2023. Ambassadors will be deployed daily from 7am to 7pm, except at grantee's discretion to support special or community events by request and to support business activity on Market Street and other appropriate areas, where hours may extend beyond 7:00 pm, for instance to provide coverage to cultural institution patrons. Grantee's deployment plan and all additional deliverables will be approved by OEWD once they have been approved by the Department of Emergency Management.

Ambassadors' roles with respect to safety are to provide a physical presence in the neighborhood, engaging with people who may need support (for a variety of health and safety reasons), and coordinating with and providing situationally appropriate referrals to other entities, which may include the police via calls to 911, DPH's Street Response Team, or other appropriate City agencies or nonprofit organizations. Ambassadors are to be *facilitators* of safety services, as opposed to the parties intervening in potentially dangerous situations, more appropriately handled by the police.

Ambassadors will engage with compassion and respect to support people in need, and improve the conditions of the area. Ambassadors will provide safety services as appropriate and delegate and report high risk activities or potentially dangerous situations, such as drug sales or violent activity, to the responsibility of the Police.

Specifically, the grantee will:

- Be responsible for contributing to culture change in the area included in Tenderloin Emergency Initiative by creating a deployment strategy to cover a single contiguous subarea within it
- Coordinate closely with Department of Emergency Management, San Francisco Police Department, including daily coordination with CBDs and City agencies and other ambassador programs, as appropriate.
- Implement ongoing and semi-annual evaluation, including via community surveys
- Plan additional neighborhood improvements that will increase business activity and ultimately reduce the need for safety ambassador services
- Subcontract to one or more vendors who will
 - Take responsibility for a single, contiguous multi-block area, deploying primarily fixed post-style ambassadors
 - Ensure ambassador coverage is efficient across blocks, taking care to deploy the minimum number of ambassadors needed so as to maximize the coverage of the program
 - Coordinate with TLCBD and City-funded ambassador programs working in the same area, including TLCBD park stewards, Tenderloin Merchants ambassadors, and St. Anthony's.
 - Make periodic adjustments to deployment plan based on City and community stakeholder priorities, including extending beyond the initial deployment map to additional community "hot spots", provided the area is safe for ambassadors
 - Provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums."

- Hire and train ambassadors who will engage with everyone on the street, with a specific focus on people in need but also generally providing hospitality and a welcoming presence to all residents, workers, visitors, and business owners
- Hire and train ambassadors who will provide referrals to city and nonprofit services for people in need, as well as provide basic information to the public about these services
- Ensure its team is adequately trained with the most up to date information on weekly coordination goals and service program referrals
- File 311 requests as issues are identified in any part of the operation's geographic boundary
- Provide weekly deployment reports and monthly deployment plans which include a fixed monthly cost
- Maintain an ambassador "hub" in the Tenderloin that will support ambassadors and supervisors in maintaining a safe and healthy presence

Grantee shall provide training to its employees on their interaction with members of the public exercising constitutional rights of freedom of speech, assembly, and the practice of religion, and/or the right to peacefully remain, as applicable, in public forums.

Prevailing Wages. Grantee agrees to comply with, and require its contractors to pay, prevailing wages for any labor in connection with a "public work" as defined under California Labor Code Section 1720 *et seq.* (which includes certain construction or maintenance work if paid for in whole or in part out of public funds).
