14. The Departmental ADA Coordinator or the Mayor's Office on Disability have reviewed the proposal and concluded that the project as proposed will be in compliance with the Americans with Disabilities Act and all other Federal, State and local disability rights laws and regulations and will allow the full inclusion of persons with disabilities. These requirements include, but are not limited to:

1. Having staff trained in how to provide reasonable modifications in policies, practices and procedures
2. Having auxiliary aids and services available in a timely manner in order to ensure communication access; and
3. Ensuring that any service areas and related facilities open to the public are architecturally accessible and have been inspected and approved by the DPW Access Compliance Officer or the Mayor's Office on Disability Compliance Officers.

If such access would be technically infeasible, this is described in the comments section below:

Comments:

Funding for this grant is for park construction of the 900 Innes site. The public park project that will be built at 900 Innes following remediation has already been reviewed at concept design phase, is being reviewed in the current design development phase, and will be reviewed during construction document, permit, and bid phases. It is anticipated that this project will be compliant with ADA requirements.
