Dear Committee Members:

I am writing to urge that Director Janet Reilly be re-appointed to the Golden Gate Bridge District Board of Directors.

In the course of interacting with the Directors over the previous years I have come to admire Ms. Reilly for the strength of her knowledge, her organizational abilities and her convictions.

Ms. Reilly has an encyclopedic knowledge of bridge operations and personnel. She demonstrates this in general and committee meetings by bringing about a resolution to seemingly insoluble problems time and time again. She has devoted years to the pursuit of safety on the bridge for employees and visitors alike.

I urge you to retain her services in this crucial position. She has accomplished much in the past and has much to offer in the future.

Sincerely yours,

Eve R. Meyer

Honorable Jane Kim
Chair, Rules Committee
San Francisco Board of Supervisors
1 Dr. Carlton B. Goodlet Place
San Francisco, CA 94102

Dear Supervisor Kim:

Attached please find my application for reappointment to the Board of Directors of the Golden Gate Bridge Highway & Transportation District. I have been honored to help represent San Francisco on the Board since my appointment in 2009, and would be honored to continue doing so for the next two years.

My most important qualification for the position is my knowledge and experience in transportation policy derived from about two decades of advocacy and research. The District operates a transit system that carries 8.4 million passenger trips each year. My knowledge of best practices in public transit policy and operations is essential to providing effective oversight of District staff.

I will let my attached résumé speak in greater detail to my qualifications. Next, I would like to share my goals for my next two years on the Bridge District Board, if reappointed. Having developed good relationships with the Bridge District leadership, I look forward to being able to have a substantial impact in two areas.

First, I will try to get the District to adopt a monthly pass for its regular transit passengers. Currently, the Golden Gate Transit provides discounts to Clipper card users as a reward for its frequent passengers. A monthly pass, like Muni's Fast Pass, is a far superior method of rewarding frequent riders and incentivizing transit use and will become even more important as the Clipper card becomes ubiquitous and easy to acquire even for one-time use. A monthly pass on Golden Gate Transit is good for San Francisco because it should increase trips to the city, because for the user, the marginal cost of the trip is zero.

Second, I want to try to improve bicycle access and safety on the Bridge and the approaches that are controlled by the bridge, such as Alexander Avenue. Although current designs meet applicable standards to the greatest extent possible and Bridge staff members have taken reasonable steps to ensure the safety of all users of the bridge, there are still too many injuries suffered by users of the bridge property. I think I can bring some extra attention to the issue and help to avoid some of those injuries.

I respectfully seek reappointment to the Bridge district and if approved will honor that appointment by doing my best to represent the people of San Francisco as indicated in my application.

Sincerely,

Dave Snyder

Applying for appointment to the Board of Directors of the Golden Gate Bridge Highway and Transportation District

Summary of Qualifications

- **Extensive transportation policy experience**
Two decades of experience with San Francisco and national transportation policy. My recent experience is in the field of best practices in urban transportation planning: road pricing, transit efficiency, revenue policy, and systems planning. My earliest experiences heavily emphasized bicycle transportation planning and safety.
- **Experience as a member of a Board of Directors and in serving Boards**
My experience on both sides of the Board-executive relationship has given me an acute understanding of the role of a Board of Directors in managing an agency.
- **Strong ability to collaborate and reach common ground**
I understand that effective leadership requires as much *listening* as *speaking*. In my capacity as a Board member of SPUR I learned to work with people that I disagreed with. In my capacities as an executive of two nonprofits, I learned to communicate effectively — listening *and* talking — with people of varying opinions in order to reach a common understanding, an essential ingredient of successful management even if you can't agree on a particular position.

Re: Reappointment of Director Dave Snyder to the GGBH & TD Board

Dear Ms. Kim and Board Members:

Rescue Muni, a transit riders' association for San Francisco, strongly urges you to reappoint Dave Snyder to the Golden Gate Bridge Highway & Transportation District Board of Directors. Mr. Snyder has served San Franciscans extremely well in this position, as a strong advocate for better mass transit and bicycle and pedestrian access to the bridge.

Mr. Snyder is a transportation expert with two decades of transportation advocacy experience. He has been a long-time member of Rescue Muni and was an excellent Executive Director of the San Francisco Bicycle Coalition and Transportation Policy Director at SPUR., as well as a very effective board and staff member at several other organizations.

His priority as a Bridge District director is to preserve as much of the Golden Gate transit system as possible, and, when feasible, to expand that system. To that end, he has voted for efficiency improvements at the bridge district. In the future, he seeks to implement customer-friendly improvements for Golden Gate Transit, such as a monthly pass for transit users which they currently do not have. Rescue Muni applauds Mr. Snyder for these transit-first priorities.

San Francisco needs representation on this important regional body that reflects the values and priorities of San Francisco commuters and transit users. Dave Snyder is an excellent representative for San Francisco, and we urge you to reappoint him.

Sincerely,

Andrew Sullivan
Chair, Rescue Muni

Re: Reappointment of Director Dave Snyder to the GGBH & TD Board

Dear Supervisors:

The Sierra Club endorses the reappointment of Director Dave Snyder to the Golden Gate Bridge Highway and Transportation District Board. Dave Snyder is a transportation expert with two decades of transportation advocacy experience. His transit-first environmental values reflect those of the Sierra Club and the City and County of San Francisco.

His priority as a director is to preserve as much of the Golden Gate transit system as possible, and, when feasible, to expand that system. To that end, he has voted for efficiency improvements at the bridge district. In the future, he seeks to implement a monthly pass for transit users which they currently do not have.

Mr. Snyder came to the bridge district with a background in advocacy for bicycle and transit commuters as the founder and later board member of Transportation for a Livable City (now Livable City), as the Transportation Policy Director at the San Francisco Planning and Urban Research Association, and as a board member or staff person for many transportation and sustainable community advocacy organizations.

The Sierra Club believes there are few people more qualified to serve on the Golden Gate Bridge Highway and Transportation District Board of Directors than Dave Snyder. Please vote to reappoint Dave Snyder to the bridge district.

Sincerely,

Becky Evans

San Francisco Group

Employment and Positions of Responsibility

From 1978 to 1985 I worked in a variety of short jobs. Among the longer of these were file clerk/docket clerk in the legal department of Pacific Gas and Electric and customer service clerk at Cable Car Clothiers. Meanwhile I published half a dozen short stories in literary magazines.

In 1985 I indentured as an apprentice with Iron Workers Local 377 for the Herrick Corporation on structural steel in high rises. My apprenticeship included training in bridge work. I was named the local's "Outstanding Apprentice" on graduating in 1988. I worked as a field ironworker until June 1999, the last six and a half years with Romak Iron Works, for which I became a general foreman.

June 1999-February 2002:	Organizer, Iron Workers 377
March 2002-March 2005:	Business Representative, Iron Workers 377
April 2005-present:	Secretary-Treasurer, San Francisco Building and Construction Trades Council

As Business Representative of Iron Workers 377 I was Vice Chair of the labor coalition in negotiations with the Golden Gate Bridge, Highway, and Transportation District. I represented the Local's members in their retrofits of the Golden Gate, the San Mateo, the Richmond – San Rafael, and the San Francisco – Oakland Bay Bridges and became familiar with all four bridges.

I serve as Vice President of the Board of Directors of Young Community Developers, on the Executive Committee of the San Francisco Labor Council, as Vice President of the San Francisco Bay Area Chapter of the Industrial Relations Research Association, on the Citizens Bond Oversight Committee of the San Francisco Unified School District, and on the Board of Workforce Investment – San Francisco. I served formerly on the San Francisco Building Inspection Commission.

Dear Supervisor Kim,

I am writing to urge the appointment of Michael Theriault, Secretary Treasurer of the San Francisco Building Trades Council, to the position of Golden Gate Bridge Highway and Transportation District Board of Directors. I have worked with him at length and know him to be an honest, reputable and hard working individual. His years of experience, his knowledge of structural issues and the needs of the Bridge, as well as public transportation needs, will make him asset to the Board.

There are nineteen (19) positions, nine (9) of which come from San Francisco, eight (8) from the Board of Supervisors. Historically, San Francisco has appointed the labor representative on this Board. Past labor representatives on the Board most recently included, Bobbie McDonald from the Laborers, Stan Smith from the SF Building Trades Council and Sabrina Hernandez from the Electricians.

There are fifteen (15) Unions with twenty-three (23) collective bargaining units at the District. Many decision affecting labor are made by the Board and it is important for labor to have a voice.

Again, I urge the appointment Mr. Theriault to the Board of the Golden Gate Bridge, Highway and Transportation District.

Sincerely,

Marina V. Secchitano

Dear Supervisors Kim, Ellsbernd, and Farrell,

I stand before you today to respectfully request the opportunity to continue my activism and leadership on the Golden Gate Bridge, Highway, and Transportation District, and to serve as your eyes, ears, and voice there. I have a record of 36 years of accessibility and integrity in government and community service, and activism on the most important and contentious issues. I ask questions, and demand transparency. Because I am fiercely independent, I build coalitions and get results where no one else has. I have distributed a list of just some of the individuals who phoned and wrote letters of support for my reappointment.

Briefly, what I bring to the GGB BD:

- In December my colleagues on the board elected me **2nd Vice President**, and by board policy, I am **in line to be President**. I am **Vice Chair** of the Governmental Affairs and Public Information Committee. In an organization steeped in tradition, and strictly governed by **seniority**, that is very important. I have been able to get to know my colleagues from the North, and **forge relationships based on trust**.
- In my five and a half years on the district Board, we have made historic changes on the issues of the median barrier, suicide deterrent, and Doyle Drive; and are now addressing the important issues of **automation, funding cuts, First Amendment expression on the bridge, congestion pricing, and a visitors' center**. All that, as we continue to provide essential regional bus and ferry transportation; and maintenance, administration, and security for the world's greatest functioning landmark!
- **I was instrumental on the historic vote for the Suicide Deterrent by reaching out to the interfaith clergy, to bring the moral component of saving lives to our Board discussions (prior to my joining the Board the mental health aspects had dominated the discussion)**.
- **I took a leadership position on the Doyle Drive deliberations, by bringing neighborhood and community input to the table; and by initiating meetings between neighborhood leaders and regional transportation officials, and Presidio officials. At our Board meetings, I was the only one to show my colleagues the way the Doyle Drive construction would impact San Francisco neighborhoods**.
- **I am the only member of the Board of Directors who regularly walks the bridge and the trails and paths leading to it..** My board colleagues rely on me to relate my experiences as one of the annual 10 million pedestrian visitors to the bridge. This is vital knowledge that impacts bridge operations and costs as well as the safety and enjoyment of tourists, commuters, runners, cyclists, and pedestrians.
- I have **longtime experience and education in Public Administration and landuse, parks, and transportation** issues, and have an appreciation of the District's complex role as a transportation agency, and custodian of a landmark open space. I have **longtime personal and working relationships** with many of the public officials with whom we work.
- **I was one of only two Directors to consistently speak against commercialization of the bridge.** I attended community meetings, and facilitated dialogue between bridge officials and the community, resulting in a unanimous vote against the proposed Sponsorship Program, preserving the bridge's iconic status.
- On the same vein, my career as a **lawyer and as a fundraising and board development expert** for start-up non-profits, and mega-events (the 1984 Democratic Convention, Art Against Aids, Aid & Comfort, the 1997 U.S. Conference of Mayors) give me the experience and judgment necessary as the District is about to launch its 75th Anniversary Celebration, and explore the options of opening a Visitors' Center and a possible partnership with the a national nonprofit. I will make sure this is done in a **safe, democratic, dignified, profitable, and fun way**. The Board critically needs someone with my experience and perspective.
- On staff of Congressman Tom Lantos, and as a Commissioner of Human Rights, a Recreation and Parks Commissioner, and now as a GGB Director, I have always been passionate about my **responsibility to all segments of the community for good governance, factfinding, and transparency, and for fair and equal access to transportation, recreation, self-expression, and inspiration**.

Thank you for the opportunity to continue my service.

Sincerely,

Lynne Newhouse Segal

2nd Vice President

Dear Committee Members:

I am writing to urge that Director Lynne Newhouse Segal be re-appointed to the Golden Gate Bridge District Board of Directors.

In the course of interacting with the Directors over the previous years I have had several occasions to interact with Ms. Segal in action and to discuss issues with her. I have always felt she was an asset to the Board.

Ms. Segal has a keen intellect that is combined with warmhearted sensitivity to such issues as the need for employee and visitor safety. Her concern for the unnecessary and impulsive suicide deaths that occur on the Golden Gate Bridge was greatly appreciated by our agency.

I urge you to retain her services in this crucial position. She has demonstrated her potential already and it is impressive.

Sincerely yours,

Dear Supervisors Elsbernd, Kim and Farrell:

I am writing in support of Lynne Newhouse Segal for re-appointment to the Board of Directors of the Golden Gate Bridge, Highway and Transportation District.

I have known Lynne for more than 2 decades. I first met Lynne while she was serving on the Recreation and Park Commission, where she was a model commissioner. She studied carefully the issues brought to her by the Department and sought out balanced and reasonable dialogues with the public about controversial issues.

I recall one heart-felt encounter with her in Golden Gate Park in the early 90's. The famous Bill Graham had died in an airplane crash, and a memorial was quickly organized for him in Golden Gate Park. Somewhere between 1/2 and 1 million people showed up, at short notice, for this memorial, which featured luminaries such as Gerry Garcia and Santana (11/3/91). Fearing the crush of so many people, I was planning to stay away and 'hear' it from my house---which, with the predicted amplification, would have been easy. In the end, I went.

As I was wondering through the various paths towards the Polo Field in Golden Gate Park, I found the then Commissioner Newhouse Segal doing the same. She smiled, asked where I would suggest she go to watch, and then continued on. I mention this story because certainly in the annals of popular music, that concert was one of the greatest concerts Golden Gate Park ever hosted. And it was totally fitting and yet extraordinary that a sitting commissioner would have demonstrated such commitment to the Recreation and Parks Department to attend this large public gathering.

Lynne displays the same level of commitment for all of her public responsibilities. She is hard-working, smart, logical, helpful, dedicated, insightful and perceptive. Please re-appoint her for the Board of Directors of the Golden Gate District.

Sincerely,

Pinky Kushner

Re: Re-Appointment of Lynne Newhouse Segal

Dear Committee Members,

I am writing to recommend that you re-appoint Lynne Newhouse Segal to the GG Bridge, Highway and Transportation Districts Board. I have known Lynne for a long time, working with her on park and open space issues. What has always impressed me about Lynne is how willing she is to work hard (many are not), do her homework, and listen to different perspectives. We have not always agreed (I do not agree with spending money on a suicide barrier, for example), but it is impressive how accessible she is and committed to hearing all sides. More rare, she is willing to change her opinion on occasion as she studies an issue and the information is compelling and comprehensive. That often requires bravery, and we see too little of that on our Boards and Commissions. I also feel that she always believes that she represents the people first – again, a rare quality for many Mayoral appointees.

Thank you for your consideration of my opinion in this important deliberation.

Sincerely,

Isabel Wade, Ph.D.

Dear Members of the Board of Supervisors Rules Committee,

It gives me great pleasure to enthusiastically recommend Lynne Newhouse-Segal for another term on the Board of Directors of the Golden Gate Bridge, Highway, and Transportation District. I have worked with her for many years through my involvement with San Francisco Parks Trust and the Presidio Trust and have found her to be hard-working, an innovative thinker, and committed to community input. She well understands the historical preservation, transportation, and financial issues involved with providing oversight for the national icon that is the Golden Gate Bridge. Her wide range of contacts and her commitment to her constituents helps her anticipate problems and build coalitions to head them off. She is a proven problem-solver.

She took a leadership position on the Doyle Drive deliberations and has involved herself widely in the District's affairs, having served on the Transportation, Rules, Governmental Affairs, and Building and Operating Committees, the Labor Subcommittee and the 75th Anniversary Subcommittee. Her background of knowledge will be a real asset to the District moving forward.

Many thanks for your kind consideration,

Nancy Conner

Dear Supervisor Kim:

I write this letter as an individual in support of the reappointment of Lynne Newhouse Segal to the Board of the Golden Gate Bridge, Highway, and Transportation District. I have known Lynne and observed her work over the years in my capacity as Board Chair of the 64-year old charity, San Francisco Beautiful, and as past President and board member of the Presidio Heights Association of Neighbors. Lynne has served on the Bridge board for over five years, and last December was elected 2nd Vice President, a position that would normally be expected to extend over three years.

She has worked for the good of the community for many years, and supported San Francisco Beautiful's advocacy against commercialization of the Bridge a few years ago. Lynne attended community meetings, and facilitated dialogue between bridge officials and community members. She has significant experience in government, as well as nonprofit fundraising from corporations and foundations. As a Commissioner of Parks and Recreation, she has supported accessibility to the community and respect for open space. As a board member of the Pacific Heights Residents Association she has shown commitment to preservation of the beauty and integrity of our neighborhoods.

Thank you very much for considering her appointment.

Dear Gentlepeople,

I write this email in recommendation of Lynne Newhouse Segal who will continue to make an exceptional member of the Golden Gate Bridge, Highway and Transportation District Board of Directors.

I have known Lynne for more than a quarter of a century and have found her to be a person of excellent character and an effective leader. We have worked together on community activities and she has always done what she said she would do, and done it well. Lynne is an activist, stimulating and leading activity in neighborhood and civic issues including her role as President of Friends of Lafayette Park and on the Board of the Pacific Heights Residents Association. When she served on the Park and Recreation Commission she was known as a responsible member to whom people could turn when there were important issues to resolve.

As a senior athlete, Lynne is out on the trails and on the Golden Gate Bridge getting active on location knowledge of the issues that face the GGB and its surroundings. In fact she is the only member who possesses such first hand knowledge on nearly a daily basis.

Her skills learned as a staff member of Congressman Tom Lantos' team has given her a great groundwork to continue to serve of the GGB Board. This experience is amplified by her studies for a Master of Public Administration and her experience on the Human Rights Commission.

Therefore, by aptitude, intelligence, commitment and general excellence, her skills are manifold. It is my pleasure to unqualifiedly recommend Lynne for the continued position a Board Member of the Golden Gate Bridge Board.

Thank you for entertaining my recommendation, and keep up the good work in maintaining that miracle of a bridge that you superintend.

Sincerely yours,

Dear Clerk Wong,

I am writing to recommend Lynne Newhouse Segal for reappointment to the Golden Gate Bridge, Highway, and Transportation Board of Directors. I have known Lynne for her dedicated and effective work for Women's and community issues since I moved to San Francisco in 2000.

Lynne has been a leader in the women's community for decades. When I co-founded Emerge California in 2002, Lynne agreed to serve on the Advisory Committee. Her seniority on the GGB Board, and her tenure as 2nd Vice President there are an inspiring example to our Emerge participants.

Lynne brings a unique perspective to the GGB Board. Her career as a lawyer and as a fundraising and board development expert for start-up non-profits, and mega-events (the historic women's kickoff to 1984 Democratic Convention, Art Against Aids, Aid & Comfort, and the 1997 U.S. Conference of Mayors) will be invaluable as the Bridge prepares to launch its 75th Anniversary Celebration, and explore the options of opening a Visitors' Center and a possible partnership with the Parks Conservancy.

Lynne's experience on the staff of Congressman Tom Lantos, as a Commissioner of Human Rights, and Recreation and Parks Commissioner gives her an understanding of the complexities of interagency cooperation and public-private partnerships; as well as sensitivity to the needs of labor, minorities, and the environment.

As a GG Bridge neighbor and a neighborhood leader, Lynne is the only member of the Board of Directors who regularly walks the bridge, and is frequently called on by her board colleagues for her on-site and local knowledge. In preparation for Doyle Drive construction Lynne brought neighborhood and community input to the table by initiating meetings between neighborhood leaders with regional transportation officials.

For all of the above reasons, I support the reappointment of Lynne Newhouse Segal to the Board of Directors of the Golden Gate Bridge, Highway, and Transportation District.

Thank you for your consideration and just deliberations.

Dear Ms. Wong,

I am writing to you in support of Lynne Newhouse-Segal's reappointment to the Golden Gate Bridge, Highway and Transportation District.

I have worked with Lynne on issues in the city for the past ten years. Lynne actually was the impetus for my starting the Friends of Alta Plaza Park, which privately raised over \$1.5 million dollars to renovate the playground and sports courts in the park. Lynne helped our group form and was one of the first donors to our project. I approached Lynne about the conditions in our neighborhood playgrounds and she introduced me to people from the DPW and Rec Park who were able to help quantify the problems and recommend what needed to be done. She was extremely responsive, and helped us launch a successful, satisfying project.

Lynne has always been eager to help on a variety of projects, both park related and non-park related, in the neighborhood and is very helpful about introducing people to one another in the neighborhood and throughout the city. Lynne has done everything from helping to get a stop sign installed at Scott and Washington Street to make entry to the park safer to hosting political salons and informational meet and greets for national politicians at her home. She is engaged and is absolutely one of the most helpful people around. I respect Lynne's judgement and I am quite amazed at her energy level. Lynne follows through on projects and gets done what she says she will.

Lynne helped spur me to become more involved with the city as a whole, and I am now on the boards of the San Francisco Parks Trust and the Fine Arts Museums of San Francisco. I truly believe I would not be on these boards and as active a member of the community had I not met Lynne.

I whole heartedly endorse Lynne for the Golden Gate Bridge, Highway and Transportation District. I am a walker, I walk everywhere, and I see Lynne walking around as well. I feel that she is an excellent advocates for pedestrians as well as for users of mass transit such as my mother and my children.

If you have any questions for me please feel free to email me or call me at 415-567-1265.

Thank you for your time,
Lauren Hall

I am delighted to write about my friend, Lynne Newhouse-Segal's reappointment to the Golden Gate Bridge, Highway & Transportation Districts Board. I have known and worked with Lynne for over 25 years, as a member of the Board of the Union Square Business & Professional Women Club (USBPW) and the Board of the Democratic Women's Forum (DWF). Her dedicated concern and effective work for women's, civil liberty, and neighborhood issues was often proven to me by how conscientious, caring, and accessible she is. She brings diversity, as well as a deep commitment and understanding of diversity, to the board. She has an activist orientation, integrity, and superb professional qualifications.

I was fortunate to have her serve on my board as I journeyed thru many terms as president of USBPW, as well as the presidency of DWF.

For all of the above reasons, we all would be honored by her continuing to represent San Francisco on the Board of Directors of the Golden Gate Bridge, Highway, and Transportation District.

Dear Ms. Wong:

I am writing to urge the reappointment of Lynne Newhouse Segal to the Golden Gate Bridge, Highway, and Transportation District's board. Lynne Newhouse Segal is one of the most remarkable and dedicated women that I've met and worked with, and her participation and perspective on issues is a very valuable addition to any committee, organization, or board.

I initially met Lynne through my position as Executive Director of National Council of Jewish Women San Francisco Section. She was asked by then District Attorney Kamala Harris to serve as a co-chair for The Friends of Safehome, a joint project of The SAGE Project and Edgewood Center for Children and Families. Lynne served as a co-chair with Libby Denebeim and Brenda Wright. I staffed the "Friends." Lynne was always conscientious and accessible to me, to her fellow co-chairs, and to the program staff. Her dedicated concern and effective work for women's and civil liberty issues is obvious in any conversation that you have with Lynne, but working with her on projects focused on women and civil liberties, she comes with a sensitive combined perspective of articulate lawyer, experienced and passionate community volunteer, as well as mother, woman and long-time social activist on women's and human rights issues.

Lynne brings diversity to the bridge board (she is one of only five women on the 19 member

Board of Directors, as well as the only Jewish member), and she has been a champion of diversity and human rights throughout her life.

Lynne has the unusual ability to focus on the mundane, day to day necessary, and human details, along with a big picture policy making and changing perspective. She is not afraid to ask the tough questions or to take tough actions. Lynne is also able to bring groups together to collaborate in unique ways. The ability to create partnership is a skill that Lynne brings to any project that she engages in.

As a resident of San Francisco, I am aware of the huge decisions that the Bridge Board has made in recent years, during Lynne's tenure: the Doyle Drive construction project, the suicide deterrent, the median barrier, and the recent automation announcement. I have no doubt that Lynne took on leadership roles on many of these issues, creating partnerships and collaborations, to come to positive conclusions. I also have no doubt that she will continue to take on those leadership positions in the decisions to come. With Lynne the Bridge Board has a key member with a solid appreciation of the District's complex role as a transportation agency, and custodian of a landmark open space. I don't know another individual that would be such a strong continuing asset to the Board.

For all of the above reasons, I highly endorse and recommend Lynne Newhouse Segal's reappointment to the Board of Directors of the Golden Gate Bridge, Highway, and Transportation District giving her the opportunity to continue to represent San Francisco on the board in the strong way that she has done until now.

If you have any questions, or would like to discuss Lynne's reappointment with me further, please do not hesitate to contact me, either by phone or by email.

Sincerely,

Ann L. Singer

Dear Supervisors,

I understand that the Rules Committee will shortly consider the appointment of Directors to the Golden Gate Bridge District. I am writing to urge you to re-appoint Lynne Newhouse Segal.

I have known Lynne for over twenty years and know her to be a tireless public servant who brings a wealth of relevant experience to her work. In addition to working in the office of U.S. Congressman Tom Lantos, she has served San Francisco as a Recreation and Parks Commissioner and as a Human Rights Commissioner. This gives her a mature perspective that is hard to match.

She has served on the Board of the Golden Gate Bridge District for five and a half years and is currently the Second Vice President of the Board. She has taken a leadership role on the re-build of Doyle Drive and the issue of suicide deterrence on the Bridge.

As a founding member of the Marina Community Association and as a member of the Neighborhood Associations for Presidio Planning, I know that Lynne has worked hard to make sure that interests of the District 2 neighborhoods were represented during the Bridge District's discussions concerning Doyle Drive. Doyle Drive traffic affects the Marina and Cow Hollow more than anywhere else in San Francisco and so it is essential that the San Francisco representatives on the Bridge District Board have a good understanding of the traffic challenges that our neighborhoods face, and have a good working relationship with the neighborhood associations.

Lynne certainly fits that role. In addition to her work on the Bridge District Board she has been instrumental in forming a coordinating organization to bring together the different neighborhood associations in District 2. This has helped us act in a more concerted way and do a better job of representing our neighborhoods to the Board of Supervisors and City Management.

I heartily endorse Lynne's application to be re-appointed to the Board of the Golden Gate Bridge District and respectfully request that you make that recommendation to the full Board of Supervisors.

Thank you for your consideration,

Alan Silverman

To the Rules Committee of the Golden Gate Bridge, Highway, and Transportation District:

We write in support of the reappointment of Lynne Newhouse Segal to the Board of Directors of the Golden Gate Bridge, Highway, and Transportation District. We have known and worked with Lynne for many years in her capacity as a community leader. Lynne displays tremendous commitment and a deep passion for serving the City and County of San Francisco and the surrounding Bay Area.

A dedicated advocate for consensus and coalition building, she approaches problems with a mind to find solutions that will have broad-based community support. Lynne is an effective organizer who works behind-the-scenes to garner the input of stakeholders, and then brings to the table ideas that are beneficial to all involved.

Lynne employed these skills during the Bridge District's deliberations and the community's debate about the suicide deterrent project. Recognizing the diverse demographics in the Bay Area, she sought input and engaged in dialogue with an array of voices - from the faith community to the civic community. Lynne understood that the response to suicide is a deeply important issue that reflects the varying moral and religious traditions in our community. She reached out to prominent and diverse clergy in Marin and San Francisco to discuss the issues at play and to better understand those communities' reactions to the proposal.

Lynne's passion for the City, her thoughtful and consensus-minded approach, and her strong leadership qualities have made an important contribution to the Bridge District and our community. We therefore are pleased to strongly recommend her reappointment.

Sincerely,

Rabbi Doug Kahn

Dear Supervisors,

Please accept this letter urging your vote for the reappointment of Lynne Newhouse Segal to the Golden Gate Bridge, Highway, and Transportation District Board of Directors.

I have known Lynne for over a decade. She has always proven to be a champion not only for and within the women's leadership community, but also to the higher calling of dedicated civic service to the City and County of San Francisco. As president of the Commission on the Status of Women, I have found Lynne's insight and advisement over the years to be of great value and resource especially as we undertake the most challenging problems facing our most vulnerable, underrepresented populations of women and children in San Francisco. True to her cause of making sure that all San Franciscans are represented in the public process, I can always count on Lynne's steadfast advocacy to speak up and give voice for the

least of us.

Lynne has faithfully gathered and represented the interests of San Francisco's neighborhoods and communities in her work at the Bridge District. As a member of the Labor Subcommittee, and as a leading agent to move the Suicide Deterrent Project forward her leadership on the Board is markedly appreciated.

We need Lynne's continued service. She is a much needed trustee of one of the nation's most treasured landmarks and all services attendant to its preservation, security, and accessibility.

Thank you for your full consideration of reappointing with urgency Lynne Newhouse Segal to the Golden Gate Bridge District Board of Directors.
