MEMORANDUM

---

---

Date: January 30, 2017  
To: Members, Board of Supervisors  
From: *AC* Angela Calvillo, Clerk of the Board  
Subject: Recently Adopted Rules and Regulations and Application by the Small Business Commission

---

Attached is a memo from the Office of Small Business regarding the approval of the Rules and Regulations and Application for the Legacy Business Program, adopted by the Small Business Commission on January 23, 2017, and delivered to the Clerk of the Board on January 27, 2017.

Under San Francisco Administrative Code, Sections 2A.242(e) and 2A.243(d), rules and regulations adopted by the Small Business Commission shall be subject to disapproval of the Board of Supervisor by ordinance. A disapproval ordinance must be introduced within 30 days of delivery of notice to the Clerk of the Board (February 26, 2017).

If a Member of the Board of Supervisor does not introduce an ordinance to disapprove the rules or regulations within 30 days of delivery of notice, or if such an ordinance is introduced within the 30-day period but the ordinance is not enacted by the Board of the Supervisors within 90 days of delivery of notice to the Clerk of the Board (April 27, 2017), the rules or regulations shall go into effect.

**Please coordinate the drafting of an ordinance for introduction no later than the February 14, 2017, Board meeting.**

RE: Administrative Code Section 2A.243(c) Legacy Business Historical Preservation Fund – Grants To Landlords.

Dear Ms. Calvillo,

Administrative Code Section 2A.243(d) states that after holding a noticed public hearing, the Small Business Commission may adopt rules, regulations and forms to establish the procedures to implement Section 2A.243. Any rules and regulations adopted under the authority of the Small Business Commission shall be subject to disapproval of the Board of Supervisors by ordinance. The Small Business Commission is to provide written notice to the Clerk of the Board of Supervisors of its adoption of any rule or regulation, along with a copy of said rule or regulation. If a Member of the Board of Supervisors does not introduce an ordinance to disapprove the rule or regulation within 30 days of the date of delivery of such notice to the Clerk of the Board of Supervisors, or if such an ordinance is introduced within the 30-day period but the ordinance is not enacted by the Board of Supervisors within 90 days of the date of the Commission's delivery of notice to the Clerk of the Board of Supervisors, the rule or regulation shall go into effect.

At the January 23, 2017, dually noticed public hearing, pursuant to the Small Business Commission's Rules of Order, Article I, Section 2, the Small Business Commission officially adopted Resolution No. 2017-001-SBC: Legacy Business - Historical Preservation Fund - Grants to Landlord Program. This resolution approves the rules and regulations and application for Administrative Code Sections 2A.243(c)(1), 2A.243(c)(2), and 2A.243(c)(3)(A) and (B) of the Legacy Business Historical Preservation Fund – Grants To Landlords.

This letter constitutes the Small Business Commission's written notice to the Clerk of the Board of Supervisors of its official adoption of the rules and regulations of Administrative Code Sections 2A.243(c)(1), 2A.243(c)(2), and 2A.243(c)(3)(A) and (B) Legacy Business Historical Preservation Fund – Grants to Landlord.

Please find enclosed a copy of Resolution 2017-001-SBC (Attachment A); and the rules and regulations and the application for the Legacy Business Historical Preservation Fund – Grants to Landlords (Attachment B).

The submitted Legacy Business Historical Preservation Fund – Grants to Landlords rules and regulations, does not include a rule for Section 2A.243(c)(3)(C). The Small Business Commission is still developing the rule for this section and will be submitting to the Board of Supervisors at a later date. The submission of the rules and regulations under Sections 2A.243(c)(1), 2A.243(c)(2), and 2A.243(c)(3)(A) and (B) will allow the Office of Small Business to move forward with the issuance of grant applications and grants to landlords.

It is important for the Board of Supervisors to know that there is a general public perception that the Rent Stabilization Grant is an offset to the yearly rent a legacy business pays to landlord. The City Attorney has advised the Small Business Commission that the City cannot mandate such an offset. Should you have any questions regarding the City Attorney's interpretation I am happy to discuss this with you.

Sincerely,

Regina Dick-Endrizzi  
Director, Office of Small Business

Resolution No. 001-2017-SBC

Legacy Business - Historical Preservation Fund - Grants to Landlord Program

**Resolution approving the rules and regulations for Administrative Code Section 2A.243(c) Legacy Business Historical Preservation Fund – Grants To Legacy Businesses.**

WHEREAS, the Office of Small Business operates under the Small Business Commission, which oversees grants and programs concerning and benefiting small businesses in San Francisco; and

WHEREAS, In 2015, the voters adopted Proposition J and codified Administrative Code Sections 2A.242-243, which seeks to recognize longstanding, community-serving businesses by directing the Office of Small Business to establish and maintain a Registry of the Legacy Businesses in San Francisco; and

WHEREAS, Proposition J defines a Legacy Business as a business that the Small Business Commission following a noticed hearing has found meets certain criteria, as detailed in Administrative Code Section 2A.242(b), following a nomination by the Mayor or a Member of the Board of Supervisors; and

WHEREAS, Proposition J established Administrative Code Section 2A.243, the Legacy Business Historic Preservation Fund (the "Fund"); and

WHEREAS, The Fund consist of two grant programs, Administrative Code Section 2A.243(b), Grants To Legacy Businesses (Business Assistance Grants) and Administrative Code Section 2A.243(c), Grants to Landlords (Rent Stabilization Grants); and

WHEREAS, Proposition J defines in Administrative Code Section 2A.243(d) that the Small Business Commission after a noticed hearing may adopt rules, regulations, and forms necessary to implement the Administrative Code Section 2A.243(c), Grants To Landlords; and

WHEREAS, Proposition J defines in Administrative Code Section 2A.243(d) that after adoption of such rules, regulations, and forms necessary to implement Administrative Code 2A243(c), the Small Business Commission shall provide written notice to the Clerk of the Board of Supervisors of its adoption of any rule, regulation and form under Administrative Code Section 2A243(d); now, therefore be it

RESOLVED, that the Small Business Commission adopts the rules, regulations, and forms of Administrative Code Section 2A.243(c)(1), 2A.243(c)(2), and 2A.243(c)(3)(A) and (B) Legacy Business Historical Preservation Fund, Grants To Landlords approved at the January 23, 2017, Small Business Commission meeting; and be it

FURTHER RESOLVED, that Small Business Commission directs the Office of Small Business to give written notice to the Clerk of the Board of Supervisors of its adoption of the rules, regulations, and forms along with a copy of said rule, regulations, and form, as stated under Administrative Code Section 2A243(d).

I hereby certify that the Small Business Commission ADOPTED the foregoing Resolution on January 23, 2017.

# Legacy Business Historic Preservation Fund Rules and Regulations for Rent Stabilization Grants

## 1. Scope

These rules and regulations apply to Rent Stabilization Grants to Landlords and their Legacy Business tenants, as set forth at Administrative Code Section 2A.243(c). The Office of Small Business (OSB) administers the Legacy Business Historic Preservation Grant program.

The Rent Stabilization Grant is eligible only to Qualified Landlords who lease property to a Registered Legacy Business in the City and County of San Francisco.

## 2. General Qualifications for Landlords

Qualified Landlords must satisfy all of the following criteria:

### (A) No Amounts Owed to City

Landlords must certify that they do not owe any amounts to the City as a result of fines, penalties, interest, assessments, taxes, fees, or any other financial obligations imposed by law, regulation, or contract that were delinquent as of the date of the Landlord's application for a grant.

### (B) Business Registration

Landlords must certify that they have complied with any requirement to register as a business with the Office of the Treasurer and Tax Collector.

### (C) Office of Labor Standards Enforcement Investigations

Landlords must certify that they are not the subject of an OLSE investigation or enforcement action.

### (D) Landlord and Legacy Business Legal Relationship

The Landlord must not be related by ownership either directly or indirectly, to the Legacy Business to which the Landlord leases property. A Landlord is related by ownership to a Legacy

Business if any of the following criteria are satisfied:

1. The Landlord holds any ownership interest in the Legacy Business.
2. The Legacy Business holds any ownership interest in the Landlord.
3. A third-party entity holds an ownership interest in both the Legacy Business and the Landlord.
4. The Landlord holds any beneficial interest in any entity (including, but not limited to, a beneficial interest in a trust) that holds an ownership interest in the Legacy Business.
5. The Legacy Business holds any beneficial interest in any entity (including, but not limited to, a beneficial interest in a trust) that holds an ownership interest in the Landlord.
6. The Landlord, or any person who holds an ownership or beneficial interest in the Landlord, is in an immediately family relationship with any person who holds an ownership or beneficial interest in the Legacy Business.

The phrase “immediate family relationship” includes the relationships between spouses, domestic partners, parents or guardians and children (including step-parents and step-children, or adoptive parents and adoptive children), grandparents and grandchildren, siblings (including step-siblings or adoptive siblings), aunts or uncles and nieces or nephews, great-aunts or great-uncles and grand-nieces or grand-nephews, and first or second cousins. The phrase also includes the relationship with the parent, grandparent, or sibling of one’s spouse or domestic partner, or the spouse or domestic partner of one’s child, grandchild, or sibling.

### **3. Categories of Ineligible Landlords**

(A) A Qualified Landlord may not be a department, agency, commission, or other entity within the City and County of San Francisco (including, but not limited to, the Real Estate Division, the Port of San Francisco, or the San Francisco Municipal Transportation Agency).

(B) A Qualified Landlord may not be any other local, state, or federal government; any entity within any other local, state, or federal government; or any special district created by state law (including, but not limited to, the Bay Area Rapid Transit District).

(C) A Qualified Landlord may not have entered into a lease agreement with a Legacy Business that had previously owned the real property that is the subject of that lease agreement.

#### **4. Successors to Qualified Landlords**

Whenever a new Landlord assumes the obligations of a lease that previously qualified the prior Landlord for a grant under Administrative Code Section 2A.243(c), and the new Landlord does not renegotiate or otherwise change the terms and conditions of that lease, the new Landlord shall be eligible to be a Qualified Landlord, and to receive a grant under Administrative Code Section 2A.243(c), without entering into a new lease or lease extension of the kind described in Administrative Code Section 2A.243(c)(1). The new Landlord must still satisfy all other requirements to be a Qualified Landlord and to receive a grant, other than the requirement to enter into a new lease or lease extension.

#### **5. Conditions for Leases**

##### **(A) Options to Renew**

To qualify for a grant under Administrative Code Section 2A.243(c), a Landlord must (on or after January 1, 2016) enter into a lease agreement with a Legacy Business “for a term of at least 10 years,” or “extend the term of the Legacy Business’s existing lease to at least 10 years.” For this purpose, any number of years for which the Legacy Business has an option to renew the lease shall count towards the term of the lease, provided that the option to renew can be exercised at the Legacy Business’s sole discretion.

For example, a five-year lease in which the Legacy Business (at its sole discretion) may extend the lease for an additional five years would qualify a Landlord for a grant under Administrative Code Section 2A.243(c).

##### **(B) Signing of the Lease**

The Landlord and Legacy Business must sign the lease and any required addenda before the Landlord applies for a grant under Administrative Code Section 2A.243(c), and the Landlord must submit the executed lease and any required addenda with its grant application.

##### **(C) Disclosure to Legacy Business**

Before the Legacy Business signs the lease, the Landlord must inform the Legacy Business, in writing, that the City and County of San Francisco does not guarantee that it will fully fund the Rent Stabilization Account, and does not guarantee that it will award any grant of any amount under Administrative Code Section 2A.243(c).

(D) Special Contingency Provisions in Lease

Administrative Code Section 2A.243(c)(1) provides that a lease between a Landlord and a Legacy Business may include a provision making the lease (or any of portion thereof) contingent upon the Landlord receiving a Rent Stabilization Grant from the City equal to \$4.50 square foot, up to the maximum 5000 square feet per location, of the improvement area in San Francisco lease to a Legacy Business.

Any lease that contains such a contingency provision, however, must also provide:

- a) That the contingency provision is void when the Landlord is not awarded the Rent Stabilization Grant because:
  - a. The Landlord has amounts owing to the City as a result of fines, penalties, interest, assessments, taxes, fees, or any other financial obligations imposed by law, regulation, or contract (including, but not limited to, financial penalties or other obligations imposed by the Office of Labor Standards Enforcement) that were delinquent as of the date of application or reapplication; or
  - b. The Landlord does not properly complete or submit a grant application; or
  - c. The Landlord takes any intentional action to disqualify the application from receiving a grant.
2. That the Landlord must provide the Legacy Business an option to pay the Landlord an amount equal to the difference between the maximum grant amount and the amount that the Landlord actually receives from the Rent Stabilization Grant program, to allow the lease to remain in effect.
3. The Landlord must provide the Legacy Business with notice of the Landlord's intent to exercise the contingency provision at least 120 days before exercising the contingency provision.

Additionally, the Landlord must bring the contingency provision to the Legacy Business's attention before the Legacy Business signs the lease. In its grant application, the Landlord must demonstrate to OSB's satisfaction that the Legacy Business acknowledged and understood the contingency provision when the Legacy Business signed the lease.

(E) Additional Application Certifications

In submitting an application for a grant under Administrative Code Section 2A.243(c), a Landlord must certify:

- a. The Landlord is aware that the grant is an annual grant and that the Landlord must reapply to receive continued funding.

- b. That any failure to reapply for an annual grant may deprive the Landlord of its status as a Qualified Landlord from “prior years” within the meaning of Administrative Code Section 2A.243(c)(3).
- c. That both the Landlord and Legacy Business understand that the amount of the grant could vary and might be less than \$4.50 per square foot due to funding constraints.
- d. That the Landlord must meet all of the requirements for a grant in order to be awarded the grant.

#### **6. Authorized Use of Funds**

A grant under Administrative Code Section 2A.243(c) is awarded directly to the Qualified Landlord. The Qualified Landlord and the Legacy Business may agree to use the grant to offset the Legacy Business’s rent, or for any other purpose.

#### **7. Confidentiality**

Whenever an application for a grant under Administrative Code 2A.243(c) is approved, the Office of Small Business shall, to the extent permitted by law, keep confidential all provisions in any lease submitted by a Landlord in connection with the application, except to the extent that OSB relied on the content of any such provisions in deciding to award a grant to the applicant Landlord.

Whenever an application for a grant under Administrative Code 2A.243(c) is denied, or before such an application has been either approved or denied, the OSB shall, to the extent permitted by law, keep confidential the entirety of any lease submitted by the Landlord in connection with the application.

#### **8. Notification of Funding Allocations to Prior Year Qualified Landlords**

On or before July 30 of each fiscal year, the Office of Small Business shall notify all Qualified Landlords from the prior fiscal year of the annual grant the Landlord will receive for the current fiscal year when the Qualified Landlord reapplies. The OSB will also notify the Legacy Business of the annual grant amount the Landlord will receive.

**9. Receipt of Grant Payment**

To be paid, Grantees must become a City Vendor. The Legacy Business Program Manager shall assist Applicants in completing the registration requirements for becoming City Vendors. Applicants who cannot or refuse to become City Vendors will be paid by a contracted third party vendor selected by OSB.

**10. Verification of Information**

The Office of Small Business shall have the authority to verify all information provided by a Landlord in connection with an application for a grant under Administrative Code Section 2A.243(c). Failure of a Landlord to comply with information requests from the OSB, or the provision of false information in connection with an application or in response to such requests, shall result in the denial of a grant application.

**11. Sanctions for Willful or Material Misrepresentation**

Whenever the Office of Small Business learns that a Landlord who has received a grant under Administrative Code Section 2A.243(c) materially or willfully misrepresented any information in any application for such a grant, OSB may terminate any pending grant to that Landlord, order the Landlord to return any grants previously awarded, or prohibit the Landlord (conditionally or otherwise) from applying for future grants for any period of time.

**12. Appeals**

Applicants for grants under Administrative Code Section 2A.243(c) may appeal any adverse decision by the Office of Small Business (including the decision to deny a grant application, the decision to terminate or revoke any grant previously approved, or the decision to prohibit a Landlord from applying for a future grant) to the Small Business Commission.

**13. Changes to These Regulations**

The Small Business Commission may revise these regulations at any time, for any reason. The Commission may, but need not, provide that future revisions of these regulations shall be prospective only, and shall not apply to existing Qualified Landlords. Alternatively, the Commission may require that all Landlords (including existing Qualified Landlords) satisfy any new or revised regulations that the Commission chooses to adopt.

# Rent Stabilization Grant Application

## 1. Background Information

Applicant (Landlord) Name: \_\_\_\_\_

Applicant (Landlord) Address: \_\_\_\_\_

Applicant (Landlord) Contact (phone #): \_\_\_\_\_

Applicant (Landlord) Contact (email): \_\_\_\_\_

Applicant (Landlord) Business Account Number: \_\_\_\_\_

Legacy Business: \_\_\_\_\_

Legacy Business Address: \_\_\_\_\_

## 2. Landlord to a Registered Legacy Business

Applicant certifies it is a Qualified Landlord to a Registered Legacy Business (as defined in Administrative Code Section 2A.242 and Administrative Code Section 2A.243):

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

## 3. Term of Lease

Applicant certifies that on or after January 1, 2016, Applicant entered into an agreement with the Legacy Business in which Applicant leases real property in San Francisco to the Legacy Business for a term of at least 10 years or extended the term of the Legacy Business' existing lease to at least 10 years.

A "10-year lease" is defined as a lease for a full 10 years, or a lease with renewal option(s) that add up to 10 years (e.g., a five-year lease with a five year option to renew). For a lease with renewal option(s), any number of years for which the Legacy Business has an option to renew the lease shall count towards the term of the lease, provided that the option to renew can be exercised at the Legacy Business' sole discretion.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

For a **NEW LEASE** that is 10 or more years, please indicate in the table below the term start dates and term end dates of the prior lease and the new lease:

	Term Start Date	Term End Date
Prior Lease		
New Lease		

Length of lease term: \_\_\_\_\_ years

For an **EXISTING LEASE WITH A TERM EXTENDED** to 10 or more years, please indicate in the table below the term start dates and term end dates of the prior lease and the new lease:

	Term Start Date	Term End Date	Length of Lease (Years)
Original Lease			
Extended Lease	(same as above)		

Length of lease extension: \_\_\_\_\_ years

#### 4. Categories of Ineligible Landlords

(A) Applicant may not be a department, agency, commission or other entity within the City and County of San Francisco (including, but not limited to, the Real Estate Division, the Port of San Francisco or the San Francisco Municipal Transportation Agency).

(B) Applicant may not be any other local, state or federal government; any entity within any other local, state or federal government; or any special district created by state law (including, but not limited to, the Bay Area Rapid Transit District).

(C) Applicant may not have entered into a lease agreement with a Legacy Business that had previously owned the real property that is the subject of that lease agreement (e.g., leaseback arrangement).

Applicant certifies that it does not meet any of the categories of ineligible landlords as indicated in 3A, 3B, and 3C above:

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

**5. Landlord and Legacy Business Legal Relationship**

Applicant must not be related by ownership, either directly or indirectly, to the Legacy Business to which Applicant leases the property. Applicant is related by ownership to the Legacy Business if any of the following criteria are satisfied:

(A) Applicant holds any ownership interest in the Legacy Business; or

(B) The Legacy Business holds any ownership interest in Applicant; or

(C) A third-party entity holds an ownership interest in both the Legacy Business and Applicant; or

(D) Applicant holds any beneficial interest in any entity (including, but not limited to, a beneficial interest in a trust) that holds an ownership interest in the Legacy Business; or

(E) The Legacy Business holds any beneficial interest in any entity (including, but not limited to, a beneficial interest in a trust) that holds an ownership interest in Applicant; or

(F) Applicant, or any person who holds an ownership or beneficial interest in Applicant, is in an immediate family relationship with any person who holds an ownership or beneficial interest in the Legacy Business. The phrase "immediate family relationship" includes the relationships between spouses, domestic partners, parents or guardians and children (including step-parents and step-children, or adoptive parents and adoptive children), grandparents and grandchildren, siblings (including step-siblings or adoptive siblings), aunts or uncles and nieces or nephews, great-aunts or great-uncles and grand-nieces or grand-nephews, and first or second cousins. The phrase also includes the relationship with the parent, grandparent, or sibling of one's spouse or domestic partner, or the spouse or domestic partner of one's child, grandchild, or sibling.

Applicant certifies it is not related by ownership, either directly or indirectly, to the Legacy Business to which the Applicant leases the property.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

**6. Business Registration**

All commercial landlords renting units in San Francisco are required to register as businesses with the Office of the Treasurer and Tax Collector. Business Registration Instructions are available at <http://sftreasurer.org/node/751>.

Applicant certifies that it complies with any requirement to register as a business with the Office of the Treasurer and Tax Collector.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

**7. No Amounts Owing to City**

Applicant certifies it has no amounts owing to the City as a result of fines, penalties, interest, assessments, taxes, fees, or any other financial obligations imposed by law, regulation, or contract that were delinquent as of the date of application for this grant:

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

"Yes" means there are no amounts owing to the City.

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

**8. No Determinations or Violations of Any of City Labor Laws**

Applicant certifies it has no current determinations or violation of any of the City's labor laws and does not owe any outstanding penalties or payments ordered by the Office of Labor Standards Enforcement (OLSE):

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

"Yes" means there are no determinations or violations of any of City labor laws.

If "yes," continue.

If "no," Applicant is ineligible to apply for the Rent Stabilization Grant.

**9. Total Square Footage Leased to the Legacy Business**

Applicant certifies the total square footage of the improvements in San Francisco leased to the Legacy Business from which the Legacy Business operates its business. This can be achieved by providing in the lease a specific section(s) that separately denotes the square footage of the "improvements area" and "common area" of the lease spaced, or in an addendum signed by both the Applicant (landlord) and Legacy Business.

Square footage: \_\_\_\_\_

On what page(s) of the lease is the square footage listed? \_\_\_\_\_

**10. Amount of Grant**

The grant allocation is based on \$4.50 per square foot, up to a maximum of 5,000 square feet, per location of the improvements area leased to the Legacy Business from which the Legacy Business operates its business in San Francisco. The grant is an annual grant with a maximum grant amount of \$22,500 (\$4.50/sq. ft. x 5,000 sq. ft.)

Grant Request = \$4.50 X \_\_\_\_\_ = \$ \_\_\_\_\_  
Square Footage

Applicant acknowledges that the Rent Stabilization Grant is subject to the budgetary and fiscal provisions of the City Charter, and total grants paid to all Qualified Landlords in a fiscal year shall not exceed the appropriations into the Legacy Business Rent Stabilization Account in the Legacy Business Historic Preservation Fund. Both Applicant and Legacy Business understand that the amount of the grant could vary and might be less than \$4.50 per square foot due to funding constraints.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

**11. Conditions for Leases**

The lease shall meet all conditions as required by rules and regulations of the Small Business Commission, as follows:

**(A) Signing of the Lease**

Applicant certifies that it and Legacy Business have signed the lease and any required addenda prior to Applicant applying for a Rent Stabilization Grant under Administrative Code Section 2A.243(c).

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

**(B) Disclosure to Legacy Business**

Applicant certifies that it has informed the Legacy Business, in writing prior to the Legacy Business signing the lease, that the City and County of San Francisco does not guarantee it will fully fund the Rent Stabilization Account and does not guarantee that it will award any grant of any amount under Administrative Code Section 2A.243(c).

Yes \_\_\_\_\_ No \_\_\_\_\_

If "no," explain: \_\_\_\_\_  
\_\_\_\_\_

(C) Special Contingency Provision in Lease

Administrative Code Section 2A.243(c)(1) provides that a lease between a Landlord and a Legacy Business may include a provision making the lease (or any of portion thereof) contingent upon the Landlord receiving a Rent Stabilization Grant from the City equal to \$4.50 square foot, up to the maximum 5000 square feet per location, of the improvement area in San Francisco lease to a Legacy Business. Any lease that contains such a contingency provision, however, must also provide:

- b) That the contingency provision is void when the Landlord is not awarded the Rent Stabilization Grant because:
  - d. The Landlord has amounts owing to the City as a result of fines, penalties, interest, assessments, taxes, fees, or any other financial obligations imposed by law, regulation, or contract that were delinquent as of the date of application or reapplication; or
  - e. The Landlord does not properly complete or submit a grant application; or
  - f. The Landlord takes any intentional action to disqualify the application from receiving a grant.
- 4. That the Landlord must provide the Legacy Business an option to pay the Landlord an amount equal to the difference between the maximum grant amount and the amount that the Landlord actually receives from the Rent Stabilization Grant program, to allow the lease to remain in effect.
- 5. The Landlord must provide the Legacy Business with notice of the Landlord's intent to exercise the contingency provision at least 120 days before exercising the contingency provision.

Additionally, the Landlord must bring the contingency provision to the Legacy Business's attention before the Legacy Business signs the lease.

Does the lease include a provision making the lease (or any of portion thereof) contingent upon Applicant receiving a Rent Stabilization Grant from the City equal to \$4.50 square foot, up to the maximum 5,000 square feet, of the improvement area in San Francisco leased to a Legacy Business?

Yes \_\_\_\_\_ No \_\_\_\_\_

If "no," skip to question 12.

If "yes," Applicant certifies that the special contingency provision in the lease includes the aforementioned statements in this section 11(C), and Legacy Business acknowledged and understood the contingency provision when the Legacy Business signed the lease.

Yes \_\_\_\_\_ No \_\_\_\_\_

**12. Copy of Lease**

Applicant has submitted the executed lease and any addenda with this Rent Stabilization Grant application and acknowledges the following confidentiality statements:

Whenever an application for a grant under Administrative Code 2A.243(c) is approved, the Office of Small Business shall, to the extent permitted by law, keep confidential all provisions in any lease submitted by a landlord in connection with the application, except to the extent that OSB relied on the content of any such provisions in deciding to award a grant to the applicant landlord.

Whenever an application for a grant under Administrative Code 2A.243(c) is denied, or before such an application has been either approved or denied, the OSB shall, to the extent permitted by law, keep confidential the entirety of any lease submitted by the landlord in connection with the application.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

**13. Annual Application**

Applicant understands the Rent Stabilization Grant is an annual grant and must be reapplied for on the anniversary date of the first grant payment.

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

Applicant understands that any failure to reapply for an annual grant may deprive Applicant of its status as a Qualified Landlord from "prior years" within the meaning of Administrative Code Section 2A.243(c)(3).

Yes \_\_\_\_\_ No \_\_\_\_\_ "Yes" required for compliance

**14. Sanctions for Willful or Material Misrepresentation**

Applicant certifies that if it willfully or materially misrepresents any information in any application for a Rent Stabilization Grant under Administrative Code Section 2A.243(c), the Office of Small Business may terminate any pending grant to Applicant, order Applicant to return any grants previously awarded and/or prohibit Applicant (conditionally or otherwise) from applying for future grants for any period of time.

Yes \_\_\_\_\_ No \_\_\_\_\_

**15. City Vendor Registration**

Please complete the following steps to sign up as a vendor with the City and County of San Francisco. Applicants who cannot or refuse to become City vendors will be paid by a contracted third party vendor selected by the OSB.

- 1. Is Applicant registered as a vendor with the City and County of San Francisco?

Yes \_\_\_\_\_ No \_\_\_\_\_

If "yes," what is your vendor number? \_\_\_\_\_ Unsure \_\_\_\_\_

If "no," please complete the following steps:

- a) New Vendor Number Request Form:

<http://sfgsa.org/modules/showdocument.aspx?documentid=8291>

Establishes basic vendor information. Email the completed form to [legacybusiness@sfgov.org](mailto:legacybusiness@sfgov.org).

For Reference – Vendor Profile Application Instructions:

<http://www.sfgsa.org/Modules/ShowDocument.aspx?documentID=11130>

For Reference – Commodity Codes

<http://www.sfgsa.org/Modules/ShowDocument.aspx?documentid=772>

Leave the commodity code blank if there are no codes that match your business.

- b) IRS Form W-9:

<http://www.irs.gov/pub/irs-pdf/fw9.pdf>

Establishes federal and state tax status. Email the completed form to

[legacybusiness@sfgov.org](mailto:legacybusiness@sfgov.org).

Complete steps "c" and "d" only after completing steps "a" and "b" and receiving a vendor number.

c) Business Registration:

<https://newbusiness.sfgov.org/vendor/>

Required for all entities that conduct business in SF and determines your tax responsibilities.

Wait to complete this step until after you have received a vendor number resulting from steps "a" and "b."

d) Nondiscrimination in Contracts and Benefits:

<http://sfgov.org/cmd/sites/default/files/FileCenter/Documents/12835-CMD-12B-101Fillable.pdf>

Establishes how firm provides benefits to employees with spouses and to employees with domestic partners. Wait to complete this step until after you have received a vendor number resulting from steps "a" and "b."

## 16. Verification

Please verify whether the following statements are correct:

- Applicant is a Qualified Landlord to a Registered Legacy Business (as defined in Administrative Code Section 2A.242 and Administrative Code Section 2A.243).
- Applicant is current on all of its San Francisco business tax obligations.
- Applicant's business registration and applicable regulatory license(s) are current.
- Applicant has no amounts owing to the City as a result of fines, penalties, interest, assessments, taxes, fees, or any other financial obligations imposed by law, regulation, or contract that were delinquent as of the date of application;
  
- Applicant has no determinations from the Office of Labor Standards and Enforcement (OLSE) that it is in violation of any of the City's labor laws.
- I understand that all information provided in the application may become subject to disclosure under the California Public Records Act and/or San Francisco Sunshine Ordinance.

## 17. Declaration

I, the Qualified Landlord to the Registered Legacy Business \_\_\_\_\_  
\_\_\_\_\_ located at \_\_\_\_\_

in San Francisco, California, affirm that the statements in this application are true and correct to the best of my knowledge. I understand that a false statement may result in the denial of my application for a Rent Stabilization Grant.

## 18. Signature

### CALIFORNIA FISH AND GAME COMMISSION NOTICE OF RECEIPT OF PETITION

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2073.3 of the Fish and Game Code, the California Fish and Game Commission (Commission), on December 14, 2016, received a petition from the Center for Biological Diversity to list foothill yellow-legged frog (*Rana boylei*) as threatened under the California Endangered Species Act.

Foothill yellow-legged frogs inhabit partially shaded, rocky perennial streams and rivers at low to moderate elevations, across a range of vegetation types including chaparral, oak woodland, mixed coniferous forest, riparian sycamore and cottonwood forest, and wet meadows.

Pursuant to Section 2073 of the Fish and Game Code, on December 22, 2016, the Commission transmitted the petition to the California Department of Fish and Wildlife (Department) for review pursuant to Section 2073.5 of said code. It is anticipated that the Department's evaluation and recommendation relating to the petition will be received by the Commission at its April 16-27, 2017 meeting in Van Nuys.

Interested parties may contact T.O. Smith, Wildlife Branch, Department of Fish and Wildlife, 1812 Ninth Street, Sacramento, CA 95811 [530-225-2062 or Timothy.Smith@wildlife.ca.gov], for information on the petition or to submit information to the Department relating to the petitioned species.

#### RELINQUISHMENT OF HIGHWAY RIGHT OF WAY

Enclosed for informational purposes only is a certified copy of the above-referenced California Transportation Commission Resolution of Relinquishment. This action was taken in accordance with Section 73 of the Streets and Highways Code.

Your attention is directed to Section 100.9 of the Streets and Highways Code regarding relocated State highways, which bypass cities or business districts. The directional signs erected by the State on such highways shall be left in place and maintained by the local agency.

The relinquishment will become effective upon recordation with the County Recorder. Our District Office will handle the recording and will advise you immediately thereafter.

Sincerely,

MARK S. TURNER  
 Chief, Office of Land Surveys  
 Division of Right of Way and Land Surveys

Enclosures

Francisco, along State Route 101, between Plum Street and Lombard Street; and

WHEREAS, this Commission has found and determined, and does hereby find and determine, that it is desirable and in the public interest that said nonmotorized transportation facilities and rights to the underlying real property, be relinquished to the City and County of San Francisco, without warranty, for use as city sidewalks and related uses.

NOW, THEREFORE, IT IS VOTED by the California Transportation Commission that it relinquish, and it does hereby relinquish, to the City and County of San Francisco, without warranty, effective upon the recordation of a certified copy hereof with the Recorder of the City and County of San Francisco, all of the State of California's right, title and interest in and to said nonmotorized transportation facilities and real property, if any, in said City and County, described as follows:

SEGMENTS 1 through 83, inclusive, as shown on that certain map entitled "REL. NO. 56130 TO THE CITY AND COUNTY OF SAN FRANCISCO" filed September 1, 2016, in State Highway Map Book No. 3, pages 1 through 9, inclusive, in the office of the Recorder of the City and County of San Francisco.

EXCEPTING and RESERVING therefrom a nonexclusive easement for any and all State-owned facilities (other than

sidewalks) on said non-motorized transportation facilities necessary for operation of the adjacent State highway, such as lighting, signage, signals and other State highway appurtenances thereto, within Segments 1 through 83, inclusive, and the right to operate, construct, maintain, replace, remove, or renew the existing said State-owned facilities (other than sidewalks) incidental thereto, including, but not limited to, access to protect the facilities from all hazards, in, upon, under and over the areas herewith relinquished; provided, however, that upon completion of any such work, State shall repair any damage to City and County property or adjacent private property caused by the State or its contractor(s).

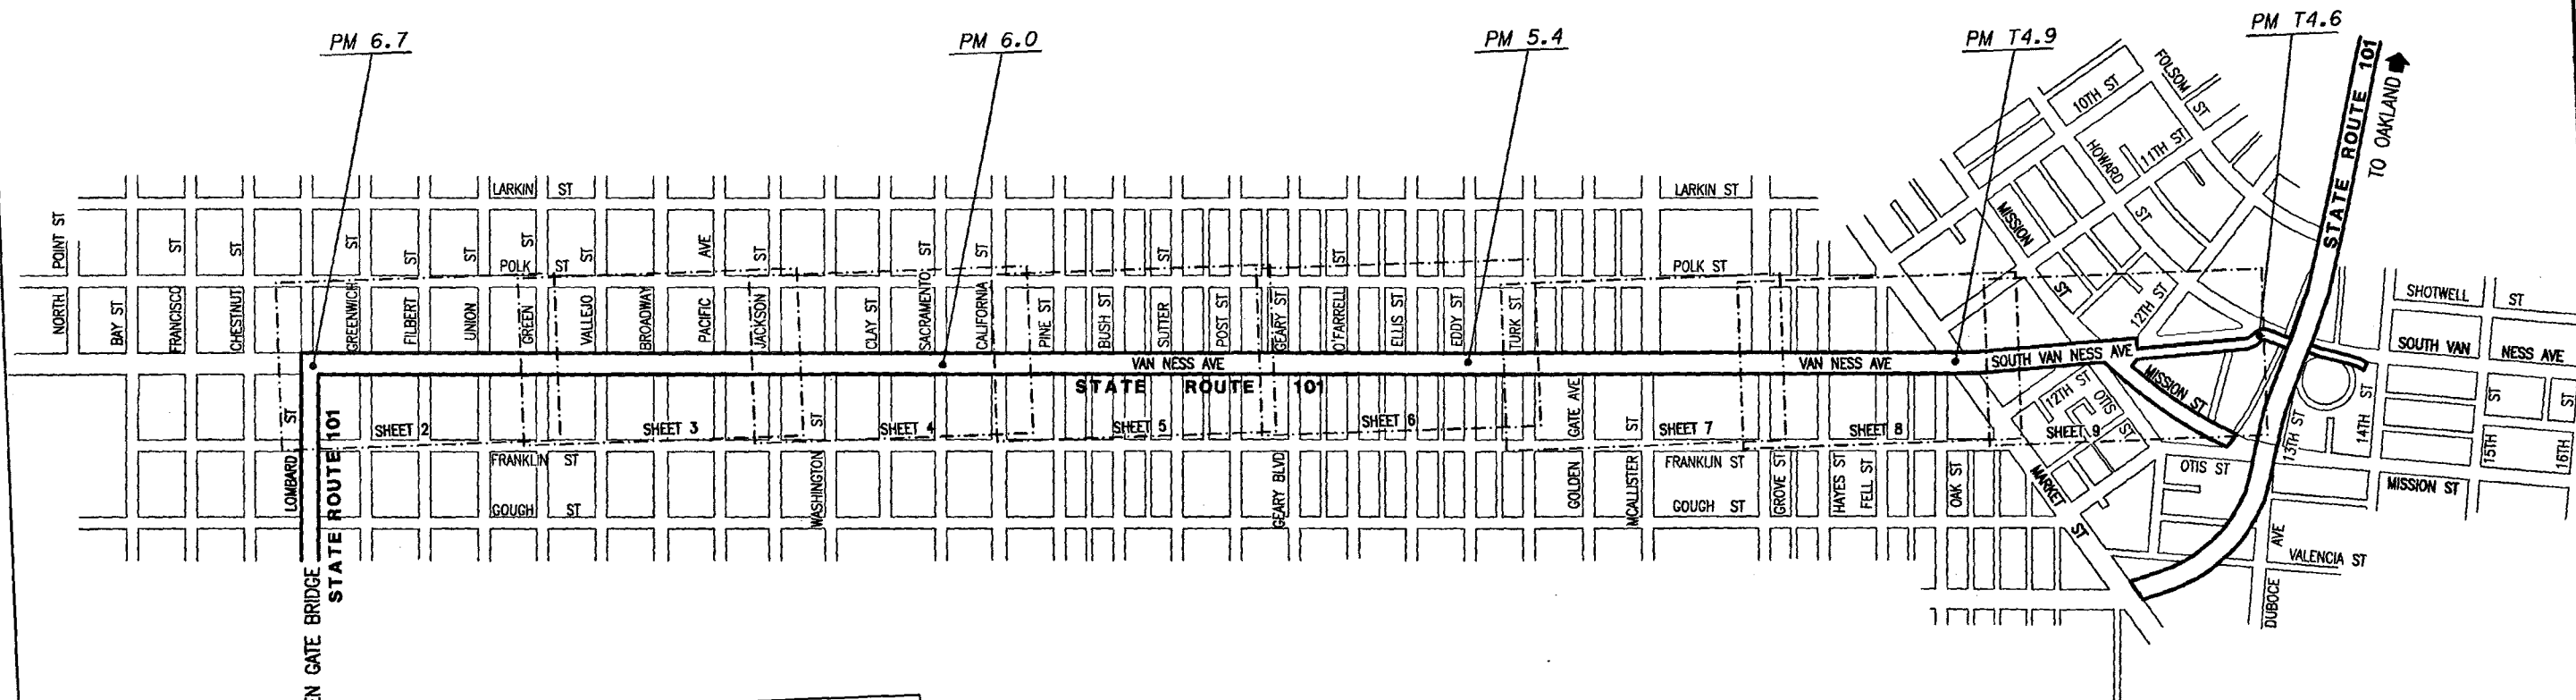

RESERVING ALSO the right to enforce a minimum horizontal clearance within the sidewalks, measuring 1.5 feet in width from the face of the curb to the face of an obstruction, to be kept clear of obstructions by the City and County, except as otherwise agreed upon in writing by the State of California and the City.

THIS IS TO CERTIFY that the foregoing resolution was duly passed by the California Transportation Commission at its meeting regularly called and held on the 18 and 19 days of January 2017 in the city of Sacramento and that the foregoing is a full and correct copy of the original resolution. Dated this 18 day of Jan 2017.

**Sent:** Friday, January 27, 2017 3:35 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** UCSF research and academic building at Zuckerberg San Francisco General Hospital and Trauma Center (ZSFG)

**Categories:** 161345

Dear Board of Supervisors,

I am a bit perplexed by the decision to "advance without recommendation." I have lived in San Francisco for 30 years and throughout all of the changes I have watched take place, the most frustrating is the shift that city-wide decision making has taken regarding a separate set of rules for business (individuals) versus organizations who work to benefit the whole.

I understand that the Research Building being proposed by UCSF will not bring the revenues of say, the Warriors Stadium (which, by the way, is going to be a parking NIGHTmare and create access challenges for patients needing access to the Mission Bay Hospital, but I digress...) but we need you now, more than ever, to think outside of the box.

I am confident that most of you are aware that science is currently under attack by the new administration, which means that we need to double down on the work that we do here at UCSF/(z)SFGH. Our mission here at UCSF and (z)SFGH is different from other UC's or tech startups:

We don't have a football team, but we contribute to humanity and change the world – and San Francisco benefits from that

We don't create apps that further remove our society from human connection, but we do, literally, save babies – and San Francisco benefits from that

We don't cater to the rich and famous, we cater to the underserved population of San Francisco – and San Francisco benefits from that

It is also worth noting that UCSF has offered to cough up \$10 million to address the 130 parking spaces that will be affected. And let's just think about that for one minute... \$10 million for 130 spaces, or \$77,000 per parking space.

And I understand. The residents in this area have been pushed to the edge by the seemingly unending construction in this area (are they EVER going to finish Potrero? We finished building an entire hospital and Potrero is still being dug up every day). One could counter, however, that with the enhancements to our campus that their property values are going nowhere but up.

Access to healthcare is a human right. Access to clean water is a human right. Women's rights are human rights. Freedom is a human right. Parking is a privilege (and I guess that a call for improved public transportation to and from (z)SFGH at this point might be different message, but I am confident you can see the connection).

Please do the right thing and allow us to move forward with this. These are crazy times and we need the board to represent ALL citizens and make the decisions that benefit the majority.

Respectfully,

jmf

**Sent:** Monday, January 30, 2017 10:37 AM  
**To:** Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** Concern over UC proposal for new academic building at ZSFGH

As a UC employee and a resident of Potrero Hill, I have to say that your concern over parking is justified. Not only is parking a symptom of a lack of space for cars but it may also signal overcrowding on the ZSFGH site. Can the site really support another new building?

UC has a track record of putting up new buildings and not maintaining after they are built.

Although I support more research that benefits vulnerable communities, please make sure that that kind of research will take place at a proposed new site, and please scrutinize the space for optimal use. I fear the crowding not only of cars but of people, with the result of an unattractive, uninviting site.

Thank you,

**Subject:** 1/31/17 Item 27 - 161345 General Hospital Lease Disposition and Development Agreement

January 31, 2017

Supervisors and Staff:

re: We respectfully request a Continuance on Item 27 161345 - Ordinance approving a Lease Disposition and Development Agreement and 75 year Ground Lease (with option to extend to 99 years) with the Regents of the University of California, San Francisco ("UCSF") for a new research building at the Priscilla Chan and Mark Zuckerberg San Francisco General Hospital and Trauma Center.

This lease creates many Questions. The Financial arrangement needs greater scrutiny. Please allow yourselves and the community more time to get the answers. The City and UC have spent two years negotiating this lease. The Board and the public deserve a few more weeks and get more information before agreeing to the terms of a 99 year lease.

We are not against building the new research building -- butt want the Board of Supervisors to make sure that the UC builds it right -- and with the same commitments that SFGH has made to the neighborhood.

Please continue this matter today.

Sincerely,

Mari Eliza

**Subject:** Jan 25 Budget & Finance Cmte, Item 12, BoS File No 161345

Dear Supervisor Cohen and Budget Committee members:

I am writing to ask you to delay considering the ground lease between UCSF and the City until such time as UC has committed to work with neighbors to implement and to fund real solutions to parking, traffic and other problems that this project will create. Mitigation commitments should be part of the lease terms.

UCSF should meet with the neighbors and work these commitments out. So far they have done nothing to realize needed mitigations.

UC representatives will state that they must act now. They will say that they must have approval right away. However, they have been negotiating this lease for many months. But the neighbors have only just now been able to see this lease. We need time to review the proposed lease. It is not something that should proceed without adequate community input.

Thank you for your consideration.

Sincerely,  
Christopher Sabre

**Subject:** Jan 25 Budget & Finance Cmte, Item 12, BoS File No 161345 [Lease Disposition and Development Agreement and Ground Lease. Regents of UCSF - New Research Building at Zuckerberg SFGH

Dear Supervisor Cohen and Budget Committee Members,

I am writing to ask you to delay considering the ground lease agreement between UCSF and the City. I am a longtime neighbor of ZSFGH. Along with other concerned neighbors, I have attended several meetings about the new proposed research building. The neighbors have serious concerns about parking and traffic problems the proposal will create, and UCSF has yet to make any substantive plans to address or mitigate these issues. UCSF needs to make good faith efforts to meet with the neighbors and take steps to address our concerns. Until then, it is inappropriate to proceed with a lease agreement.

At the meetings I have attended about the project proposal, both at the ZSFGH and at Mission Bay, the neighbors were merely allowed to voice their concerns. There has been absolutely no dialogue and no response from the hospital about our concerns. There is no articulated plan to mitigate the problems the project will create. Until there is some real dialogue including substantive plans, it is not appropriate for the City to proceed with the lease agreement. Please postpone.

Thank you for your consideration,

Ellen Moore  
ZSFGH Neighbor

**To:** Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** UCSF Research Building at ZSFG

Dear Board Members:

I am writing to ask you to support University of California, San Francisco's project with Zuckerberg San Francisco General Hospital to construct a research and academic building at ZSFG.

I understand that the Budget & Finance Committee has passed this item to the entire Board "without recommendation." It would be shameful to not to advance this project over concerns about parking. UCSF has agreed to pay \$10 million to compensate for the 130 parking spaces that would be displaced by the research facility. In addition, the San Francisco Department of Public Health has been working to secure authorization for the expansion of the existing ZSFG garage.

Zuckerberg San Francisco General Hospital is the only Level 1 Trauma Center in the city, providing trauma care to a service area of 1.5 million people in San Francisco. To maintain its Level 1 designation, ZSFG must host onsite research, and to continue this research, UCSF must provide seismically safe, reliable and modern facilities for faculty.

The proposed building is designed to achieve those missions as efficiently as possible – and ensure continued care for the thousands of people who rely on ZSFG.

Please do not risk ZSFG's Level 1 Trauma Designation! Join me in support of this important project.

**To:** Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** 950-974 Market Street

*The following message was sent to all Supervisors this afternoon:*

Dear Supervisor,

I am writing to express our support for the mixed-use project at 950-974 Market Street, which includes, among others, a residential and a hotel component.

The project sponsors have distinguished themselves by entering into an organizing agreement that guarantees hotel employees at that site will have the opportunity to join the union easily and without risk of retaliation. As a result, the hotel jobs created there will almost certainly be the kind we need more of in San Francisco: service jobs that provide living wages, family health care, and retirement benefits.

We understand that an appeal of this project's environmental determination will come before the Board this Tuesday the 31st. Many community benefits, such as workforce training as a pathway to good hotel jobs, as well as affordable housing, are also on the line. Please do not allow the delay of these important community benefits and the prospect of much-needed living wage jobs. We urge you to support this project on Tuesday.

Thank you,

Anand Singh  
President, Unite Here Local 2

**Subject:** PLEASE REJECT THE APPEAL RELATING TO REC & PARK'S SNRAMP EIR

Dear Supervisors:

I fully support the certified EIR prepared for the Significant Natural Resource Area Management Plan (the so-called "SNRAMP") prepared by the Recreation and Park Department. As you know, there is an appeal hearing relating to this EIR, and it will be heard by the Board on February 28<sup>th</sup>.

I am writing to request that you **REJECT** the appeal.

I have already written to Supervisor Yee about this issue, as I am a District 7 resident. I have attached my detailed letter to Supervisory Yee, asking him to reject this appeal and allow the SNRAMP to move forward.

By way of background, I am a native San Franciscan and a public course golfer. I have played our public golf courses for over 55 years and Sharp Park is the course with the most profound historic roots. It has been loved by generations of players for over 80 years. It should be preserved and this plan allows for that, while also providing for much needed habitat restoration.

This is work that has been endorsed by every public agency – state and federal – to have considered the issue. It is a small group of anti-golf forces who are trying now to scuttle this effort. They are misguided and flat out wrong. Sharp Park was an uninhabitable salt marsh before legendary architect Alister MacKenzie transformed it into a fresh-water oasis. Indeed, it was Dr. MacKenzie's work that created habitat in the first place. The endangered species who occupy the area adjacent to the golf course weren't even documented there until approximately 15 years after the course had opened for public play. This EIR includes steps that will allow this historic asset to be preserved AND allow for habitat enhancement -- a "win-win" situation if ever there was one.

The EIR is well thought out, is based upon two decade of input from diverse voices from throughout San Francisco. There have been many, many public hearings; a multitude of public comments; and rigorous analysis by staff. All of that combined to produce the EIR that is coming before you. This EIR amply satisfies the legal requirements for inclusiveness and careful analysis. Most importantly, it represents responsible stewardship of our precious assets and I hope you will reject the pending appeal and allow this much needed, and well-conceived plan to move forward.

It really is time to move on. Stopping now, or severing out particular elements, would be an irresponsible step backward.

**PLEASE REJECT THIS APPEAL.**

Thank you for considering my views.

**Re: Approval of Final EIR for Recreation & Parks Department's  
Significant Natural Resource Areas Management Plan**

Dear Supervisor Yee:

I live in District 7 resident and am a lifelong resident of San Francisco. I am also an avid golfer and golf-historian, having written extensively on the legacy of our City's treasured public courses, which I have played since 1961. I am also a co-founder (along with my colleague, Richard Harris) of the San Francisco Public Golf Alliance, a non-profit 6,500-member volunteer community organization dedicated to the preservation of the City's public golf courses, which are priceless recreational and historic assets.

I am writing to urge you to support and approve the final EIR for the Significant Natural Resource Areas Management Plan (SNRAMP EIR) that has been prepared by the hard-working and dedicated staff of the Recreation & Parks Department. The SNRAMP EIR recently was approved by the Planning Department and certified by the Recreation and Parks Department. Now is the time to move forward to implement the thoughtful and visionary plan contained in that EIR. It could be that there will be no appeal from the recent certification of the SNRAMP EIR and, if so, it will stand and our local officials will be able to move forward with responsible action to preserve and enhance our local park facilities.

But if there is an appeal and the issue comes before you, we hope we can count on your support. Our 6,500 members, many of whom live in your District, are counting on that. They are looking to you, as our Supervisor, to support the SNRAMP EIR so this much needed (and long planned) work can proceed.

I hasten to add that the SNRAMP EIR represents two decades of tireless effort to embrace responsible stewardship and practical vision, all with an eye to making sure all of our City parklands, large and small, wherever located and whatever particular

constituency they serve, will be here for future generations to love and enjoy just as we have done for all these years.

There is no question that the Sharp Park Golf Course (aptly nicknamed the "Poor Man's Pebble Beach") is a significant historical asset worthy of preservation. Although located in Pacifica, Sharp Park is one of the City's legacy properties—it was gifted to the City a century ago. The golf course has been in place for almost 85 years.

Sharp Park Golf Course is no ordinary golf course. It has been recognized as a prized historic asset, not just here in San Francisco but across the country and around the world. This is a living, breathing masterpiece, created during the "Golden Age" of American golf course architecture by Dr. Alister MacKenzie, a man honored and lauded the world over as perhaps the greatest golf architect who ever lived. He is golf's Frank Lloyd Wright, its Monet, its Michelangelo, if you will. Among MacKenzie's fabled courses—there are many spread around the Globe on four continents—is Augusta National, the home of the Masters Tournament (one of golf's four major championships).

The true miracle here is that most of the courses built by Dr. MacKenzie are private. But Sharp Park is a remarkable and refreshing exception. It has always been public in every sense of the word. Since the day it opened for play in April of 1932, Sharp Park Golf Course has been affordable and accessible to a wide variety of local golfers. No less an icon than the late Ken Venturi, a San Franciscan to his core, a U.S. Open Champion and a Hall of Fame golf commentator, called Sharp Park "Dr. Mackenzie's great gift to the American public golfer."

Sharp Park is beautiful and cries out for restoration, as recognized in the SNRAMP EIR that may come before you. Our organization is dedicated to that restoration and we are raising the philanthropic funds to carry through on that promise.

One thing you should keep in mind is that the creation of this golf course was the brain child of none other than John McLaren—the very man who gave us Golden Gate Park and so many other local parks that San Franciscans have long enjoyed. McLaren was a visionary and in creating Sharp Park with Dr. MacKenzie, he gave us something very, very special.

It also needs be said that Sharp Park is more than just a golf course. It has become home to two endangered species (the California Red-Legged Frog and the San Francisco Garter Snake). But the golf course does not threaten those species. Indeed, it is the golf course and its responsible maintenance that created the very habitat occupied by those very species today, for both the frog and the snake are *fresh-water* creatures. They cannot sustain themselves in salt-infested, brackish environs, which is what Sharp Park was before 1930. Dr. Mackenzie literally transformed a barren salt marsh into a fresh water oasis when he created Sharp Park over eight decades ago.

The SNRAMP EIR represents a remarkable balance of many interests. It should be approved and much needed habitat restoration work should proceed. Approving this EIR is, simply put, the right thing to do.

Supervisor Norman Yee  
Re: Approval of SNRAMP EIR  
January 5, 2017  
Page 3

I am happy to come meet with you to discuss this issue any time. I'm sure you will be hearing from other residents of your District, and from others as well, and I hope that as you listen to those voices, you will bear these thoughts in mind. That said, I hope for and expect your support for the SNRAMP EIR. To cast it aside, or to sever out Sharp Park, is a terrible waste of public funds and the 20-year effort to bring this Master Plan to the point where it can become a reality for our collective benefit.

Thank you for your consideration.

Respectfully,

Dear Supervisors,

You all have been successful in winning the election that you ran for to make our city and county a strong and secure place to raise our kids and enjoy the many features of San Francisco.

Among those features is a place called SHARP PARK golf course. SHARP PARK is an historic golf course designed by the legendary Allister MacKenzie and it is available and affordable to every level of player and every age group from school kids to super senior players.

I urge you to REJECT the appeal proposed by the Wild Equity Institute. Sharp Park has gone through years of planning, studies, investigations and conclusions that have proved beyond question that SHARP PARK, The PUBLIC GOLF ALLIANCE, SAN FRANCISCO RECREATION AND PARKS, The SAN FRANCISCO PLANNING COMMISSION, The CORPS OF ENGINEERS, The U.S. FISH AND WILDLIFE SERVICE, The CALIFORNIA COASTAL COMMISSION, STATE AND FEDERAL TRIAL AS WELL AS THE APPELLANTCOURTS have all approved the Natural Areas Plan, The Laguna Salada Restoration Plan and the Sharp Park habitat improvement plan for the Red Legged Frog and the California Garder Snake.

My name is Jack Scott I live at 1200 Gough Street, San Francisco and I believe in low cost family entertainment and the availability of a sensational, locally available, world class golf course for ALL of the San Francisco/San Mateo residents and visitors alike.

Jack Scott, a registered voter.

Dear Supervisors,

I am an environmentalist with a degree from UC Berkeley in the Biology of Natural Resources, a Sharp Park golfer, and a supporter of the Rec & Park Department's Natural Areas Plan, which among other things includes the Department's Laguna Salada Restoration Plan, to improve habitat in the Sharp Park wetlands for frogs and snakes, while maintaining the historic 18-hole golf course. I have spent my years supporting the environment and our natural resources.

The Natural Areas Plan was approved December 15 by the Planning and Rec & Park Commissions, following a 20-year process of study, public input, and environmental review. But now the same anti-golf groups that have for years been trying unsuccessfully to close the golf course, have appealed the Commissions' decisions to your Board. Please vote to deny that appeal.

Sharp Park is a beautiful, historic public course, built by one of history's greatest golf architects, Alister MacKenzie. It was Alister's gift to our community and has incredible historical significance. It is tragic that each year we read about the demise of areas that have brought many folks joy over so many years because of some folks who are well meaning but misguided. Each year since 1932 it has provided reasonably-priced enjoyment, healthy outdoor exercise and a community gathering-place for tens of thousands of diverse men, women, senior, and junior golfers. Please do not allow the anti-golf groups to obstruct the City's plans to improve habitat while maintaining the golf course. Their delaying tactics have been going on for years, and their arguments have been repeatedly rejected -- by the Rec & Park and Planning Departments, as well as the Corps of Engineers, the US Fish & Wildlife Service, the California Coastal Commission, and state and federal trial and appellate courts in San Francisco and San Mateo County.

It is time to move forward. Please vote to deny the appeal, and to approve the Natural Areas Plan. **Categories:** 170044

**TO: SAN FRANCISCO COUNTY BOARD OF SUPERVISORS**

Dear Supervisors,

I was a San Francisco resident for 22 years and continue to work in the City every day; I'm also someone who enjoys golf at Sharp Park and am a supporter of the Rec & Park Department's Natural Areas Plan, which among other things includes the Department's Laguna Salada Restoration Plan, to improve habitat in the Sharp Park wetlands for frogs and snakes, while maintaining the historic 18-hole golf course.

The Natural Areas Plan was approved December 15 by the Planning and Rec & Park Commissions, following a 20-year process of study, public input, and environmental review. But now the same anti-golf groups that have for years been trying unsuccessfully to close the golf course, have appealed the Commissions' decisions to your Board. Please vote to deny that appeal.

Sharp Park is a beautiful, historic public course, built by one of history's greatest golf architects, Alister MacKenzie. Each year since 1932 it has provided reasonably-priced enjoyment, healthy outdoor exercise and a community gathering-place for tens of thousands of diverse men, women, senior, and junior golfers. It is also convenient—just a 15-minute freeway drive from the City's southern neighborhoods. I have been a volunteer Course Rater for the Northern California Golf Association for thirteen years and, during that period, have rated and played dozens of public and private golf courses throughout Northern California. This has made me appreciate even more the spectacular benefits offered to the golfers of Northern California, and San Francisco in particular, of having access to such a wonderful and historic golf course like Sharp Park; one doesn't typically see a public course designed by golf architects like Alister MacKenzie, a highly accomplished historical figure who designed Sharp Park in the early 20<sup>th</sup> century, along with many other well-known golf courses, including Augusta National, where the Masters is played every spring, and Cypress Point on the Monterey Peninsula, both of which naturally encompass and complement their surroundings.

Please do not allow the anti-golf groups to obstruct the City's plans to improve habitat while maintaining the golf course. Their delaying tactics have been going on for years, and their arguments have been repeatedly rejected -- by the Rec & Park and Planning Departments, as well as the Corps of Engineers, the US Fish & Wildlife Service, the California Coastal Commission, and state and federal trial and appellate courts in San Francisco and San Mateo County.

It is time to move forward. Please vote to deny the appeal, and to approve the Natural Areas Plan. Support your Recreation and Park Department's carefully-developed and balanced plan to recover frog and snake habitat in the Sharp Park wetlands, while saving the beautiful, popular, and historic 18-hole golf course.

Thank you for your service to the community and for considering my request.

Regards,

David Evans

**City of San Francisco**  
**Board of Supervisors**

January 27th, 2017

Dear Board:

Firstly, let me say that I find it nearly incredible that you have yet again been asked to consider your opinion of the preservation and improvement of the overall habitat of the Sharp Park Golf Course, as well as the golf course itself. I find the continual opposition to your previous reasonable and rationale decisions to be a form a badgering. Frankly, the appeal you have been asked to hear next month nearly amounts to an abuse of the legislative process, especially when it gets to the point of arguing points that have been fully testified to, explained, proven and decided upon previously --- and on more than one occasion.

On the matter of the Sharp Park Golf Course not being considered "historic" allow me to, once and for all, set the record straight for your consideration. Dr. Alister MacKenzie was indeed the original golf course architect and his original design remains in many facets.

- 1) The routing of the golf course, which is the anatomy of any golf course, is more than 75% per MacKenzie's earliet plans with the exception being only the holes that had to be re-accommodated due to two events: (i) the very early erosion of the coastline and construction of a levee; and (ii) the c. 1960s work to construct the highway.
- 2) The record of the earlier replacement holes is that MacKenzie and his assistants were well a part of considering where some replacement holes would eventually go. This was due to the fact that it was well known that these ocean holes would very likely be compromised by nature, and this realization became evident not long after the course opened.
- 3) To suggest otherwise -- that the golf facility is not a MacKenzie design --would be akin to suggesting that work now ongoing to add elevators and disabled access to Grady Gammage Concert Hall in Arizona, a Frank Lloyd Wright design, somehow makes the significant building not Wright's. Absurd.

As I wrote for an early study for you (the City) in 2006:

*"The history of Sharp Park begins with Mackenzie's well-intentioned design of an 18-hole course along the dunesy coastline of Pacifica. With Lincoln Park and Harding Park busy on weekends, another course was needed. The City of San Francisco purchased lots in San Mateo County from 1929 to 1930, paving the way for creating another golf course.*

*Jack Fleming was Mackenzie's assistant at the time. The approach to the Sharp Park site was to dredge material in order to build up fairway grades. This work took a reported 14 months.*

*In mid 1930, Robert Hunter was appointed to direct construction of Sharp Park Golf Course. Hunter had relocated to California (Oakland to be specific) after a career teaching sociology. Hunter was still teaching occasionally and had, by this time, written several books on sociology. One, Poverty, was a best-seller in America during 1904. Hunter is thought to have a great deal to do with the creation of Sharp Park, assisting MacKenzie and carrying out his design philosophy. Hunter took the lead of field work at many of Mackenzie's northern California projects. Just a few years earlier, in 1926, Hunter authored The Links, still today an acclaimed book on golf course design."*

I have spent considerable time studying the work of both MacKenzie and Hunter. Our restoration work in El Cerrito, California at Mira Vista Country Club was to the only sole design effort ever by Hunter. Through this process I researched and have gained a great deal about the work of both golf architects. I relate this so you will know that these are not as much opinions as they are factual recounts of what actually occurred in California golf history.

Without any doubt, the history record shows that Sharp Park is a MacKenzie design and remains among only a very few of his golf courses worldwide that are publicly owned and operated for the benefit of the ordinary golfer. It is an historic golf course regardless of the changes made, and it is my understanding that the plans for its future will restore even more of the original design. This is a proud point to weigh, and it should be a heavy weight indeed.

You have in your archives a very handsome blueprint on linen (dated 1931) that shows work to the course and the pipelines that formed the old irrigation works. By overlaying this to plans from the 1960s you can easily see that a majority of the golf course remains per the MacKenzie design, not only in terms of the footprint, but also the corridor formed by the holes. Golf courses are always evolving -- changing. The key here is that the basis of the golf remains, despite the natural and man-caused changes that were simply unavoidable at various times in its history.

Old buildings are the same. They need to be changed and revised, but this does not diminish their historic roots.

You will do well to look straight into the eyes of those who are now coming before you to argue this silly point and to ask them to simply get on with it. For their argument that Sharp Park is not an Alister MacKenzie design, or that it has been so significantly changed as to not be considered his valuable work, is pure rubbish.

Sincerely,

//s//

**Subject:** Natural Areas Plan - Sharp Park Golf Course

**Categories:** 170044

Dear Supervisors,

It has been brought to my attention that 'The Natural Area Plan' to improve the snake and frog habitat in Sharp Park, while preserving Sharp Park Golf Course, which was approved December 15<sup>th</sup>, has been appealed by the group who opposes the continued operation of the golf course. I am reached out today to request that you vote to deny that appeal, and move forward with the plan that was approved by the Planning and Rec and Park Commission.

About me;

I was born and raised in Pacifica before moving away for a decade to go to college and start my career in Southern California. I have since moved back and made Pacifica my permanent and future home where I intend to raise my family. One of the greatest parts of living in Pacifica is the available outdoor recreation. From its many hiking trails which I use on a weekly basis, to its beaches and Ocean, which I fish and kayak on a season basis, to the beautiful nature watching enjoyed year round. Among the many outdoor gems that Pacifica has to offer, Sharp Park Golf Course stands out as one of its most attractive and unifying. A historical golf courses, that has managed to maintain many of its famous Alister MacKenzie touches, despite a need to do some shuffling of the course as a result of the changing coast line. A beautiful, affordable, democratic golf course, enjoyed by people of all ages and from all walks of life.

Now, I'm admittedly bias... growing up a young athlete, I played four sports year round from the time I was about eight years old, competition and comradery of team sports was my life. Then I had the type of accident active children sometimes do, and wound up with a fractured c7 vertebrae. I was about to start High School, but could not receive medical clearance to join the sports teams that I had looked forward to being a part of my entire life. It was devastating. I was depressed. I was a born competitor, but wasn't allow to play any sports that had even a chance of contact. I was lost. Then, my grandmother suggested that I give golf a try. She paid for my first lesson and a friend of my parents gave me a set of hand me down clubs. I took to it fairly well, but I couldn't afford regular lessons, and certainly couldn't afford to buy 12 dollar baskets of range balls, or pay the ever increasing prices for greens fees at bay area courses on nearly a regular enough basis to truly improve. For economic reasons alone, golf would not be my salvation. But, one day I was told that the local golf course, Sharp Park, would allow juniors to play for a few hours in the evenings before dark for just one dollar. That I could afford. I had found my outlet, and a path back to my happiness. I ended up spending more time on that golf course over the next four years than I did anywhere else outside of school. I built myself into a two time, first team all-league Peninsula Athletic League award winner, and academic MVP of the Terra Nova Golf Team, mostly on the strength of those one dollar practice rounds at Sharp Park. Fast forward a few decades and I'm still an avid golfer who carries a scratch handicap, and have been lucky enough to play the highest level NCGA events, events on the Pepsi Golf Tour, as well as captain the Canada Colts Golf team, among countless other memories... all of which I owe to the existence of Sharp Park Golf Course, and their public policies. So again, I'm biased, as I always have and still do love Sharp Park Golf Course, (I was actually the guy on KTVU Fox news June 10<sup>th</sup> 2015 who was interviewed while out playing a few holes during a segment about Sharp Park), so I still find myself unwinding on the course from time to time. But even if I did not, or was not a local and frequent user, I would still plead for continued operation of the course, if for no other reason than to afford children, not unlike myself, their opportunity to make similar memories and learn analogous life lessons as I was afforded through the courses existence.

Ultimately, I see things this way; golf gives people an outlet to relax, it give young people a sport they can pursue no matter their size or body type. It's a beautiful game that teaches patience, self-discipline, honor, honesty, and countless other life lessons. For these reasons, and countless others, any public golf course with affordable rates should be

preserved and maintained. A course with historical implications like Sharp Park deserves even more careful protection. Again, I'm an admitted nature lover, and absolutely understand striving to protect the wetlands adjacent to the golf course, and think that a continued effort to maintain a healthy marriage between the golf course and wet lands is imperative.

Now, this is mostly assumption on my part, but I think it's also important not to overlook why this disputed habitat is even still in existence and is there to protect at all. And it is my assumption, and assertion, that if Sharp Park never existed these wetlands would have been leveled long ago, and there would be additional Sharp Park homes build on every piece of structurally sound ground and there would be no habitat to discuss. Therefore, the golf courses existence has afforded these animals and their habitat protection from development. That union has worked so far, and it is my hope that we will continue to protect not only the wildlife, but the historically significant golf course that has fostered it, and that union will go forward into perpetuity.

Again, I urge you to vote down this attempted appeal, and continue with the plan to maintain and protect the frog and snake habitat while also protecting and allowing the continued operation of historic Sharp Park Golf Course.

Sincerely yours,

clayton fandel  
831 Cape Breton Drive

**Subject:** Sharp Park Golf Course Natural Areas Plan

**Categories:** 170044

Dear Supervisors,

I am a Sharp Park golfer, and a supporter of the Rec & Park Department's Natural Areas Plan, which among other things includes the Department's Laguna Salada Restoration Plan, to improve habitat in the Sharp Park wetlands for frogs and snakes, while maintaining the historic 18-hole golf course.

The Natural Areas Plan was approved December 15 by the Planning and Rec & Park Commissions, following a 20-year process of study, public input, and environmental review. But now the same anti-golf groups that have for years been trying unsuccessfully to close the golf course, have appealed the Commissions' decisions to your Board. Please vote to deny that appeal.

Sharp Park is a beautiful, historic public course, built by one of history's greatest golf architects, Alister MacKenzie. Each year since 1932 it has provided reasonably-priced enjoyment, healthy outdoor exercise and a community gathering-place for tens of thousands of diverse men, women, senior, and junior golfers. It is also convenient—just a 15-minute freeway drive from the City's southern neighborhoods. Please do not allow the anti-golf groups to obstruct the City's plans to improve habitat while maintaining the golf course. Their delaying tactics have been going on for years, and their arguments have been repeatedly rejected -- by the Rec & Park and Planning Departments, as well as the Corps of Engineers, the US Fish & Wildlife Service, the California Coastal Commission, and state and federal trial and appellate courts in San Francisco and San Mateo County.

It is time to move forward. Please vote to deny the appeal, and to approve the Natural Areas Plan. Support your Recreation and Park Department's carefully-developed and balanced plan to recover frog and snake habitat in the Sharp Park wetlands, while saving the beautiful, popular, and historic 18-hole golf course.

Thank you for your service to the community and for considering my request.

**Subject:** The Alister MacKenzie Historical Sharp Park Golf course

**Categories:** 170044

Dear Board of Supervisors,

Closing Sharp Park golf course would be a travesty!

It was one of the few golf courses I could afford when I took up the game of golf. Blue collar golfers all over the Bay Area would be denied this jewel of a course that Mr.Mackenzie built. He gave it a personality and feel that encourages middle class people like myself to play one of the most enjoyable games known to man.

Had Sharp Park not been built that land would look like the housing project we know as Daly City...nothing but rows of houses.

The snake and frog situation can be dealt with in other ways. Please don't let an out of state environmental group destroy something that means a lot to so many.

I am an environmentalist (Nature Conservancy, Cal Trout, California Fly fishing Unlimited) and favor saving the environment but I feel that the environmentalists trying to close Sharp Park are misguided. I wonder if they have made attempts to study the flora and fauna at Harding Park, The SF golf Club, or The Olympic Club? I think not.

I live in Sacramento and do not have an opportunity to play Sharp Park much anymore but still feel strongly about this issue and still hold a place in my heart for this sparkling Mackenzie created jewel.

And while I'm at it, if the city would bother putting some money into Lincoln Park, and pair it with the tourist industry, San Francisco could add greatly to it's coffers. I truly believe that vacationing tourists would flock to play the course. (Best to keep the greens fees down for residents)

I truly believe that Lincoln Park could be an incredibly popular golfing destination and suggest that members of the board take a walk around the course and see what it has to offer. You will find that there are no bad views on this course. The Palace of the Legion of Honor and the hiking trail along the cliffs could offer a day package that no other city could ever imagine!

Kindest regards,  
George Lazar  
Former SF resident

Ladies and Gentlemen:

This controversy has gone on far too long, and it is ridiculous. Here in San Francisco we have one of the most unique golf courses in the country, a jewel box sitting by the sea, designed by arguably the game's most renowned architect, and it is loved by the kind of golfing citizens that are the backbone of the city's culture. To take this wonderful golf experience and camaraderie away from its loyal participants would be comparable to taking a kids park or beach away from the children who love it. I say again - how ridiculous and narrow minded.

Let's keep Sharp Park forever as a special destination for all golfers but mostly for the many San Franciscans cherish all that it offers.

Respectfully,

Ted Ward  
Sausalito

**Subject:** Bay Area Ridge Trail EIR

Dear Justin Horner, other Public Officials at the SFPUC & Elected Officials,

I have been an avid hiker/trail runner for years, often doing my best to explore the wonders of the Bay Area without a vehicle. By adding this connection to the Bay Area Ridge Trail, you can help ensure additional access to public lands for all. It is a pity that the land use has been restricted, even though most other watersheds allow for recreational use. I've enjoyed the beauty of Hetch Hetchy, the Marin Watershed trails, and EBMUD's trail systems, and the quality of our drinking water is not at risk.

Please ensure that the EIR covers the entire extension of the trail, exploring all routes from the northern gate at Sweeney Ridge to the southern gate at Skylawn Cemetery. Thank you for considering my comments and adding them to the public record. Thank you for the SFPUC for finally doing the scientific research we have been waiting for for so long, and beginning the process of access reform in the SF (Crystal Springs) Watershed.

Sincerely,

Jeremy Schaub, San Francisco

**From:** Jim [mailto:jasmlynch@aol.com]  
**Sent:** Friday, January 27, 2017 7:39 PM  
**To:** Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** Deny the Appeal: Natural Areas Plan

**Dear Supervisors,**

**I am a San Francisco native, resident, retired SF Police officer, and a Sharp Park golfer, and a supporter of the Rec & Park Department's Natural Areas Plan, which among other things includes the Department's Laguna Salada Restoration Plan, to improve habitat in the Sharp Park wetlands for frogs and snakes, while maintaining the historic 18-hole golf course.**

**The Natural Areas Plan was approved December 15 by the Planning and Rec & Park Commissions, following a 20-year process of study, public input, and environmental review. But now the same anti-golf groups that have for years been trying unsuccessfully to close the golf course, have appealed the Commissions' decisions to your Board. Please vote to deny that appeal.**

**Sharp Park is a beautiful, historic public course, built by one of history's greatest golf architects, Alister MacKenzie. Each year since 1932 it has provided reasonably-priced enjoyment, healthy outdoor exercise and a community gathering-place for tens of thousands of diverse men, women, senior, and junior golfers. It is also convenient—just a 15-minute freeway drive from the City's southern neighborhoods. Please do not allow the anti-golf groups to obstruct the City's plans to improve habitat while maintaining the golf course. Their delaying tactics have been going on for years, and their arguments have been repeatedly rejected -- by the Rec & Park and Planning Departments, as well as the Corps of Engineers, the US Fish & Wildlife Service, the California Coastal Commission, and state and federal trial and appellate courts in San Francisco and San Mateo County.**

**It is time to move forward. Please vote to deny the appeal, and to approve the Natural Areas Plan. Support your Recreation and Park Department's carefully-developed and balanced plan to recover frog and snake habitat in the Sharp Park wetlands, while saving the beautiful, popular, and historic 18-hole golf course.**

**Please keep Sharp Park as a great recreational area for those that love the game, exercise, and the City they served. Golf and nature can and do co-exist at Sharp park!!!**

**Thank you for your service to the community and for considering my request.**

You cannot complete your job of fully vetting the environmental issues presented by the golf course redevelopment project, because the document before you skipped key steps in the CEQA process for the golf course redevelopment project.

Only if that portion of SNRAMP is removed and put through a separate environmental review process can we all be assured that San Francisco is making the most informed environmental decisions possible. Unless and until that happens, you must reject the final environmental review document for SNRAMP, because the fiscal, environmental, and recreational consequences of the Sharp Park Golf Course redevelopment project are so grave that it will wipe out any and all environmental benefits proposed in all other areas affected by SNRAMP.

**Subject:** Sharp Park

What can be more environmentally correct than a golf course? The Sharp park course is again under attack to be closed by Extreme environmentalists despite all the extra efforts to further protect all the wild life in the area. I am one of thousands of golfers who enjoy the course and feel that a solution of compromise should certainly be able to be found. Please support the Natural Areas Plan as approved by the Dec. 15 by the Planning and Rec. and Park Divisions as this culminated an intensive study of the situation and appeared to resolve the issue.

Thank you for your Community service and for considering this request.

To the attention of the Board of Supervisors

My name is David Wisnia & I'm a San Francisco native now living in San Bruno. The constant harassment that environmental activists are continually causing is counterproductive to the operation & revenue that the Sharp Park Golf Course produces for San Francisco. The golfing & other patrons of this long standing public facility are the ones who should be listened to in this battle over the continued use of the Sharp Park Golf Course property. I feel it is more responsible to serve the needs of people that are willing to spend their hard earned dollars to support the course & the wildlife that make it their home. Please continue to keep the public golf course & the environmentally sensitive area contained within it as is, coexisting harmoniously!  
Thank you for supporting this Pacifica gem & please keep up the good work.

Sincerely  
David Wisnia

San Francisco Board of Supervisors  
City Hall, 1 Dr. Carlton B. Goodlett Place, #244  
San Francisco, CA 94102-4689

Dear Supervisors,

I am writing on behalf of the California Invasive Plant Council to urge you to reject the appeal of the EIR for the Significant Natural Resource Areas Management Plan. The EIR lays provides the framework for the Recreation & Park Department to protect the City's biodiversity and natural resources for all San Franciscans.

The plan is essential for protecting the City's incredible natural areas. These areas are important in their own right, but also because they provide an important recreational refuge from urban life for residents and an educational resource for the City's youth. These beautiful natural areas are also part of what makes San Francisco a world-class tourist destination.

The Recreation & Park Department has worked on this plan for years, and has been exemplary in working with a range of stakeholders to find the best approaches for management. The plan represents input from diverse constituencies and subject area experts, and should be put in place to ensure future stewardship of these priceless resources. Both the Planning Commission and the Recreation & Park Commission have done their homework and heard extensive testimony from all stakeholders, and voted to certify this EIR and approve the plan.

We urge you to uphold this certification by rejecting the appeal. When the plan is adopted, the important work protecting the Natural Resource Areas can be undertaken, ensuring the long-term protection of these special places in San Francisco.

Sincerely,

Doug Johnson, Executive Director  
dwjohnson@cal-ipc.org

*The California Invasive Plant Council is a 25-year-old nonprofit organization dedicated to protecting California's environment and economy from invasive plants. Our statewide membership comprises professional land managers, university researchers, and restoration volunteers, all committed to stewarding the state's biodiversity and natural resources.*

**Subject:** Please Vote to Save Sharp Park Golf Course

**Dear San Francisco Supervisors,**

I am currently a Pacifica resident, a native San Franciscan born here and attending all my education in San Francisco from Kindergarten through college...attending schools such as Lowell High School, City College of San Francisco, and San Francisco State University, a frequent golfer at Sharp Park Golf Course through all those years and still am today. I'm too am also a lover of nature and the preservation of natural resources. I'm an avid outdoors person who enjoys fly fishing (I'm a member of the Golden Gate Park fly casting ponds), backpacking, camping, and grew up learning to fish locally at Lake Merced and was part of the Friends of Lake Merced preservation effort. Suffice it to say, I love San Francisco and the outdoors.

I'm also a supporter of the Rec & Park Department's Natural Areas Plan, which among other things includes the Department's Laguna Salada Restoration Plan, to improve habitat in the Sharp Park wetlands for frogs and snakes, while maintaining the historic 18-hole golf course. The Natural Areas Plan was approved December 15 by the Planning and Rec Sharp Park is a beautiful, historic public course, built by one of history's greatest golf architects, Alister MacKenzie. Each year since 1932 it has provided reasonably-priced enjoyment, healthy outdoor exercise and a community gathering-place for tens of thousands of diverse men, women, senior, and junior golfers. It is also convenient—just a 15-minute freeway drive from the City's southern neighborhoods. Please do not allow the anti-golf groups to obstruct the City's plans to improve habitat while maintaining the golf course. Their delaying tactics have been going on for years, and their arguments have been repeatedly rejected -- by the Rec & Park and Planning Departments, as well as the Corps of Engineers, the US Fish & Wildlife Service, the California Coastal Commission, and state and federal trial and appellate courts in San Francisco and San Mateo County.

It is time to move forward. Please vote to deny the appeal, and to approve the Natural Areas Plan. Support your Recreation and Park Department's carefully-developed and balanced plan to recover frog and snake habitat in the Sharp Park wetlands, while saving the beautiful, popular, and historic 18-hole golf course.

One additional point I'd like to make is you'd be hard pressed to find such a quaint, affordable, and relaxing setting for beginners and youngsters alike to learn the game and the sportsmanship and life lessons golf can offer. And it also has a huge following of seniors who come out daily to meet with friends and enjoy a round during the week. As beautiful as this course is, you won't find many courses like this anywhere in the US with this type of following, stature, and beauty. It's truly a gem, let's work to keep it that way.

**Thank you for your service and for considering my request.**

**Subject:** Cahill-Fifield EIR scope (case no. 2016-016100ENV)

Dear Justin Horner, other Public Officials at the SFPUC & Elected Officials,  
Please add this email to the public record in the EIR Process.

I would like to provide my thoughts on the scope of the environmental impact report on recreational access to the Bay Area Ridge Trail from the GGNRA operated Phleger Estate to Portola Monument above San Bruno via Peninsula Watershed land. Please ensure EIR covers pedestrian, cyclist and equestrians access, and that none of these vested interest groups are left out of the scientific review process. Please ensure that the EIR covers all historical sites and artifacts over the age of 50 years in the Watershed. Access to these sites as a cultural heritage issue is important to the public interest. Please ensure that the EIR recognizes that access to the SF Watershed does not fail to consider the possibility of dusk till dawn access as done in surrounding parkland. Lastly, I would like to give a voice to the need of the public to have this EIR expanded geographically, or new EIR's to be done on the connecting trail systems: Namely the Whiting Ridge Trail, Pilarctos Road west from the San Andreas Dam, Pilarctos Road from 5 points to Whiting Ridge at Rancho Corral De Tierra. And Pilarctos Road through Pilarctos Valley from Pilarctos Lake.

Thank you for considering my comments and adding them to the public record. Thank you also for doing the scientific research we have been waiting for for so long, and beginning the process of access reform in the Peninsula (Crystal Springs) Watershed.

Sincerely,

Dan Spier

**Sent:** Sunday, January 29, 2017 11:58 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Remove Sharp Park Golf Course from the Natural Areas Plan!

Angela Calvillo,

I urge you to remove the Sharp Park Golf Course redevelopment project, originally known as proposal "A18", from the environmental review for San Francisco's Significant Natural Resource Area Management Plan ("SNRAMP"). If you do not, you must reject the entire SNRAMP environmental review.

The environmental review for SNRAMP is inadequate because it contains a golf course redevelopment project that was inserted into the SNRAMP environmental review years after the review of SNRAMP was initiated, and long after several mandatory CEQA steps were completed. Thus the Sharp Park golf course redevelopment project never completed formal environmental scoping, was never subjected to mandatory public hearings, and did not benefit from early, formal oversight by other public agencies with subject matter jurisdiction.

When A18 was originally released in 2009, the Planning Department seemed to understand this procedural concern. The Department explained in the SNRAMP environmental scoping report, also released in 2009, that the golf course redevelopment project could never be incorporated into the SNRAMP environmental review process.

Despite this promise, in 2011 the draft environmental review for SNRAMP included the golf course redevelopment project, and after the draft was rubber-stamped by the planning and recreation and park commissions, the final environmental review does as well.

You cannot complete your job of fully vetting the environmental issues presented by the golf course redevelopment project, because the document before you skipped key steps in the CEQA process for the golf course redevelopment project.

Only if that portion of SNRAMP is removed and put through a separate environmental review process can we all be assured that San Francisco is making the most informed environmental decisions possible. Unless and until that happens, you must reject the final environmental review document for SNRAMP, because the fiscal, environmental, and recreational

consequences of the Sharp Park Golf Course redevelopment project are so grave that it will wipe out any and all environmental benefits proposed in all other areas affected by SNRAMP.

**Subject:** Cart before the horse: Balboa Reservoir RFQ/RFP, ENA and a case of a Done-deal

BRCAC, City Team, PUC, PUC CAC, Planning Commission, BOS, City Attorney, SFCCD, SFUSD:

From Day One of the Balboa Reservoir Project, it has reeked with the stench of a done-deal-- a done-deal of privatizing invaluable public land in the guise of offering "affordable housing."

When push come to shove, only 33% of the Reservoir housing will be legally-defined Affordable Housing. The City has also misrepresented this 33% Affordable Housing to be deed-restricted "in perpetuity." Here's what "in perpetuity" really means from RFQ Section 7.3: "The project's affordable housing units must remain affordable in perpetuity (i.e. throughout the useful lives of the buildings in which those units are located)..." Since when did "in perpetuity" come to mean 55 to 75 years--or possibly even less?!

Despite the Balboa Park Station Area Plan's Objective 1.4 of using the Balboa Reservoir for the "best benefit of the neighborhood, the city, and the region as a whole," no discussion or public input has been accepted by the City regarding what constitutes the best use of the Reservoir. Given its geographic particularities and constraints, the western Reservoir is arguably better used to further educational purposes for the community, to include possibly teacher housing instead.

## PUTTING THE CART BEFORE THE HORSE

The deadline for developer responses to the City Team's RFQ expired last week at the end of the day on 1/18/2017. RFQ finalists are scheduled to be announced on 2/17/2017.

According to the RFQ document, once a developer has been selected through the RFQ/RFP process, "the Developer will enter into a SFPUC Commission-approved Exclusive Negotiating Agreement ("ENA").

Disposition of public lands is supposed to be governed by:

Government Code 54222 State Surplus Land Statute

SF Administrative Code Chapters 23 and 23A (Real Property Transactions, Surplus Public Lands Ordinance).

Public Utilities Commission's own Land Use Framework policy which is supposed to guide "Disposition of SFPUC Owned Lands".

The City has already leaped ahead to talk about entering into an ENA with a private developer without the PUC having even declared the Reservoir to be surplus property. What kind of backroom pay-to-play deals have been going on?

Prior to launching the public engagement process, the City Team had commissioned AECOM to do a preliminary study for the Balboa Reservoir Project. However instead of having gotten an upfront PUC approval for the AECOM Reservoir study, the City Team contracted the Reservoir study using PUC Contract CS 229 which is ostensibly for PUC's Water Service Improvement Program. How does the Reservoir Project promote "water service improvement?"

Govt Code 54222 would require PUC to offer to sell or lease its surplus property to--in addition to low and moderate-income housing developers--park and recreation departments and school districts.

Last year, City College's Participatory Governance Council and Trustees Davila, Rizzo, Randolph had called for the PUC to transfer the property to SFCCD pursuant to provisions of State and SF law. The City Team said that it would be unrealistic because of the need for PUC to achieve market rate return for the disposition of the property:

The State Surplus Land Statute 54222 says:

*Any local agency disposing of surplus land shall send, prior to disposing of that property, a written offer to sell or lease the property as follows:*

*(c) A written offer to sell or lease land suitable for school facilities construction or use by a school district for open-space purposes shall be sent to any school district in whose jurisdiction the land is located.*

PUC's principle of market rate return is not absolute. SF Administrative Code 23 for Real Property Transactions calls for:

SF Administrative Code 23.20 states

*Transfers of Real Property pursuant to this Article shall be paid for no less than 100% of the appraised value, except where the Board of Supervisors determines by resolution that a lesser sum will further a proper public purpose, and provided that the Public Utilities Commission shall be paid at least the historical cost of such Real Property.*

SF Administrative Code 23.3 for Real Property Transactions calls for:

*"... sales price of at least 100% of the appraised value of such Real Property, except where the Board determines either that (a) a lesser sum will further a proper public purpose, or..."*

The Balboa Park Station Area Plan had called for developing the Reservoir to "best benefit the Neighborhood, City, Region as a whole." Yet any analysis of what constitutes "best benefit" has been bypassed. Instead, by fiat, the City declared that the Reservoir would be used for housing to be developed by private developers. And despite the teacher shortage, consideration for teacher housing by school districts was negated by City Staff.

PUC has a Land Use Framework Policy: *"By adoption of the Framework, the Commission is seeking to advance the analytical and decision-making process surrounding the administration of real estate assets under the SFPUC's exclusive jurisdiction;..."*

But here's what the City Team said about it in their "Responses to Questions"

Why doesn't the RFQ discuss the SFPUC Land Use Framework?

- *It is not necessary, or feasible, for an RFQ to name all of the City policies and procedures that apply to the project*  
[ Please note that Staff refers to "RFQ" but avoids referencing the lack of discussion about "Land Use Framework" Policy by the City Team itself--aj ]
- *SFPUC management and legal counsel were involved in writing the RFQ and feel that it is consistent with SFPUC policies and practices*

Here's what I think is the real deal: the Reservoir Project is driven by "juice" and politics/political players in which rules, policies, laws are selectively applied/ignored. Putting the cart before the horse is not a problem for those with "juice."

January 27, 2017

BY EMAIL AND U.S. MAIL

San Francisco Police Commission  
Police Commission Office  
1245 3<sup>rd</sup> Street  
San Francisco, California 94158  
sfpd.commission@sfgov.org

Dear Commissioners:

We, the undersigned, are leaders, members, and allies of the lesbian, gay, bisexual, transgender, and queer (LGBTQ) community of San Francisco. The LGBTQ community is a vibrant patchwork of many communities, including people who are Arab, Middle Eastern, Muslim, South Asian (AMEMSA), and people who are undocumented. People in the AMEMSA community and undocumented people are our friends, neighbors, partners, and colleagues.

In that spirit, we write to join our colleagues at the Asian Law Caucus, ACLU of Northern California, and Council on American-Islamic Relations San Francisco Bay Area Office in urging you to fully implement the 2012 Safe San Francisco Civil Rights Ordinance and to protect the integrity of our Sanctuary City law.<sup>1</sup>

The Safe San Francisco Civil Rights Ordinance forbids any SFPD officers working with the FBI on the Joint Terrorism Task Force from participating in any work that targets people—without reasonable suspicion of criminal behavior—based solely or partially on their religion or national origin. Our Sanctuary City law prohibits SFPD officers from participating in efforts to identify undocumented people in our City.

President Donald J. Trump campaigned on the promise that he would target members of the AMEMSA community and people who are undocumented. If this Ordinance is not effectively enforced, and if SFPD officers are not fully trained to understand and follow its requirements, those local officers will become entangled in the implementation of Trump's policies, which our City's leadership and residents have unequivocally rejected. Our City put the Ordinance in place to make sure that this doesn't happen. Similarly, the Sanctuary City law was put in place to prevent our local law enforcement officers from being used by federal agencies to target undocumented people.

---

<sup>1</sup> See ALC, CAIR, and ACLU Letter to Police Commission, Jan. 05, 2017, *available at* [https://ca.cair.com/sfba/wp-content/uploads/2017/01/2017.01.05\\_ALC-CAIR-ACLU-NC-Ltr-re-SFPD-Participation-in-JTTF.pdf](https://ca.cair.com/sfba/wp-content/uploads/2017/01/2017.01.05_ALC-CAIR-ACLU-NC-Ltr-re-SFPD-Participation-in-JTTF.pdf).

We respect and value the important role of law enforcement—local, state, and federal—in protecting residents from crime, including terrorism. But fighting crime should never mean targeting a community as if all of its members were criminals. As members and leaders of communities who have historically been subject to monitoring, surveillance, and intelligence-gathering due to our First Amendment activities, we refuse to forget our history and our struggle for freedom in this country.

Before the Ordinance passed, SFPD officers on FBI-led cases could answer only to Washington—not to California and San Francisco laws and leaders. In a 2010 Human Rights Commission hearing, Asian Law Caucus attorney Veena Dubal reported:

“I have clients who are small business owners, American citizens who are regularly visited by the FBI at their place of work, in San Francisco. I have clients who are university students who are visited by FBI right outside of campus; I know an educator who is regularly visited by FBI agents. What do all these people have in common? Nothing, except that they are all innocent Americans who pay taxes, contribute to their community and the economy and who have immaculate criminal records, no criminal records --- they just happen to be Muslims.”<sup>2</sup>

Other attorneys at the hearing warned that without additional backing, SFPD officers would face “pressure” to not comply with San Francisco laws protecting First Amendment activity. The hearing's findings were published in a 2011 report,<sup>3</sup> and the Board of Supervisors passed a unanimous resolution urging action.<sup>4</sup>

The Ordinance was supposed to answer to these concerns, but now—nearly five years later—the work remains unfinished. The Office of Citizen Complaints held in August 2016 that there had been a training failure, and that SFPD officers were not aware of their obligations. In the five years of the Ordinance being in effect, not one authorization has been sought or retained (despite the fact that SFPD

<sup>3</sup> *Id.*

<sup>4</sup> Resolution No. 160-11, “Endorsing Community Concerns of Surveillance, Racial, and Religious Profiling,” (April 5, 2011).

officers have been involved in dozens of Joint Terrorism Task Force operations). In addition, we have reason to believe that SFPD Joint Terrorism Task Force officers, in conjunction with the FBI, conducted "U.S. person checks" regarding some of the targets of these operations, in violation of the Sanctuary City Law.

To this end, we request the following:

- 1) That the SFPD provides its officers working with the FBI's Joint Terrorism Task Force clear instruction and specific training on the requirements of the Ordinance as soon as possible;
- 2) That all SFPD officers assigned to the Joint Terrorism Task Force refrain from making database inquiries about any individual's "U.S. person status" during their JTTF activities so they will be in compliance at all times with our Sanctuary City law; and
- 3) That SFPD officers obtain the necessary written supervisory approvals, that the approvals are documented and retained, and that "reasonable suspicion" is properly shown before SFPD officers participate in any Joint Terrorism Task Force work, going forward.

Mayor George Moscone and Supervisor Harvey Milk fought hard for our San Francisco values. Moscone led the fight to enshrine the right to privacy in our state constitution. Milk made community oversight of police a top priority and pushed hard to get an LGBT person appointed to the Police Commission.

Good police work doesn't require racial profiling and unaccountability. To maintain a city that prides itself on welcoming people of all sexual orientations, gender identities, races, religions, and nationalities, we'd do well to remember George Moscone and Harvey Milk's legacy and enforce the Safe San Francisco Civil Rights Ordinance.

Respectfully,

Senator Scott Wiener

**Subject:** Safe San Francisco Civil Rights Ordinance

Dear Police Commissioners, Board of Supervisors, and Mayor Lee:

Ever since Trump was elected President, you have all publicly and unequivocally said that you will protect the vulnerable communities that Trump has sworn to target. I'm writing to ask that you fulfill that promise.

Last year, community groups proved that SFPD was breaking a law meant to protect us from profiling by the FBI (the Safe San Francisco Civil Rights Ordinance). The OCC said that the SFPD wasn't even properly trained on the ordinance that has been in place for half a decade, and as of yet, they still have not been trained. And now, our local officers work with Donald Trump's FBI. Enough is enough. How can we be sure our local officers aren't violating our laws when they don't even know our laws?

Please make sure that SFPD officers working with the FBI are immediately trained on the rules and requirements of the Safe San Francisco Civil Rights Ordinance and our Sanctuary City Ordinance. Tell them that they are our officers, this is our City, and our rules apply – not Trump's.

Sincerely,

Asim Fayaz

**Subject:** SF Sanctuary City Status

Dear Mayor Lee and Board of Supervisors,

I want to thank Mayor Lee for publicly stating that San Francisco will remain a sanctuary city; despite being faced with threats of federal funding cuts you have committed to do the right thing.

I am a resident of San Francisco, I pay taxes here, volunteer here, and work here. And I am frankly in disbelief of the executive orders coming out of the Trump administration. That the head of government of one of the world's largest and most powerful countries wants to threaten cities, publish a weekly list of crimes by undocumented workers, and ban valid visa holders from several countries from re-entering the United States is baffling.

Thank you again for taking a public position on this - I hope your counterparts across the country are compelled to do the same.

Tina

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia. This ban is illegal and a human rights violation.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Stop Detaining Immigrants at SFO

Board of Supervisors,

I'm a life long Californian and a frequent flier from SFO -- i just flew in last night on a work trip.

I urge you to continue taking measures to keep flier safe but to refuse to enforce these bans on people who have been vetted and earned their place in the US. San Francisco is a sanctuary city and California is a home to a diverse productive immigrant population. This is immoral and unconstitutional.

Resist -- refuse the ban!!!

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

As a physician working in public health network in San Francisco, I witness on a daily basis the health impacts of this form of discrimination. Conversely, I witness the gift that access to healthcare and community support can provide for immigrants and refugees who come to this country. We are able to empower people to live to their fullest potential. That is what makes this country great. Please continue this legacy by opposing President Trump's ban on Muslim-majority countries. This is his singular action, but does not have to be ours.

Sincerely,  
Emily Thomas, MS, MD

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

In 1939 my grandmother arrived in New York from Germany due to an American visa. Her father was not so lucky and was killed by the Nazis. My grandmother was lucky, many others were turned away at our shores. The US has failed its moral duty before and is doing so again. For this reason, I urge you to refuse compliance with the executive order.

I myself am an immigrant. I became a citizen at age twelve. Never have I been more ashamed of my new country than I am today. We are ruining lives with our hurtful, and irresponsible policy. It must be stopped.

Thank you,

Zohar Perla

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

We urge you to refuse compliance with immigrant detention. Trump's executive order banning immigrants from seven Muslim-majority countries is unconstitutional and abhorrent.

We, in the San Francisco Bay Area will fight to remain a sanctuary for the muslim people. Racial profiling is unacceptable. The constitution guarantees our right to practice the religion of our choosing.

Many people you detain are fleeing for their lives, often due to US policy and military action in their countries of origin. We cannot turn our backs on these refugees. They do not pose any threat.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Hi,

There are people stuck in cruel, unjust limbo inside the airports. I hope that they are being provided with legal support, nutritious meals, mental health services and perhaps other items such as clothing, diapers, toys or anything else someone might need if stuck in the airport for days.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Sincerely,

Maureen

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Sincerely,  
Didem Eransen

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Refuse Compliance with Unconstitutional Orders!

Board of Supervisors,

I am asking you to refuse compliance with the unconstitutional and discriminatory ban on refugees, visa holders, and green card holders from targeted countries. These orders are unabashedly racist and xenophobic. They are also patently hypocritical, targeting one religious group while attempting to champion another.

I know many in the government and in your offices are people of color and come from immigrant families. This cannot be what we stand for just because we are "doing our jobs" or even because we may have political disagreements. This goes against the very basis of our country's democracy and it is a supreme act of justice and patriotism to resist these bigoted actions.

Please stand with the people in refusing to participate in these actions. History and the people will be on your side in justice.

**From:** Cara Peterson <info@actionnetwork.org>  
**Sent:** Saturday, January 28, 2017 6:44 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Hello!

I have worked closely with immigrant and refugee communities while farming in New England and North Carolina. These families and individuals are fleeing horrendous conditions and it is our duty to show them the American way of welcoming people of diverse backgrounds and beliefs. Please do the right thing and allow them in to my country. I want them here because they make the U.S. a better place!

By refusing to comply with President Trump's ban on refugees, you will be standing on the right side of history. YOU will be the difference in these people's lives between safety and danger. As an American born citizen, I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

I understand that this decision involves weighing the pros and cons of not following instructions from your superiors, and that is not a thing to be taken lightly. But this is an extreme time in our history and I know you will be supported in your decision to refuse to comply with the ban.

We, in the San Francisco Bay Area and New Haven, where I am from and Somerville, Ma, where I have lived, will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Thank you for taking the time to read this. Remember, this is your time to shine and show what American patriotism is all about: Inclusion and Tolerance!

Best,

Cara

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

Be on the right side of history. Resist facism. As a Jewish citizen of the US, I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

Refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

Furthermore, detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Be humane. Be ethical. Do the right thing for your conscience and your country: resist and refuse.

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

San Francisco has always been a city for rebels, weirdos, outcasts, all those not accepted elsewhere. Please do not let President Trump's outrageous policy change what this city has always been.

I beseech you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence. These deaths are preventable should you choose to ignore Trump's policy and maintain San Francisco as a sanctuary city with our municipal policy and the non-compliance of airport officials. The risk of complying with Trump is much greater than the risk of non-compliance.

Solidarity, Rachel Becker

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

These people are our family, our friends, our coworkers. This is hurting people.

Leah Rosenberg

**Sent:** Saturday, January 28, 2017 8:00 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Please refuse compliance with the federal ban on refugees and immigrants.

Dear SF Board of Supervisors:

I am writing this email to urge you all to refuse compliance with the federal ban on refugees and to urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. This ban is nothing more than an act of unbridled racism, xenophobia and Islamophobia.

As a lifelong San Francisco Bay Area resident from an immigrant family, I will fight to keep San Francisco a sanctuary city and will not allow people to be racially profiled based on national origin. I have no tolerance for racism, xenophobia or Islamophobia. I hope that you all hold the same values, and by your actions -- specifically, by refusing compliance with the federal ban on refugees and immigrants -- you demonstrate solidarity.

Sincerely,

Jonathan Magat, M.A.  
Doctoral Candidate  
Northwestern University

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

I know this is a form letter. But it does express my feelings on the subject. You know this order is wrong! Please stand up to our bigot-in-chief and do the right thing! These people are not our enemies and every moment we leave them stranded in the airport or anywhere else we are betraying them.

Thanks,

Emily

I have worked, as an educator, with refugees and immigrants. Those that I taught fought so hard for a better life, leaving unimaginable pain and destruction behind them. They came to America for a new life, and they were working jobs and taking night classes to make their lives better, and, in many cases, to make the lives better for those around them.

These people need our help and support more than we can know. Do the right thing.

**From:** Caitlin Rolston <info@actionnetwork.org>  
**Sent:** Saturday, January 28, 2017 8:20 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Stand on the right side of history

Board of Supervisors,

I am writing to you today to urge you to remember that this country is proof of the beautiful possibilities and and necessity of accepting refugees. Please remember that in all of history, we usually condemn those who reject compassion and charity. We praise those who put others before themselves. I want to tell you that you, as an individual, like all of us, have the power and the right, in fact the great responsibility, of making a difficult choice today -- history will either condemn you or sing your praises, but you must know that you will also have to live with your choice.

Chose love. Though it may be scary and uncomfortable, chose to be generous now, because the fate of the world may be on your shoulders tonight.

Let them in. Please.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Be the person who turned this tide, and who restored the American value of freedom -- freedom of religion and freedom of spirit -- that the world has so long looked up to and longed for.

**From:** Fauzia Musa <fauziamusa@gmail.com>  
**Sent:** Saturday, January 28, 2017 8:29 PM  
**To:** SFPD, Commission (POL); Lee, Mayor (MYR); Board of Supervisors, (BOS)  
**Subject:** SF as Sanctuary City

Dear Police Commissioners, Board of Supervisors, and Mayor Lee:

Ever since Trump was elected President, you have all publicly and unequivocally said that you will protect the vulnerable communities that Trump has sworn to target. I'm writing to ask that you fulfill that promise.

Last year, community groups proved that SFPD was breaking a law meant to protect us from profiling by the FBI (the Safe San Francisco Civil Rights Ordinance). The OCC said that the SFPD wasn't even properly trained on the ordinance that has been in place for half a decade, and as of yet, they still have not been trained. And now, our local officers work with Donald Trump's FBI. Enough is enough. How can we be sure our local officers aren't violating our laws when they don't even know our laws?

Please make sure that SFPD officers working with the FBI are immediately trained on the rules and requirements of the Safe San Francisco Civil Rights Ordinance and our Sanctuary City Ordinance. Tell them that they are our officers, this is our City, and our rules apply – not Trump's.

Sincerely,

Fauzia Musa  
SF Resident

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

America is and always will be a nation of immigrants. We are a nation that has always valued religious tolerance. We will not compromise on this issue. This ban is totally impractical, and will only fuel more extremist hatred for the west and more hate crimes against our muslim brothers and sisters here in the US.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence. These are people who will be turned back to face conditions that are unimaginable to many here in the US. This land is a beacon of hope in a dark world, and to remain that way, we the people need to resist bad decisions made at the highest level of government.

Let people in. Look them in the eyes and understand their humanity, their hopes, their fears, their basic needs as living human beings. Be on the right side of history.

Thank you.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Please be courageous

Board of Supervisors,

I urge you to refuse to comply with the ban on refugees. Refugees need our compassion, not closed borders.

I urge you to refuse to comply with the immigration ban. As you know, immigrants, including those with green cards, are vetted individuals and do not represent a statistical threat to our security. Many are already productive members of our community.

Please be courageous and make a stand for what is right. You have my support and that of millions of people in this country who are sickened by this executive order.

Thank you for taking a moment to read this.

Board of Supervisors,

As an immigrant, I know the heartache of being separated from my family, but I'm glad to be here, entering via SFO, to start a family and career in this country. I don't fear other immigrants and as a sociologist I am well aware that refugees from Muslim countries are great people to have in our country, they get good jobs, work hard, start great businesses, and also don't become terrorists, all the data proves that. We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

As a Jew whose family narrowly escaped pogroms and the Holocaust, I and my children, would not be alive today if we had not been allowed into the US. If our ancestors as immigrants weren't welcomed and given a chance to work and build lives, we wouldn't have the privileged and prosperous life we enjoy. Every human deserves this.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

As a lifelong Bay Area resident and citizen, I demand that you stand for what's right and treat refugees with the compassion and dignity they deserve.

To that end, I urge you to reject and refuse to comply with President Trump's executive order banning immigrants from 7 Muslim-majority countries.

Our community will fight to maintain sanctuary cities, and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives - and turning them away could mean a death sentence.

Uncertain times like these demand moral leadership. I urge you, again, to stand on the side of human rights and dignity.

Thank you very much for your consideration of my views.

Board of Supervisors,

When I saw that Trump released his ban on Holocaust remembrance day, when America turned away ships with Jewish refugees who then died in concentration camps, I was stunned.

The shoe is what is happening right now.

As I am sure lawyers have already descended on you in droves to explain that this is an illegal order contrary to US law not to discriminate entry into the US based on religion or race. That this order also targets only specific Muslim countries with whom Trump does not have business dealings makes this potentially unconstitutional as well.

I urge you to refuse compliance with this ban on refugees in a stand against racism, xenophobia and Islamophobia.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Please. I don't want to read a diary of the new Anne Frank as a result of this order.

Thank you.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia. This is not what our country should stand for or allow. We were made specifically to be a sanctuary for those being religiously persecuted. That should not extend only to white christians.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. This is ludicrous and unconstitutional and not within the president's power.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia, and neither should you lot.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence. And, since the US is, at the very least, partially responsible for their hardships turning them away would be an injustice and a shame on our country.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Non Compliance For The Ban on Muslim Refugees

To the Members of the Board of Supervisors,

I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia. I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. We know that many people are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Thank you for taking this action against racism and for justice.

In struggle,  
Sonja Ebel

**Sent:** Saturday, January 28, 2017 10:15 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

As a Jewish US citizen and San Francisco resident and voter, I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

This is the time to stand on the side of justice and what is right by defying Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area, will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

Do the right thing, not the wrong and inhumane thing--do not follow immoral orders.

Sincerely,

Arla Ertz

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

As a Jew in America, I will not let this happen to another religious group and repeat history.

Thank you,  
Danielle Diuguid

Board of Supervisors,

In the event the federal judge's stay is lifted, I urge you to do the following:

1. Refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.
2. Refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

I and my fellow citizens in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Thank you.

**Subject:** Trump's Executive Order

Dear Mayor Lee and Board of Supervisors,

I am asking you and your colleagues in City government to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We in San Francisco will fight to remain a sanctuary city and will not allow profiling based on national origin or religion. We have no tolerance for racism, xenophobia or Islamophobia.

Some of these people are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence. Many have already been promised a safe place here via a green card or visa.

Please help our city resist this illegal and un-American order.

Thank you for all you do.

## Khoo, Arthur (BOS)

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**From:** Jessica Lehman <info@actionnetwork.org>  
**Sent:** Saturday, January 28, 2017 11:00 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Stand up for What's Right - Let in Refugees & Immigrants

Board of Supervisors,

Hello,

I write to urge you not to comply with Trump's ban on refugees and immigrants. These are people who have been through legal channels and have been cleared for coming here. They are fleeing war or crisis, or they are coming for family or work.

Is California racist and intolerant? Do we hate people because they are Arab or Muslim? That is not what we stand for.

We need you to stand up for what you know is right. Do your part to make sure that people are allowed into our state and our communities.

As Jew, I am fortunate that my great grandparents got out of Germany before the Holocaust. The US denied entry to thousands of refugees, who then were killed in the Holocaust. I grew up learning, "Never again." Let us all remember. Never again must the US keep people out because of fear, racism, and xenophobia. We must open our arms and our hearts.

Thank you for doing what is right.

Jessica Lehman

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

My husband is the first of his family born in the US. His refugee parents & newborn brother were stranded at sea. When they were finally rescued and pulled to shore, people pushed their boat back out to sea time & time again, until finally they put a hole in the boat so it wouldn't be able to be pushed offshore. The difference between these countries & America is that they were eventually welcomed here. In moments like these, you have a choice of whether you resist this illegal, bigoted, and immoral policy, or resist. I hope you will join the thousand who are resisting. You will have to tell your grandkids which side of history you were on.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

Board of Supervisors,

The ban placed by President Trump is illegally discriminatory. People should not be racially profiled based on national origin.

Please stand against racism, xenophobia and Islamophobia by refusing compliance to this ban.

Many of these people are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Please take a stand for human dignity.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

The people being detained are children, parents, grandparents. If we all look back a generation or more, many of us would not be here if similar bans existed in those times. We are stronger and more compassionate than the orders coming from above. We urge you to take a stand for what is just.

Sincerely,  
Tehmina Khan

Board of Supervisors,

I, Kate, do not support the detention of those being held by the President's recent Executive Order.

San Francisco has always been the home I made for myself, and I hope that that can be the case for others as well, regardless of their race, ethnicity, gender, or religion.

I appeal to your humanity, your sense of right and wrong. I hope that you do not comply with this illegal and immoral order and allow these people to be free.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

Dear SF Department of Homeland Security, SF Board of Supervisors, SF US Customs and Border Patrol, and SFO Airport Director Ivar Satero:

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

There are consequences to this far beyond what you might anticipate: alienating an entire millennial generation that values an open society will result in a brain drain from the US. If you want to keep tech talent, then keep a stronger hold on our country's foundational values.

Board of Supervisors,

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We here will fight to remain a sanctuary city and not allow people to be racially profiled based on national origin.

We know that detainees, like many people, are fleeing for their lives, and turning them away, could mean a death sentence. We also know that turning away refugees from these 7 countries can promote the same kind of anti-U.S. attacks the President claims he is trying to prevent. Instead he is sowing hatred, racism and cruelty.

DO NOT IMPLEMENT THIS HATEFUL EXECUTIVE ORDER.

Board of Supervisors,

We demand you advocate for human rights. This is not radical nor is it farfetched. Please dismiss any rhetoric from singular fundamentalist groups, both christo-facist and hypercapitalist. They are not the people you serve, we are. We are not asking for your compliance but rather instructing you on what we the people expect to be manifested through your actions as sitting governance. Thank you for your service.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**To:** Board of Supervisors, (BOS)  
**Subject:** Do not deport refugees and immigrants held at SFO

Board of Supervisors,

Dear SFO Airport, US Customs and Border Patrol Office and SF Department of Homeland Security,

I urge you to not deport and to release from detention any refugees or immigrants still being held at SFO airport due to the Executive Order of 1/27/2017.

In the meantime, I additionally urge airport or customs authorities to allow people impacted by the travel ban to have contact with the immigration lawyers at the airport, and to respond to the lawyers' requests for the number of people who are still being held at SFO due to the EO.

Thank you,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Today I checked in on my classmates from the Middle East, to be sure they were safe.

Mary has never been alone before. She lived with her father in Iran until she met her husband. They came to the United States together, and have been each other's safety as they figure out how to thrive in California. She works harder than anyone I know, she will probably be my class Valedictorian. Also, following to plan, she's pregnant with her first child. Her husband went to Iran to see family for the holidays- and now he can't come back. He has a Green Card, she has applied for citizenship. So now, for the first time in her life, she is all alone. She has to find ways to pay all of her household costs, because his job is here. She has to face having the baby all alone.

California has made statements that we will not allow families to be torn apart, but it is happening and we are doing nothing. Please, I urge you... understand that the people who are trapped in the airport have families and lives. Stand up for what is right.

Please, help us to the maximum extent you can.

Board of Supervisors,

I am urging you to refuse compliance with the ban on refugee. I hope you will have the courage to stand against this un-American order, blatant racism, xenophobia and Islamophobia.

I ask that you to refuse to comply with Trump's executive order that suggests banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I am an immigrant, too. I just happen to be born in a country that is deemed acceptable by this administration: Germany. Because of that country of origin, I don't have to fear being detained, however, because of that country's history, I know too well where policies like this lead to. They lead to horrible crimes against humanities. Please do not walk down this path and resist these policies! They might be against the U.S. Constitution. They are certainly immoral.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. His actions are making us less safe despite their stated intention. Further, it is important to me that an airport that I fly out of frequently, not turn away immigrants to their likely death.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Un-American and racist immigration ban

Dear San Francisco Board of Supervisors:

As thirty-year resident of the Bay Area,

I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

I know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

I am so proud to be from San Francisco. Please stand tall, you are a light for the world, shining in the increasing darkness, right now. Many people's futures will be impacted by your actions. Let us know how we can help you. Stay strong.

All my best,  
Nicole Newnham

**To:** Board of Supervisors, (BOS)  
**Subject:** Do not refuse entry to muslims, protect Sanctuary status

Board of Supervisors,

To whom it may concern:

The news coming out of SFO today is chilling and inhumane. Continuing to enforce the ban on refugees from certain countries at odds with a stay granted last night is shameful.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Release the detainees.

**Sent:** Sunday, January 29, 2017 8:50 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** violation of our sanctuary city understandings

I am outraged that on Trump's order people with valid visas and green cards were detained at SFO and refused entry to the US. Many of these refugees are fleeing for their lives and turning them away could mean a death sentence.

I urge you to affirm our city's intentions as a sanctuary city. Please do what you can to refuse compliance with Trump's ban on refugees and take a stand against racism. We will not allow people to be profiled based on national origin.

Carolyn Chaney

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

Please do not comply with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We in the San Francisco Bay Area will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

Detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

**Subject:** Stop Detaining Immigrants at SFO

Board of Supervisors,

Please do not comply with the ban on refugees. These people are fleeing for their lives and are the vulnerable we, as Americans, have prided ourselves on protecting. Refugees to this country are fully vetted; the Executive order is racist, xenophobic and Islamophobic. It is deeply in-American.

We also urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia, or discrimination on religious grounds.

Board of Supervisors,

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary cities and will not allow people to be racially profiled based on national origin.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and because they have aided US military operations in the past in their countries of origin. Turning them away, could mean a death sentence. Not honoring our commitments to these brave men and women could also put the safety of our troops in greater harms way in the future as the US becomes known as untrustworthy ally.

Thank you for helping and working as a leader to help the people that need your help.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**To:** Board of Supervisors, (BOS)  
**Subject:** Please stand against Islamophobia.

Hello!

I'm writing to ask that you refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

I hope that the Board of Supervisors fights along with the rest of the city in order to remain a sanctuary city to prevent people from being racially profiled based on national origin.

Thank you for taking this action against racism and for justice. Thank you for standing against Islamophobia!

In struggle,

Meckell Milburn

I am a white US born man, and I this kind of ignorant and hate-filled policy makes me and my family less safe, not more. As we have seen with Iran banning Americans, it gives fuel to the narrative in some parts of the country that the US demonizes muslims. This emboldens groups like ISIs to recruit more followers and raise more money. Please end this policy for my family's m safety and the safety of the rest of Americans!

**From:** Rachel Krow-Boniske <info@actionnetwork.org>  
**Sent:** Sunday, January 29, 2017 7:36 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

San Francisco believes itself to be a beacon of liberal progress, a safe haven for people from all over the world, of varying identities and experiences. And at many times, we have resisted hate and lived up to this claim. Yet, right now we are being bullied into complying with unconstitutional hatred and violence by detaining, deporting, and refusing entry to Muslim immigrants. We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

I stand with my Muslim brothers and sisters and urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Please, I urge to take a stand for what is right. Release those who have been unlawfully detained and refuse compliance with Trump's executive order. Now.

In solidarity,

Rachel

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area -- and the Valley -- will fight to keep our sanctuary cities and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Board of Supervisors,

The United States is a county of immigrants. Complying with this ban on innocent immigrants puts you in a morally compromised position and ensures that you will forever be remembered as being on the wrong side of history.

I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

Detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Refuse Compliance with the Refugee Ban

Dear San Francisco Board of Directors,

I respectfully request that the SF Board of Supervisors uphold and take action to enforce the spirits of the Constitution, to "establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity."

As you know, our President's executive order banned immigrants from seven (7) specific Muslim majority countries. We, as a country, must learn from the de facto discrimination of the past and use the power and the influence we have to prevent it from happening again. We must stand against racism, xenophobia and Islamophobia.

Many immigrants are fleeing for their lives. As a citizen of this country, I ask that you as an organization, step in to help those in need now. We need you to step up.

Michelle

Board of Supervisors,

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Stand against the Muslim Ban and detainment of travelers

Dear Board of Supervisors,

I respectfully request that the SF Board of Supervisors uphold and take action to enforce the American values of acceptance, embracing diversity, and helping the vulnerable. On the statue of liberty, one of our most beloved of national monuments it is written "give me your tired, your poor, your hungry, yearning to breathe free", not "give me your Christians only".

As you know, our President's executive order banned immigrants from seven (7) specific Muslim majority countries. We, as a country, must learn from the de facto discrimination of the past and use the power and the influence we have to prevent it from happening again. We must stand against racism, xenophobia and Islamophobia.

Many immigrants are fleeing for their lives. As a citizen of this country, I ask that you as an organization, step in to help those in need now. We need you to step up.

Thank you,  
Courtney Wise

**Subject:** Update on the "Muslim Ban"

### Update on the "Muslim Ban"

As Salaamu Alaikum.

Since President Donald Trump signed Friday's executive order banning non-citizens from seven Muslim-majority countries from traveling to the U.S., dozens of passengers arriving with non-immigrant visas as well as green cards have been detained at airports across the country, and in many cases sent back on flights after questioning. Hundreds of others have been barred from boarding flights to the U.S.

Here's the latest on what's happening and what you can do:

- **Stay Vigilant and Informed:** [Read yesterday's email](#), detailing the ramifications of the Executive Order and advice from CAIR-SFBA and Advancing Justice-Asian Law Caucus to the community. Though a federal judge

**Sent:** Sunday, January 29, 2017 10:08 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Please act against the "president's" ban on immigrants

Dear San Francisco Board of Directors,

I respectfully ask that the SF Board of Supervisors uphold and take action to enforce the spirits of the Constitution, to "establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity."

As you know, President Trump's executive order banned immigrants from seven (7) specific Muslim majority countries. We, as a country, must learn from the institutional and de facto discrimination of the past and use the power and the influence we have to prevent it from happening again. We have all studied enough history to say to ourselves, "why didn't anyone demand this be stopped?"

Now is our chance.

Many immigrants are fleeing for their lives. As a citizen of this country, I ask that you as an organization, step in to assist those in need now. We need you to step up.

Thank you for your service.

Sincerely,

Vanessa Norton

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 10:40 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Uphold the Constitution

Dear San Francisco Board of Supervisors,

I respectfully request that the SF Board of Supervisors uphold and take action to enforce the spirit of the Constitution, to "establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity."

As you know, our President's executive order banned immigrants from seven (7) specific Muslim majority countries. We, as a country, must learn from the de facto discrimination of the past and use the power and the influence we have to prevent it from happening again. We must stand against racism, xenophobia and Islamophobia.

Many immigrants are fleeing for their lives. As a citizen of this country, I ask that you as an organization, step in to help those in need now. We need you to step up.

Thanks,

Keith

**Sent:** Sunday, January 29, 2017 10:43 AM  
**To:** SFPD, Commission (POL); Lee, Mayor (MYR); Board of Supervisors, (BOS)  
**Subject:** Request for SFPD train its officers ensure our sanctuary city law!

Dear Police Commissioners, Board of Supervisors, and Mayor Lee:

Ever since Trump was elected President, you have all publicly and unequivocally said that you will protect the vulnerable communities that Trump has sworn to target. I'm writing to ask that you fulfill that promise.

Last year, community groups proved that SFPD was breaking a law meant to protect us from profiling by the FBI (the Safe San Francisco Civil Rights Ordinance). The OCC said that the SFPD wasn't even properly trained on the ordinance that has been in place for half a decade, and as of yet, they still have not been trained. And now, our local officers work with Donald Trump's FBI. Enough is enough. How can we be sure our local officers aren't violating our laws when they don't even know our laws?

Please make sure that SFPD officers working with the FBI are immediately trained on the rules and requirements of the Safe San Francisco Civil Rights Ordinance and our Sanctuary City Ordinance. Tell them that they are our officers, this is our City, and our rules apply – not Trump's.

Sincerely,  
Casey

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** FREE DETAINED IMMIGRANTS NOW

We urge you to not only say you refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia, but to exert your authority to act on it.

As elected officials of San Francisco, a sanctuary city, it is your responsibility to ensure that it remains and acts as a sanctuary. We urge you to come down to SFO and demand that CBP release all people being detained

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Release all detained immigrants now!

I am a Bay Area resident and am asking you to release those detained today under the executive order signed by Donald Trump. The court ruling yesterday states that these passengers cannot be deported back to their countries of origin, and thus the only responsible action is to release them, as they have been legally granted entry into the United States prior to the executive order. Let them go, and let them get on with their lives in our great city of San Francisco.

Thank you for taking this action against racism and for justice.

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 11:43 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** President Trump's illegal ban on Muslims

Dear SF Board of Supervisors,

This message is voice my support of SF remaining a sanctuary city in the face of President Trump's immoral, ridiculous, and illegal efforts to ban refugees and immigrants from Muslim countries. San Francisco has forever been a symbol of tolerance, acceptance, and hope for the entire country, and now more than ever it is imperative that it remain so. As a native of the city, I am proud to be from a place that accepts anyone and everyone. I am proud to have attended SF's public schools surrounded by people of all races, religions, and political opinions. I urge you not to cave to Trump's xenophobia.

Trump's ban, besides being illegal, will kill people. Many people are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence. San Francisco must stand in noncompliance with Trump's actions. It is the right thing to do.

Furthermore, I urge the Board to help SFO reject Trump's orders. The airport should be encouraged to refused to carry out Trump's ban with the support of SF's government.

Sincerely,

Helen Porter, lifelong SF resident.

**Subject:** Release Detained Families at SFO Now!

Dear Supervisors,

We urge you to not only say you refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia, but to exert your authority to act on it.

As elected officials of San Francisco, a sanctuary city, it is your responsibility to ensure that it remains and acts as a sanctuary. We urge you to come down to SFO and demand that CBP release all people being detained

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Sincerely,  
Rachel Antony-Levine  
SF Resident

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 12:02 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Support non-compliance with Trump's Executive Order on Migrants and Refugees

Dear San Francisco Board of Supervisors:

I am writing you to urge your support for non-compliance with the executive order issued on Friday not allowing immigrants and refugees from 7 countries even with valid visas and green cards from entering the United States at SFO especially as San Francisco is a Sanctuary City.

I believe it is critical to the success of the resistance to this unconstitutional and immoral executive order that the San Francisco Board of Supervisors demand that the CBP release all people who are being detained under this executive order. We can not allow people to be racially profiled based on national origin and on religion.

Part of the reason there are so many refugees fleeing their countries is because of U.S. policies and military action which contribute to making living in these countries impossible for those fleeing. These are the policies which need to be vetted!

Thank you.

Regards,

Cindy Shamban  
Berkeley, CA

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. This is being targeted against countries that have no financial dealings with Donald Trump's companies.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence and is out of alignment with our democratic principles.

Respectfully,  
Amy Zell Ellsworth

**From:** Weston Teruya <info@actionnetwork.org>  
**Sent:** Sunday, January 29, 2017 4:44 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Stand Against This Unconstitutional Ban!

Board of Supervisors,

I write for the second day to urge you to stand against the unconstitutional and immoral detention of immigrants at SFO immediately. I will continue to write until all detainees have been freed.

This ill planned, unilateral action does nothing to keep us safer--in fact it only stokes international fears and hate mongering, creating an environment that only puts our international workers, military, and global allies at greater risk.

As many have pointed out, the 7 Muslim majority countries have not been linked to terrorist attacks on our soil--in fact, countries tied to attacks have been excluded. Those excluded countries also line up where our president has business interests. This is a transparent smokescreen, targeting vulnerable immigrants and refugees as scapegoats.

It is a moral duty to stand against this unjust action--any compromise and compliance at this only furthers what is clearly becoming an increasingly fascist regime.

If you stand for democracy, this is not the way to advance it. If you want to protect the lives of citizens, this is not the way to advance it.

Do what is right!

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Create Sanctuary, Release Detainees at SFO

Dear San Francisco Board of Supervisors

I urge you to take a stand against racism, xenophobia, and Islamophobia by refusing to comply with Trump's executive order banning immigrants from seven Muslim-majority countries. Please release the detainees now, and allow them to live in peace.

The residents of the San Francisco Bay Area are determined to make our cities sanctuary cities and will not stand for racial profiling based on national origin.

We know that the detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

Now is the time for all of us, especially those of us in positions of power, to be courageous and show resolve about our values. Remember Dr. Martin Luther King Jr.'s counsel about just and unjust laws and his admonition that everything that Hitler did in Germany was legal.

Kind regards,  
Pepper Luboff

**Subject:** Stop the #MuslimBan

Hello.

I am contacting you as a concerned citizen, urging the Board to refuse to comply with the targeted ban on immigrants and refugees. I urge you to stand against racism, xenophobia, and Islamophobia that the new administration is trying to normalize. San Francisco remains a sanctuary city where people can seek refuge from violence and war within their nations of origin. Sending immigrants back to these nations based on nothing but fear merely signs a death sentence for them. This also includes US citizens and residents who cannot return home due to these atrocious policies. Please take a stand against this oppression and maintain San Francisco as the hub of tolerance and safety that so many people see it as.

Thank you,  
A Baldonado

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 2:20 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Please Protect Sanctuary, Defy the Executive Ban, and Stop Detaining Immigrants at SFO

Board of Supervisors,

I'm writing to you to ask you to stand with the true spirit of justice and defy the President's destructive and anti-American executive order banning immigrants from seven Muslim-majority countries and completely halting the refugee program, including a ban on Syrian refugees.

Please do not comply with this executive ban.

Take a stand against it and release detained immigrants now.

Right now immigrants are being detained at US airports, and US green card holders and citizens are being turned away at other international airports around the world.

These people are Americans, like us. And many of the people immigrating, or fleeing as refugees, have their lives hanging in the balance.

Turning them away could mean death. This is not a hyperbolic statement but a reality we have seen borne out when immigrants and refugees are turned away from America and other countries in xenophobic panic. We saw it in WWII with those fleeing persecution; we have seen it since. It's happening again now.

You are a barrier between right and wrong. I know it's hard to stand up, but we are behind you. The San Francisco Bay Area is a Sanctuary City and we believe in human rights, regardless of race, religion, and national origin.

Be brave. Take a stand against this executive order. We're all with you.

**To:** Board of Supervisors, (BOS)  
**Subject:** Please do not comply with Immigration Ban

Hello. I'm a Bay Area resident and frequent SFO flyer. I'm writing to ask you to resist the president's xenophobic immigration ban against Muslim countries. Please honor San Francisco's sanctuary cite status and keep the doors of our airport open to immigrants and refugees.

I am also requesting that you do all in your power to compel DHS officers at the airport to comply with the federal judges' court orders to halt deportations and detentions of legal immigrants while the legality of Trump's order is determined. This is currently not happening - detentions are ongoing and deportations are being scheduled. I expect our representatives to work to enforce these stays and to preserve our sanctuary city status.

Thank you,  
Rachel Devitt

**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Stand against Muslim ban!

I urge you to not only say you refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia, but to exert your authority to act on it.

As elected officials of San Francisco, a sanctuary city, it is your responsibility to ensure that it remains and acts as a sanctuary. We urge you to come down to SFO and demand that CBP release all people being detained

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence. We urge you to stand on the correct side of history and stand up for our Muslim sisters and brothers.

**Subject:** Stop Detaining Immigrants at SFO Who Have Legal Permission and Paperwork

Board of Supervisors,

Release all detained immigrants now who have green cards, student or visitor visas, or other legally obtained paperwork!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia. My grandparents were immigrants, and were given sanctuary from Russian pogroms in the 19th and 20th Century. WE MUST PROTECT THOSE IN NEED OR THOSE WITH LEGAL RIGHTS TO ATTEND SCHOOL/WORK IN THE US.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries. IT WAS NOT A WELL THOUGHT THROUGH EXECUTIVE ORDER. DO NOT ALLOW THE EXECUTIVE BRANCH TO STOMP ON THE CONSTITUTION!

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. WE ARE BETTER, STRONGER, AND SMARTER THAN THAT.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence. PLEASE ALLOW THOSE IN PERIL OR THOSE WITH LEGITIMATE REASONS TO BE HERE TO PASS!!!

Support your fellow humans. Please stop dehumanizing people. Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** SFO Emergency - stop detentions and deportations

Board of Supervisors,

I'm a mother and a concerned citizen - people detained, deported, and refused entry due to the ban on immigrants from 7 predominantly Muslim countries need immediate assistance. This is not the way America should treat people. They need access to lawyers and where detained they need to be released.

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

Board of Supervisors,

Let's show the world a better picture of Americans than President Trump's order to physically stop refugees trying to enter the U.S. after they have already gone through a vetting process and have obtained U.S. visas.

We know that these refugees are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

Please. To go along with Trump's decree puts you in the category of a "good Nazi," you know: one who doesn't necessarily agree with a particular policy but carries it out, "following orders." The time to stand up to this bully is NOW.

**Sent:** Monday, January 30, 2017 10:28 AM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

I am glad to see that detainees at SFO have been released in compliance with the court ordered stay. I am writing to urge you to continue to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

It is my view, and the view of many civil rights groups, immigrants' rights groups, and legal advocacy groups, that the executive order is both illegal and unconstitutional. All civil servants have a duty to refuse illegal and unconstitutional orders. The American people stands with you in following the rule of law and the Constitution of the United States. The Trump regime is out of line and issuing ill-considered, immoral, illegal and unconstitutional orders, and you are NOT obliged to carry out such orders.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Please act to protect human rights and constitutional democracy.

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

Hello,

I

urge you

to refuse compliance with the ban on refugees  
and  
to exert your authority

against it.

I

urge you to demand

the

release

of

those  
being detained

at SFO.

We in the San Francisco Bay Area will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia,

or Islamophobia. We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away

could mean a death sentence.

Thank you,  
Courtney Andujar

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 8:45 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Detainees at SFO and executive order

Dear Supervisors,

I am a resident of San Francisco, in the Excelsior District. I strongly urge you to refuse to comply with the recent executive order regarding the entry of refugees and people from targeted other countries. Stand against racism, xenophobia, and Islamophobia and do what you are able within your authority to act on it.

San Francisco is a sanctuary city. It is your responsibility as elected officials of San Francisco to protect this status. I urge you to go to SFO and demand that CBP release all people being detained.

The citizens of San Francisco have no tolerance for racism, xenophobia or Islamophobia. We know that the detained people are fleeing for their lives in large part due to US international policy and military action in their respective countries of origin. Turning them away is cruel and could very well mean their death.

Thank you for your firm and timely action on the behalf of those people detained at SFO, and on behalf of the people of San Francisco!

Sincerely,  
Lisa Grady

Hello! I'm writing to urge you to refuse compliance with Trump's executive order banning immigrants from seven Muslim-majority countries. I don't believe people should be profiled based on their national origin. Many of these people are fleeing for their lives, and turning them away could mean a death sentence. Please do the right thing. Thank you!

Lindsey Pratx

Board of Supervisors,

Release all detained immigrants now!

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Sunday, January 29, 2017 7:15 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Release detainees from SFO. Refuse compliance with federal ban.

Board of Supervisors,

I urge you to not only say you refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia, but to exert your authority to act on it.

As elected officials of San Francisco, a sanctuary city, it is your responsibility to ensure that it remains and acts as a sanctuary. We urge you to come down to SFO and demand that CBP release all people being detained

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia. We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

Sincerely,

Nicolia Mehrling

**From:** Maria Whittle <info@actionnetwork.org>  
**Sent:** Sunday, January 29, 2017 6:57 PM  
**To:** Board of Supervisors, (BOS)  
**Subject:** Protect Sanctuary, Stop Detaining Immigrants at SFO

Board of Supervisors,

Dear Mr. Satero and representatives of the SF Board of Supervisors, the Department of Homeland Security, and the US Customs and Border Patrol Office

I am writing to urge you to refuse compliance with the ban on refugees and to stand against racism, xenophobia, and Islamophobia, as well as to refuse compliance with the White House's executive order banning immigrants from 7 Muslim-majority countries.

These bans are not what the people of the United States stand for, nor are they constitutional. Aside from indigenous peoples, all Americans come from immigrant backgrounds, most of whom came seeking a better and freer life than the ones they left behind in their home countries. Many people are fleeing for their lives in large part because of US policy and military action in their countries of origin. Many have even gone against their own country's leaders, risking their lives to help the American military. Turning all of these people away could mean a death sentence.

In 1939, America turned away thousands of German Jewish refugees who were fleeing for their lives from the Nazi regime. Many of these people were forced to return to Europe, where they were executed in death camps. This failure to intervene remains a dark stain on American history. We cannot make the same mistake again.

I urge you to be on the right side of history and stand with San Francisco and Oakland as sanctuary cities. We as citizens will not tolerate racism, xenophobia, or Islamophobia.

Thank you,

Maria Whittle  
Oakland resident

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Subject:** Refuse Compliance with Trumps Executive Order banning immigrants

Dear Board of Supervisors of San Francisco,

I am a U.S. citizen born to an immigrant father and I have been a resident of San Francisco for 10 years. I urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

I urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

I will fight for San Francisco to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that this family, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away could mean a death sentence.

Respectfully,  
Camille

We urge you to refuse compliance with the ban on refugees in a stand against racism, xenophobia and Islamophobia.

We urge you to refuse compliance with Trump's executive order banning immigrants from 7 Muslim-majority countries.

We, in the San Francisco Bay Area will fight to remain a sanctuary city and will not allow people to be racially profiled based on national origin. We have no tolerance for racism, xenophobia or Islamophobia.

We know that detainees, like many people, are fleeing for their lives in large part because of US policy and military action in their countries of origin. Turning them away, could mean a death sentence.

**Sent:** Monday, January 30, 2017 7:03 PM  
**To:** SFPD, Commission (POL); Lee, Mayor (MYR); Board of Supervisors, (BOS)  
**Subject:** Please Advocate to Remain a Sanctuary City

Dear Police Commissioners, Board of Supervisors, and Mayor Lee:

Ever since Trump was elected President, you have all publicly and unequivocally said that you will protect the vulnerable communities that Trump has sworn to target. I'm writing to ask that you fulfill that promise.

Last year, community groups proved that SFPD was breaking a law meant to protect us from profiling by the FBI (the Safe San Francisco Civil Rights Ordinance). The OCC said that the SFPD wasn't even properly trained on the ordinance that has been in place for half a decade, and as of yet, they still have not been trained. And now, our local officers work with Donald Trump's FBI. Enough is enough. How can we be sure our local officers aren't violating our laws when they don't even know our laws?

Please make sure that SFPD officers working with the FBI are immediately trained on the rules and requirements of the Safe San Francisco Civil Rights Ordinance and our Sanctuary City Ordinance. Tell them that they are our officers, this is our City, and our rules apply – not Trump's.

Sincerely,

Emily Carroll

**Subject:** SF Sanctuary City Status

Dear Mayor Lee and Board of Supervisors,

I want to thank Mayor Lee for publicly stating that San Francisco will remain a sanctuary city; despite being faced with threats of federal funding cuts you have committed to do the right thing.

I am a resident of San Francisco, I pay taxes here, volunteer here, and work here. And I am frankly in disbelief of the executive orders coming out of the Trump administration. That the head of government of one of the world's largest and most powerful countries wants to threaten cities, publish a weekly list of crimes by undocumented workers, and ban valid visa holders from several countries from re-entering the United States is baffling.

Thank you again for taking a public position on this - I hope your counterparts across the country are compelled to do the same.

Tina

**Subject:** Support Free City College appropriation

City Council,

I commend and thank the Board of Supervisors for pledging to make City College FREE for San Franciscans. I urge you to support the next crucial step in this process by voting yes on Supervisor Kim's ordinance to appropriate \$9 million of Real Property Transfer Tax in FY2016-2017 to fund the Community College Fund and make City College of San Francisco tuition-free for all San Francisco residents starting in 2017. This budget appropriation is a critical step to fulfill the wishes of the overwhelming majority of San Francisco voters who supported Proposition W on November 8th. Thank you in advance for your support of this important effort to expand access to higher education for all San Franciscans.

**To:** Parking Tax, TTX (TTX) <ttx.parkingtax@sfgov.org>; Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** REVENUE CONTROL EQUIPMENT LEGISLATION

To Whom It May Concern,

I am writing in opposition to the new proposals.

Large corporate valet operators will be the largest beneficiary of the single COA for all locations.

Large corporate valet operators will be the largest beneficiary of changes to RCE requirements.

Based on my current 4 parking stations in 2017 I'm forecasting paying over \$40k per year in parking taxes and yet my take home income is so meager I need to live as one of four roommates. Clearly the system is flawed when a hardworking business owner is required to fork over that \$40k a year which could be used to pay a mortgage for example.

Changing the status quo to further benefit large corporations such as: Luxe, Impark, Ace, etc is only making our City less progressive and doing so will not receive my support.

A more important issue is adjusting the tax payer requirements so that Mom and Pop operators like myself can live a life above poverty. If i'm scraping together a living on a few thousand a month instead of enjoying the fruits of my labor so that the City can collect more in tax revenue **than the money I have to support myself**, we are not moving in the right direction as a society.

The appropriate area to look into is: allowing operators with gross revenue of under \$500k to receive an exemption on the 25% parking tax on the first \$100k of income. This would have a negligible effect on total tax collector revenue, as 90% of all parking dollars are spent with at big parking corporations. It would also encourage new companies.

The new Tax Collector proposals only make the parking business more lucrative for the big players and thereby lessen the ability of small operators to compete. Is that the message we want to send as a city?

Subject: Oppose approval of 650 Divisadero

Dear SF Planning Commission,

I oppose the approval of 650 Divisadero as proposed at this time. The project as proposed does not include enough affordable units. The Planning Commission should not vote on the project until the Divisadero-Fillmore legislation, which was approved at the Planning Commission last year, is finalized at the Board of Supervisors. I ask that the Planning Commission continue this item to a later date.

Thank you,

**Subject:** Oppose approval of 650 Divisadero

Dear SF Planning Commission,  
I oppose the approval of 650 Divisadero as proposed at this time. The project as proposed greatly expands the number of units without allocating an appropriate number of affordable units. The Planning Commission should not vote on the project until the Divisadero-Fillmore legislation, which was approved at the Planning Commission last year, is finalized at the Board of Supervisors. I ask that the Planning Commission continue this item to a later date. Moving forward on the project as is would be in direct opposition to the stated goal of increasing affordable housing, which is desperately needed and must be included in all new projects.

Thank you,

**Subject:** Comfort Women Statue

Dear Mayor Lee,

I heard that city of San Francisco is going to be erecting the "Comfort Women" memorial in Downtown San Francisco. I am very shocked to hear that such proposal was approved by the city.

I am also very surprised that the city council members totally ignored the report compiled by the US military in Burma during the World War 2. US interrogation report of the captured comfort women during the WW2 in Burma, "Japanese Prisoner of War Interrogation Report No. 49: Korean Comfort Women" concluded that these women were prostitutes.

We are asking people who claim that 200,000 Korean women were coerced into sexual slavery to show tangible evidences. Testimonies by so-called sexual slaves are not objective evidences. Evidences should be objective verifiable original documents such as military order or government documents showing name of military officers who ordered such coercion, list of people who were coerced, dates of such coercion, photos taken by independent personnel , etc.

Asahi Newspaper admitted August 2014 that the book titled "My War Crimes" by Seiji Yoshida was false and it could not find any proof that the book content was true. It is an obligation of accuser to submit evidences of crimes. Accused cannot submit evidences to prove he did not commit crimes if there were no such crimes in the first place. This is a fundamental principle of rule of law.

Accusing someone or particular ethnic group, in this case Japanese, is like medieval witch hunt by religious court which claimed accused people were evil without showing tangible evidences. Some San Francisco council members are calling people who request to show evidences of Japanese brutal acts in Korea during the annexation "right wing or revisionist". They should stop such name-calling and come to the table for objective discussion based on facts not rumors or unfounded allegations.

San Francisco is one of the most beautiful cities in the United States and many tourists visit the city to enjoy the charm of the city. Erecting the memorial that unilaterally attacking Japanese for something they did not commit will make us feel insulted. Once such memorial is erected, all of us will start avoid visiting the city.

Sincerely,

Yoshi Maruyama

**To:** Board of Supervisors, (BOS)  
**Subject:** Why a statue of comfort women in San Francisco?

Dear sir/madame,

I am writing to you concerning a discussion building a memorial for "comfort women" in San Francisco Park. I guess you have been receiving messages from Japan asking to decline the plan to set a statue of Comfort Women in San Francisco. I am also one of Japanese women writing to you on the same subject.

I believe majority of American people only learn the history of comfort women from point of view of Koreans which is based only on the testimonies of "comfort women" while the findings and evidences on the documentary studies done by Japanese researchers did not seem to be considered. I would request you to check the fact again as I do not want the American public park to have a statue created from "false stories" which is really an ashame...

UNITED STATES OFFICE OF WAR INFORMATION Psychological Warfare Team Attached to U.S. Army Forces India-Burma Theater Japanese Prisoner of War Interrogation Report No. 49

[http://www.sdh-fact.com/CL02\\_4/8\\_S1.pdf](http://www.sdh-fact.com/CL02_4/8_S1.pdf)

Changes in Lee Yong-Soo Testimonies

<http://bit.ly/2gjjjQV>

Anyway the issue of comfort women is a very controversial, sensitive issue and indeed a point of political contest between Japan and Korea as of today. And I do not understand why Americans have to be part of the game. I also see the proposal of building the statue is dividing the migrants from Korea and Japan, provoking hate crimes. I don't see any point of creating such problems in the communities. Problems should be and can be solved by much positive ways.

I request you not to accept the proposal of setting the statue. Thank you very much for your consideration.

Sincerely yours  
Yuri KUMAZAWA

Aichi Japan

**Subject:** FW: 242 signers: Fix the MTA! petition

**From:** Peter Kirby [mailto:petitions@moveon.org]  
**Sent:** Tuesday, January 24, 2017 1:51 AM  
**To:** Board of Supervisors, (BOS) <board.of.supervisors@sfgov.org>  
**Subject:** 242 signers: Fix the MTA! petition

Dear Clerk of the Board,

I started a petition to you titled *Fix the MTA!*. So far, the petition has 242 total signers.

You can post a response for us to pass along to all petition signers by clicking here:  
[http://petitions.moveon.org/target\\_talkback.html?tt=tt-70172-custom-39492-20270124-dyjwMY](http://petitions.moveon.org/target_talkback.html?tt=tt-70172-custom-39492-20270124-dyjwMY)

The petition states:

"We support a Charter Amendment to reform the San Francisco Municipal Transit Agency (SFMTA / MTA) and request that the District Supervisors support a ballot initiative to let the voters decide. It is Muni's job to get us where we need to go, not tell us how to get there. "
