Statement of Qualifications

ECS welcomes the opportunity to bring the experience of its participants/tenants to the Food Security Task Force. ECS serves meals to its 526 shelter residents, and to seniors through its congregate meals program, as well as hosts food pantry programs for the tenants in its permanent supportive housing programs. ECS also operates the CHEFS (Conquering Homelessness through Employment in Food Services) program – a vocational program for unhoused people preparing to enter the food services industry.

In addition to work with ECS I also have experience in food/nutrition issues as effect people who are unhoused or formerly homeless through my work as Managing Attorney of HomeBase, a nonprofit law and policy firm. HomeBase provided technical assistance through HUD in California, Nevada and Arizona to groups of government and nonprofit agencies to increase food stamp access by people who are homeless. I also have served on the Board of Directors of St. Anthony Foundation, the Tenderloin Neighborhood Development Corporation and the Gubbio Project and through that work have learned of the food and nutritional needs and challenges of the people those agencies serve.

Clerk of the Board of Supervisors

I have been nominated to serve on the Food Security Task Force in San Francisco. As a Community Connector for Community Living Campaign I connect seniors and disabled resident with services and resources that they need so that they can age in place and have a better life. I see first hand the issue of hunger in our community. It is one that mirrors communities across the country. We have a low income rate and a large senior population of aging adults in the OMI.

After researching services for seniors I identified that the elderly could not participate in the food distribution programs in the Oceanview-Merced Heights-Ingleside (OMI) neighborhood Food Bank Pantries for the fresh fruits, vegetables and staples food items. We do not have a supermarket in our community which serves the whole community.

The qualifications for our program were, seniors had to be 80 years old or disabled adults, must live in the OMI community and not able to stand in the food distribution line. Our oldest senior is 100 years old. I had the support of Supervisor Avalos, San Francisco Food Bank and Temple United Methodist Church.

The reason I would like to join the Food Bank Task Force is to make sure that our community has the representation and services that are needed for a healthy livable community for all San Franciscans. Families should not suffer in silent like so many are doing, especially the elderly our forgotten foundation. I have been working in my community for the last 37 years and feel that a community is only as good as you make it.

It will be an honor for me to serve on the Food Security Task Force Committee and advocate for the challenges ahead and meet the needs of the community as a whole so that as children grow and become mature adults they will be healthy. Public service and volunteer work is what make a neighborhood safe and a wonderful place to live and age.

Sincerely

Deloris McGee
