Ordinance amending the San Francisco Planning Code by amending Sections 145.1, 201, 243, 253, 261.1, and 270.2 to create a comprehensive and consistent set of street frontage controls for most use districts that allow a mix of uses; adopting findings, including environmental findings, Section 302 findings, and findings of consistency with the General Plan and the Priority Policies of Planning Code Section 101.1.

The committee requested this legislation be re-transmitted to you for environmental review, pursuant to Planning Code Section 306.7(c). This ordinance was continued to be heard again in committee on April 5, 2010, so your prompt response is requested.
