4 **Resolution urging Congress to approve \$200 million for the Samaritan Initiative to**
5 **implement housing and supportive services strategies to end chronic homelessness.**

6
7 WHEREAS, the City and County of San Francisco is committed to ending chronic
8 homelessness in San Francisco; and

9
10 WHEREAS, chronically homeless individuals—those who struggle with the most
11 persistent forms of homelessness— are sometimes afflicted not only by poverty but also by
12 chronic conditions such as mental illness and substance abuse; and

13
14 WHEREAS, housing for the chronically homeless is most effective when supportive
15 services regarding physical health, substance abuse, and mental health problems are offered
16 in tandem with housing; and

17
18 WHEREAS, significant research has demonstrated that supportive housing models to
19 end chronic homelessness can be highly effective and that the cost of such housing is
20 substantially offset by savings to expensive systems of community care including
21 hospitalization and incarceration; and

22
23 WHEREAS, the abolition of chronic homelessness requires collaboration and
24 coordination at all levels of government, together with community institutions, businesses, and
25 neighborhood and faith-based organizations, to determine how best to implement prevention
and intervention strategies; and

NOW, THEREFORE, BE IT RESOLVED, that the San Francisco Board of Supervisors
urges Congress to pass the \$200 million multi-federal agency budget proposal for the

1 Samaritan Initiative for the 2005-06 federal budget, which will help cities implement housing
2 and supportive services strategies to end chronic homelessness; and

3 BE IT FURTHER RESOLVED, that the City and County of San Francisco supports an
4 increased investment of at least \$45 million to be included in the federal government's
5 Projects of Regional and National Significance for the Ending Long Term Homelessness
6 Service Initiative to increase on-site supportive services of the Samaritan Initiative.
