Article 3 Financial Matters

3.1 **Certification of Funds; Budget and Fiscal Provisions; Termination in the Event of Non-Appropriation.** This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the

Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 Guaranteed Maximum Costs. The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.3 Compensation.

3.3.1 Payment. Contractor shall provide an invoice to the City on a monthly basis for Services completed in the immediate preceding month, unless a different schedule is set out in Appendix B, "Calculation of Charges." Compensation shall be made for Services identified in the invoice that the Director of Health, in his or her sole discretion, concludes has been satisfactorily performed. Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed **Nine Million Seven Hundred Fifty Seven Thousand Eight Hundred Six Dollars (\$9,757,806)**. The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to by both parties as retainage, described in Appendix B. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until Department of Public Health approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables, equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall

be made by City as specified in Section 3.3.6, or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.5 Reserved. (LBE Payment and Utilization Tracking System)

3.3.6 Getting paid for goods and/or services from the City.

(a) All City vendors receiving new contracts, contract renewals, or contract extensions must sign up to receive electronic payments through, the City's Automated Clearing House (ACH) payments service/provider. Electronic payments are processed every business day and are safe and secure. To sign up for electronic payments, visit www.sfgov.org/ach.

(b) The following information is required to sign up: (i) The enroller must be their company's authorized financial representative, (ii) the company's legal name, main telephone number and all physical and remittance addresses used by the company, (iii) the company's U.S. federal employer identification number (EIN) or Social Security number (if they are a sole proprietor), and (iv) the company's bank account information, including routing and account numbers.

3.3.7 Federal and/or State Funded Contracts.

(a) **Disallowance.** If Contractor requests or receives payment from City for Services, reimbursement for which is later disallowed by the State of California or United States Government, Contractor shall promptly refund the disallowed amount to City upon City's request. At its option, City may offset the amount disallowed from any payment due or to become due to Contractor under this Agreement or any other Agreement between Contractor and City.

(b) **Grant Terms.** The funding for this Agreement is provided in full or in part by a Federal or State Grant to the City. As part of the terms of receiving the funds, the City is required to incorporate some of the terms into this Agreement. The incorporated terms may be found in Appendix J, "Grant Terms." To the extent that any Grant Term is inconsistent with any other provisions of this Agreement such that Contractor is unable to comply with both the Grant Term and the other provision(s), the Grant Term shall apply.

(c) Contractor shall insert each Grant Term into each lower tier subcontract. Contractor is responsible for compliance with the Grant Terms by any subcontractor, lower-tier subcontractor or service provider.

3.4 Audit and Inspection of Records. Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section.

Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.4.1 Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$750,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Said requirements can be found at the following website address: https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl.

If Contractor expends less than \$750,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.2 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.1 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.3 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 Submitting False Claims. The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any contractor or subcontractor who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A contractor or subcontractor will be deemed to have submitted a false claim to the City if the contractor or subcontractor: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.6 **Reserved. (Payment of Prevailing Wages)**

Article 4 Services and Resources

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 **Qualified Personnel.** Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 **Subcontracting.**

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 Contractor will not employ subcontractors.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such

a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to the preceding two paragraphs shall be solely for the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment. The Services to be performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty. Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; policy must include Abuse and Molestation coverage.

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) Professional liability insurance, applicable to Contractor's profession, with limits not less than \$1,000,000 each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Blanket Fidelity Bond (Commercial Blanket Bond): Limits in the amount of the Initial Payment provided for in the Agreement.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to provide:

(a) Name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

(b) That such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.3 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.4 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.5 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.6 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the

lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.7 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.8 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.9 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement, except where such breach is the result of the active negligence or willful misconduct of City. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

Article 6 Liability of the Parties

6.1 Liability of City. CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

6.2 Liability for Use of Equipment. City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 Liability for Incidental and Consequential Damages. Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

7.2 Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

7.2.1 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

7.2.2 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the

information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions shall include, without limitation:

(a) Halting the performance of all Services under this Agreement on the date(s) and in the manner specified by City.

(b) Terminating all existing orders and subcontracts, and not placing any further orders or subcontracts for materials, Services, equipment or other items.

(c) At City's direction, assigning to City any or all of Contractor's right, title, and interest under the orders and subcontracts terminated. Upon such assignment, City shall have the right, in its sole discretion, to settle or pay any or all claims arising out of the termination of such orders and subcontracts.

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically enumerated and described in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

3.5	Submitting False Claims.	10.10	Alcohol and Drug-Free Workplace

services connections. The BVHPF IBHS will also use the Internet to reach beyond the targeted neighborhoods of the Southeast section of the city.

B. Admission Criteria

Clients served at BVHPF IBHS must meet eligibility requirements of BHS and SFDPH, be San Francisco County residents, and also meet medical necessity requirements to be enrolled in the services offered by the program. If clients are in-between counties, they can be seen for services up to 30 days if they meet the eligibility requirements for MediCal or Healthy San Francisco guidelines. Services can also be made available to clients if income levels are within the state's uniform patient fee schedule for community mental health services. Other program clients may qualify based on assessments done through Educationally Related Mental Health Services (ERMHS) and the San Francisco Unified School District (SFUSD).

C. Delivery Model

The BVHPF IBHS conducts outpatient services that are clinic-based and school-based. For all client cases, close monitoring and oversight will occur by the assigned clinician for the purpose of addressing the different stages of change and recovery. This monitoring is designed to ensure stability and consistency of treatment interventions.

Program services will be delivered within the context of guidelines which include:

- System-wide standards of accountability based on cost, access, quality and outcomes;
- A single point of entry for adult and children's services;
- A common definition of the priority target population;
- The use of common admission and discharge criteria for coordinated care for all clients;
- Culturally and linguistically appropriate services;
- Provision of a standard core of services.

To fulfill the San Francisco Department of Public Health's mission to ensure an active system of care for San Franciscans, the BVHPF IBHS will participate in the BHS Advanced Access initiative by:

- Providing intake assessment and medication evaluation as needed, within 24-48 hours of request;
- Ensuring timely collection and reporting of data to BHS as required. The BVHPF IBHS will provide quarterly measures of new client demand according to Advanced Access reporting methodology, and more frequently if required by BHS;
- Providing and documenting the initial risk assessment within AVATAR within 24-48 hours of request for service;
- Adhering to BHS guidelines regarding assessment and treatment of indigent (uninsured) clients;
- Measuring delay of access for both new and ongoing clients on at least a monthly basis according to Advanced Access reporting methodology, and more frequently if required by BHS.

The Bayview Hunters Point Foundation acknowledges the merits of comprehensive services models, and prioritizes collaborative program strategies. The promotion of integrated behavioral health models is specifically addressed within the Foundation's behavioral health and substance use disorders programs. Through ongoing service efforts, this collaborative relationship provides enhancement and sustainable levels of functioning and well-being for clients of both the behavioral health and the substance use disorders programs. The Bayview Integrated Behavioral Health and the Bayview Substance Use Disorders Programs work together to provide goals-oriented interventions for clients who are dually diagnosed and who will benefit from specialty services.

The Bayview Integrated Behavioral Health Service participates in the BHS Advanced Access initiative, the timely measurement of data at the site, and reporting of data to CBHS. Initial risk assessments are completed for clients on a timely basis and treatment planning with clients' input is prioritized and completed within anticipated timeframes.

For client referrals that represent a more critical and immediate need, priority is placed on follow up and assignment to clinicians. Priority referrals include Foster Care Mental Health, Child Protective Services (CPS), and Gold Cards (high risk, frequent service users).

Program services of Bayview Integrated Behavioral Health will be delivered within the context of integrated mental health and substance use disorders service guidelines. These guidelines include several components of evidence-based integrated programs according to Drake, Essock, and colleagues (2001):

- *Staged interventions* where stages of treatment (engagement, persuasion, active treatment and relapse prevention) are delivered based on individual readiness for each stage;
- *Motivational interventions* which involve helping the individual identify goals and recognize that not managing one's illnesses interferes with attaining these goals;
- *Counseling* to help clients develop skills and supports to control symptoms and pursue abstinent lifestyles;
- *Social support interventions* which recognize the role of social networks and peer support in recovery from dual disorders;
- *Long-term perspective* which recognizes that recovery may occur over months or years;
- *Comprehensiveness* in helping individuals transform many aspects of their lives, habits, stress, management, friends, activities, and housing;
- *Cultural sensitivity and competence* which are critical to engaging clients.

Strategies that clinicians and interns of the BVHPF IBHS will use in the treatment of clients include: *Motivational Interviewing, Cognitive Behavioral Therapy, Insight Oriented Therapy, Family Systems Therapy, and Evidence-Based Practices*. All strategies listed will use, in one form or another:

D. Exit Criteria

The exit criteria for BVHPF IBHS are based upon clients’ indicating that they have met their goals for treatment. Staff will meet with clients to process terminating treatment and to acknowledge that a client’s goals have, in fact, been met. Staff will have provided linkages to outside independent services such as housing, case managers, medical providers, job training, substance abuse services, and medications during treatment so that there is a network of continuous resources for the client, as needed. These criteria may also be met in the form of a client becoming a meds-only client.

E. Staffing

The Bayview Integrated Behavioral Health Service is a component of a community-based human services agency which represents appropriate services response for a diverse, multi-ethnic population. The BVHPF IBHS is staffed with licensed and license-eligible marriage & family therapists, social workers, psychologists, and board certified psychiatrists who are oriented to the community and responsive to the issues of ethnicity, culture, language, and gender. The Foundation understands the importance of race, culture and language in its service provision, and maintains staffing and programming which appropriately respond to these issues. Recruitment and hiring of staff ensures competency to deliver and manage culturally and linguistically appropriate services to the populations served, and provision of effective program and therapeutic interventions designed to meet the special clinical needs of diverse populations. Diverse populations include those from racial, ethnic and cultural backgrounds, homeless individuals, and individuals of varied sexual orientations and disabilities.

7. Objectives and Measurements

8. Continuous Quality Improvement

The Bayview Integrated Behavioral Health Service, (Adult and Children’s Programs), follows a Quality Assurance and Activities Plan that is designed to enhance, improve, and monitor quality of care and services. Annual Performance Objectives identified by BHS are discussed regularly with staff. Such discussions include productivity standards and requirements. All clinical staff members are expected to carry out services based on program productivity standards which include caseload size, units of service, and quality of services/ The BVHPF IBHS identifies any areas of improvement needed in clinical services provided to clients through regular chart reviews. The chart reviews are conducted on a regularly scheduled basis. Avatar reports provide critical staff and program information relative to required charting and recordkeeping, documentation timelines, staff activity, caseloads, billing categories and achievement, and other current data which are useful in evaluating performance and for making informed program and clinical decisions. In meeting quality assurance guidelines and efforts, all clinical staff of the Bayview Integrated Behavioral Health Service also participates in regularly scheduled Clinical Case Conferences which provide ongoing opportunities for case presentation, development, and feedback. Clinicians receive weekly 1:1 supervision and Group Supervision from a Licensed Clinical Supervisor where discussions focus on the elements of client cases such as assessment and treatment planning, case formulation, continuity of care, and discharge planning.

Guidelines and results of documentation of Continuous Quality Improvement are included in the Program's annually revised Administrative Binder. Contents of the Administrative Binder include guidelines, descriptions, and results of a range of administrative, clinical, and operating procedures. The Administrative Binder attests to compliance regulations, service policies, fees and billing, quality assurance, credentialing, client satisfaction, grievances, emergencies, cultural competence, facility status and fire clearance, and client rights. The BVHPF IBHS abides by the guidelines and mandates as described in the Administrative Binder in ensuring compliance in all aspects of direct services to clients, program service models, and program operations.

The Adult and Children's Programs monitor documentation via a staff PURQC (Program Utilization Review Quality Committee) structure which meets weekly for the purpose of reviewing client charts. The PURQC process includes review of documents based on an identified checklist, review of compliance to documentation, and feedback and recommendations to clinicians regarding charts scheduled in this process. The Bayview Integrated Behavioral Health Service adheres to relevant PURQC guidelines and assures compliance to its mandates and propriety. (See attached PURQC form, Confidential Administrative Records form, Client Service Authorization (CSA) Request form).

PURQC Chart Compliance:

Within two months or 15 hours following the date of opening, all clinicians are required to PURQC their clients' charts. The following 12-point checklist is to be used:

1. Assessment
2. Medical Necessity Statement
3. Diagnosis (accurate and justified)
4. Treatment Plan of Care Goals (specific, observable and quantifiable. Goals must be reflected in notes and signed and dated by client)
5. Progress Notes (to include interventions and responses)
6. Treatment modalities/frequency (appropriateness relative to Treatment Plan)
7. Case Conference requirements (ROI's appropriate and in client's file)
8. Step-down required and reason given
9. Termination and discharge
10. Co-signatures (No missing signatures on all applicable documents)
11. Referrals
12. Discussion with Supervisor
- 13.

Recommendation Feedback to the clinician section must be filled out. This section identifies any missing signatures, and serves as a reminder that ID boxes at the top of each page (front and back) need to be filled out. All goals must be quantifiable, etc. From the information gathered, the chart is PURQC approved and authorization given in accordance with the PURQC CBHS Adult/Older Adult Service Intensity Guidelines. If all information is not available, the chart will only be approved conditionally or will not be approved at all. Any denied or pending PURQC cases are returned to review based on specific timeframes.

Additional PURQC options include:

1. Approved with adjustment based on the information gathered from the form;
2. Conditional approval with resubmission required within a week's time; or
3. Denied, based on stated reasons.

Reviewer signs the form and dates it. A log is maintained of all PURQC forms signed, approved, or disallowed, and includes the number of hours requested for authorization. PURQC recommendations are then returned to the clinicians for appropriate corrections and resubmission of the recommendation sheet to the PURQC Committee for review the following week. After the initial PURQC, charts rotate through the PURQC process annually in accordance with clients' Treatment Plan of Care renewal dates.

During weekly staff meetings, quality performance objectives are discussed relative to the guidelines of the Bayview Integrated Behavioral Health Service policies and procedures. These discussions are designed to ensure that services under Reporting Unit 3851-3 remain on track and in response to Fiscal Year 2018-2019 Performance Objectives. Staff discussions of performance objectives will also include on-site trainings relative to meeting identified objectives. Avatar reports will be used to assist in tracking achievement of performance objectives and the review of clinical documentation.

Cultural Competency:

The Bayview Hunters Point Foundation recognizes the importance of culture in the design and offering of services, and makes every effort to be a responsive, culturally-relevant provider. To ensure that all staff are aware of and trained in a range of issues related to serving the cultural interests and needs of clients, the Bayview Integrated Behavioral Health Service staff will participate in available trainings on cultural issues that are provided by the Department of Health and other on-site trainings. Guest presenters in particular will be included in on-site trainings. Given the diversity of San Francisco communities, if a client should make a request for specific ethnic, linguistic, or gender relative to cultural preferences, the Program will make every effort to be accommodating to those requests. Materials available for clients' use are printed and made available in various languages.

Consumer/Client Satisfaction:

The Bayview Integrated Behavioral Health Service values client opinions and suggestions for program improvements. Clients are provided an opportunity to express their views through annual client satisfaction surveys which are administered through a Community Behavioral Health Service protocol. Client Satisfaction Survey results are reviewed and discussed with staff, and clients as applicable. Suggestions provided by clients through this process are reviewed as well and discussed with all staff. Suggestions for program changes are implemented as appropriate and doable so that services outcomes and the quality of care provided to all clients can be enhanced and deemed more effective for all clients.

Timely Completion of Outcome Data:

The Bayview Integrated Behavioral Health Service follows all compliance guidelines relative to the gathering and evaluation of outcome data, including CANS and ANSA data. All required resource documents are completed within the timelines designated by CBHS. Copies of weekly staff meeting agendas, on-site training endeavors, and any other required Avatar or BHS generated outcome reports are retained in the files of the Bayview Integrated Behavioral Health Program. The Program's Administrative Binder is up to date according to fiscal year, and is available for review at any time by the DPH business Office Contract Compliance (BOCC) staff and during monitoring visits.

Accountability and Compliance:

The Bayview Integrated Behavioral Health Service programs (both Adult and Children's Services) will comply with the San Francisco Health Commission, local, state, federal, and/or funding source policies and requirements such as the Health Insurance Portability Accountability Act (HIPAA), and Cultural Competency Guidelines.

6. Methodology:

A. The services of Balboa Teen Health Center are targeted to youth that live and/or go to school in the Southeast Sector of San Francisco, particularly the students of Balboa High School. In order to promote services and recruit participants, BTHC maintains an active role in school events in the central quad. Additionally, as a component of the Comprehensive Sexual Education conducted by BTHC health educators annually with all Balboa HS freshmen, students are given tours of the clinic which include a description of the services available and a Q and A session with Clinic staff. The Balboa Teen Health Center has a Youth Advisory Board (YAB) which is comprised annually of 12+ students from Balboa High School. YAB members play a very active role in developing and implementing the outreach and engagement components of the BTHC Outpatient Behavioral Health Program. YAB members provide classroom interventions in collaboration with BTHC health educators, presenting on issues including minor consent and mental health counseling. The YAB also provides a vital sounding board for Behavioral Health staff, providing general feedback on services provided and ideas for how services could be made more youth positive and accessible.

B. Eligibility criteria for YAB membership: (1) brief written application; (2) interviewed by current YAB members who vote on new membership with Coordinator input.

Eligibility for Peer Resources: every school year, students in PULSE/peer resources self-select to work with BTHC staff on a particular health topic after hearing a pitch from BH Services staff.

Intake criteria for individual and group services: services are available to any SFUSD student ages 12-19; whether students are self-referred or referred by someone else, all are screened and assessed, and for those youth who consent to services, goals are developed by mutual agreement between client and counselor.

C. BTHC is open Monday – Friday between the hours of 8:30 am and 5 pm; as needed, services may be offered later in the evening to accommodate family involvement. Direct services are provided in clinic, in classrooms, and in some instances in the community. Outreach and engagement services are provided through use of social media (BalTV, school loop, web-based, etc). BTHC has made considerable efforts to develop a truly multidisciplinary team that provides a seamless, comprehensive system of care for clients which includes:

- Warm handoffs between disciplines including utilizing a behaviorist model in primary care, which tends to work equally as well with health education.
- Use of weekly all-staff client review so that medical, behavioral and education staff can all contribute to treatment plans, and share information to support client success.
- Close working relationships with Balboa High School faculty and Administration (the most significant referral source for BTHC's programs)
- Single point of intake- whichever discipline students' access first completes the preliminary steps for intake (i. e. consents signed, HIPAA signed, psychosocial history completed, etc.) so that this process does not need to be repeated if a client accesses several services.

Linkages: Collaborative relationships are in place to provide additional services for specific populations including:

- Huckleberry Youth Programs, Larkin Street Youth Services, 3rd Street Youth Center and Clinic, LYRIC, – access to supportive services and housing for youth through CHPY partner agencies
- Cole Street Youth Clinic, Larkin Street Youth Clinic, Dimensions Clinic, 3rd Street Youth Clinic, New Generation Health Center, SPY- access to additional healthcare services for different youth populations through CHPY network clinics.

D. Youth will show readiness for discharge by successfully completing treatment plan goals which may include (1) successful strategies for dealing with stress and mental health issues in the family or with peers (if identified), (2) increased school attendance, participation (3) reduced risky sexual behaviors and increased safer sex practices for those youth who identify as sexually active, and (4) improved health habits as compared to baseline measures particularly related to nutrition, sleep, exercise, and mood. Successful

completion may also be tied to youth's ability to follow through and engage in other services he-or she is referred to, to support and maintain positive life changes.

E. BTHC Behavioral Health Services staff includes 3 full time MFT mental health/substance abuse counselors, 3 MFT Graduate Interns, 1 full time Health Educator, and one part time Health Educator. Outreach and Engagement and Leadership Development activities are conducted by all BH Services staff. Crisis Intervention and Screening and Assessment are provided by staff MFTs and Graduate Interns. Training and Coaching are conducted with the participation of all staff. Mental Health Consultation is provided by staff MFTs, secondarily by MFT Graduate interns. Individual and Group Therapeutic services are provided by staff and intern MFTs. Funding for this program includes, in addition to MHSA, funding from the California Wellness Foundation, the Metta Fund, and City General Funds; MHSA does not support health education staff or the AmeriCorps member.

Systems Transformation Methodology:

- MHSA →** 1. One of the primary MHSA tenets is consumer participation/engagement. Programs must identify how participants and/or their families are engaged in the development, implementation and/or evaluation of programs. This can include peer-employees, advisory committees, etc.

Consumer/Participant Engagement in program development/implementation/evaluation:

- A. Youth Advisory Board – support peer outreach and engagement, delivery of significant services, and program evaluation (youth are paid a stipend)
- B. Annual CBHS Client Satisfaction Survey – all therapy clients (individual and group) are offered opportunity to complete
- C. Active participation in monthly PTSA meetings allow us to engage parents and obtain feedback on what services they want, how best to deliver

- MHSA →** 2. Efforts to improve service coordination result in a seamless experience for clients.

As stated earlier in 6C., BTHC has made a concerted effort over time to create a multidisciplinary team that can provide a seamless, comprehensive system of care for clients. As stigma around accessing behavioral health services continues to impinge on youths' willingness to utilize these services, we continue to see significant numbers of students coming in with somatic complaints requesting to see "the nurse"; the ability to provide a warm handoff to behavioral health staff helps ensure that youth get what they need. Additionally, the "single point of intake" as described earlier, reduces redundant paperwork for youth and is more consumer friendly. Finally, we have relationships with a number of CBOs to provide direct linkages for additional services: for example – we work closely with Huckleberry Youth Programs and Larkin Street Youth Services.

7. Objectives and Measurements:

Individualized Performance Objective: By 6/30/18, at least 75% of 9th graders who have completed Pre/Post surveys after participating in a BTHC Youth Advisory Board or BTHC Health Educator led classroom presentations during FY 17-18, will either agree or strongly agree with the statement "I am comfortable using services at my school's health center" as shown on their Post Surveys.

MHSA GOAL: Increased ability to cope with stress and express optimism and hope for the future.

Individualized Performance Objective: By 6/30/18, a minimum of 65% youth accessing early intervention services at BTHC will, by self-report post a minimum of 3 sessions, identify:

(1) one or more skills they have successfully utilized to reduce stress or other related symptoms, (2) one positive goal they are currently putting time into, as documented in post session tests.

Participant Satisfaction Objective:

By 6/30/18, on the CBHS Consumer Satisfaction surveys for FY 2016-17 the statement "Staff treated me with respect" will be among Highest Agreement Items on the survey for Balboa Teen Health Center, with 90% of participants in agreement or more.

8. Continuous Quality Improvement:

"Quality Assurance and Continuous Quality Improvement requirements will be addressed in the CBHS Declaration of Compliance."

Following is a summary of how the BVHPF IBHS conducts outpatient services for children, adolescents, and families. In all cases, there will be close monitoring and oversight by the clinicians and program supervisors to address the different stages of change in a client's recovery. Treatment interventions are designed to ensure the stability and consistency of client care.

:
 Services of the Bayview Hunters Point Foundation Integrated Behavioral Health Program will be delivered within the context of integrated mental health and substance abuse service guidelines, when appropriate. This includes several components utilized by integrated programs that are considered evidence-based according to Drake, Essock, and colleagues (2001). These integrated components are identified as:

- *Staged interventions* where stages of treatment (engagement, persuasion, active treatment and relapse prevention) are delivered based on individual readiness for each stage;
- *Motivational interventions* which involve helping the individual identify goals and recognize that not managing one's illnesses interferes with attaining these goals;
- *Counseling* to help clients develop skills and supports to control symptoms and pursue an abstinent lifestyle;
- *Social support interventions* which recognize the role of social networks and peer support in recovery from dual disorders;
- *Long-term perspective* which recognizes that recovery may occur over months or years;
- *Comprehensiveness* in helping a child and his or her family transform many aspects of life habits, stress, management, friends, activities and educational goals; and
- *Cultural sensitivity and competence* which are critical to engaging clients.

Strategies used by the BVHPF IBHS clinicians and interns include *Motivational Interviewing, Cognitive Behavioral Therapy, Insight Oriented Therapy, Family Systems Therapy, Evidence-Based Practices*. These strategies will use the following treatment modalities in one form or another:

- *Assessments*
- *Group Therapy*
- *Individual Therapy*
- *Collateral Services*
- *Targeted Case Management*
- *Medication Support Services*
- *Crisis Intervention*
- *Case Management/Brokerage*
- *Services to Dually Diagnosed Clients*
- *Referral Services*
- *Urgent Care*

The Bayview Hunters Point Foundation Integrated Behavioral Health Service operates from 9:00am to 5:00pm Monday through Friday. Referral and intake services for the BVHPF IBHS are coordinated through the program’s clinical staff and supervisors. Intake requests are usually responded to within 24 to 48 hours, and special appointment arrangements can be made if necessary. Children and adolescents are generally seen before or after school at the outpatient clinic or at school sites as arranged through Memorandum of Understanding agreements and scheduling with principals or designated school staff.

The BVHPF IBHS offers intensive services in a flexible, creative manner during the first two months of treatment, and brief therapy strategies and interventions thereafter if needed. Information and referral services are provided for a wide range of related programs in the community.

Both individual and conjoint family sessions are provided for children and adolescents, their caregivers, and their families. Classroom observations, on-site collaboration, and problem-solving with teachers, psychologists, and paraprofessional school support staff are provided on a regular basis. The assigned therapist at the BVHPF IBHS will attend individual educational placement meetings to determine medical necessity for outpatient behavioral health services on a case by case basis. Outreach visits to the home, hospital, or Juvenile Hall are also offered when necessary.

6D. Exit Criteria

The exit criteria for the BVHPF IBHS are based on the decisions of client, family, or outside agencies where behaviors indicate that treatment goals have been met. Staff will meet with the client and family members, along with any additional collateral program team members, to process terminating treatment and to confirm that a client’s goals have, in fact, been met. Staff will have provided linkages to outside, independent services such as special education services at another school, housing, case management, medical providers, job training, substance abuse, and medication services during treatment so that there is a network of continuous resources for the client and his or her family as needed. These criteria may also be met by a client becoming meds-only, transitioning out of children’s services and into transitional age youth (TAY) services, or when all other special outside program requirements have been met.

6E. Staffing

The BVHPF IBHS is a component of a community-based human services agency, representing a diverse, multi-ethnic population. The program is staffed with licensed and license-eligible marriage & family therapists, social workers, psychologists, and board certified psychiatrists who are oriented to the community and responsive to the issues of ethnicity, culture, language, and gender. The Foundation understands the importance of race, culture and language in its service provision, and maintains staffing and programming which appropriately respond to these issues. Decisions regarding recruitment and hiring of staff ensure competency in the delivery and management of culturally and linguistically appropriate services to the population served. Program staffing also ensures provision of effective therapeutic interventions which are designed

to meet the special clinical needs of diverse populations. Diverse populations include those from racial, ethnic and cultural backgrounds, the homeless, and individuals of varied sexual orientations, and disabilities.

7. Objectives and Measurements

A. Required Objectives

All objectives and descriptions of how objectives will be measured are contained in the CBHS document entitled Performance Objectives, Fiscal Year 2018-2019.

B. Individualized Program Objectives

None

8. Continuous Quality Improvement

The Bayview Integrated Behavioral Health Service, (Adult and Children’s Programs), follows a Quality Assurance and Activities Plan that is designed to enhance, improve, and monitor quality of care and services. Annual Performance Objectives identified by CBHS are discussed regularly with staff. Such discussions include productivity standards and requirements. All clinical staff members are expected to carry out services based on program productivity standards which include caseload size, units of service, and quality of services. The BVHPP IBHS identifies any areas of improvement needed through chart reviews. The chart reviews are conducted on a regularly scheduled basis. Avatar reports provide critical staff and program information relative to required charting and recordkeeping, documentation timelines, staff activity, caseloads, billing categories and achievement, and other current data which are useful in evaluating performance and for making informed program decisions. In meeting quality assurance guidelines and efforts, all clinical staff of the Bayview Integrated Behavioral Health Service also participates in regularly scheduled Clinical Case Conferences which provide ongoing opportunities for case presentation, development, and feedback. Clinicians receive weekly 1:1 supervision and Group Supervision from a Clinical Supervisor where discussions focus on the elements of client cases such as treatment planning, case formulation, continuity of care, and discharge planning.

Guidelines and results of documentation of Continuous Quality Improvement are included in the Program’s annually revised Administrative Binder. Contents of the Administrative Binder include guidelines, descriptions, and results of a range of administrative and operating procedures. The Administrative Binder attests to compliance regulations, service policies, fees and billing, quality assurance, credentialing, client satisfaction, grievances, emergencies, cultural competence, facility status and fire clearance, and client rights. The BVHPP IBHS abides by the guidelines and mandates as described in the Administrative Binder to ensure

Contractor: Bayview Hunters Point Foundation	Appendix A-3
Program: Bayview Hunters Point Children Outpatient	7/1/18
City Fiscal Year (BHS only): 07/01/2018– 06/30/2019	

compliance in all aspects of direct services to clients, program service models, and program operations.

The Adult and Children’s Programs monitor documentation via a staff PURQC (Program Utilization Review Quality Committee) structure which meets weekly for the purpose of reviewing client charts. The PURQC process includes review of documents based on an identified checklist, review of compliance to documentation, and feedback and recommendations to clinicians regarding charts scheduled in this process. The Bayview Integrated Behavioral Health Service adheres to relevant PURQC guidelines and assures compliance to its mandates and propriety. (See attached PURQC form, Confidential Administrative Records form, Client Service Authorization (CSA) Request form).

PURQC Chart Compliance:

Within two months or 15 hours following the date of opening, all clinicians are required to PURQC their clients’ charts. The following 12-point checklist is to be used:

1. Assessment
2. Medical Necessity Statement
3. Diagnosis (accurate and justified)
4. Treatment Plan of Care Goals (specific, observable and quantifiable. Goals must be reflected in notes and signed and dated by client)
5. Progress Notes (to include interventions and responses)
6. Treatment modalities/frequency (appropriateness relative to Treatment Plan)
7. Case Conference requirements (ROI’s appropriate and in client’s file)
8. Step-down required and reason given
9. Termination and discharge
10. Co-signatures (No missing signatures on all applicable documents)
11. Referrals
12. Discussion with Supervisor

Recommendation Feedback to the clinician section must be filled out. This section identifies any missing signatures, and serves as a reminder that ID boxes at the top of each page (front and back) need to be filled out. All goals must be quantifiable, etc. From the information gathered, the chart is PURQC approved and authorization given in accordance with the PURQC CBHS Adult/Older Adult Service Intensity Guidelines. If all information is not available, the chart will not be approved. Any denied or pending PURQC cases are returned for review based on specific timeframes.

Additional PURQC options include:

1. Approved with adjustment based on the information gathered from the form;
2. Conditional approval with resubmission required within a week’s time; or

Contractor: Bayview Hunters Point Foundation	Appendix A-3
Program: Bayview Hunters Point Children Outpatient	7/1/18
City Fiscal Year (BHS only): 07/01/2018– 06/30/2019	

3. Denied, based on stated reasons.

Reviewer signs the form and dates it. A log is maintained of all PURQC forms signed, approved, or disallowed, and includes the number of hours requested for authorization. PURQC recommendations are then returned to the clinicians for appropriate corrections and resubmission of the recommendation sheet to the PURQC Committee for review the following week. After the initial PURQC, charts rotate through the PURQC process annually in accordance with clients' Treatment Plan of Care renewal dates.

During weekly staff meetings, quality performance objectives are discussed relative to the guidelines of the Bayview Integrated Behavioral Health Service policies and procedures. These discussions are designed to ensure that services under Reporting Unit 3851-6 remain on track and in response to Fiscal Year 2018-2019 Performance Objectives. Staff discussions of performance objectives will also include on-site trainings relative to meeting identified objectives. Avatar reports will be used to assist in tracking achievement of performance objectives and the review of clinical documentation.

Cultural Competency:

The Bayview Hunters Point Foundation recognizes the importance of culture in the design and offering of services, and makes every effort to be a responsive, culturally-relevant provider. To ensure that all staff are aware of and trained in a range of issues related to serving the cultural interests and needs of clients, the Bayview Integrated Behavioral Health Service staff will participate in available trainings on cultural issues that are provided by the Department of Health and on-site. Guest presenters in particular will be included in on-site trainings. Given the diversity of San Francisco communities, if a client should make a request for specific ethnic, linguistic, or gender relative to cultural preferences, the Program will make every effort to be accommodating to those requests. Materials available for clients' use are printed and available in various languages.

Consumer/Client Satisfaction:

The Bayview Integrated Behavioral Health Service values client opinions and suggestions for program improvements. Clients are provided an opportunity to express their views through annual client satisfaction surveys which are administered through a Community Behavioral Health Service protocol. Client Satisfaction Survey results are reviewed and discussed with clients as applicable. Suggestions provided by clients through this process are reviewed as well and discussed with all staff. Suggestions for program changes are implemented as appropriate and doable so that services outcomes and the quality of care provided to all clients can be enhanced and deemed more effective for all clients.

Timely Completion of Outcome Data:

Program: Bayview Hunters Point Children Outpatient	7/1/18
City Fiscal Year (BHS only): 07/01/2018– 06/30/2019	

The Bayview Integrated behavioral Health Service follows all compliance guidelines relative to the gathering and evaluation of outcome data, including CANS and ANSA data. All required resource documents are completed within the timelines designated by CBHS. Copies of weekly staff meeting agendas, on-site training endeavors, and any other required Avatar or BHS generated outcome reports are retained in the files of the Bayview Integrated Behavioral Health Program. The Program’s Administrative Binder is up to date according to fiscal year, and is available for review at any time by the DPH Business Office Contract Compliance (BOCC) staff and during monitoring visits.

Accountability and Compliance:

The Bayview Integrated Behavioral Health Service programs (both Adult and Children’s Services) will comply with the San Francisco Health Commission, local, state, federal, and/or funding source policies and requirements such as the Health Insurance Portability Accountability Act (HIPAA), and Cultural Competency Guidelines.

2. Goal Statement:

To provide long term residential/recovery programming.

3. Target Population:

Men and women recovering from substance use, who have completed a clinical treatment program and require temporary housing (up to 18 months) to transition to complete independence. This may include children and family members if reunification is central to transition and legally permissible for the client. While Bayview Hunters Point Foundation welcomes and Services all ethnicities and populations, services are also designed to meet the cultural and linguistic needs of men, women and families.

4. Modality(s) / Intervention(s):

Please see Appendix B CRDC page.

5. Methodology:

Jelani Family Program will focus on providing housing to those who match the outlined criteria. The program offers storage for food and personal items but does not provide these and other basic necessities.

Jelani Family will provide assistance in building life skills (e.g. resume and scheduling assistance, time management practices) and will also maintain a calendar of external service opportunities available to clients.

The main function of the care management services is to facilitate connections to outside providers. Each client is responsible for making and maintaining these service relationships on their way toward complete independence. When appropriate, the care manager may make the residential facility available to external programs.

These indirect services may include but shall not be limited to:

- a. Clinical treatment
- b. Support groups
- c. Employment counseling
- d. Family counseling
- e. Financial assistance
- f. Transportation

7. Continuous Quality Improvement (CQI):

The Bayview Hunters Point Jelani Family Program CQI activities are designed to enhance, improve and monitor quality of services.

A. The Program will identify areas of improvement through chart reviews and case conferences which are conducted on a monthly basis. Avatar reports will be reviewed and reconciled on a monthly basis by the Intake & Billing Staff. Participants in the case conference meetings include the Program Director, Care Manager and Monitors. The care manager and monitors receives monthly supervision from the Program Director where they are advised on client status as to meeting their stated goals of obtaining permanent housing and the means to establish financial stability and remain clean and sober.

To ensure continuous monitoring, a list of contract performance objectives is provided to all staff. Outcomes are reviewed, analyzed and reconciled for accuracy with the Avatar reports. An annual performance assessment and improvement plan is used to track outcomes of mandatory objectives and reviewed on a quarterly basis.

B. Our Program monitors documentation quality by reviewing case files through periodic reviews. The review process is conducted based on guidelines set forth by the Department of Public Health (DPH) and Behavior Health Services (BHS). To ensure compliance with documentation monthly chart reviews are conducted by Medical Records Staff and Care Manager, then discussed with the Program Director for follow-up issues.

All staff participates in annual documentation trainings provided internally and by Behavioral Health Services.

Staff meetings are also held on a monthly basis as a venue where staff can discuss administrative and program issues.

C. All program staff participates in an annual Cultural Competency/Law, Ethics and Boundaries Training- geared towards providing an understanding and acceptance of beliefs, values, ethics of others and skills that are necessary to work with and serve diverse populations. Staff also participates in Cultural Competency Trainings sponsored by Department of Public Health (DPH) and Behavior Health Services (BHS). A list of other staff trainings includes Code of Conduct, Documentation Review and Corporate Compliance.

D. The agency values client opinions and suggestions for program improvements. Clients will be provided an opportunity to express their views through annual Focus Groups and Client Satisfaction Surveys administered on an annual basis. Client's suggestions from Focus Groups will be documented and then discussed with the multi-disciplinary staff. Changes that improve the efficacy, quality or outcomes of program services will be prioritized for implementation. Results of the focus groups will posted throughout the facility which encourages clients to give additional feedback.

CONTRACTOR understands that, of this maximum dollar obligation, \$ 1,045,479 is included as a contingency amount and is neither to be used in Appendix B, Budget, or available to CONTRACTOR without a modification to this Agreement executed in the same manner as this Agreement or a revision to Appendix B, Budget, which has been approved by the Director of Health. CONTRACTOR further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable CITY and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by the Controller. CONTRACTOR agrees to fully comply with these laws, regulations, and policies/procedures.

(1) For each fiscal year of the term of this Agreement, CONTRACTOR shall submit for approval of the CITY's Department of Public Health a revised Appendix A, Description of Services, and a revised Appendix B, Program Budget and Cost Reporting Data Collection form, based on the CITY's allocation of funding for SERVICES for the appropriate fiscal year. In event that such reimbursement is terminated or reduced, this Agreement shall be terminated or proportionately reduced accordingly. In no event will CONTRACTOR be entitled to compensation in excess of these amounts for these periods without there first being a modification of the Agreement or a revision to Appendix B, Budget, as provided for in this section of this Agreement.

C. CONTRACTOR agrees to comply with its Budget as shown in Appendix B in the provision of SERVICES. Changes to the budget that do not increase or reduce the maximum dollar obligation of the CITY are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. CONTRACTOR agrees to comply fully with that policy/procedure.

This Business Associate Agreement (“BAA”) supplements and is made a part of the contract by and between the City and County of San Francisco, the Covered Entity (“CE”), and Contractor, the Business Associate (“BA”) (the “Agreement”). To the extent that the terms of the Agreement are inconsistent with the terms of this BAA, the terms of this BAA shall control.

If an individual or an individual's representative submits a request for an accounting directly to BA or its agents or subcontractors, BA shall forward the request to CE in writing within five (5) calendar days.

i. Access to Protected Information. BA shall make Protected Information maintained by BA or its agents or subcontractors in Designated Record Sets available to CE for inspection and copying within (5) days of request by CE to enable CE to fulfill its obligations under state law [Health and Safety Code Section 123110] and the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.524 [45 C.F.R. Section 164.504(e)(2)(ii)(E)]. If BA maintains Protected Information in electronic format, BA shall provide such information in electronic format as necessary to enable CE to fulfill its obligations under the HITECH Act and HIPAA Regulations, including, but not limited to, 42 U.S.C. Section 17935(e) and 45 C.F.R. 164.524.

j. Amendment of Protected Information. Within ten (10) days of a request by CE for an amendment of Protected Information or a record about an individual contained in a Designated Record Set, BA and its agents and subcontractors shall make such Protected Information available to CE for amendment and incorporate any such amendment or other documentation to enable CE to fulfill its obligations under the Privacy Rule, including, but not limited to, 45 C.F.R. Section 164.526. If an individual requests an amendment of Protected Information directly from BA or its agents or subcontractors, BA must notify CE in writing within five (5) days of the request and of any approval or denial of amendment of Protected Information maintained by BA or its agents or subcontractors [45 C.F.R. Section 164.504(e)(2)(ii)(F)].

k. Governmental Access to Records. BA shall make its internal practices, books and records relating to the use and disclosure of Protected Information available to CE and to the Secretary of the U.S. Department of Health and Human Services (the "Secretary") for purposes of determining BA's compliance with HIPAA [45 C.F.R. Section 164.504(e)(2)(ii)(I)]. BA shall provide CE a copy of any Protected Information and other documents and records that BA provides to the Secretary concurrently with providing such Protected Information to the Secretary.

l. Minimum Necessary. BA, its agents and subcontractors shall request, use and disclose only the minimum amount of Protected Information necessary to accomplish the intended purpose of such use, disclosure, or request. [42 U.S.C. Section 17935(b); 45 C.F.R. Section 164.514(d)]. BA understands and agrees that the definition of "minimum necessary" is in flux and shall keep itself informed of guidance issued by the Secretary with respect to

San Francisco Department of Public Health
Business Associate Agreement

what constitutes “minimum necessary” to accomplish the intended purpose in accordance with HIPAA and HIPAA Regulations.

m. Data Ownership. BA acknowledges that BA has no ownership rights with respect to the Protected Information.

n. Notification of Breach. BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C) 45 C.F.R. Section 164.308(b)]

o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents. Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

3. Termination.

a. Material Breach. A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

b. Judicial or Administrative Proceedings. CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

c. Effect of Termination. Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

d. Civil and Criminal Penalties. BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

e. Disclaimer. CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.

The City Nonprofit Contracting Task Force submitted its final report to the Board of Supervisors in June 2003. The report contains thirteen recommendations to streamline the City's contracting and monitoring process with health and human services nonprofits. These recommendations include: (1) consolidate contracts, (2) streamline contract approvals, (3) make timely payment, (4) create review/appellate process, (5) eliminate unnecessary requirements, (6) develop electronic processing, (7) create standardized and simplified forms, (8) establish accounting standards, (9) coordinate joint program monitoring, (10) develop standard monitoring protocols, (11) provide training for personnel, (12) conduct tiered assessments, and (13) fund cost of living increases. The report is available on the Task Force's website at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270. The Board adopted the recommendations in February 2004. The Office of Contract Administration created a Review/Appellate Panel ("Panel") to oversee implementation of the report recommendations in January 2005.

The Board of Supervisors strongly recommends that departments establish a Dispute Resolution Procedure to address issues that have not been resolved administratively by other departmental remedies. The Panel has adopted the following procedure for City departments that have professional service grants and contracts with nonprofit health and human service providers. The Panel recommends that departments adopt this procedure as written (modified if necessary to reflect each department's structure and titles) and include it or make a reference to it in the contract. The Panel also recommends that departments distribute the finalized procedure to their nonprofit contractors. Any questions or concerns about this Dispute Resolution Procedure should be addressed to purchasing@sfgov.org.

Dispute Resolution Procedure

The following Dispute Resolution Procedure provides a process to resolve any disputes or concerns relating to the administration of an awarded professional services grant or contract between the City and County of San Francisco and nonprofit health and human services contractors.

Contractors and City staff should first attempt to come to resolution informally through discussion and negotiation with the designated contact person in the department.

If informal discussion has failed to resolve the problem, contractors and departments should employ the following steps:

- Step 1 The contractor will submit a written statement of the concern or dispute addressed to the Contract/Program Manager who oversees the agreement in question. The writing should describe the nature of the concern or dispute, i.e., program, reporting, monitoring, budget, compliance or other concern. The Contract/Program Manager will investigate the concern with the appropriate department staff that are involved with the nonprofit agency's program, and will either convene a meeting with the contractor or provide a written response to the contractor within 10 working days.
- Step 2 Should the dispute or concern remain unresolved after the completion of Step 1, the contractor may request review by the Division or Department Head who supervises the Contract/Program Manager. This request shall be in writing and should describe why the concern is still unresolved and propose a solution that is satisfactory to the contractor. The Division or Department Head will consult with other Department and City staff as appropriate, and will provide a written determination of the resolution to the dispute or concern within 10 working days.
- Step 3 Should Steps 1 and 2 above not result in a determination of mutual agreement, the contractor may forward the dispute to the Executive Director of the Department or their designee. This dispute shall be in writing and describe both the nature of the dispute or concern and why the steps taken to date are not satisfactory to the contractor. The Department will respond in writing within 10 working days.

In addition to the above process, contractors have an additional forum available only for disputes that concern implementation of the thirteen policies and procedures recommended by the Nonprofit Contracting Task Force and adopted by the Board of Supervisors. These recommendations are designed to improve and streamline contracting, invoicing and monitoring procedures. For more information about the Task Force's recommendations, see the June 2003 report at http://www.sfgov.org/site/npcontractingtf_index.asp?id=1270.

The Review/Appellate Panel oversees the implementation of the Task Force report. The Panel is composed of both City and nonprofit representatives. The Panel invites contractors to submit concerns about a department's implementation of the policies and procedures. Contractors can notify the Panel after Step 2. However, the Panel will not review the request until all three steps are exhausted. This review is limited to a concern regarding a department's implementation of the policies and procedures in a manner which does not improve and streamline the contracting process. This review is not intended to resolve substantive disputes under the contract such as change orders, scope, term, etc. The contractor must submit the request in writing to purchasing@sfgov.org. This request shall describe both the nature of the concern and why the process to date is not satisfactory to the contractor. Once all steps are exhausted and upon receipt of the written request, the Panel will review and make recommendations regarding any necessary changes to the policies and procedures or to a department's administration of policies and procedures.

Appendix H

San Francisco Department of Public Health Privacy Policy Compliance Standards

As part of this Agreement, Contractor acknowledges and agrees to comply with the following:

In City's Fiscal Year 2003/04, a DPH Privacy Policy was developed and contractors advised that they would need to comply with this policy as of July 1, 2005.

As of July 1, 2004, contractors were subject to audits to determine their compliance with the DPH Privacy Policy using the six compliance standards listed below. Audit findings and corrective actions identified in City's Fiscal year 2004/05 were to be considered informational, to establish a baseline for the following year.

Beginning in City's Fiscal Year 2005/06, findings of compliance or non-compliance and corrective actions were to be integrated into the contractor's monitoring report.

Item #1: DPH Privacy Policy is integrated in the program's governing policies and procedures regarding patient privacy and confidentiality.

As Measured by: Existence of adopted/approved policy and procedure that abides by the rules outlined in the DPH Privacy Policy

Item #2: All staff who handle patient health information are oriented (new hires) and trained in the program's privacy/confidentiality policies and procedures.

As Measured by: Documentation showing individual was trained exists

Item #3: A Privacy Notice that meets the requirements of the Federal Privacy Rule (HIPAA) is written and provided to all patients/clients served in their threshold and other languages. If document is not available in the patient's/client's relevant language, verbal translation is provided.

As Measured by: Evidence in patient's/client's chart or electronic file that patient was "noticed." (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

Item #4: A Summary of the above Privacy Notice is posted and visible in registration and common areas of treatment facility.

As Measured by: Presence and visibility of posting in said areas. (Examples in English, Cantonese, Vietnamese, Tagalog, Spanish, Russian will be provided.)

Item #5: Each disclosure of a patient's/client's health information for purposes other than treatment, payment, or operations is documented.

As Measured by: Documentation exists.

Item #6: Authorization for disclosure of a patient's/client's health information is obtained prior to release (1) to non-treatment providers or (2) from a substance abuse program.

As Measured by: An authorization form that meets the requirements of the Federal Privacy Rule (HIPAA) is available to program staff and, when randomly asked, staff are aware of circumstances when authorization form is needed.

Appendix I

THE DECLARATION OF COMPLIANCE

Each Fiscal Year, CONTRACTOR attests with a Declaration of Compliance that each program site has an Administrative Binder that contains all of the forms, policies, statements, and documentation required by Community Behavioral Health Services (CBHS). The Declaration of Compliance also lists requirements for site postings of public and client information, and client chart compliance if client charts are maintained. CONTRACTOR understands that the Community Programs Business Office of Contract Compliance may visit a program site at any time to ensure compliance with all items of the Declaration of Compliance.

W. This Intergovernmental Agreement is subject to any additional restrictions, limitations, or conditions enacted by the federal or state governments that affect the provisions, terms, or funding of this Intergovernmental Agreement in any manner.

A1. Subcontract Provisions

2) Pursuant to 42 CFR 438.808, Federal Financial Participation (FFP) is not available to the Contractor if the Contractor:

a) Is an entity that could be excluded under section 1128(b)(8) as being controlled by a sanctioned individual;

b) Is an entity that has a substantial contractual relationship as defined in section 431.55(h)(3), either directly or indirectly, with an individual convicted of certain crimes described in section 1128(8)(B); or

c) Is an entity that employs or contracts, directly or indirectly, for the furnishing of health care utilization review, medical social work, or administrative services, with one of the following:

i. Any individual or entity excluded from participation in federal health care programs under section 1128 or section 1126A; or

ii. An entity that would provide those services through an excluded individual or entity.

Providers shall include the following requirements in their subcontracts with providers:

1. In addition to complying with the sub contractual relationship requirements set forth in Article II.E.8 of this Agreement, the Contractor shall ensure that all subcontracts require that the Contractor oversee and is held accountable for any functions and responsibilities that the Contractor delegates to any subcontractor.

2. Each subcontract shall:

i. Fulfill the requirements of 42 CFR Part 438 that are appropriate to the service or activity delegated under the subcontract.
ii. Ensure that the Contractor evaluates the prospective subcontractor's ability to perform the activities to be delegated.

iii. Require a written agreement between the Contractor and the subcontractor that specifies the activities and report responsibilities delegated to the subcontractor; and provides for revoking delegation or imposing other sanctions if the subcontractor's performance is inadequate.

iv. Ensure that the Contractor monitor the subcontractor's performance on an ongoing basis and subject it to an annual onsite review, consistent with statutes, regulations, and Article III.PP.

v. Ensure that the Contractor identifies deficiencies or areas for improvement, the subcontractor shall take corrective actions and the Contractor shall ensure that the subcontractor implements these corrective actions.

3. The Contractor shall include the following provider requirements in all subcontracts with providers:

i. **Culturally Competent Services:** Providers are responsible to provide culturally competent services. Providers shall ensure that their policies, procedures, and practices are consistent with the principles outlined and are embedded in the organizational structure, as well as being upheld in day-to-day operations. Translation services shall be available for beneficiaries, as needed.

ii. **Medication Assisted Treatment:** Providers will have procedures for linkage/integration for beneficiaries requiring medication assisted treatment. Provider staff will regularly communicate with physicians of beneficiaries who are prescribed these medications unless the beneficiary refuses to consent to sign a 42 CFR part 2 compliant release of information for this purpose.

iii. **Evidence Based Practices (EBPs):** Providers will implement at least two of the following EBPs based on the timeline established in the county implementation plan. The two EBPs are per provider per service modality. Counties will ensure the providers have implemented EBPs. The state will monitor the implementation and regular training of EBPs to staff during reviews.

The required EBPs include:

a. **Motivational Interviewing:** A beneficiary-centered, empathic, but directive counseling strategy designed to explore and reduce a person's ambivalence toward treatment. This approach frequently includes other problem solving or solution-focused strategies that build on beneficiaries' past successes.

b. **Cognitive-Behavioral Therapy:** Based on the theory that most emotional and behavioral reactions are learned and that new ways of reacting and behaving can be learned.

c. **Relapse Prevention:** A behavioral self-control program that teaches individuals with substance addiction how to anticipate and cope with the potential for relapse. Relapse prevention can be used as a stand-alone substance use treatment program or as an aftercare program to sustain gains achieved during initial substance use treatment.

d. **Trauma-Informed Treatment:** Services shall take into account an understanding of trauma, and place priority on trauma survivors' safety, choice and control.

e. **Psycho-Education:** Psycho-educational groups are designed to educate beneficiaries about substance abuse, and related behaviors and consequences. Psychoeducational groups provide information designed to have a direct application to beneficiaries' lives; to instill self-awareness, suggest options for growth and change, identify community resources that can assist beneficiaries in recovery, develop an understanding of the process of recovery, and prompt people using substances to take action on their own behalf.

C1. Beneficiary Problem Resolution Process

1. The Contractor shall establish and comply with a beneficiary problem resolution process.

2. Contractor shall inform subcontractors and providers at the time they enter into a subcontract about:

i. The beneficiary's right to a state fair hearing, how to obtain a hearing and the representation rules at the hearing.

ii. The beneficiary's right to file grievances and appeals and the requirements and timeframes for filing.

iii. The beneficiary's right to give written consent to allow a provider, acting on behalf of the beneficiary, to file an appeal. A provider may file a grievance or request a state fair hearing on behalf of a beneficiary, if the state permits the provider to act as the beneficiary's authorized representative in doing so.

iv. The beneficiary may file a grievance, either orally or in writing, and, as determined by DHCS, either with DHCS or with the Contractor.

v. The availability of assistance with filing grievances and appeals.

vi. The toll-free number to file oral grievances and appeals.

vii. The beneficiary's right to request continuation of benefits during an appeal or state fair hearing filing although the beneficiary may be liable for the cost of any continued benefits if the action is upheld.

viii. Any state determined provider's appeal rights to challenge the failure of the Contractor to cover a service.

3. The Contractor shall represent the Contractor's position in fair hearings, as defined in 42 CFR 438.408 dealing with beneficiaries' appeals of denials, modifications, deferrals or terminations of covered services. The Contractor shall carry out the final decisions of the fair hearing process with respect to issues within the scope of the Contractor's responsibilities under this Agreement. Nothing in this section is intended to prevent the Contractor from pursuing any options available for appealing a fair hearing decision.

i. Pursuant to 42 CFR 438.228, the Contractor shall develop problem resolution processes that enable beneficiary to request and receive review of a problem or concern he or she has about any issue related to the Contractor's performance of its duties, including the delivery of SUD treatment services.

4. The Contractor's beneficiary problem resolution processes shall include:

- i. A grievance process;
- ii. An appeal process; and,
- iii. An expedited appeal process.

1. Additional Intergovernmental Agreement Restrictions

i. This Agreement is subject to any additional restrictions, limitations, conditions, or statutes enacted or amended by the federal or state governments, which may affect the provisions, terms, or funding of this Agreement in any manner.

2. Voluntary Termination of DMC-ODS Services

i. The Contractor may terminate this Agreement at any time, for any reason, by giving 60 days written notice to DHCS. The Contractor shall be paid for DMC-ODS services provided to beneficiaries up to the date of termination. Upon termination, the Contractor shall immediately begin providing DMC services to beneficiaries in accordance with the State Plan.

3. Nullification of DMC-ODS Services

ii. In the event of a breach, the DMC-ODS services shall terminate. The Contractor shall immediately begin providing DMC services to the beneficiaries in accordance with the State Plan.
