11  
12 WHEREAS, On August 12, 2014, by Resolution No.14-0127, the San Francisco Public  
13 Utilities Commission (SFPUC) approved the Regional Groundwater Storage and Recovery  
14 Project (Project) for improvements to the Regional Water System under the Water System  
15 Improvement Program; and

16 WHEREAS, The Project’s primary objective is to provide an additional dry-year  
17 regional water supply for SFPUC customers by constructing groundwater wells and well  
18 stations to be connected to the SFPUC transmission system and to the systems of three  
19 SFPUC wholesale customers within the Upper Peninsula area, including California Water  
20 Service Company (Cal Water); and

21 WHEREAS, On February 27, 2024, by Resolution No. 24-0042, the SFPUC awarded  
22 Contract No. WD-2878B, Regional Groundwater Storage and Recovery Phase 2B, to perform  
23 work at the SFPUC’s planned groundwater well station known internally as the “South San  
24 Francisco Main Well,” consisting of the installation of a groundwater pump system and a  
25 12-inch-diameter pipeline that will transport groundwater along El Camino Real and Chestnut

1 Avenue in the City of South San Francisco (South San Francisco) to Cal Water’s groundwater  
2 treatment plant located at 80 Chestnut Avenue, South San Francisco; and

3 WHEREAS, Chestnut Avenue crosses the creek channel known as Colma Creek via a  
4 bridge owned and maintained by South San Francisco; and

5 WHEREAS, Colma Creek is under the jurisdiction of the San Mateo County Flood  
6 Control and Sea Level Rise Resiliency District (also known as “OneShoreline”); and

7 WHEREAS, Due to complex structural concerns with attaching the proposed pipeline  
8 directly to the bridge, as well as the uncertainty presented by an anticipated future project led  
9 by South San Francisco to modify or replace the bridge, the SFPUC worked with  
10 OneShoreline to design an independent aerial pipeline crossing of Colma Creek just north of  
11 and parallel to the bridge structure; and

12 WHEREAS, The SFPUC seeks to acquire an approximately 15.41-foot-wide easement  
13 for the water pipeline and the necessary pipe footings and braces across OneShoreline’s  
14 property, adjacent and parallel to Chestnut Avenue; and

15 WHEREAS, The OneShoreline property is designated as a portion of Assessor’s  
16 Parcel 011-322-200; and

17 WHEREAS, The total square footage of the easement area would be approximately  
18 1,386 square feet; and

19 WHEREAS, OneShoreline has agreed to sell the easement to the City and both parties  
20 desire to enter into a Purchase and Sale Agreement; and

21 WHEREAS, The SFPUC, through consultation with the Office of the City Attorney, has  
22 negotiated with OneShoreline the proposed terms and conditions of the City and County of  
23 San Francisco’s (City) acquisition of the easement for a purchase price of \$70,000, plus an  
24 administrative fee of \$3,500 and up to \$10,000 in closing costs, as set forth in the form of an  
25 Agreement for Purchase and Sale of Real Estate (Agreement) and Easement Deed to convey

1 an easement interest for pipe footings and a water pipeline to aerially cross the existing flood  
2 control channel (Easement Deed); and

3 WHEREAS, On October 30, 2008, the San Francisco Planning Commission certified the  
4 Final Program Environmental Impact Report (Program EIR) (Case Number 2005.0159E) for the  
5 Water System Improvement Program; and

6 WHEREAS, On August 7, 2014, the Planning Commission certified the Final  
7 Environmental Impact Report (Final EIR) for the Regional Groundwater Storage and Recovery  
8 Project (Case Number 2008.1396E), which is tiered from the 2008 Program EIR; and

9 WHEREAS, On August 12, 2014, by Resolution No. 14-0127, the SFPUC approved the  
10 Regional Groundwater Storage and Recovery Project and adopted California Environmental  
11 Quality Act (CEQA) findings (CEQA Findings) and a Mitigation Monitoring and Reporting  
12 Program required by the CEQA; and

13 WHEREAS, On October 29, 2020, the Planning Department issued a Minor Project  
14 Modification to the Final EIR for a new 8-inch water pipeline alignment for the South San  
15 Francisco Main Well, including an aerial pipeline crossing of Colma Creek; and on June 3, 2022,  
16 the Planning Department issued a Minor Project Modification to the Final EIR for a utility  
17 potholing investigation at various locations, and for a new Pacific Gas and Electric electrical  
18 service connection for the South San Francisco Main Well; and on July 18, 2023, the Planning  
19 Department issued a Minor Project Modification to the Final EIR for additional staging areas to  
20 support construction and development of the South San Francisco Main Well; and the Planning  
21 Department determined that no supplemental environmental review was needed; and

22 WHEREAS, The work under this action, including the easement acquisition, is within the  
23 scope of the project authorized under the Final EIR and Minor Project Modifications; and

1           WHEREAS, The SFPUC has reviewed and considered the information contained in the  
2 Final EIR, the findings contained in SFPUC Resolution Number 14-0127, the Minor Project  
3 Modifications to the Final EIR and all written and oral information provided by the Planning  
4 Department, the public, relevant public agencies, SFPUC and other experts and the  
5 administrative files for the Project; and made findings that the Final EIR is adequate for its use  
6 as the decision-making body for the Project and the SFPUC made findings that since the Final  
7 EIR as modified by the Minor Project Modifications was finalized, there have been no substantial  
8 project changes and no substantial changes in project circumstances that would require major  
9 revisions to them due to the involvement of new significant environmental effects or an increase  
10 in the severity of previously identified significant impacts, and there is no new information of  
11 substantial importance that would change the conclusions set forth in them; and

12           WHEREAS, By General Plan Referral Note to File, dated June 7, 2024, for Case  
13 No. 2008.1396R, the San Francisco Planning Department found this action consistent with  
14 the General Plan and eight priority policies of Planning Code, Section 101.1 (“General Plan  
15 Findings”), a copy of which is on file with the Clerk of the Board under File No. 240737, which  
16 is incorporated herein by this reference; and

17           WHEREAS, On April 9, 2024, by Resolution No. 24-0092, the SFPUC authorized the  
18 General Manager to execute the Agreement and Easement Deed with San Mateo County  
19 Flood and Sea Level Rise Resiliency District for the acquisition of a 1,386-square-foot  
20 easement for an aerial water pipeline crossing and associated footings and braces across a  
21 portion of San Mateo County Assessor’s Parcel No. 011-322-200 for \$70,000, plus an  
22 administrative fee of \$3,500 and up to \$10,000 in closing costs, for a total amount not to  
23 exceed \$83,500 pursuant to Charter, Section 9.118; and

24           WHEREAS, The Agreement is effective on the date on which the Agreement is  
25 executed by both parties; now, therefore be it

1           RESOLVED, That this Board of Supervisors hereby approves the terms and conditions  
2 of, and authorizes the General Manager of the San Francisco Public Utilities Commission to  
3 execute a Purchase and Sale Agreement and Easement Deed with San Mateo County Flood  
4 and Sea Level Rise Resiliency District for the acquisition of a 1,386-square-foot easement for  
5 an aerial water pipeline crossing and associated footings and braces across a portion of San  
6 Mateo County Assessor's Parcel No. 011-322-200 for \$70,000, plus an administrative fee of  
7 \$3,500 and up to \$10,000 in closing costs, for a total amount not to exceed \$83,500, pursuant  
8 to Charter, Section 9.118; and, be it

9           FURTHER RESOLVED, That within thirty (30) days of the Purchase and Sale  
10 Agreement and Easement Deed being fully executed by all parties, the General Manager of  
11 the SFPUC shall provide the final agreement and deed to the Clerk of the Board for inclusion  
12 in the official file.

**AGREEMENT FOR PURCHASE AND SALE OF REAL ESTATE**

THIS AGREEMENT FOR PURCHASE AND SALE OF REAL ESTATE (this “**Agreement**”) dated for reference purposes only as of \_\_\_\_\_, 202\_\_, is by and between the SAN MATEO COUNTY FLOOD AND SEA LEVEL RISE RESILIENCY DISTRICT (also known as ONESHORELINE), a California special district (“**Seller**”), and the CITY AND COUNTY OF SAN FRANCISCO, a California municipal corporation (“**City**”), by and through its Public Utilities Commission (“**SFPUC**”). Seller and City sometimes are referred to collectively in this Agreement as the “**Parties**” or singularly as a “**Party**.”

**RECITALS**

**A.** Seller owns the real property located near the Southwest corner of Mission Road and Chestnut Avenue South San Francisco, California, designated as San Mateo County Assessor’s Parcel Number 011-322-200 and more particularly described in the attached **Exhibit A** “**Seller’s Property**.”

**B.** In connection with the SFPUC Regional Groundwater Storage and Recovery Project, City wishes to purchase, and, Seller has agreed to sell a permanent nonexclusive aerial, footing, and pipeline easement interest (“**Easement**”) to City in, on, over, under, upon, along, and/or across certain portions of Seller’s Property (“**Easement Area**”) in accordance with, and pursuant to, the terms and conditions of this Agreement.

IN CONSIDERATION of the respective agreements set forth below, Seller and City agree as follows:

**1. PURCHASE AND SALE**

**1.1. Purchase and Sale of Easement**

Seller will sell and convey the Easement to City by a duly executed and acknowledged easement deed in the form attached as **Exhibit B** (the “**Deed**”), incorporated herein by this reference, subject to the terms, covenants, and conditions hereinafter set forth.

**1.2. Easement Area; Nature of Easement**

The Easement Area is described and depicted in the exhibits to the Deed. The nature, scope, and conditions of the Easement are set forth in the Deed with respect to such Easement.

**2. PURCHASE PRICE**

**2.1. Purchase Price**

City’s purchase price for the Easement is \_\_\_\_\_ DOLLARS (\$ \_\_\_\_\_) (“**Purchase Price**”).

## 2.2. Payment

On the Closing Date (defined in Section 5.3 [Closing Date] below), City will pay the Purchase Price, adjusted pursuant to the provisions of Section 6 [Expenses; Prorations] below, and reduced by any credits due City under this Agreement.

## 2.3. Funds

All payments made pursuant to this Agreement will be in legal tender of the United States of America, paid by Controller's warrant or in cash or by wire transfer of immediately available funds. Unless the Parties elect to close the transaction without an escrow, payments will be made to the Title Company (defined in Section 5.2 [Escrow; Closing Without an Escrow] below), as the escrow agent.

## 3. CONVEYANCE OF EASEMENT

### 3.1. Easement Deed

At the Closing (defined in Section 5.1 ["Closing" Defined] below), Seller will convey to City marketable and insurable title to the Easement by delivery of the Deed, duly executed and acknowledged in the form attached as Exhibit B, free and clear of all exceptions, liens, and encumbrances except solely for the Accepted Conditions of Title (defined in Section 3.2 [State of Title] below). The Deed will be executed and delivered to the Title Company in a recordable form and the Title Company will record the Deed in the Official Records of San Mateo County.

### 3.2. State of Title

"Accepted Conditions of Title" will mean (a) the lien of real property taxes, not yet due or payable; and (b) exceptions numbered one through eighteen of the preliminary title report dated February 3, 2023, bearing Title No. 60603968-606-TEO-JM attached as Exhibit C ("Preliminary Report"). As a condition precedent to City's obligation to purchase, quitclaim deeds, a spousal waiver, lender's consents or subordinations, tenants' consents, or similar releases sufficient to clear or subordinate any possessory rights over the Easement Area consistent with the scope, terms, and conditions set forth in the Deed may be required, at City's election, each in a form approved by City. Seller will secure any such waiver quitclaim deeds, consents, subordinations, or releases.

### 3.3. Title Insurance

Delivery of title in accordance with the preceding Section will be evidenced by the commitment of the Title Company (defined in Section 5.2 [Escrow; Closing Without an Escrow] below) to issue to City an CLTA owner's policy of title insurance ("Title Policy") in the amount of the Purchase Price, insuring title to the Easement vested in City, free of the liens of any and all deeds of trust, mortgages, assignments of rents, financing statements, rights of tenants or other occupants, and all other exceptions, liens and encumbrances except solely for the Accepted Conditions of Title. The Title Policy will provide full coverage against mechanics' and materialmen's liens arising out of the construction, repair, or alteration of the Easement, shall delete any required arbitration provision, and shall contain an affirmative endorsement that there are no violations of restrictive covenants, if any, affecting the Easement and will contain such special endorsements as City may reasonably request.

#### 4. CONDITIONS TO CLOSING

##### 4.1. City's Conditions to Closing

The following are conditions precedent to City's obligation to purchase the Easement (collectively, "**Conditions Precedent**"):

(a) City will have reviewed and approved title to the Property, and accepts all conditions of title.

(b) City's review and approval that the physical condition of all portions of the Easement Area are substantially the same on the Closing Date (defined in Section 5.3 [Closing Date] below) as on the date of City's execution of this Agreement, reasonable wear and tear and loss by casualty excepted (subject to the provisions of Section 8 [Risk of Loss] below), and as of the Closing Date there will be no litigation or administrative agency or other governmental proceeding, pending, or threatened, that after the Closing could materially adversely affect the value of the Easement or City's ability to use all portions of the Easement Area for their respective intended use, and no proceedings will be pending or threatened that could or would cause the change, re-designation, or other modification of the zoning classification of, or of any building or environmental code requirements applicable to, any portion(s) of the Easement Area.

(c) Seller will have delivered signed originals of any documents required under Section 3.2 [State of Title] above, and, unless the Parties elect to consummate the transaction without an escrow, Title Company will be committed at the Closing to issue to City the Title Policy (defined in Section 3.3 [Title Insurance] above).

(d) City's review and approval of the compliance of the Property with all applicable laws, regulations, permits and approvals.

(e) The transactions contemplated by this Agreement will have been approved by all applicable City departments and agencies, including the San Francisco Public Utilities Commission, at their respective sole discretion, within sixty (60) days after Seller executes and delivers this Agreement to City.

(f) If required by City's Charter, City's Mayor and the Board of Supervisors, each at their sole discretion, will have enacted a resolution approving, adopting, and authorizing this Agreement and the transactions contemplated by this Agreement, within ninety (90) days after Seller executes and delivers this Agreement to City.

(g) Seller will have delivered the items described in Section 5.4 [Seller's Delivery of Documents] below on or before the Closing (defined in Section 5.1 ["Closing" Defined] below).

The Conditions Precedent contained in the foregoing subsections (a) through (g) are solely for City's benefit. If any Condition Precedent is not satisfied, City will have the right at its sole discretion either to waive in writing the Condition Precedent in question and proceed with the purchase with respect to the Easement (provided that the Conditions Precedent described in subsections (e) and (f) above may not be waived except insofar as City elects to extend the deadline for satisfying such item) or, in the alternative, terminate this Agreement. The waiver of any Condition Precedent will not relieve Seller of any liability or obligation with respect to any

representation, warranty, covenant, or agreement of Seller. In addition, the Closing Date may be extended, at City's option, for a reasonable period of time specified by City, to allow such Conditions Precedent to be satisfied, subject to City's further right to terminate this Agreement upon the expiration of the period of any such extension if any Conditions Precedent remain unsatisfied.

If the sale of the Easement is not consummated because of a default under this Agreement on the part of Seller or if a Condition Precedent cannot be fulfilled because Seller frustrated such fulfillment by some affirmative act or negligent omission, at City's sole election City may either (i) terminate this Agreement by delivery of notice of termination to Seller, whereupon Seller shall pay to City any title, escrow, legal, and inspection fees incurred by City and any other expenses incurred by City in connection with the performance of its due diligence review of Seller's Property, and neither Party will have any further rights or obligations under this Agreement, or (ii) elect to proceed with Closing of the Easement with respect to which all Conditions Precedent have been waived by City or satisfied.

#### **4.2. Cooperation with City**

Seller will cooperate with City and do all acts as may be reasonably requested by City with regard to the fulfillment of any Conditions Precedent including execution of any documents, applications, or permits, but Seller's representations and warranties to City will not be affected or released by City's waiver or fulfillment of any Condition. Seller hereby irrevocably authorizes City and its Agents to make all inquiries with and applications to any person or entity, including, without limitation, any regulatory authority with jurisdiction as City may reasonably require to complete its due diligence investigations.

### **5. ESCROW AND CLOSING; POSSESSION**

#### **5.1. "Closing" Defined**

The consummation of the purchase and sale transaction contemplated by this Agreement ("**Closing**") will occur as provided in this Section 5.

#### **5.2. Escrow; Closing Without an Escrow**

(a) Unless the Parties agree to consummate the purchase and sale without an escrow as provided in subparagraph (b) below: (i) on or before the Effective Date (defined in Section 11.17 [General Provisions] below), the Parties will open escrow by depositing an executed counterpart of this Agreement with Chicago Title Company at its offices at One Embarcadero Center, Suite 250, San Francisco, California 94111 ("**Title Company**"); (ii) this Agreement will serve as instructions to the Title Company as the escrow holder for consummation of the purchase and sale contemplated hereby; (iii) Seller hereby authorizes City to prepare and submit supplemental escrow instructions on behalf of both Parties, as needed, to enable the Title Company to comply with the terms of this Agreement and close the transaction; provided, however, that in the event of any conflict between the provisions of this Agreement and any additional supplementary instructions, the terms of this Agreement shall control and (iv) the Closing will be held and delivery of all items to be made at the Closing under this Agreement will be made at the Title Company's offices.

(b) Notwithstanding the foregoing, the Parties may elect by mutual agreement to consummate the purchase and sale without an escrow, in which event the Closing will occur as described in Section 5.7(b) [Closing Without Escrow] below.

### **5.3. Closing Date**

The Closing will occur one hundred and twenty days (120) days after the Effective Date or on such earlier date as City and Seller may mutually agree (“**Closing Date**”), subject to the provisions of Section 4 [Conditions to Closing] above. The Closing Date may not be extended without the prior written approval of both Parties, except as otherwise expressly provided in this Agreement. If the Closing does not occur on or before the Closing Date and the Parties have deposited documents or funds in escrow, Title Company will, unless it is notified by both Parties to the contrary within five (5) business days after the Closing Date, return such items to the depositor thereof. Any such return shall not, however, limit the provisions hereof or otherwise relieve either Party of any liability it may have for its wrongful failure to close.

### **5.4. Seller’s Delivery of Documents**

(a) At or before the Closing, Seller will deliver or cause to be delivered to City the following:

(i) a duly executed and acknowledged Deed;

(ii) such resolutions, authorizations, or other documents as Seller deems necessary or City may reasonably require to demonstrate the authority of Seller to enter into this Agreement and consummate the transactions contemplated by this Agreement, and such proof of the power and authority of the individuals executing any documents or other instruments on behalf of Seller to act for and bind Seller;

(iii) any documents needed in order to eliminate title exceptions other than Accepted Conditions of Title;

(iv) a closing statement in form and content satisfactory to City and Seller (which may be in the form of a letter or memorandum prepared by City, approved and countersigned by Seller, if the Parties elect to consummate the transaction without an escrow);

(v) a properly executed affidavit pursuant to Section 1445(b)(2) of the Federal Tax Code in the form attached as Exhibit D, and on which City is entitled to rely, that Seller is not a “foreign person” within the meaning of Section 1445(f)(3) of the Federal Tax Code; and

(vi) a properly executed California Franchise Tax Board Form 590 certifying that Seller is a California resident (if Seller is an individual) or that Seller has a permanent place of business in California or is qualified to do business in California, if Seller is a corporation, or other evidence satisfactory to City that Seller is exempt from the withholding requirements of Section 18662 of the California Revenue and Taxation Code. Seller acknowledges and agrees that if Seller fails at Closing to deliver to City such certificate, City may be required to withhold and remit to the appropriate tax authority a portion of the Purchase Price pursuant to Section 18662 of the California Revenue and Taxation Code. Any amount properly

so withheld and remitted will be deemed to have been paid by City as part of the Purchase Price, and Seller's obligation to consummate the transaction contemplated in this Agreement will not be excused or otherwise affected thereby.

(b) Seller will deliver such items to City through escrow, unless the Parties elect to close the transaction without an escrow in which event Seller will deliver the items directly to City for a Closing in accordance with Section 5.7(b) [Closing Without Escrow] below.

### **5.5. City's Delivery of Documents and Funds**

(a) At or before the Closing, City will deliver to Seller the following:

(i) a certificate of acceptance, executed by City's Director of Property or Acting Director of Property, to be attached to the Deed before recording;

(ii) a closing statement in form and content satisfactory to City and Seller (which may be in the form of a letter or memorandum from City to Seller if the Parties elect to consummate the transaction without an escrow);

(iii) funds sufficient to pay City's share of expenses under Section 6 [Expenses; Prorations] below; and

(iv) the Purchase Price, as provided in Section 2 [Purchase Price] above.

(b) City will deliver such documents and funds through escrow; however, if the Parties elect to consummate the transaction without an escrow, City will deliver the funds and documents as provided in Section 5.7(b) [Closing Without Escrow] below.

**(i) No Lawsuits.** There are no lawsuits or proceedings pending or, to the best of Seller’s knowledge, threatened against or affecting Seller, Seller’s Property, or its use that would affect Seller’s ability to consummate the sale contemplated by this Agreement or City’s use and enjoyment of the Easement after the Closing.

**(j) No Known Hazardous Materials.** To the best of Seller’s knowledge, there has been no release and there is no threatened release of any Hazardous Material in, on, under, or about Seller’s Property. As used herein, “**Hazardous Material**” will mean any material that, because of its quantity, concentration, or physical or chemical characteristics, is deemed by any federal, state, or local governmental authority to pose a present or potential hazard to human health or safety or to the environment. “**Release**” or “**threatened release**” when used with respect to Hazardous Material will include any actual or imminent spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into or inside any of the improvements, or in, on, under, or about the Easement Area. Seller’s indemnity includes costs incurred in connection with the investigation of site conditions and all activities required to locate, assess, evaluate, remediate, cleanup, remove, contain, treat, stabilize, monitor or otherwise control any Hazardous Material. The indemnification provisions of this Section shall survive beyond the Closing, or beyond any termination of this Agreement.

## **9. RISK OF LOSS**

If any portion of the Easement Area is damaged or destroyed before the Closing Date, then the rights and obligations of Seller and City under this Agreement will be as follows: At its election, City may terminate this Agreement in its entirety or terminate it only as to that portion of the Easement Area damaged or destroyed. City will have thirty (30) days after Seller notifies City that an event described in this Section 9 has occurred to make such election by delivery to Seller of an election notice. City's failure to deliver such notice within such thirty (30) -day period will be deemed City's election to terminate this Agreement in its entirety. If this Agreement is terminated in its entirety or in part pursuant to this Section 9, then City and Seller will each be released from all obligations under this Agreement pertaining to that portion of the Easement Area affected by such termination. If City elects not to terminate this Agreement in its entirety, Seller will give City a credit against the Purchase Price at the Closing in an amount proportionate to the percentage reduction, if any, of the square footage of the Easement Area, and this Agreement will remain in full force and effect.

## **10. MAINTENANCE**

Between the date of Seller's execution of this Agreement and the Closing, Seller will maintain Seller's Property in its current condition and will make, at Seller's expense, all repairs necessary to maintain Seller's Property in such condition. ### **12.5. Continuation and Survival of Representations and Warranties**

All representations and warranties by the respective Parties contained in, or made in writing pursuant to, this Agreement are intended to be, and will remain, true and correct as of the Closing, will be deemed to be material, and, together with all conditions, covenants, and indemnities made by the respective Parties contained in this Agreement or made in writing pursuant to this Agreement (except as otherwise expressly limited or expanded by the terms of this Agreement), will survive the execution and delivery of this Agreement and the Closing, or, to the extent the context requires, beyond any termination of this Agreement. All statements contained in any certificate or other instrument delivered at any time by or on behalf of Seller in conjunction with the transaction contemplated by this Agreement will constitute representations and warranties under this Agreement.

### **12.6. Governing Law**

This Agreement will be governed by California law and City's Charter. There will be no obligation for the payment of money by City under this Agreement unless City's Controller first certifies, pursuant to Section 3.105 of City's Charter, that there is a valid appropriation from which the expenditure may be made and that unencumbered funds are available from the appropriation to pay the expenditure.

Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum.

### **12.7. Merger of Prior Agreements; No Inducement**

The Parties intend that this Agreement (including all of the attached exhibits and schedules and any documents specifically described in this Agreement, which are hereby incorporated into this Agreement by reference) will be the final, complete, and exclusive expression of their agreement with respect to the subject matter of this Agreement and may not be contradicted by

evidence of any prior or contemporaneous oral or written agreements or understandings. The Parties further intend that this Agreement will constitute the complete and exclusive statement of its terms and that no extrinsic evidence whatsoever (including term sheets and prior drafts or changes to such drafts) may be introduced in any judicial, administrative, or other legal proceeding involving this Agreement. The Parties' making, execution, and delivery of this Agreement has been induced by no representations, statements, warranties, or agreements other than those expressed in this Agreement.

### **12.8. Parties and Their Agents; Approvals**

The term "Seller" as used in this Agreement will include the plural as well as the singular. If there is more than one (1) Seller, then the obligations under this Agreement imposed on Seller will be joint and several. As used herein, the term "Agents" when used with respect to either Party will include the agents, employees, officers, contractors, and representatives of such Party. Subject to applicable law, all approvals, consents, or other determinations permitted or required by City under this Agreement will be made by or through the General Manager of City's Public Utilities Commission or City's Director of Property or Acting Director of Property, unless otherwise provided in this Agreement.

### **12.9. Interpretation of Agreement**

The article, section, and other headings of this Agreement and the table of contents are for convenience of reference only and will not affect the meaning or interpretation of any provision contained in this Agreement. Whenever the context so requires, the use of the singular will be deemed to include the plural and vice versa, and each gender reference will be deemed to include the other and the neuter. This Agreement has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in his Agreement. In addition, each Party has been represented or had the opportunity to be represented by experienced and knowledgeable legal counsel. Accordingly, any rule of law (including California Civil Code Section 1654) or legal decision that would require interpretation of any ambiguities in this Agreement against the Party that has drafted it is not applicable and is waived. Use of the word "including" or similar words will not be construed to limit any general term, statement, or other matter in this Agreement, whether or not language of non-limitation, such as "without limitation" or similar words, are used. The provisions of this Agreement will be interpreted in a reasonable manner to affect the purposes of the Parties and this Agreement.

### **12.10. Attorneys' Fees**

In the event that either party hereto fails to perform any of its obligations under this Agreement or in the event a dispute arises concerning the meaning or interpretation of any provision of this Agreement, the defaulting party or the non-prevailing party in such dispute, as the case may be, shall pay the prevailing party reasonable attorneys' and experts' fees and costs, and all court costs and other costs of action incurred by the prevailing party in connection with the prosecution or defense of such action and enforcing or establishing its rights hereunder (whether or not such action is prosecuted to a judgment). For purposes of this Agreement, reasonable attorneys' fees of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with the equivalent number of years of experience in the subject matter area of the law for which the City Attorney's services were rendered who practice in the City of San Francisco in law firms with approximately the same number of attorneys as employed by the

Office of the City Attorney. The term "attorneys' fees" shall also include, without limitation, all such fees incurred with respect to appeals, mediations, arbitrations, and bankruptcy proceedings, and whether or not any action is brought with respect to the matter for which such fees were incurred. The term "costs" shall mean the costs and expenses of counsel to the parties, which may include printing, duplicating and other expenses, air freight charges, hiring of experts, and fees billed for law clerks, paralegals, and others not admitted to the bar but performing services under the supervision of an attorney.

#### **12.11. Seller Tax Obligations**

Seller acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code (“Delinquent Payment”). If, under that authority, any payment City is required to make to Seller under this Agreement is withheld because Seller owes the City a Delinquent Payment, then City will not be in breach or default under this Agreement, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Seller, without interest, late fees, penalties, or other charges, upon Seller coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

#### **12.12. Severability**

If any term or provision of this Agreement, or the application of any term or provision of this Agreement to any person or circumstances, will to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, will not be affected thereby, and each provision of this Agreement will be valid and will be enforceable to the extent permitted by law.

#### **12.13. Sunshine Ordinance**

Seller understands and agrees that under City’s Sunshine Ordinance (San Francisco Administrative Code, Chapter 67) and the State Public Records Law (Gov. Code Section 6250 et seq.), this Agreement and any and all records, information, and materials submitted to City under this Agreement are public records subject to public disclosure. Seller hereby acknowledges that City may disclose any records, information, and materials submitted to City in connection with this Agreement.

#### **12.14. Conflicts of Interest**

Through its execution of this Agreement, Seller acknowledges that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of City’s Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts that would constitute a violation of those provisions, and agrees that if Seller becomes aware of any such fact during the term of this Agreement, Seller will immediately notify City.

### **12.15. Notification of Limitations on Contributions**

Through its execution of this Agreement, Seller acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from any department of the City whenever such transaction would require the approval by a City elective officer, the board on which that City elective officer serves, or a board on which an appointee of that individual serves, from making any campaign contribution to (1) the City elective officer, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual or candidate, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date the contract is approved. Seller acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$100,000 or more. Seller further acknowledges that the (i) prohibition on contributions applies to each Seller; each member of Seller's board of directors, and Seller's chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten percent (10%) in Seller; any subcontractor listed in the contract; and any committee that is sponsored or controlled by Seller; and (ii) within thirty (30) days of the submission of a proposal for the contract, the City department with whom Seller is contracting is obligated to submit to the Ethics Commission the parties to the contract and any subcontractor. Additionally, Seller certifies that Seller has informed each of the persons described in the preceding sentence of the limitation on contributions imposed by Section 1.126 by the time it submitted a proposal for the contract, and has provided the names of the persons required to be informed to the City department with whom it is contracting.

### **12.16. Non-Liability of City Officials, Employees, and Agents**

Notwithstanding anything to the contrary in this Agreement, no elective or appointive board, commission, member, officer, employee, agent, or consultant of City will be personally liable to Seller, its successors and assigns, in the event of any default or breach by City or for any amount that may become due to Seller, its successors and assigns, or for any obligation of City under this Agreement.

### **12.17. Counterparts**

This Agreement may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

### **12.18. Effective Date**

As used in this Agreement, the term “**Effective Date**” will mean the date on which the execution and delivery of this Agreement by both Parties is concluded and the transactions contemplated by the Agreement will have been authorized (a) in a manner required by law governing Seller, (b) by a duly adopted resolution of the San Francisco Public Utilities Commission, and (c) if required by City's Charter, by a duly adopted resolution of City's Board of Supervisors and Mayor.

### **12.19. Cooperative Drafting**

This Agreement has been drafted through a cooperative effort of the Parties, and the Parties have had an opportunity to have the Agreement reviewed and revised by legal counsel. No party will be considered the drafter of this Agreement, and no presumption or rule that an ambiguity will be construed against the Party drafting the clause will apply to the interpretation or enforcement of this Agreement.

### **12.20. Intentionally Omitted**

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS AGREEMENT, SELLER ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS AGREEMENT UNLESS AND UNTIL APPROPRIATE LEGISLATION OF CITY'S PUBLIC UTILITIES COMMISSION (AND, IF REQUIRED BY CITY'S CHARTER, APPROPRIATE LEGISLATION OF CITY'S BOARD OF SUPERVISORS) WILL HAVE BEEN DULY ENACTED APPROVING THIS AGREEMENT AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY UNDER THIS AGREEMENT ARE CONTINGENT UPON THE DUE ENACTMENT OF SUCH LEGISLATION.

**EASEMENT DEED**

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the SAN MATEO COUNTY FLOOD AND SEA LEVEL RISE RESILIENCY DISTRICT (also known as ONESHORELINE), a California special flood control district (“**Grantor**”), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a California municipal corporation (“**Grantee**”), an easement for pipe footings and a water pipeline crossing the existing flood control channel aerially (the “**Easement**”) in, on, over, under, upon, along, and/or across certain portions of Grantor’s real property located in the City of South San Francisco, County of San Mateo, State of California, more particularly described on the attached **Exhibit A** and depicted on the attached **Exhibit B** (the “**Easement Area**”).

Grantor will retain such rights and privileges to use the Easement Area as are not inconsistent with this Easement, subject to the conditions, covenants, and restrictions in this Deed. Grantor will not do or allow anything in, on, under, or about the Easement Area that could damage or interfere with Grantee's Facilities (as defined in Section 1 [Nature of Easement]), except as provided by this Easement Deed.

**1. Nature of Easement.** The Easement is a perpetual, nonexclusive easement in gross for purposes of accessing, constructing, reconstructing, removing, replacing, enlarging, decreasing, maintaining, repairing, operating, inspecting, and using one pipeline with all necessary braces, footings, connections, valves, fastenings, foundation sites, and other appliances and fixtures (collectively, "**Grantee's Facilities**") in, under, above the surface of, and across the Easement Area. The Easement includes the right of ingress and egress to the Easement Area across adjacent lands of Grantor from Chestnut Avenue to the extent Grantor has rights to grant such rights, and to the extent necessary for the convenience of Grantee in the enjoyment of its rights under this Deed. Grantee's rights under this Deed may be exercised by Grantee's agents, utility operators, contractors, subcontractors, suppliers, consultants, employees, licensees, invitees, or representatives, or by other authorized persons acting for or on behalf of Grantee (collectively, "**Agents**").

**2. Subject to Superior and Prior and Existing Rights.** The rights granted by this Deed are expressly subordinate to Grantor's rights to use the existing creek channel ("**Channel**") for the purposes of flood protection, environmental and recreational enhancements, and for all other related purposes, including, without limitation, and at Grantor's sole and absolute discretion, the right to construct, reconstruct, install, operate, maintain, and repair the Channel. Grantee acknowledges and agrees that Grantor's use of the Channel is a public use within the meaning of California Civil Procedure Code section 1240.620, and that Grantor is entitled to continue the public use to which the property is appropriated to the extent that the continuance of such use will not unreasonably interfere with or impair any more necessary public use proposed by Grantee. Grantor also reserves the right to use the subsurface of Grantor's real property for the installation, operation, maintenance, repair, or replacement of utilities, including pipes, cables, or other infrastructure typically required for the above-stated purposes; provided, however, that such installation, operation, maintenance, repair, or replacement will not require Grantee to relocate, modify or remove Grantee's Facilities or unreasonably restrict or interfere with Grantee's rights to access, construct, reconstruct, remove, replace, maintain, repair, operate, inspect, and use Grantee's Facilities, except as provided by this Easement Deed. Grantor also reserves the right to plant and maintain trees or other vegetation. The rights granted by this Deed also are subject to any prior and existing recorded property rights of third parties, if any. Grantee will be solely liable for the interference with any prior and existing third-party rights. Grantor reserves the right to grant, at its sole and absolute discretion, nonexclusive rights to other third parties within the Easement Area, provided that any such grants will not require Grantee to relocate or remove Grantee's Facilities or unreasonably restrict or interfere with Grantee's rights to access, construct, reconstruct, remove, replace, maintain, repair, operate, inspect, and use Grantee's Facilities, except as provided by this Easement Deed.

**3. Notice and Approval of Grantor's Work in Easement Area.** If Grantor or any of its agents propose or permit excavation or the installation or placement of any improvements by or on behalf of Grantor in, under, across, or above the surface of the Easement Area, prior to any such excavation, installation or placement: **(i)** Grantor will provide, or cause to be provided,

to Grantee such plans and other pertinent documents related to such proposed excavation or improvements as are reasonably requested by Grantee, at the address for Grantee set forth in Section 10 [Notices] below, to provide Grantee an opportunity to review and comment on the proposed excavation or improvements; **(ii)** Grantor will either obtain Grantee's written approval of the plans and specifications for any such proposed excavation, installation or placement, which approval may be reasonably conditioned but will not be unreasonably withheld or delayed, or relocate Grantee's Facilities as set forth in Paragraph 4; and **(iii)** such excavation, installation or placement will be performed in a manner that does not endanger or damage any then-existing Grantee's Facilities within the Easement Area, except as provided by this Easement Deed.

**4. Relocation of Grantee's Facilities.** If Grantor proposes a project or makes a request on behalf of a third-party project in furtherance of Grantor's rights to use the channel for the purposes of flood protection, environmental and recreational enhancements, and related purposes that conflicts with the Easement Area, Grantor shall propose to Grantee an alternative easement on Grantor's property to relocate Grantee's Facilities, which is equivalent to the Easement ("**Alternative Easement**"). The Alternative Easement must contain all rights necessary for Grantee to complete the relocation including any rights on third-party property that may be required. The construction costs for the physical relocation shall be paid fully by Grantee for one relocation of Grantee's Facilities. For any additional physical relocations of Grantee's Facilities, the construction costs shall be paid fully by Grantor. Upon recording of a document memorializing the Alternative Easement in a form substantially similar to this Easement Deed, Grantee shall abandon all rights to the Easement Area provided by this Easement Deed pursuant to Paragraph 12.

**5. Special Restrictions near Pipe Footings.** Grantee's Facilities include two pipe footings to support the aerial crossing, one on each side of the Channel. The pipe footings are planned to extend approximately one and a half feet (1.5') above the ground surface and three feet below the surface. Grantor will not excavate, or allow any excavation, within three feet (3') of the center point of either pipe footing. No new improvements may be installed within three feet (3') of the center point of either pipe footing. This Section shall not apply to work performed in the Easement Area pursuant to a project described in Paragraph 4.

**6. Indemnification.** Grantee will indemnify, defend, and hold Grantor harmless from and against any direct injury, loss, damage, or liability, costs, or expenses (including reasonable attorneys' fees and court costs) resulting from Grantee's use of the Easement Area, except to the extent attributable to the negligent or intentional act or omission of Grantor or its Agents.

**7. Notification.** Grantor and Grantee, and their respective agents and contractors, will not perform, nor permit any person or entity to perform, any excavation work on or about the Easement Area without giving at least thirty (30) days' written notice to the other party in the manner required by Section 10 [Notices] of this Deed (except in emergencies, where each will give prompt written notice).

**8. No Dumping or Hazardous Materials.** Neither Grantor nor Grantee will cause or permit the dumping or other disposal on or about the Easement Area of refuse, hazardous materials, or other materials that are unsightly or could pose a danger to human health or safety or to the environment.

**9. Fences and Access Gate.**

(a) Pedestrian Access Gate. Grantee may install at its sole cost a pedestrian access gate west of the Channel to access Grantee's Facilities, subject to Grantor's reasonable approval of the design and location. Grantor, Grantee, and Grantee's Agents may each install their own lock on the gate.

(b) Pipe Penetration through Fence East of the Channel. Grantee's pipeline will be above ground on the east side of the Channel and will cross the existing fence. Grantee may install a new fence to provide for the pipe penetration at the point the pipeline crosses, subject to Grantor's reasonable approval of the design of the new fence. Additionally, Grantee may at the time of fence installation and at other times as needed remove vegetation that interferes with the pipe alignment near the fence and replace with similar vegetation to provide a similar level of screening, but such replacement of vegetation will only be required to the extent possible without damaging the pipeline.

(c) Grantee and/or its designee or utility operator will maintain any fences or gates that Grantee opts to install pursuant to this Section. Grantor acknowledges that portions of the fencing potentially affected by this Section lie within the Easement Area and portions lie outside of the Easement Area, and that installation and maintenance work will be conducted in those areas. Grantor will own the fencing and access gates installed pursuant to this Section and may modify, remove, or relocate the fencing and access gates, subject to Section 3 [Notice and Approval of Grantor's Work in the Easement Area], provided that Grantor provides a new fence or an alternate but equivalently effective security measure to prevent trespass on the Easement Area and vandalism to Grantee's pipeline where it crosses the Channel.

**10. Run with the Land.** The provisions, covenants, conditions, and restrictions provided in this Deed will be covenants running with the land pursuant to California Civil Code Sections 1468 and 1471 and will burden and benefit every person having an interest in the Easement Area. Any reference to Grantor in this Deed will include Grantor's agents and all successor owners of all or any part of the Easement Area.

**11. Notices.** Notices and other deliveries pursuant to this Deed may be delivered by private messenger service, mail, overnight courier, or delivery service. Any notice or document required or permitted to be delivered by either party will be in writing and will be deemed to be given on the date received by, or on the date receipt was refused by the party; provided, however, that all notices and documents: (a) mailed to a party in the United States Mail, postage prepaid, certified mail, return receipt requested, will be deemed to have been received five (5) postal days after mailing; or (b) delivered by a nationally recognized overnight courier or delivery service will be deemed received the next business day after deposit with a nationally recognized overnight courier or delivery service for overnight delivery. ## Wire Fraud Alert

This Notice is not intended to provide legal or professional advice. If you have any questions, please consult with a lawyer.

All parties to a real estate transaction are targets for wire fraud and many have lost hundreds of thousands of dollars because they simply relied on the wire instructions received via email, without further verification. **If funds are to be wired in conjunction with this real estate transaction, we strongly recommend verbal verification of wire instructions through a known, trusted phone number prior to sending funds.**

In addition, the following non-exclusive self-protection strategies are recommended to minimize exposure to possible wire fraud.

- **NEVER RELY** on emails purporting to change wire instructions. Parties to a transaction rarely change wire instructions in the course of a transaction.
- **ALWAYS VERIFY** wire instructions, specifically the ABA routing number and account number, by calling the party who sent the instructions to you. **DO NOT** use the phone number provided in the email containing the instructions, use phone numbers you have called before or can otherwise verify. **Obtain the phone number of relevant parties to the transaction as soon as an escrow account is opened.** **DO NOT** send an email to verify as the email address may be incorrect or the email may be intercepted by the fraudster.
- **USE COMPLEX EMAIL PASSWORDS** that employ a combination of mixed case, numbers, and symbols. Make your passwords greater than eight (8) characters. Also, change your password often and **DO NOT** reuse the same password for other online accounts.
- **USE MULTI-FACTOR AUTHENTICATION** for email accounts. Your email provider or IT staff may have specific instructions on how to implement this feature.

**EASEMENT DEED**

FOR VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the SAN MATEO COUNTY FLOOD AND SEA LEVEL RISE RESILIENCY DISTRICT (also known as ONE SHORELINE), a California special flood control district (“Grantor”), hereby grants to the CITY AND COUNTY OF SAN FRANCISCO, a California municipal corporation (“Grantee”), an easement for pipe footings and a water pipeline crossing the existing flood control channel aerially (the “Easement”) in, on, over, under, upon, along, and/or across certain portions of Grantor’s real property located in the City of South San Francisco, County of San Mateo, State of California, more particularly described on the attached **Exhibit A** and depicted on the attached **Exhibit B** (the “Easement Area”).

Grantor will retain such rights and privileges to use the Easement Area as are not inconsistent with this Easement, subject to the conditions, covenants, and restrictions in this Deed. Grantor will not do or allow anything in, on, under, or about the Easement Area that could damage or interfere with Grantee’s Facilities (as defined in Section 1 [Nature of Easement]), except as provided by this Easement Deed.

**1. Nature of Easement.** The Easement is a perpetual, nonexclusive easement in gross for purposes of accessing, constructing, reconstructing, removing, replacing, enlarging, decreasing, maintaining, repairing, operating, inspecting, and using one pipeline with all necessary braces, footings, connections, valves, fastenings, foundation sites, and other appliances and

fixtures (collectively, “**Grantee’s Facilities**”) in, under, above the surface of, and across the Easement Area. The Easement includes the right of ingress and egress to the Easement Area across adjacent lands of Grantor from Chestnut Avenue to the extent Grantor has rights to grant such rights, and to the extent necessary for the convenience of Grantee in the enjoyment of its rights under this Deed. Grantee’s rights under this Deed may be exercised by Grantee’s agents, utility operators, contractors, subcontractors, suppliers, consultants, employees, licensees, invitees, or representatives, or by other authorized persons acting for or on behalf of Grantee (collectively, “**Agents**”).

**2. Subject to Superior and Prior and Existing Rights.** The rights granted by this Deed are expressly subordinate to Grantor’s rights to use the existing creek channel (“**Channel**”) for the purposes of flood protection, environmental and recreational enhancements, and for all other related purposes, including, without limitation, and at Grantor’s sole and absolute discretion, the right to construct, reconstruct, install, operate, maintain, and repair the Channel. Grantee acknowledges and agrees that Grantor’s use of the Channel is a public use within the meaning of California Civil Procedure Code section 1240.620, and that Grantor is entitled to continue the public use to which the property is appropriated to the extent that the continuance of such use will not unreasonably interfere with or impair any more necessary public use proposed by Grantee. Grantor also reserves the right to use the subsurface of Grantor’s real property for the installation, operation, maintenance, repair, or replacement of utilities, including pipes, cables, or other infrastructure typically required for the above-stated purposes; provided, however, that such installation, operation, maintenance, repair, or replacement will not require Grantee to relocate, modify or remove Grantee’s Facilities or unreasonably restrict or interfere with Grantee’s rights to access, construct, reconstruct, remove, replace, maintain, repair, operate, inspect, and use Grantee’s Facilities, except as provided by this Easement Deed. Grantor also reserves the right to plant and maintain trees or other vegetation. The rights granted by this Deed also are subject to any prior and existing recorded property rights of third parties, if any. Grantee will be solely liable for the interference with any prior and existing third-party rights. Grantor reserves the right to grant, at its sole and absolute discretion, nonexclusive rights to other third parties within the Easement Area, provided that any such grants will not require Grantee to relocate or remove Grantee’s Facilities or unreasonably restrict or interfere with Grantee’s rights to access, construct, reconstruct, remove, replace, maintain, repair, operate, inspect, and use Grantee’s Facilities, except as provided by this Easement Deed.

**3. Notice and Approval of Grantor’s Work in Easement Area.** If Grantor or any of its agents propose or permit excavation or the installation or placement of any improvements by or on behalf of Grantor in, under, across, or above the surface of the Easement Area, prior to any such excavation, installation or placement: **(i)** Grantor will provide, or cause to be provided, to Grantee such plans and other pertinent documents related to such proposed excavation or improvements as are reasonably requested by Grantee, at the address for Grantee set forth in Section 10 [Notices] below, to provide Grantee an opportunity to review and comment on the proposed excavation or improvements; **(ii)** Grantor will either obtain Grantee’s written approval of the plans and specifications for any such proposed excavation, installation or placement, which approval may be reasonably conditioned but will not be unreasonably withheld or delayed, or relocate Grantee’s Facilities as set forth in Paragraph 4; and **(iii)** such excavation, installation or placement will be performed in a manner that does not endanger or damage any then-existing Grantee’s Facilities within the Easement Area, except as provided by this Easement Deed.

4. **Relocation of Grantee's Facilities.** If Grantor proposes a project or makes a request on behalf of a third-party project in furtherance of Grantor's rights to use the channel for the purposes of flood protection, environmental and recreational enhancements, and related purposes that conflicts with the Easement Area, Grantor shall propose to Grantee an alternative easement on Grantor's property to relocate Grantee's Facilities, which is equivalent to the Easement ("**Alternative Easement**"). The Alternative Easement must contain all rights necessary for Grantee to complete the relocation including any rights on third-party property that may be required. The construction costs for the physical relocation shall be paid fully by Grantee for one relocation of Grantee's Facilities. For any additional physical relocations of Grantee's Facilities, the construction costs shall be paid fully by Grantor. Upon recording of a document memorializing the Alternative Easement in a form substantially similar to this Easement Deed, Grantee shall abandon all rights to the Easement Area provided by this Easement Deed pursuant to Paragraph 12.

5. **Special Restrictions near Pipe Footings.** Grantee's Facilities include two pipe footings to support the aerial crossing, one on each side of the Channel. The pipe footings are planned to extend approximately one and a half feet (1.5') above the ground surface and three feet below the surface. Grantor will not excavate, or allow any excavation, within three feet (3') of the center point of either pipe footing. No new improvements may be installed within three feet (3') of the center point of either pipe footing. This Section shall not apply to work performed in the Easement Area pursuant to a project described in Paragraph 4.

6. **Indemnification.** Grantee will indemnify, defend, and hold Grantor harmless from and against any direct injury, loss, damage, or liability, costs, or expenses (including reasonable attorneys' fees and court costs) resulting from Grantee's use of the Easement Area, except to the extent attributable to the negligent or intentional act or omission of Grantor or its Agents.

7. **Notification.** Grantor and Grantee, and their respective agents and contractors, will not perform, nor permit any person or entity to perform, any excavation work on or about the Easement Area without giving at least thirty (30) days' written notice to the other party in the manner required by Section 10 [Notices] of this Deed (except in emergencies, where each will give prompt written notice).

8. **No Dumping or Hazardous Materials.** Neither Grantor nor Grantee will cause or permit the dumping or other disposal on or about the Easement Area of refuse, hazardous materials, or other materials that are unsightly or could pose a danger to human health or safety or to the environment.

9. **Fences and Access Gate.**

(a) **Pedestrian Access Gate.** Grantee may install at its sole cost a pedestrian access gate west of the Channel to access Grantee's Facilities, subject to Grantor's reasonable approval of the design and location. Grantor, Grantee, and Grantee's Agents may each install their own lock on the gate.

(b) **Pipe Penetration through Fence East of the Channel.** Grantee's pipeline will be above ground on the east side of the Channel and will cross the existing fence. Grantee may install a new fence to provide for the pipe penetration at the point the pipeline crosses, subject to Grantor's reasonable approval of the design of the new fence. Additionally, Grantee may at the

time of fence installation and at other times as needed remove vegetation that interferes with the pipe alignment near the fence and replace with similar vegetation to provide a similar level of screening, but such replacement of vegetation will only be required to the extent possible without damaging the pipeline.

(c) Grantee and/or its designee or utility operator will maintain any fences or gates that Grantee opts to install pursuant to this Section. Grantor acknowledges that portions of the fencing potentially affected by this Section lie within the Easement Area and portions lie outside of the Easement Area, and that installation and maintenance work will be conducted in those areas. Grantor will own the fencing and access gates installed pursuant to this Section and may modify, remove, or relocate the fencing and access gates, subject to Section 3 [Notice and Approval of Grantor's Work in the Easement Area], provided that Grantor provides a new fence or an alternate but equivalently effective security measure to prevent trespass on the Easement Area and vandalism to Grantee's pipeline where it crosses the Channel.

**10. Run with the Land.** The provisions, covenants, conditions, and restrictions provided in this Deed will be covenants running with the land pursuant to California Civil Code Sections 1468 and 1471 and will burden and benefit every person having an interest in the Easement Area. Any reference to Grantor in this Deed will include Grantor's agents and all successor owners of all or any part of the Easement Area.

**11. Notices.** Notices and other deliveries pursuant to this Deed may be delivered by private messenger service, mail, overnight courier, or delivery service. Any notice or document required or permitted to be delivered by either party will be in writing and will be deemed to be given on the date received by, or on the date receipt was refused by the party; provided, however, that all notices and documents: (a) mailed to a party in the United States Mail, postage prepaid, certified mail, return receipt requested, will be deemed to have been received five (5) postal days after mailing; or (b) delivered by a nationally recognized overnight courier or delivery service will be deemed received the next business day after deposit with a nationally recognized overnight courier or delivery service for overnight delivery. # PUBLIC UTILITIES COMMISSION

City and County of San Francisco

RESOLUTION NO. 14-0127

WHEREAS, San Francisco Public Utilities Commission (SFPUC) staff have developed a project description under the Water System Improvement Program (WSIP) for the improvements to the regional water supply system, otherwise known as Project No. CUW30103, Regional Groundwater Storage and Recovery; and

WHEREAS, The primary objective of the Project is to provide an additional dry-year regional water supply. Specific objectives of the Project are to:

- Conjunctively manage the South Westside Groundwater Basin through the coordinated use of SFPUC surface water and groundwater pumped by the Daly City, San Bruno, and California Water Service Company (“Participating Pumpers”);
- Provide supplemental SFPUC surface water to the Participating Pumpers in normal and wet years, resulting in a corresponding reduction of groundwater pumping, which then allows for in-lieu recharge of the South Westside Groundwater Basin;
- Increase the dry-year and emergency pumping capacity of the South Westside Groundwater Basin by up to an average annual volume of 7.2 mgd; and
- Provide a new dry-year groundwater supply for SFPUC customers and increase water supply reliability during the 8.5-year design drought cycle.

WHEREAS, On August 7, 2014, the Planning Commission reviewed and considered the Final Environmental Impact Report (FEIR) in Planning Department File No. 2008.1396E, consisting of the Draft Environmental Impact Report (EIR), the Comments and Responses document and found that the contents of said report and the procedures through which the FEIR was prepared, publicized and reviewed complied with the provisions of the California Environmental Quality Act (CEQA), the CEQA Guidelines and Chapter 31 of the San Francisco Administrative Code and found further that the FEIR reflects the independent judgment and analysis of the City and County of San Francisco, is adequate, accurate and objective, and that the Comments and Responses document contains no significant revisions to the Draft EIR, and certified the completion of said FEIR in compliance with CEQA and the CEQA Guidelines in its Motion Nos. 19209; 192010; 192011; and

WHEREAS, This Commission has reviewed and considered the information contained in the FEIR, all written and oral information provided by the Planning Department, the public, relevant public agencies, SFPUC and other experts and the administrative files for the Project and the EIR; and

WHEREAS, SFPUC staff prepared proposed findings, as required by CEQA, (CEQA Findings) in Attachment A to this Resolution and a proposed Mitigation, Monitoring and Reporting Program (MMRP) in Attachment B to this Resolution, which material was made available to the public and the Commission for the Commission's review, consideration and action; and

WHEREAS, The Project is a capital improvement project approved by this Commission as part of the WSIP; and

WHEREAS, A Final Programmatic EIR (PEIR) was prepared for the WSIP and certified by the Planning Commission on October 30, 2008 by Motion No. 17734; and

WHEREAS, Thereafter, the SFPUC approved the WSIP and adopted findings and a MMRP as required by CEQA on October 30, 2008 by Resolution No. 08-0200; and

WHEREAS, The FEIR prepared for the Project is tiered from the PEIR, as authorized by and in accordance with CEQA; and

WHEREAS, The PEIR has been made available for review by the SFPUC and the public, and is part of the record before this Commission; and

GENERAL PLAN REFERRAL NOTE TO FILE

June 7, 2024

CASE NO. 2008.1396R

SFPUC Regional Groundwater Storage and Recovery Project

On July 31, 2014, in Motion No. 19211 for case No. 2008.1396R, the San Francisco Planning Commission found the SFPUC Regional Groundwater Storage and Recovery Project (Project) to be consistent with the San Francisco General Plan and the priority policies of Planning Code Section 101.1.

The Project is a groundwater storage and recovery project located in northern San Mateo County. The Project would install 16 new groundwater wells along the SFPUC Regional Water System, at various locations throughout the San Francisco Peninsula in San Mateo County. The sites would have permanent wells installed and would require temporary construction easements and staging areas, temporary and permanent access roads, permanent pipeline easements and permanent utility easements. Following the Planning Commission's adoption of Motion No. 19211, the Project sponsor SFPUC has ascertained that the Project would require additional easements that had not been included in the original Project description.

This Note to the File clarifies that (1) the acquisition and/or granting of additional easements as part of the Project is also consistent with the General Plan and Planning Code Section 101.1 for the reasons set forth in Planning Commission Motion No. 19211; and (2) the Board of Supervisors can rely on the General Plan and Planning Code Section 101.1 Consistency Findings set forth in Planning Commission Motion No. 19211 for the sake of the actions that are now before them.

Sincerely,
