14 Be it ordained by the People of the City and County of San Francisco:

15 Section 1. The San Francisco Traffic Code is hereby amended by amending Section
16 202.C, to read as follows:

17 **SEC. 202.C. USE OF PARKING METER ZONES BY CONSTRUCTION VEHICLES,
18 PEST CONTROL VEHICLES.**

19 (i) Upon written application, the Director of Parking and Traffic shall issue to a
20 contractor annual nontransferable parking permits for display upon motor vehicles used in the
21 course of construction service, pest control service, and construction jobbing work within a
22 parking meter zone. Such permits shall be issued for a period of 12 consecutive months that
23 begin, in any calendar year, on June 1st or 6 consecutive months that begin, in any calendar year,
24 on December 1st. Such parking permits shall be in a form and have an appearance distinct
25 from those parking permits issued for residential permit parking areas.

1 No permit provided for herein shall be issued unless the written application includes the
2 number and type of the applicant's State contractor's license or business license if the
3 applicant provides pest control services, the year, make and license number of each motor
4 vehicle for which a permit is requested and such other information as the Director of Parking
5 and Traffic deems appropriate to carry out the duties imposed by this Section.

6 (ii) The term "motor vehicle" as used in this Section means a truck or van used
7 primarily to transport equipment, personnel or materials necessary to the construction project
8 or pest control service, bearing a commercial license plate registered to the licensed
9 contractor and upon which is displayed in a permanent fashion the name of the licensed
10 contractor as set forth in the Fictitious Business Name Statement on file in the Office of the
11 County Clerk.

12 (iii) The Director of Parking and Traffic is authorized to issue no more than eight such
13 parking permits per licensed contractor, except that (a) ~~up to five~~ additional permits may be
14 issued, at the sole discretion of the Director of Parking and Traffic, to any contractor who is
15 not eligible to apply for exclusive temporary use of parking meter zones under Section 202.E
16 of this Code; and (b) one parking permit may be issued to a licensed contractor who has only
17 one vehicle which is a station wagon and which meets all other criteria of this Section. A
18 station wagon qualifies as a motor vehicle, as defined herein, for this one permit only.

19 (iv) A motor vehicle displaying a parking permit issued as provided herein may be
20 parked in a parking meter zone without the deposit of any coins in the applicable meter. Such
21 a motor vehicle is not exempt from parking restrictions or prohibitions established pursuant to
22 authority other than this Article.

23 (v) The fee for the issuance of each parking permit provided for in this Section shall be
24 ~~\$325~~\$500 if purchased in the first six months of the permit year and ~~\$225~~\$250 if purchased in
25 the last six months of the permit year.

1 (vi) Consistent herewith, the Department of Parking and Traffic is authorized to adopt
2 procedures to prevent abuse of the parking permits issued under this subsection. Such
3 procedures shall include, but not be limited to providing for verification of an applicant's
4 qualifications for a parking permit under this subsection.
