Section 1. Environmental and Land Use Findings.

(a) The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources

1 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
2 Supervisors in File No. \_\_\_\_ and is incorporated herein by reference. The Board affirms this  
3 determination.

4 (b) On \_\_\_\_\_, the Planning Commission, in Resolution No. \_\_\_\_\_,  
5 adopted findings that the actions contemplated in this ordinance are consistent, on balance,  
6 with the City's General Plan and eight priority policies of Planning Code Section 101.1. The  
7 Board adopts these findings as its own. A copy of said Resolution is on file with the Clerk of  
8 the Board of Supervisors in File No. \_\_\_\_\_, and is incorporated herein by reference.

9 (c) Pursuant to Planning Code Section 302, this Board finds that these Planning Code  
10 amendments will serve the public necessity, convenience, and welfare for the reasons set  
11 forth in Planning Commission Resolution No. \_\_\_\_\_, and the Board adopts such  
12 reasons as its own. A copy of said resolution is on file with the Clerk of the Board of  
13 Supervisors in File No. \_\_\_\_\_ and is incorporated herein by reference.

## 14 15 Section 2. General Legislative Findings.

16 (a) California faces a severe crisis of housing affordability and availability, prompting  
17 the Legislature to declare, in Section 65589.5 of the Government Code, that the State has “a  
18 housing supply and affordability crisis of historic proportions. The consequences of failing to  
19 effectively and aggressively confront this crisis are hurting millions of Californians, robbing  
20 future generations of a chance to call California home, stifling economic opportunities for  
21 workers and businesses, worsening poverty and homelessness, and undermining the state's  
22 environmental and climate objectives.”

23 (b) This crisis is particularly severe in San Francisco. It is characterized by dramatic  
24 increases in rent and home sale prices over recent years. According to the Planning  
25 Department's 2020 Housing Inventory, the cost of housing in San Francisco has increased

1 dramatically since the Great Recession of 2008-2009, with the median sale price for a two-  
2 bedroom house more than tripling from \$493,000 in 2011 to \$1,580,000 in 2021. This includes  
3 a 9% increase in housing costs from 2019 to 2020, even in the face of the COVID-19  
4 pandemic. The median rental price for a two-bedroom apartment saw similar although slightly  
5 smaller increases, nearly doubling from \$2,570 per month in 2011 to \$4,500 per month in  
6 2019, before declining in 2020 due to the pandemic.

7 (c) On January 31, 2023, the City adopted the 2022 Update of the Housing Element of  
8 the General Plan ("2022 Housing Element"), as required by State law. This Update commits  
9 the City to meeting its Regional Housing Needs Allocation ("RHNA") goals that in the 2023-  
10 2031 Housing Element cycle total 82,069 units over eight years, which is more than 2.5 times  
11 the goal of the previous cycle. Among other policies, the 2022 Housing Element also commits  
12 the City to remove governmental constraints on housing.

13 (d) In 2008, the City adopted the Market and Octavia Area Plan ("Plan"), which, among  
14 other things, established new height and zoning controls within the Plan area. The Plan  
15 substantially upzoned the area around Van Ness Avenue and Market Street to create a high-  
16 density, transit-oriented residential neighborhood and established the Van Ness and Market  
17 Special Use District, which imposed certain additional development impact fees on projects in  
18 this area to fund affordable housing and infrastructure improvements for parks, streets, and  
19 transit. These new fee requirements supplement the City's Inclusionary Affordable Housing  
20 Program and Transportation Sustainability Fee, which continue to apply citywide, including in  
21 the Market and Octavia Plan area.

22 (e) The economic impacts of the COVID-19 pandemic have presented significant  
23 challenges to the financial feasibility of new residential development projects, including supply  
24 chain disruptions, labor market constraints, historically high inflation, dramatically increased  
25 federal interest rates, and a weaker housing market. These factors have contributed to a

1 significant decrease in housing production. In 2024, 1,457 new units were constructed  
2 citywide, a substantial decrease from 4,716 units in 2020.

3 (f) In the Market and Octavia Area Plan, only two projects that were not subject to a  
4 Development Agreement that provided modified requirements to support financial feasibility  
5 have commenced construction since the onset of the COVID-19 pandemic in 2020: one 29-  
6 unit project that secured financing before the economic impacts of the pandemic became  
7 manifest, and one 333-unit project that began construction in 2023 but has since paused  
8 construction due to post-pandemic market conditions and increased development costs. As of  
9 May 14, 2024, 25 additional projects with a total of 2,213 units have been approved in the  
10 Area Plan, but have not commenced construction.

11 (g) In 2008, as part of the adoption of the Market and Octavia Area Plan (“Plan”), the  
12 Market and Octavia Community Advisory Committee (“CAC”) was established. The CAC is an  
13 advisory body to the City whose primary responsibility is to advise City agencies on the  
14 allocation of impact fee revenue to fund the community improvements identified in the Area  
15 Plan. The Market and Octavia CAC was established without a sunset clause, unlike the other  
16 area plan CACs which have a similar purview and were established with a sunset clause. For  
17 example, the Eastern Neighborhoods CAC, also established in 2008, had a sunset clause of  
18 2024, and the SoMa CAC established in 2019 has a sunset clause of 2035.

Van Ness & Market Residential Special Use District, described in Section 249.33 of this Code, that:

(1) Includes new construction, or an addition of space, in excess of 800 gross square feet of residential use; or

(2) Converts 800 gross square feet or more of existing structure(s) from non-residential to residential use.

\* \* \* \*

Section 4. Articles 2 and 3 of the Planning Code are hereby amended by revising Sections 249.33 and 341.5, to read as follows:

**SEC. 249.33. VAN NESS & MARKET RESIDENTIAL SPECIAL USE DISTRICT.**

\* \* \* \*

**(b) Use Controls.**

~~(1) Non-residential Uses. For newly constructed buildings or additions which exceed 20 percent or more of an existing structure's Gross Floor Area, at least three occupied square feet of Residential Use shall be provided for each occupied square foot of Non-Residential Use. In order to accommodate local government office uses near City Hall, publicly owned or leased buildings or lots are exempted from the requirements of this subsection. Replacement of existing office uses on the same parcel and other Public Facility and Art Activities, as defined in Section 102, are exempt from the requirements of this subsection (b)(1).~~

**(2) Residential Density.** There shall be no density limit for Residential Uses by lot area, but by the applicable requirements and limitations elsewhere in this Code, including but not limited to height, bulk, setbacks, open space, and exposure, as well as by the Market & Octavia Area Plan Fundamental Principles for Design, other applicable design

1 guidelines, applicable elements and area plans of the General Plan, and design review by the  
2 Planning Department. The limitations set forth in the Zoning Control Table for the district in  
3 which the lot is located shall not apply.

4 ~~(3) **Residential Affordable Housing Program.** All projects in this District shall be~~  
5 ~~subject to all the terms of Section 415 et seq. of the Inclusionary Affordable Housing Program.~~  
6 ~~Notwithstanding the foregoing, projects within the Van Ness & Market Residential Special Use District~~  
7 ~~shall at a minimum fulfill the requirements to the levels specified in this section. Should Section 415~~  
8 ~~require greater contributions to the affordable housing program, those requirements shall supersede~~  
9 ~~this section. Proposed exceptions to these requirements due to hardships associated with construction~~  
10 ~~type, specifically heights above 120 feet, are not applicable in this Special Use District because parcels~~  
11 ~~are receiving an up zoning through increased density and benefits through the general transformation~~  
12 ~~of the district to a transit oriented neighborhood with a mixed use character. Requirements and~~  
13 ~~administration of this program shall follow the conditions outlined in Section 415 et seq. of this Code~~  
14 ~~unless otherwise specified in this Section.~~

15 ~~(A) **Payment of Affordable Housing Fee.** Except as provided in Section~~  
16 ~~415.5(g) of this Code, all development projects subject to Section 415 et seq. in the Van Ness Market~~  
17 ~~Special Use District shall be required to pay an Affordable Housing Fee under Section 415.5~~  
18 ~~equivalent to 20 percent of the number of units in the principal project.~~

19 ~~(B) **Alternatives to Payment of Affordable Housing Fee.** If a project sponsor~~  
20 ~~both qualifies for and chooses to meet the requirements through an Alternative to the Program, the~~  
21 ~~project sponsor may choose one of the Alternatives in Section 415.5(g).~~

22 ~~(i) **On Site Housing Requirements and Benefits.** For projects that~~  
23 ~~qualify for and choose to fulfill the requirements of Section 415 through the provision of onsite housing,~~  
24 ~~the Planning Department shall require that 12 percent of all units constructed on the project site shall~~  
25 ~~be affordable to qualifying households so that a project applicant must construct 12 times the total~~

1 ~~number of units produced in the principal project. If the total number of units is not a whole number,~~  
2 ~~the project applicant shall round up to the nearest whole number for any portion of .5 or above.~~

3 ~~(ii) **Compliance Through Off-Site Housing Development.** For projects~~  
4 ~~that qualify for and choose to fulfill the requirements of Section 415 through the provision of off-site~~  
5 ~~housing, the Planning Department shall require that 20 percent of all units constructed on the project~~  
6 ~~site shall be affordable to qualifying households so that a project applicant must construct .20 times the~~  
7 ~~total number of units produced in the principal project. If the total number of units is not a whole~~  
8 ~~number, the project applicant shall round up to the nearest whole number for any portion of .5 or~~  
9 ~~above.~~

10 **(42) Open Space Provider.** The off-site open space permitted by this Section  
11 249.33 may be provided individually by the project sponsor or jointly by the project sponsor  
12 and other project sponsors, provided that each square foot of jointly developed open space  
13 may count toward only one sponsor's requirement. With the approval of the Planning  
14 Commission, a public or private agency may develop and maintain the open space, provided  
15 that (A) the project sponsor or sponsors pay for the cost of development of the number of  
16 square feet the project sponsor is required to provide, (B) provision satisfactory to the  
17 Commission is made for the continued maintenance of the open space for the actual lifetime  
18 of the building giving rise to the open space requirement, and (C) the Commission finds that  
19 there is reasonable assurance that the open space to be developed by such agency will be  
20 developed and open for use by the time the building, the open space requirement of which is  
21 being met by the payment, is ready for occupancy.

22 \* \* \* \*

23 **(53) Lot Coverage.** The rear yard requirements of Section 134 of this Code  
24 shall not apply. Lot coverage is limited to 80% ~~percent~~ at all levels containing a dwelling unit or  
25 group housing bedroom. The unbuilt portion of the lot shall be open to the sky except for ~~those~~

1 obstructions permitted in yards per Section 136(c) of this Code. Exceptions to the 20% ~~percent~~  
2 open area may be granted pursuant to the procedures of Section 309 of this Code.

3 (64) **Floor Area Ratio.** ~~(A) For non-residential uses, The maximum Floor Area~~  
4 ~~Ratio (“FAR”) allowed, except as allowed in this Section 249.33, shall be that described in~~  
5 ~~Section 123(c) of this Code, provided that it shall not be greater than 9:1. For residential uses,~~  
6 ~~there shall be no limits on FAR.~~ The definition of Gross Floor Area shall be that in Section 102 of  
7 this Code as of the date of approval of this Section 249.33, ~~and shall include all Residential uses.~~  
8 The provisions of Section 124(g) of this Code shall not apply in this special use district.

9 ~~(B) Floor Area Bonus Permitted for Public Improvements or In-lieu~~  
10 ~~Contributions to the Van Ness and Market Neighborhood Infrastructure Fund and In-lieu~~  
11 ~~Contributions to the Citywide Affordable Housing Fund.~~

12 ~~(i) The Gross Floor Area of a structure or structures on a lot may~~  
13 ~~exceed the maximum ratio described in Section 123(e) of this Code through participation in the Van~~  
14 ~~Ness and Market Affordable Housing and Neighborhood Infrastructure Program, according to the~~  
15 ~~procedures described in Section 424.~~

16 ~~(ii) Notwithstanding the provisions of Sections 127 and 128 of this Code~~  
17 ~~projects in this Special Use District are not eligible to acquire Transferable Development Rights from a~~  
18 ~~Transfer Lot or Lots pursuant to the provisions of Sections 127 and 128 for that increment of FAR~~  
19 ~~above the base FAR limit in Section 124 up to the maximum FAR described in Section 123(e). Instead,~~  
20 ~~a project may pay to the City's Citywide Affordable Housing Fund thirty dollars (\$30) per additional~~  
21 ~~gross square foot for that increment of FAR above the base FAR limit in Section 124 up to the~~  
22 ~~maximum FAR described in Section 123(e). Any monies deposited into the Citywide Affordable~~  
23 ~~Housing Fund shall be administered as provided for in Section 415 et seq.~~

24 ~~(7) Retail Use Size. Retail Uses shall be principally permitted up to 5,999 gross square~~  
25 ~~feet and conditionally permitted if 6,000 gross square feet and above.~~

1                   ~~(8) **Formula Retail.** Formula Retail Uses, as defined in Section 102, shall require a~~  
2                   ~~Conditional Use Authorization as set forth in Section 303.1.~~

3                   (95) **Micro-Retail.** “Micro-Retail” shall mean a Retail Use, other than a Formula  
4                   Retail Use, measuring no less than 100 gross square feet, no greater than 1,000 gross square  
5                   feet and a 10 foot minimum depth from the front façade.

6                   \* \* \* \*

7                   (106) **Accessory Parking.** For projects that provide 25% or more on-site  
8                   affordable housing units as defined in Section 415, accessory non-residential parking may be  
9                   used jointly as accessory residential parking for residential uses within the same project, so  
10                  long as the following criteria ~~is~~ are met:

11                  \* \* \* \*

12                  (117) **Cannabis-Related Land Uses.** All cannabis-related uses, which includes  
13                  Cannabis Retail (Retail Sales and Service Category), Medical Cannabis Dispensary, Industrial  
14                  Agriculture, Agriculture and Beverage Processing 2, Light Manufacturing, Laboratory,  
15                  Wholesale, or Parcel Delivery Service, as defined in Section 102 shall follow the land use  
16                  controls of the NCT-3 Moderate-Scale Neighborhood Commercial Transit District, Section 752  
17                  of this Code.

18                  (128) **Living Roofs and Living Walls.**

19                  \* \* \* \*

20                  (139) **Option for In-Kind Provision of Transportation Sustainability Fee.**

21                  Notwithstanding the requirements of Planning Code ~~s~~Section 411A et seq., ~~D~~development  
22                  projects in this District may propose to provide transportation improvements to the City  
23                  directly. In such a case, the City, at its sole discretion, may enter into an In-Kind  
24                  Improvements Agreement with the sponsor of such project and issue a fee waiver for the  
25                  Transportation Sustainability Fee (“TSF”) from the Municipal Transportation Agency Board of

1 Directors (the “MTA” and the “MTA Board,” respectively), subject to the following rules and  
2 requirements:

3 \* \* \* \*

4 ~~(14) **Option for Provision of Affordable Housing Fees.** Development projects in this~~  
5 ~~District may pay the affordable housing fees required under sections 416 and 424 by choosing any of~~  
6 ~~the alternatives set forth in Section 415.5(g), upon approval by the Planning Director and the Director~~  
7 ~~of the Mayor’s Office of Housing and Community Development of the methodology to calculate the~~  
8 ~~equivalency of the fees required under sections 416 and 424 to the alternatives set forth in Section~~  
9 ~~415.5(g). The Planning Department, in consultation with the Mayor’s Office of Housing and~~  
10 ~~Community Development, is authorized to prepare rules or regulations to establish this methodology;~~  
11 ~~and to bring those rules or regulations to the Planning Commission for inclusion in the Procedures~~  
12 ~~Manual, as set forth in Section 415. Nothing in this subsection shall be interpreted to change any~~  
13 ~~obligations established by contract with the City.~~

14 ~~(15) **Option for Income Levels of Affordable Units.** Notwithstanding the provisions of~~  
15 ~~Section 415.6(h), a project may use California Debt Limit Allocation Committee (CDLAC) tax-exempt~~  
16 ~~bond financing and 4% tax credits under the Tax Credit Allocation Committee (TCAC) to help fund its~~  
17 ~~obligations under Section 415.1 et seq. as long as the project provides 20% of the units as affordable to~~

~~(1610)~~ **Option for Dedication of Land.**

(A) Development projects in this District may opt to fulfill the Inclusionary Housing requirement of Section 415 through the Land Dedication alternative ~~contained~~ in Section 419.6. The Land Dedication alternative is available for development projects within the District under the same terms and conditions as provided for in Section 419.5(a)(2), except that in lieu of the Land Dedication Alternative requirements of Table 419.5, projects may satisfy the requirements of Section 415.5 by dedicating land for affordable housing if the dedicated land could accommodate a total amount of units that is equal to or greater than 35% of the units that are being provided on the principal development project site, as determined by the Planning Department. Any dedicated land shall be at least partly located within one mile of the boundaries of either the Market and Octavia Plan Area or the Upper Market NCT District.

(B) Notwithstanding the requirements of Section 419.5(a)(2)(H), development projects dedicating land shall obtain the required letter from the Mayor's Office of Housing and Community Development verifying acceptance of the dedicated land no later than 180 days following Planning Commission or Planning Department approval of the development project. The Director of the Mayor's Office of Housing and Community Development may waive application of Section 419.5(a)(2)(G).

~~(C) Development projects that elect to dedicate land pursuant to this subsection (b)(16) may be eligible for a waiver against all or a portion of their affordable housing fees under~~

~~Sections 416 and 424 if the Planning Director determines that the land acquisition costs for the dedicated land exceed the development project's obligations under the fee option of Section 415. The Planning Director, in consultation with the Director of the Mayor's Office of Housing and Community Development and the Director of Property, shall calculate the waiver amount based on actual commercially reasonable costs to acquire the dedicated land. If the Director of the Mayor's Office of Housing and Community Development requests that the land dedication occur before the First Construction Document for the development project, the waiver amount shall be increased by the reasonable value of the City's early use of the dedicated land.~~

(~~7~~11) **Required Minimum Dwelling Unit Mix.** Development projects in this District shall comply with Section 207.6.

(~~8~~12) **Active Uses.** For purposes of this ~~s~~Section 249.33, Arts Activities and Institutional Community Uses are considered to be "active uses," as defined in Section 145.4 of this Code.

(~~9~~13) Projects with on-site affordable housing units provided pursuant to a Purchase and Sale Agreement with the City ~~and County of San Francisco~~ that are in excess of the amount required by Planning Code Section 415 may deviate from the building floor distribution requirements of Section 415.6(f)(1) by up to 15%.

## **LEGISLATIVE DIGEST**

[Planning Code - Waiving Certain Development Impact Fees in the Market and Octavia Area Plan]

**Ordinance amending the Planning Code to waive certain development impact fees in the Market and Octavia Area Plan (the Market and Octavia Area Plan and Upper Market Neighborhood Commercial District Affordable Housing Fee, the Market and Octavia Community Improvements Fund, the Van Ness & Market Affordable Housing and Neighborhood Infrastructure Fee, and the Van Ness & Market Community Facilities Fee), to amend the Van Ness & Market Residential Special Use District, to provide that the Market and Octavia Community Advisory Committee shall sunset six months after the effective date of this Ordinance, and to make conforming amendments to some of the definitions in Planning Code, Section 401; affirming the Planning Department's determination under the California Environmental Quality Act; making public necessity, convenience, and welfare findings under Planning Code, Section 302; and making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1.**

### **Existing Law**

Article 4 of the Planning Code contains development impact fees that the City assesses as part of the development process. Some of those fees apply Citywide, while others apply to specific areas of the City. Four of these area-specific fees apply in the Market and Octavia Area Plan: the Market and Octavia Area Plan and Upper Market Neighborhood Commercial District Affordable Housing Fee, the Market and Octavia Community Improvements Fund, the Van Ness & Market Affordable Housing and Neighborhood Infrastructure Fee, and the Van Ness & Market Community Facilities Fee.

### **Amendments to Current Law**

This Ordinance waives the Market and Octavia Area Plan and Upper Market Neighborhood Commercial District Affordable Housing Fee, the Market and Octavia Community Improvements Fund, the Van Ness & Market Affordable Housing and Neighborhood Infrastructure Fee, and the Van Ness & Market Community Facilities Fee, under the following circumstances:

- Development projects located within the Market and Octavia Area Plan that have not received Final Approval, as that term is defined in Section 401 of this Code, as of January 1, 2026 shall not be subject to any of these fees;

- Development projects located within the Market and Octavia Area Plan that have received Final Approval prior to January 1, 2026, and have not been issued a First Construction Document as of that date shall be entitled to a waiver of these fees.
- Development projects located within the Market and Octavia Area Plan that have received Final Approval prior to January 1, 2026, and that have been issued a First Construction Document as of that date shall be entitled to a waiver of any portion of these fees that has been deferred and not yet paid pursuant to Building Code Section 107A.13.3.

As used in this Ordinance, “Final Approval” means “1) approval of a project’s first Development Application, unless such approval is appealed; or 2) if a project only requires a building permit, issuance of the first site or building permit, unless such permit is appealed; or 3) if the first Development Application or first site or building permit is appealed, then the final decision upholding the Development Application, or first site or building permit, on the appeal by the relevant City Board or Commission.”

“First construction document” is in turn defined in Section 107A.13.1 of the San Francisco Building Code as “the first building permit issued for a development project or, in the case of a site permit, the first building permit addendum issued or other document that authorizes construction of the development project. Construction document shall not include permits or addenda for demolition, grading, shoring, pile driving, or site preparation work.”

The Ordinance also amends Sections 249.33 of the Planning Code, which establishes the Van Ness & Market Residential Special Use District, and some of the definitions in Section 401 of the Planning Code, to make conforming changes. In addition, it also provides that the Market and Octavia Community Advisory Committee (CAC) shall automatically terminate six months after the Ordinance becomes effective, unless the Board of Supervisors extends it, and authorizes the City Attorney to remove the section that established the CAC from the Planning Code.

### Background Information

The Ordinance contains ample findings setting forth its intent – primarily, to improve the financial feasibility of development projects in the Plan Area, in order to facilitate housing development, address the housing crisis, and meet the City’s obligations under the Housing Element.
