## MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

## BACKGROUND

Files 20-0545, 20-0546, and 20-0547 are presented together as they all pertain to the continued implementation of the Health Care Security Ordinance and reflect all three contracts the Department of Public Health (DPH) has with San Francisco Community Health Authority ("Community Health Authority"), doing business as San Francisco Health Plan.

### Healthy SF and Medical Reimbursement Accounts

The Health Care Security Ordinance mandates covered employers make required health care expenditures on behalf of their employees. Employers covered by the Health Care Security Ordinance can meet their spending requirements to support their employees' access to health care in one of three ways: (1) Provide health insurance up to the level required by the Health Care Security Ordinance, (2) Contribute to the SF City Option Program, including Healthy SF and Medical Reimbursement Account programs, or (3) Contribute to an allowable Health Reimbursement account for employees.

Healthy SF provides affordable health care services to uninsured San Francisco residents and is funded by employer contributions, participation fees, service fees, and the General Fund.<sup>1</sup> Medical Reimbursement Accounts are health care accounts funded through employer contributions; individual accounts are set up for covered employees where the funds in the account can be used toward eligible health care expenses.<sup>2, 3</sup>

### San Francisco Community Health Authority

The Health Care Security Ordinance authorizes DPH to contract with a third-party vendor to administer Healthy San Francisco and Medical Reimbursement Account program operations, including enrollment, tracking service utilization, billing, and communication with the participants. The Board of Supervisors established the San Francisco Community Health Authority as a separate legal entity in 2005 through a Joint Powers Agreement between the City and the

<sup>3</sup> To be eligible for a Covered Medical Reimbursement Account, employers must make contributions to the City Option, and the employee must be a San Francisco resident, be age 18 or older, have income no more than 500% of the federal poverty level, required by law to purchase insurance, not be eligible for Medi-Cal or Medicare, and purchase health insurance through Covered California.

San Francisco Health Authority<sup>4</sup> to administer non-Medi-Cal health programs. After the establishment of the Health Care Security Ordinance in 2006, the Department of Public Health began contracting with the San Francisco Community Health Authority to administer Healthy SF and Medical Reimbursement Account program operations.

## DETAILS OF PROPOSED LEGISLATION

The proposed resolutions would approve three new agreements between DPH and the San Francisco Community Health Authority for:

- \$35,308,339 for Third Party Administrator Services for Healthy San Francisco (File 20-0545)
- \$24,908,092 for Administration of Private Provider Payments for Healthy San Francisco program (File 20-0546)
- \$49,054,357 for Third Party Administrator Services for the SF City Option Program (Item 20-0547)

Each of these agreements is for a five-year term from July 1, 2020 through June 30, 2025.

### Services Provided

#### Healthy SF – Third Party Administrative Services

File 20-0545 authorizes an agreement between DPH and San Francisco Community Health Authority for the provision of Third Party Administrator services for the Healthy San Francisco Program for health services to eligible uninsured City residents. As part of this agreement the Community Health Authority will (1) Assist in eligibility and enrollment into Healthy San Francisco, (2) Manage and reconcile financial payments to providers, participant fees, and transfers to DPH, (3) Oversee the Healthy San Francisco medical home network and provider contracting, (4) Receive and manage utilization data from providers, analyzing and producing utilization reports, (5) Communicate Healthy San Francisco program information to participants and responding to Healthy San Francisco participant complaints and inquiries, (6) Manage training and communications to those assisting with Healthy San Francisco, (7) Maintain a customer service/call center with language capacity in English, Cantonese, Spanish and access to Tagalog language assistance as needed, and (8) Provide other administrative functions as required. Staffing for this contract includes 32.85 full-time equivalent (FTE) positions.

#### Healthy SF – Fiscal Administration of Private Provider Payments

File 20-0546 authorizes an agreement between DPH and Community Health Authority to provide payments to the participating medical homes delivering services to Healthy San Francisco enrollees for primary, preventive, specialty and inpatient services. There are four medical home provider networks delivering services to Healthy San Francisco enrollees: These health network

providers include: SF Health Network, SF Community Clinic Consortium, Kaiser Permanente, and Sister Mary Philippa Health Center.<sup>5</sup> Included in this contract is \$350,000 annually to provide gender affirming surgeries for Gender Health SF's uninsured patients. DPH estimates that Community Health Authority will provide reimbursements to health care providers for 33,724 unique clients at non-SF Health Network providers and provide administrative services for provision of gender affirming medical and surgical services for 10 clients over the course of the contract. This plan is a managed care plan in which providers are paid a per capita payment for enrolled participants; providers are reimbursed based on monthly Healthy San Francisco enrollment.

#### Medical Reimbursement Accounts – Third Party Administrative Services

File 20-0547 authorizes an agreement between DPH and San Francisco Community Health Authority to provide Third Party Administrator services for the SF City Option program, which funds services through Medical Reimbursement Accounts and SF Covered Medical Reimbursement Accounts. This agreement consolidates the Third Party Administrator services for the SF Medical Reimbursement Account and SF Covered Medical Reimbursement Account programs into one contract. The Community Health Authority will oversee SF City Option Program operations, including: (1) Vendor management and contracting; (2) Enrollment and eligibility; (3) Processing employer rosters and payments; (4) Tracking and managing all contributions and accounts; (5) Employer and employee outreach and training activities; (6) Maintaining account monitoring program; (7) Developing and implementing DPH priority activities; and, (8) Coordination with the Office of Labor Standards Enforcement. The Community Health Authority will also provide product management and analytics, finance management and oversight, and customer services. Staffing for this contract includes 44.50 FTEs. The San Francisco Community Health Authority will subcontract for Medical Reimbursement customer service, web portal management, claims processing, electronic funds transfer, online form development, and ensuring participant contact information remains up to date.

#### **Performance Monitoring**

Each agreement outlines a set of deliverables, and requirements for regular reporting. According to Ms. Michelle Ruggels, DPH Director of Business Services, and Alice Kurniadi, Program Manager, DPH monitors the performance of the Community Health Authority through regular monthly and ad hoc check-in meetings where they discuss progress of priority projects and ongoing activities. The Community Health Authority also provides monthly, quarterly, and annual reports and cover program deliverables and service and program performance.

<sup>5</sup> SF Health Network is made up of DPH clinics and hospital services; SF Community Clinic Consortium is made up of public and nonprofit outpatient services; and Sister Mary Philippa Health Center and Saint Mary's Hospital are part of Dignity Health.

There is no staffing associated with this contract, which passes through funding to reimburse Healthy San Francisco medical providers.

**Healthy SF Agreement Funding**

Funding for these two Healthy SF agreements is provided through the City General Fund. Healthy SF collects participation and service fees along with employer contributions, which offset some of the General Fund contribution. In FY 2018-19 Healthy SF collected \$2,767,673 in participant and point of service fee revenue and \$3,077,786 in employer contributions.

#### Medical Reimbursement Accounts Agreement Funding

Funding for SF City Option agreement is through the City General Fund. There are no fees or charges associated with the Medical Reimbursement Accounts that provide revenue to cover contract expenditures.

#### **POLICY CONSIDERATION**

The Budget Outlook Update (May Joint Report), prepared by the Budget and Legislative Analyst's Office, Mayor's Budget Office, and Controller, projected FY 2019-20 shortfall in the General Fund budget of \$246.2 million due to the impacts of the COVID-19 public health emergency and a slower economic recovery. That shortfall is projected to increase to \$753.9 million in FY 2020-21 and continue into subsequent fiscal years. The Mayor's Budget Office presented the Mayor's Budget Instructions to the Board of Supervisors on May 18, 2020, which provided for a 10 percent reduction in City departments' General Fund budgets; services to vulnerable and underserved populations are given priority for funding.

Ms. Ruggels reports reduction to these services would impact the individuals that receive health care coverage through these programs and that DPH does not anticipate proposing any reductions in funding for the services and payments provided through these agreements. Because the proposed agreements are consistent with Board of Supervisors policy in approving the Health Care Security Ordinance, the Budget and Legislative Analyst recommends approval.

#### **RECOMMENDATION**

Charges will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

**3.2 Guaranteed Maximum Costs.** The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

#### 3.3 Compensation.

Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to by both parties as retainage, described in Appendix B. In no event shall City be liable for interest or late charges for any late payments.

**3.3.2 Payment Limited to Satisfactory Services.** Contractor is not entitled to any payments from City until approves Services, including any furnished Deliverables, as satisfying all of the requirements of this Agreement. Payments to Contractor by City shall not excuse Contractor from its obligation to replace unsatisfactory Deliverables, including equipment, components, materials, or Services even if the unsatisfactory character of such Deliverables, equipment, components, materials, or Services may not have been apparent or detected at the time such payment was made. Deliverables,

equipment, components, materials and Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

**3.3.3 Withhold Payments.** If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop work as a result of City's withholding of payments as provided herein.

**3.3.4 Invoice Format.** Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be made by City as specified in Section 3.3.6, or in such alternate manner as the Parties have mutually agreed upon in writing.

**3.3.5 Reserved. (LBE Payment and Utilization Tracking System)**

**3.3.6 Getting paid by the City for goods and/or services.**

**3.4 Audit and Inspection of Records.** Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to its Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

**3.4.1** Contractor shall annually have its books of accounts audited by a Certified Public Accountant and a copy of said audit report and the associated management letter(s) shall be transmitted to the Director of Public Health or his /her designee within one hundred eighty (180) calendar days following Contractor's fiscal year end date. If Contractor expends \$750,000 or more in Federal funding per year, from any and all Federal awards, said audit shall be conducted in accordance with 2 CFR Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Said requirements can be found at the following website address: [https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200\\_main\\_02.tpl](https://www.ecfr.gov/cgi-bin/text-idx?tpl=/ecfrbrowse/Title02/2cfr200_main_02.tpl).

If Contractor expends less than \$750,000 a year in Federal awards, Contractor is exempt from the single audit requirements for that year, but records must be available for review or audit by appropriate officials of the Federal Agency, pass-through entity and General Accounting Office. Contractor agrees to reimburse the City any cost adjustments necessitated by this audit report. Any audit report which addresses all or part of the period covered by this Agreement shall treat the service components identified in the detailed descriptions attached to Appendix A and referred to in the Program Budgets of Appendix B as discrete program entities of the Contractor.

3.4.2 The Director of Public Health or his / her designee may approve a waiver of the audit requirement in Section 3.4.1 above, if the contractual Services are of a consulting or personal services nature, these Services are paid for through fee for service terms which limit the City's risk with such contracts, and it is determined that the work associated with the audit would produce undue burdens or costs and would provide minimal benefits. A written request for a waiver must be submitted to the DIRECTOR ninety (90) calendar days before the end of the Agreement term or Contractor's fiscal year, whichever comes first.

3.4.3 Any financial adjustments necessitated by this audit report shall be made by Contractor to the City. If Contractor is under contract to the City, the adjustment may be made in the next subsequent billing by Contractor to the City, or may be made by another written schedule determined solely by the City. In the event Contractor is not under contract to the City, written arrangements shall be made for audit adjustments.

3.5 **Submitting False Claims.** The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. 3.6 **Reserved. (Payment of Prevailing Wages)**

#### **Article 4 Services and Resources**

4.1 **Services Contractor Agrees to Perform.** Contractor agrees to perform the Services provided for in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 **Qualified Personnel.** Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 **Subcontracting.**

4.3.1 Contractor may subcontract portions of the Services only upon prior written approval of City. Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.3.2 Contractor will not employ subcontractors.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 **Independent Contractor.** For the purposes of this Article 4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of

Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

**4.4.2 Payment of Employment Taxes and Other Expenses.** Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

**4.5 Assignment.** The Services to be performed by Contractor are personal in character. Neither this Agreement, nor any duties or obligations hereunder, may be directly or indirectly assigned, novated, hypothecated, transferred, or delegated by Contractor, or, where the Contractor is a joint venture, a joint venture partner, (collectively referred to as an "Assignment") unless first approved by City by written instrument executed and approved in the same manner as this Agreement in accordance with the Administrative Code. The City's approval of any such Assignment is subject to the Contractor demonstrating to City's reasonable satisfaction that the proposed transferee is: (i) reputable and capable, financially and otherwise, of performing each of Contractor's obligations under this Agreement and any other documents to be assigned, (ii) not forbidden by applicable law from transacting business or entering into contracts with City; and (iii) subject to the jurisdiction of the courts of the State of California. A change of ownership or control of Contractor or a sale or transfer of substantially all of the assets of Contractor shall be deemed an Assignment for purposes of this Agreement. Contractor shall immediately notify City about any Assignment. Any purported Assignment made in violation of this provision shall be null and void.

**4.6 Warranty.** Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

## **Article 5 Insurance and Indemnity**

### **5.1 Insurance.**

**5.1.1 Required Coverages.** Insurance limits are subject to Risk Management review and revision, as appropriate, as conditions warrant. Without in any way limiting Contractor's liability

pursuant to the “Indemnification” section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers’ Compensation, in statutory amounts, with Employers’ Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence for Bodily Injury and Property Damage, including Contractual Liability, Personal Injury, Products and Completed Operations; and

(d) Professional Liability Insurance, applicable to Contractor’s profession, with limits not less than \$1,000,000 for each claim with respect to negligent acts, errors or omissions in connection with the Services.

(e) Contractor shall maintain in force during the full life of the agreement Cyber and Privacy Insurance with limits of not less than \$10,000,000 per claim. Such insurance shall include coverage for liability arising from theft, dissemination, and/or use of confidential information, including but not limited to, bank and credit card account information or personal information, such as name, address, social security numbers, protected health information or other personally identifying information, stored or transmitted in any form.

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

5.1.3 Contractor’s Commercial General Liability and Commercial Automobile Liability Insurance policies shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.4 All policies shall be endorsed to provide thirty (30) days’ advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled “Notices to the Parties.”

“Contractor shall provide thirty (30) days’ advance written notice to the City of cancellation, intended non-renewal, or reduction in coverages, except for non-payment for which no less than ten (10) days’ notice shall be provided to City. Notices shall be sent to the City address set forth in Section 11.1 entitled “Notices to the Parties.”

5.1.5 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.6 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.7 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.8 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.10 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 **Indemnification.** Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. Contractor shall also indemnify, defend and hold City harmless from all suits or claims or administrative proceedings for breaches of federal and/or state law regarding the privacy of health information, electronic records or related topics, arising directly or indirectly from Contractor's performance of this Agreement, except where such breach is the result of the active negligence or willful misconduct of City. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services.

## **Article 6 Liability of the Parties**

**6.1 Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT

**6.2 Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

**6.3 Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

## **Article 7 Payment of Taxes**

**7.1** Except for any applicable California sales and use taxes charged by Contractor to City, Contractor shall pay all taxes, including possessory interest taxes levied upon or as a result of this Agreement, or the Services delivered pursuant hereto. Contractor shall remit to the State of California any sales or use taxes paid by City to Contractor under this Agreement. Contractor agrees to promptly provide information requested by the City to verify Contractor's compliance with any State requirements for reporting sales and use tax paid by City under this Agreement.

**7.2** Contractor acknowledges that this Agreement may create a "possessory interest" for property tax purposes. Generally, such a possessory interest is not created unless the Agreement entitles the Contractor to possession, occupancy, or use of City property for private gain. If such a possessory interest is created, then the following shall apply:

**7.2.1** Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that Contractor, and any permitted successors and assigns, may be subject to real property tax assessments on the possessory interest.

**7.2.2** Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that the creation, extension, renewal, or assignment of this Agreement may result in a "change in ownership" for purposes of real property taxes, and therefore may result in a revaluation of any possessory interest created by this Agreement. Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report on behalf of the City to the County Assessor the

information required by Revenue and Taxation Code section 480.5, as amended from time to time, and any successor provision.

7.2.3 Contractor, on behalf of itself and any permitted successors and assigns, recognizes and understands that other events also may cause a change of ownership of the possessory interest and result in the revaluation of the possessory interest. (see, e.g., Rev. & Tax. Code section 64, as amended from time to time). Contractor accordingly agrees on behalf of itself and its permitted successors and assigns to report any change in ownership to the County Assessor, the State Board of Equalization or other public agency as required by law.

7.2.4 Contractor further agrees to provide such other information as may be requested by the City to enable the City to comply with any reporting requirements for possessory interests that are imposed by applicable law.

7.3 **Withholding.** Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

## **Article 8 Termination and Default**

### **8.1 Termination for Convenience**

8.1.1 City shall have the option, in its sole discretion, to terminate this Agreement, at any time during the term hereof, for convenience and without cause. City shall exercise this option by giving Contractor written notice of termination. The notice shall specify the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions shall be subject to the prior approval of City. Such actions may include any or all of the following, without limitation:

(d) Subject to City's approval, settling all outstanding liabilities and all claims arising out of the termination of orders and subcontracts.

(e) Completing performance of any Services that City designates to be completed prior to the date of termination specified by City.

(f) Taking such action as may be necessary, or as the City may direct, for the protection and preservation of any property related to this Agreement which is in the possession of Contractor and in which City has or may acquire an interest.

8.1.3 Within 30 days after the specified termination date, Contractor shall submit to City an invoice, which shall set forth each of the following as a separate line item:

(a) The reasonable cost to Contractor, without profit, for all Services prior to the specified termination date, for which Services City has not already tendered payment. Reasonable costs may include a reasonable allowance for actual overhead, not to exceed a total of 10% of Contractor's direct costs for Services. Any overhead allowance shall be separately itemized. Contractor may also recover the reasonable cost of preparing the invoice.

(b) A reasonable allowance for profit on the cost of the Services described in the immediately preceding subsection (a), provided that Contractor can establish, to the satisfaction of City, that Contractor would have made a profit had all Services under this Agreement been completed, and provided further, that the profit allowed shall in no event exceed 5% of such cost.

(c) The reasonable cost to Contractor of handling material or equipment returned to the vendor, delivered to the City or otherwise disposed of as directed by the City.

(d) A deduction for the cost of materials to be retained by Contractor, amounts realized from the sale of materials and not otherwise recovered by or credited to City, and any other appropriate credits to City against the cost of the Services or other work.

8.1.4 In no event shall City be liable for costs incurred by Contractor or any of its subcontractors after the termination date specified by City, except for those costs specifically listed in Section 8.1.3. Such non-recoverable costs include, but are not limited to, anticipated profits on the Services under this Agreement, post-termination employee salaries, post-termination administrative expenses, post-termination overhead or unabsorbed overhead, attorneys' fees or other costs relating to the prosecution of a claim or lawsuit, prejudgment interest, or any other expense which is not reasonable or authorized under Section 8.1.3.

8.1.5 In arriving at the amount due to Contractor under this Section, City may deduct: (i) all payments previously made by City for Services covered by Contractor's final invoice; (ii) any claim which City may have against Contractor in connection with this Agreement; (iii) any invoiced costs or expenses excluded pursuant to the immediately preceding subsection 8.1.4; and (iv) in instances in which, in the opinion of the City, the cost of any Service performed under this Agreement is excessively high due to costs incurred to remedy or replace defective or rejected Services, the difference between the invoiced amount and City's estimate of the reasonable cost of performing the invoiced Services in compliance with the requirements of this Agreement.

8.1.6 City's payment obligation under this Section shall survive termination of this Agreement.

## 8.2 Termination for Default; Remedies.

8.2.1 Each of the following shall constitute an immediate event of default ("Event of Default") under this Agreement:

(a) Contractor fails or refuses to perform or observe any term, covenant or condition contained in any of the following Sections of this Agreement:

The Healthy San Francisco provider network is comprised of both SFHN and non-SFHN, community-based providers who deliver a range of primary, preventive, specialty and inpatient services. In FY 2020-25, the provider network for Healthy San Francisco will be comprised of the following (some of whom receive reimbursement):

- c. 1 public hospital,
- d. 1 non-profit hospital,
- e. 1 health maintenance organization,

In FY 2020-25, the provider network providing gender affirming surgeries for uninsured Gender Health SF patients include providers that are separately contracted with SFCHA.

**3. TARGET POPULATION**

The target population is San Francisco's uninsured adult residents who are ineligible for other government subsidized health benefits programs (such as Medi-Cal) and are subsequently determined eligible and enrolled in the Healthy San Francisco Program and uninsured patients who are referred for gender affirming surgeries by Gender Health SF.

the equivalent of services for one patient. It is estimated that of those enrolled in Healthy San Francisco, approximately 33,724 individuals (over contract period) will select non-SFHN primary care medical homes within the provider network over the course of this sixty month period. It is estimated that approximately 10 patients will have gender affirming surgeries over the course of the contract period. Primary care medical homes will receive payments related to either enrolling the applicant into Healthy San Francisco and/or providing services to an enrolled participant. The 404,700 total units of service reflect 60 months of participation by the approximately 33,724 (over contract period) individuals who enroll in Healthy San Francisco at different times over the course of the five years.

## **5. SERVICES, DELIVERABLES AND MEASURABLE OBJECTIVES**

Based on agreed upon grant agreements with non-SFHN providers, SFCHA will reimburse these providers for services provided to HSF participants. For gender affirming medical and surgical services, SFCHA will only pay non-SFHN providers that are contracted with SFCHA to provide gender affirming medical and surgical services. SFCHA will reimburse providers based on the set of deliverables outlined in the grant agreements or contract. The grant agreements indicate the reimbursement level for enrollments for each provider. ## **6. EVALUATION**

The Department through SFHN will monitor performance under this contract by verifying the enrollment levels of all non-SFHN providers on a monthly basis and confirming this with SFCHA before reimbursement is disbursed. SFHN will monitor performance of the Gender Health SF provider contract by verifying adherence to established processes between SFCHA and Department. SFCHA will be evaluated based on its review of non-DPH provider invoices and its timely payment of said providers (generally within 20 business days of the receipt of a provider invoice) and appropriate claim processing and provider relation functions from contracted providers providing Gender Health Services

## **7. CONTINUOUS QUALITY IMPROVEMENT**

To ensure that the services (i.e., reimbursement to non-Department providers) are provided by the contractor are of high quality, SFCHA will submit quarterly reports summarizing payments to non-SFHN providers.

**1. Method of Payment**

A. Contractor shall submit monthly invoices in the format attached in Appendix C, by the fifteenth (15<sup>th</sup>) working day of each month for reimbursement of the actual costs for Services of the immediately preceding month. All costs associated with the Services shall be reported on the invoice each month. All costs incurred under this Agreement shall be due and payable only after Services have been rendered and in no case in advance of such Services. In no event shall the amount of this Agreement exceed **Twenty Four Million, Nine Hundred Eight Thousand, Ninety Two Dollars (\$24,908,092)** for Healthy San Francisco Private Provider Reimbursement. In no event shall the amount of this Agreement exceed **One Million, Seven Hundred Fifty Thousand (\$1,750,000)** for Transgender Medical and Surgical Services and Administrative Fees.

B. Contractor understands that, of the maximum dollar obligation listed in Section 3.3.1 of this Agreement, **Two Million Six Hundred Sixty Eight Thousand Seven Hundred Twenty Four Dollars (\$2,668,724)** is included as a contingency amount and is neither to be used in Program Budgets attached to this Appendix, or available to Contractor without a modification to this Agreement executed in the same manner as this Agreement or a revision to the Program Budgets of Appendix B, which has been approved by Contract Administrator. Contractor further understands that no payment of any portion of this contingency amount will be made unless and until such modification or budget revision has been fully approved and executed in accordance with applicable City and Department of Public Health laws, regulations and policies/procedures and certification as to the availability of funds by Controller. Contractor agrees to fully comply with these laws, regulations, and policies/procedures.

C. Contractor agrees to comply with its Budget as shown in Appendix B in the provision of Services. Changes to the charges that do not increase or reduce the maximum dollar obligation of the City are subject to the provisions of the Department of Public Health Policy/Procedure Regarding Contract Budget Changes. Contractor agrees to comply fully with that policy/procedure.

D. The parties acknowledge that the budget is based on good faith projections but there is some uncertainty regarding the expenses that will be incurred by Contractor. Accordingly, the parties agree to meet as needed, but no less than quarterly, to review contract expenditures and participant enrollment. In the event that expenditures incurred by Contractor or payments made to non-City providers exceed the amount set forth in Appendix B, the parties shall negotiate in good faith regarding ways to reduce costs, re-allocate dollars within the budget, delay enrollment of new program participants, or add additional dollars to the budget. If Contractor notifies City that its expenses or payments to non-City providers exceeds twenty percent (20%) of the contract budget and City fails to rectify the situation within thirty (30) days, then Contractor may make decisions regarding reductions in services so that expenditures are reduced to no more than twenty percent (20%) over the contract budget. No charges shall be incurred under this Agreement nor shall any payments become due to Contractor until reports, services, or both, required under this Agreement are received from Contractor and approved by Director as being in accordance with this Agreement. Notification of Breach.** BA shall notify CE within 5 calendar days of any breach of Protected Information; any use or disclosure of Protected Information not permitted by the BAA; any Security Incident (except as otherwise provided below) related to Protected Information, and any use or disclosure of data in violation of any applicable federal or state laws by BA or its agents or subcontractors. The notification shall include, to the extent possible, the identification of each individual whose unsecured Protected Information has been, or is reasonably believed by the BA to have been, accessed, acquired, used, or disclosed, as well as any other available information that CE is required to include in notification to the individual, the media, the Secretary, and any other entity under the Breach Notification Rule and any other applicable state or federal laws, including, but not limited, to 45 C.F.R. Section 164.404 through 45 C.F.R. Section 164.408, at the time of the notification required by this paragraph or promptly thereafter as information becomes available. BA shall take (i) prompt corrective action to cure any deficiencies and (ii) any action pertaining to unauthorized uses or disclosures required by applicable federal and state laws. [42 U.S.C. Section 17921; 42 U.S.C. Section 17932; 45 C.F.R. 164.410; 45 C.F.R. Section 164.504(e)(2)(ii)(C); 45 C.F.R. Section 164.308(b)]

**o. Breach Pattern or Practice by Business Associate’s Subcontractors and Agents.** Pursuant to 42 U.S.C. Section 17934(b) and 45 C.F.R. Section 164.504(e)(1)(iii), if the BA knows of a pattern of activity or practice of a subcontractor or agent that constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA, the BA must take reasonable steps to cure the breach or end the violation. If the steps are unsuccessful, the BA must terminate the contractual arrangement with its subcontractor or agent, if feasible. BA shall provide written notice to CE of any pattern of activity or practice of a subcontractor or agent that BA believes constitutes a material breach or violation of the subcontractor or agent’s obligations under the Contract or this BAA within five (5) calendar days of discovery and shall meet with CE to discuss and attempt to resolve the problem as one of the reasonable steps to cure the breach or end the violation.

### 3. Termination.

**a. Material Breach.** A breach by BA of any provision of this BAA, as determined by CE, shall constitute a material breach of the Agreement and this BAA and shall provide grounds for immediate termination of the Agreement and this BAA, any provision in the AGREEMENT to the contrary notwithstanding. [45 C.F.R. Section 164.504(e)(2)(iii).]

**b. Judicial or Administrative Proceedings.** CE may terminate the Agreement and this BAA, effective immediately, if (i) BA is named as defendant in a criminal proceeding for a violation of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws or (ii) a finding or stipulation that the BA has violated any standard or requirement of HIPAA, the HITECH Act, the HIPAA Regulations or other security or privacy laws is made in any administrative or civil proceeding in which the party has been joined.

## San Francisco Department of Public Health

## Business Associate Agreement

**c. Effect of Termination.** Upon termination of the Agreement and this BAA for any reason, BA shall, at the option of CE, return or destroy all Protected Information that BA and its agents and subcontractors still maintain in any form, and shall retain no copies of such Protected Information. If return or destruction is not feasible, as determined by CE, BA shall continue to extend the protections and satisfy the obligations of Section 2 of this BAA to such information, and limit further use and disclosure of such PHI to those purposes that make the return or destruction of the information infeasible [45 C.F.R. Section 164.504(e)(2)(ii)(J)]. If CE elects destruction of the PHI, BA shall certify in writing to CE that such PHI has been destroyed in accordance with the Secretary's guidance regarding proper destruction of PHI.

**d. Civil and Criminal Penalties.** BA understands and agrees that it is subject to civil or criminal penalties applicable to BA for unauthorized use, access or disclosure or Protected Information in accordance with the HIPAA Regulations and the HITECH Act including, but not limited to, 42 U.S.C. 17934 (c).

**e. Disclaimer.** CE makes no warranty or representation that compliance by BA with this BAA, HIPAA, the HITECH Act, or the HIPAA Regulations or corresponding California law provisions will be adequate or satisfactory for BA's own purposes. BA is solely responsible for all decisions made by BA regarding the safeguarding of PHI.

#### 4. Amendment to Comply with Law.

The parties acknowledge that state and federal laws relating to data security and privacy are rapidly evolving and that amendment of the Agreement or this BAA may be required to provide for procedures to ensure compliance with such developments. The parties specifically agree to take such action as is necessary to implement the standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations and other applicable state or federal laws relating to the security or confidentiality of PHI. The parties understand and agree that CE must receive satisfactory written assurance from BA that BA will adequately safeguard all Protected Information. Upon the request of either party, the other party agrees to promptly enter into negotiations concerning the terms of an amendment to this BAA embodying written assurances consistent with the updated standards and requirements of HIPAA, the HITECH Act, the HIPAA regulations or other applicable state or federal laws. CE may terminate the Agreement upon thirty (30) days written notice in the event (i) BA does not promptly enter into negotiations to amend the Agreement or this BAA when requested by CE pursuant to this section or (ii) BA does not enter into an amendment to the Agreement or this BAA providing assurances regarding the safeguarding of PHI that CE, in its sole discretion, deems sufficient to satisfy the standards and requirements of applicable laws.

#### 5. Reimbursement for Fines or Penalties.

In the event that CE pays a fine to a state or federal regulatory agency, and/or is assessed civil penalties or damages through private rights of action, based on an impermissible access, use or disclosure of PHI by BA or its subcontractors or agents, then BA shall reimburse CE in the amount of such fine or penalties or damages within thirty (30) calendar days from City's written notice to BA of such fines, penalties or damages.
