

**Re: 7-Eleven – 221 Sansome Street, San Francisco, CA**

To the City and County of San Francisco's Board of Supervisors and the Department of Alcoholic Beverage Control:

I understand that the 7-Eleven market located at 221 Sansome Street is requesting permission to sell beer and wine. I support this request because I think the sale of beer and wine at this business will serve the public convenience of our community. It will help reduce the number of stops that I and others will need to make in order to buy all of our groceries needs at one location.

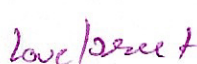

I am aware that the market has agreed to the conditions suggested by the California Department of Alcoholic Beverage Control in order to minimize any potential negative impacts. Some of these conditions include: no sales of beer or malt beverages in bottles or containers of more than 40 oz.; no wine shall be sold with an alcohol content of greater than 15% by volume; and no wine sold in bottles less than 750 mL. Please know that I enjoy shopping at this market, and appreciate their efforts to work with our community.

I therefore strongly urge all governmental agencies to grant the necessary approvals in this matter and for the Board of Supervisors to determine that the sale of beer and wine at this location does serve the public convenience or necessity, so that the market can become a one-stop location for the community's grocery needs.
