12 Be it ordained by the People of the City and County of San Francisco:

13 Section 1. Background and Findings.

14 (a) Under Charter Section A8.423, the Health Service Board ("HSB") is required to
15 conduct a survey of the ten counties in the State of California, other than the City and County
16 of San Francisco, having the largest populations to determine the "average contribution" made
17 by each such county toward the providing of health care plans, exclusive of dental or optical
18 care, for each employee of such county. Under Charter Section A8.428(b)(2), the HSB is then
19 required to certify to the Board of Supervisors "the average contribution" as determined by the
20 survey as a component of the employer contribution rate.

21 (b) At its meeting of March 9, 2017, based on the Health Service System's survey of
22 the ten most populous counties in California other than San Francisco (Los Angeles, San
23 Diego, Orange, Riverside, San Bernardino, Santa Clara, Alameda, Sacramento, Contra
24 Costa, and Fresno), a copy of which is on file with the Clerk of the Board of Supervisors in File
25 No. 170762, the HSB determined that "the average contribution" made by the counties
surveyed for the 2018 calendar plan year is \$649.17.

1 (c) At its meetings of May 11 and June 8, 2017, the HSB adopted health insurance
2 plans and contribution rates for Health Service System plans to become effective on January
3 1, 2018, for the calendar plan year January 1, 2018 through December 31, 2018. Said plans
4 and contribution rates are on file with Clerk of the Board of Supervisors in Board File No.
5 170702, and are incorporated herein by reference. The Health Insurance Plans are expected
6 to exceed 10 million dollars in expenditures. Accordingly, Charter Section 9.118(b) requires
7 Board of Supervisors approval.

8 Section 2. The Board of Supervisors hereby approves the health insurance plans and
9 contribution rates adopted by the HSB on May 11 and June 8, 2017, as referenced in
10 subsection (c) of Section 1 of this ordinance.

11 Section 3. As referenced in subsection (b) of Section 1 of this ordinance, "the average
12 contribution" under Charter Section A8.423, which shall constitute the monthly amount
13 contributed by participating employers to the Health Service Trust Fund for the calendar plan
14 year January 1, 2018 through December 31, 2018, under Charter Section A8.428(b)(2), is
15 \$649.17.

16 Section 4. Effective Date. This ordinance shall become effective 30 days after
17 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
18 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
19 of Supervisors overrides the Mayor's veto of the ordinance.

Item 3 File 17-0762	Department: Health Service System (HSS)
EXECUTIVE SUMMARY	
Legislative Objectives	
<ul style="list-style-type: none"> • The proposed ordinance would approve the Health Service System's health, vision, and dental plans and contribution rates for calendar year 2018. 	
Key Points	
<ul style="list-style-type: none"> • In accordance with the City's Charter, the Health Service Board is required to conduct a survey of the ten most populous California counties each year to determine the average of the health premium contributions made by these counties. Based on this survey, the average 2018 contribution is \$649.17 per member per month, which is \$44.33 or 7.3 percent more than the 10-county average monthly contribution of \$604.84 in 2017. • Effective January 1, 2015, collective bargaining agreements eliminated the 10-county average survey as the method for calculating monthly premiums for active employees. Instead, the City and most unions elected to use a percentage-based employee premium contribution models. The 10-county survey is still used to calculate retiree premiums. • The total 2018 monthly health premiums for active employees-only coverage is proposed to be (a) \$884.46 for the City Plan, a 10.2 percent increase from 2017, (b) \$613.53 for Kaiser, a 5.3 percent increase from 2017, (c) \$790.06 for Access+ Blue Shield, a 5.0 percent increase from 2017, and (d) \$708.05 for Blue Shield Trio, a new plan. 	
Fiscal Impact	
<ul style="list-style-type: none"> • The total estimated City, employee, and retiree costs for health, vision, and dental plans, as well as long-term disability and life insurance plans, is \$729,338,459 in 2018, which is a \$23,173,308 or 3.3 percent increase from \$706,165,151 in 2017. • Regarding just the City's estimated costs, the total for the health, vision, and dental plans, and long-term disability and life insurance plans in 2018 is \$650,457,560, which is a \$22,295,130 or 3.6 percent increase from \$628,162,430 in 2017. • The balance of \$78,880,900 (\$729,338,459 total 2018 costs less \$650,457,560 City 2018 costs) is paid by employees and retirees. • Health premium contributions in 2018 are based on cost-sharing agreements that were negotiated between the City and various labor unions which became effective on January 1, 2015. Under these cost-sharing agreements, with the exception of Kaiser, the City pays more than under the 10-county survey average amount of \$649.17. 	
Recommendation	
<ul style="list-style-type: none"> • Approve the proposed ordinance. 	

MANDATE STATEMENT

City Charter Section A8.423 states that the Health Service Board is required to conduct a survey of the ten most populous California counties, excluding San Francisco, to determine the average contribution made by each county toward health plan premiums for employees, excluding dental or optical plan premiums. The Health Service Board is then required to certify to the Board of Supervisors the average contribution as determined by this survey. City Charter Section A8.428 also requires the City to contribute to the Health Service System Trust Fund to pay the costs of health plan premiums.

BACKGROUND

The Health Service Board oversees the Health Service System (HSS). The HSS administers non-pension benefits, including health, vision, dental and other benefits; such as life and long-term disability insurance. The Health Service Board adopts the annual health, vision, dental and other insurance plans, and the respective plan premiums and premium equivalents to be paid by HSS employers and members.

- HSS employers include the City and County of San Francisco (City), the San Francisco Unified School District (SFUSD), the San Francisco Community College District (SFCCD), and the San Francisco Superior Court (Superior Court).
- HSS members are active and retired employees of the above noted employers, their dependents, and members of eligible boards and commissions. Dependents include children, spouses, domestic partners, surviving spouses of deceased members, and other legal dependents.

City and Employee Contribution Models

Effective January 1, 2015, in accordance with most Memorandum of Understanding (MOUs) between the City and respective labor unions, the 10-county survey average was eliminated as the method for calculating employer contributions to the monthly health plan premiums for active employees. Instead, the City and most labor unions elected to use one of the following three percentage-based employee premium contribution models.

- Under the '93/93/83 Contribution Model', the City contributes up to 93 percent of the monthly premium for employee-only and employee plus one dependent coverage, capped at 93 percent of the second-highest cost plan. The City also contributes up to 83

percent of the monthly premium for employees with two or more dependents, capped at 83 percent of the second-highest cost plan.

- Under the '100/96/83 Contribution Model', the City contributes 100 percent of monthly premiums for employee-only coverage. The City contributes up to 96 percent of the monthly premiums for employees with one dependent, capped at 96 percent of the second-highest cost plan. The City also contributes up to 83 percent of the monthly premium for employees with two or more dependents, capped at 83 percent of the second-highest cost plan.
- Under the '90/10 Contribution Model', the City contributes 90 percent of the monthly premium, capped at the second highest cost plan, provided that the City's premium contribution cannot fall below the lesser of the 10-county average survey. The calculation of the employee contribution for employee plus one or more dependents is determined by the specific MOUs.

10-County Survey Average

The 10-county survey average is still used as a basis for calculating the employer contribution to the monthly health plan premium for all retirees. Based on the survey, the 10-county average employer contribution for calendar year 2018 is \$649.17 per member per month. The \$649.17 per member per month is \$44.33 or 7.3 percent more than the 10-county average monthly contribution of \$604.84 in 2017.

Health Service System Trust Fund

Under Charter Section A8.428, employer and HSS member contributions to health plan premiums are deposited in the Health Service System Trust Fund. As of June 30, 2016, the Health Service System Trust Fund balance was \$68,603,198.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would approve the Health Service System's health, vision, and dental plans as well as life insurance and long-term disability insurance plans and contribution rates for calendar year 2018.

On June 8 2017, the Health Service Board approved the following health, vision, dental, life and long-term disability insurance plans and premiums for the period from January 1, 2018 through December 31, 2018.

Health PlansKaiser Permanente HMO¹

There is one benefit change for the Kaiser HMO plan in 2018. The Health Service Board approved an additional cycle of In vitro fertilization (IVF) / gamete intrafallopian transfer (GIFT) / zygote intrafallopian transfer (ZIFT) coverage. The benefit is limited to two treatment cycles from one of the procedures and includes cryopreservation and storage of embryos for up to 12 months.

Additionally, Kaiser Permanente presented the Health Service Board with a set of regional premiums for early retirees and Medicare retirees in Oregon, Washington, and Hawaii. These plans give retirees living in these states an additional option to the current UnitedHealthcare plan options.

Blue Shield California HMOs

In addition to the Access+ Blue Shield of California plan that was offered in 2017, HSS will also offer members the Blue Shield of California Trio plan in 2018. The Trio plan will include identical benefits to the Access+ plan, but with a smaller network (and thus lower premiums).

The Health Service Board also approved an additional cycle of in vitro fertilization (IVF) / gamete intrafallopian transfer (GIFT) / zygote intrafallopian transfer (ZIFT) coverage for both Blue Shield plans. The benefit is limited to two treatment cycles from one of the procedures and includes cryopreservation and storage of embryos for up to 12 months and other assisted reproductive technologies.

City Health Plan PPO²

The City Health Plan is a self-funded plan administered by UnitedHealthcare (UHC). The Health Service Board adopted one plan design change for the City Plan for active and early retirees in 2018: an additional cycle of in vitro fertilization (IVF) / gamete intrafallopian transfer (GIFT) / zygote intrafallopian transfer (ZIFT) coverage and other assisted reproductive technologies, limited to two treatment cycles from one of the procedures and includes cryopreservation and storage of embryos for up to 12 months and other assisted reproductive technologies..

¹ A HMO (Health Maintenance Organization) offers care through a closed panel of providers, in which members select a primary care physician, who manages their care. The HMOs pay the medical groups on a per capita basis.

² Under a PPO (Preferred Provider Organization), physicians, hospitals, and other providers are in network and paid by the purchaser (through a third party administrator) on a fee for service basis based on negotiated contracts.

UnitedHealthcare Medicare Advantage PPO

The UHC Medicare Advantage PPO Plan, previously known as the "New City Plan", covers all Non-Kaiser Medicare eligible retirees. No plan design changes were adopted by the Health Service Board for 2018.

Health Plan PremiumsKaiser Permanente Premiums in 2018

The Kaiser Permanente premium rates will increase by 5.9 percent for active, early retiree and Medicare retirees in plan year 2018.

Blue Shield Premiums in 2018

The Blue Shield HMO plan is a flex-funded plan for active and non-Medicare retiree members.³ Premium rates for Blue Shield of California will decrease 0.4 percent in 2018 due to claims experience and the addition of the Trio plan.

City Plan Premiums in 2018

The City Plan is a self-funded plan in which overall monthly premiums are set based upon projected claims experience. The City Plan monthly premiums will result in overall increases of 13.2 percent, which includes active employees, non-Medicare retirees and the New City Plan. The Health Services Board approved a one-time buy-down of \$4.53 million applied to active employees and non-Medicare retiree premiums to reduce their monthly rates and include administrative fee increase of 2.6 percent from 2017 to 2018. The New City Plan premium for a single Medicare retiree is 16.2 percent higher than the 2017 premium and 0.3 percent lower than the 2018 Kaiser Medicare rates.

Vision Plan

Members enrolled in one of the health plans receive vision benefits through Vision Service Plan (VSP), a third party insurer and a fully-funded plan. The cost of the vision plan is included in the cost of the medical plan for all monthly health plan premiums. VSP rates in 2018 are unchanged from the 2017 rates and are guaranteed through 2019. A new "buy-up" vision option will be offered in 2018 for active employees and retirees. This plan will be an additional choice and will

³ The Health Services Board adopted the flex-funded plan in 2012. The flex-funded plan differs from the fully-insured plan in that (1) under the fully insured plan, Blue Shield pays all covered claims, while (2) under the flex-funded plan HSS is responsible for paying both the per capita rate and the hospital claim costs. Blue Shield acts as a third party administrator negotiating capitation rates and hospital rates. If the claims experience exceeds 125% of premiums, Blue Shield pays the balance.

be provided such that active employees and early retirees pay the full cost difference between the current and new buy-up plan.

Dental Plans

The Health Service System offers three dental plans, including one PPO (Delta Dental PPO) and two HMOs (Delta Care USA and UnitedHealthcare Dental). The Delta Dental PPO plan for retirees will increase the annual plan maximum benefit from \$1,000 per member per year to \$1,250 per member per year. There are no plan changes in the other two dental plans. The City contributes part of the monthly premium for active employees. The City does not contribute to the monthly dental premium for retired employees.

- Premiums for the self-funded Delta Dental PPO plan for active employees will decrease by 2.3 percent in 2018. Premiums for Delta Dental PPO for retirees will increase by 7 percent.

Life and Long-Term Disability (LTD) Insurance

The Health Service System will continue its contract with Aetna Life Insurance Company to provide life and long-term disability insurance in 2018. Basic life insurance (employer paid) premiums remain unchanged and are guaranteed through December 31, 2019. Premiums for long-term disability plans will remain unchanged from the 2017 rates and are guaranteed through 2019.

Second Opinion Benefit

The medical second opinion benefit added in 2017 will continue in 2018 at a cost of \$1.40 per member per month. The benefit enables covered members and dependents to contact a second opinion vendor, Best Doctors, an organization that has nationally renowned experts with extensive and specific medical expertise. This second opinion benefit should ensure that diagnosis and treatment plans are appropriate, cost-effective and least invasive based on clinical evidence.

Federal Affordable Care Act Requirements

According to the City's actuarial consultant, Aon Hewitt's June 19, 2017 memorandum to the Board of Supervisors, the Affordable Care Act imposes one direct fee and one tax on health plans.

- The Patient Centered Outcomes Research Institute Fee (PCORI) is a per enrollee per year fee assessed to health plans to fund health care research. This fee is \$2.34 and is included in the projected 2018 premiums.

- The Transitional Reinsurance Fee (TRF) subsidizes reinsurance in the individual market, to lower the cost of health insurance for higher-risk individuals. This fee was eliminated in 2017, such that no costs are assumed for 2018.
- The Health Insurance Tax (HIT) is applied to all fully insured or flex-funded plans, including vision and dental plans offered by HSS. There was a one-year moratorium on this fee for plan year 2017. The fee is reinstated for 2018 and the cost is incorporated in the 2018 rates.

FISCAL IMPACT

Stabilization Reserve

HSS sets aside a portion of the Health Service System Trust Fund balance to stabilize the self-funded City Plan. The City Plan had a revenue surplus of \$700,000 in 2016 that was deposited into the Stabilization Reserve, for a \$4,530,000 balance.

For 2018, based on Aon Hewitt's recommendations, the Health Service Board, in accordance with the Health Service Board's Self-Fund Plans' Stabilization Policy, allocated one-third of the \$4,530,000 balance or \$1,510,000 to reduce active and early retiree City Plan member premiums. An additional one-time buy-down of \$3,020,000 was approved by the Health Service Board to further reduce City Plan active employees' premiums. These 2018 transfers will result in a full utilization of the remaining balance in the Stabilization Reserve.

2018 Total City Costs

As shown in Table 1 below, the total estimated City and member costs for health, vision, and dental plans, as well as long-term disability and life insurance, is \$729,338,459 in 2018, which is a \$23,173,308 or 3.28 percent increase from \$706,165,151 in 2017. The total estimated costs for the health, vision, and dental plans, as well as long-term disability and life insurance, for the City in 2018 is \$650,457,560 which is a \$22,295,130 or 3.55 percent increase from \$628,162,430 in 2017.

Table 1: Total Plan Costs for the City, Employees and Retirees in 2018 Compared to 2017

	2017	2018	Increase / (Decrease)	Percent
City Costs Only				
Kaiser HMO	\$271,056,971	\$287,121,182	\$16,064,211	5.93%

Subtotal Health and Vision Plans	\$647,278,419	\$673,189,645	\$25,911,226	4.00%
Dental	\$48,576,732	\$47,478,814	(\$1,097,918)	-2.26%
Long Term Disability and Life Insurance	\$10,310,000	\$8,670,000	(\$1,640,000)	-15.91%
Total Costs	\$706,165,151	\$729,338,459	\$23,173,308	3.28%

Source: Health Service System

The employer contribution amounts shown in Table 1 above are included in the FY 2017-18 and FY 2018-19 budgets currently pending before the Board of Supervisors.

The balance of \$78,880,900 (\$729,338,459 total 2018 costs less \$650,457,560 City 2018 costs) is paid by employees and retirees.

RECOMMENDATION

Approve the proposed ordinance.

2287 **2017 10-COUNTY SURVEY**

**SAN FRANCISCO
HEALTH SERVICE SYSTEM**
Affordable, Quality Benefits & Well-Being

MYHSS.ORG

OVERVIEW

Process

The City Charter specifies that the City & County of San Francisco survey the ten most populous counties in California and collect, for each county, the amount contributed by the employer for employee-only coverage under each of the county's medical plans. The City is obligated by Charter to contribute the 10-County Survey amount toward the cost of employees' medical benefits.

The information gathered from the 10-County Survey is used to compute an average increase in employer contributions for each county. HSS then averages these averages to arrive at the 10-County Survey amount. To put the county contribution amounts into context, HSS also collects information on premium increases and plan design data such as employee co-pays and contributions toward physician office visits, emergency room care, hospital stays, prescriptions and deductibles.

At the April 12, 2012 Health Service Board meeting, the Board approved the 10-County Survey Calendar Year Change Rule. This rule adjusts for gaps in 10-County data, by projecting a six-month overlap when data is not available from a surveyed county. Using this rule, a county's employer contribution for employee-only coverage is projected. The county's 10-County result for the previous year is, in most cases, trended forward six months, based on the county's average annual increase for the preceding three years.

There were no major changes to the type of plan design data collected for the 2017 plan year. Additionally, plan design data for CalPERS and HSS is included for informational purposes only. CalPERS and HSS data is not included in the 10-County Survey.

Results and Observations

The average monthly contribution of \$649.17 for plan year 2018 is 7.33% above \$604.84, the 10-County average for Plan year 2017. All counties had a change in contribution.

10-County Survey Calendar Year Change Rule: Example Calculation Based on Los Angeles County

For the 2017 calendar year, the average employer premium contribution for Los Angeles County medical plans is \$655.10. Per the Calendar Year Change Rule, this \$655.10 is projected forward six months, using Los Angeles County's three year premium increase trend of 5.8%. This results in the average employer premium contribution calculated at \$673.99 for Los Angeles County. The March 2017 10-County Survey will be applied to Health Service System rate calculations for plan year 2018.

Methodology Assessment

Historically, the 10-County methodology has been evaluated and prior year projections have been compared to actuals. For Calendar Year 2017, there are a few instances where there are significant differences between prior projections and actuals. This is driven by changes in premiums and employer contributions. The overall projected contributions are 4.4% less than actual contributions for 2017 (\$632.55 actual vs. \$604.84 estimated).

June 19, 2017

Board of Supervisors
City and County of San Francisco
City Hall, Room 244
1 Dr. Carlton B. Goodlett Place
San Francisco, California 94102

RE: January 1, 2018 to December 31, 2018 Plan Benefits, Rates and Contribution

Honorable Members of the Board of Supervisors:

This letter serves to document our position as the consultant and actuary to the San Francisco Health Service System (HSS) with regard to the completed rates and contribution setting process for the plan year from January 1, 2018 to December 31, 2018. This process was concluded on June 8, 2017 under the direction of the Rates and Benefits Committee (the Committee) of the Health Service Board (the HSB). This report will reference attached exhibits, as well as tables embedded in this letter.

In our opinion, the rates and contribution process was completed in a comprehensive manner. Specifically it is our professional opinion that:

- The fully funded premiums and administrative fees agree with HSS' vendors' final rates and represent a fair price given the services provided, and;
- The premium equivalents set for the HSS self-funded and flex-funded programs: City Plan (UnitedHealthcare or UHC), Delta Dental plan for active employees (Delta) and the Blue Shield of California flex-funded plan represent our best estimate of future expenditures based on the information available at the time these were developed. Existing Trust Fund assets are expected to be sufficient to protect the HSS Trust Fund against adverse claims experience.

Legislative Update

The Patient Protection and Affordable Care Act (PPACA)

In 2016 and 2017, additional provisions of Patient Protection and Affordable Care Act (PPACA) took effect. The Health Service System worked with all four employers served by the Trust: the City and County of San Francisco, the Superior Courts, San Francisco Community College District, and the San Francisco Unified School District (CCSF, CRT, CCD, and USD) to make sure all new requirements were implemented. Below you will find a brief explanation of the provisions that will have the greatest effect.

PPACA Reporting Requirements

Under PPACA, employers are required to provide reporting to both employees as well as the Internal Revenue Service (IRS). The purpose of the reporting is as follows:

- Establish that the plan sponsor complied with PPACA's employer mandate by making an offer of affordable, minimum value health care coverage to its full-time employees (PPACA defines a full-time employee as an employee who is employed, on average, at least 30 hours of service per week, or 130 hours of service in a calendar month.)
- Provide individuals with information on their employer-provided health care coverage so they can establish compliance with the individual mandate to purchase health care coverage
- Help the IRS determine whether individuals who have purchased coverage from a public exchange are entitled to a subsidy and
- Help the IRS determine applicable penalties for failure to comply with the individual mandate

Reporting is filed beginning with 2015 calendar year information on Forms 1094 and 1095. Reporting is due to the employee by January 31 following the close of the calendar year, e.g., 2016 information was due to employees by January 31, 2017. Since HSS represents more than 250 employees, electronic reporting is due to the IRS by March 31 following the close of the calendar year, e.g., 2016 information was due to the IRS by March 31, 2017. HSS successfully met this requirement for 2015 and 2016 by sending 51,000 IRS forms to employees and electronically reporting to the IRS.

PPACA Automatic Enrollment Requirement (deferred indefinitely)

PPACA requires that employers automatically enroll new full-time employees in one of the employer's health benefits plans (subject to any waiting period authorized by law). Further it is required that employees be given adequate notice and the opportunity to opt out of any coverage in which they were automatically enrolled. The Department of Labor stated that it has indefinitely postponed final guidance on automatic enrollment. While employers do not need to comply with this requirement until these final regulations are in effect

PPACA Legislative Fees

In the PPACA legislation one direct fee and one Health Insurance Tax were created that would apply to HSS in 2018 (the Transitional Reinsurance Fee ended after the 2016 plan year). This section of the law brings increased scrutiny and accompanying fines by three different federal agencies: Department of Labor (DOL), Health and Human Services (HHS), and Internal Revenue Service (IRS). Below, and continued onto the next page, please find a brief explanation of these fees:

- Health Insurance Tax (HIT): This tax impacts all fully funded or flex-funded plans including vision and dental plans that HSS offers. There was a one-year moratorium on this fee for plan year 2017. The fee is reinstated for 2018 and health insurance issuers are required to pay these fees for 2018. (See Table 1 a. and Table 1b.)
- Patient Centered Outcomes Research Institute (PCORI) Fee: Beginning in 2013, a \$2.00 charge per enrollee per year was assessed to all participants (actives, retirees without Medicare, and retirees with Medicare) in medical-only health plans. The fee was \$2.17 per enrollee per year in 2015, and \$2.26 per enrollee per year in 2016. The fee is projected at \$2.34 per enrollee in 2017

and \$2.44 per enrollee in 2018. (See Table 1 a. and Table 1 b.) This fee is expected to increase with inflation until 2019 when the fee will stop being assessed. The fee is collected by the Internal Revenue Service.

As was noted at the March 9, 2017 Health Service Board meeting, Blue Shield of California requested a review by the California Department of Managed Health Care (DMHC) as to the insured status of the flex-funded plan. The California DMHC determined that the Blue Shield of California flex-funded plan is not considered "insured" and thus the Health Insurance Tax would not apply to this plan. Because this tax was included in the 2017 premium equivalents, a one-time refund has been provided to the San Francisco Health Service System. Further, the Health Insurance Tax will not be collected on the flex-funded plan going forward and thus will not be included in future premium equivalent calculations.

Total expenditures for HSS (all four employers) on medical premiums/premium equivalents including dental are \$872.1. Of this total, the legislative fees and taxes are \$11.29 million or 1.29% of total expenditure. The following tables summarize the estimated aggregate cost of each of these legislative fees for 2017 for all four employers served by the Trust (Table 1 a) and CCSF only (Table 1b).

Table 1a						
2018 Legislative Fees (\$ millions) All Four Employers						
Fee	City Health Plan (UHC)	Kaiser	Blue Shield	Dental	VSP	Total

Total	\$5.20	\$2.35	\$0.05	\$0.00	\$0.00	\$7.60

Contributions under the 10-County Survey

According to the City Charter Section A8.428, the employer contribution towards medical benefits is determined by the results of a survey of the premium contributions (in terms of dollar amount) provided by the ten most populous counties in California, excluding San Francisco. In the June 2014 CCSF collective bargaining process, the 10-County Survey (Survey) was eliminated for the majority of the CCSF unions in the calculation of premium contributions for active employees in exchange for a percentage-based employee premium contribution. The Survey is still used as a basis for calculating all retiree premium contributions. For the 2018 plan year, the Survey, based on 2017 rates, determined that the average monthly contribution increased 7.33% from \$604.84 to \$649.17. Exhibit 1 presents the individual county responses from the Survey.

Year-Over-Year Health Plan Cost Comparison for All Four Employers

Annual aggregated costs for the three medical plans offered by HSS (City Plan (UHC), Kaiser Permanente, and Blue Shield of California) are shown in Table 2.

Table 2			
January 1, 2018 to December 31, 2018 Aggregate Medical Cost (\$ millions)			
	Aggregate Member Contributions (a)	Aggregate Employer Contributions (b)	Aggregate Plan Cost (a + b)
Current Rates	\$85.6	\$705.4	\$791.0
Final Renewal Rates	\$89.1	\$735.4	\$824.5
\$ Difference	\$3.5	\$30.0	\$33.5
% Difference	4.09%	4.25%	4.24%

The previous table illustrates an increase in aggregate plan costs totaling \$33.5 million, or 4.24%, for the three medical plans (including vision cost, Best Doctor's and HSS Healthcare Sustainability Fund expense) for the 2018 plan year. This increase in costs will be split 10.5%/89.5% between the members and employers with member contributions increasing \$3.5 million and employer contributions increasing \$30.0 million. These changes are based on current June 2017 enrollment.

Current City and County (CCSF) Contribution Strategy

Most negotiated contribution algorithms for CCSF covered employees fall into two models. The models reflect CCSF's percentage of the contribution; they are 1) 93/93/83 contribution model, and 2) 100/96/83 contribution model.

1) 93/93/83 Contribution Model:

- a) Employee Only: For single-covered employees (Employee Only) who enroll in any health plan offered through the Health Service System (HSS), CCSF shall contribute ninety-three percent

(93%) of the total health insurance premium/premium equivalent provided. However, CCSF's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium/premium equivalent of the second-highest-cost plan.

- b) Employee Plus One: For employees with one dependent who elect to enroll in any health plan offered through HSS, CCSF shall contribute ninety-three percent (93%) of the total health insurance premium/premium equivalent provided. However, that CCSF's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium/premium equivalent of the second-highest-cost plan.
- c) Employee Plus Two or More: For employees with two or more dependents who elect to enroll in any health plan offered through HSS, CCSF shall contribute eighty-three (83%) of the total health insurance premium/premium equivalent provided. However, that CCSF's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium/premium equivalent of the second-highest-cost plan.

2) 100/96/83 Contribution Model:

- a) Employee Only: For single-covered employees (Employee Only) who enroll in any health plan offered through HSS, CCSF shall contribute one hundred percent (100%) of the total health insurance premium/premium equivalent.
- b) Employee Plus One: For employees with one dependent who elect to enroll in any health plan offered through HSS, CCSF shall contribute ninety-six percent (96%) of the total health insurance premium/premium equivalent provided. However, that CCSF's contribution shall be capped at ninety-six percent (96%) of the Employee Plus One premium/premium equivalent of the second-highest-cost plan.
- c) Employee Plus Two or More: For employees with two or more dependents who elect to enroll in any health plan offered through HSS, CCSF shall contribute eighty-three (83%) of the total health insurance premium/premium equivalent provided. However, that CCSF's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium/premium equivalent of the second-highest-cost plan.

Since the majority of CCSF employees fall into the two contribution models, Aon produced two sets of rate cards, both approved by the HSB for plan year 2018. One rate card specified member contributions under the 93/93/83 model and the other rate card under the 100/96/83 model.

Rates, Contributions, and Benefits for HMOs for All Four Employers

In addition to the two HMO plans that were offered in 2017, HSS will offer a third HMO option to members for plan year 2018 for a total of three HMO options. Kaiser Permanente will continue to offer the same HMO option as 2017 while Blue Shield of California will offer the same HMO option as 2017 plus a new HMO option utilizing the Trio network. More information on the Trio plan will be provided below.

Plan Design Changes for HMOs

Plan design changes were adopted by the Rates and Benefits Committee and the HSB as follows:

Kaiser Permanente (Fully Funded) for All Four Employers

The final negotiated rate change for Kaiser Permanente active, early retiree, Medicare retirees is an overall increase of 5.98% for plan year 2018. This results in an overall estimated increase of \$23.3 million annually for all four employers based on June 2017 membership of which \$13.6 million is attributed to CCSF and \$9.7 million is attributed to the other employer groups (e.g., CRT, USD, and CCD).

The aggregate cost for Kaiser Permanente for the 2018 plan year is projected at \$412.5 million, with \$43.6 million in member contributions and \$368.9 million in employer contributions. Table 3 (page 12) provides an overview of annualized costs:

There is one benefit change for the California HMO plan. Beginning in 2018, for active employees and early retirees, the Health Service Board approved the addition of In vitro fertilization (IVF) / gamete intrafallopian transfer (GIFT) / zygote intrafallopian transfer (ZIFT) coverage. The benefit is limited to 2 treatment cycles from one of the procedures and includes cryopreservation and storage of embryos for up to 12 months.

The contribution models for the HMO active and retired members are summarized in exhibits 2a-2b.

Additionally, at the June 8, 2017 meeting Kaiser Permanente presented the Health Service Board with a set of multi-state regional premiums for early retirees and Medicare retirees for the Northwest (Oregon), Washington and Hawaii. These plans give retirees living within the Kaiser Permanente service area within these states an additional option to the current UnitedHealthcare plan options. The premiums were approved by the Health Service Board. The contribution models for the HMO retired members are summarized in exhibits 10a-10c.

Blue Shield of California (Flex-funded) for All Four Employers

On January 1, 2013, the funding arrangement for actives and retirees without Medicare switched from fully funded to flex-funded. Claims experience for the current Access+ Blue Shield of California plan and the addition of the Trio plan (more information follows) led to a decrease of 0.41% for the premium equivalents for actives and early retirees for plan year 2018. The HSB adopted no plan design changes for the active and early retiree Access+ Blue Shield of California plan.

At the May 11, 2017 HSB meeting, the HSB adopted the proposal to implement the Blue Shield of California Trio plan for actives and early retirees for plan year 2018. This plan will be offered in addition to the current Blue Shield of California Access+ plan. Actives and early retirees will have a

choice to remain in his or her current Access+ plan or move to the new Trio plan. This plan will include identical benefits (e.g., copays, out-of-pocket maximum, etc.) to the Blue Shield of California Access+ plan. The network for Trio will be more limited than the Access+ plan. Significant exclusions from the Trio network are Sutter Health facilities and Sutter Health providers who are not in Brown & Toland. Because of this narrower network, the premiums, and thus employee contributions, are lower than the Access+ plan. The Trio network reflects an approximate 5.9% decrease when comparing 2018 Trio to 2017 Access+.

The aggregate cost for all four employers in the Blue Shield of California Access+ and Trio plans (assuming 50% elect the Trio plan) for the 2018 plan year is projected at \$314.5 million, with \$33.5 million in member contributions and \$281.0 million in employer contributions based on June 2017 membership. This results in an overall estimated decrease of \$1.3 million annually for all four employers based on June 2017 membership of which \$0.9 million of the decrease is attributed to CCSF and the remaining \$0.4 million is attributed to the other employer groups (e.g., CRT, USD, and CCD). Table 3 (page 12) provides an overview of annualized costs. The contribution models for the HMO active and early retiree members are summarized in exhibits 3a-3b for HMO Access+ and 3c-3d for Trio.

Rates, Contributions, and Benefits for the Self-Funded City Plan (UHC) and the Medicare Advantage PPO (UHC) for All Four Employers

The City Health Plan is a self-funded plan administered by UnitedHealthcare (UHC). The medical and pharmacy monthly premium equivalent costs were developed separately for actives and retirees without Medicare based on group-specific experience. Additionally, Aon provided a retrospective analysis of historical rates and experience to examine the actual cost trends evident in the City Plan's recent claims data. This analysis was considered in conjunction with overall industry and normative data to determine the premium equivalent levels for the 2018 plan year.

A major factor in the active and early retiree premium equivalent increase, for the 2018 calendar year is, the application of funds available in the claims stabilization fund. The following is a chronological outline of the final amounts of stabilization funds applied to the 2018 premium equivalents for actives and early retirees.

At the end of 2016, over \$0.7 million of underwriting gains were placed into the City Plan PPO Rate Stabilization Reserve per the Self-Funded Plans' Stabilization Policy. This gain increased the overall amount in the reserve to \$4.53 million as presented at the February 9, 2017 Health Service Board meeting. Per the Health Service Board's Self-Funded Plans' Stabilization Policy, one-third of the amount in the stabilization reserve (or \$1.51 million) would be spread across all membership categories (actives and early retirees) to lower the City Plan premium equivalents. At the June 8, 2017 Health Service Board meeting, the HSB voted to use the remaining reserve of \$3.02 million to lower the City Plan premium equivalents. This brings the total one-time buy-down to \$4.53 million.

The UHC administration fee increased 2.6% from 2017 to 2018.

No plan design changes were adopted by the Rates and Benefits Committee and the Health Service Board.

As of January 1, 2017 all Non-Kaiser Medicare eligible retirees were covered under the UnitedHealthcare fully funded Medicare Advantage PPO Plan. (This plan was previously branded as the "New City Plan". The UHC Medicare Advantage PPO is a fully insured program. In 2018, the premiums will increase 16.2%.

The aggregate cost for the City Health Plan's actives, early retirees and post-65 Medicare eligible retirees (Medicare Advantage PPO) 2018 plan year is projected at \$97.6 million, with \$12.0 million in member contributions and \$85.6 million in employer contributions. This results in an overall estimated increase of \$11.6 million annually for all four employers based on June 2017 enrollment; of which \$8.7 million is attributed to CCSF and \$2.9 million is attributed to the other employer groups (e.g., CRT, USD, and CCD). Table 3 (page 12) provides an overview of annualized costs.

Changes in employee and retiree contributions for City Plan (UHC) are summarized in Exhibits 4a and 4b.

Rates and Benefits for the Vision Plan for All Four Employers

Members enrolled in any medical plan offered by HSS also receive vision benefits through Vision Service Plan (VSP). The cost of the vision benefit is a component of the cost of the medical plan and has been included in the rate exhibits referenced above.

The vision plan is a fully funded plan. As of January 1, 2017, VSP vision plan premiums will decrease 2% from 2016 levels and are guaranteed through December 31, 2019. This will remain true for the current VSP vision plan. At the May 11, 2017 HSB meeting, the HSB approved the addition of a new "buy-up" vision option for actives and retirees. This plan will be an additional choice and will be provided such that actives and early retirees pay the full cost difference between the current and new buy-up plan.

Following is a summary of the key plan provision differences between the current or "Core" plan and the new "Buy-up" plan option:

Actives / Retirees	Current / Core Plan	Buy-Up
Copays	\$10 Exam / \$25 Materials	\$10 Exam / \$0 Materials
Exam Frequency	Every Calendar Year	Every Calendar Year
Lenses Frequency	Every Other Calendar Year	Every Calendar Year
Frames Frequency	Every Other Calendar Year	Every Calendar Year
Frame Allowance	(Non-Costco) \$150	\$300
	(Costco) \$80	\$165
Elective Contact Lens Allowance	\$130	\$250

Due to the additional administrative complexities of offering a vision choice, VSP will provide enrollment administration services to those employees and retirees wishing to elect the new Buy-up plan option. The cost of this service has been included in the premiums for the Buy-up plan and will not impact the premiums for those on the current or "Core" plan.

The aggregate cost for the VSP vision plan for the 2018 plan year is projected at \$5.0 million. This results in no change in overall cost for all four employers based on June 2017 enrollment. For the purposes of this report, no migration has been projected to the Buy-up plan as all additional costs from the Buy-up plan will be paid by employees/retirees. VSP vision plan costs for all four employers are summarized in Exhibit 5.

Rates, Contributions, and Benefits for Dental Plans for CCSF and All Retirees

Three dental plans are offered to active HSS members: Delta Dental PPO, Delta Care USA, and UnitedHealthcare Dental. The Delta Dental PPO plan is a dental PPO with a network of preferred providers while the other two plans are dental HMOs with a closed panel of providers. The City pays part of the cost of dental benefits for active CCSF employees while retirees pay the full cost of their dental benefits.

The Delta Dental PPO plan for active employees is self-funded and administered by Delta Dental of California. Future plan costs are projected based on the City employees' claim experience. Delta Dental's current fee for claim administration was guaranteed through December 31, 2018.

The aggregate premium equivalent for the self-funded Delta Dental PPO plan for active employees shows a 2.26% decrease for plan year 2018.

The Delta Dental PPO plan for retirees, Delta Care USA dental plans for active employees and retirees, and UnitedHealthcare dental plans for active employees and retirees are all fully funded. The fully funded premiums for the Delta Dental PPO plan for retirees received a seven percent (7%) premium increase from 2017 for the plan year 2018. This includes a plan change which increases the annual plan maximum benefit from \$1,000 per member per year to \$1,250 per member per year.

The fully funded premiums for the Delta Care USA dental plans for active employees and retirees are unchanged from the 2017 plan year premiums and a rate pass was extended through December 31, 2018. The fully funded premiums for the Pacific Union plans were given a rate pass through December 31, 2018.

For the 2018 plan year, the City will contribute the total premium towards each of the dental HMO plans for CCSF employees. For the self-funded Dental PPO plan, the City will contribute the monthly premium equivalent minus employee contributions of \$5.00, \$10.00, and \$15.00 for Employee Only, Employee plus One, and Employee plus Two or more respectively. The member contributions for Delta Dental PPO plan for retirees and Delta Care USA dental plans for actives and retirees, and UnitedHealthcare Dental plans for actives and retirees remain unchanged from the 2017 plan year. Pursuant to the Health Service Board's Self-Funded Plans' Stabilization Policy, a claims stabilization amount \$3.2 million has been applied for 2018.

Changes in dental cost for the Delta Dental PPO plan, Delta Care USA plan, and UnitedHealthcare Dental plans are summarized in Exhibit 6, 7, and 8 respectively.

The aggregate dental plan cost for actives for the 2018 plan year is projected at \$47.5 million with \$3.7 million in member contributions and \$43.8 million in employer contributions. This results in an overall estimated decrease of \$1.1 million annually for all four employers based on June 2017 enrollment. There is a slight decrease in cost to the City for dental care. Table 3 provides an overview of annualized costs.

Life and Long Term Disability (LTD) Insurance for CCSF Actives Only

Basic life insurance (employer paid) premiums remain unchanged and are guaranteed through December 31, 2019.

Long-term disability (employer and employee paid) premiums remain unchanged and are guaranteed through December 31, 2019.

The aggregate life and LTD plan cost for the 2018 plan year is projected at \$8.7 million, with \$0.6 million in member contributions and \$8.2 million in employer contributions. Annualized cost comparisons are summarized in Exhibit 9.

Medical Second Opinion Benefit for All Four Employers and All Retirees

The HSB on April 14, 2016 approved an additional benefit for medical second opinions at a rate of \$1.40 per member per month. For many complex and/or rare health diagnoses it is beneficial to obtain a second opinion from a nationally known expert with extensive experience and subspecialty expertise for the particular area. The review is to ensure that the diagnosis and treatment plan is appropriate and medical care is delivered in the most cost-effective and least invasive way based on clinical evidence. Members may call the second opinion vendor or they may be identified through claims analysis by the second opinion vendor.

At the May 11, 2017 HSB meeting, the HSB approved continuing the Best Doctor's service at the current fee of \$1.40 per member per month.

Summary of Projected 2017 Plan Year Costs

Table 3 is a summary of how projected 2018 aggregate HSS plan costs are distributed across the different plans that are available to active employees and retirees as compared to 2017. Costs are shown only for those plans where the employers subsidize the total premium/premium equivalent cost. The premium costs associated with the VSP vision care plan are included in the medical plans' costs.

TABLE 3					
Distribution of Aggregate Plan Costs (\$millions)					
	Aggregate Member Contributions (a)	Aggregate Employer Contributions (b)	Aggregate Plan Cost (a + b)	Member Contributions as a % of Aggregate Costs	Employer Contributions as a % of Aggregate Costs

* Figures vary due to rounding

** Includes \$1.40 PEPM for Best Doctors a second opinion vendor that uses claims data to identify members for outreach

*** Dental costs are for active employees only, retirees and surviving spouses have not been included

This year's projected aggregate cost increase of 3.62% compares favorably with available benchmark information. The "2017 Health Care Trend Survey" published by Aon indicates medical and pharmacy cost increases in the range of 5% to 7%.

City Elective Officer Information <i>(Please print clearly.)</i>	
Name of City elective officer(s): Members, Board of Supervisors	City elective office(s) held: Members, Board of Supervisors

Contractor Information <i>(Please print clearly.)</i>
Name of contractor: United HealthCare Services, Inc. (for City Plan)

Please list the names of (1) members of the contractor's board of directors; (2) the contractor's chief executive officer, chief financial officer and chief operating officer; (3) any person who has an ownership of 20 percent or more in the contractor; (4) any subcontractor listed in the bid or contract; and (5) any political committee sponsored or controlled by the contractor. Use additional pages as necessary.

1. The United HealthCare Services, Inc. Directors are :

- William C. Ballard, Jr.
- Edson Bueno, M.D.
- Richard T. Burke
- Robert J. Darretta
- Stephen J. Hemsley
- Michele J. Hooper
- Rodger A. Lawson
- Douglas W. Leatherdale
- Glenn M. Renwick
- Kenneth I. Shine, M.D.
- Gail R. Wilensky, Ph.D.

2. The United HealthCare Services, Inc. Officers include:

CEO and President: Stephen J. Hemsley
CFO: David S. Wichmann
COO: Dirk McMahon

3. No person owns 20 percent or more in the contractor.

4. We provide most of our core services directly through the UnitedHealth Group family of companies. This enables us to offer affordable solutions through integrated data elements and systems, streamlined implementations and unified account management support.

We do work with a variety of external vendors and subcontractors and have listed some of these third parties and the different capacities in which we interact with them. Due to the broad spectrum of UnitedHealth Group businesses and variations in the contractual relationships we have with each vendor or subcontractor, this list is subject to change and should not be considered exhaustive.

VENDORS AND SUBCONTRACTORS

ID CARDS

Our member medical ID cards are produced by Fiserv Output Solutions, a business unit of Fiserv, Inc. Fiserv, headquartered in Stafford, Texas, is a provider of business-critical communications to the financial services, health care, telecommunications, investment services and retail markets.

HEALTH INFORMATION

Various internal and external sources provide health content to our member website, myuhc.com. Each resource maintains relationships with various health professionals who write, edit and review the content created for the site. We screen each vendor for accuracy and independence of content.

OVERPAYMENT IDENTIFICATION VENDORS

We contract with a number of vendors to identify overpayments. These vendors perform a variety of audits, including, but not limited to, credit balance, data mining, COB, contract audits, DRG audits, workers' compensation and subrogation. Generally, these vendors do not perform collections on the overpayments they identify in an effort to reduce the number of vendors approaching physicians. A collection vendor is assigned to collect these overpayments.

OVERPAYMENT COLLECTION VENDORS

We contract with a number of vendors to collect overpayments that are identified internally or from an overpayment identification vendor. Overpayment collection vendors are responsible for sending the initial overpayment notification letter and will follow up with the physician on outstanding balances through phone calls or subsequent recovery letters. These vendors help resolve physician disputes/appeals.

SURVEYS

We conduct an annual member satisfaction survey based upon the HEDIS 3.0 standards.

Administration of the CAHPS survey is a joint effort between the Survey Research Studies division of OptumInsight (a UnitedHealth Group company) and the Center for the Study of Services (CSS). CSS is certified by NCQA as a CAHPS survey vendor.

NETWORK LEASING

We own the majority of networks we use for providing health care coverage. However, we use leased or vendor networks where it is not feasible to develop our own network. Vendor networks must comply with the same quality standards we use for our own networks. Vendor network compensation varies based on market demands and the customary practices of the local marketplace. We retain responsibility for claim processing. In addition, we oversee all quality issues, including quality control of the physicians and other health care professionals in the network.

SHARED SAVINGS PROGRAM

We use Viant, Three Rivers Physician's Network, First Health Networks and MultiPlan's national network of hospitals, physicians and other health care professionals to provide discounts to our customers for non-network claims through our Shared Savings Program (SSP).

SOCIAL SECURITY ADVOCACY ASSISTANCE

Social Security advocacy assistance is provided through another vendor. Claim specialists are trained to educate, guide and monitor the application process for Social Security disability benefits. We then consider offering assistance through Social Security Advocacy for the Disabled.

LEGAL

We hold our vendors to the same standards and requirements to which we agree. We accept responsibility to the extent that our subcontracted vendor fails to meet any contractual obligation we assume.

5. In California, corporate contributions are legal, and all of our political giving is reported by United HealthCare Services, Inc., a corporate entity that registers as a major donor committee with the state. We are happy to provide additional information at the parent company level (UnitedHealth Group, Inc.) for states other than California, upon request.

Contractor address:

UnitedHealth Group Center
9900 Bren Road East
Minnetonka, Minnesota 55343

Date that contract was approved:
June 8, 2017

Amount of contract: (Estimated for CY 2018)

- Self-Funded PPO: \$ 39,710,000

<p>1. The Dental Benefit Providers of California, Inc. Directors are:</p> <ul style="list-style-type: none"> ■ Kirk Eugene Andrews ■ Brandon Eric Cuevas ■ Andrew Joseph Fabula ■ Kenneth Mark Sheldon ■ Paul Ryan Toler. <p>2. The Dental Benefit Providers of California, Inc. officers include:</p> <ul style="list-style-type: none"> ■ President: Kirk Eugene Andrews ■ CFO: William David Aliski (Note: the Board is in the process of appointing Paul Ryan Toler as CFO) <p>3. Dental Benefit Providers, Inc. is 100% shareholder of Dental Benefit Providers of California, Inc.</p> <p>4. We provide most of our core services directly through the UnitedHealth Group family of companies. This allows us to offer affordable solutions through integrated data elements and systems, streamlined implementations and unified account management support.</p> <p>We do work with a variety of external vendors and subcontractors and have listed some of these third parties and the different capacities in which we interact with them. Due to the broad spectrum of UnitedHealth Group businesses and variations in the contractual relationships we have with each vendor or subcontractor, this list is subject to change and should not be considered exhaustive. We will be responsible for holding our vendors to the same standards and requirements to which we agree. We will accept responsibility to the extent that our subcontracted vendor fails to meet any contractual obligation assumed by us.</p> <p>Following are examples of non-affiliated organizations with which we subcontract for dental services:</p> <ul style="list-style-type: none"> ■ Careington augments our national dental network. We have been working with Careington since 2010. ■ Datamatics Global Services (formerly Tricom) performs data entry of some of our claims in India. We have been working with this company since 2005. ■ Diversified Dental Service augments our dental networks in Mississippi and Nevada. We have been working with Diversified Dental since 2005.

- **Emdeon** assists with HIPAA transactions and code sets. We have been working with Emdeon since 1997.
- **GfK Custom Research** conducts our member surveys. We have been working with GfK since 2010.
- **P & R Dental Strategies, Inc.** performs utilization review for our commercial dental business. We have been working with P&R since 2005.
- **PPOUSA** adds additional dental providers nationally. We have been working with PPOUSA since 2008.
- **The Premier Dental Group, Inc.** augments our dental network in Minnesota. We have been working with Premier Dental Group since 2007.
- **Scion Dental, Inc.** handles utilization review, and network recruitment. We have been working with Scion since 2009.
- **SourceHOV** (formerly HOV Services) receives and images paper claims. UnitedHealth Group has used this subcontractor since 1998 and we began using them for dental claims in 2005.
- **Southland Benefit Solutions, LLC**, provides our network lease in Alabama.
- **TeleTech** receives all incoming provider phone calls in Lipa City, Philippines. UnitedHealth Group has used this subcontractor since 1996 and we began using TeleTech for dental provider calls in 2006.
- **The TriZetto Group, Inc.** supports and maintains our claims system. We have been working with TriZetto since 2002.
- **Verisk Health** performs special investigating unit (SIU) services in support of the fraud, waste and abuse program. We have been working with this company since 2012.

In addition, due to the nature of UnitedHealth Group's corporate structure, some functions are handled by affiliates.

5. In California, corporate contributions are legal, and all of our political giving is through the United HealthCare Services, Inc. corporate entity, which registers as a major donor committee with the state. We are happy to provide additional information at the parent company level (UnitedHealth Group) for states other than California, upon request.
