7 WHEREAS, The City has embarked on a multi-departmental effort to rehabilitate and
8 reuse the former Central City YMCA for the public purpose of supportive housing and primary
9 care services for homeless and extremely low-income people; and

10 WHEREAS, The City's Department of Public Health (DPH) reports that homeless and
11 low-income people in and around the Tenderloin neighborhood continue to experience great
12 need for primary care services; and

13 WHEREAS, The provision of on-going community-based primary care services greatly
14 improves the quality of life for homeless people and reduces early mortality; and

15 WHEREAS, Treating people in primary care clinics helps to ensure homeless and low-
16 income people's health conditions do not deteriorate to the point of being life threatening
17 and/or in need of costly hospital-based services; and

18 WHEREAS, The City and non-profit landlord worked together to rehabilitate the historic
19 structure at 220-230 Golden Gate Avenue to include 174 units of supportive housing and the
20 construction of a primary care clinic; and

21 WHEREAS, The new Primary Care and Wellness Center at 230 Golden Gate will
22 alleviate over-crowding at two existing DPH clinics (234 Eddy Street and 50 Ivy Street); and

23 WHEREAS, DPH and the Real Estate Division developed an occupancy agreement
24 which will provide essential health care services in the Tenderloin neighborhood for the next
25 35 years; now, therefore, be it

1 RESOLVED, That in accordance with the recommendation of the Director of the
2 Department of Public Health and the Director of Property, the Director of Property is hereby
3 authorized to take all actions on behalf of the City and County of San Francisco, as tenant, to
4 lease the ground floor and lower level areas commonly known as 230 Golden Gate Ave., San
5 Francisco, California from 220 Golden Gate Clinic, LLC as landlord (a copy of the lease is on
6 file with the Clerk of the Board of Supervisors in File No. 120281, which is hereby declared to
7 be a part of this resolution as if set forth fully herein) and on a form approved by the City
8 Attorney; and, be it

9 FURTHER RESOLVED, That the Lease for 230 Golden Gate Ave. shall be for the term
10 of approximately ten (10) years commencing upon Substantial Completion of the tenant
11 improvements and terminating on December 31, 2022 at the monthly rent of \$11,700 and City
12 shall pay either to landlord or the service provider those operating expenses outlined in the
13 lease including utilities, janitorial, security, and other typical tenant expenses; and, be it

14 FURTHER RESOLVED, That the Lease shall include a lease clause, indemnifying,
15 holding harmless, and defending Landlord and its agents from and against any and all claims,
16 costs and expenses, including without limitation, reasonable attorneys' fees, incurred as a
17 result of any default by the City in the performance of any of its obligations under the Lease,
18 or any negligent acts or omissions of the City or its agents, in, on, or about the Premises or
19 the property on which the Premises are located, excluding those claims, costs and expenses
20 incurred as a result of the gross negligence or willful misconduct of the Landlord or its agents;
21 and, be it

22 FURTHER RESOLVED, That all actions heretofore taken by the officers of the City
23 with respect to such Lease is hereby approved, confirmed and ratified; and, be it

24 FURTHER RESOLVED, That the Board of Supervisors authorizes the Director of
25 Property to enter into any amendments or modifications to the Lease (including, without

1 limitation, the exhibits) that the Director of Property determines, in consultation with the City
2 Attorney, are in the best interest of the City, do not increase the rent or otherwise materially
3 increase the obligations or liabilities of the City, are necessary or advisable to effectuate the
4 purposes of the Lease or this resolution, and are in compliance with all applicable laws,
5 including the City Charter; and, be it

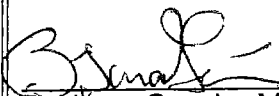

6 FURTHER RESOLVED, That the City shall occupy the entire Premises for the full term
7 of the Lease unless funds for rental payments are not appropriated in any subsequent fiscal
8 year at which time the City may terminate the Lease with advance notice to Landlord. Said

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would authorize a new lease between the Department of Public Health (as Tenant) and 220 Golden Gate Clinic, LLC (as Landlord), for approximately 11,700 square feet for the planned Tenderloin Primary Care and Wellness Center at 230 Golden Gate Avenue.

Key Points

- 220-230 Golden Gate Avenue (the former Central YMCA) is a supportive housing facility for chronically homeless adults, currently being developed by the Tenderloin Neighborhood Development Corporation, a nonprofit agency, with an expected completion date prior to December 31, 2012. The project includes 172 supportive housing units, a childcare center and a proposed new Department of Public Health (DPH) clinic (Tenderloin Primary Care and Wellness Center). According to Mr. Marc Trotz, DPH's Director of Housing and Urban Health, DPH expects to occupy the new Center on January 1, 2013. DPH will relocate its existing staff from the Housing and Urban Health Clinic, located at 234 Eddy Street, and some of the Tom Waddell Health Center staff, located at 101 Grove Street in order to staff the new Center at 230 Golden Gate Avenue. DPH has a 10-year master lease for 234 Eddy Street (the Windsor Hotel) for 91 supportive housing units and related services from 2010 through 2020, which includes the existing Housing and Urban Health Clinic. The Tom Waddell Health Center is in a City-owned building.
- The Center will be a Federally Qualified Health Center (FQHC)¹ providing primary care and behavioral health services for formerly homeless residents of San Francisco's supportive housing stock (residing in approximately 60 different facilities) as well as care for a portion of homeless persons currently served at Tom Waddell. The new Center will occupy 11,700 square feet and comprise most of the ground floor of the building. The Center will include 17 exam rooms, 7 counseling offices, 1 group behaviorist office, 2 nursing rooms, a pharmacy, a phlebotomy lab, storage areas, a large group meeting room and a large reception/waiting area.
- The proposed new lease term between the City and 220 Golden Gate Clinic LLC is for ten (10) years from approximately January 1, 2013 through December 31, 2022, with five 5-year options to extend, or a total of 35 years.

Fiscal Impacts

- The rent to be paid by DPH to 220 Golden Gate Clinic, LLC, is \$11,700 per month (\$1.00 per square foot per month), or \$140,400 annually (\$12.00 per square foot per year). On January 1 of each year, base rent will be increased by the Consumer Price Index (CPI), with a minimum increase of 2% and a maximum increase of 5%. The City will pay janitorial, security and utilities costs estimated to be \$194,065 annually. Total rent, janitorial, security, and utilities in the first year of the lease are \$334,465.

¹ Federally Qualified Health Centers are eligible for Medicare and MediCal reimbursements.

- The Center's rent and related costs are to be paid from the City's General Fund. DPH has included these costs in the proposed FY 2012-13 DPH budget. Because the proposed lease would commit the City to new, ongoing General Fund costs, the Budget and Legislative Analyst considers approval of the proposed resolution to be a policy matter for the Board of Supervisors.

Recommendations

- Approval of the proposed resolution is a policy matter.

MANDATE STATEMENT

In accordance with Sections 23.26 and 23.27 of the City's Administrative Code, leases of \$5,000 or more per month that extend for more than one year, and in which the City is the tenant, are subject to Board of Supervisors approval by resolution.

BACKGROUND

220-230 Golden Gate Avenue (the former Central YMCA) is a supportive housing facility for chronically homeless adults, currently under development by the Tenderloin Neighborhood Development Corporation, a nonprofit agency, and is funded by a combination of Federal, State, and other non-General Fund funds. The project includes 172 units of supportive housing, a childcare center and the Department of Public Health's (DPH) Tenderloin Primary Care and Wellness Center (Center). According to Mr. Marc Trotz, DPH's Director of Housing and Urban Health, construction of the facility will be completed by January 1, 2013, when DPH expects to occupy the Center at 230 Golden Gate Avenue.

DPH will relocate its existing staff from the Housing and Urban Health Clinic, located in the leased supportive housing facility at 234 Eddy Street (see below), and some of the staff from the Tom Waddell Health Center, located at the City-owned facility at 101 Grove Street, to 230 Golden Gate Avenue in order to staff the new Tenderloin Primary Care and Wellness Center.

The Tenderloin Primary Care and Wellness Center will be a Federally Qualified Health Center (FQHC)² providing primary care and behavioral health services for formerly homeless residents of San Francisco's supportive housing stock (residing in approximately 60 different facilities) as well as care for a portion of homeless persons currently served at the Tom Waddell Health Center.

The new Center will occupy 11,700 square feet and comprise most of the ground floor of the building. The Center will include 17 exam rooms, 7 counseling offices, 1 group behaviorist office, 2 nursing rooms, a pharmacy, a phlebotomy lab, storage areas, a large group meeting room and a large reception/waiting area.

² Federally Qualified Health Centers are eligible for Medicare and MediCal reimbursements.

The Center staff will treat homeless and formerly homeless patients on-site at the clinic as well as at the City's other approximately 60 supportive housing facilities. In addition to preventive, medical, and psychiatric care, the Center will offer on-site medication management, diabetes education, and substance abuse treatment. According to Mr. Trotz, the new Center will expand the availability of group services, mental health counseling, substance use counseling, and other recovery services.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize a new lease between the City (as Tenant) and 220 Golden Gate Clinic, LLC (as Landlord), for approximately 11,700 square feet for the planned DPH Tenderloin Primary Care and Wellness Center at 230 Golden Gate Avenue. The proposed lease term is ten (10) years commencing upon substantial completion of leasehold improvements (at Landlord's sole cost). The lease is estimated to commence January 1, 2013 and expire on December 31, 2022, with five 5-year options to the lease, totaling 35 years.

The proposed lease terms are shown in Table 1 below.

Table 1
Summary of the Proposed Lease Terms

Term	10 years, commencing approximately January 1, 2013 through December 31, 2022
Options to Extend	Five 5-year options to extend (or 25 years), for a total lease term of 35 years
Square Feet	11,700
Rent per Square Foot per Month	\$1.00
Total Rent per Month	\$11,700
Rent per Square Foot for First Year	\$12.00
Total Rent for First Year	\$140,400
Annual Rent Increases	Consumer Price Index (CPI), of no less than 2% and no more than 5%
Janitorial, Security, Utilities	Costs to be paid by the City for approximately \$194,065 annually
Total Rent, Janitorial, Security, and Utilities	\$334,465 annually

Currently, DPH provides primary care and urgent care service at the City-owned Tom Waddell Clinic, located at 101 Grove Street, and the leased Housing and Urban Health Clinic, located at 234 Eddy Street. According to Mr. Trotz, with the implementation of the proposed lease, DPH

will (1) transfer existing staff from the Housing and Urban Health Clinic located at 234 Eddy Street to the new Tenderloin Primary Care and Wellness Center at 230 Golden Gate Avenue (see below), and (2) transfer some of the staff currently located at the Tom Waddell Clinic to the new Tenderloin Primary Care and Wellness Center at 230 Golden Gate Avenue.

As shown in Table 2 below, the Tom Waddell Clinic and the proposed new Tenderloin Primary Care and Wellness Center would serve an additional 962 unduplicated primary care patients annually, without increasing the number of staff. According to Mr. Trotz, the proposed clinic at 230 Golden Gate Avenue will allow DPH to serve more people because of the additional exam rooms, nursing rooms, eligibility work rooms, and other functions which improve the overall efficiency of the clinics.

DPH currently has a 10-year master lease, from 2010 through 2020, previously approved by the Board of Supervisors (File 10-0598), for lease of 234 Eddy Street (the Windsor Hotel), providing 91 supportive housing units and associated services to chronically homeless individuals, which includes the Housing and Urban Health Clinic. According to Mr. Trotz, the space at 234 Eddy Street, currently occupied by the Housing and Urban Health Clinic staff, also includes eight administrative and case management staff. According to Mr. Trotz, the existing leased space is not sufficient to accommodate the Housing and Urban Health Clinic staff, administrative and case management staff, and clinic and case management clients. After the Housing and Urban Health Clinic closes, the eight administrative and case management staff will continue to occupy the space, which includes seven private offices and common areas. The common areas will be used for group counseling sessions, and meeting with clients for educational, job, and other counseling. As noted above, the subject space is part of the master lease for 234 Eddy Street, which is in effect until 2020.

FISCAL IMPACTS

As shown in Table 3 below, DPH would pay first year rent, utilities, janitorial, and security costs of \$334,465. Estimated rent and associated costs over the initial 10-year term of the proposed lease is \$3,706,597.

*reflects high estimate of 5% annual increase					

These estimated costs of \$3,706,597 over the initial ten-year term of the lease are to be paid by the General Fund, subject to Board of Supervisors approval. DPH has included the first year costs of \$334,465 in the proposed FY 2012-13 DPH budget. Because the proposed lease would commit the City to new, ongoing General Fund costs, the Budget and Legislative Analyst considers approval of the proposed resolution to be a policy matter for the Board of Supervisors.

The above referenced transaction is a "City Project" as defined by the Chapter 79A of the San Francisco Administrative Code. The Department of Public Health reports, as required, compliance with the Law has or will be completed by April 18, 2012:

- 1) DPH posting to their website
- 2) DPH signage posting
- 3) DPH will provide written notice within 5 days of any request.

Thus, we respectfully request that the authorizing legislation be introduced at the Board of Supervisors but not be approved until after May 18, 2012.

Dear Board Members:

Attached for your consideration is a Resolution authorizing a lease at 230 Golden Gate Avenue for use by the Department of Health (DPH) for the Tenderloin Primary Care and Wellness Center.

According to DPH, the proposed Tenderloin Primary Care and Wellness Center will comprehensively meet the needs of homeless people, residents of supportive housing, including the 174 residents living above the center at 220 Golden Gate, and other low-income community members. This population, due to their often complex health care conditions, remains a priority population for DPH for two main reasons:

- (i) Consistent and accessible primary care helps reduce preventable disease and premature mortality in the low income population while improving their quality of life and;
- (ii) Providing primary care to this target population is consistent with the City's and federal Affordable Care Act mandates for reducing the over-use of costly hospital-based services at facilities such as San Francisco General Hospital.

DPH also reports that the proposed new clinic will alleviate over-crowding at two existing DPH clinics (the Housing and Urban Health Clinic located at 234 Eddy Street and the Tom Waddell Health Center located at 50 Ivy Street) by adding seventeen (17) exam rooms to the system of care. Physically neither of the existing sites can be expanded without renting additional space in another building.

The proposed term of the lease is approximately ten (10) years commencing upon landlord's substantial completion of the tenant improvements (expected to be on or about January 1, 2013)

and terminating on December 31, 2022, subject to City's option rights to extend the term for up to twenty five (25) additional years. Each five (5) year option is subject to further approval by the Board of Supervisors and Mayor, in their sole discretion. Option period rents are not adjusted to fair market value but are Cost of Living Increases determined by the Consumer Price Index. Thus, the City has the ability to operate the clinic for the next 35 years at a stabilized occupancy cost.

The proposed Base Rent of \$11,700 per month, (approximately \$1.00 per sq. ft. monthly) is substantially below fair market value for ground floor space in the area. The proposed Base Rent is increased annually on each January 1 of the lease term by the proportionate increase in the Consumer Price Index with a two percent (2%) minimum increase and five (5%) maximum increase per year. The City will also pay for its own janitorial, utilities, and security, at an estimated cost of \$16,172.05 per month (approximately \$1.38 per sq. ft. monthly).

The proposed lease is the most appropriate vehicle to deliver the proposed Clinic at the least cost, as shown in Attachment #1.

In summary, the proposed lease provides an accessible primary care clinic for homeless people and other low-income residents at both minimal up-front and ongoing costs for up to the next 35 years.

We recommend approval of the proposed lease renewal. If you have any questions regarding this matter, please contact Charlie Dunn of our office at 554-9861.

Respectfully,

John Updike
