Client Referrals

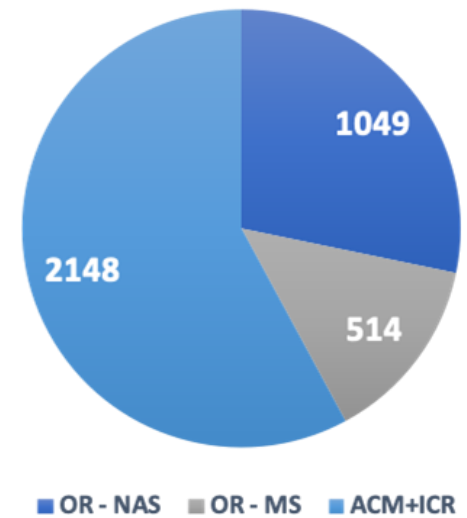

Active SF Pretrial Clients

2020 Average Daily Count

2020 Releases

OR = Own Recognizance
NAS = No Active Supervision
MS = Minimum Supervision
ACM = Assertive Case Management
ICR = In-Custody Referral

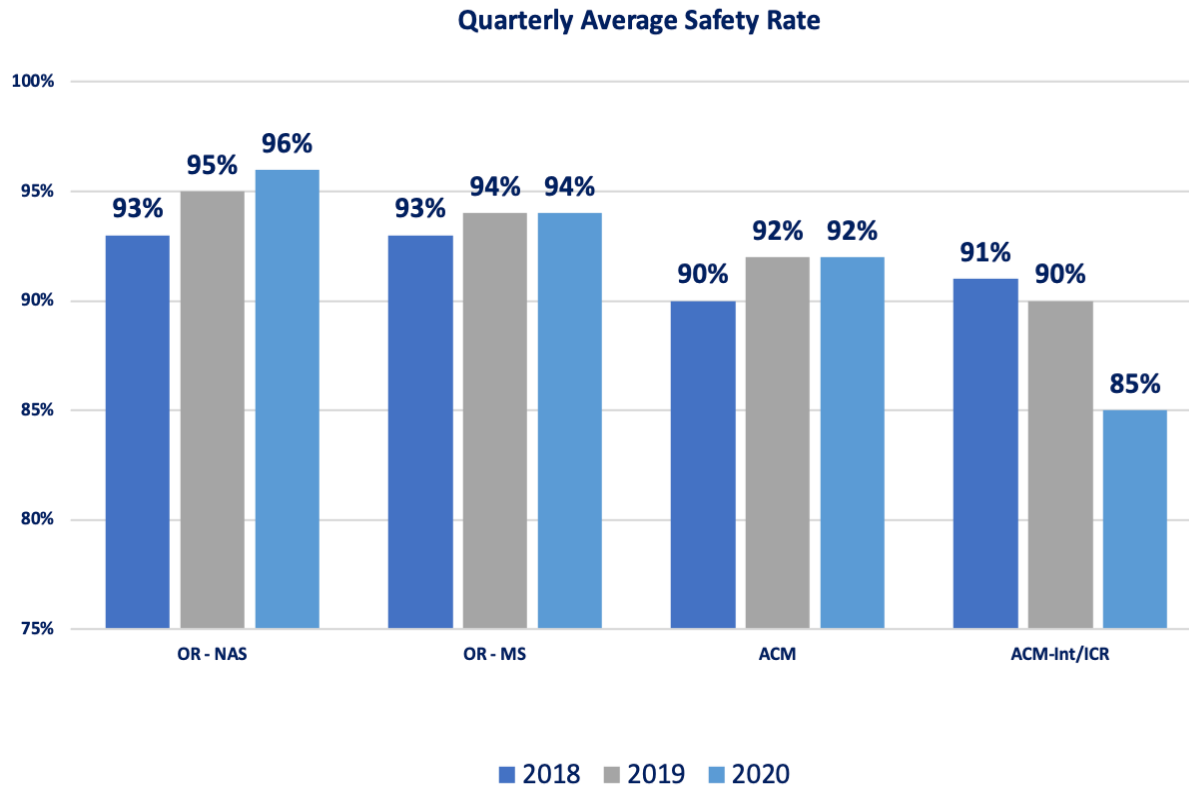

Pretrial Safety Interventions

- Weekly reporting conditions
- Specialized therapeutic groups - virtual sessions via Zoom
- Embedded social worker & psychologist
- Housing placements
- Referrals to outside services for further clinical interventions
- Client progress reports produced for all court appearances

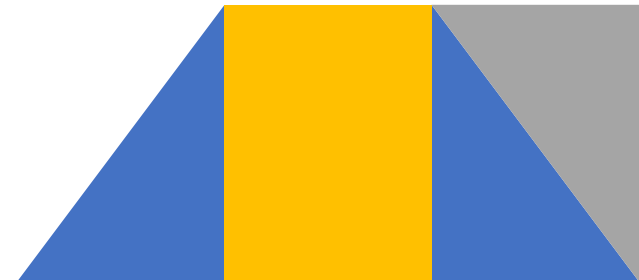

Pretrial Safety Rate

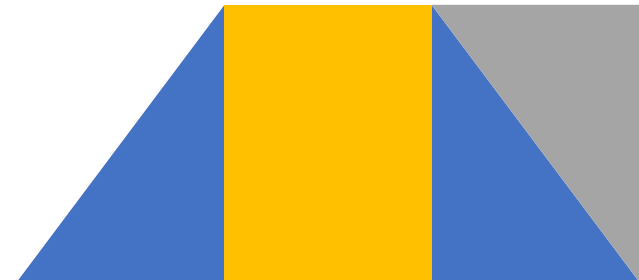

Safety Rate Definition:

% of clients not re-arrested on new misdemeanor or felony charge and being prosecuted during the reporting period.

Tracking Client Re-Arrest

- 24/7/365 review of Sheriff Office's Booking Log
- New misdemeanors and felony cases documented by staff
- Correspondence with Sheriff's Office for electronic monitoring (EM) violations
- When clients are re-arrested
 - Judicial referral needed for continuation of client services
 - Client treatment plan and release conditions revisited by Court

Relationship with District Attorney's Office

- Yearly in-service training for their staff
 - SF Pretrial overview
 - Programs and client expectations
 - Public Safety Assessment
- Local collaboratives – PSA Workgroup, Safety & Justice Challenge, Restorative Justice Collaborative, Reentry Council, others
- Daily correspondence between Assistant District Attorneys and Court staff
- In-Custody Referral process
- Neighborhood Courts Program

Substance Use Interventions

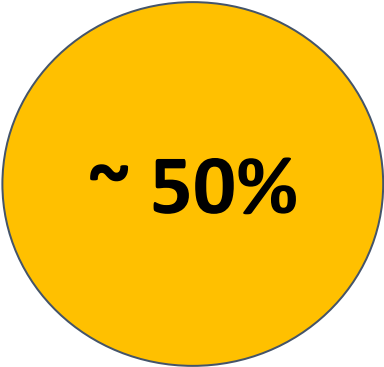

Impact of Pandemic

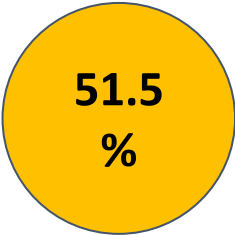

- State of emergency was declared on 2/25/2020
- The number of fatal drug overdoses last month in San Francisco increased by more than 60 percent compared to the month of January last year
- As one example of how services were impacted, 48 sheltered care beds were taken off-line
- Relationship building, in-person care, food, clothing, medicine management, etc. not available
- Decrease in access to services and ability to make referrals
- In-custody programs on hold

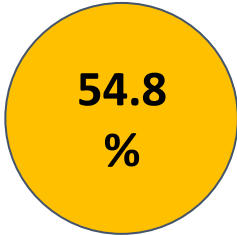

Impact of Pandemic

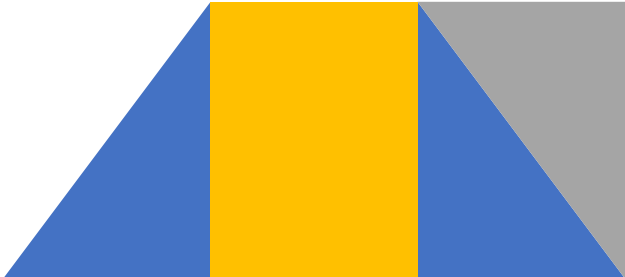

Clients without
consistent access to
technology

Homeless ACM
clients

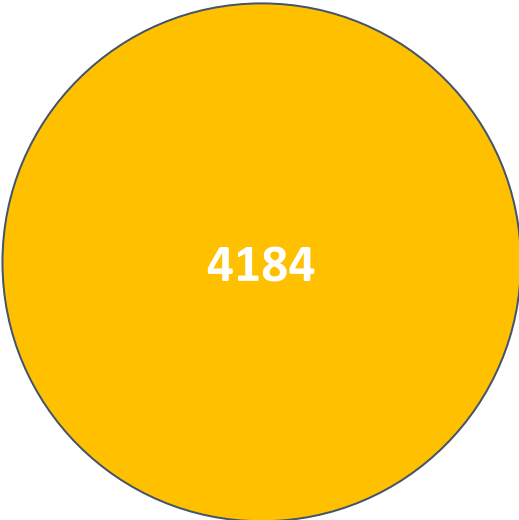

ACM/ICR clients
referred to housing
placements

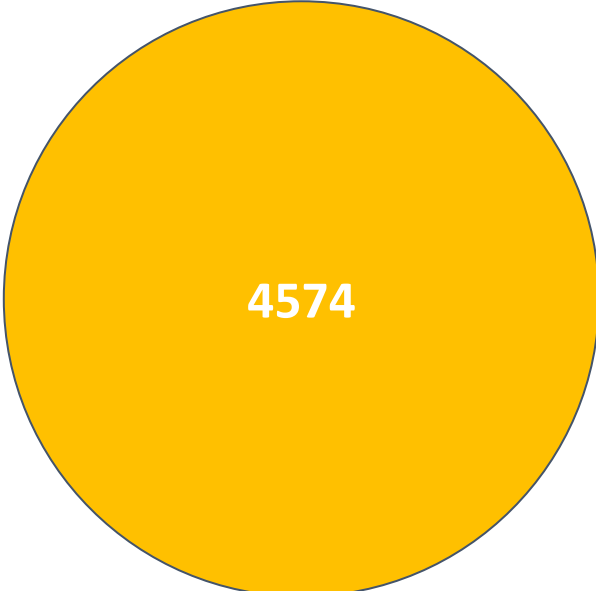

Impact of Pandemic

Support Group Attendance

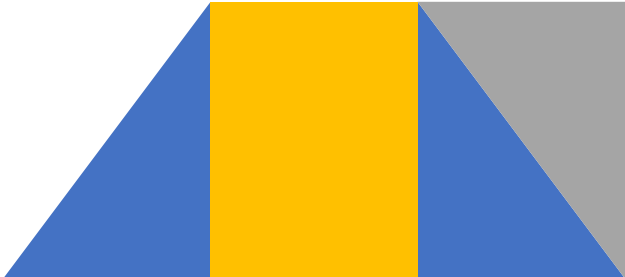

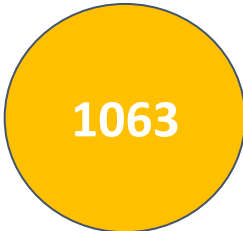

2018

2019

2020

Public Safety Solutions

- Community Support Group Hubs
- Pretrial Aftercare - Terminations and Successful Completions
- Reduce Stigma of Justice-Involved Individuals
- Mayor's Office of Justice Innovation
