RE: Abandonment of Streets – Sunnydale HOPE SF Project , File no. 180855, 180857, 180858, 180859, and 180860

Dear Ms. Angela Calvillo:

This is in response to the City and County of San Francisco's intention of the proposed abandonment of portions of Sunrise Way, Sunnydale Avenue, Brookdale Avenue, Blythdale Avenue and Santos Street in the City and County of San Francisco.

Our research indicates that Pacific Gas and Electric Company is presently operating and maintaining utility facilities within the proposed areas to be abandoned as shown on SUR maps 2018-004 and 20185-002-082718 related to the Sunnydale HOPE SF Project filed under the Board of Supervisors File No. 180855, 180857, 180858, 180859, and 180860. If the abandonment is approved by the City Council/Board of Supervisors ("BOS"), we respectfully request that the following reservation be inserted in the Resolution of Vacation or Abandonment for the proposed areas to be abandoned:

RESERVING therefrom pursuant to the provisions of Section 8340 of the Streets and Highways Code and for the benefit of Pacific Gas and Electric Company, the permanent easement and the right at any time and from time to time to excavate for, construct, reconstruct, replace (of initial or any other size), remove, maintain, inspect, and use lines of pipes, conduits, cables, wires, poles, electrical conductors, and other equipment, fixtures and appurtenances for the operation of electric, gas, and communication facilities, including access, and also the rights to trim and cut down trees and brush that may be a hazard to the facilities; said area shall be kept open and free of buildings, structures and wells of any kind."

This reservation will protect our facilities installed pursuant to our franchise agreement with the City and County of San Francisco. Upon approval of the abandonment by the City Council/Board of Supervisors, please send a certified copy of the Resolution of Vacation to:
