19 (a) The Planning Department has determined that the actions contemplated in this  
20 ordinance comply with the California Environmental Quality Act (California Public Resources  
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
22 Supervisors in File No. 140623 and is incorporated herein by reference.

23 Section 2. The Administrative Code is hereby amended by revising Section 3.19 to  
24 read as follows:  
25

1           **SEC. 3.19. APPROPRIATION FOR ART ENRICHMENT OF PROPOSED PUBLIC**  
2 **BUILDINGS, ABOVEGROUND STRUCTURES, PARKS AND TRANSPORTATION**  
3 **IMPROVEMENT PROJECTS.**

4           **(a) Art Enrichment Allocation.** Before proposing a bond issue or making a request  
5 for an appropriation for the construction of any of the projects set forth in Subsection (c)  
6 below, the officer, board or commission concerned shall add thereto for the art enrichment of  
7 the proposed construction, two percent of the gross estimated construction cost, exclusive of  
8 the items proposed for such art enrichment. Where funding eligibility is limited by law or  
9 funding agency rules, the art enrichment allocation shall be based upon two percent of eligible  
10 construction costs.

11           If the officer, board or commission concerned determines that two percent of the  
12 gross estimated construction cost is inappropriate for art enrichment, such officer, board or  
13 commission shall submit its recommendation regarding the art enrichment budget and the  
14 basis for its determination to the Arts Commission for the Arts Commission's review. If the  
15 officer, board or commission concerned is unable to resolve the matter with the Arts  
16 Commission, the matter shall be submitted to the Mayor by the Arts Commission for final  
17 determination within 60 days from the date the recommendation is made.

18           Failure of the Arts Commission to submit the matter to the Mayor for resolution  
19 within such time shall be deemed equivalent to the Arts Commission's acceptance of the  
20 recommendation made by the officer, board or commission concerned.

21           **(b) Definitions.** For purposes of this Section:

22           ~~(H)~~ "Alteration" of a building, aboveground structure, or transportation

25 said funds for all necessary and reasonable administrative costs incurred in connection

1 therewith, ~~unless the Arts Commission agrees to a lesser amount on projects with art enrichment~~  
2 ~~budgets in excess of \$750,000, or~~ unless such administrative fee is limited or prohibited by the  
3 funding source.

4 **(f) Aggregation of Funds.** When mutually agreed upon by the Arts Commission,

11 source, the Arts Commission may set aside and expend up to ~~five~~ten percent of the total art  
12 enrichment allocation for each project for maintenance and conservation ~~purposes of artworks in~~

14 acquire new artwork, or cannot otherwise be used judiciously for that purpose, the Arts Commission  
15 may use the entire project Art Enrichment allocation for maintenance and conservation (aggregating  
16 or transferring funds as per subsection (f) above). When permitted by the funding source, ~~f~~Funds set

22 shall work with the client department to ensure that such mitigation is implemented to the  
23 satisfaction of the client, the Arts Commission and the artist, if such safety concern is raised  
24 by the client department within 30 days after the element has been presented for review to the  
25 client department.

1           (2) ~~If a City department can sufficiently demonstrate to the Arts Commission that a project~~  
2 ~~is not appropriate for public access, the Arts Commission shall waive the art enrichment allocation for~~
