RE: Resolution authorizing the San Francisco Department of Public Health (SFDPH) to apply for the Ryan White HIV/AIDS Program Part A HIV Emergency Relief Grant Program.

Dear Ms. Cavillo:

Attached please find an original and four copies of a proposed resolution for the approval of the Board of Supervisors, which authorizes the San Francisco Department of Public Health (SFDPH) to submit an application for the Ryan White Act HIV/AIDS Emergency Relief Grant Program (Ryan White Programs, Part A) to the Health Resources Services Administration (HRSA). This application is required to receive continued funding for the period of March 1, 2023 to February 29, 2024. This application represents approximately \$15,962,602 in funding for the San Francisco Eligible Metropolitan Area (EMA). The San Francisco EMA includes the City and County of San Francisco, Marin County and San Mateo County. The funding supports a multitude of health services to HIV positive persons residing in these three counties.

This resolution is required by Ordinance No. 265-05, which amends Section 10-170 of the Administrative Code to require Board of Supervisors review of recurring grant applications of \$5,000,000 or more prior to their submission. SFDPH received from HRSA the application guidance on August 26, 2022. The application deadline is October 3, 2022.

I hope that the Board will support this resolution. If you have any questions regarding the County Plan or this resolution, please contact Beth Neary, HIV Health Services Assistant Director at 628-206-7675.

Sincerely,
