Section 1.02. Definitions. Unless the context otherwise requires, the terms defined in this Section 1.02 shall, for all purposes of this Indenture, of any Supplemental Indenture, and of any certificate, opinion or other document herein mentioned, have the meanings herein specified.

The Trustee on behalf and at the expense of the IRFD shall mail (by first class mail, postage prepaid) notice of any redemption at least twenty (20) but not more than sixty (60) days prior to the redemption date, to (i) to the Owners of any Housing Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) the Securities Depositories and to the Municipal Securities Rulemaking Board's Electronic Municipal Market Access system; but such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such Housing Bonds or the cessation of the accrual of interest thereon. Such notice shall state the redemption date and the redemption price, shall state that such redemption is conditioned upon the timely delivery of the redemption price by the IRFD to the Trustee for deposit in the Redemption Account, shall designate the CUSIP number of the Housing Bonds to be redeemed, shall state the individual number of each Housing Bond to be redeemed or shall

state that all Housing Bonds between two stated numbers (both inclusive) or all of the Housing Bonds Outstanding are to be redeemed, and shall require that such Housing Bonds be then surrendered at the Principal Corporate Trust Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Housing Bonds will not accrue from and after the redemption date.

A notice of optional redemption may be conditional, and the IRFD shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Housing Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The IRFD and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

Upon the payment of the redemption price of Housing Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the Housing Bonds being redeemed with the proceeds of such check or other transfer.

(d) Partial Redemption of Housing Bonds. In the event only a portion of any Housing Bond is called for redemption, then upon surrender of such Housing Bond the IRFD shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the IRFD, a new Housing Bond or Housing Bonds of the same interest rate and maturity, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Housing Bond to be redeemed.

(e) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the redemption price of and interest on the Housing Bonds so called for redemption shall have been duly deposited with the Trustee, such Housing Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

(f) Manner of Redemption. Unless otherwise specified in a Supplemental Indenture, whenever any Housing Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection, in such manner as the Trustee shall deem appropriate, and shall notify the IRFD thereof to the extent Bonds are no longer held in book-entry form. In the event of redemption by lot of Housing Bonds, the Trustee shall assign to each Housing Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of each such Housing Bond. The Housing Bonds to be redeemed shall be the Housing Bonds to which were assigned numbers so selected, but only so much of the principal amount of each such Housing Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. All Housing Bonds redeemed or purchased pursuant to this Section 2.03 shall be cancelled and destroyed.

(g) Purchase in Lieu of Redemption. In lieu of redemption of the Term Housing Bonds, amounts on deposit in the Net Available Housing Increment Special Account or in the Principal Account or the Redemption Account may also be used and withdrawn by the IRFD and the Trustee, respectively, at any time, upon the Written Request of the IRFD, for the purchase of

the Term Housing Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the IRFD may in its discretion determine. The par amount of any Term Housing Bonds so purchased by the IRFD in any twelve-month period ending on July 1 in any year shall be credited towards and shall reduce the par amount of the Term Housing Bonds required to be redeemed; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said July 1.

Section 2.04. Form of Series 2022B Housing Bonds. The Series 2022B Housing Bonds, the form of Trustee's Certificate of Authentication, and the form of Assignment to appear thereon, shall be substantially in the form set forth in Exhibit A, which is attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Section 2.05. Execution of Housing Bonds. The Housing Bonds shall be executed on behalf of the IRFD by the City's Director of the Office of Public Finance or a designee of the City's Controller, and the signature of the Clerk of the Board of Supervisors who are in office on the date of execution and delivery of this Indenture or at any time thereafter. Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Housing Bond ceases to be such officer before delivery of the Housing Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Housing Bonds to the purchaser. Any Housing Bond may be signed and attested on behalf of the IRFD by such persons as at the actual date of the execution of such Housing Bond shall be the proper officers of the IRFD although on the date of such Housing Bond any such person shall not have been such officer of the IRFD.

Only such of the Housing Bonds as shall bear thereon a Trustee's Certificate of Authentication in the form hereinbefore set forth, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such certificate shall be conclusive evidence that such Housing Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary Housing Bonds are issued pursuant to Section 2.09 hereof, the temporary Bonds may bear thereon a Trustee's Certificate of Authentication executed and dated by the Trustee, may be initially registered by the Trustee, and, until so exchanged as provided under Section 2.09 hereof, the temporary Housing Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Housing Bonds authenticated and delivered hereunder.

Whenever any Housing Bond shall be surrendered for transfer, the IRFD shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Housing Bond or Housing Bonds of like tenor, maturity and aggregate principal amount of authorized denominations. The Trustee shall collect from the Owner any tax or other governmental charge on the transfer of any Housing Bonds pursuant to this Section 2.06. The cost of printing Housing Bonds and any

services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the IRFD.

The Trustee may refuse to transfer, under the provisions of this Section 2.06, either (a) any Housing Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Housing Bonds for redemption, or (b) any Housing Bonds selected by the Trustee for redemption.

(b) Additional Transfer Restrictions Applicable to the Series 2022B Housing Bonds. No transfer, sale or other disposition of any Series 2022B Housing Bond, or any beneficial interest therein, may be made except to an entity that is a Qualified Purchaser that is purchasing such Series 2022B Housing Bond for its own account for investment purposes and not with a view to distributing such Series 2022B Housing Bond. Each transferee of a Series 2022B Housing Bond, or any beneficial interest therein, shall be deemed to have acknowledged, represented, warranted and agreed with and to the IRFD, the Participating Underwriter and the Trustee that (i) such transferee is a Qualified Purchaser that is purchasing such Series 2022B Housing Bond for its own account for investment purposes and not with a view to distributing such Series 2022B Housing Bond in violation of the Securities Act of 1933 or other applicable securities laws, (ii) the Series 2022B Housing Bonds are payable from Pledged Housing Increment and such other funds described in the Indenture, (iii) the Series 2022B Housing Bonds, or any beneficial interest therein, may only be transferred to a Qualified Purchaser and (iv) the IRFD, the Participating Underwriter and the Trustee and others will rely upon the truth and accuracy of the foregoing acknowledgements, representations, warranties and agreements. Each Series 2022B Housing Bond shall bear a legend describing or referencing the foregoing restrictions on transferability.

Neither the Participating Underwriter nor any Owner or Beneficial Owner of the Series 2022B Housing Bonds shall deposit the Series 2022B Housing Bonds in any trust or account under its control and sell any shares, participatory interest or certificates in such trust and account, and neither the Participating Underwriter nor any Owner or Beneficial Owner shall deposit the Series 2022B Housing Bonds in any trust or account under its control the majority of the assets of which constitute the Series 2022B Housing Bonds, and sell shares, participatory interest or certificates in such trust or account except to Qualified Purchasers.

Each entity that is or that becomes a Beneficial Owner of a Series 2022B Housing Bond shall be deemed by the acceptance or acquisition of such beneficial ownership interest to have agreed to be bound by the provisions of this Section 2.06(b). In the event that a holder of the Series 2022B Housing Bonds makes an assignment of its beneficial ownership interest in the Series 2022B Housing Bonds, the assignor will notify the assignee of the restrictions on purchase and transfer described herein. Any transfer of a Series 2022B Housing Bond to any entity that is not a Qualified Purchaser shall be deemed null and void.

Any Series 2022B Housing Bond registered in the name of DTC or the Nominee shall be deemed to comply with the tis Indenture so long as each Beneficial Owner of such Series 2022B Housing Bond is a Qualified Purchaser.

Section 2.07. Exchange of Housing Bonds. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for Housing Bonds of the same tenor and maturity and of other authorized denominations. The Trustee shall collect any tax or other governmental charge on the exchange of any Housing Bonds pursuant to this Section 2.07.

The cost of printing Housing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the IRFD.

The Trustee may refuse to exchange, under the provisions of this Section 2.07, either (a) any Housing Bonds during the fifteen (15) days prior to the date established by the Trustee for the selection of Housing Bonds for redemption or (b) any Housing Bonds selected by the Trustee for redemption.

Section 2.08. Registration of Housing Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of the Housing Bonds, which shall at all times during normal business hours be open to inspection and copying by the IRFD, upon reasonable prior notice to the Trustee; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Housing Bonds as hereinbefore provided.

Section 2.09. Temporary Bonds. The Housing Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Housing Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the IRFD, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Housing Bond shall be executed by the IRFD upon the same conditions and in substantially the same manner as the definitive Housing Bonds. If the IRFD issues temporary Bonds, it will execute and furnish definitive Housing Bonds without delay, and thereupon the temporary Housing Bonds shall be surrendered, for cancellation, in exchange therefor at the Principal Corporate Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Housing Bonds an equal aggregate principal amount of definitive Housing Bonds of authorized denominations, interest rates and like maturities. Until so exchanged, the temporary Housing Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Housing Bonds authenticated and delivered hereunder.

Section 2.10. Bonds Mutilated, Lost, Destroyed or Stolen. If any Housing Bond shall become mutilated, the IRFD, at the expense of the Owner of such Housing Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Housing Bond of like tenor and amount in exchange and substitution for the Housing Bond so mutilated, but only upon surrender to the Trustee of the Housing Bond so mutilated. Every mutilated Housing Bond so surrendered to the Trustee shall be canceled by it. If any Housing Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the IRFD, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Housing Bond of like tenor and amount in lieu of and in substitution for the Housing Bond so lost, destroyed or stolen (or if any such Housing Bond has matured or has been called for redemption, instead of issuing a substitute Housing Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the IRFD). The IRFD may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Housing Bond issued under this Section 2.10 and of the expenses which may be incurred by the IRFD and the Trustee in the premises. Any Housing Bond issued under the provisions of this Section in lieu of any Housing Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the IRFD whether or not the Housing Bond so alleged to be lost, destroyed or stolen be at any time enforceable by

anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Housing Bonds issued pursuant to this Indenture.

Section 2.11. Book-Entry System.

(a) Original Delivery. The Housing Bonds shall be initially delivered in the form of a separate single fully registered Housing Bond without coupons (which may be typewritten) for each maturity of the Housing Bonds. Upon initial delivery, the ownership of each such Housing Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Housing Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Housing Bonds the ownership of which shall be registered in the name of the Nominee, neither the IRFD nor the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Housing Bonds (the "Beneficial Owners"). Without limiting the generality of the immediately preceding sentence, neither the IRFD nor the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Housing Bonds, (ii) the delivery to any Depository System Participant or any other person, other than an Owner of a Housing Bond as shown in the Registration Books, of any notice with respect to the Housing Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Housing Bonds to be redeemed in the event the IRFD elects to redeem the Housing Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than an Owner of a Housing Bond as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Housing Bonds or (v) any consent given or other action taken by the Depository as Owner of the Housing Bonds. The IRFD and the Trustee may treat and consider the person in whose name each Housing Bond is registered as the absolute owner of such Housing Bond for the purpose of payment of principal, premium and interest on such Housing Bond, for the purpose of giving notices of redemption and other matters with respect to such Housing Bond, for the purpose of registering transfers of ownership of such Housing Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Housing Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Housing Bonds to the extent of the sum or sums so paid. No person other than an Owner of a Housing Bond shall receive a Housing Bond evidencing the obligation of the IRFD to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the IRFD shall promptly deliver a copy of the same to the Trustee.

DTC may determine to discontinue providing its services with respect to the Housing Bonds at any time by giving written notice to the IRFD and the Trustee during any time that the Housing Bonds are Outstanding, and discharging its responsibilities with respect thereto under applicable law. The IRFD may terminate the services of DTC with respect to the Housing Bonds if it determines that DTC is unable to discharge its responsibilities with respect to the Housing Bonds or that continuation of the system of book-entry transfer through DTC is not in

the best interest of the Beneficial Owners, and the IRFD shall mail notice of such termination to the Trustee.

Upon termination of the services of DTC as provided in the previous paragraph, and if no substitute Depository willing to undertake the functions hereunder can be found which is willing to undertake such functions upon reasonable or customary terms, or if the IRFD determines that it is in the best interest of the Beneficial Owners of the Housing Bonds that they be able to obtain certified Housing Bonds, the Housing Bonds shall no longer be restricted to being registered in the Housing Bond register of the Trustee in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names the Owners shall designate at that time, in accordance with Section 2.06.

To the extent that the Beneficial Owners are designated as the transferee by the Owners, in accordance with Section 2.06, the Bonds will be delivered to such Beneficial Owners.

(b) Representation Letter. In order to qualify the Housing Bonds for the Depository's book-entry system, the IRFD shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Housing Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the IRFD or the Trustee any obligation whatsoever with respect to persons having interests in the Housing Bonds other than the Owners of the Housing Bonds. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the IRFD may take any other actions, not inconsistent with this Indenture, to qualify the Housing Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Housing Bonds, or (ii) the IRFD determines to terminate the Depository as such, then the IRFD shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the IRFD and the Trustee in the issuance of replacement Housing Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Housing Bonds, and by surrendering the Housing Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Housing Bonds are to be issued. The Depository, by accepting delivery of the Housing Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the IRFD fails to identify another Securities Depository to replace the Depository, then the Housing Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Housing Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Housing Bond and all notices with respect to such Housing Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.12. Applicability of Provisions to Additional Housing Bonds.

Unless otherwise provided in a Supplemental Indenture, the provisions of Sections 2.03 and 2.05 through 2.11 shall apply to additional Housing Bonds.

ARTICLE III

DEPOSIT AND APPLICATION OF PROCEEDS OF SERIES 2022B HOUSING BONDS; ISSUANCE OF PARITY HOUSING DEBT

Section 3.01. Issuance of Series 2022B Housing Bonds. Upon the execution and delivery of this Indenture, the IRFD shall execute and deliver to the Trustee the Series 2022B Housing Bonds in the aggregate principal amount of Five Million One Hundred Twenty Thousand Dollars (\$5,120,000), and the Trustee shall authenticate and deliver the Series 2022B Housing Bonds upon the Written Request of the IRFD.

Section 3.02. Application of Proceeds of Sale and Certain Other Amounts. On the Closing Date, the proceeds of sale of the Series 2022B Housing Bonds, (being \$5,195,622.71, representing the par amount of the Series 2022B Housing Bonds (\$5,120,000.00), plus original issue premium of \$150,091.80, less an underwriter's discount of \$74,469.09), shall be paid to the Trustee and applied as follows:

(i) The Trustee shall deposit the amount of \$150,000.00 in the Series 2022B Costs of Issuance Fund.

(ii) The Trustee shall deposit the amount of \$4,711,122.71 in the Series 2022B Project Account of the Housing Project Fund.

(iii) The Trustee shall deposit \$334,500.00, being the remaining amount of proceeds of the Series 2022B Housing Bonds, in the 2022 Housing Reserve Account.

Section 3.03. Series 2022B Costs of Issuance Fund. There is hereby established a separate fund to be known as the "Series 2022B Costs of Issuance Fund", which shall be held by the Trustee in trust. The moneys in the Series 2022B Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance with respect to the Series 2022B Housing Bonds upon submission of a Written Request of the IRFD stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. On the date which is twelve (12) months following the Closing Date with respect to the Series 2022B Housing Bonds, or upon the earlier Written Request of the IRFD, all amounts (if any) remaining in the Series 2022B Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and transferred to the Series 2022B Project Account of the Housing Project Fund. At such time, the Series 2022B Costs of Issuance Fund shall be closed. Additional costs of issuance accounts may be opened in connection with the issuance of an additional series of Housing Bonds issued pursuant to a Supplemental Indenture.

Section 3.04. Housing Project Fund.

(a) There shall be established with respect to the IRFD a separate and segregated fund to be known as the "IRFD Housing Project Fund" (the "Housing Project Fund"), which the Trustee shall hold in trust for the benefit of the IRFD. The moneys in the Housing Project Fund shall be maintained separate and apart from other moneys of the IRFD. The moneys on deposit in the Housing Project Fund shall be used in the manner provided by the Law. The IRFD covenants that no funds on deposit in the Housing Project Fund shall be applied for any purpose not authorized by the Law.

(b) The Trustee shall disburse the amounts on deposit in the Housing Project Fund and the accounts therein for Qualified Project Costs upon receipt of a disbursement request of the IRFD substantially in the form attached hereto as Exhibit B. In no event shall the Trustee be responsible for the manner in which the IRFD applies the moneys disbursed to it by the Trustee in accordance with any such disbursement request. Such requisition shall be executed by the City's Director of the Office of Public Finance or her or his designee.

(c) Within the Housing Project Fund there shall be established as a separate account therein an account designated the "Series 2022B Project Account". The IRFD may direct the Trustee to establish additional accounts within the Housing Project Fund pursuant to a Supplemental Indenture. The IRFD may direct the Trustee in writing to close an account within the Housing Project Fund.

(d) Moneys in the Housing Project Fund (or account therein) shall be invested by the Trustee under Section 6.07 and all interest earnings shall remain in the Housing Project Fund (or account therein).

Section 3.05. Issuance of Parity Housing Debt. In addition to the Series 2022B Housing Bonds, the IRFD may issue Parity Housing Debt to finance and/or refinance activities that are permitted to be financed and/or refinanced by the IRFD with Net Available Housing Increment in such principal amount as shall be determined by the IRFD. Any Parity Housing Debt shall be secured by a pledge of Pledged Housing Increment as set forth in Section 4.01. The IRFD may issue and deliver any such Parity Housing Debt subject to the following specific conditions all of which are hereby made conditions precedent to the issuance and delivery of such Parity Housing Debt:

(a) Except as provided in subsection (i) below, no event of default hereunder, under any Parity Housing Debt Instrument or under any Subordinate Housing Debt Instrument shall have occurred and be continuing, unless the event of default shall be cured by the issuance of the Parity Housing Debt, and the IRFD shall otherwise be in compliance with all covenants set forth in this Indenture.

(b) Except as provided in subsection (i) below, based on the most recent taxable valuation of property in the Project Areas of the IRFD that met their Trigger Amount in prior Fiscal Years and in the Project Areas of the IRFD that met their Trigger Amount in the current Fiscal Year as evidenced by the records of the IRFD or the City, plus at the option of the IRFD the amount of any Additional Housing Revenues, the Pledged Housing Increment shall equal at least one hundred twenty-five percent (125%) of Annual Debt Service payable from Pledged Housing Increment in each of the years that the proposed Parity Housing Debt will be outstanding, including within such Annual Debt Service, the amount of Annual Debt Service on the Parity Housing Debt then proposed to be issued or incurred.

(c) In the case of Parity Housing Debt issued as additional Housing Bonds under this Indenture, the Supplemental Indenture providing for the issuance of such Housing Bonds shall provide for (i) a deposit to the 2022 Housing Reserve Account in an amount necessary such that the amount deposited therein shall equal the 2022 Housing Reserve Requirement following issuance of the additional Housing Bonds, or (ii) a deposit to a reserve account for such additional Housing Bonds (and such other series of Housing Bonds identified by the IRFD) in an amount defined in such Supplemental

Indenture, as long as such Supplemental Indenture expressly declares that the Owners of such additional Housing Bonds will have no interest in or claim to the 2022 Housing Reserve Account and that the Owners of the Housing Bonds covered by the 2022 Housing Reserve Account will have no interest in or claim to such other reserve account or (iii) no deposit to either the 2022 Housing Reserve Account or another reserve account as long as such Supplemental Indenture expressly declares that the Owners of such additional Housing Bonds will have no interest in or claim to the 2022 Housing Reserve Account or any other reserve account. The Supplemental Indenture may provide that the IRFD may satisfy the 2022 Housing Reserve Requirement for a series of Parity Housing Debt issued as additional Housing Bonds under this Indenture by the deposit into the reserve account established pursuant to such Supplemental Indenture of an irrevocable standby or direct-pay letter of credit, insurance policy, or surety bond issued by a commercial bank or insurance company as described in the Supplemental Indenture.

Nothing in this Indenture establishes a requirement for the IRFD to establish a debt service reserve account for Parity Housing Debt that is not issued as additional Housing Bonds under this Indenture.

(d) Principal with respect to such Parity Housing Debt will be required to be paid on September 1 in any year in which such principal is payable.

(e) The aggregate principal amount of bonds and other debt (as defined in the Law and the Infrastructure Financing Plan) that will have been issued by the IRFD following the issuance of such Parity Housing Debt shall not exceed the maximum amount of bonds and other debt permitted to be issued by the IRFD. Pursuant to the Original Resolution of Issuance, the following Parity Housing Debt shall not account against the aggregate principal amount of bonds and other debt permitted to be issued by the IRFD: (i) any bonds or other debt issued or incurred for the sole purpose of refunding the Housing Bonds, funding a reserve fund for such refunding bonds and paying related costs of issuance and (ii) any bonds or other debt issued or incurred for the sole purpose of refunding such refunding bonds, funding a reserve fund and paying related costs of issuance.

(f) The aggregate amount of the principal of and interest on all bonds, loans, advances or indebtedness payable from Net Available Housing Increment, Net Available Facilities Increment and Conditional City Increment coming due and payable following the issuance of such Parity Housing Debt shall not exceed the maximum amount of Net Available Housing Increment, Net Available Facilities Increment and Conditional City Increment permitted under the Plan Limit to be allocated and paid to the IRFD following the issuance of such Parity Housing Debt.

(g) The proceeds of the Parity Housing Debt shall be used for a lawful purpose of the Pledged Housing Increment under the Law and the Infrastructure Financing Plan.

(h) Except as provided in subsection (i), the IRFD shall deliver to the Trustee (i) a Written Certificate of the IRFD certifying that the conditions precedent to the issuance of such Parity Housing Debt set forth in subsections (a) through (g) above have been satisfied and (ii) a written certificate of the City certifying that the condition

precedent to the issuance of such Parity Housing Debt set forth in subsection (g) has been satisfied.

(i) The conditions set forth in subsections (a) and (b) of this Section shall not apply to the issuance or incurrence of any Parity Housing Debt the net proceeds of which will be used solely to refund all or any portion of the Series 2022B Housing Bonds or any other outstanding Parity Housing Debt, provided that debt service payable in each year with respect to the proposed Parity Housing Debt is less than the debt service otherwise payable in each year with respect to the Series 2022B Housing Bonds or Parity Housing Debt, or portion thereof, proposed to be refunded.

Section 3.06. Issuance of Subordinate Housing Debt. (a) The IRFD may issue or incur Subordinate Housing Debt in such principal amount as shall be determined by the IRFD. The IRFD may issue or incur such Subordinate Housing Debt secured by a pledge of Pledged Housing Increment that is subordinate to the pledge of Pledged Housing Increment to the Housing Bonds and any Parity Housing Debt, subject to the following specific conditions precedent:

The issuance of such Subordinate Housing Debt shall comply with the conditions set forth in Section 3.05 (e) and (f).

(b) The Subordinate Housing Debt shall be payable from Pledged Housing Increment and secured by a pledge of Net Available Housing Increment on a subordinate basis to the IRFD's pledge of Net Available Housing Increment as security for its obligation to repay the City from Net Available Housing Increment for any Conditional City Increment used to pay debt service on obligations of the IRFD, as set forth in the Infrastructure Financing Plan.

(c) The IRFD shall deliver to the Trustee a Written Certificate of the IRFD certifying that the conditions precedent to the issuance of such Subordinate Housing Debt set forth in the preceding subsections have been satisfied.

(d) As of the date of this Indenture, the IRFD has previously incurred a Subordinate Housing Debt under a Subordinate Pledge Agreement, dated May 29, 2015, by the City on behalf of the IRFD for the benefit of the United States of America. The pledge of Net Available Housing Increment under the Subordinate Pledge Agreement is subordinate to the pledge of Net Available Housing Increment to Housing Bonds and Parity Housing Debt and to the IRFD's obligation to repay the City from Net Available Housing Increment as set forth in the preceding subsection (b).

Section 3.07. Validity of Housing Bonds. The validity of the authorization and issuance of the Housing Bonds shall not be dependent upon the completion of the uses to which the proceeds of the Housing Bonds are put or upon the performance by any person of his obligation with respect to the IRFD.

ARTICLE IV

SECURITY OF HOUSING BONDS; FLOW OF FUNDS

Section 4.01. Security of Housing Bonds; Equal Security. Except as provided in Section 6.06, the Series 2022B Housing Bonds and any Parity Housing Debt shall be equally secured by a pledge of, security interest in and lien on all of the Pledged Housing Increment (including the Pledged Housing Increment in the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account).

The Series 2022B Housing Bonds and any additional Housing Bonds shall also be secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Housing Debt Service Fund, the Interest Account, the Principal Account and the Redemption Account without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery.

The Series 2022B Housing Bonds and all 2022 Related Housing Bonds shall be equally secured by a pledge of, security interest in and lien on all of the moneys in the 2022 Housing Reserve Account (except as otherwise provided herein) without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery.

Except for the Pledged Housing Increment and such moneys specified above, no funds or properties of the IRFD (including but not limited to the Net Available Facilities Increment and Conditional City Facilities Increment deposited into the Conditional City Facilities Increment Special Account) shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Housing Bonds.

In consideration of the acceptance of the Housing Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the IRFD and the Owners from time to time of the Housing Bonds, and the covenants and agreements herein set forth to be performed on behalf of the IRFD shall be for the equal and proportionate benefit, security and protection of all Owners of the Housing Bonds without preference, priority or distinction as to security or otherwise of any of the Housing Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02. Special Funds and Accounts; Deposit of Net Available Housing Increment and Conditional City Housing Increment.

(a) Net Available Increment Special Fund; Net Available Facilities Increment Special Account; Net Available Housing Increment Special Account. The IRFD shall establish a fund to be held by or on behalf of the IRFD as a separate restricted account, to be known as the "Net Available Increment Special Fund." The IRFD shall establish the following accounts within the Net Available Increment Special Fund to be held by or on behalf of the IRFD as separate restricted accounts: the "Net Available Facilities Increment Special Account" and the "Net Available Housing Increment Special Account."

Amounts on deposit in the Net Available Facilities Increment Special Account shall be transferred and applied as provided in a bond indenture or other agreement providing for the

pledge or use of the Net Available Facilities Increment in accordance with the Infrastructure Financing Plan.

(b) Deposits into the Net Available Increment Special Fund, the Net Available Facilities Increment Special Account and the Net Available Housing Increment Special Account. Promptly upon receipt thereof, if the amounts required to be paid to the City and County of San Francisco pursuant to Section 53369.31 of the Law were not deducted prior to allocation to the IRFD, the IRFD shall set such amounts aside for payment pursuant to Section 53369.31.

Thereafter, or if the amounts required to be paid to the City and County of San Francisco pursuant to Section 53369.31 of the Law were deducted prior to payment of the Net Available Increment to the IRFD, the IRFD shall deposit 17.5% of the Net Available Increment received in any Bond Year in the Net Available Housing Increment Special Account (or such greater or lesser amount permitted to be deposited therein pursuant to an opinion of nationally-recognized bond counsel) and 82.5% of such Net Available Increment in the Net Available Facilities Increment Special Account (or such greater or lesser amount permitted to be deposited therein pursuant to an opinion of nationally-recognized bond counsel). The IRFD may establish separate accounts within the Net Available Increment Special Fund, and separate sub-accounts within the Net Available Housing Increment Special Account and the Net Available Facilities Increment Special Account in its discretion.

Amounts deposited to and held by the IRFD in the Net Available Increment Special Fund and the accounts therein shall be at all times separately accounted for by the IRFD from all other funds or accounts, and the Net Available Housing Increment shall be used and applied solely as set forth in this Indenture.

The Net Available Housing Increment received in any Bond Year and deposited into the Net Available Housing Increment Special Account shall be subject to the pledge, security interest and lien set forth in Section 4.01 until such time during such Housing Bond Year as the amounts on deposit in the Net Available Housing Increment Special Account equal the aggregate amounts required to be transferred in such Bond Year (i) for deposit into the Interest Account, the Principal Account, the 2022 Housing Reserve Account, any other reserve account held by the Trustee for Bonds that are not 2022 Related Housing Bonds and the Redemption Account in such Bond Year pursuant to Section 4.03 hereof and, if applicable, (ii) with respect to any Parity Housing Debt other than Bonds pursuant to the applicable Parity Housing Debt Instrument.

All Net Available Housing Increment received by the IRFD during any Bond Year in excess of the amount required to be deposited in the Net Available Housing Increment Special Account during such Bond Year pursuant to the preceding paragraph of this Section shall be released from the pledge, security interest and lien hereunder for the security of the Housing Bonds and any additional Parity Housing Debt and may be applied by the IRFD for any lawful purpose of the IRFD, including but not limited to the repayment of the City for use of Conditional City Housing Increment to pay debt service on the Housing Bonds or any Parity Housing Debt, payment of Subordinate Housing Debt, payment of administrative expenses of the IRFD, or the payment of any amounts due and owing to the United States of America pursuant to Section 5.12.

Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Housing Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indenture or Parity Housing Debt Instrument, the IRFD shall not have

any beneficial right or interest in the moneys on deposit in the Net Available Housing Increment Special Account, except as may be provided in this Indenture and in any Supplemental Indenture or Parity Housing Debt Instrument.

(c) Conditional City Increment Special Fund; Conditional City Housing Increment Special Account; Conditional City Facilities Increment Special Account. The IRFD shall establish a fund to be held by or on behalf of the IRFD as a separate restricted account, to be known as the “Conditional City Increment Special Fund.” The IRFD shall establish the following accounts within the Conditional City Increment Special Fund to be held by or on behalf of the IRFD as separate restricted accounts: the “Conditional City Housing Increment Special Account” and the “Conditional City Facilities Increment Special Account.”

Amounts on deposit in the Conditional City Facilities Increment Special Account shall be transferred and applied as provided in a bond indenture or other agreement providing for the pledge or use of the Conditional City Facilities Increment in accordance with the Infrastructure Financing Plan.

(d) Deposits into the Conditional City Increment Special Fund, Conditional City Housing Increment Special Account and the Conditional City Facilities Increment Special Account. Promptly upon receipt thereof, if the amounts required to be paid to the City and County of San Francisco pursuant to Section 53369.31 of the Law were not deducted prior to allocation to the IRFD, the IRFD shall set such amounts aside for payment pursuant to Section 53369.31.

Thereafter, or if the amounts required to be paid to the City and County of San Francisco pursuant to Section 53369.31 of the Law were deducted prior to payment of the Conditional City Increment to the IRFD, the IRFD shall deposit 17.5% of the Conditional City Increment received in any Bond Year in the Conditional City Housing Increment Special Account (or such greater or lesser amount permitted to be deposited therein pursuant to an opinion of nationally-recognized bond counsel) and 82.5% of such Conditional City Increment in the Conditional City Facilities Increment Special Account (or such greater or lesser amount permitted to be deposited therein pursuant to an opinion of nationally-recognized bond counsel). The IRFD may establish separate accounts within the Conditional City Increment Special Fund, and separate sub-accounts within the Conditional City Housing Increment Special Account and the Conditional City Facilities Increment Special Account in its discretion.

Amounts deposited to and held by the IRFD in the Conditional City Increment Special Fund and the accounts therein shall be at all times separately accounted for by the IRFD from all other funds or accounts, and the Conditional City Housing Increment shall be used and applied solely as set forth in this Indenture.

The Conditional City Housing Increment received in any Bond Year and deposited into the Conditional City Housing Increment Special Account shall be subject to the pledge, security interest and lien set forth in Section 4.01 until such time during such Bond Year as the amount of Net Available Housing Increment on deposit in the Net Available Housing Increment Special Account is equal to the aggregate amounts required to be transferred in such Bond Year (i) for deposit into the Interest Account, the Principal Account, and the Redemption Account in such Bond Year pursuant to Section 4.03 hereof and, if applicable, (ii) with respect to any Parity Housing Debt other than additional Housing Bonds pursuant to the applicable Parity Housing Debt Instrument.

Once the condition set forth in the prior paragraph has been satisfied, all Conditional City Housing Increment shall be released from the pledge, security interest and lien hereunder for the security of the Housing Bonds and any additional Parity Housing Debt.

If the condition set forth in the second preceding paragraph is not satisfied in a Bond Year, any remaining Conditional City Housing Increment in the Conditional City Housing Increment Special Account shall be released from the pledge, security interest and lien hereunder for the security of the Housing Bonds and any additional Parity Housing Debt following payment of the principal or redemption price of and interest on the Housing Bonds due during such Bond Year and the payment of any amounts due during such Bond Year on any Parity Housing Debt.

On each September 2, or such earlier date on which the pledge, security interest and lien on the Conditional City Housing Increment is released as described in the preceding two paragraphs, the IRFD shall, first, use any Conditional City Housing Increment in the Conditional City Housing Increment Special Account to pay debt service on other obligations that is then due in accordance with the Infrastructure Financing Plan, and, second, transfer any remaining such Conditional City Housing Increment to the City.

Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Housing Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indenture or Parity Housing Debt Instrument, the IRFD shall not have any beneficial right or interest in the moneys on deposit in the Conditional City Housing Increment Special Account, except as may be provided in this Indenture and in any Supplemental Indenture or Parity Housing Debt Instrument.

Section 4.03. Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Housing Debt Service Fund, which shall be held by the Trustee hereunder in trust. Moneys in the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account, in that order and as provided in this 4.03, with moneys in the Net Available Housing Increment Special Account being exhausted before moneys in the Conditional City Housing Increment Special Account are used, shall be transferred by the IRFD to the Trustee in the following amounts, at the following times, and deposited by the Trustee in the following respective special accounts, which are hereby established in the Housing Debt Service Fund, and in the following order of priority (provided that, if on the fifth (5th) Business Day prior to the date the IRFD is required to transfer amounts on deposit in the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account to the Trustee there are not amounts on deposit therein sufficient to make the following deposits, taking into account amounts required to be transferred with respect to Parity Housing Debt other than Bonds, the IRFD shall immediately notify the Trustee of the amount of any such insufficiency):

(a) Interest Account. On or before the third (3rd) Business Day preceding each Interest Payment Date, the IRFD shall withdraw from the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account, in that order, and transfer to the Trustee, for deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Housing Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon

all of the Outstanding Housing Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Housing Bonds as it shall become due and payable (including accrued interest on any Housing Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the third (3rd) Business Day preceding September 1 in each year beginning September 1, 2023_, the IRFD shall withdraw from the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account, in that order, and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Serial Housing Bonds and Outstanding Term Housing Bonds, including pursuant to mandatory sinking account redemption, on the next September 1. No such transfer and deposit need be made to the Principal Account if the amount contained therein is at least equal to the principal to become due on the next September 1 on all of the Outstanding Serial Housing Bonds and Term Housing Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Serial Housing Bonds and the Term Housing Bonds, including by mandatory sinking account redemption, as the same shall become due and payable.

(c) Debt Service Reserve Accounts. In the event that (i) the amount on deposit in the 2022 Housing Reserve Account at any time becomes less than the 2022 Housing Reserve Requirement or (ii) the amount in any other reserve account that is held by the Trustee for Bonds that are not 2002 Related Bonds becomes less than its required amount, the Trustee shall promptly notify the IRFD of such fact. Promptly upon receipt of any such notice, the IRFD shall, without preference or priority and on a pro rata basis based on the outstanding principal amount of any Housing Bonds or other Parity Housing Debt, (i) transfer to the Trustee an amount of Net Available Housing Increment sufficient for the amount on deposit in the 2022 Housing Reserve Account to equal the 2022 Housing Reserve Requirement, (ii) transfer to the Trustee an amount of Net Available Housing Increment sufficient for the amount on deposit in such other reserve account held by the Trustee to equal its required amount and (iii) transfer as necessary to increase the amount in a debt service reserve account for any Parity Housing Debt that is not held by the Trustee to its required amount. If there shall then not be sufficient Net Available Housing Increment to make the transfers described in the preceding sentence, the IRFD shall be obligated to continue making transfers as Net Available Housing Increment becomes available in the Net Available Housing Increment Special Account until there is an amount sufficient to make the required transfers.

Moneys in the 2022B Reserve Account shall be governed by Section 4.04.

(d) Redemption Account. On or before the Business Day preceding any date on which the Series 2022B Housing Bonds are to be optionally redeemed pursuant to Section 2.03(a) or other series of Housing Bonds are to be optionally redeemed pursuant to a Supplemental Indenture, the Trustee shall withdraw from the Housing Debt Service Fund any amount transferred by the IRFD pursuant to Section 2.03(a) for deposit in the Redemption Account, such amount being the amount required to pay the principal of and premium, if any, on the Series 2022B Housing Bonds and on other Bonds to be optionally redeemed on such date pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture. All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and

premium, if any, on the Series 2022B Housing Bonds and on such other Bonds to be optionally redeemed pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture on the date set for such optional redemption. Interest due on the Series 2022B Housing Bonds or such other Bonds to be optionally redeemed on the date set for optional redemption shall, if applicable, be paid from funds available therefor in the Interest Account. Notwithstanding the foregoing, at any time prior to giving notice of optional redemption of any such Series 2022B Housing Bonds or such other Bonds, the Trustee may, at the direction of the IRFD, apply amounts deposited or otherwise to be deposited in the Redemption Account to the purchase of the Series 2022B Housing Bonds or such other Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest on such Series 2022B Housing Bonds or such other Bonds, which is payable from the Interest Account) s shall be directed by the IRFD.

Section 4.04. 2022 Housing Reserve Account.

(a) Use of 2022 Housing Reserve Account. Except as provided in this Section 4.04, all money in the 2022 Housing Reserve Account shall be used and withdrawn by the Trustee for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority to pay principal of and interest on the Series 2022B Housing Bonds and any 2022 Related Housing Bonds, in the event of any deficiency at any time in any of such accounts.

So long as the IRFD is not in default hereunder, any amount in the 2022 Housing Reserve Account in excess of the 2022 Housing Reserve Requirement shall be withdrawn by the Trustee from the 2022 Housing Reserve Account semiannually on or before the fifth (5th) Business Day preceding each March 1 and September 1 for the following purposes, as directed in a Written Certificate of the IRFD: (i) to make a payment to the federal government to comply with Section 5.12 and (ii) to pay for authorized costs under the DDA Financing Plan, the Infrastructure Financing Plan and the Law.

(b) Investment. Moneys in the 2022 Housing Reserve Account shall be invested by the Trustee under Section 6.07.

(c) Qualified Reserve Account Credit Instruments. The IRFD shall have the right at any time to direct the Trustee to release funds from the 2022 Housing Reserve Account, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the Series 2022B Housing Bonds or any 2022 Related Housing Bonds the interest on which is excluded from gross income of the owners thereof for federal income tax purposes to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the IRFD to the Trustee of a written calculation of the amount permitted to be released from the 2022 Housing Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the 2022 Housing Reserve Account to the related account(s) in the Housing Project Fund to be used for the purposes thereof. Upon the scheduled expiration of any Qualified Reserve Account Credit Instrument, the IRFD shall either (i) replace

such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the 2022 Housing Reserve Requirement, which deposit shall be derived from the first Net Available Housing Increment that is available for that Bond Year or, if necessary any succeeding Bond Years, but only after the IRFD has transferred or provided for the transfer of amounts (A) to be deposited into the Interest Account, the Principal Account, any debt service reserve account for Bonds that are not 2022 Related Housing Bonds and the Redemption Account in such Bond Year and (B) required in such Bond Year under a Parity Housing Debt Instrument with respect to any Parity Housing Debt other than Housing Bonds.

If the Qualified Reserve Account Credit Instrument is in the form of a letter of credit and the IRFD has not renewed or replaced such letter of credit two weeks prior to its expiration or termination, the Trustee shall draw on such letter of credit in full and deposit the proceeds of such draw in the 2022 Housing Reserve Account.

If the 2022 Housing Reserve Requirement is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, the cash shall be first used to meet any deficiency which may exist from time to time in the Housing Debt Service Fund with respect to the Series 2022B Housing Bonds and any 2022 Related Housing Bonds. If the 2022 Housing Reserve Requirement is being maintained with two or more Qualified Reserve Account Credit Instruments, any draw to meet a deficiency which may exist from time to time in the Housing Debt Service Fund with respect to the Series 2022B Housing Bonds and any 2022 Related Housing Bonds shall be pro rata with respect to the stated amount of each such instrument.

In the event that a Qualified Reserve Account Credit Instrument is available to be drawn upon for only one or more particular series of Housing Bonds covered by the 2022 Housing Reserve Account, a separate subaccount in the 2022 Housing Reserve Account may be established for such series, and the calculation of the 2022 Housing Reserve Requirement with respect to the other Bonds covered by the 2022 Housing Reserve Account shall exclude the debt service on such series of Housing Bonds.

The IRFD will have no obligation to replace a Qualified Reserve Account Credit Instrument or to fund the 2022 Housing Reserve Account with cash if, at any time that the Series 2022B Housing Bonds or any 2022 Related Housing Bonds are Outstanding, the Qualified Reserve Account Credit Instrument (or its provider) is downgraded or the provider becomes insolvent, if there is an unscheduled termination of the Qualified Reserve Account Credit Instrument or if for any reason insufficient amounts are available to be drawn upon under the Qualified Reserve Account Credit Instrument; provided, however, that the IRFD shall reimburse the provider, in accordance with the terms of the Qualified Reserve Account Credit Instrument, for any draws made thereon.

The IRFD and the Trustee shall comply with the terms of the Qualified Reserve Account Credit Instrument as shall be required to receive payments thereunder in the event and to the extent required under this Section.

ARTICLE V

OTHER COVENANTS OF THE IRFD

Section 5.01. Punctual Payment. The IRFD shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Housing Bonds together with the premium thereon, if any, in strict conformity with the terms of the Housing Bonds and of this Indenture. The IRFD shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Housing Bonds. Nothing herein contained shall prevent the IRFD from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02. Limitation on Additional Indebtedness; Against Encumbrances. The IRFD hereby covenants that, so long as the Housing Bonds are Outstanding, the IRFD shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Pledged Housing Increment, excepting only (i) the Series 2022B Housing Bonds, (ii) any Parity Housing Debt and (iii) any Subordinate Housing Debt. The IRFD will not otherwise encumber, pledge or place any charge or lien upon any of the Pledged Housing Increment or other amounts pledged to the Housing Bonds superior or equal to the pledge and lien herein created for the benefit of the Housing Bonds.

Section 5.03. Extension of Payment. The IRFD will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Housing Bond or claim for interest on any of the Housing Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Housing Bonds or claims for interest in any other manner. In case the maturity of any Housing Bond or claim for interest shall be extended or funded, whether or not with the consent of the IRFD, any Housing Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Housing Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04. Payment of Claims. The IRFD shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the IRFD or upon the Pledged Housing Increment or other amounts pledged to the payment of the Housing Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Housing Bonds. Nothing herein contained shall require the IRFD to make any such payment so long as the IRFD in good faith shall contest the validity of said claims.

Section 5.05. Books and Accounts; Financial Statements. The IRFD shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the IRFD and the City and County of San Francisco, in which complete and correct entries shall be made of all transactions relating to the IRFD, the Project Areas, the Net Available Housing Increment, the Conditional City Housing Increment, the Housing Project Fund, the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account. Such books of record and accounts shall at all times during business hours be subject to the Owners of not less than ten percent (10%) in aggregate principal amount of the Housing Bonds then Outstanding, or their representatives authorized in writing.

Section 5.06. Protection of Security and Rights of Owners. The IRFD will preserve and protect the security of the Housing Bonds and the rights of the Owners. From and after the Closing Date with respect to the Series 2022B Housing Bonds, the Housing Bonds shall be incontestable by the IRFD.

Section 5.07. Maintenance of Pledged Housing Increment.

(a) The IRFD shall comply with all requirements of the Law to insure the allocation and payment to it of the Pledged Housing Increment. The IRFD shall not undertake proceedings for amendment of the Infrastructure Financing Plan if such amendments will impair the IRFD's ability to pay debt service on the Housing Bonds or, in and of themselves, cause the amount of Pledged Housing Increment available to the IRFD for application hereunder in any succeeding Fiscal Year to fall below 125% of Maximum Annual Debt Service.

(b) The IRFD shall use the proceeds of the Housing Bonds so as to ensure that the Pledged Housing Increment may be used under the Law for the purposes set forth herein. The covenant set forth in the first sentence of this subsection (b) is of a special and unique kind and character, and there would not be an adequate remedy at law for a breach of such covenant. Therefore, the IRFD agrees that the covenant may be enforced by an action for specific performance and such other equitable relief as is provided by the laws of the State of California. In pursuing specific performance of such covenant, the party seeking to enforce such covenant shall be entitled to petition the court for injunctive relief, including, but not limited to, an order of the court restraining any use of the proceeds of the Housing Bonds that is inconsistent with such covenant.

Section 5.08. Compliance with the Law. The IRFD shall ensure that all activities undertaken by the IRFD are undertaken and accomplished in conformity with all applicable requirements of the Infrastructure Financing Plan and the Law.

Section 5.09. Plan Limit.

(a) The IRFD shall manage its fiscal affairs in a manner which ensures that it will have sufficient Pledged Housing Increment available under the Plan Limit in the amounts and at the times required to enable the IRFD to pay the principal of and interest and premium (if any) on the Outstanding Housing Bonds and any outstanding Parity Housing Debt when due.

(b) The IRFD shall annually review the total amount of Net Available Increment available to be allocated to the IRFD under the Plan Limits, as well as future cumulative annual payments on (i) the Housing Bonds, (ii) any Parity Housing Debt, (iii) any Subordinate Housing Debt, (iv) any obligation to repay the City for any Conditional City Increment used to pay debt service on obligations of the IRFD and (v) any bonds or debt payable from Net Available Facilities Increment.

In furtherance of the covenant in the preceding paragraph, if the IRFD ever determines that during the next succeeding Bond Year, the future cumulative annual payments on (i) the Housing Bonds, (ii) any Parity Housing Debt, (iii) any Subordinate Housing Debt, (iv) any obligation to repay the City for any Conditional City Increment used to pay debt service on obligations of the IRFD and (v) any bonds or debt payable from Net Available Facilities Increment is expected to equal at least 80% of the remaining amount of Net Available Increment available to be allocated to the IRFD under the Plan Limits, then the IRFD shall either (i) adopt a

plan approved by an Independent Economic Consultant that demonstrates the IRFD's continuing ability to pay all of the debt service on the Housing Bonds and any Parity Housing Debt through the scheduled maturity date(s), or (ii) claim all Net Available Housing Increment not needed to pay current or any past due debt service on Housing Bonds or any Parity Housing Debt for so long as the 80% threshold set forth above is met and deposit such amounts, when received, into a Trustee-held escrow account (the "Escrow Account") and invested in Defeasance Obligations. Moneys in the Escrow Account must be used only to pay debt service on the Housing Bonds and any Parity Housing Debt, or to redeem Housing Bonds and any Parity Housing Debt that does not constitute Housing Bonds.

Section 5.10. Continuing Disclosure. The IRFD hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the IRFD to comply with the Continuing Disclosure Certificate shall not be an Event of Default hereunder. However, any Participating Underwriter or any holder or beneficial owner of the Housing Bonds may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the IRFD to comply with its obligations under this Section.

Section 5.11. Further Assurances. The IRFD will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Housing Bonds the rights and benefits provided in this Indenture.

Section 5.12. Federal Tax Law Covenants.

(a) Private Activity Bond Limitation. The IRFD will assure that the proceeds of the Series 2022A Housing Bonds are not so used as to cause the Series 2022A Housing Bonds to satisfy the private business tests of section 141(b) of the Code or the private loan financing test of section 141(c) of the Code.

(b) Federal Guarantee Prohibition. The IRFD will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the Series 2022B Housing Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) Rebate Requirement. The IRFD will take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Series 2022B Housing Bonds.

(d) No Arbitrage. The IRFD will not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Series 2022B Housing Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Series 2022B Housing Bonds would have caused the Series 2022B Housing Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(e) Maintenance of Tax-Exemption. The IRFD will take all actions necessary to assure the exclusion of interest on the Series 2022B Housing Bonds from the gross income of the Owners of the Series 2022B Housing Bonds to the same extent as such interest is permitted

to be excluded from gross income under the Code as in effect on the date of issuance of the Series 2022B Housing Bonds.

(f) Record Retention. The IRFD will retain its records of all accounting and monitoring it carries out with respect to the Series 2022B Housing Bonds for at least 3 years after the Series 2022B Housing Bonds mature or are redeemed (whichever is earlier); however, if the Series 2022B Housing Bonds are redeemed and refunded, the IRFD will retain its records of accounting and monitoring at least 3 years after the earlier of the maturity or redemption of the obligations that refunded the Series 2022B Housing Bonds.

(g) Compliance with Tax Certificate. The IRFD will comply with the provisions of the Certificate as to Arbitrage and the Certificate Regarding Use of Proceeds with respect to the Series 2022B Housing Bonds. The covenants of this Section will survive payment in full or defeasance of the Housing Bonds.

(h) Qualified Project Costs; Expected Life. The IRFD hereby covenants to make a grant of the proceeds of the Series 2022B Housing Bonds to pay Qualified Project Costs, and covenants that the portions of the Project financed by the proceeds of the Series 2022B Housing Bonds will have an expected average useful life of at least 25 years. The grant is structured as a forgivable loan. The loan will be forgiven if the grantee complies with the conditions of the forgivable loan which are more fully set forth in a loan agreement between the City and Mercy Housing California 82, L.P. and a recorded declaration of restrictions and affordable housing covenants. The IRFD and the grantee expect that the terms for forgiveness of the loan will be met.

ARTICLE VI

THE TRUSTEE

Section 6.01. Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The IRFD may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Housing Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the IRFD has knowledge that the Trustee shall cease to be eligible in accordance with subsection (e) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the IRFD to the Trustee, whereupon the IRFD shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the IRFD and by giving the Owners notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the IRFD shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the IRFD for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the IRFD and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the IRFD or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of

conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the IRFD shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the IRFD shall cause either the predecessor Trustee or the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Housing Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Housing Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall immediately give written notice thereof, by first-class mail to the Owner of each any Housing Bond, unless such Event of Default shall have been cured before the giving of such notice.

(f) The IRFD agrees that, so long as any Housing Bonds or any Parity Housing Debt are Outstanding, the Trustee shall be a financial institution having a trust office in the State, having (or in the case of a corporation or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02. Merger or Consolidation. Any bank or trust company into which the Trustee may be merged or converted or with which may be consolidated or any bank or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank or trust company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03. Liability of Trustee.

(a) The recitals of facts herein and in the Housing Bonds contained shall be taken as statements of the IRFD, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Housing Bonds or the tax status of interest thereon nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Housing Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Housing Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Housing Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Housing Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or willful misconduct of the Trustee. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the IRFD at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Housing Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity, effectiveness, perfection or attachment of any lien or security interest of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the IRFD's certificates to establish the IRFD's compliance with its financial covenants hereunder, including, without limitation, its covenants set forth in Section 4.02 and the application of moneys on deposit in the funds and accounts established pursuant to Section 4.02 (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) The Trustee shall have no liability or obligation to the Bond Owners with respect to the payment of debt service on the Housing Bonds by the IRFD or with respect to the observance or performance by the IRFD of the other conditions, covenants and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held or maintained by the IRFD pursuant to this Indenture or otherwise.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder.

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Housing Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

Section 6.04. Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the IRFD, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Trustee, the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of an Owner of a Housing Bond unless and until any Housing Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the IRFD, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable. The Trustee may conclusively

rely on any certificate or report of any Independent Accountant or Independent Economic Consultant appointed by the IRFD.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods; provided, however, that the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the IRFD elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The IRFD agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 6.05. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the IRFD and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06. Compensation and Indemnification. The IRFD shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the IRFD and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Net Available Housing Increment Special Account and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel).

The IRFD further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense and liabilities which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or willful misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the IRFD and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Housing Bonds and discharge of this Indenture.

Section 6.07. Deposit and Investment of Moneys in Funds. Moneys in the Housing Project Fund (including any accounts therein), the Housing Debt Service Fund, the Interest Account, the Principal Account, the 2022 Housing Reserve Account, any reserve account held

by the Trustee for Bonds that are not 2022 Related Housing Bonds, the Redemption Account, the capitalized interest account for any Housing Bonds and the Series 2022B Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the IRFD in the Written Request of the IRFD filed with the Trustee, except that moneys in the 2022 Housing Reserve Account and, except as provided in a Supplemental Indenture, any reserve account held by the Trustee for Bonds that are not 2022 Related Housing Bonds, shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (h) of the definition thereof. In the absence of any such Written Request of the IRFD, the Trustee shall invest any such moneys in Permitted Investments described in clause (f) of the definition thereof, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder.

The Trustee shall be entitled to rely conclusively upon the written instructions of the IRFD directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the above list which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the IRFD's expense.

Moneys in the Net Available Housing Increment Special Account and the Conditional City Housing Increment Special Account may be invested by the IRFD in any obligations in which the IRFD is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder (except amounts in the Housing Project Fund) shall be deposited in the Interest Account; *provided, however*, that (i) all interest or gain from the investment of amounts in the 2022 Housing Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the 2022 Housing Reserve Account to equal the 2022 Housing Reserve Requirement and (ii) all interest or gain from the investment of amounts in any other debt service reserve account held by the Trustee for Bonds that are not 2022 Related Housing Bonds shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the 2022 Housing Reserve Account to equal the 2022 Housing Reserve Requirement or the balance in such other reserve account to equal its required amount. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the IRFD or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The IRFD acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the IRFD the right to receive brokerage confirmations of security transactions as they occur, the IRFD specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the IRFD monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the IRFD for earnings derived from funds that have been invested.

The IRFD covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Housing Bonds (within the meaning of section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the IRFD at their present value (within the meaning of section 148 of the Code). Such books of record and account shall be available for inspection by the IRFD upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the IRFD, on a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Housing Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01. Amendment With and Without Consent of Owners. This Indenture and the rights and obligations of the IRFD and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners, to the extent permitted by law, but only for any one or more of the following purposes -

(a) to add to the covenants and agreements of the IRFD in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or powers herein reserved to or conferred upon the IRFD; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the IRFD may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the IRFD, materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Housing Debt in accordance with Section 3.05; or

(d) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not adversely affect the exemption from federal income taxation of interest on any of the Housing Bonds the interest on which is intended to be excluded from gross income for federal income tax purposes, in the opinion of Bond Counsel; or

(e) to comply with the requirements of a provider of a Qualified Reserve Account Credit Instrument for the 2022 Housing Reserve Account or a similar provider for any other debt service reserve account held by the Trustee for Bonds that are not 2022 Related Housing Bonds.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the IRFD and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of the Owners of a majority in aggregate principal amount of the Housing Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Housing Bond or otherwise alter or impair the obligation of the IRFD to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Housing Bond without the express written consent of the Owner of any Housing Bond, or (b) reduce the percentage of Housing Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent.

For the avoidance of doubt, the owners of a series of Housing Bonds shall be deemed to have consented to the provisions of a Supplemental Indenture if notice of the provisions is given

by the IRFD in an Official Statement for any Housing Bonds prior to the sale of any Housing Bonds.

Section 7.02. Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03. Endorsement or Replacement of Housing Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the IRFD may determine that any or all of the Housing Bonds shall bear a notation, by endorsement in form approved by the IRFD, as to such amendment or modification and in that case upon demand of the IRFD the Owners of any Housing Bonds shall present any Housing Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on any Housing Bonds. In lieu of such notation, the IRFD may determine that new Bonds shall be prepared at the expense of the IRFD and executed in exchange for any or all of the Housing Bonds, and in that case, upon demand of the IRFD, the Owners of the Housing Bonds shall present any Housing Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04. Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Housing Bond held by such Owner, provided that due notation thereof is made on any Housing Bond.

Section 7.05. Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and does not adversely affect the exclusion of interest on the Housing Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Housing Bonds from personal income taxation by the State.

Section 7.06. Copy of Supplemental Indenture to S&P and Moody's. The IRFD shall provide to S&P and Moody's, for so long as S&P and Moody's, as the case may be, maintain a rating on any of the Housing Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture at least 15 days prior to its proposed effective date.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01. Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the IRFD in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Housing Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the IRFD in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Housing Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the IRFD of written notice from the Trustee, or written notice from any Owner (with a copy of said notice delivered to the Trustee) of the occurrence of such default, provided that if in the reasonable opinion of the IRFD the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the IRFD within such thirty (30) day period and the IRFD thereafter diligently and in good faith cures such failure in a reasonable period of time; or

(c) If the IRFD files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the IRFD seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the IRFD, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the IRFD or of the whole or any substantial part of its property.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Housing Bonds then Outstanding the Trustee shall, (a) declare the principal of the Housing Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Housing Bonds to the contrary notwithstanding, and (b) subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Owners of the Housing Bonds in law or at equity.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to the IRFD by telephone promptly confirmed in writing. Such notice shall also state whether the principal of the Housing Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in clauses (a) or (c) above the Trustee shall, and with respect to any Event of Default described in clause (b) above the Trustee in its sole discretion may, also give such notice to the Owners by mail, which shall include the statement that interest on the Housing Bonds shall cease to accrue from and after the date, if any, on which the

Trustee shall have declared the Housing Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Housing Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Housing Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the IRFD shall, with the written consent of a majority in aggregate principal amount of the Owners of the Housing Bonds, deposit with the Trustee a sum sufficient to pay all principal on the Housing Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Housing Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law), and the reasonable fees and expenses of the Trustee, (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Housing Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Trustee shall promptly give written notice of the foregoing to the Owners of all Housing Bonds then Outstanding, and with the prior written approval of the Owners of at least a majority in aggregate principal amount of the Housing Bonds then Outstanding, by written notice to the IRFD and to the Trustee, may, on behalf of the Owners of all of the Housing Bonds, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Section 8.02. Application of Funds Upon Acceleration. All of the Pledged Housing Increment that are available to pay debt service on the Housing Bonds and all sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the several Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees, expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the Housing Bonds for principal and interest, as applicable, with interest on the overdue principal, and installments of interest at the net effective rate then borne by the Outstanding Housing Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Housing Bonds, then to the payment of such principal and interest without preference or priority, ratably to the aggregate of such principal and interest without taking into account the availability of funds in the 2022 Housing Reserve Account or any other reserve account.

Notwithstanding the foregoing, Conditional City Housing Increment may only be used to pay principal and interest on the Housing Bonds and any Parity Housing Debt, and any Subordinate Housing Debt.

Section 8.03. Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Housing Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Housing Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; *provided, however,* that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Housing Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04. Limitation on Owner's Right to Sue. No Owner of any Housing Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the IRFD and the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Housing Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Housing Bonds.

The right of any Owner of any Housing Bond to receive payment of the principal of (and premium, if any) and interest on any Housing Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05. Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Housing Bonds, shall affect or impair the obligation of the IRFD, which is absolute and unconditional, to pay from the Pledged Housing Increment and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Housing Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Housing Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the IRFD, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06. Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Housing Bonds or Parity Housing Debt shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, *provided, however*, the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

Section 8.08. Determination of Percentage of Bond Owners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Housing Bonds (including by the Owners of a majority in aggregate principal amount of the Outstanding Housing Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Housing Bonds determined as of the next succeeding Interest Payment Date.

Principal of and interest on the Housing Bonds (including the final interest payment upon maturity or earlier redemption), is payable on the applicable Interest Payment Date by check of the Trustee (defined below) mailed by first class mail to the registered Owner thereof at such registered Owner's address as it appears on the registration books maintained by the Trustee at the close of business on the Record Date preceding the Interest Payment Date, or by wire transfer made on such Interest Payment Date upon written instructions of any Owner of \$1,000,000 or more in aggregate principal amount of Housing Bonds delivered to the Trustee prior to the applicable Record Date.
