The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.

2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the PROJECT which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.
5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

#### **H. Financial Records**

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the PROJECT GRANT SCOPE and to make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following PROJECT termination or issuance of final payment, whichever is later.
2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project in connection with such assistance that is given or used, (c) the amount and nature of that portion of the project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this CONTRACT or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this CONTRACT. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following PROJECT termination or issuance of final payment, whichever is later.
4. The GRANTEE shall use a generally accepted accounting system.

## **I. Use of Facilities**

1. The GRANTEE agrees that the GRANTEE shall operate and maintain the PROJECT property acquired or developed with the GRANT MONIES, for the duration of the Contract Performance Period.
2. The GRANTEE agrees that, during the Contract Performance Period, the GRANTEE shall use the PROJECT property acquired or developed with GRANT MONIES under this CONTRACT only for the purposes of this GRANT and no other use, sale, or other disposition or change of the use of the PROJECT property to one not consistent with its purpose shall be permitted except as authorized by the STATE and the PROJECT property shall be replaced with property of equivalent value and usefulness as determined by the STATE.
3. The PROJECT property acquired or developed may be transferred to another entity if the successor entity assumes the obligations imposed under this CONTRACT and with the approval of STATE.
4. Any real Property (including any portion of it or any interest in it) may not be used as security for any debt or mitigation, without the written approval of the STATE provided that such approval shall not be unreasonably withheld as long as the purposes for which the GRANT was awarded are maintained. Any such permission that is granted does not make the STATE a guarantor or a surety for any debt or mitigation, nor does it waive the STATE'S rights to enforce performance under the Grant CONTRACT.
5. All real property, or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the PROJECT property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of GRANT MONIES received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify the STATE within 10 days of receiving the complaint.

## **J. Nondiscrimination**

1. The GRANTEE shall not discriminate against any person on the basis of sex, race, color, national origin, age, religion, ancestry, sexual orientation, or disability in the use of any property or facility developed pursuant to this CONTRACT.
2. The GRANTEE shall not discriminate against any person on the basis of residence except to the extent that reasonable differences in admission or other fees may be maintained on the basis of residence and pursuant to law.
3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this PROJECT GRANT CONTRACT or under provisions of the enabling legislation and/or grant program.

## **K. Severability**

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

## **L. Liability**

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE will secure adequate liability insurance, performance bond, and/or other security necessary to protect the GRANTEE'S and STATE'S interest against poor workmanship, fraud, or other potential loss associated with completion of the GRANT PROJECT.

## **M. Assignability**

Without the written consent of the STATE, the GRANTEE'S interest in and responsibilities under this CONTRACT shall not be assignable by the GRANTEE either in whole or in part.

## **N. Use of Grant Monies**

GRANTEE shall not use any GRANT MONIES (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the PROJECT property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the PROJECT property.

## **N. Section Headings**

The headings and captions of the various sections of this CONTRACT have been inserted only for the purpose of convenience and are not a part of this CONTRACT and shall not be deemed in any manner to modify, explain, or restrict any of the provisions of this CONTRACT.

**O. Waiver**

Any failure by a party to enforce its rights under this CONTRACT, in the event of a breach, shall *not* be construed as a waiver of said rights; and the waiver of any breach under this CONTRACT shall *not* be construed as a waiver of any subsequent breach.

## **Accounting and Audits**

### **Accounting Requirements**

GRANTEES must use accounting practices that:

- Provide accounting data that clearly records costs incurred on the PROJECT and accurately reflects fiscal transactions, with the necessary controls and safeguards.
- Provide good audit trails, especially the source documents (purchase orders, receipts, progress payments, invoices, time cards, cancelled warrants, warrant numbers, etc.) specific to the PROJECT.

### **Accounting Rules for Employee Services (IN-HOUSE EMPLOYEE SERVICES)**

GRANTEES must follow these accounting practices for employee services:

- Maintain time and attendance records as charges are incurred, identifying the employee through a name or other tracking system, and that employee's actual (hours worked) time spent on the PROJECT.
- Time estimates, including percentages, for work performed on the PROJECT are not acceptable.
- Time sheets that do not identify the specific employee's time spent on the PROJECT are not acceptable.
- Costs of the salaries and wages must be calculated according to the GRANTEE'S wage and salary scales, and may include benefit costs such as vacation, health insurance, pension contributions and workers' compensation.
- Overtime costs may be allowed under the GRANTEE'S established policy, provided that the regular work time was devoted to the same PROJECT.
- May not include overhead or cost allocation. These are costs generally associated with supporting an employee, such as rent, personnel support, IT, utilities, etc.

### **State Audit**

GRANTS are subject to audit by DPR. (See page 49, Audit Checklist). All PROJECT records must be retained for five years after final payment was issued, or PROJECT terminated, whichever is later.

The GRANTEE must provide the following when an audit date and time has been confirmed by DPR:

- All PROJECT records, including the source documents and cancelled warrants, books, papers, accounts, time sheets, or other records listed in the Audit Checklist or requested by DPR.
- An employee having knowledge of the PROJECT and its records to assist the DPR auditor.

### **Record Keeping Recommendation**

GRANTEES are encouraged to keep records of all eligible costs, including those not submitted to OGALS for payment. This provides a potential source of additional eligible costs, should any submitted expenses be deemed ineligible.

Contact the DPR Audits Office at (916) 657-0370 for questions about these requirements.

## Audit Checklist

An audit of the PROJECT may be performed before or following PROJECT completion. The GRANTEE must retain and make available all PROJECT related records for five years following PROJECT termination or final payment of GRANT funds. Listed below are some of the items the auditor will examine during the review of your records as applicable. It is the responsibility of the GRANTEE to have these records available in a central location ready for review once an audit date and time has been confirmed.
