITY'S maximum dollar obligation to CONTRACTOR shall be proportionally reduced in the amount of such unexpended revenues. In no event shall State/Federal Medi-Cal revenues be used for clients who do not qualify for Medi-Cal reimbursement.

B. CONTRACTOR further understands and agrees that any State or Federal Medi-Cal funding in this Agreement subject to authorized Federal Financial Participation (FFP) is an estimate, and actual amounts will be determined based on actual services and actual costs, subject to the total compensation amount shown in this Agreement."

5. Reports and Services

No costs or charges shall be incurred under this Agreement nor shall any payments become due to CONTRACTOR until reports, SERVICES, or both, required under this Agreement are received from CONTRACTOR and approved by the DIRECTOR as being in accordance with this Agreement. CITY may withhold payment to CONTRACTOR in any instance in which CONTRACTOR has failed or refused to satisfy any material obligation provided for under this Agreement.

Dispute Resolution Procedure
For Health and Human Services Nonprofit Contractors
9-06

Introduction

The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit contractors. Any questions or concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.

Dispute Resolution Procedure

The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services contractors.

Contractors and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department.

If informal discussion has failed to resolve the problem, contractors and departments should employ the following steps:

- Step 1 The contractor will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the contractor or provide a written response to the contractor within 10 working days.
- Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the contractor may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to the contractor. The Division or Department Head will consult with other Department and City staff as

appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.

- Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the contractor may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the contractor. The Department will respond in writing within 10 working days.

In addition to the above process, contractors have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270.

The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites contractors to submit concerns about a department's implementation of the policies and procedures. Contractors can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. The contractor must submit the request in writing to purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to the contractor. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

Agency's failure to monitor each Agency Data User's ID and/or password use shall provide grounds for the City to terminate and/or limit Agency's System(s) access.

1.12 Multi Factor Authentication.

Agency and each Agency Data User must use multi-factor authentication as directed by the City to access the System(s).

1.13 Qualified Personnel.

Agency shall allow only qualified personnel under Agency's direct supervision to act as Agency Data Users with access to the System(s).

1.14 Workstation/Laptop encryption.

All workstations and laptops that process and/or store City Data must be encrypted using a current industry standard algorithm. The encryption solution must be full disk unless approved by the SFDPH Information Security Office.

1.15 Server Security.

Servers containing unencrypted City Data must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review.

1.16 Removable media devices.

All electronic files that contain City Data must be encrypted using a current industry standard algorithm when stored on any removable media or portable device (i.e. USB thumb drives, CD/DVD, smart devices tapes etc.).

1.17 Antivirus software.

All workstations, laptops and other systems that process and/or store City Data must install and actively use a comprehensive anti-virus software solution with automatic updates scheduled at least daily.

1.18 Patch Management.

All workstations, laptops and other systems that process and/or store City Data must have operating system and application security patches applied, with system reboot if necessary. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.

1.19 System Timeout.

The system must provide an automatic timeout, requiring reauthentication of the user session after no more than 20 minutes of inactivity.

1.20 Warning Banners.

All systems containing City Data must display a warning banner each time a user attempts access, stating that data is confidential, systems are logged, and system use is for business purposes only. User must be directed to log off the system if they do not agree with these requirements.

1.21 Transmission encryption.

All data transmissions of City Data outside the Agency's secure internal network must be encrypted using a current industry standard algorithm. Encryption can be end to end at the network level, or the data files containing City Data can be encrypted. This requirement pertains to any type of City Data in motion such as website access, file transfer, and e-mail.

1.22 No Faxing/Mailing.

City Data may not be faxed or mailed.

1.23 Intrusion Detection.

All systems involved in accessing, holding, transporting, and protecting City Data that are accessible via the Internet must be protected by a comprehensive intrusion detection and prevention solution.

of the City.

1.24 Security of PHI.

Agency is solely responsible for maintaining data security policies and procedures, consistent with those of the City that will adequately safeguard the City Data and the System. Upon request, Agency will provide such security policies and procedures to the City. The City may examine annually, or in response to a security or privacy incident, Agency's facilities, computers, privacy and security policies and procedures and related records as may be necessary to be assured that Agency is in compliance with the terms of this Agreement, and as applicable HIPAA, the HITECH Act, and other federal and state privacy and security laws and regulations. Such examination will occur at a mutually acceptable time agreed upon by the parties but no later than ten (10) business days of Agency's receipt of the request.

1.25 Data Security and City Data

Agency shall provide security for its networks and all internet connections consistent with industry best practices, and will promptly install all patches, fixes, upgrades, updates and new versions of any security

software it employs. For information disclosed in electronic form, Agency agrees that appropriate safeguards include electronic barriers (e.g., "firewalls", Transport Layer Security (TLS), Secure Socket Layer [SSL] encryption, or most current industry standard encryption, intrusion prevention/detection or similar barriers).

1.26 Data Privacy and Information Security Program.

Without limiting Agency's obligation of confidentiality as further described herein, Agency shall be responsible for establishing and maintaining a data privacy and information security program, including physical, technical, administrative, and organizational safeguards, that is designed to: (i) ensure the security and confidentiality of the City Data; (ii) protect against any anticipated threats or hazards to the security or integrity of the City Data; (iii) protect against unauthorized disclosure, access to, or use of the City Data; (iv) ensure the proper disposal of City Data; and, (v) ensure that all of Agency's employees, agents, and subcontractors, if any, comply with all of the foregoing. In no case shall the safeguards of Agency's data privacy and information security program be less stringent than the safeguards and standards recommended by the National Institute of Standards and Technology (NIST) Cybersecurity Framework and the Health Information Technology for Economic and Clinical Health Act (HITECH).

1.27 Disaster Recovery.

Agency must establish a documented plan to protect the security of electronic City Data in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this agreement for more than 24 hours.

1.28 Supervision of Data.

City Data in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information is not being observed by an Agency Data User authorized to access the information. City Data in paper form shall not be left unattended at any time in vehicles or planes and shall not be checked in baggage on commercial airplanes.

1.29 As Is Access.

The City provides Agency and each Agency Data User with System(s) access on an "as is" basis with no guarantee as to uptime, accessibility, or usefulness. To the fullest extent permissible by applicable law, the City disclaims all warranties, express or implied, including, without limitation, implied warranties of merchantability, fitness for a particular purpose, title and non-infringement.

1.30 No Technical or Administrative Support.

Except as provided herein, the City will provide no technical or administrative support to Agency or Agency Data Users for System(s) access.

1.31 City Audit of Agency and Agency Data Users.

The City acting in its sole discretion may audit Agency and Agency Data Users at any time. If an audit reveals an irregularity or security issue, the City may take corrective action including but not limited to termination of such Agency's and/or Agency Data User's access to the System(s) permanently or until the City determines that all irregularities have been satisfactorily cured. Agency and each Agency Data User understands that the City may create and review an audit trail for each Agency Data User, including but not limited to, noting each Agency Data User's ID(s), the patient information accessed, and/or the date accessed. Agency and each Agency Data User understands that any inappropriate access or use of patient information, as determined by the City, may result in the temporary and/or permanent termination of Agency's or such Agency Data User's access to the System(s). Agency remains liable for all inappropriate System(s) access, misuse and/or breach of patient information, whether in electronic or hard-copy form.

1.32 Minimum Necessary.

Agency and each Agency Data User shall safeguard the confidentiality of all City Data that is viewed or obtained through the System(s) at all times. Agency and each Agency Data User shall access patient information in the System(s) only to the minimum extent necessary for its assigned duties and shall only disclose such information to persons authorized to receive it, as minimally necessary for treatment, payment and health care operations.

1.33 No Re-Disclosure or Reporting.

Agency may not in any way re-disclose SFDPH Data or otherwise prepare reports, summaries, or any other material (in electronic or hard-copy format) regarding or containing City Data for transmission to any other requesting individuals, agencies, or organizations without prior written City approval and where such re-disclosure is otherwise permitted or required by law.

1.34 Health Information Exchange.

If Agency is qualified to enroll in a health information exchange, the City encourages Agency to do so in order to facilitate the secure exchange of data between Agency's electronic health record system (EHR) and the City's Epic EHR.

1.35 Subcontracting.

Agency may not subcontract any portion of Data Access Agreement, except upon prior written approval of City. If the City approves a subcontract, Agency remains fully responsible for its subcontractor(s) throughout the term and/or after expiration of this Agreement. All Subcontracts must incorporate the terms of this Data Access Agreement. To the extent that any subcontractor would have access to a System, each such subcontractor's access must be limited and subject to the same governing terms to the same extent as Agency's access. In addition, each contract between Agency and that subcontractor must, except as the City otherwise agrees, include a Business Associate Agreement requiring such subcontractor to comply with all regulatory requirements regarding third-party access, and include a provision obligating that subcontractor to (1) defend, indemnify, and hold the City harmless in the event of a data breach in the same manner in which Agency would be so obligated, (2) provide cyber and technology errors and omissions insurance with limits identified in Article 5, and (3) ensure that such data has been destroyed, returned, and/or protected as provided by HIPAA at the expiration of the subcontract term.

Article 2 Indemnity

2.1 Medical Malpractice Indemnification.

Agency recognizes that the System(s) is a sophisticated tool for use only by trained personnel, and it is not a substitute for competent human intervention and discretionary thinking. Therefore, if providing patient treatment, Agency agrees that it will:

1. Read information displayed or transmitted by the System accurately and completely;
2. Ensure that Agency Data Users are trained on the use of the System;
3. Be responsible for decisions made based on the use of the System;
4. Verify the accuracy of all information accessed through the System using applicable standards of good medical practice to no less a degree than if Agency were using paper records;
5. Report to the City as soon as reasonably practicable all data errors and suspected problems related to the System that Agency knows or should know could adversely affect patient care;

6. Follow industry standard business continuity policies and procedures that will permit Agency to provide patient care in the event of a disaster or the System unavailability;

7. Use the System only in accordance with applicable standards of good medical practice.

Agency agrees to indemnify, hold harmless and defend City from any claim by or on behalf of any patient, or by or on behalf of any other third party or person claiming damage by virtue of a familial or financial relationship with such a patient, regardless of the cause, if such claim in any way arises out of or relates to patient care or outcomes based on Agency's or an Agency Data User's System access.

Article 3 Proprietary Rights and Data Breach

3.1 Ownership of City Data.

The Parties agree that as between them, all rights, including all intellectual property rights in and to the City Data and any derivative works of the City Data shall remain the exclusive property of the City.

3.2 Data Breach; Loss of City Data.

The Agency shall notify City immediately by telephone call plus email upon the discovery of a breach (as herein). For purposes of this Section, breaches and security incidents shall be treated as discovered by Agency as of the first day on which such breach or security incident is known to the Agency, or, by exercising reasonable diligence would have been known to the Agency. Agency shall be deemed to have knowledge of a breach if such breach is known, or by exercising reasonable diligence would have been known, to any person, other than the person committing the breach, who is an employee or agent of the Agency.

Agency shall take:

- i. prompt corrective action to mitigate any risks or damages involved with the breach or security incident and to protect the operating environment; and
- ii. any action pertaining to a breach required by applicable federal and state laws.

1. **Investigation of Breach and Security Incidents:** The Agency shall immediately investigate such breach or security incident. As soon as the information is known and shall inform the City of:

- i. what data elements were involved, and the extent of the data disclosure or access involved in the breach, including, specifically, the number of individuals whose personal information was breached; and
- ii. a description of the unauthorized persons known or reasonably believed to have improperly used the City Data and/or a description of the unauthorized persons known or reasonably believed to have improperly accessed or acquired the City Data, or to whom it is known or reasonably believed to have had the City Data improperly disclosed to them; and
- iii. a description of where the City Data is believed to have been improperly used or disclosed; and
- iv. a description of the probable and proximate causes of the breach or security incident; and
- v. whether any federal or state laws requiring individual notifications of breaches have been triggered.

2. **Written Report:** Agency shall provide a written report of the investigation to the City as soon as practicable after the discovery of the breach or security incident. The report shall include,

but not be limited to, the information specified above, as well as a complete, detailed corrective action plan, including information on measures that were taken to halt and/or contain the breach or security incident, and measures to be taken to prevent the recurrence or further disclosure of data regarding such breach or security incident.

3. **Notification to Individuals:** If notification to individuals whose information was breached is required under state or federal law, and regardless of whether Agency is considered only a custodian and/or non-owner of the City Data, Agency shall, at its sole expense, and at the sole election of City, either:

- i. make notification to the individuals affected by the breach (including substitute notification), pursuant to the content and timeliness provisions of such applicable state or federal breach notice laws. Agency shall inform the City of the time, manner and content of any such notifications, prior to the transmission of such notifications to the individuals; or
- ii. cooperate with and assist City in its notification (including substitute notification) to the individuals affected by the breach.

4. **Sample Notification to Individuals:** If notification to individuals is required, and regardless of whether Agency is considered only a custodian and/or non-owner of the City Data, Agency shall, at its sole expense, and at the sole election of City, either:

- i. electronically submit a single sample copy of the security breach notification as required to the state or federal entity and inform the City of the time, manner and content of any such submissions, prior to the transmission of such submissions to the Attorney General; or
- ii. cooperate with and assist City in its submission of a sample copy of the notification to the Attorney General.

3.3 **Media Communications**

City shall conduct all media communications related to such Data Breach, unless in its sole discretion, City directs Agency to do so.
