MANDATE STATEMENT

City Charter Section 2.105 states that all legislative acts shall be by ordinance, approved by a majority of the members of the Board of Supervisors. Passages of ordinances require two readings by the Board of Supervisors; ordinances are effective 30 days after passage.

City Charter Section 2.107 states that the Board of Supervisors may pass emergency ordinances on their first reading with a 2/3 affirmative vote. Emergency ordinances become effective upon approval by the Mayor, the expiration of the ten-day period for the Mayor to approve or veto, or the Board of Supervisors' override of the Mayor's veto. Emergency ordinances expire sixty days after their passage.

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance. As with other ordinances, passage of the ordinance requires two readings by the Board of Supervisors and the ordinance is effective 30 days after passage.

BACKGROUND

On February 25, 2020, Mayor London Breed proclaimed a state of emergency in response to the Novel Coronavirus 2019 Disease ("COVID-19") pandemic. On March 16, 2020, the San Francisco Health Officer issued Order C19-07b, generally requiring, among other things, residents to remain at home and most businesses to shutter. On March 31, 2020 the Health Officer issued Order C19-07b, which extends and tightens those rules through May 3, 2020. While necessary to maintain public health, these restrictions have imposed financial hardship to residents.

DETAILS OF PROPOSED LEGISLATION

File 20-0339: The proposed emergency ordinance would amend the Administrative Code to establish the COVID-19 Disaster Family Relief Fund as a "Category 8" fund. Under Administrative Code Section 10.100-1, monies in a Category 8 fund are automatically appropriated and do not require Board of Supervisors' authorization for spending. The provisions of this ordinance expire sixty days after it becomes effective.

File 20-0340: The proposed ordinance contains the same provisions as File 20-0339 for establishing the COVID-19 Disaster Family Relief Fund. The provisions of this ordinance expire sixty days after the Mayor withdraws the state of emergency proclamation related to COVID-19.

File 20-0341: The proposed ordinance would appropriate \$10 million from the General Reserve to the Human Rights Commission.

Disbursement of COVID-19 Disaster Family Relief Fund

Under the proposed ordinances, the Human Rights Commission would administer the COVID-19 Disaster Family Relief Fund. Monies in this fund would be available for up to 5,000 families¹ in

¹ Families must have at least one dependent that is 18 years old or younger.

San Francisco who are experiencing financial hardship, with a minimum disbursement of \$500 per month per family. In evaluating applicants, the Human Rights Commission would assess:

1. the severity of the financial hardship
2. the extent to which the family qualifies for federal or state financial relief
3. how disbursement may impact eligibility for other public assistance

The Human Rights Commission would conduct outreach through community-based organizations.

FISCAL IMPACT

File 20-0341 would appropriate \$10 million from the General Reserve to a General Fund account under the Human Rights Commission. The proposed ordinance should be amended to clarify that once the COVID-19 Disaster Family Relief Fund is established, the Controller will transfer the funds from that account into the proposed COVID-19 Disaster Family Relief Fund. As noted above, spending from the COVID-19 Disaster Family Relief Fund does not require Board of Supervisors' approval. Upon termination of the fund, any remaining money will revert to the General Fund.

POLICY CONSIDERATION

Administrative Code Section 10.60 (b) provides for a General Reserve equal to 2.75 percent of budgeted General Fund revenues in FY 2019-20. If the General Reserve is drawn down, the Administrative Code provides for appropriation of sufficient funds in the Annual Appropriation Ordinance to restore the required funding level. However, the Board of Supervisors may suspend this provision following a declaration of an emergency due to a natural disaster.

According to the Controller's March 31, 2020 presentation to the Board of Supervisors, the General Reserve currently contains \$150 million.

RECOMMENDATIONS

1. Amend the proposed appropriation ordinance (File 20-0341) to clarify that once the COVID-19 Disaster Family Relief Fund is established, the Controller will transfer the funds from that account into the proposed COVID-19 Disaster Family Relief Fund.
2. Amend the proposed ordinances (File 20-0339, 20-0340, and 20-0341) to require a quarterly written report from the Human Rights Commission to the Board of Supervisors detailing the disbursement of funds from the COVID-19 Disaster Family Relief Fund.
3. Approval of the proposed ordinances, as amended, is a policy matter for the Board of Supervisors.

DETAILS OF PROPOSED LEGISLATION

File 20-0339: The proposed emergency ordinance would amend the Administrative Code to establish the COVID-19 Emergency Family Relief Fund as a "Category 8" fund. Under Administrative Code Section 10.100-1, monies in a Category 8 fund are automatically appropriated and do not require Board of Supervisors' authorization for spending. File 20-0340: The proposed ordinance contains the same provisions as File 20-0339 for establishing the COVID-19 Emergency Family Relief Fund. The provisions of this ordinance expire sixty days after the Mayor withdraws the state of emergency proclamation related to COVID-19.

In addition, File 20-0341 is an appropriation ordinance pending before the Board of Supervisors that would appropriate \$10 million from the General Reserve to the Human Rights Commission.

Disbursement of COVID-19 Emergency Family Relief Fund

Under the proposed ordinances, the Human Rights Commission would administer the COVID-19 Emergency Family Relief Fund. Monies in this fund would be available for up to 5,000 families¹ in

¹ Families must have at least one dependent that is 18 years old or younger.

San Francisco who are experiencing financial hardship, with a minimum disbursement of \$500 per month per family. In evaluating applicants, the Human Rights Commission would assess:

3. how disbursement may impact eligibility for other public assistance

The Human Rights Commission would conduct outreach through community-based organizations.

FISCAL IMPACT

File 20-0341 would appropriate \$10 million from the General Reserve to a General Fund account under the Human Rights Commission. The proposed ordinance should be amended to clarify that once the COVID-19 Emergency Family Relief Fund is established, the Controller will transfer the funds from that account into the proposed COVID-19 Emergency Family Relief Fund. As noted above, spending from the COVID-19 Emergency Family Relief Fund does not require Board of Supervisors' approval. If the General Reserve is drawn down, the Administrative Code provides for appropriation of sufficient funds in the Annual Appropriation Ordinance to restore the required funding level. According to the Controller's March 31, 2020 presentation to the Board of Supervisors, the General Reserve currently contains \$150 million.

Re: Support for COVID-19 Emergency Family Relief Fund Legislation
– **File No. 200339, 200340, and 200341**

Dear Chair Fewer,

I write to express my strong support for Supervisor Walton's legislation to establish the COVID-19 Emergency Family Relief Fund, which has been additionally co-sponsored by Supervisors Ronen, Yee, Mar, Haney, Preston and Safai. While I serve as the District 5 appointee to the San Francisco Youth Commission, and as the Commission's Legislative Affairs Officer, I am writing this letter in my personal capacity as a constituent of District 5, as the Youth Commission has not been able to refer and hear legislation due to current circumstances.

This legislation would create the COVID-19 Emergency Family Relief Fund under the jurisdiction of the Human Rights Commission, which would aim to provide financial assistance of at least \$500 a month for up to 5,000 San Francisco families, especially those who have been severely impacted by the economic hardship caused by the COVID-19 pandemic, and those who do not qualify for federal or state assistance programs.

While the federal government of the United States has passed legislation to send stimulus checks of up to \$1,200 to most US taxpayers, most undocumented immigrants will not receive this economic support. Undocumented youth, and the children of undocumented parents, will therefore not receive the same level of economic support from the federal government as other youth and their families. This legislation attempts to fill a key gap in the social safety net for low-income families during the Shelter in Place Order key to combatting the COVID-19 pandemic.

It is however also worth noting that this is only a band-aid—a deeply needed band-aid, but such nonetheless—symptomatic of the dysfunctionality of San Francisco and the wider country's social and economic policy. Those most in need—youth, undocumented

people, communities of color, low-income families and individuals—are consistently the first left behind when the economy goes south. In most cases, vulnerable populations do not even get the support they need when the economy is “doing well”—terminology it is hard to reconcile with any part of the current American economic model. This legislation is testament to San Francisco’s leadership in times of crisis to take action to protect our most vulnerable constituents, but it also reveals the deep problems with the economic model, based on private sector-driven growth and profit, that all levels of our government are built around.

Keeping all this in mind, I urge you to pass these three related ordinances to create the COVID-19 Emergency Family Relief Fund.

Thank you for your consideration.

Sincerely,
