WORKBOOK INSTRUCTIONS

This worksheet provides instructions on how to complete the FY 2020 Financial Management Forms Workbook (FMFW) v20.1. It is divided into sections that correspond to each of the worksheets within this workbook. The first section describes the macros used in this workbook and can be ignored if you are using the non-macro version of this FMFW. For further guidance, contact your Program Representative. Mail completed FMFW to:

Homeland Security Grant Program (HSGP)

California Governor's Office of Emergency Services Attn: Program Specialist's Name 3650 Schriever Avenue Mather, CA 95655

Section 1: MACROS

Below is a table with instructions on how to enable macros in Microsoft Excel, depending on the version.

Note: Some computers may not run Macros correctly even when enabled in Excel. A Non-Macro version of the workbook is available under such circumstances.

Version	Instructions
Excel 2003	1) From the menu bar, click on TOOLS > MACRO > SECURITY. 2) From SECURITY LEVEL tab, select the MEDIUM or LOW. 3) Save, Close, and Re-open the workbook. NOTE: The MEDIUM setting will prompt you to enable or disable macros each time the file is opened. This will prevent potentially unsafe macros from running. The LOW setting will enable macros without prompt. It is recommended that you have virus software installed and updated if other files.
Excel 2007	1) Click the round "Office" button in upper left corner of the window. 2) Click "Excel Options" button near lower-right corner. 3) From "Excel Options" window, select "Trust Center" on left pane. 4) Click on the "Trust Center Settings" button on the right pane, which will open a new "Trust Center" window. 5) From the new "Trust Center" window, pick "Macro Settings" on left pane. 6) Choose "Disable all macros with notification" radio button on the right pane, then click OK. NOTE: Each time a workbook with macros is opened, a security alert will appear. This alert may be a pop-up window or a banner across the top of the window. You must choose to enable for macros to function.
Excel 2010 / 2013 / 2016	1) Click on the File tab, then choose Options, which will then open a new "Excel Options" window. 2) From the new window, click "Trust Center" on the left pane. 3) Click "Trust Center Settings" button on the right pane, which will then open a new "Trust Center" window. 4) From the "Trust Center" window, pick "Macro Settings" on left pane. 5) Choose "Disable all macros with notification" radio button on the right pane, then click OK. 6) Save, Close, and Re-open the workbook. NOTE: Each time a workbook with macros is opened, a security alert will appear. This alert may be a pop-up window or a banner across the top of the window. You must choose to enable for macros to function.

Below is a table of macro buttons available on many of the worksheets in this workbook. Buttons can only be clicked with a mouse. To activate a macro with a keyboard, hold Alt + F8 to open a list of macros and scroll through the list.

Button	Function
Sort (↑)	Sorts by Project Number in ascending order.
Spellcheck	Spellchecks active sheet.
Black Font	Selects the entire row(s) of the selected cell(s) and changes the font color to black. Any strikethroughs will be removed.
Red Strikethrough	Selects the entire row(s) of the selected cell(s) and changes the font color to red. A red strikethrough will be added.
Blue Font	Selects the entire row(s) of the selected cell(s) and changes the font color to blue. Any strikethroughs will be removed.
Toggle Scalable	Changes the background color of the selected row; colored row indicates project is a scalable project.
Add Row	Adds a single row in the table, below the selected cell. A prompt will appear asking to choose a cell before a row is added. Only one row can be added at a time.
Delete Row	Select the cells of the rows to be deleted, then press button. Deletes the entire row of the selected cell. Multiple rows can be deleted, if the selected cells are contiguous.
Formula Reset	Restores formulas to default values in the appropriate cells. Use this if formulas are missing or are not calculating correctly. This button also adjusts the table row height to auto-fit the contents.
New Request	Duplicates the active worksheet for modification and reimbursement requests, placing it immediately after the original worksheet. An input box will appear to name the new worksheet. Remember to use the most recent version of the worksheet when creating a new request.
New Mod Item	Copies the selected line and inserts it immediately below. The font color of the selected row will change to red with a red strikethrough indicating that the line item has been changed. The duplicated line will have blue font color, without a strikethrough, indicating the modified line item.
Initial Application	Populates the Ledger Type field with "Initial Application" and the Date field with today's date.
Advance	Populates the Ledger Type field with "Advance" and the Date field with today's date.
Reimbursement Request	Populates the Ledger Type field with "Reimbursement Request" and the Date field with today's date. A new "Request #" field will be appear.
Modification	Populates the Ledger Type field with "Modification" and the Date field with today's date. A new "Request #" field will be appear.

Below is a table that lists macros that can be activated by using a keyboard shortcut. A shortcut requires the user to press 2 keys simultaneously: the control button and a letter.

Keyboard Shortcut	Function
Control + S	Spell checks active worksheet.
Control + J	Sorts projects by Investment Justification, from A-Z; then by Funding Source (A-Z), then by Discipline (A-Z); only works on the Project Ledger.
Control + K	Sorts projects by Project Number, from 0-999, then by Funding Source (A-Z); then by Discipline (A-Z); works on all ledgers

Section 2: GRANT SUBAWARD FACE SHEET

Use the Grant Subaward Face Sheet to apply for grant programs. Each grant program requires its own separate Grant Subaward Face Sheet. Please print the Grant Subaward Face Sheet in portrait format and provide an original signature from the authorized official. The use of white out or tape is prohibited and will invalidate the signature on the Grant Subaward Face Sheet.

Cal OES Section: The top portion of the form contains blocks for four (4) important numbers. Please do not fill in these blocks. These numbers will be entered by Cal OES.

Form Field	Instructions
1. Subrecipient	The Subrecipient is the unit of government or community based organization (CBO) that will have legal responsibility for these grant funds (e.g. County of Alameda, City of Fresno or Women's Place of Merced). Enter the legal name of the Subrecipient that is registered with the Internal Revenue Service (IRS). PLEASE NOTE: that all CBOs must be registered, active, and current with the IRS, Department of Justice (DOJ), and Secretary of State (SOS) websites. Failure to be current will result in funds being withheld from Cal OES.
1a. Federal DUNS Number (Subrecipient)	Enter the full 9-digit Federal Data Universal Numbering System (DUNS) ID number for the Subrecipient. If the Subrecipient does not yet have a DUNS number assigned, one may be obtained by contacting Dun & Bradstreet at 866-705-5711 or at www.dnb.com. This requirement applies to federally funded grants only. Your DUNS # must be current and active in the System for Award Management (SAM) at the time of your Award.
2. Implementing Agency	Enter the complete name of the agency responsible for the day-to-day operation of the grant (e.g. Sheriff, Police Department, or Department of Public Works). If the Implementing Agency is the same as the Subrecipient, enter the same title again.
2a. Federal DUNS Number (Implementing Agency)	Enter the full 9-digit Federal Data Universal Numbering System (DUNS) ID number for the Implementing Agency. If the Implementing Agency does not yet have a DUNS number assigned, one may be obtained by contacting Dun & Bradstreet at 866-705-5711 or at www.dnb.com. This applies to federally funded grants only. Your DUNS # must be current and active in the System for Award Management at the time of your Award.
3. Implementing Agency Address	Enter the address of the Implementing Agency. Provide the complete nine digit zip code (Zip+4).
Location of Project	Enter the City and County/Operational Area where the project is located. Provide the complete nine digit zip code (Zip+4).
5. Disaster/Program Title	Enter the name of the Disaster or Program providing the funds for this Grant Subaward. A disaster may be referred by the federal declaration number. Program titles should be complete without the use of acronyms.
6. Performance Period	Enter beginning and ending dates of the performance period for the Grant Subaward. (mm/dd/yyyy)
7. Indirect Cost Rate	Indicate whether you are using the 10% de Minimis rate based on Modified Total Direct Costs (MTDC) or your current cognizant agency approved indirect cost rate agreement. A copy of the approved ICR Negotiating Agreement must be enclosed with your application. Indicate N/A if you will not be claiming indirect costs under the award. Indirect costs may or may not be allowable under all Federal fund sources.
8A-13G. Fund Allocations and Total Project Cost	For each fund source used in the program, select the correct grant year and acronym from the drop down lists, the amount of state or federal funds requested, the amount of cash and/or in-kind match contributed and the resulting totals. Please do not enter both state and federal on the same line. Block 12G should correspond to the total project cost specified in the budget.
14. Certification Paragraph	Please review the Certification Paragraph.
15. CA Public Records Act	Please review, and if applicable, provide the necessary documentation.
16. Official Authorized to sign for the Subrecipient	Enter the name and title of the official authorized to enter into the Grant Subaward for the Subrecipient as stated in Block 1 of the Grant Subaward Face Sheet (Cal OES 2-101). Enter the Payment Mailing Address where grant funds should be sent. Provide the complete nine digit zip code (Zip+4).
17. Federal Employer ID Number	Enter the 9-digit Federal Employer Identification Number for the Implementing Agency.

Section 3: <u>AUTHORIZED BODY OF 5</u>

Provide the contact information of any additional Authorized Agents (AA) or staff related to grant activities. It is recommended that more than one person be designated as an AA, so that if one AA is not available, a second AA can sign the requests for reimbursements and modifications.

Securing the Cities (STC) San Francisco Bay Area Program: 2020 Non-Competing Continuation Grant Application

2. Budget Narrative and Justification

Year Two Budget Narrative

1) **PERSONNEL and FRINGE:** The STC San Francisco Bay Area Program will continue funding four employees. However, the funds for these employees will be included in the FY 19 carry forward request as defined in the FY 19 Budget Narrative included in the application package.

JUSTIFICATION: These four employees are crucial to the successful operation of the program to ensure coordination of the PMO, to coordinate all CBRNE activities in the 12 county San Francisco Bay Area and synchronize those activities with the STC San Francisco Bay Area Program, to act as a fiscal grant administrative specialist, and to provide part-time clerical support for the entire program.

2) **EQUIPMENT:** Using a risk-based approach, the STC San Francisco Bay Area Program requests to equip 8 Hazmat and 9 EOD Squads with two (2) radiation isotope identifying devices per, as well as 995 uniformed patrol officers during Year Two. In subsequent years, additional funds will be needed to fully develop the STC San Francisco Bay Area's PRND capability to meet Stakeholder Preparedness Review goals. Equipment purchases will include warranties for system replacement, maintenance, and calibration. The equipment that the STC San Francisco Bay Area Program will purchase for the Hazmat, EOD Squads, and patrol officers in Year Two is as follows:

Table 1: Equipment Purchases

Quantity	Equipment Model #	Equipment Description	Unit Price	Total
16	FLIR R400	Radiation Isotope Identifying Devices (RIIDs) for ten (10) Hazmat Teams	\$17,000	\$272,000
18	FLIR R400	Radiation Isotope Identifying Devices (RIIDs) for ten (10) EOD squads	\$17,000	\$306,000
995	PM1703BT	Personal radiation detector to be worn on the utility belt of patrol personnel	\$ 1,500	\$1,492.500
		Total		<u>\$2,070,500</u>

3) CONTRACTUAL: The STC San Francisco Bay Area Program plans to continue funding contractual services in a reduced scope of work for Year Two. These contractual services are divided into 2 tasks, totaling \$465,800.

Task #1: The Bay Area will continue funding a contractor team of specialized professionals for Region-wide Program Management Support for the STC San Francisco Bay Area Program. This contractor will work with our STC San Francisco Bay Area Program personnel, the Principal Partners, and Work Group members on an as needed basis to plan, execute, evaluate,

Securing the Cities (STC) San Francisco Bay Area Program: 2020 Non-Competing Continuation Grant Application

and refine the STC San Francisco Bay Area Program. The contractor team provides meeting support, plan development and review, stakeholder coordination, and training coordination.

Total task costs are \$387,500.

JUSTIFICATION: This Program Management Support Team will assist the STC Program Manager in developing all meeting materials and coordinating up to six meetings per month for the various sub-committees of the program, developing new and updating existing program plans and documents, coordinate stakeholder participation, and developing 8 plans that must synchronize the PRND program with DHS training & exercise support teams, as well as the Bay Area Training & Exercise Program (BATEP).

Task #2: The Bay Area will continue funding a contractor to assist with overall program management, especially annual plan reviews and updates.

Total task costs are \$78,300.

JUSTIFICATION: This task will effectively assist the PMO with the STC SFBA Implementation Plan and, in compliance with the STC Cooperative Grant Agreement, the Contractor will conduct an annual review of the all STC SFBA planning documents based on Principal Partners' direction, operational lessons learned and after-action reporting. In Year Two, the Gap Analysis, Equipment Fielding Plan, the Strategic Plan, and the PRND CONOP, and the STC FOG will be reviewed.

4) Other Direct Costs

Backfill and Overtime

1. Year Two Backfill and Overtime Training Needs

The STC San Francisco Bay Area Program has 54 Hazmat Teams and EOD squads. There are over 29,000 patrol personnel. Using a risk-based model, we will train 300 personnel in primary screening in Year Two, and 60 members of our HazMat and EOD teams. All personnel will require training on various types of equipment for either primary or secondary screening.

Capability	Course(s) Required	Total # of	Total Backfill/OT
		Trainees	Cost
Primary	PER 243- Primary Screening ¹	300	\$ 300,000
Screening			
Secondary	PER 245- Secondary Screening ²	60	\$ 120,000
Screening			
	Total Trained and Cost	360	\$ 420,000

¹ One-day training course

-

² Two-day training course

Securing the Cities (STC) San Francisco Bay Area Program: 2020 Non-Competing Continuation Grant Application

JUSTIFICATION: The costs above are based on an area average of approximately \$1000 per day of overtime/backfill rate. Given that agencies have not identified which rank would perform these tasks within their organization, and that there are a range of salaries in the Bay Area, this average provides a credible estimate of cost.

To provide a more cost-effective delivery, the Counter Terrorism Operations Support-Center for Rad/Nuc Training (CTOS) will provide cost-free training classes to the STC San Francisco Bay Area jurisdictions.

2.ÁBackfill and Overtime for Tabletop Exercises

We plan to conduct three tabletop exercises (TTX) in Year Two: two in the Bay Area and a third in Sacramento for the other participating counties. We anticipate a total attendance of 80 participants across the three exercises.

Total costs are \$80,000.

JUSTIFICATION: The costs above are based on an area average of approximately \$1000 per day of overtime/backfill rate, as previously explained.

3. A Equipment Storage and Inventory.

In order to receive, function check, inventory, and centrally distribute large equipment procurements, the STC San Francisco Bay Area Program will coordinate warehouse space and personnel for the aforementioned logistics functions. Using existing facilities, we will use funds to build secure storage cages and purchase equipment tracking and inventory tools (RFID tags and reader).

Total costs are \$29,500.

JUSTIFICATION: A centralized location for receipt, initial inventory, addition to a equipment database, and secure storage of the detection equipment is critical to the proper accountability of government-provided equipment (GPE). Moreover, learning from the experience from other STC programs, which experienced a 10% failure rate of new PRDs, we plan to check all equipment against a radiological source. Centralized storage reduces the logistical burden of doing so.

MARK S. GHILARDUCCI
DIRECTOR

October 23, 2020

Craig Dziedic General Manager Bay Area UASI 711 Van Ness Avenue, #420 San Francisco, CA 94102

SUBJECT: NOTIFICATION OF SUBRECIPIENT SUBAWARD APPROVAL

Fiscal Year (FY) 2020 Homeland Security Grant Program (HSGP)

Subaward #2020-0095, Cal OES ID#075-95017

Subaward Period of Performance: 09/01/2020-05/31/2023

Dear Mr. Dziedic:

We are pleased to announce the approval of your FY 2020 HSGP subaward in the amount of \$31,012,500. Once the completed application is received and approved, reimbursement of eligible subaward expenditures may be requested using the California Governor's Office of Emergency Services (Cal OES) Financial Management Forms Workbook. Failure to provide documentation in a timely manner could result in a hold on funding, pursuant to Title 2, Code of Federal Regulations (CFR), Sections 200.338(a) and 200.207(b)(1)-(2).

This subaward is subject to requirements in 2 CFR, Part 200, including the Notice of Funding Opportunity (NOFO), the Preparedness Grants Manual, the California Supplement to the NOFO, and all applicable federal, state, and local requirements. All activities funded with this subaward must be completed within the subaward period of performance.

Subrecipients must obtain additional written approval <u>prior</u> to incurring costs for activities such as aviation, watercraft, allowability request logs, noncompetitive procurement, and projects requiring Environmental Planning and Historic Preservation review. Additionally, all projects falling under the National Priority Investment Justifications must be reviewed and approved for effectiveness by the

Craig Dziedic October 23, 2020 Page 2 of 2

Federal Emergency Management Agency (FEMA), prior to the obligation, and expenditure of funds for those projects.

Your organization will be required to prepare and submit the Biannual Strategy Implementation Report (BSIR) to Cal OES via the FEMA Grants Reporting Tool (GRT) semi-annually for the duration of the subaward period of performance or until all activities are completed and the subaward is formally closed. Failure to submit required reports could result in subaward reduction, suspension, or termination. Throughout the subaward cycle, milestones set in the GRT will be used as indicators of project feasibility, performance, and grant management capacity. This information may also be used in assessing proposals in future grant opportunities.

A Conditional Hold has been placed on your award for the following investments which fall under the national priority areas; Information Sharing \$906,197, Soft Targets and Crowded Places \$1,875,000, Emerging Threats \$1,875,000. To release this hold, additional information is required for the investments identified which must be submitted in the December 2020 BSIR in a manner consistent with Grants Program Directorate Information Bulletin No. 447.

Your dated signature is required on this letter. HSGP requirements include Urban Area Working Group (UAWG) concurrence regarding the allocation of Grant Subaward funding. Your signature verifies that your UAWG reached consensus regarding the allocation of this subaward. Please sign and return the original to your Cal OES Program Representative within 20 calendar days upon receipt and keep a copy for your records. For further assistance, please contact your Cal OES Program Representative.

Sincerely,

MARK S. GHILARDUCCI

SUBJECT: SUBRECIPIENT OBLIGATION OF ADDITIONAL FUNDS

Fiscal Year (FY) 2020 Homeland Security Grant Program (HSGP)

Subaward #2020-0095, Cal OES ID#075-95017

Dear Mr. Dziedzic:

The California Governor's Office of Emergency Services (Cal OES) approved your FY 2020 HSGP subaward to receive additional funding, as outlined below:

Project Title: UASI Risk Assessment

Performance Period: September 1, 2020, to May 31, 2023

Funding Source: Urban Areas Security Initiative \$2,000,000

Please submit the Grant Subaward Amendment form and a modification to your subaward, reflecting the approved projects, to your Cal OES Program Representative. Funds for the project are not eligible for reimbursement until the amendment and modification are approved.

This subaward is subject to requirements in Title 2, Code of Federal Regulations, Part 200, including the Notice of Funding Opportunities (NOFO), the Preparedness Grants Manual, California Supplement to the NOFO, and all applicable federal, state, and local requirements. All activities funded with this subaward must be completed within the subaward performance period.

The Department of Emergency Management is pleased to present the following Grant Report in summary of the above-referenced item submitted by the Department of Emergency Management.

Legislation For Approval: The proposed resolution seeks the Board of Supervisors' approval for the acceptance and expenditure of an additional \$1,012,500 in funds from the Federal Department of Homeland Security (DHS) through the California Office of Emergency Services (CalOES) to provide financial assistance to address the unique planning, equipment, training, exercise, and organizational needs of high-threat, highdensity Urban Areas, and assist those areas in building an enhanced and sustainable capacity to prevent, protect against, respond to, and recover from natural or human caused disasters as well as threats and terrorism.

> The FYs 2019-2020 and 2020-2021 Annual Appropriation Ordinance (No. 155-19) reflected the anticipated FY 20 grant allocation to the Bay Area UASI from the Department of Homeland Security as a pass through from the California Office of Emergency Services in the amount of \$32,000,000. This resolution amends the amount of the allocation to add an additional \$1,012,500 to the FY 20 UASI grant allocation for a total grant award of \$33,012,500. San Francisco will continue to act as the fiscal agent for all regional Homeland Security Grant funds.

Departments:

Department of Emergency Management (DEM). Department acts as the fiscal agent and expenditures benefit the Bay Area UASI which includes the three formerly separate UASI cities: the City and County of San Francisco, the City of Oakland, and the City of San Jose, as well as the twelve contiguous Bay Area counties and the other Bay Area governmental jurisdictions within those counties.

The Bay Area UASI was established in grant year FY2006 as a requirement of the Department of Homeland Security for regions to create a governance structure for the distribution of Urban Areas Security Initiative grant funding.

The Bay Area UASI is led by a grant funded general manager and staff consisting of employees from the cities and counties within the Bay Area region. Based on requirements of the grant, as well as recommendations of regional working groups and committees, grants are allocated under the policy direction of the Approval Authority, which consists of representatives of the Cities of San Jose, Oakland, and San Francisco, and the Counties of Alameda, Contra Costa, Marin, Monterey, Santa Clara, San Francisco, San Mateo, and Sonoma. The chair of the Approval Authority is the Executive Director of the San Francisco Department of Emergency Management.

The additional FY 20 amount allocated to the Bay Area has been designated to provide funding for a statewide risk management project. As the fiscal agent, DEM would be authorized to accept and expend these additional grant funds on behalf of the Bay Area and the other Urban Areas within California, and to receive grant reimbursements for expenses incurred.

The City and County of San Francisco is the fiscal agent for all homeland security grant funds. DEM is responsible for administering the grant for the Bay Area UASI and for ensuring that the grant funds are spent according to the grant and financial guidelines.

Amount:

The FY 20 grant award represents an increase in funding allocated in the AAO by \$1,012,500 for a total FY 20 award of \$33,012,500 for the purposes of funding a statewide risk management project by agreement of the UASI Approval Authority which acts as the executive steering committee.

Grant Period:

September 1, 2020 through May 31, 2023

Source of funds:

U.S. Department of Homeland Security, through the California Office of Emergency Services. No match is required.

Indirect Costs:

The proposed resolution waives indirect costs, because the grant program does not allow the charging of indirect costs.

Description:

The proposed resolution authorizes the Department of Emergency Management to accept and expend an additional \$1,012,500 in federal grant funding from the FY 2020 Homeland Security Grant

Úæť^ÁØÁGÁ

Program (Award # 2020- 0095, OES # 075-95017), issued by the U.S. Department of Homeland Security (DHS) through the California Office of Emergency Services (CalOES). This reflects an increase to the \$31,012,500 originally approved in the AAO (155-19) for a total grant award of \$33,012,500.

Budget:

Budget by activity for the additional allocations:

(1)Á Existing Equipment Budget:

\$10,085,244

Funds will be used for the purchase of equipment for first responders throughout the region such as: Cyber Security Enhancement equipment to increase election security, Terrorism Incident Response equipment, Interoperable Communications equipment, Information Technology equipment, public health equipment and rapid DNA analysis equipment, screening, search and detection equipment, equipment to upgrade physical protective measures at various buildings, and rapid rescue task force equipment for the SFFD.

No additional funds added to the Equipment Budget:

Equipment Total:

\$10,085,244

(2)Á Existing Planning Budget:

\$2,147,150

The grant's budget amount allocated funds for regional election security planning, a WebEOC fusion project for Marin, an emergency planner for San Francisco to update emergency response planning and for the development of a Family Assistance Center Annex and a mass care and disaster feeding plan, and planning positions for the training and exercise project.

No additional funds added to Planning Budget:

Planning Total:

\$2,147,150

(3)Á Existing Training Budget:

\$2,454,100

The budget amount represents the planned allocation to conduct a regional Mass Notification System Users Conference, cybersecurity and elections security training classes, public information officer training classes, school and workplace violence training classes, volunteer shelter operations training, and mass search and rescue classes.

No additional funds added to Training Budget.

Training Total:

\$ 2,454,100

(4)Á Existing Exercise Budget:

\$1,006,559

The amount represents the planned allocation for regional exercise planning, supplies, and the conduct of exercises using HSEEP (Homeland Security Exercise and Evaluation Program) guidelines and requirements. \$13,768,822

The budget amount represents the planned allocation for information sharing and collaboration as well as critical infrastructure protection. This amount pays for salary and fringe costs of regional intelligence analysts and cyber security analysts that staff the Northern California Regional Intelligence Center (NCRIC). The San Francisco Fire, Police, and Emergency Management Departments will fund positions to oversee, coordinate, and manage projects that include the Mitigation City's Hazard Plan. Emergency Response Plans, Special Events planning, community resilience planning, a duty officer for the watch center, and training and exercise planning. The Cities of Oakland and San Jose and Monterey County will also fund planning positions for mass care, emergency communications, EOC coordination and training and exercise planning and oversight.

Additional funds added to Organizational budget:

\$ 2,000,000

Cal OES has awarded funds for a statewide Risk Management Project to be managed by the Bay Area UASI. The program will provide risk management support services to sustain the current statewide risk management program, which includes analytic tools and services that enable the California urban areas, state agencies, and fusion centers to measure, model, and prioritize risks, optimize resource allocations, and quantify and develop strategic, operational, and real-time risk plans, reports, and decisions. The program leverages local and regional risk management, and critical infrastructure assessments to create a common threat awareness picture for the State of California.

Organizational Total:

\$15,768,822

(6)Á Management & Administration Budget:

\$1,550,625

The budget amount for Management and Administration expenses include UASI grant administration staff, line item office expenses, Controller's Accounting, City Attorney, office and equipment maintenance and leases. The amount budgeted reflects 5% of the cash grant, which was the maximum allowable under the guidelines.

No additional funds added to the Management and Administration Budget:

Management and Administration Total: \$1,550,625

Original AAO budget: \$32,000,000

Awarded Grant Budget: \$31,012,500

Additional Awarded Funds: \$2,000,000

Total New Grant Budget: \$33,012,500
