**Pursuant to Charter, Section 4.101(a)(1), please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:**

As a proud native of San Francisco, I am deeply committed to continue serving on the Child Care Planning and Advisory Council. My aim is to foster transparency, enhance communication, and promote respect within the council's operations.

As a heterosexual African American woman, I bring a unique perspective that represents the diverse communities of San Francisco. My background encompasses a blend of education, professional experiences, and a steadfast commitment to inclusivity. Through my work, I have engaged with various demographics and consistently advocated for equity in my capacity as committee members.

**Business and/or Professional Experience:**

I have served in the ECE workforce (Center base & currently FCC) for the past twenty-four years. I was president of the Family Child Care Association of San Francisco and a Mentor Teacher through the California Early Childhood Mentor Program for the past 15 years. I currently sit on Build-Up and EC-COAC with DEC.

Through these experiences, I developed a deep appreciation for the power of public voice and the necessity for early childhood educators to provide informed first-hand knowledge to policymakers and stakeholders.

**Civic Activities:**

I am dedicated to serving my community. I am a member of the OMI (Oceanview Merced Ingleside) Community Collaborative, Young Ladies Institute, Invest Black, and Mega BlackSF to support and address the racial disparities for Black children and families in San Francisco. My commitment to Black children inspired me to become a founding member of the African American Early Childhood Educators Collective, an organization created to address the unrealized potential of Black children and Black families. Our advocacy centers on establishing an equitable process that guarantees fairness in distributing information and resources. By nurturing equity in our communities, we aspire to cultivate innovative and equitable solutions that benefit African American families and early childhood providers across San Francisco.
