21 RESOLVED, That the Board of Supervisors hereby finds that the Project (and
22 associated actions necessary to effectuate the Project) is consistent with the General Plan,
23 and with the eight priority policies of Planning Code, Section 101.1, for the same reasons as
24 set forth in the General Plan Referral, and hereby incorporates such findings by reference as
25 though fully set forth in this Resolution; and, be it

1 FURTHER RESOLVED, That the Board of Supervisors hereby finds, in consideration
2 of the foregoing, that the Property is “exempt surplus land,” as defined in California
3 Government Code, Section 54221(f)(1), because the Project will restrict 100% of the
4 residential units to low-income persons and families, pursuant to California Government Code,
5 Section 54221(f)(1)(F)(i); and

6 FURTHER RESOLVED, That the Board of Supervisors hereby finds, in consideration
7 of the foregoing, the lower rent under the Ground Lease will serve a public purpose by
8 providing affordable housing for very low and low-income households in need; and

9 FURTHER RESOLVED, That in accordance with the recommendation of the Director
10 of MOHCD and the Director of Property, the Board of Supervisors approves the Ground
11 Lease in substantially the form presented to the Board, and authorizes the Director of
12 Property (or the Director’s designee, as used throughout) and Director of MOHCD (or the

15 (including such agreements to provide adequate or additional security or indemnities as
16 required by lenders to consummate the financing of the Project or lease of the Property) that
17 are necessary or advisable, in consultation with the City Attorney, to complete the transaction
18 contemplated by the Ground Lease and to effectuate the purpose and intent of this
19 Resolution, and determines that the less than Market Rent payable under the Ground Lease
20 will serve a public purpose by providing affordable housing for low-income households in
21 need; and, be it

22 FURTHER RESOLVED, That the Board of Supervisors hereby approves the Loan
23 Agreement and the transaction contemplated thereby in substantially the form presented to
24 the Board, and authorizes the Mayor and the Director of MOHCD, to execute and deliver the

4 Property and/or Director of MOHCD, in consultation with the City Attorney, to enter into any
5 additions, amendments, or other modifications to the Ground Lease and the Loan Agreement,
6 and any other documents or instruments necessary in connection therewith (including, without
7 limitation, any notice of special restrictions required by the Planning Department and
8 preparation and attachment or, or changes to, any of all of the exhibits and ancillary
9 agreements), that the Director of Property and/or Director of MOHCD determine are in the
10 best interests of the City, do not materially decrease the benefits to the City with respect to the
11 Property, do not materially increase the obligations or liabilities of the City, and are necessary
12 or advisable to complete the transaction contemplated in the Ground Lease and the Loan
13 Agreement, and that effectuate the purpose and intent of this Resolution, such determination
14 to be conclusively evidenced by the execution and delivery by the Director of Property and/or
15 the Director of MOHCD of any such additions, amendments, or other modifications; and, be it

16 FURTHER RESOLVED, That the Board of Supervisors hereby authorizes and
17 delegates to the Director of MOHCD and/or the Director of Property, the authority to

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would: approve a ground lease with 730 Stanyan Associates, L.P. for a term of 75 years, with a 24-year option to extend and an annual base rent of \$15,000 in order to construct affordable housing; and approve a not-to-exceed \$69,528,927 amended and restated loan agreement for a term of 57 years.

Key Points

- The 730 Stanyan Street Project (Project) will be an eight-story building with 160 residential units built in the Haight-Ashbury neighborhood across from Golden Gate Park. The City purchased the parcel from the McDonald’s Corporation in 2018 for \$15.9 million for the development of affordable housing.
- Of the 159 affordable units (excluding one manager’s unit), 32 units will be permanent supportive housing units, and an additional 32 units will be supported by Project Based Section 8 vouchers. The project also includes 9,135 square feet of commercial space on the ground floor, including an early childhood day care center, a neighborhood-serving community space, a food hall, and a micro-retail space. However, the plan for tenants is not complete.

Fiscal Impact

- Sources of funds for the proposed loan of up to \$69,528,926 include \$8,583,241 in No Place Like Home Funds, as well as 2019 General Obligation Bonds, Van Ness-Market Housing Funds, ERAF funds, and Inclusionary Housing Funds.
- Total development costs are \$169.2 million or \$1,057,200 per unit. The City’s total subsidy for the housing development costs is \$85.4 million (including acquisition costs), or \$533,931 per unit. The loss of \$28.79 million from State resources was wholly absorbed by the MOHCD gap loan in order to deliver affordable housing.

Policy Consideration

- The Chinatown Community Development Center (CCDC) and Tenderloin Neighborhood Development Corporation (TNDC) were selected to develop the Project as a joint venture after apparently receiving a tying score following a competitive selection process. However, in our review of the developer selection memo, we observed that the tabulation of scores was incorrect and that CCDC actually scored two points higher than TNDC. Given the documentation available for our review, it is unclear whether CCDC and TNDC actually achieved tying scores that allowed them to share in the developer fees for this project.

Recommendation

- Request the underlying scoring sheets for the 730 Stanyan developer solicitation.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

Administrative Code Section 23.30 states that the Board of Supervisors shall approve all leases on behalf of the City as landlord by resolution for which the term is longer than a year and costs over \$15,000 per month. Leases of City property that require Board of Supervisors approval may be less than market rate if the Board of Supervisors finds that doing so would serve a public purpose.

BACKGROUND

730 Stanyan Project

The 730 Stanyan Street Project (Project) will be an eight-story building with 160 residential units built in the Haight-Ashbury neighborhood across from Golden Gate Park. The City purchased the parcel from the McDonald’s Corporation in 2018 for \$15.9 million for the development of affordable housing (File 17-1319).¹

The 160 units include 35 studios, 43 one-bedroom units (including one manager’s unit), 42 two-bedroom units, and 40 three-bedroom units. Of the 159 affordable units, 32 units will be permanent supportive housing units (including 12 units for families experiencing homelessness and 20 units for transitional age youth experiencing homelessness) supported by the Local Operating Subsidy Program (LOSP), and 19 of the 32 supportive housing units will be funded by the No Place Like Home Program.² An additional 32 units will be supported by Project Based Vouchers.

The project also includes 9,135 square feet of commercial space on the ground floor, including an early childhood day care center, a neighborhood-serving community space, a food hall, and a micro-retail space. However, the plan for tenants is not complete.

¹ This site was previously the source of neighborhood complaints and litigation by the City Attorney’s Office regarding the property as a nuisance. MOHCD conducted preliminary analysis to determine if this site could be developed into an affordable multifamily housing development with community and resident serving uses on the ground floor. As a result, in July 2017 MOHCD staff, working with the Real Estate Division, approached the McDonald’s Corporation about selling this property to the City to be used for affordable housing.

² The California Department of Housing and Community Development (HCD) No Place Like Home Program provides up to \$2 billion in State bond proceeds to develop permanent supportive housing for persons who need mental health services and are experiencing homelessness, chronic homelessness, or who are at risk of chronic homelessness. Bonds are repaid by funding from the Mental Health Services Act. MOHCD administers funding for the City and County of San Francisco.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would:

- 1) approve a ground lease with 730 Stanyan Associates, L.P. for a term of 75 years, with a 24-year option to extend and an annual base rent of \$15,000 in order to construct affordable housing;
- 2) approve a not-to-exceed \$69,528,927 amended and restated loan agreement for a term of 57 years between the City and 730 Stanyan Associates, L.P.;
- 3) find that the loan and ground lease are consistent with the City's General Plan and policy priorities in the Planning Code;
- 4) find that the property is exempt from the California Surplus Lands Act because it is being developed as affordable housing;
- 5) determine that the below market rate rent of the ground lease serves a public purpose by providing affordable housing for low-income households in need;
- 6) authorize the Director of Property to execute the Ground Lease and the Director of MOHCD to execute the Loan Agreement; and
- 7) authorize the Director of Property and the Director of MOHCD to execute the Ground Lease and the loan agreement and amend the agreements, provided amendments do not increase the obligations or liabilities to the City.

Ground Lease & Affordability Restrictions

The proposed ground lease is for a term of 75 years with an option to extend for an additional 24 years and restricts the lessee to operating the housing development as affordable housing only. The ground lease includes a base rent of \$15,000 per year, plus residual rent up to 10 percent of the site's appraised value, which will be paid by residual receipts – that is, up to two-thirds of net income after operating costs, ground lease base rent, and replenishing operating reserves, consistent with MOHCD's Residual Receipts policy.

Affordability restrictions to preserve the affordability of the housing units in the proposed development are included in the loan agreement between the City and the affordable housing operator and a declaration of restrictions. These agreements specify the affordability levels for each unit (ranging from 30 percent to 80 percent Area Median Income) and require the non-profit housing operator to maintain these for the duration of the agreements unless agreed to by the City. Of the 159 affordable units, 32 units will be set aside for tenants referred to the Project by the San Francisco Housing Authority (SFHA) and subsidized by Project Based Section 8 vouchers and an additional 32 units will be reserved for people experiencing homelessness, including 19 units funded by the No Place Like Home Program. The remaining 95 affordable units will be entered into the San Francisco DAHLIA lottery.

Loan Agreement

The original loan agreement provided by MOHCD in 2020 was for \$4.5 million for predevelopment costs. MOHCD proposes to amend the loan agreement to increase the loan amount by \$65.0 million to complete development and construction, including permanent financing. Under the proposed amended loan agreement, the total not to exceed loan amount to 730 Stanyan Associates, L.P. would be \$69,528,926, which includes a No Place Like Home funding of \$8,583,241 and City funding of \$60,945,685.

730 Stanyan Associates, L.P. must repay the loan by the later of: (a) the 57th anniversary date of the deed of trust or (b) the 55th anniversary of the date on which construction financing is converted into permanent financing. Simple interest will accrue to the loan principal balance at a rate of one percent per year, except no interest will be charged on the No Place Like Home loan.

Bridge Loan

Under the proposed loan agreement, \$1 million of the funding provided by the City is a bridge loan, pending receipt of expected loan funds from the Federal Home Loan Bank Affordable Housing Loan Program (AHP). The sponsors will apply for an AHP loan in March 2024 according to MOHCD.

Sponsor Performance

According to the MOHCD loan evaluation memo, CCDC and TNDC have no outstanding performance issues, and the organizations are not currently subject to Citywide fiscal monitoring.

FISCAL IMPACT**Total Development Costs**

The total development cost for the 160 units of housing is \$169.2 million (including previously funded land acquisition costs), as shown in Exhibit 1 below. Of the approximate \$169.2 million, \$86.4 million (51%) are City funds (including \$936,654 in accrued deferred interest), and \$82.8 million (49%) are private funds.

Funding Sources for City Loan and Acquisition

Sources of funds for the proposed loan of up to \$69,528,926 include:

- \$39,000,000 in 2019 General Obligation Bond funds;
- \$14,000,000 in Van Ness-Market Affordable Housing Fees, paid by developers of market rate housing for projects located in the Van Ness and Market Residential Special Use District;
- \$8,583,241 in No Place Like Home Funds;
- \$3,445,685 in Housing Trust Fund funds;
- \$3,500,000 in excess Educational Revenue Augmentation Fund (ERAF) funds; and
- \$1,000,000 in Affordable Housing Fund Inclusionary Fees, paid by developers of market rate housing.

As mentioned above, the City previously purchased the site for \$15.9 million using a Community Development Block Grant administered by the Department of Housing and Urban Development.

The City’s Subsidy per Housing Unit

Total development costs are \$169.2 million or \$1,057,200 per unit. The City’s total subsidy for the housing development costs is \$85.4 million (including acquisition costs and the proposed MOHCD loan), or \$533,931 per unit, as shown in Exhibit 2 below. Excluding the No Place Like Home Loan, the City subsidy is \$76.8 million or \$480,286 per unit. Total City funding shown below also includes \$3.9 million in funding for development of the commercial space (discussed below).

Comparison to Similar Projects

According to the April 2023 MOHCD loan evaluation memo for the proposed gap loan, the City subsidy per unit for the 730 Stanyan Project (\$533,931) is more than twice the average for comparable projects (\$252,156). This is due to higher-than-average acquisition and construction costs, as well as no State funding awards for the Project. According to MOHCD, the Project Sponsor applied for an HCD Infill Infrastructure Grant (\$5.0 million) and a Multi-Family Housing Program loan (\$23,790,157) in March 2022 and was not awarded funding due to the competitiveness of the funding round. The loss of \$28.79 million from State resources was wholly absorbed by the MOHCD gap loan.

Construction costs per unit for the 730 Stanyan Project (\$785,404) are 21 percent higher than comparable projects due to: (a) higher inflation, escalation, and supply-chain increases compared to prior projects; (b) unique building design elements (including three street frontages and curved exterior walls); and (c) warm shell improvements for community-serving commercial spaces. In addition, the budget includes \$550,000 in off-site improvements to transition the site from using Pacific Gas and Electric for permanent electrical power to the San Francisco Public Utilities Commission.

Construction costs estimates have also increased for the Project relative to prior estimates because the Project was redesigned from a six-story building with 120 residential units to an eight-story building with 160 residential units to maximize housing units allowable under site zoning after a year of predevelopment.

Operating Revenues and Expenses

According to the 20-year cash flow analysis for the 730 Stanyan Project, the Project will have sufficient revenues to cover operating expenses, operating reserves, first mortgage loan

payments, and management fees. Project revenues consist of tenant rents, LOSP tenant assistance payments, and Section 8 Project Based Vouchers. Supportive services for the 32 LOSP subsidized supportive housing units will be funded by a separate grant from the Department of Homelessness and Supportive Housing, and supportive services for all other units will be funded through the property’s operating budget. A portion of net income after operating expenses (residual receipts) will be used to repay the MOHCD loan. The Project is not expected to generate sufficient net revenues to make residual rent payments under the proposed Ground Lease.

Commercial Space

The proposed loan will fund construction of warm and cold shell³ for 9,135 square feet of community-serving commercial space for a total cost of \$3.9 million. The loan does not include tenant improvement costs for the commercial space. The commercial space will be divided as follows:

- 3,685 square feet for the Felton Institute Early Childhood Education Center (\$1.3 million in project costs);
- 2,324 square feet of retail space, currently planned for a mini food hall (\$0.8 million in project costs);
- 3,126 square feet of micro-retail space (\$1.1 million in project costs); and
- 1,852 square feet for a neighborhood serving community center (\$0.7 million in project costs).

According to the pro-forma provided by MOHCD, the mini food hall is expected to contribute revenue to the residential operating budget, but the other commercial spaces are not expected to contribute revenue. According to Section 7.8 of the proposed loan, leases of commercial space may be for for-profit, at market rate, or community serving purposes, at below market rate. Surplus cash generated from market-rate leases will accrue to MOHCD per the Residual Receipts policy and be used for the public benefit.

Early Childhood Education Center

The Felton Institute will operate the early childhood education center. Felton Institute was one of four respondents to the November 2021 RFP. MOHCD will provide funding for cold and warm shell costs for the education center, and tenant improvements will be paid for by the Felton Institute.

Two Retail Spaces

The Sponsor released a Request for Proposals (RFP) in February 2023 to identify a Master Tenant to operate the proposed mini food hall. The Sponsor will work with MOHCD to consider issuing a

³ A cold shell is a building without heating and plumbing. A warm shell is a building that contains those elements. Cold and warm shell improvements are subject to MOHCD’s Commercial Underwriting Guidelines.

separate RFP for the micro-retail space, which may require funding from other City agencies for tenant improvements and operations.

Community Center

The Project initially planned to include a senior center, but the space has been reprogrammed to a neighborhood-serving community center because there were no responses to the 2021 RFP and no responses to the RFP that was re-issued in November 2022. According to the MOHCD loan evaluation memo, MOHCD and the Sponsor will continue to evaluate programming of this space.

Potential Future Sale of Commercial Space

According to the MOHCD loan evaluation memo, the Sponsor may consider selling the commercial space in the future due to its size and uncertainty about leasing outcomes, subject to approval by MOHCD. The sale of the commercial space would require subdividing the property. Changes to the property map, as well as any new ground lease and loan agreement, would be subject to approval by the Board of Supervisors. If the commercial space is sold, the sale amount would be used to pay down the MOHCD loan in the future.

POLICY CONSIDERATION

Developer Selection & Predevelopment Funding

On September 10, 2019, the Mayor's Office of Housing and Community Development (MOHCD) issued a Request for Qualifications (RFQ) to develop the 730 Stanyan project. On November 26, 2019, the selection panel⁴ recommended the Chinatown Community Development Center (CCDC) individually, as the highest scoring respondent out of three respondents. However, MOHCD issued a supplemental questionnaire to respondents on December 16, 2019 to incorporate racial equity criteria,⁵ after the selection panel scored the proposals, and requested responses eight days later, on December 24, 2019. According to MOHCD, the supplemental question was added after initial scoring due to a recently concluded racial equity analysis the Department undertook.

Although the selection panel initially recommended that the funding be awarded to one respondent with the highest score (CCDC), according to developer selection memo from the MOHCD project manager at the time, the additional points from the supplemental questionnaire resulted in two respondents, CCDC and the Tenderloin Neighborhood Development Corporation

⁴ The selection panel included the following: the Director of Housing Development at MOHCD, an Asset Manager at MOHCD, a Senior Project Manager at MOHCD, a Housing Construction Representative at MOHCD, a Development Specialist from the Office of Community Investment and Infrastructure (OCII), a Project Manager from the Office of Economic and Workforce Development, and a community member.

⁵ The supplemental RFQ question requested information on (a) capacity and experience in implementing MOCHD housing preferences and (b) outreach strategies to engage communities that have traditionally lacked access to affordable housing opportunities in San Francisco. This criteria has since been incorporated in subsequent solicitations.

(TNDC), receiving a tying score, and MOHCD awarded funding to both respondents as a joint-venture partnership even though they submitted independent proposals. According to MOHCD, the developers did not protest the joint award.

However, in our review of the developer selection memo, we observed that the tabulation of scores was incorrect and that CCDC actually scored two points higher than TNDC. Given the documentation available for our review, it is unclear whether CCDC and TNDC actually achieved tying scores that allowed them to share in the developer fees for this project.

We therefore recommend that the Board of Supervisors request the underlying scoring sheets to determine the actual panel scores for the solicitation used to select developers for this project.

RECOMMENDATION

Request the underlying scoring sheets for the 730 Stanyan developer solicitation.

2.02 Option for Extension. City hereby acknowledges that as of the Agreement Date, the Tenant has satisfied this requirement.

ARTICLE 4 RENT

4.01 Annual Rent

4.01(a) Tenant will pay to the City up to [One Million Five Hundred Ten Thousand and 00\100 Dollars] (\$[1,510,000]) (the “**Annual Rent**”) per year for each year of the Term of this Ground Lease. Annual Rent consists of Base Rent and Residual Rent, as defined in Section 4.02 below, without offset of any kind (except as otherwise permitted by this Ground Lease) and without necessity of demand, notice or invoice. Annual Rent will be re-determined on the fifteenth (15th) anniversary of the date of the first payment of Base Rent pursuant to Section 4.02(a) below and every fifteen (15) years thereafter, and will be equal to ten percent (10%) of the appraised fair market value of the Land as determined by an MAI appraiser selected by and at the sole cost of the Tenant. Any such adjustment will be made to the Residual Rent and not to the Base Rent.

4.01(b) If the Tenant elects to extend the term of this Ground Lease pursuant to ARTICLE 2 above, Annual Rent (along with any potential future adjustments) during any such extended term will be set by mutual agreement of the parties; provided, however, that Annual Rent during the extended term will in no event be less than the Annual Rent set forth in Section 4.01(a) above. If the parties cannot agree on Annual Rent for the extended term, either party may invoke a neutral third-party process and the parties will agree on a neutral third-party appraiser to set the Annual Rent at fair market rent in accordance with the then-prevailing practice for resolving similar rent determination disputes in San Francisco or, in the event that there is no then-prevailing practice, in accordance with the rules of the American Arbitration Association. Notwithstanding the foregoing, after the neutral third-party process, Tenant, in its sole discretion, may rescind the Extension Notice prior to the Initial Termination Date if it does not wish to extend the Term of this Ground Lease.

4.02 Base Rent

4.02(a) “**Base Rent**” means, in any given Lease Year, Fifteen Thousand Dollars (\$15,000) per annum; provided, however, that if the Tenant or any Subsequent Owner fails, after notice and opportunity to cure, to comply with the provisions of Section 9.01, then Base Rent will be increased to the full amount of Annual Rent. Base Rent will be due and payable in arrears on January 31st of each Lease Year; provided that the first Base Rent payment will not be due until January 31st of the calendar year following the First Lease Payment Year. Additionally, if a Subsequent Owner elects under Section 26.06(b) to operate the Project without being subject to Section 9.01, then Annual Rent will be adjusted as provided in Section 26.07.

4.02(b) If the Project does not have sufficient Project Income to pay Base Rent in any given Lease Year after the payment of (a) through (d) in the definition of Project Expenses, above, and the City has received written notice from Tenant regarding its inability to pay Base Rent from Project Income at least sixty (60) days before the Base Rent due date, along with supporting documentation for Tenant’s position that it is unable to pay Base Rent from Project Income, then the unpaid amount will be deferred and all deferred amounts will accrue without interest until paid, (“**Base Rent Accrual**”). The Base Rent Accrual will be due and payable each year from and to the extent Residual Receipts is available. Any Base Rent Accrual will be due and payable on the earlier of (i) sale of the Project and Leasehold Estate (but not a refinancing or foreclosure of the Project and Leasehold Estate); or (ii) termination of this Ground Lease (unless a new lease is entered into with a mortgagee under Section 26.09 below).

4.02(c) If Tenant has not provided City with the required written notice and documentation under Section 4.02(b) in connection with its claim that it cannot pay Base Rent due to insufficient Project Income, and/or the City has reasonably determined that Tenant's claim that it is unable to pay Base Rent is not supported by such documentation, the City will assess a late payment penalty of two percent (2%) for each month or any part thereof that any Base Rent payment is delinquent. This penalty will not apply to Base Rent Accrual that has been previously approved by the City under Section 4.02(b). The Tenant may request in writing that the City waive such penalties by describing the reasons for Tenant's failure to pay Base Rent and Tenant's proposed actions to ensure that Base Rent will be paid in the future. The City may, in its sole discretion, waive in writing all or a portion of such penalties if it finds that Tenant's failure to pay Base Rent was beyond Tenant's control and that Tenant is diligently pursuing reasonable solutions to such failure to pay.

4.03 Residual Rent. "**Residual Rent**" means, in any given Lease Year, [One Million Four Hundred Ninety Five Thousand and 00\100 dollars (\$[1,495,000.00]), subject to any periodic adjustments under Section 4.01(a). Residual Rent will be due in arrears on June 30th following each Lease Year. Except as otherwise provided in Section 26.07(a), Residual Rent will be payable only to the extent of Residual Receipts as provided in Section 6.02(g) below and after full repayment of the MOHCD Loan, and any unpaid Residual Rent will not accrue. In the event that in any year Residual Receipts is insufficient to pay the full amount of the Residual Rent, Tenant will certify to the City in writing by June 30 that available Residual Receipts is insufficient to pay Residual Rent and Tenant will provide to City any supporting documentation reasonably requested by the City to allow City to verify the insufficiency.

4.04 Triple Net Lease. This Ground Lease is a triple net lease and the Tenant will be responsible to pay all costs, charges, taxes, impositions, and other obligations related to the Premises accruing after the Effective Date. If the City pays any such amounts, whether to cure a default or otherwise protect its interests hereunder, the City will be entitled to be reimbursed by Tenant the full amount of such payments as additional rent within thirty (30) days of written demand by the City. Failure to timely pay the additional rent will be a default by Tenant of this Ground Lease. No occurrence or situation arising during the Term, or any Law, whether foreseen or unforeseen, and however extraordinary, relieves Tenant from its liability to pay all of the sums required by any of the provisions of this Ground Lease, or otherwise relieves Tenant from any of its obligations under this Ground Lease, or gives Tenant any right to terminate this Ground Lease in whole or in part.

4.05 Tenant's Compliance with City Business and Tax and Regulations Code. Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment City is required to make to Tenant under this Ground Lease is withheld, then City will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this paragraph to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

ARTICLE 5 CITY COVENANTS

The City is duly created, validly existing and in good standing under the Law, and has full right, power and authority to enter into and perform its obligations under this Ground Lease. The City covenants and warrants that, during the Term, Tenant and its Residential Occupants and Non-residential Occupants will have, hold and enjoy peaceful, quiet, and undisputed possession of the Land, leased without hindrance or molestation by or from anyone so long as the Tenant is not in default under this Ground Lease. For the avoidance of doubt, Landlord will not mortgage its fee estate unless there is an express subordination of the fee mortgage to Tenant's Leasehold Estate, provided that such obligation in no way relates to the City's taxing authority or ability to pledge its full faith and credit related to any general obligation bond. If Landlord mortgages its interest in the fee estate during the term of any Lender's loan, Tenant may not subordinate the Ground Lease to the lien of that mortgage.

ARTICLE 6 TENANT COVENANTS

Tenant covenants and agrees for itself and its successors and assigns that:

6.01 Authority. Tenant is a duly formed California limited partnership under California law and has the full rights, power, and authority to enter into and perform its obligations under this Ground Lease.

Tenant acknowledges that a prohibition on the change in use contained in Section 9.01 is expressly authorized by California Civil Code section 1997.230 and is fully enforceable.

6.02(b) Non-Discrimination. Tenant will not discriminate against or segregate any person or group of persons on account of race, color, creed, religion, ancestry, national origin, sex, gender identity, marital or domestic partner status, sexual orientation, or disability (including HIV or AIDS status) in the sale, lease, rental, sublease, transfer, use, occupancy, tenure, or enjoyment of the Premises, or any part thereof, and Tenant or any person claiming under or through it will not establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy, of Residential Occupants, Non-residential Occupants, subtenants or vendees on the Premises, or any part thereof, except to the extent permitted by Law or required by funding source. Tenant will not discriminate against Residential Occupants with certificates or vouchers under the Section 8 program or any successor rent subsidy program.

6.02(c) Non-Discriminatory Advertising. All advertising (including signs) for sublease of the whole or any part of the Premises must include the legend "Equal Housing Opportunity" in type or lettering of easily legible size and design, or as required by applicable Law.

6.02(e) Equal Opportunity Marketing and Selection Plan. No later than twelve (12) months before completion of the Project, Tenant will deliver to MOHCD for MOHCD's review and approval an affirmative plan for initial and ongoing marketing of the Residential Units and a written Residential Occupant selection procedure for initial and ongoing renting of the Residential Units based on MOHCD's then-current form of marketing and tenant selection plan (the "**Marketing and Tenant Selection Plan**"), all in compliance with the restrictions set forth in Section 9.01 and in form and substance acceptable to the City. Any Marketing and Tenant Selection Plan must follow the City's marketing requirements for such plans and comply with all federal and state fair housing laws.

6.02(f) Lead Based Paint. Tenant will comply with the regulations set forth in 24 CFR Part 35 and all applicable rules and orders issued thereunder which prohibit the use of lead-based paint in certain residential structures undergoing federally assisted construction and require the elimination of lead-based paint hazards.

6.02(g) Permitted Uses of Residual Receipts. All annual Project Income, before the calculation of Residual Receipts, will be used to pay Project Expenses, including but not limited to Base Rent, and Partnership Fees. If the Tenant is in compliance with MOHCD's Residual Receipts Policy, as amended from time to time, and all applicable requirements and agreements under this Ground Lease, Tenant will then use any Residual Receipts to make the following payments in the following order of priority:

- i. First to Base Rent Accrual payments, if any;
- ii. Second, to replenish the operating reserve account and replacement reserve, if necessary, up to the amount required by Lenders or the Permitted Limited Partner;
- iii. Third, two-thirds (2/3) of remaining Residual Receipts to the City; provided, however, if the construction of the Project includes a deferred developer fee and Tenant is in compliance with the MOHCD Loan Agreement and MOHCD's policies, then fifty percent (50%) of remaining Residual Receipts to the City beginning on the initial Payment Date (as such term is defined in the MOHCD Loan Agreement) until and including the earlier of the year (i) of the fifteenth (15th) Payment Date, or (ii) in which all deferred developer fees have been paid to Developer. The City's portion of Residual Receipts will be applied first to repayment of the MOHCD Loan according to the terms of the MOHCD Loan Agreement, then to annual Residual Rent, .
- iv. Then, any remaining Residual Receipts may be used by Tenant for any purposes permitted under the First Amended and Restated Agreement of Limited Partnership of Tenant, as it may be amended from time to time.

Notwithstanding the foregoing, Tenant and the City agree that the distribution of Residual Receipts may be modified based on the requirements of other Lenders as reflected in the Loan Documents.

6.03 City Deemed Beneficiary of Covenants. In amplification, and not in restriction, of the provisions of the preceding subsections, it is intended and agreed that the City will be deemed beneficiary of the agreements and covenants provided in this ARTICLE 6 for in its own right and also for the purposes of protecting the interests of the community and other parties, public or private, in whose favor or for whose benefit such agreements and covenants have been provided. Those agreements and covenants will run in favor of the City for the entire term of those agreements and covenants, without regard to whether the City has at any time been, remains, or is an owner of any land or interest therein, or in favor of, to which such agreements and covenants relate. The City will have the exclusive right, in the event of any breach of any such agreements or covenants, in each case, after notice and the expiration of cure periods, to exercise all the rights and remedies and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach of covenants, to which it or any other beneficiaries of such agreements or covenants may be entitled.

ARTICLE 7 ANNUAL INCOME COMPUTATION, AND CERTIFICATION

Upon written request by the City, Tenant will furnish to the City a list of the persons who are Residential Occupants, the specific unit that each person occupies, the household income of the Residential Occupants of each unit, the household size and the rent being charged to the Residential Occupants of each unit along with an income certification, in the form set forth in Attachment 5, for each Residential Occupant. In addition, each Residential Occupant must be required to provide any other information, documents, or certifications deemed necessary by the City to substantiate the Residential Occupant's income. If any state or federal agency requires an income certification for Residential Occupants containing the above-referenced information, the City will accept such certification in lieu of Attachment 5 as meeting the requirements of this Ground Lease. In addition to such initial and annual list and certification, Tenant will provide the same information and certification to the City regarding each Residential Occupant by no later than twenty (20) business days after such Residential Occupant commences occupancy.

ARTICLE 8 CONDITION OF LAND—“AS IS”

8.01 Tenant acknowledges and agrees that Tenant is familiar with the Land, the Land is being leased and accepted in its “as-is” condition, without any changes or alterations by the City, without representation or warranty of any kind, and subject to all applicable Laws governing their use, development, occupancy, and possession. Tenant further represents and warrants that Tenant has investigated and inspected, independently or through agents of Tenant's choosing, the condition of the Land and the suitability of the Land for Tenant's intended use. Tenant acknowledges and agrees that neither the City nor any of its agents have made, and the City hereby disclaims, any representations or warranties, express or implied, concerning the rentable area of the Land, the physical or environmental condition of the Land, or the present or future suitability of the Land for Tenant's use, or any other matter whatsoever relating to the Land, including, without limitation, any implied warranties of merchantability or fitness for a

particular purpose; it being expressly understood that the Land is being leased in an “AS IS” condition with respect to all matters.

8.02 Accessibility Disclosure. California Civil Code Section 1938 requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“CASp”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is advised that the Land has not been inspected by a CASp.

8.03 Presence of Hazardous Substances. California law requires landlords to disclose to tenants the presence of certain Hazardous Substances. Tenant is advised that the Land may contain low concentrations of petro hydrocarbons, heavy metals, and tetrachloroethene (PCE).

ARTICLE 9 PERMITTED AND PROHIBITED USES

9.01 Permitted Uses and Occupancy Restrictions. The permitted uses of the Project (in each instance, a “**Permitted Use**” and collectively, “**Permitted Uses**”) are limited to the construction and operation of 159 units of affordable housing for low- and very-low income persons and 1 manager’s unit, including 32 LOSP units reserved for families and transitional age youth (TAY) experiencing homelessness of which 19 units will be targeted to residents who qualify under the Homeless Housing under No Place Like Home (NPLH) Criteria, and 32 units as referrals from the Housing Authority of the City and County of San Francisco (SFHA), and 9,135 square feet of ancillary community serving or public benefit commercial space (the “Commercial Unit”)

9.01(a) Residential Permitted Use. Upon the completion of construction of the Project, one hundred percent (100%) of the Residential Units, with the exception of the manager’s unit, in the Project will be occupied by or available for rental by Residential Occupants certified as Qualified Households, as set forth in MOHCD’s Declaration of Restrictions and any amendments thereto mutually agreed upon by the parties. In addition, 32 of the Residential Units will be set aside for formerly homeless households under LOSP, for so long as the LOSP subsidy is provided to the Project, and another 32 of the Residential Units will be set aside for referrals from SFHA, so long as the HAP Contract is in effect. Residential Units must be occupied and rented in accordance with all applicable restrictions imposed on the Project by this Ground Lease and by Lenders for so long as such restrictions are required by the applicable Lender. If the LOSP and/or HAP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the income and rent restrictions above may be altered as set forth in the MOHCD Declaration of Restrictions, but only to the extent necessary for the Project to remain financially feasible.

9.01(b) No Place Like Home Restrictions. The Project will also comply with the NPLH Funds Restrictions on nineteen (19) Residential Units whereby occupancy will be restricted to households with at least one member who has a serious mental illness and who is homeless, chronically homeless, or at-risk of chronic homelessness, as incorporated into the MOHCD Declaration of Restrictions and the MOHCD Loan Agreement, for 55 years.

9.01(c) Commercial Permitted Use. Commercial Units may be used for Public Benefit Purposes, Community-Serving Purposes, or, with the prior written approval of the City, which may not be unreasonably withheld, for Commercial Use. All subleases of each Commercial Unit must be approved in advance by MOHCD, which approval will not be unreasonably withheld.

9.02 Prohibited Uses. The following activities, by way of example only and without limitation, and any other use that is not a Permitted Use (in each instance, a “**Prohibited Use**” and collectively, “**Prohibited Uses**”), are inconsistent with this Ground Lease, are strictly prohibited and are considered Prohibited Uses:

9.02(a) any activity, or the maintaining of any object, that is not within the Permitted Use;

9.02(b) any activity, or the maintaining of any object, that will in any way increase the existing rate of, affect or cause a cancellation of, any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

9.02(c) any activity or object that will overload or cause damage to the Premises;

9.02(d) any activity that constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises, or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus that can be heard or seen outside the Premises;

9.02(e) any activity that will in any way injure, obstruct, or interfere with the rights of owners or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

9.02(f) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of the City, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of the City;

9.02(g) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;

9.02(h) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes, except as necessary for construction of the Improvements;

9.02(i) the storage of any and all aggregate material, or bulk storage, such as wood or of other loose materials, except as necessary for construction or repair of the Improvements; or

9.02(j) the washing of any vehicles or equipment, except as necessary during construction of the Improvements; and

9.02(k) bars, retail liquor sales, marijuana sales, or any other uses the cater exclusively to adults.

ARTICLE 10 CONSTRUCTION OF IMPROVEMENTS

10.01 Schedule of Performance. Tenant will undertake and complete all physical construction of the Improvements, as approved by MOHCD, in accordance with the Schedule of Performance attached hereto as Attachment 2.

10.02 Reserved.

10.03 General Requirements and Rights of the City. All construction documents, including but not limited to preliminary and final plans and specifications for the construction of the Improvements by Tenant (collectively the “**Construction Documents**”) will be prepared by a person registered in and by the State of California to practice architecture and will be in conformity with this Ground Lease, including any limitations established in MOHCD’s reasonable approval of the schematic drawings, if any, preliminary construction documents, and final construction documents for the Premises, and all applicable Laws. The architect will use, as necessary, members of associated design professions, including engineers and landscape architects.

10.04 MOHCD Approvals and Limitation Thereof. The Construction Documents will be approved by MOHCD, on behalf of the City as Landlord under this Ground Lease, in the manner set forth below:

10.04(a) Compliance with Ground Lease. MOHCD’s approval with respect to the Construction Documents is limited to determination of their compliance with this Ground Lease. The Construction Documents will be subject to general architectural review and guidance by MOHCD as part of this review and approval process, which, per Section 10.06, has been completed.

10.04(b) MOHCD Does Not Approve Compliance with Construction Requirements. MOHCD’s approval is not directed to engineering or structural matters or compliance with local building codes and regulations, the Americans with Disabilities Act, or any other applicable Law relating to construction standards or requirements. Tenant further understands and agrees that the City, through MOHCD, is entering into this Ground Lease in its capacity as a property owner with a proprietary interest in the Land and not as a regulatory agency with police powers. Nothing in this Ground Lease will limit in any way Tenant’s obligation to obtain any required regulatory approvals from the City’s officials, departments, boards, or commissions having jurisdiction over the Premises. By entering into this Ground Lease, the City is in no way modifying or limiting Tenant’s obligation to cause the Premises to be used and occupied in accordance with all applicable Laws.

10.05 Construction to be in Compliance with Construction Documents and Law.

10.05(a) Compliance with MOHCD Approved Documents. The construction of the Improvements will be in compliance with the MOHCD-approved Construction Documents.

10.05(b) Compliance with Local, State and Federal Laws. The construction of the Improvements must be in strict compliance with all applicable Laws. Tenant understands and agrees that Tenant's use of the Premises and the construction of the Improvements permitted under this Ground Lease will require authorizations, approvals, or permits from governmental regulatory agencies with jurisdiction over the Premises, including, without limitation, the City's agencies. Tenant will be solely responsible for obtaining any and all such regulatory approvals. Tenant may not seek any regulatory approval without first obtaining the written consent of MOHCD under this Ground Lease. Tenant will bear all costs associated with applying for and obtaining any necessary or appropriate regulatory approval and will be solely responsible for satisfying any and all conditions imposed by regulatory agencies as part of a regulatory approval; provided, however, any such condition that could affect use or occupancy of the Premises or the City's interest therein must first be approved by MOHCD in its sole discretion. Any fines or penalties levied as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval will be immediately paid and discharged by Tenant, and the City will have no liability, monetary or otherwise, for any such fines or penalties. Tenant will indemnify, defend, and hold harmless the City and the other Indemnified Parties hereunder against all Claims (as such terms are defined in ARTICLE 21 below) arising in connection with Tenant's failure to obtain, or failure by Tenant, its agents, or invitees to comply with, the terms and conditions of any regulatory approval, except to the extent such Claims are caused by the City's or an Indemnified Party's (acting in its or their proprietary capacity as or related to City as landlord under this lease) gross negligence or willful misconduct.

10.06 Approval of Construction Documents by the City. Tenant will submit and MOHCD will approve or disapprove the Construction Documents referred to in this Ground Lease within the times established in the Schedule of Performance attached hereto as Attachment 2, so long as each set of the applicable Construction Documents are complete and properly submitted within the time frames set forth in the Schedule of Performance attached hereto as Attachment 2. Failure by MOHCD either to approve or disapprove within the times established in the Schedule of Performance attached hereto as Attachment 2 will entitle Tenant to a day-for-day extension of time for completion of any activities delayed as a direct result of MOHCD's failure to timely approve or disapprove the Construction Documents. Notwithstanding anything to the contrary contained in this ARTICLE 10, the City hereby acknowledges that, as Landlord under this Ground Lease, as of the Agreement Date, MOHCD has approved the Construction Documents for the Project for purposes of this Ground Lease.

10.07 Disapproval of Construction Documents by MOHCD. If MOHCD disapproves the Construction Documents in whole or in part as not being in compliance with this Ground Lease, Tenant will submit new or corrected Construction Documents which are in compliance within thirty (30) days after written notification to it of disapproval, and the provision of this section relating to approval, disapproval and re-submission of corrected Construction Documents will continue to apply until the Construction Documents have been approved by the City; provided, however, that in any event Tenant must submit satisfactory Construction Documents (*i.e.*, approved by MOHCD) no later than the date specified therefor in the Schedule of Performance attached hereto as Attachment 2.

10.08 Issuance of Building Permits. Tenant will have the sole responsibility for obtaining all necessary building permits and will make application for such permits directly to

the City's Department of Building Inspection. The City understands and agrees that Tenant may use the Fast Track method of permit approval for construction of the Improvements.

10.09 Performance and Payment Bonds. Before commencement of construction of the Improvements, Tenant will deliver to the City performance and payment bonds, each for the full value of the cost of construction of the Improvements, which bonds will name the City as co-obligee, or such other completion security which is acceptable to the City. The payment and performance bonds may be obtained by Tenant's general contractor and name Tenant and the City and County of San Francisco as co-obligees.

10.10 City Approval of Changes after Commencement of Construction. Tenant will not approve or permit any change to the Construction Documents approved by the City without the City's prior written consent. Tenant will provide adequate and complete backup documentation for analysis of the appropriateness of any requested change to the Construction Documents (each, a "Change Order") to the City. This backup documentation will include confirmation that the Change Order has been reviewed, vetted or negotiated, and accepted by (with modifications where appropriate) the Tenant and architect/engineer prior to submission to the City. Questions, comments or requests for additional information will be provided by the City within five (5) business days of receipt of Change Order. City will promptly review and accept or deny the Change Order within ten (10) business days of a complete submission by Tenant. In the event the City requests further information, the City will have no less than five (5) business days from receipt of such information to accept or deny the Change Order. In the event the City fails to accept, deny or issue request for further information related to the Change Order within 10 business days from submission of the Change Order (or, if applicable, 5 business days of receipt of additional information), the Change Order will be deemed accepted. If the City denies the Change Order, City will specify the reasons for the denial in writing. Tenant will submit on a monthly or more frequent basis or as requested by MOHCD, a contingency balance report (in Excel format or equivalent) which documents all Change Orders as approved, pending, or under review.

10.11 Times for Construction. Tenant agrees for itself, and its successors and assigns to or of the Leasehold Estate or any part thereof, that Tenant and such successors and assigns will promptly begin and diligently prosecute to completion the construction of the Improvements on the Land, and that such construction will be completed no later than the dates specified in the Schedule of Performance attached hereto as Attachment 2, subject to force majeure under Section 10.12 below, unless such dates are extended by the City.

10.12 Force Majeure. For the purposes of any of the provisions of this Ground Lease, and notwithstanding anything to the contrary, neither the City nor Tenant, as the case may be, will be considered in breach or default of its obligations, and there will not be deemed a failure to satisfy any conditions with respect to the beginning and completion of construction of the Improvements, or progress in respect thereto, in the event of enforced delay in the performance of such obligations or satisfaction of such conditions, due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God, acts of the public enemy, terrorism, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, general scarcity of materials, unusually severe weather, or delays of subcontractors due to unusual scarcity of materials or unusually severe weather; it being the purposes and intent

of this provision that the time or times for the satisfaction of conditions to this Ground Lease including those with respect to construction of the Improvements, will be extended for the period of the enforced delay; provided, however, that the party seeking the benefit of the provisions of this paragraph must have notified the other party of the delay and its causes in writing within thirty (30) days after the beginning of any such enforced delay and requested an extension for the reasonably estimated period of the enforced delay; and, provided further, that this paragraph does apply to, and nothing contained in this paragraph will extend or will be construed to extend, the time of performance of any of Tenant's obligations to be performed before the commencement of construction, and the failure to timely perform pre-commencement of construction obligations will not extend or be construed to extend Tenant's obligations to commence, prosecute, and complete construction of the Improvements in the manner and at the times specified in this Ground Lease.

10.13 Reports. Beginning when construction of the Improvements commences and continuing until completion of construction of the Improvements, Tenant will make a report in writing to the City every month, in such detail as may reasonably be required by the City, as to the actual progress of the Tenant with respect to the construction. The MOHCD Monthly Project Update required under the MOHCD Loan Agreement will satisfy this requirement.

10.14 Access to Premises. As of the Effective Date and until the City issues a final certificate of occupancy, Tenant will permit access to the Premises to the City whenever and to the extent necessary to carry out the purposes of the provisions of this Ground Lease, at reasonable times and upon reasonable advance notice, and on an emergency basis without notice whenever the City believes that emergency access is required. After the City's issuance of a final certificate of occupancy, access to the Premises will be governed by ARTICLE 24, below.

10.15 Notice of Completion. Promptly upon completion of the construction of the Improvements in accordance with the provisions of this Ground Lease, Tenant will file a Notice of Completion (“**NOC**”) and record the approved NOC in the San Francisco Recorder's Office. Tenant will provide the City with a copy of the recorded NOC.

10.16 Completion of Improvements by New Developer. In the event a Lender forecloses, obtains a deed in lieu of foreclosure, or a Subsequent Owner otherwise realizes on the Premises and undertakes construction of the Improvements (“**New Developer**”) (a) the New Developer will not be bound by the provisions of the Schedule of Performance attached hereto as Attachment 2 with respect to any deadlines for the completion of the Improvements but will only be required to complete the Improvements with due diligence and in conformance with a new Schedule of Performance as agreed upon by the New Developer and the City; (b) the New Developer will only be required to complete the Improvements in accordance with all applicable building codes and ordinances, and the approved Construction Documents with such changes that are mutually agreed upon by the City and the New Developer under the following clause (c); and (c) the City and the New Developer will negotiate in good faith such reasonable amendments and reasonable modifications to ARTICLE 10 of this Ground Lease as the parties mutually determine to be reasonably necessary based on the financial and construction conditions then existing.

ARTICLE 11 RESERVED.

ARTICLE 12 CHANGES TO THE IMPROVEMENTS

12.01 Post-Completion Changes. The City has a particular interest in the Project and in the nature and extent of the permitted changes to the Premises. Accordingly, it imposes the following control on the Premises: during the term of this Ground Lease, neither Tenant, nor any voluntary or involuntary successor or assign, may make or permit any Change (as defined in Section 12.02) in the Premises, unless and until the express prior written consent for any change has been requested in writing from the City and received, and, if received, on such terms and conditions as the City may reasonably require. The City will not unreasonably withhold or delay its response to such a request.

12.02 Definition of Change. “**Change**” means any alteration, modification, addition, and/or substitution of or to the Land, the Improvements, and/or the density of development that differs materially from that which existed upon the completion of construction of the Improvements in accordance with this Ground Lease, and includes, without limitation, the exterior design and exterior materials and tenant improvements in the Commercial Space. For purposes of the foregoing, “exterior” includes the roof of the Improvements. “Change” does not include any repair, maintenance, cosmetic interior alterations (e.g., paint, carpet, installation of moveable equipment and trade fixtures, and hanging of wall art) in the normal course of operation of the Project, or as may be required in an emergency to protect the safety and well-being of the Project’s Residential Occupants and Non-residential Occupants.

12.03 Enforcement. Subject to ARTICLE 19 below, the City will have all remedies in law or equity (including, without limitation, restraining orders, injunctions, and/or specific performance), judicial or administrative, to enforce the provisions of this ARTICLE 12, including, without limitation, any threatened or actual breach or violation of this ARTICLE 12.

ARTICLE 13 TITLE TO IMPROVEMENTS

The City acknowledges that fee title to the Improvements will be vested in Tenant for the Term of this Ground Lease. It is the intent of the Parties that this Ground Lease and the Memorandum of Ground Lease will create a constructive notice of severance of the Improvements from the Land without the necessity of a deed from Lessor to Lessee. The City and Tenant agree that fee title to the Improvements will remain vested in Tenant during the Term, subject to Section 14.01 below; provided, however, that, subject to the rights of any Lenders and as further consideration for the City entering into this Ground Lease, at the expiration or earlier termination of this Ground Lease, fee title to all the Improvements will vest in the City without further action of any party, without any obligation by the City to pay any compensation to Tenant, and without the necessity of a deed from Tenant to the City. Without limiting the effectiveness of the previous sentence, upon the City’s written request, on expiration or sooner termination of this Ground Lease, Tenant will execute and deliver to the City an acknowledged and good and sufficient grant deed conveying to the City Tenant’s fee interest in the Improvements. Tenant will have the exclusive right to deduct, claim, retain and enjoy any and all rental income appreciation, gain, depreciation, amortization, and tax credits for federal

and State tax purposes relating thereto, substitution therefor, fixtures therein and other property relating thereto.

ARTICLE 14 ASSIGNMENT, SUBLEASE, OR OTHER CONVEYANCE

14.01 Assignment, Sublease, or Other Conveyance by Tenant; Permitted Transfers. Tenant will not cause or permit any voluntary sale, conveyance, transfer, assignment, sublease, or encumbrance of its Leasehold Estate or its interest in the Premises or of any ownership interests in Tenant, or lease or permit a sublease on all or any part of the Premises, other than: (a) leases, subleases, or occupancy agreements to Residential Occupants and Non-residential Occupants; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by the City in its reasonable discretion, (c) transfers from Tenant to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Tenant or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Tenant to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest in Tenant to an investor under the tax credit syndication of the Project and transfers of any limited partner interest in Tenant to affiliates of the Permitted Limited Partner in accordance with the terms of the Tenant's partnership agreement ; (f) the grant or exercise of an option agreement or a right of first refusal agreement between Tenant and Tenant's general partner(s) or manager or any of their respective affiliates in connection with the tax credit syndication of the Project where such agreement has been previously approved in writing by the City; (g) transfer to Lender(s) or affiliates of Lender(s) through foreclosure or deed in lieu of foreclosure as provided in this Ground Lease; or (h) to remove or replace the General Partner in accordance with the terms of the Partnership Agreement, a transfer of any general partnership interest to a new general partner approved in advance by the City. Further, City will not unreasonably withhold or delay its approval of the removal or replacement of a General Partner by the Permitted Limited Partner, pursuant to the terms of the Partnership Agreement. Any other transfer, assignment, encumbrance, or lease without the City's prior written consent will be voidable and, at the City's election, constitute a default under this Agreement. The City's consent to any specific assignment, encumbrance, lease, or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Ground Lease. Tenant will provide any background or supporting documentation that the City may require in assessing Tenant's request for approval. Tenant will submit to the City for review and, comment, and approval all leases to Non-residential Occupants, together with any supporting documentation as the City may request.

14.02 Assignment, Sublease, or Other Conveyance by the City. The parties acknowledge that any sale, assignment, transfer, or conveyance of all or any part of the City's interest in the Land, the Improvements, or this Ground Lease, is subject to this Ground Lease. The City will require that any purchaser, assignee, or transferee expressly assume all of the obligations of the City under this Ground Lease by a written instrument recordable in the Official Records of the City. This Ground Lease will not be affected by any such sale, and Tenant will attorn to the purchaser or assignee.

ARTICLE 15 TAXES

Subject to any available exemption, Tenant will pay, or cause to be paid, before delinquency to the proper authority, any and all valid taxes, assessments, and similar charges on the Premises that become effective after the Effective Date of this Ground Lease, including all real and personal property taxes, real property transfer taxes, general and special assessments, real property transfer taxes, license fees, permit fees and all other governmental charges of any kind or nature whatsoever, including without limitation all penalties and interest thereon, levied or assessed on the Premises, on Tenant's Property, the leasehold or subleasehold estate or Tenant's use of the Premises, or any transfer of a leasehold interest or subleasehold interest in the Premises (including but not limited to, any transfer of the leasehold interest in the Premises pursuant to this Ground Lease) whether under Laws in effect at the time this Ground Lease is entered into or that become later effective, and all taxes levied or assessed on the possession, use, or occupancy of the Premises. Tenant will not permit any taxes, assessments, or other similar charges to become a defaulted lien on the Premises; provided, however, that in the event any tax, assessment, or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and, provided further, that Tenant may contest the legal validity or the amount of any tax, assessment, or similar charge, through any proceeding Tenant considers reasonably necessary or appropriate, and Tenant may defer the payment so long as the validity or amount is contested by Tenant in good faith and without expense to the City. If Tenant contests a tax, assessment, or other similar charge, then Tenant will protect, defend, and indemnify the City against all Claims resulting from the contest, and if Tenant is unsuccessful in the contest, Tenant will immediately pay, discharge, or cause to be paid or discharged, the tax, assessment, or other similar charge. The City will furnish any information Tenant may reasonably request in connection with a contest, so long as that information is in the City's possession or control or is otherwise available to the public. The City consents to and will reasonably cooperate and assist with Tenant applying for and obtaining any applicable exemptions from taxes, or assessments, or other similar charges levied on the Premises, or on Tenant's interest therein. Tenant will have no obligation under this Section before the Effective Date, including, but not limited to, any taxes, assessments, or other similar charges levied against the Land that are incurred before the Effective Date.

ARTICLE 16 UTILITIES

From and after the Effective Date, Tenant will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the Effective Date, as between the City and Tenant, Tenant will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations in the Premises must be purchased from San Francisco Public Utilities Commission ("SFPUC"), at SFPUC's standard rates charged to third parties, unless SFPUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. SFPUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To

arrange for electric service to the Premises, Tenant will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.

ARTICLE 17 MAINTENANCE AND OPERATION

17.01 Maintenance. Tenant, at all times during the Term, will maintain or cause to be maintained the Premises in good condition and repair to the reasonable satisfaction of the City, including the exterior, interior, substructure, and foundation of the Improvements and all fixtures, equipment, and landscaping from time to time located on the Premises or any part of them. The City will not be obligated to make any repairs, replacements, or renewals of any kind, nature, or description whatsoever to the Premises or any buildings or improvements now or later located on the Land. Tenant will, at its sole expense, maintain any sidewalk and sidewalk area adjacent to the Premises in a good and safe condition in accordance with San Francisco Public Works Code Section 706 or any successor ordinance concerning the sidewalk maintenance within the City and County of San Francisco. Tenant will be considered an “owner” under Public Works Code Section 706 regarding the maintenance of any sidewalk and sidewalk area adjacent to the Premises. Tenant waives all rights to make repairs at the City's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code or under any similar Law now or later in effect.

17.02 City's Consent for Work Requiring a Permit. Following completion of the Improvements, Tenant will not make, or cause or suffer to be made, any repairs or other work for which a permit is required by any applicable building code, standard, or regulation without first obtaining the City's prior written consent and the required permit.

17.03 Capital Needs Assessment. Every five (5) years beginning on the fifth anniversary date of the issuance of the Certificate of Completion, Tenant will deliver to MOHCD a 20-year capital needs assessment or analysis of the Premises and replacement reserve requirements as set forth in MOHCD's Policy For Capital Needs Assessments dated November 5, 2013, as it may be amended from time to time. In accordance with the CNA Policy, Tenant will deliver to MOHCD an updated CNA every five (5) years after completion of the Project for approval.

17.04 City's Right to Inspect. Without limiting ARTICLE 24 below, the City may make periodic inspections of the Premises and other areas for which Tenant has obligations and may advise Tenant when maintenance or repair is required, but such right of inspection will not relieve Tenant of its independent responsibility to maintain the Premises and other areas as required by this Ground Lease in a condition as good as, or better than, their condition at the completion of the Improvements, excepting ordinary wear and tear.

17.05 City's Right to Repair. If Tenant fails to maintain or to promptly repair any damage as required by this Ground Lease, the City may repair the damage at Tenant's sole cost and expense and Tenant will immediately reimburse the City for all costs of the repair.

17.06 Operation. Following completion of the Improvements, Tenant will maintain and operate the Project consistent with the maintenance and operation of a safe, clean, well-maintained mixed use residential project located in San Francisco. Tenant will be exclusively responsible, at no cost to the City, for the management and operation of the Premises, including,

but not limited to, the Residential Units and Commercial Units. In connection with managing and operating the Premises, Tenant will provide (or require others to provide), services as necessary and appropriate to the uses to which the Project are put, including (a) repair and maintenance of the Improvements; (b) utility and telecommunications (including internet/Wi-Fi) services to the extent, if any, customarily provided by equivalent projects located in San Francisco; (c) cleaning, janitorial, pest extermination, recycling, composting, and trash and garbage removal; (d) landscaping and groundskeeping; (e) security services with on-site personnel for the Premises; and (f) sufficient lighting at night for pedestrians along pathways. Tenant will use commercially reasonable efforts to ensure that the Premises are used continuously during the Term for the Permitted Use and not allow any portion of the Premises to remain unoccupied or unused without the prior written consent of the City, which consent may be withheld in the City's sole and absolute discretion.

ARTICLE 18 LIENS

Tenant will use its best efforts to keep the Premises free from any liens arising out of any work performed or materials furnished by itself or its subtenants. If a lien is filed, Tenant will have the right, upon posting of an adequate bond or other security, to contest any lien, and Tenant will satisfy or discharge the lien within ten (10) days after the final determination of the validity of the lien. If Tenant contests a lien, then Tenant will protect, defend, and indemnify the City against all Claims resulting therefrom. If Tenant does not cause a lien to be released of record or bonded around within twenty (20) days following written notice from the City of the imposition of the lien, or, if Tenant contests the lien but does not cause the lien to be satisfied or discharged as required under this Section, then the City will have, in addition to all other remedies provided in this Ground Lease and by Law, the right (but not the obligation) to cause the lien to be released by any means as it deems proper, including payment of the claim giving rise to such lien. All sums paid by the City for such purpose, and all reasonable expenses incurred by it in connection therewith, will be payable to the City by Tenant on demand. The provisions of this Section will not apply to any liens arising before the Effective Date that are not the result of Tenant's contractors, consultants, or activities.

ARTICLE 19 GENERAL REMEDIES

19.01 Application of Remedies. The provisions of this ARTICLE 19 govern the parties' remedies for breach of this Ground Lease.

19.02 Breach by the City. If Tenant believes that the City has materially breached this Ground Lease, Tenant will first notify the City in writing of the purported breach, giving the City one hundred twenty (120) days from receipt of such notice to cure the breach. If the City does not cure the breach within the 120-day period, or, if the breach is not reasonably susceptible to cure within that one hundred twenty (120) day period, begin to cure within one hundred twenty (120) days and diligently prosecute then cure to completion, then Tenant will have all of its rights at law or in equity by taking any or all of the following remedies: (i) terminating in writing this entire Ground Lease with the written consent of each Lender; (ii) prosecuting an action for damages; (iii) seeking specific performance of this Ground Lease; or (iv) any other remedy available at law or equity.

19.03 Breach by Tenant.

19.03(a) Default by Tenant

Subject to the notice and cure rights under Sections 19.03(b) and 19.04, the following events each constitute a basis for the City to take action against Tenant:

(i) Tenant fails to comply with the Permitted Uses and Occupancy Restrictions set forth in Section 9.01;

(ii) Tenant voluntarily or involuntarily assigns, transfers, or attempts to transfer or assign this Ground Lease or any rights in this Ground Lease, or in the Improvements, except as permitted by this Ground Lease or otherwise approved by the City;

(iii) From and after the Effective Date, Tenant, or its successor in interest, fails to pay real estate taxes or assessments or other similar charges on the Premises or any part thereof before delinquency, or places on the Premises any encumbrance or lien unauthorized by this Ground Lease, or suffers any levy or attachment, or any material supplier's or mechanic's lien or the attachment of any other unauthorized encumbrance or lien, and the taxes or assessments or other similar charges not have been paid, or the encumbrance or lien removed or discharged within the time period provided in ARTICLE 18; provided, however, that Tenant has the right to contest any tax or assessment or encumbrance or lien as provided in ARTICLE 15 and ARTICLE 18;

(iv) Tenant is adjudicated bankrupt or insolvent or makes a transfer to defraud its creditors, or makes an assignment for the benefit of creditors, or brings or is brought against Tenant any action or proceeding of any kind under any provision of the Federal Bankruptcy Act or under any other insolvency, bankruptcy, or reorganization act and, in the event such proceedings are involuntary, Tenant is not dismissed from the proceedings within sixty (60) days thereafter; or, a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days;

(v) Tenant breaches any other material provision of this Ground Lease;

(vi) Tenant fails to pay any portion of Annual Rent when due in accordance with the terms and provisions of this Ground Lease.

19.03(b) Notification and City Remedies. Upon the happening of any of the events described in Section 19.03(a) above, and before exercising any remedies, the City will notify Tenant, the Permitted Limited Partners, and each Lender in writing of the Tenant's purported breach, failure, or act in accordance with the notice provisions of ARTICLE 38, giving Tenant sixty (60) days from the giving of the notice to cure such breach, failure, or act. If Tenant (or the Permitted Limited Partner on behalf of Tenant) does not cure or, if the breach, failure, or act is not reasonably susceptible to cure within that sixty (60) day period, begin to cure within sixty (60) days and diligently prosecute such cure to completion, then, subject to the rights of any Lender and Permitted Limited Partner and subject to Section 19.04 and ARTICLE 26, the City will have all of its rights at law or in equity, including, but not limited to

(i) the remedy described in Section 1951.4 of the California Civil Code (a landlord may continue the lease in effect after a tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations) under which it may continue this Ground Lease in full force and effect and the City may enforce all of its rights and remedies under this Ground Lease, including the right to collect rent when due. During the period Tenant is in default, subject to the leases to residential tenants and Non-residential Occupants and such tenants' rights' thereunder and applicable landlord-tenant laws, the City may enter the Premises without terminating this Ground Lease and relet them, or any part of them, to third parties for Tenant's account. Tenant will be liable immediately to the City for all reasonable costs that the City incurs in reletting the Premises, including, but not limited to, broker's commissions, expenses of remodeling the Premises required by the reletting and like costs. Reletting can be for a period shorter or longer than the remaining Term, at such rents and on such other terms and conditions as the City deems advisable, subject to any restrictions applicable to the Premises. Tenant will pay the City the rent due under this Ground Lease on the dates the rent is due, less the rent the City receives from any reletting. If the City elects to relet, then rentals received by the City from the reletting will be applied in the following order: (1) to reasonable attorneys' and other fees incurred by the City as a result of a default and costs if suit is filed by the City to enforce its remedies; (2) to the payment of any costs of maintaining, preserving, altering, repairing, and preparing the Premises for reletting, the other costs of reletting, including but not limited to brokers' commissions, attorneys' fees and expenses of removal of Tenant's Personal Property and Changes; (3) to the payment of rent due and unpaid; (4) the balance, if any, will be paid to Tenant upon (but not before) expiration of the Term. If that portion of the rentals received from any reletting during any month that is applied to the payment of rent, is less than the rent payable during the month, then Tenant must pay the deficiency to the City. The deficiency will be calculated and paid monthly. No act by the City allowed by this Section will terminate this Ground Lease unless the City notifies Tenant that the City elects to terminate this Ground Lease. After Tenant's default and for as long as the City does not terminate Tenant's right to possession of the Premises by written notice, if Tenant obtains the City's consent Tenant will have the right to assign or sublet its interest in this Ground Lease, but Tenant will not be released from liability and the assignment or subletting will not serve to cure the default;

(ii) the City may terminate Tenant's right to possession of the Premises at any time, subject to the leases to residential tenants and Non-residential Occupants and such tenants' rights' thereunder and applicable landlord-tenant laws. No act by the City other than giving notice of termination to Tenant will terminate this Ground Lease. Acts of maintenance, efforts to relet the Premises, or the appointment of a receiver on the City's initiative to protect the City's interest under this Ground Lease will not constitute a termination of Tenant's right to possession. If the City elects to terminate this Ground Lease, then the City has the rights and remedies provided by California Civil Code Section 1951.2 (damages on termination for breach), including the right to terminate Tenant's right to possession of the Premises and to recover the worth at the time of award of the amount by which the unpaid Annual Rent, and any additional charges for the balance of the Term after the time of award exceeds the amount of rental loss for the same period that Tenant proves could be reasonably avoided, as computed pursuant to subsection (b) of such Section 1951.2. The City's efforts to mitigate the damages caused by Tenant's breach of this Ground Lease will not waive the City's rights to recover damages upon termination;

(iii) The right to have a receiver appointed for Tenant upon application by the City to take possession of the Premises and to apply any rental collected from the Premises and to exercise all other rights and remedies granted to the City under this Ground Lease;

(iv) seeking specific performance of this Ground Lease; or

(v) in the case of default under Section 19.03(a)(i), increasing the Base Rent to the full amount of the Annual Rent.

Notwithstanding the foregoing, during the 15-year tax credit “compliance period” (as defined in Section 42 of the Internal Revenue Code, as amended) for the Project (the "Compliance Period"), the City may only terminate this Ground Lease for a default by Tenant under Section 19.03(a)(vi) above.

19.04 Rights of Permitted Limited Partner.

19.04(a) If a Permitted Limited Partner cannot cure a default due to an automatic stay in Bankruptcy court because the general partner of the Tenant is in bankruptcy, any cure period will be tolled during the pendency of such automatic stay.

19.04(b) The City will not exercise its remedy to terminate this Ground Lease if a Permitted Limited Partner is attempting to cure the default and the cure requires removal of any or both general partners of the Tenant, so long as the Permitted Limited Partner is proceeding diligently to remove such defaulting general partner(s) in order to effect a cure of the default, and the removal of such general partner(s) shall not in and of itself cause a default hereunder.

19.04(c) Unless otherwise provided for in this Ground Lease, any limited partner that is not the Permitted Limited Partner identified in ARTICLE 38 wishing to become a Permitted Limited Partner must provide five (5) days written notice to the City in accordance with the notice provisions of this Ground Lease, setting forth a notice address and providing a copy of such notice to the Tenant and all of the Tenant’s partners. The limited partner will become a Permitted Limited Partner upon the expiration of the five-day period. A limited partner will not be afforded the protections of this Section with respect to any default occurring before the limited partner becomes a Permitted Limited Partner.

19.05 City’s Right to Cure Tenant’s Default. If Tenant defaults in the performance of any of its obligations under this Ground Lease, the City may at any time thereafter after notice and expiration of the applicable cure period (except in the event of an emergency as reasonably determined by the City, in which case the may act when the City determines necessary), remedy the default for Tenant’s account and at Tenant’s expense. Tenant will pay to the City as additional Base Rent, promptly upon demand, all sums expended by the City, or other costs, damages, expenses, or liabilities incurred by the City, including reasonable attorneys’ fees, in remedying or attempting to remedy the default. Tenant’s obligations under this Section will survive the termination of this Ground Lease. Nothing in this Section implies any duty of the City to do any act that Tenant is obligated to perform under any provision of this Ground Lease,

and the City's cure or attempted cure of Tenant's default will not constitute a waiver of Tenant's default or any rights or remedies of the City on account of the default.

19.06 Waiver of Redemption. Tenant hereby waives, for itself and all persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or the City takes possession of the Premises by reason of any default of Tenant hereunder.

19.07 Remedies Not Exclusive. The remedies set forth in Section 19.03(b) are not exclusive; they are cumulative and in addition to any and all other rights or remedies of the City now or later allowed by Law. Tenant's obligations hereunder will survive any termination of this Ground Lease.

ARTICLE 20 DAMAGE AND DESTRUCTION

20.01 Insured Casualty. If the Premises or any part thereof are damaged or destroyed by any cause covered by any policy of insurance required to be maintained by Tenant under this Ground Lease, Tenant will promptly commence and diligently complete the restoration of the Premises as nearly as possible to the condition thereof before such damage or destruction; provided, however, that if more than fifty percent (50%) of the Improvements are destroyed or are damaged by fire or other casualty and if the insurance proceeds do not provide at least ninety percent (90%) of the funds necessary to complete the restoration, then Tenant, with the prior written consent of Lender, may terminate this Ground Lease within thirty (30) days after the date on which Tenant is notified of the amount of insurance proceeds available for restoration. If Tenant is required or elects to restore the Premises, then all proceeds of any policy of insurance required to be maintained by Tenant under this Ground Lease will, subject to any applicable rights of Lenders, be used by Tenant for that purpose and Tenant will make up from its own funds or obtain additional financing as reasonably approved by the City any deficiency between the amount of insurance proceeds available for the work of restoration and the actual cost, with any proceeds remaining after such restoration paid to Tenant. If Tenant elects to terminate this Ground Lease as provided under this Section 20.01, or elects not to restore the Premises, then the insurance proceeds will be divided in the order set forth in Section 20.03.

20.02 Uninsured Casualty. If (i) more than 50% of the Improvements are damaged or destroyed and ten percent (10%) or more of the cost to complete the restoration is not covered by insurance required to be carried under this Ground Lease; and (ii) in the reasonable opinion of Tenant, the undamaged portion of the Improvements cannot be completed or operated on an economically feasible basis; and (iii) there is not available to Tenant any feasible source of third party financing for restoration reasonably acceptable to Tenant; then Tenant may, with the written consent of each Lender, other than the City, terminate this Ground Lease upon ninety (90) days written notice to the City. If it appears that the provisions of this Section 20.02 may apply to a particular event of damage or destruction, Tenant will notify the City promptly and not consent to any settlement or adjustment of an insurance award without the City's written approval, which approval will not be unreasonably withheld or delayed. If Tenant terminates this Ground Lease under this Section 20.02, then all insurance proceeds and damages payable by reason of the casualty will be divided among City, Tenant, and Lenders in accordance with the

provisions of Section 20.03. If Tenant does not have the right, or elects not to exercise the right, to terminate this Ground Lease as a result of an uninsured or underinsured casualty, then Tenant will promptly commence and diligently complete the restoration of the Premises as nearly as possible to their condition before the damage or destruction in accordance with the provisions of Section 20.01 and will, subject to any applicable rights of Lenders, be entitled to all available insurance proceeds to do so.

20.03 Distribution of the Insurance Proceeds. If Tenant elects to terminate and surrender as provided in either Sections 20.01 or 20.02, then the priority and manner for distribution of the proceeds of any insurance policy required to be maintained by Tenant hereunder will be as follows:

20.03(a) First to the Lenders, in order of their priority, to control, disburse or apply to any outstanding loan amounts in accordance with the terms their respective Leasehold Mortgages and applicable Law;

20.03(b) Second, to pay for the cost of removal of all debris from the Premises or adjacent and underlying property, and for the cost of any work or service required by any Law, for the protection of persons or property from any risk, or for the abatement of any nuisance, created by or arising from the casualty or the damage or destruction caused thereby;

20.03(c) Third, to compensate City for any diminution in the value (as of the date of the damage or destruction) of the Land caused by or arising from the damage or destruction; and

20.03(d) The remainder to Tenant.

20.04 Clean-up of Premises. If Tenant terminates this Ground Lease under the provisions of Sections 20.01 or 20.02, then Tenant will clean up and remove all debris from the Premises and adjacent and underlying property and leave the Premises in a clean and safe condition and in compliance with all Laws upon surrender, as described in in Section 20.03(b). If the proceeds of any insurance policy are insufficient to pay the clean-up and other costs described in Section 20.03(b), then Tenant will pay the portion of the costs not covered by the insurance proceeds after payment of all outstanding loan amounts secured by the Leasehold Mortgages (in their order of priority).

20.05 Waiver. Tenant and the City intend that this Ground Lease fully govern all of their rights and obligations in the event of any damage or destruction of the Premises, subject to the terms of the Leasehold Mortgages and the other Loan Documents. Accordingly, the City and Tenant each hereby waive the provisions of Sections 1932(2), 1933(4), 1941 and 1942 of the California Civil Code, as such sections may from time to time be amended, replaced, or restated.

ARTICLE 21 DAMAGE TO PERSON OR PROPERTY; HAZARDOUS SUBSTANCES; INDEMNIFICATION

21.01 Damage to Person or Property—General Indemnification. City will not in any event whatsoever be liable for any injury or damage to any person happening on or about the Premises, for any injury or damage to the Premises, or to any property of Tenant, or to any

property of any other person, entity, or association on or about the Premises, unless arising from the active gross negligence or willful misconduct of the City or any of its commissioners, officers, agents, or employees. Tenant will defend, hold harmless, and indemnify the City including, but not limited to, its boards, commissions, commissioners, departments, agencies, and other subdivisions, officers, agents, and employees (each, an “**Indemnified Party**” and collectively the “**Indemnified Parties**”), of and from all claims, loss, damage, injury, actions, causes of action, and liability of every kind, nature and description (collectively, “**Claims**”) incurred in connection with or directly or indirectly arising from the Premises, this Ground Lease, Tenant’s tenancy, its or their use of the Premises, including adjoining sidewalks and streets, and any of its or their operations or activities thereon or connected thereto; all regardless of the active or passive negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on, the Indemnified Parties, except to the extent that the indemnity is void or otherwise unenforceable under applicable Law in effect on or validly retroactive to the date of this Ground Lease and further excepting only such Claims that are caused exclusively by the willful misconduct or active gross negligence of the Indemnified Parties. The foregoing indemnity will include, without limitation, reasonable fees of attorneys, consultants, and experts and related costs and the City’s costs of investigating any Claim. Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the City from any claim that actually or potentially falls within any indemnity provision set forth in this Ground Lease even if such allegation is or may be groundless, fraudulent, or false, which obligation arises at the time such claim is tendered to Tenant by the City and continues at all times thereafter. Notwithstanding the foregoing, this Article 21 shall not be deemed or construed to and shall not impose any obligation to indemnify and save harmless the Indemnified Parties from any claim, loss, damage, liability or expense of any nature whatsoever, arising from or in any way related to or connected with any willful misconduct or gross negligence by an Indemnified Party. Tenant’s obligations under this Article will survive the termination or expiration of this Ground Lease.

21.02 Hazardous Substances—Indemnification.

21.02(a) Tenant will indemnify, defend, and hold the Indemnified Parties harmless from and against any and all Claims of any nature whatsoever (including, without limitation, the reasonable fees and disbursements of counsel and engineering consultants) incurred by or asserted against any Indemnified Party in connection with, arising out of, in response to, or in any manner relating to violation of any Environmental Law, or any Release, threatened Release, and any condition of pollution, contamination or Hazardous Substance-related nuisance on, under or from the Site, provided, however that this Section 21.02(a) shall not be deemed or construed to, and shall not impose any obligation on Tenant to indemnify and save harmless the Indemnified Parties from any claim, loss, damage, liability or expense of any nature whatsoever, arising from or in any way related to or connected with any willful misconduct or active gross negligence by any Indemnified Party.

21.02(b) For purposes of this Section 21.02, the following definitions apply:

(i) “**Hazardous Substance**” has the meaning set forth in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended as of the date of this Ground Lease, 42 U.S.C. 9601(14), and in addition includes, without

limitation, petroleum (including crude oil or any fraction thereof) and petroleum products, asbestos, asbestos-containing materials, polychlorinated biphenyls (“PCBs”), PCB-containing materials, all hazardous substances identified in the California Health & Safety Code 25316 and 25281(d), all chemicals listed under the California Health & Safety Code 25249.8, and any substance deemed a hazardous substance, hazardous material, hazardous waste, or contaminant under Environmental Law. The foregoing definition does not include substances that occur naturally on the Premises or commercially reasonable amounts of hazardous materials used in the ordinary course of construction and operation of a mixed use development, provided they are used and stored in accordance with all applicable Laws.

(ii) “**Environmental Law**” means all Laws governing hazardous waste, wastewater discharges, drinking water, air emissions, Hazardous Substance releases or reporting requirements, Hazardous Substance use or storage, and employee or community right-to-know requirements related to the work being performed under this Ground Lease.

(iii) “**Release**” means any spillage, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, dumping, or disposing into the environment, including the abandonment or discharging of barrels, containers, and other closed receptacles containing any Hazardous Substance.

21.03 Exculpation and Waiver. Tenant, as a material part of the consideration to be rendered to the City, hereby waives any and all Claims against the City related to its approval of this Ground Lease or rights or obligations as landlord under this Ground Lease, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct or active gross negligence. The Indemnified Parties will not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims against the City related to its approval of this Ground Lease or rights or obligations as landlord under this Ground Lease for, any injury, loss, or damage to any person or property in or about the Premises by or from any cause whatsoever occurring on or after the Effective Date including, without limitation, (a) any act or omission of persons occupying adjoining premises or any part of the Premises adjacent to or connected with the Premises, (b) theft, (c) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (d) stopped, leaking, or defective building systems, (d) construction or Premises defects, (f) damages to goods, wares, goodwill, merchandise, equipment, or business opportunities, (g) Claims by persons in, on or about the Premises or any other City property for any cause arising at any time, (h) alleged facts or circumstances of the process or negotiations leading to this Ground Lease before the Effective Date and (i) any other acts, omissions, or causes.

21.04 Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Ground Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this Ground Lease will remain effective. Therefore, with respect to the Claims released in this Ground Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Ground Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

21.05 Insurance. The Indemnification requirements under this Ground Lease, or any other agreement between the City and Tenant, will in no way be limited by any insurance requirements under any such agreements.

21.06 Survival. The provisions of ARTICLE 21 will survive the expiration or earlier termination of this Ground Lease as related to losses accruing during the period that Tenant is in possession of the Premises and subsequent losses related to Tenant's possession of the Premises. No Lender who acquires title to the Tenant's interest in the Ground Lease will have any obligation or liability beyond its interest as Tenant under the Ground Lease. and liability under the indemnification provisions of this Ground Lease will only apply to such Lender for any covered issues that arise during the time such Lender holds title to the Tenant's interest in the Ground Lease.

ARTICLE 22 INSURANCE

22.01 Insurance. The Tenant must maintain insurance meeting the requirements of this Article.

22.01(a) Insurance Requirements for Tenant. During the term of this Ground Lease, Tenant will procure and maintain insurance against claims for injuries to persons or damage to property that may arise from or in connection with the performance of any work by the Tenant, its agents, representatives, employees or subcontractors and the Tenant's use and occupancy of the Premises.

(v) **Crime Policy or Fidelity Bond:** Crime Policy or Fidelity Bond of no less than Seventy-Five Thousand Dollars (\$75,000) each loss, with any deductible not to exceed Five Thousand Dollars (\$5,000) each loss.

22.01(d) Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions in excess of \$25,000 must be declared to and approved by the City's Risk Manager. At the option of City's Risk Manager, either: the insurer will reduce or eliminate the deductibles or self-insured retentions with respect to the City and County of San Francisco, and their respective commissioners, members, officers, agents, and employees; or the Tenant must procure a financial guarantee satisfactory to the City's Risk Manager guaranteeing payment of losses and related investigations, claim administration, and defense expenses.

(i) General Liability and Automobile Liability Coverage: The “City and County of San Francisco and their respective commissioners, members, officers, agents, and employees” are to be covered as additional insured with respect to: liability arising out of activities performed by or on behalf of the Tenant related to the Project; products and completed operations of the Tenant, premises owned, occupied or used by the Tenant related to the Project; and automobiles owned, leased, hired, or borrowed by the Tenant for the operations related to the Project. The coverage may not contain any special limitations on the scope of protection afforded to the City and its Commissioners, members, officers, agents, or employees.

(ii) Workers' Compensation and Property Insurance: The insured will agree to waive all rights of subrogation against the “City and County of San Francisco, and their respective commissioners, members, officers, agents, and employees” for any losses in connection with this Project.

(iii) Claims-made Coverage: If any of the required insurance is provided under a claims-made form, Tenant will maintain such coverage continuously throughout the term of this Ground Lease and, without lapse, for a period of three years beyond the expiration of this Ground Lease, to the effect that, if occurrences during the contract term give rise to claims made after expiration of the Ground Lease, then those claims will be covered by the claims-made policies.

(iv) All Coverage. Each insurance policy required by this Article must:

(1) Be endorsed to state that coverage will not be suspended, voided, canceled by either party, or reduced in coverage or in limits, except after thirty (30) days' prior written notice has been given to City, except in the event of suspension for nonpayment of premium, in which case ten (10) days' notice will be given.

(2) Contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(3) For any claims related to this Ground Lease, the Tenant's insurance coverage will be primary insurance with respect to the City and its commissioners, members, officers, agents, and employees. Any insurance or self-insurance maintained by the City or its commissioners, members, officers, agents, or employees will be in excess of the Tenant's insurance and will not contribute with it.

(4) The Tenant's insurance will apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

(5) Any failure to comply with reporting provisions of the policies will not affect coverage provided to the City and its commissioners, members, officers, agents, or employees.

(6) Approval of Tenant's insurance by the City will not relieve or decrease the liability of Tenant under this Ground Lease.

(7) The City reserves the right to require an increase in insurance coverage if the City determines that conditions (including, but not limited to, property conditions, market conditions, or commercially reasonable practice) show cause for an increase, unless Tenant demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Tenant.

22.01(f) Acceptability of Insurers. All insurers must have a Best's rating of no less than A-VIII or as otherwise approved by the City's Risk Manager.

22.01(g) Verification of Coverage. Tenant will furnish City with certificates of insurance and with original endorsements effecting coverage required by this clause at the commencement of this Ground Lease and annually thereafter. The certificates and endorsements for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. City reserves the right to require complete, certified copies of all required insurance policies, including endorsements demonstrating the coverage required by these specifications at any time.

22.01(h) Contractor, Subcontractors, and Consultants Insurance. Tenant must include all subcontractors and consultants as additional insureds under its policies or furnish separate certificates and endorsements for each. Tenant will require the subcontractor(s) and consultants to provide all necessary insurance and to name the City and County of San Francisco, and their respective commissioners, members, officers, agents, and employees and the Tenant as additional insureds. All coverage for subcontractors and consultants will be subject to all of the requirements stated herein unless otherwise approved by the City's Risk Manager.

ARTICLE 23 COMPLIANCE WITH APPLICABLE LEGAL REQUIREMENTS

23.01 Compliance with Legal Requirements. From and after the Effective Date, Tenant will at its cost and expense, promptly comply with all applicable Laws now in force or that may later be in force, including, without limitation, the requirements of the fire department or other similar body now or later constituted and with any direction or occupancy certificate issued under any Law as any of them may relate to or affect the condition, use, or occupancy of the Land. If Tenant contests any of the foregoing, Tenant will not be obligated to comply therewith to the extent that the application of the contested Law is stayed by the operation of law or administrative or judicial order and Tenant indemnifies, defends, and holds harmless the Indemnified Parties against all Claims resulting from noncompliance.

23.02 Regulatory Approvals. Tenant understands and agrees that the City is entering into this Ground Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a regulatory agency with certain police powers. Tenant understands and agrees that neither entry by the City into this Ground Lease nor any approvals given by the City under this Ground Lease will be deemed to imply that Tenant has thereby obtained any required approvals from City departments, boards, or commissions that have jurisdiction over the Premises. By

entering into this Ground Lease, the City is in no way modifying or limiting the obligations of Tenant to develop the Project in accordance with all Laws and as provided in this Ground Lease.

Tenant understands that the construction of the Improvements on the Land and development of the Project will require approval, authorization, or permit by governmental agencies with jurisdiction, which may include the City's Planning Commission and/or Zoning Administrator and the Department of Building Inspection. Tenant must use good faith efforts to obtain and will be solely responsible for obtaining any approvals required for the Project in the manner set forth in this Section. Tenant will not seek any regulatory approval without first obtaining MOHCD's approval, which approval may not be unreasonably withheld or delayed. Throughout the permit process for any regulatory approvals, Tenant will consult and coordinate with MOHCD in Tenant's efforts to obtain permits. MOHCD will cooperate reasonably with Tenant in its efforts to obtain permits; provided, however, Tenant may not agree to the imposition of conditions or restrictions in connection with its efforts obtain a permit from any other regulatory agency if the City is required to be a co-permittee under the permit or the conditions or restrictions could create any financial or other material obligations on the part of the City whether on or off of the Premises, unless in each instance MOHCD has approved the conditions previously in writing and in MOHCD's reasonable discretion. No approval by MOHCD will limit Tenant's obligation to pay all the costs of complying with conditions under this Section. Tenant must bear all costs associated with applying for and obtaining any necessary regulatory approval, as well as any fines, penalties or corrective actions imposed as a result of Tenant's failure to comply with the terms and conditions of any regulatory approval.

With MOHCD's prior written consent, Tenant will have the right to appeal or contest any condition in any manner permitted by Law imposed upon any regulatory approval. In addition to any other indemnification provisions of this Ground Lease, Tenant must indemnify, defend, and hold harmless the City and its commissioners, officers, agents or employees from and against any and all Claims that may arise in connection with Tenant's failure to obtain or comply with the terms and conditions of any regulatory approval or with the appeal or contest of any conditions of any regulatory approval, except to the extent damage arises out of the active gross negligence or willful misconduct of the City or its agents.

ARTICLE 24 ENTRY

24.01 The City reserves for itself and its authorized representatives the right to enter the Premises at all reasonable times during normal business hours upon not less than forty-eight (48) hours' written notice to Tenant (except in the event of an emergency), subject to the rights of the occupants, tenants, and others lawfully permitted on the Premises, for any of the following purposes:

24.01(a) to determine whether the Premises is in good condition and to inspect the Premises (including soil borings or other Hazardous Substance investigations);

24.01(b) to determine whether Tenant is in compliance with its Ground Lease obligations and to cure or attempt to cure any Tenant default;

24.01(c) to serve, post, or keep posted any notices required or allowed under any of the provisions of this Ground Lease;

24.01(d) to do any maintenance or repairs to the Premises that the City has the right or the obligation, if any, to perform hereunder; and

24.01(e) to show the Premises to any prospective purchasers, brokers, Lenders, or public officials, or, during the last year of the Term of this Ground Lease, exhibit the Premises to prospective tenants or other occupants, and to post any reasonable “for sale” or “for lease” signs in connection therewith.

24.02 In the event of any emergency, as reasonably determined by the City, at its sole option and without notice, the City may enter the Premises, remove or alter any portion of the Premises, and alter or remove any of Tenant’s personal property on or about the Premises as reasonably necessary, given the nature of the emergency. The City will have the right to use any and all means the City considers appropriate to gain access to any portion of the Premises in an emergency, in which case, the City will not be responsible for any damage or injury to any property, or for the replacement of any property, and no emergency entry may be deemed to be a forcible or unlawful entry onto or a detainer of the Premises, or an eviction, actual or constructive, of Tenant from the Premises or any portion thereof.

24.03 The City will not be liable in any manner for any inconvenience, disturbance, loss of business, nuisance, or other damage arising out of the City’s entry onto the Premises, except to the extent damage arises out of the active gross negligence or willful misconduct of the City or its agents. The City will be responsible for any losses resulting from its active gross negligence or willful misconduct and will repair any resulting damage promptly.

24.04 Tenant will not be entitled to any abatement in Annual Rent the City exercises any rights reserved in this Section, subject to Section 24.03 above.

24.05 The City will use its reasonable good faith efforts to conduct any activities on the Premises allowed under this Section in a manner that, to the extent practicable, will minimize any disruption to Tenant’s use of the Premises as permitted by this Ground Lease.

ARTICLE 25 MORTGAGE FINANCING

25.01 No Encumbrances Except for Development Purposes. Notwithstanding any other provision of this Ground Lease and subject to the prior written consent of the City in the form attached hereto as Attachment 3, which consent will not be unreasonably withheld, conditioned, or delayed, Leasehold Mortgages are permitted to be placed on the Leasehold Estate only for the purpose of securing loans of funds to be used for financing the acquisition of the Project; refinancing of financing used to acquire or rehabilitate the Project; design, construction, renovation, or reconstruction of the Improvements; and any other expenditures reasonably necessary and appropriate to acquire, own, develop, construct, renovate, or reconstruct the Project under this Ground Lease and in connection with the operation of the Project; and costs and expenses incurred or to be incurred by Tenant in furtherance of the purposes of this Ground Lease. The City, acting solely in its capacity as landlord under this Ground Lease and not in its capacity as a Project Lender, acknowledges and accepts Bank of America, N.A. as a Lender,

Citibank, N.A., a national banking association (“**Citibank**”), as the permitted permanent Lender and its successor and/or assigns, including, but not limited to, the Federal Home Loan. The City acknowledges that Tenant intends that Citibank provide permanent financing, consents to the Leasehold Mortgage associated with Lender’s construction and permanent loan to Tenant for the Project, and no further consent from the City will be required.

25.02 Holder Not Obligated to Construct. The holder of any mortgage, deed of trust, or other security interest authorized by Section 25.01 (“**Holder**” or “**Lender**”), including the successors or assigns of the Holder, is not obligated to complete any construction of the Improvements or to guarantee such completion; and no covenant or any other provision of this Ground Lease may be construed to obligate the Holder. However, if the Holder undertakes to complete or guarantee the completion of the construction of the Improvements, except as provided in Section 26.06(b), nothing in this Ground Lease will be deemed or construed to permit or authorize the Holder or its successors or assigns to devote the Premises or any portion thereof to any uses, or to construct any Improvements on the Land, other than those authorized under Section 9.01 and any reasonable modifications in plans proposed by the Holder or its successors in interest proposed for the viability of the Project approved by the City in its reasonable discretion under Section 10.16. Except as provided in Section 26.06(b), to the extent any Holder or its successors in interest wish to change such uses or construct different improvements, Holder or its successors in interest must obtain the advance written consent of the City.

25.03 Failure of Holder to Complete Construction. In any case where six (6) months after assumption of obligations under Section 25.02 above, a Lender, having first exercised its option to complete the construction, has not proceeded diligently with completion of the construction, the City will have all the rights against the Holder it would otherwise have against Tenant under this Ground Lease for events or failures occurring after such assumption; subject to any extensions of time granted under Section 10.16 of this Ground Lease.

25.04 Default by Tenant and the City's Rights.

25.04(a) Right of City to Cure a Default or Breach by Tenant under a Leasehold Mortgage. In the event of a default or breach by Tenant under any Leasehold Mortgage, and Tenant’s failure to timely commence or diligently prosecute cure of the default or breach, the City may, at its option, cure the breach or default during the one hundred ten (110) days after the date that the Lender files a notice of default. If the City undertakes to cure the default or breach, then the City will be entitled to reimbursement from Tenant of all costs and expenses reasonably incurred by the City. The City will also be entitled to a lien on the Leasehold Estate to the extent Tenant does not reimburse the costs and expenses. City’s lien will be subject to the lien of any then-existing Leasehold Mortgage authorized by this Ground Lease, including any lien contemplated because of advances yet to be made. After ninety (90) days following the date of Lender filing a notice of default and expiration of all applicable cure periods under the terms of the applicable loan documents, the City will also have the right to assign Tenant’s interest in the Ground Lease to another entity, subject to all Lenders’ and Permitted Limited Partner’s written consents, and which consent may be conditioned, among other things, on the assumption by the other entity of all obligations of the Tenant under the Leasehold Mortgage.

25.04(b) Notice of Default to City. Tenant will deliver to the City prompt written notice of any default or breach of the Leasehold Mortgage and, for so long as the City is a lender for the Project, each Lender will provide for that notice to the City and contain the City's right to cure set forth in an intercreditor agreement or subordination agreement, as applicable, between City and such Lender.

25.05 Cost of Mortgage Loans to be Paid by Tenant. Tenant covenants and affirms that it will bear all of the costs and expenses in connection with (a) the preparation and securing of any Leasehold Mortgage, (b) the delivery of any instruments and documents and their filing and recording, if required, and (c) all taxes and charges payable in connection with any Leasehold Mortgage.

ARTICLE 26 PROTECTION OF LENDER

26.01 Notification to the City. Promptly on the creation of any Leasehold Mortgage and as a condition precedent to the existence of any of the rights set forth in this ARTICLE 26, Tenant will cause each Lender to give written notice to the City of the Lender's address and of the existence and nature of its Leasehold Mortgage. Execution of Attachment 3 will constitute City's acknowledgement of Lender's having given such notice as is required to obtain the rights and protections of a Lender under this Ground Lease. The City acknowledges that Bank of America, N.A. is the initial First Mortgage Lender and Citibank, is the permanent First Mortgage Lender, each is deemed to have given such written notice as First Mortgage Lender and Attachment 3 is not required.

26.02 Lender's Rights to Prevent Termination. Each Lender has the right, but not the obligation, at any time before termination of this Ground Lease and without payment of any penalty other than the interest on unpaid rent, to pay all of the rents due under this Ground Lease, to effect any insurance, to pay any taxes and assessments and other similar charges, to make any repairs and improvements, to do any other act or thing required of Tenant or necessary and proper to be done in the performance and observance of the agreements, covenants and conditions of this Ground Lease to prevent a termination of this Ground Lease to the same effect as if the same had been made, done, and performed by Tenant instead of by Lender.

26.03 Lender's Rights When Tenant Defaults. If any event of default under this Ground Lease occurs and is continuing, and is not cured within the applicable cure period, the City will not terminate this Ground Lease or exercise any other remedy unless it first gives written notice of the event of default to Lender; and

26.03(a) If the event of default is a failure to pay a monetary obligation of Tenant (other than indemnification obligations of Tenant ("Indemnification Obligations")), Lender will have sixty (60) days from the date of written notice from the City to Lender to cure the default; or

26.03(b) If the event of default is not a failure to pay a monetary obligation of Tenant, Lender will have sixty (60) days of receipt of the written notice, to either (a) remedy such default; or (b) obtain title to the Leasehold Estate in lieu of foreclosure; or (c) to commence foreclosure or other appropriate proceedings in the nature thereof (including the appointment of a

receiver) and thereafter diligently prosecute such proceedings to completion, in which case such event of default will be remedied or deemed remedied in accordance with Section 26.04 below. If, due to the nature of the default, the default is not capable of cure within such sixty-day cure period, then Lender may request from the City an extended period, together with the reasons for its request for extension and City will not unreasonably withhold its approval of such request.

26.03(c) All rights of the City to terminate this Ground Lease as the result of the occurrence of any uncured event of default is subject to, and conditioned upon, the City having first given Lender written notice of the event of default and Lender having failed to remedy such default or acquire Tenant's Leasehold Estate or commence foreclosure or other appropriate proceedings in the nature thereof as set forth in and within the time specified by this Section 26.03, and upon the Permitted Limited Partners having failed to proceed as permitted pursuant to the terms of this Ground Lease. Notwithstanding anything to the contrary contained herein, in no event shall any Lender be required, as a condition to preventing the termination of this Ground Lease, or obtaining a new ground lease hereunder, to (A) cure any default by Tenant under this Ground Lease, or (B) cure any default by Tenant in the payment of any amounts payable by Tenant under any indemnification provisions of this Ground Lease, and upon completion of a foreclosure (or deed in lieu thereof), all monetary defaults shall automatically be deemed cured and waived and all non-monetary defaults shall be cured by a Subsequent Owner not affiliated with the Lender.

26.04 Default That Cannot be Remedied by Lender. Any event of default under this Ground Lease that in the nature thereof cannot be remedied by Lender will be deemed to be remedied as it pertains to Lender or any Subsequent Owner if (a) within sixty (60) days after receiving notice from the City setting forth the nature of such event of default, Lender has acquired Tenant's Leasehold Estate or has commenced foreclosure or other appropriate proceedings in the nature of foreclosure, (b) Lender is diligently prosecuting any such proceedings to completion, (c) Lender has fully cured any event of default arising from failure to pay or perform any monetary obligation (other than Indemnification Obligations) in accordance with Section 26.03, and (d) after gaining possession of the Improvements, Lender diligently proceeds to perform all other obligations of Tenant as and when due in accordance with the terms of this Ground Lease. Notwithstanding anything to the contrary contained elsewhere herein, in no event will any Lender have the obligation, or be required, as a condition to preventing the termination of this Ground Lease, as a condition to obtaining a new lease or otherwise, to cure any breach by Tenant of its obligation under Article 26.04 of this Ground Lease, to reimburse Landlord for all costs, expenses, advances and disbursements made or incurred by Landlord in connection with its cure of any breach or default under any Leasehold Mortgage, provided that Lender has complied with the requirements under this Section 26.04, and all such breaches shall automatically be deemed cured upon a foreclosure under any Leasehold Mortgage (or acceptance of a deed in lieu thereof), provided that Lender diligently proceeds to perform all obligations under this Ground Lease

26.05 Court Action Preventing Foreclosure. If Lender is prohibited by any process or injunction issued by any court or because of any action by any court having jurisdiction of any bankruptcy or insolvency proceeding involving Tenant from commencing or prosecuting foreclosure or other appropriate proceedings in the nature of foreclosure, the times specified in Sections 26.03 and 26.04 above for commencing or prosecuting such foreclosure or other

proceedings will be extended for the period of such prohibition. If this Ground Lease is terminated or rejected by Tenant in bankruptcy, then the City will enter into a new ground lease with the Lender on the same terms set forth in this Ground Lease. For purpose of this Article, if there is more than one Lender, the City will offer the new lease to each Lender in the order of priority until accepted.

26.06 Lender's Rights to Record, Foreclose, and Assign. With respect to any Leasehold Mortgage:

26.06(a) the Lender may cause its Leasehold Mortgage to be recorded and enforced, and upon foreclosure, sell and assign the Leasehold Estate to an assignee from whom it may accept a purchase price; subject, however, to Lender's first securing written approval from City (provided, however, no such approval will be required in the event of a foreclosure of a leasehold mortgage or deed in lieu of foreclosure), which approval will not be unreasonably withheld, and if the Subsequent Owner has elected to maintain the use restrictions of ARTICLE 9, the Subsequent Owner must be controlled by a California nonprofit public benefit corporation exempt from tax under Section 501(c)(3) of the Internal Revenue Code so that the Premises receive an exemption from state property taxes as provided under Section 214 of the California Revenue and Taxation Code (to the extent such exemption is then available). Furthermore, Lender may acquire title to the Leasehold Estate in any lawful way, and if the Lender becomes the assignee, then Lender may sell and assign the Leasehold Estate subject to City approval (which may not be unreasonably withheld) and to the City's rights under Section 25.04.

26.06(b) each Subsequent Owner must take said Leasehold Estate subject to all of the provisions of this Ground Lease, and must, so long as and only so long as it is the owner of the Leasehold Estate, except as provided elsewhere in this Ground Lease, assume all of the obligations of Tenant under this Ground Lease; provided, however, that, subject to the rent provisions of Section 26.07 below, the Subsequent Owner may operate and maintain the Residential Units without any limitations on the rents charged or the income of the occupants thereof, subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance including, but not limited to, the MOHCD Declaration of Restrictions;

26.06(c) the City will mail or deliver to any Lender that has an outstanding Leasehold Mortgage a duplicate copy of all notices that the City may give to Tenant under this Ground Lease; and

26.06(d) any Permitted Limited Partners of Tenant will have the same rights as any Lender under Sections 26.02, 26.03, and 26.06(c), and any reference to a Lender in those sections will be deemed to include the Permitted Limited Partners; provided, however, that the rights of the Permitted Limited Partners are subordinate to the rights of any Lender.

26.07 Ground Lease Rent after Lender Foreclosure or Assignment. From and after the time that the Subsequent Owner acquires title to the Leasehold Estate, Annual Rent will be set as follows:

26.07(a) City will forgive any accrued Annual Rent at the time of foreclosure, and it will not be an obligation of the Lender, its assignee, or the Subsequent Owner.

After foreclosure or assignment of the Leasehold Estate to the Lender in lieu of foreclosure, if the Lender continues to operate the Project subject to the use and occupancy restrictions of Section 9.01, then Annual Rent otherwise due may, at the option of the Lender, be deferred until the earlier of the date of the Lender's sale or assignment of the Project to a Subsequent Owner that does not agree to operate the Project subject to such restrictions or the date that is sixty (60) days after Lender ceases to operate the Project in accordance with those restrictions. All deferred Annual Rent will accrue, with simple interest at six percent (6%) per annum until paid.

26.07(b) If the Subsequent Owner exercises its rights under Section 26.06(b) to operate the Project without being subject to Section 9.01, then Annual Rent will be set at the then fair market rental value taking into account any affordability restrictions agreed to by the Subsequent Owner, if any, and the Base Rent will be increased to the new fair market rent under this Section 26.07(b) and the provisions of Section 6.02(g) will be suspended; provided, however, that the City will be entitled to reduce Annual Rent by any dollar amount (but not below zero) in its sole discretion and, in such case, the Subsequent Owner will be required to reduce rent charged to Residential Occupants on a dollar for dollar basis, with respect to such aggregate units occupied by Qualified Households as the City and the Subsequent Owner may agree. The fair market rental value will be determined by a jointly-commissioned appraisal (instructions prepared jointly by the Subsequent Owner and the City, with each party paying one half of the appraiser's fee) that will include a market land valuation, as well as a market land lease rent level. Absent a market land lease rent determination, the Annual Rent will be set at an amount equal to ten percent (10%) of the then appraised market land value. If the parties cannot agree on the joint appraisal instructions, either party may invoke a neutral third-party process to set the Annual Rent at fair market rent in accordance with the then-prevailing practice for resolving similar rent determination disputes in San Francisco or, in the event that there is no then-prevailing practice, in accordance with the rules of the American Arbitration Association. But, after the neutral third-party process, the Lender, in its sole discretion, may rescind its written notification of intent to not comply with Section 9.01 of this Ground Lease.

26.08 Permitted Uses After Lender Foreclosure. Notwithstanding the above, in the event of a foreclosure and transfer to a Subsequent Owner, then the Premises will be operated in accordance with the uses specified in the building permit with all addenda, as approved by the City's Department of Building Inspection.

26.09 Preservation of Leasehold Benefits. Until such time as a Lender notifies the City in writing that the obligations of Tenant under its loan documents have been satisfied:

26.09(a) subject to Section 19.03(b), the City will not voluntarily cancel or surrender this Ground Lease, or accept a voluntary cancellation or surrender of this Ground Lease by Tenant, or amend this Ground Lease to materially increase the obligations of the Tenant or the rights of the City under this Ground Lease or amend any provision of Articles 25 and 26 or any other provision of this Ground Lease that directly affects a Lender's interests, without the prior written consent of the Lender (which may not be unreasonably withheld or delayed);

26.09(b) the City will not enforce against a Lender any waiver or election made by the Tenant under this Ground Lease that has a material adverse effect on the value of

the Leasehold Estate without the prior written consent of the Lender (which will not be unreasonably withheld or delayed);

26.09(c) if a Lender makes written request to the City for a new ground lease within fifteen (15) days after Lender receives written notice of termination of this Ground Lease for any reason, then the City will enter a new ground lease with the Lender commencing on the date of termination of this Ground Lease and ending on the normal expiration date of this Ground Lease, on substantially the same terms and conditions as this Ground Lease and subject to the rent provisions set forth in Section 26.07 and with the same priority as against any sublease or other interests in the Premises; so long as the Lender cures all unpaid monetary defaults under this Ground Lease (other than Indemnification Obligations), through the date of such termination;

26.09(d) the City will provide reasonable prior notice to each Lender of any proceedings for adjustment or adjudication of any insurance or condemnation claim involving the Premises and will permit each Lender to participate the proceedings as an interested party.

26.10 No Merger. The Leasehold Estate will not merge with the fee interest in the Land, notwithstanding ownership of the leasehold and the fee by the same person, without the prior written consent of each Lender.

26.11 City Bankruptcy.

26.11(a) If a bankruptcy proceeding is filed by or against the City, the City will immediately notify each Lender of the filing and will deliver a copy of all notices, pleadings, schedules, and similar materials regarding the bankruptcy proceedings to each Lender.

26.11(b) The City acknowledges that (i) the Tenant seeks to construct the Improvements on the Land using proceeds of the loans provided by the Lenders, and (ii) it would be unfair to both the Tenant and the Lenders to sell the Premises free and clear of the Leasehold Estate. Therefore, the City waives its right to sell the City's fee interest in the Land under section 363(f) of the Bankruptcy Code, free and clear of the Leasehold Estate.

26.11(c) If a bankruptcy proceeding is filed by or on behalf of the City:

(i) Tenant will be presumed to have objected to any attempt by the City to sell the fee interest free and clear of the Leasehold Estate;

(ii) if Tenant does not so object, each Lender will have the right to so object on its own behalf or on behalf of the Tenant; and

(iii) in connection with any such sale, Tenant will not be deemed to have received adequate protection under section 363(e) of the Bankruptcy Code, unless it has received and paid to each Lender the outstanding balance under its respective loan.

26.11(d) City recognizes that the Lenders are authorized on behalf of Tenant to vote, participate in, or consent to any bankruptcy, insolvency, receivership, or court proceeding concerning the Leasehold Estate.

26.12 Amendment. From the Effective Date through the 15-year tax credit compliance period, neither ARTICLE 19 nor ARTICLE 20, nor Sections 26.02, 26.03, or 26.06 may be amended without the written consent of Permitted Limited Partner.

26.13 Liability. If a Lender or its designee becomes a tenant under this Ground Lease or under a new lease obtained pursuant to this article, such Lender or designee will only be personally liable for the obligations of Tenant only to the extent they arise during the period of time that such Lender or designee is a tenant hereunder and its sole liability hereunder will be its interest under this Ground Lease.

ARTICLE 27 CONDEMNATION AND TAKINGS

27.01 Parties' Rights and Obligations to be Governed by Agreement. If, during the term of this Ground Lease, there is any condemnation of all or any part of the Premises or any interest in the Leasehold Estate is taken by condemnation, the rights and obligations of the parties will be determined under this ARTICLE 27, subject to the rights of any Lender. Accordingly, Tenant waives any right to terminate this Ground Lease upon the occurrence of a partial condemnation under Sections 1265.120 and 1265.130 of the California Code of Civil Procedure, as those sections may from time to time be amended, replaced, or restated

27.02 Notice. In case of the commencement of any proceedings or negotiations that might result in a condemnation of all or any portion of the Premises during the Term, the party learning of such proceedings will promptly give written notice of the proceedings or negotiations to the other party. The notice will describe with as much specificity as is reasonable, the nature and extent of such condemnation or the nature of such proceedings or negotiations and of the condemnation that might result, as the case may be.

27.03 Total Taking. If the Premises is totally taken by condemnation, this Ground Lease will terminate on the date the condemnor has the right to possession of the Premises.

27.04 Partial Taking. If any portion of the Premises is taken by condemnation, this Ground Lease will remain in effect, except that Tenant may, with Lender's written consent, elect to terminate this Ground Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises is rendered unsuitable for Tenant's continued use. If Tenant elects to terminate this Ground Lease, Tenant must exercise its right to terminate under this paragraph by giving notice to the City within thirty (30) days after the City notifies Tenant of the nature and the extent of the taking. Tenant's termination notice must include the date of termination, which date may not be earlier than thirty (30) days or later than six (6) months after the date of Tenant's notice; except that with the consent of each Lender, this Ground Lease will terminate on the date the condemnor has the right to possession of the Premises if that date falls on a date before the date of termination as designated by Tenant. If Tenant does not terminate this Ground Lease within the thirty (30) day notice period, this Ground Lease will continue in full force and effect.

27.05 Effect on Rent. If any portion of the Premises is taken by condemnation and this Ground Lease remains in full force and effect, then on the date of taking the rent will be reduced by an amount that is in the same ratio to the rent as the value of the area of the portion of the Premises taken bears to the total value of the Premises immediately before the date of the taking.

27.06 Restoration of Improvements. If there is a partial taking of the Premises and this Ground Lease remains in full force and effect under Section 27.04, then Tenant may, subject to the terms of the Leasehold Mortgage, use the proceeds of the taking to accomplish all necessary restoration to the Premises.

27.07 Award and Distribution. Any compensation awarded, paid, or received on a total or partial condemnation of the Premises or threat of condemnation of the Premises will belong to and be distributed in the following order:

27.07(a) First, to pay the balance due on any outstanding Leasehold Mortgages (first to the Leasehold Mortgage with the first priority until paid in full and then in the order of relative priority thereafter) and other outstanding or unpaid obligations and/or liabilities, including but not limited to, trade accounts, taxes, payroll accruals, and lease residuals, to the extent provided therein; and

27.07(b) Second, to the Tenant in an amount equal to the then fair market value of Tenant's interest in the Improvements and its leasehold interest in the Land (including, but not limited to, the value of Tenant's interest in all subleases to occupants of the Premises), such value to be determined as it existed immediately preceding the earliest taking or threat of taking of the Premises; and;

27.07(c) Third, to the Landlord.

27.07(d) Notwithstanding anything to the contrary set forth in this Section, any portion of the compensation awarded that has been specifically designated by the condemning authority or in the judgment of any court to be payable to the City or Tenant on account of any interest in the Premises separate and apart from the condemned land value, the value of the City's reversionary interest in the Improvements, Tenant's Leasehold Estate, or the value of the Improvements for the remaining unexpired portion of the Term, will be paid to the City or Tenant, as applicable, as so designated by the condemning authority or judgment.

27.08 Payment to Lenders. In the event the Improvements are subject to the lien of a Leasehold Mortgage on the date when any compensation resulting from a condemnation or threatened condemnation is to be paid to Tenant, the award will be disposed of as provided in the Leasehold Mortgages in the order of their relative priority.

27.09 Temporary Condemnation. If there is a condemnation of all or any portion of the Premises for a temporary period lasting less than the remaining Term, this Ground Lease will remain in full force and effect, there will be no abatement of Rent, and the entire award will be payable to Tenant.

27.10 Personal Property; Goodwill. Notwithstanding Section 27.07, the City will not be entitled to any portion of any award payable in connection with the condemnation of the Personal Property of Tenant or any of its subtenants, or any moving expenses, loss of goodwill or business loss or interruption of Tenant, severance damages with respect to any portion of the Premises remaining under this Ground Lease, or other damages suffered by Tenant.

ARTICLE 28 ESTOPPEL CERTIFICATE

The City or Tenant, as the case may be, will execute, acknowledge, and deliver to the other and/or any Lender or a Permitted Limited Partner, promptly upon request, its certificate certifying (a) that this Ground Lease is unmodified and in full force and effect (or, if there have been modifications, that this Ground Lease is in full force and effect, as modified, and stating the modifications), (b) the dates, if any, to which rent has been paid, (c) whether there are then existing any charges, offsets, or defenses against the enforcement by the City or Tenant to be performed or observed and, if so, specifying them, and (d) whether there are then existing any defaults by Tenant or the City in the performance or observance by Tenant or the City of any agreement, covenant, or condition on the part of Tenant or the City to be performed or observed under this Ground Lease, and whether any notice has been given to Tenant or the City of any default that has not been cured and, if so, specifying the uncured default. Tenant will use commercially reasonable efforts (by inserting a provision similar to this one into the leases of its Non-residential Occupants) to cause the Non-residential Occupants to execute and deliver to the City a certificate as described above with respect to its sublease within thirty (30) days after request.

ARTICLE 29 SURRENDER AND QUITCLAIM

29.01 Surrender.

29.01(a) Upon expiration or earlier termination of this Ground Lease, Tenant will surrender to the City the Premises in good order, condition, and repair (except for ordinary wear and tear occurring after the last necessary maintenance made by Tenant and except for Casualty or Condemnation as described in ARTICLE 20 and ARTICLE 27). Ordinary wear and tear will not include any damage or deterioration that would have been prevented by proper maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Ground Lease. The Premises must be surrendered clean, free of debris, waste, and Hazardous Substances, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Ground Lease and any other encumbrances created or approved in writing by the City. On or before the expiration or earlier termination of this Ground Lease, Tenant at its sole cost will remove from the Premises, and repair any damage caused by removal of, Personal Property, including any signage. Improvements and Changes will remain in the Premises as City property and title to the Improvements and any Changes will be conveyed to the City as provided in ARTICLE 13 above.

29.01(b) If the Premises are not surrendered at the end of the Term or sooner termination of this Ground Lease, and in accordance with the provisions of this ARTICLE 29, Tenant will continue to be responsible for the payment of Annual Rent until the Premises are surrendered in accordance with this ARTICLE 29, and Tenant will indemnify, defend, and hold harmless the Indemnified Parties from and against any and all Claims resulting from delay by Tenant in surrendering the Premises including, without limitation, any costs of the City to obtain possession of the Premises; any loss or liability resulting from any Claim against the City made by any succeeding tenant or prospective tenant founded on or resulting from such delay; and losses to the City due to lost opportunities to lease any portion of the Premises to any

such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

29.01(c) No act or conduct of the City or MOHCD, including, but not limited to, the acceptance of the keys to the Premises, will constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from the City to Tenant confirming termination of this Ground Lease and surrender of the Premises by Tenant will constitute acceptance of the surrender of the Premises and accomplish a termination of this Ground Lease.

29.02 Quitclaim. On the expiration or earlier termination of this Ground Lease, the Improvements will automatically, and without further act or conveyance on the part of Tenant or the City, become the property of the City, free and clear of all liens and without payment therefore by the City, as provided in ARTICLE 13. On expiration or sooner termination of this Ground Lease, Tenant must surrender the Premises to the City and, at the City's request, will execute, acknowledge, and deliver to the City a good and sufficient quitclaim deed with respect to any interest of Tenant in the Premises.

29.03 Abandoned Property. Any items, including Personal Property, not removed by Tenant on the expiration or termination of this Ground Lease will be deemed abandoned. The City may retain, store, remove, and sell or otherwise dispose of abandoned Personal Property, and Tenant waives all Claims against the City for any damages resulting from the City's retention, removal, and disposition of abandoned Personal Property; provided, however, that Tenant will be liable to the City for all costs incurred in storing, removing, and disposing of abandoned Personal Property and repairing any damage to the Premises resulting from its removal. The City may elect to sell abandoned Personal Property and offset against the sales proceeds the City's storage, removal, and disposition costs without notice to Tenant or otherwise according to the procedures set forth in California Civil Code Section 1993, the benefits of which Tenant waives.

29.04 Survival. Tenant's obligation under this ARTICLE 29 will survive the expiration or earlier termination of this Ground Lease.

ARTICLE 30 EQUAL OPPORTUNITY

In the selection of all contractors and professional consultants for the Project, Tenant will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

ARTICLE 31 CITY PREFERENCE PROGRAMS

To the extent permitted by applicable Law, Tenant will comply with the requirements of the City's current housing preference programs, as amended from time to time; provided, however, that such requirements will apply only to the extent permitted by the requirements of non-City funding approved by the City for the Project.

ARTICLE 32 RESERVED

ARTICLE 33 CONFLICT OF INTEREST

No commissioner, official, or employee of the City may have any personal or financial interest, direct or indirect, in this Ground Lease, and any such commissioner, official, or employee may not participate in any decision relating to this Ground Lease that affects his or her personal interests or the interests of any corporation, partnership, or association in which he or she is directly or indirectly interested.

ARTICLE 34 NO PERSONAL LIABILITY

No commissioner, official, or employee of the City will be personally liable to Tenant or any successor in interest in the event of any default or breach by the City or for any amount that may become due to Tenant or its successors or on any obligations under the terms of this Ground Lease.

ARTICLE 35 ENERGY CONSERVATION

Tenant will use its best efforts to maximize provision of, and incorporation of, both energy conservation techniques and systems and improved waste-handling methodology in the construction or rehabilitation of the Improvements.

ARTICLE 36 WAIVER

The waiver by the City or Tenant of any term, covenant, agreement or condition in this Ground Lease will not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant, agreement, or condition in this Ground Lease, and no custom or practice that may grow up between the parties in the administration of this Ground Lease may be construed to waive or to lessen the right of the City or Tenant to insist upon the performance by the other in strict accordance with the its terms. The subsequent acceptance of rent or any other sum by the City will not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant, agreement, or condition of this Ground Lease, other than the failure of Tenant to pay the particular rent or other sum accepted, regardless of the City's knowledge of the preceding breach at the time of acceptance of such rent or other sum. Any waiver by the City of any term or provision of this Ground Lease must be in writing.

ARTICLE 37 TENANT RECORDS

Upon reasonable notice during normal business hours, and as often as the City may deem necessary, Tenant will make available to the City and its authorized representatives for examination all records, reports, data, and information made or kept by Tenant regarding its activities or operations on the Premises. Nothing contained in this Ground Lease will entitle the City to inspect personal histories of residents or lists of donors or supporters. To the extent that it is permitted by Law to do so, the City will respect the confidentiality requirements of Tenant in regard to the lists above of the names of Residential Occupants of the Premises furnished by Tenant under to ARTICLE 7 above.

ARTICLE 38 NOTICES AND CONSENTS

All notices, demands, consents, or approvals that may be given or are required to be given by either party to the other under this Ground Lease must be in writing and will be deemed to have been fully given when delivered in person to such representatives of the Tenant and the City, or when deposited in the United States mail, certified, postage prepaid, or by express delivery service with a delivery receipt and addressed

ARTICLE 39 HEADINGS

Any titles of the paragraphs, articles, and sections of this Ground Lease are inserted for convenience only and will be disregarded in construing or interpreting any of its provisions. "Paragraph," "article," and "section" may be used interchangeably.

ARTICLE 40 SUCCESSORS AND ASSIGNS

This Ground Lease will be binding upon and inure to the benefit of the successors and assigns of the City and Tenant and where the term "Tenant" or "City" is used in this Ground Lease, it means and includes their respective successors and assigns; provided, however, that the City will have no obligation under this Ground Lease to, and no benefit of this Ground Lease will accrue to, any unapproved successor or assign of Tenant where City approval of a successor or assign is required by this Ground Lease. If and when the City sells the Land to any third party, City will require such third party to assume all of the City's obligations under this Ground Lease arising on and after the transfer in writing for the benefit Tenant and its successors and assigns.

ARTICLE 41 TIME

Time is of the essence in the enforcement of the terms and conditions of this Ground Lease.

ARTICLE 42 PARTIAL INVALIDITY

If any provisions of this Ground Lease are determined to be illegal or unenforceable, that determination will not affect any other provision of this Ground Lease and all the other provisions of this Ground Lease will remain in full force and effect.

ARTICLE 43 APPLICABLE LAW; NO THIRD PARTY BENEFICIARY

This Ground Lease is governed by and construed under the laws of the State of California. This Ground Lease is entered into solely among, between, and for the benefit of, and may be enforced only by, the parties hereto and does not create rights in any other third party.

ARTICLE 44 RESERVED

ARTICLE 45 EXECUTION IN COUNTERPARTS

This Ground Lease and any memorandum hereof may be executed in counterparts, each of which will be considered an original, and all of which will constitute one and the same instrument.

ARTICLE 46 BROKERS

Neither party has had any contact or dealings regarding the leasing of the Land, or any communication in connection therewith, through any licensed real estate broker or other person who could claim a right to a commission or finder's fee in connection with the ground lease contemplated herein. If any broker or finder perfects a claim for a commission or finder's fee based upon any such contact, dealings, or communication, the party through whom the broker or finder makes a claim will be responsible for such commission or fee and will indemnify, defend and hold harmless the other party from any and all Claims. The provisions of this Section will survive any termination of this Ground Lease.

ARTICLE 47 RECORDATION OF MEMORANDUM OF GROUND LEASE

This Ground Lease may not be recorded, but a memorandum of this Ground Lease will be recorded in the form attached hereto as Attachment 4 ("**Memorandum of Ground Lease**"). The parties will execute the memorandum in form and substance as required by a title insurance company insuring Tenant's leasehold estate or the interest of any Leasehold Mortgagee, and sufficient to give constructive notice of the Ground Lease to subsequent purchasers and mortgagees.

ARTICLE 48 SURVIVAL

Termination or expiration of this Ground Lease will not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Ground Lease, the ability to collect any damages or sums due, and it will not affect any provision of this Ground Lease that expressly states it will survive termination or expiration of this Ground Lease.

ARTICLE 49 RESERVED

ARTICLE 50 CITY PROVISIONS

50.01 Non-Discrimination.

50.01(a) Covenant Not to Discriminate. In the performance of this Ground Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability, weight, height, or Acquired Immune

Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Tenant, in any of Tenant's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant.

50.01(b) Subleases and Other Subcontracts. Tenant must include in all subleases and other subcontracts relating to the Premises a non-discrimination clause applicable to the subtenant or other subcontractor in substantially the form of Section 50.01(a) above. In addition, Tenant must incorporate by reference in all subleases and other subcontracts the provisions of Sections 12B.2(a), 12B.2(c)–(k), and 12C.3 of the San Francisco Administrative Code and must require all subtenants and other subcontractors to comply with those provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Ground Lease.

50.01(c) Non-Discrimination in Benefits. Tenant does not as of the date of this Ground Lease and will not during the Term, in any of its operations in San Francisco or with respect to its operations under this Ground Lease elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits, or travel benefits (collectively "**Core Benefits**"), as well as any benefits other than Core Benefits, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity under state or local Law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

50.01(d) Condition to Lease. As a condition to this Ground Lease, Tenant must execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" (Form CMD-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Contract Monitoring Commission.

50.01(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code relating to non-discrimination by Parties contracting for the lease of City property are incorporated in this Section by reference and made a part of this Ground Lease as though fully set forth herein. Tenant must comply fully with and be bound by all of the provisions that apply to this Ground Lease under those Chapters of the Administrative Code, including, but not limited to, the remedies provided in such Chapters. Without limiting the foregoing, Tenant understands that under Section 12B.2(h) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Ground Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

50.02 MacBride Principles—Northern Ireland. The City and County of San Francisco urges companies doing business in Northern Ireland to move toward resolving employment inequities and encourages them to abide by the MacBride Principles as expressed in San Francisco Administrative Code Section 12F.1 *et seq.* The City and County of San Francisco also

urges San Francisco companies to do business with corporations that abide by the MacBride Principles. Tenant acknowledges that it has read and understands the above statement of the City and County of San Francisco concerning doing business in Northern Ireland.

50.03 Conflicts of Interest. Tenant states that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, certifies that it knows of no facts that would constitute a violation of those provisions and agrees that if Tenant becomes aware of any such fact during the term of this Ground Lease Tenant will immediately notify the City. Tenant further certifies that it has made a complete disclosure to the City of all facts bearing on any possible interests, direct or indirect, that Tenant believes any officer or employee of the City presently has or will have in this Ground Lease or in the performance thereof or in any portion of the profits thereof. Willful failure by Tenant to make such disclosure, if any, will constitute grounds for City's termination and cancellation of this Ground Lease.

50.04 Charter Provisions. This Ground Lease is governed by and subject to the provisions of the Charter of the City and County of San Francisco. Accordingly, Tenant acknowledges and agrees that no officer or employee of the City has authority to commit the City to this Ground Lease unless and until a resolution of the City's Board of Supervisors has been duly enacted approving this Ground Lease. Therefore, any obligations or liabilities of the City under this Ground Lease are contingent upon enactment of a resolution, and this Ground Lease will be null and void unless the City's Mayor and the Board of Supervisors approve this Ground Lease, in their respective sole and absolute discretion, and in accordance with all applicable Laws. Approval of this Ground Lease by any City department, commission, or agency may not be deemed to imply that a resolution will be enacted or create any binding obligations on the City.

50.05 Tropical Hardwood/Virgin Redwood Ban. Under Section 804(b) of the San Francisco Environment Code, the City and County of San Francisco urges companies not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood, or virgin redwood wood product. Except as permitted by the application of Sections 802(b) and 803(b) of the San Francisco Environment Code, Tenant will not use any items in the rehabilitation, development, or operation of the Premises or otherwise in the performance of this Ground Lease that are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products.

50.06 Tobacco Product Advertising Ban. Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products are allowed on the Premises. The foregoing prohibition includes the placement of the name of a company producing, selling, or distributing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product, or on any sign. The foregoing prohibition will not apply to any advertisement sponsored by a state, local, or nonprofit entity designed to communicate the health hazards of cigarettes and tobacco products or to encourage people not to smoke or to stop smoking.

50.07 Pesticide Ordinance. Tenant must comply with the provisions of Section 308 of Chapter 3 of the San Francisco Environment Code (the “**Pesticide Ordinance**”), which (a) prohibit the use of certain pesticides on City property, (b) require the posting of certain notices and the maintenance of certain records regarding pesticide usage, and (c) require Tenant to submit to the City’s Department of the Environment an integrated pest management (“**IPM**”) plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the Term of this Ground Lease, (ii) describes the steps Tenant will take to meet the City’s IPM Policy described in Section 39.1 of the Pesticide Ordinance, and (iii) identifies, by name, title, address, and telephone number, an individual to act as the Tenant’s primary IPM contact person with City. In addition, Tenant must comply with the requirements of Sections 303(a) and 303(b) of the Pesticide Ordinance. Nothing in this Ground Lease will prevent Tenant, acting through the City, from seeking a determination from the City’s Commission on the Environment that Tenant is exempt from complying with certain portions of the Pesticide Ordinance as provided in Section 307 thereof.

50.08 Compliance with City's Sunshine Ordinance. Tenant understands and agrees that under the City's Sunshine Ordinance (S.F. Admin. Code, Chapter 67) and the State Public Records Law (Cal. Gov. Code §§ 6250 *et seq.*), this Ground Lease and any and all records, information and materials submitted to the City hereunder are public records subject to public disclosure. Tenant hereby authorizes the City to disclose any records, information, and materials submitted to the City in connection with this Ground Lease as required by Law. Further, Tenant specifically agrees to conduct any meeting of its governing board that addresses any matter relating to the Project or to Tenant’s performance under this Ground Lease as a passive meeting.

50.09 Notification of Limitations on Contributions. Through its execution of this Ground Lease, Tenant acknowledges that it is familiar with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for such contract until the termination of negotiations for such contract or three (3) months has elapsed from the date the contract is approved by the City elective officer, or the board on which that City elective officer serves.

50.10 Requiring Health Benefits for Covered Employees. Unless exempt, Tenant will comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (the “**HCAO**”), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Chapter 12Q are incorporated in this Ground Lease by reference and made a part of this Ground Lease as though fully set forth. The text of the HCAO is available on the web at www.sfgov.org/oca/lw/h.htm. Capitalized terms used in this Section and not defined in this Ground Lease have the meanings assigned to them in Chapter 12Q. Notwithstanding this requirement, City recognizes that the residential housing component of the Improvements is not subject to the HCAO.

50.10(a) For each Covered Employee, Tenant must provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If Tenant chooses to offer the health plan

option, the health plan must meet the minimum standards set forth by the San Francisco Health Commission.

50.10(b) If Tenant is a small business as defined in Section 12Q.3(d) of the HCAO, Tenant will have no obligation to comply with Section 50.10(a) above.

50.10(c) Tenant's failure to comply with the HCAO will constitute a material breach of this Ground Lease. If Tenant fails to cure its breach within thirty (30) days after receiving the City's written notice of a breach of this Ground Lease for violating the HCAO or, if the breach cannot reasonably be cured within the 30-day period and Tenant fails to commence efforts to cure within the 30-day period, or thereafter fails diligently to pursue the cure to completion, then the City will have the right to pursue the remedies set forth in Section 12Q.5(f)(1-5). Each of these remedies will be exercisable individually or in combination with any other rights or remedies available to the City.

50.10(d) Any sublease entered into by Tenant for commercial space in the Project must require the subtenant to comply with the requirements of the HCAO and must contain contractual obligations substantially the same as those set forth in this Section. Tenant must notify the City's Purchasing Department when Tenant enters into a sublease and must certify to the Purchasing Department that Tenant has notified the subtenant of the obligations under the HCAO and has imposed the requirements of the HCAO on subtenant through the sublease. Tenant will be responsible for its subtenants' compliance with this Chapter. If a subtenant fails to comply, the City may pursue the remedies set forth in this Section against Tenant based on the subtenant's failure to comply, provided that City has first provided Tenant with notice and an opportunity to obtain a cure of the violation.

50.10(e) Tenant may not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City with regard to Tenant's compliance or anticipated compliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

50.10(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

50.10(g) Tenant must keep itself informed of the current requirements of the HCAO.

50.10(h) Tenant must provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on subtenants, as applicable.

50.10(i) Tenant must provide City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least five (5) business days to respond.

50.10(j) The City may conduct random audits of Tenant to ascertain its compliance with HCAO. Tenant will cooperate with the City when it conducts audits.

50.10(k) If Tenant is exempt from the HCAO when this Ground Lease is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but Tenant later enters into an agreement or agreements that cause Tenant's aggregate amount of all agreements with the City to reach \$75,000, all the agreements will be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between Tenant and MOHCD to be equal to or greater than \$75,000 in the fiscal year.

50.11 Public Access to Meetings and Records. If Tenant receives a cumulative total per year of at least \$250,000 in City funds or City-administered funds and is a non-profit organization as defined in Chapter 12L of the San Francisco Administrative Code, Tenant must comply with and will be bound by all the applicable provisions of that Chapter. By executing this Ground Lease, Tenant will open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the Administrative Code. Further, Tenant will make good-faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Tenant acknowledges that its material failure to comply with any of the provisions of this paragraph will constitute a material breach of this Ground Lease. Tenant further acknowledges that such material breach of this Ground Lease will be grounds for City to terminate and/or not renew this Ground Lease, partially or in its entirety.

50.12 Resource-Efficient Building Ordinance. Tenant acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Tenant will comply with the applicable provisions of such code sections as those sections may apply to the Premises.

50.13 Drug Free Work Place. Tenant acknowledges that under the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, possession, or use of a controlled substance is prohibited on City premises. Any violation of this prohibition by Tenant, its agents, or assigns will be deemed a material breach of this Ground Lease.

50.14 Preservative Treated Wood Containing Arsenic. Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Ground Lease unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" means wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" means a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

50.15 Nondisclosure of Private Information. Tenant will comply fully with and be bound by all of the provisions of Chapter 12M of the San Francisco Administrative Code (the "**Nondisclosure of Private Information Ordinance**"), including the remedies provided. The provisions of the Nondisclosure of Private Information Ordinance are incorporated and made a

part of this Ground Lease as though fully set forth. Capitalized terms used in this section and not defined in this Ground Lease have the meanings assigned to those terms in the Nondisclosure of Private Information Ordinance. Consistent with the requirements of the Nondisclosure of Private Information Ordinance, Tenant agrees to all of the following:

50.15(a) Neither Tenant nor any of its subcontractors will disclose Private Information, unless one of the following is true:

- (i) The disclosure is authorized by this Ground Lease;
- (ii) Tenant received advance written approval from the Contracting Department to disclose the information; or
- (iii) The disclosure is required by law or judicial order.

50.15(b) Any disclosure or use of Private Information authorized by this Ground Lease must be in accordance with any conditions or restrictions stated in this Ground Lease. Any disclosure or use of Private Information authorized by a Contracting Department must be in accordance with any conditions or restrictions stated in the approval.

50.15(c) Private Information means any information that: (1) could be used to identify an individual, including, without limitation, name, address, social security number, medical information, financial information, date and location of birth, and names of relatives; or (2) the law forbids any person from disclosing.

50.15(d) Any failure of Tenant to comply with the Nondisclosure of Private Information Ordinance will be a material breach of this Ground Lease. In such an event, in addition to any other remedies available to it under equity or law, City may terminate this Ground Lease, debar Tenant, or bring a false claim action against Tenant.

50.16 Graffiti. Graffiti is detrimental to the health, safety, and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities, and the enjoyment of life; is inconsistent with City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Tenant will remove all graffiti from the Premises and any real property owned or leased by Tenant in the City and County of San Francisco within forty-eight (48) hours of the earlier of Tenant's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require Tenant to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn, or painted on any building, structure, fixture, or other improvement, whether

permanent or temporary, including by way of example only and without limitation, signs, banners, billboards, and fencing surrounding construction Premises, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code section 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*). Any failure of Tenant to comply with this section of this Ground Lease will constitute an event of default of this Ground Lease.

50.17 Incorporation. Each and every provision of the San Francisco Administrative Code described or referenced in this Ground Lease is hereby incorporated by reference as though fully set forth herein. Failure of Tenant to comply with any provision of this Ground Lease relating to any such code provision will be governed by ARTICLE 19 of this Ground Lease, unless (i) such failure is otherwise specifically addressed in this Ground Lease or (ii) such failure is specifically addressed by the applicable code section.

50.18 Food Service Waste Reduction. Tenant will comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in the San Francisco Environment Code, Chapter 16, including the remedies provided therein, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Ground Lease as though fully set forth herein. Accordingly, Tenant acknowledges that City contractors and lessees may not use Disposable Food Service Ware that contains Polystyrene Foam in City Facilities and while performing under a City contract or lease, and will instead use suitable Biodegradable/ Compostable or Recyclable Disposable Food Service Ware. This provision is a material term of this Ground Lease. By entering into this Ground Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine. Without limiting City's other rights and remedies, Tenant agrees that the sum of One Hundred Dollars (\$100.00) liquidated damages for the first breach, Two Hundred Dollars (\$200.00) liquidated damages for the second breach in the same year, and Five Hundred Dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Ground Lease was made. Those amounts will not be considered a penalty, but rather agreed upon monetary damages sustained by the City because of Tenant's failure to comply with this provision.

50.19 Local Hire Requirements. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.62 (the "**Local Hiring Requirements**"). Improvements and Changes (as defined in this Ground Lease) are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit or (ii) meets any of the other exemptions in the Local Hiring Requirements. Tenant will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvement Work or any Alteration, Tenant will

contact City's Office of Economic Workforce and Development ("OEWD") to verify if the Local Hiring Requirements apply to the work (*i.e.*, whether the work is a "Covered Project").

Tenant will include, and will require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each contract must name the City and County of San Francisco as a third-party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant will cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Ground Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

50.20 Criminal History in Hiring and Employment Decisions.

50.20(a) Unless exempt, Tenant will comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "**Chapter 12T**"), which are hereby incorporated as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

50.20(b) Tenant will incorporate by reference the provisions of Chapter 12T in all subleases of a portion or all of the Premises, if any, and will require all subtenants to comply with its provisions. Tenant's failure to comply with the obligations in this subsection will constitute a material breach of this Ground Lease.

50.20(c) Tenant and subtenants (if any) may not inquire about, require disclosure of, or if such information is received base an Adverse Action (as defined in Chapter 12T) on an applicant's or potential applicant for employment, or employee's: (1) Arrest (as defined in Chapter 12T) not leading to a Conviction (as defined in Chapter 12T), unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

50.20(d) Tenant and subtenants (if any) may not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in Section 50.20(c) above. Tenant and subtenants (if any) may not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

50.20(e) Tenant and subtenants (if any) will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

50.20(f) Tenant and subtenants (if any) will post the notice prepared by the Office of Labor Standards Enforcement (“**OLSE**”), available on OLSE’s website, in a conspicuous place at the Premises and at other workplaces within San Francisco where interviews for job opportunities at the Premises occur. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

50.20(g) Tenant and subtenants (if any) understand and agree that upon any failure to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T or this Ground Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant, or other person as to whom a violation occurred or continued, termination, or suspension in whole or in part of this Ground Lease.

50.20(h) If Tenant has any questions about the applicability of Chapter 12T, it may contact the City’s Real Estate Division for additional information. City’s Real Estate Division may consult with the Director of the City’s Office of Contract Administration who may also grant a waiver, as set forth in Section 12T.8.

50.21 Prevailing Wages and Working Conditions. Any undefined, initially-capitalized term used in this Section has the meaning given to that term in San Francisco Administrative Code Section 23.61. Tenant will require its Contractors and Subcontractors performing **(i)** labor in connection with a “public work” as defined under California Labor Code Section 1720 *et seq.* (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or **(ii)** Covered Construction, at the Premises to **(1)** pay workers performing such work not less than the Prevailing Rate of Wages, **(2)** provide the same hours, working conditions, and benefits as in each case are provided for similar work performed in San Francisco County, and **(3)** employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, “**Prevailing Wage Requirements**”). Tenant will cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant will include, and will require its subtenants, and Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract must name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code

Section 23.61. Tenant's failure to comply with its obligations under this Section will constitute a material breach of this Ground Lease. A Contractor's or Subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party. For the current Prevailing Rate of Wages, contact the City's Office of Labor Standards Enforcement.

50.22 Consideration of Salary History Tenant will comply with San Francisco Administrative Code Chapter 12K, the Consideration of Salary History Ordinance or "Pay Parity Act." For each employment application to Tenant for work that relates to this Agreement or for work to be performed in the City or on City property, Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant. Tenant will not (1) ask such applicants about their current or past salary or (2) disclose a current or former employee's salary history without that employee's authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Chapter 12K. Information about Chapter 12K is available on the web at <https://sfgov.org/olse/consideration-salary-history>.

50.23 Sugar-Sweetened Beverage Prohibition. Tenant will not sell, provide, or otherwise distribute Sugar-Sweetened Beverages, as defined by San Francisco Administrative Code Chapter 101, as part of its performance of this Ground Lease.

50.24 Possessory Interest Reporting.

50.24(a) Tenant recognizes and understands that this Ground Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the payment of property taxes levied on such interest.

50.24(b) San Francisco Administrative Code Sections 23.38 and 23.39 require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Ground Lease be provided to the County Assessor within sixty (60) days after the transaction. Accordingly, Tenant must provide a copy of this Ground Lease to the County Assessor not later than sixty (60) days after the Effective Date, and any failure of Tenant to timely provide a copy of this Ground Lease to the County Assessor will be a default under this Ground Lease. Tenant will also timely provide any information that City may request to ensure compliance with this or any other reporting requirement.

50.25 Vending Machines; Nutritional Standards. Tenant may not install or permit any vending machine on the Premises without the prior written consent of Landlord. Any permitted vending machine must comply with the food nutritional and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9-1(c), as may be amended from time to time (the "**Nutritional Standards Requirements**"). Tenant will incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section 50.24 will be deemed a material breach of this Ground Lease. Without limiting Landlord's other rights and remedies under this Ground Lease, Landlord will have the right to require the immediate

removal of any vending machine on the Premises that is not permitted or that violates the Nutritional Standards Requirements.

50.26 San Francisco Packaged Water Ordinance. Tenant will comply with San Francisco Environment Code Chapter 24 (“**Chapter 24**”). Tenant will not sell, provide or otherwise distribute Packaged Water, as defined in Chapter 24 (including bottled water), in the performance of this Agreement or on City property unless Tenant obtains a waiver from the City’s Department of the Environment. If Tenant violates this requirement, the City may exercise all remedies in this Agreement and the Director of the City’s Department of the Environment may impose administrative fines as set forth in Chapter 24.

ARTICLE 51 COMPLETE AGREEMENT

There are no oral agreements between Tenant and the City affecting this Ground Lease, and this Ground Lease supersedes and cancels any and all previous negotiations, arrangements, agreements, and understandings between Tenant and the City with respect to the lease of the Land.

ARTICLE 52 AMENDMENTS

Neither this Ground Lease nor any terms or provisions hereof may be changed, waived, discharged, or terminated, except by a written instrument signed (i) by the party against which the enforcement of the change, waiver, discharge, or termination is sought and (ii) Permitted Limited Partners and the Lender. No waiver of any breach will affect or alter this Ground Lease, but each and every term, covenant, and condition of this Ground Lease will continue in full force and effect with respect to any other then-existing or subsequent breach thereof. Any amendments or modifications to this Ground Lease, including, without limitation, amendments to or modifications to the exhibits to this Ground Lease, will be subject to the mutual written agreement of City and Tenant, and City’s agreement may be made upon the sole approval of the City’s Director of Property, or his or her designee; provided, however, material amendments, or modifications to this Ground Lease (a) changing the legal description of the Land, (b) increasing the Term, (c) increasing the Rent, (d) changing the general use of the Premises from the use authorized under this Ground Lease, and (e) any other amendment or modification which materially increases the City’s liabilities or financial obligations under this Ground Lease will additionally require the approval of the City’s Board of Supervisors.

MEMORANDUM OF GROUND LEASE

This Memorandum of Ground Lease (“Memorandum”) is entered into as of [____], 2023, by and between the CITY AND COUNTY OF SAN FRANCISCO, a municipal corporation (the “**City**”), acting by and through its Real Estate Division and the Mayor's Office of Housing and Community Development, as landlord (“**City**”), and 730 STANYAN ASSOCIATES, L.P., a California limited partnership (“**Tenant**”), as tenant, with respect to that certain Ground Lease (the “**Lease**”) dated _____, 2023, between the City and Tenant.

Under the Lease, City hereby leases to Tenant and Tenant leases from City the real property more particularly described in Exhibit A attached hereto and incorporated herein by this reference (the “**Property**”). The Lease will commence on the date this Memorandum is recorded in the Official Records of the City and County of San Francisco and will end on the date that is seventy-five (75) years from the date set forth above, subject to a (twenty-four (24) year option to extend, unless terminated earlier or extended pursuant to the terms of the Lease.

It is the intent of the parties to the Lease that the Lease creates a constructive notice of severance of the Improvements (as defined in the Lease), without the necessity of a deed from Lessor to Lessee, which Improvements are and will remain real property.

The Lease contains the following restrictions under the No Place Like Home Program: The Project will comply with the NPLH Funds Restrictions (as defined in the Lease) on nineteen (19) Residential Units (as defined in the Lease) whereby occupancy will be restricted to households with at least one member who has a serious mental illness and who is homeless, chronically homeless, or at-risk of chronic homelessness, as incorporated into the MOHCD Declaration of Restrictions (as defined in the Lease) and the MOHCD Loan Agreement (as defined in the Lease), for 55 years.

This Memorandum is solely for recording purposes and will not be construed to alter, modify, amend, or supplement the Lease, of which this is a memorandum.

This Memorandum may be signed by the parties hereto in counterparts with the same effect as if the signatures to each counterpart were upon a single instrument. All counterparts will be deemed an original of this Memorandum.

Notwithstanding any statement on the face of this Memorandum or on any attachment to the Memorandum of the amount of documentary transfer tax due in connection with the Lease, City's signature on this Memorandum does not constitute the City Assessor Recorder's agreement that the real property transfer tax due is that amount.

Executed as of _____, 2023 in San Francisco, California.

1.2 Interpretation. The following rules of construction will apply to this Agreement and the other City Documents.

(a) The masculine, feminine or neutral gender and the singular and plural forms include the others whenever the context requires. The word "include(s)" means "include(s) without limitation" and "include(s) but not limited to," and the word "including" means "including without limitation" and "including but not limited to" as the case may be. No listing of specific instances, items or examples in any way limits the scope or generality of any language in this Agreement. References to days, months and years mean calendar days, months and years unless otherwise specified. References to a party mean the named party and its successors and assigns.

(b) Headings are for convenience only and do not define or limit any terms. References to a specific City Document or other document or exhibit mean the document, together with all exhibits and schedules, as supplemented, modified, amended or extended from time to time in accordance with this Agreement. References to Articles, Sections and Exhibits refer to this Agreement unless otherwise stated.

(c) Accounting terms and financial covenants will be determined, and financial information will be prepared, in compliance with GAAP as in effect on the date of performance. References to any Law, specifically or generally, will mean the Law as amended, supplemented or superseded from time to time.

(d) The terms and conditions of this Agreement and the other City Documents are the result of arms'-length negotiations between and among sophisticated parties who were represented by counsel, and the rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not apply to the construction and interpretation of the City Documents. The language of this Agreement will be construed as a whole according to its fair meaning.

ARTICLE 2 FUNDING.

2.1 Funding Amount. The City agrees to lend to Borrower a maximum principal amount equal to the Funding Amount in order to finance the development and construction of the Project. Borrower acknowledges and agrees that a portion of the Funding Amount is the AHP Bridge Loan. The Funding Amount will be disbursed according to the terms and subject to the conditions set forth in this Agreement. To determine the Funding Amount under this Agreement, the City used the underwriting standards that have been submitted and approved by HCD. In the event of any amendment to the City Documents, City will submit copies of all loan guidelines and underwriting standards and procedures for review and approval by HCD.

2.2 Use of Funds. Borrower acknowledges that the City's agreement to make the Loan is based in part on Borrower's agreement to use the Funds solely for the purpose set forth in **Section 2.1** and agrees to use the Funds solely for that purpose in accordance with the approved Table of Sources and Uses. Notwithstanding anything to the contrary contained herein, City will not approve expenditure of Funds for expenses incurred by Borrower prior to the Agreement Date, except for predevelopment expenses approved by MOHCD under the Original Loan Agreement, or approve of any expenditure of 2019 GO Bond Funds for expenses incurred by Borrower earlier than sixty (60) days prior to the City's declaration of its official intent to reimburse such expenses with proceeds of the 2019 GO Bond.

2.3 Accounts; Interest. Each Account to be maintained by Borrower under this Agreement will be held in a bank or savings and loan institution acceptable to the City as a segregated account that is insured by the Federal Deposit Insurance Corporation or other comparable federal insurance program. With the exception of tenant security deposit trust accounts, Borrower will use any interest earned on funds in any Account for the benefit of the Project.

2.4 Records. Borrower will maintain and provide to the City upon request records that accurately and fully show the date, amount, purpose and payee of all expenditures from each Account authorized under this Agreement or by the City in writing and keep all estimates, invoices, receipts and other documents related to expenditures from each Account. In addition, Borrower will provide to the City promptly following Borrower's receipt, complete copies of all monthly bank statements, together with a reconciliation, for each Account until all funds (including accrued interest) in each Account have been disbursed for eligible uses.

2.5 Conditions to Additional Financing. The City may grant or deny any application by Borrower for additional financing for the Project in its sole discretion.

2.6 Additional Requirements. As a condition of the Loan, Borrower will complete the following after the close of the Loan and prior to the Conversion Date:

- (a) MOHCD reserves the right to request the Borrower (and affiliates) transfer operation (assuming a \$1/year lease and CAM payment minimum is met) of the neighborhood-community serving center, (subject an approved lease between the Borrower and

future tenant), to another entity, if an appropriate community serving operator is identified by MOHCD. Such right will expire upon full repayment of the Loan

- (b) MOHCD to review and approve commercial space plans and budgets, for all commercial spaces including the neighborhood-serving community center, within three months after the Completion Date. Borrower will undertake affirmative efforts throughout the construction period to recruit tenants for all commercial spaces. In the event such efforts do not identify an appropriate tenant for a given identified commercial space, MOHCD staff may approve alternative community serving tenants consistent with Planning Department requirements.
- (c) Commencing after the close of the Loan, Borrower will deliver to MOHCD quarterly updated responses to any letters requesting corrective action received by Borrower.
- (d) Borrower will deliver to MOHCD an updated first year operating budget and 20-year cash flow – if any changes have occurred – by November 1st prior to the anticipated Completion Date so that MOHCD may request the LOSP subsidy.
- (e) Borrower will include in the MOHCD Monthly Project Update require under Section 10.2 any construction issues related to neighbor agreements, construction staging and construction timing and street closures. Borrower will also identify opportunities to avoid increased delays or costs and seek MOHCD assistance.
- (f) Borrower will provide Early Childhood and Education Center (“ECEC”) operating plan and an appropriate signed lease no later than the earlier of: (i) three (3) months after the Completion Date or (ii) commercial sublease signing.
- (g) No later than 90 days prior to the first lease payment (by the ECEC), MOHCD staff shall evaluate the operating plan, population served, and subsidies (e.g., Head Start) and determine an appropriate lease rate between \$1 year to \$12,000 per year. Such review shall incorporate ensuring fiscal projections of ECEC, subsidies provided, and population served.
- (h) In the event MOHCD and ECEC identify a capital source, and mutual agreement (by MOHCD and ECEC) to pursue subdivision (with the prior approval of the Senior Lenders and Limited Partner) of the commercial space reserved for the ECEC, and/or Bay 1 (Food Hall/Restaurant), and/or Bay 2 (Micro Retail), Borrower will allow for and facilitate subdivision of the commercial space, utilizing a 80% (tenant or tenant partner) and 20% (Borrower) cost split for associated legal costs as is considered customary and reasonable.
- (i) Borrower will obtain both executed neighbor agreements and approval from SFMTA of all required traffic control plans prior to construction start.

2.7 AHP Loan. Borrower will apply for an AHP loan for permanent financing of the Project to the Federal Home Loan Bank of San Francisco in 2024 and if not awarded, then in each subsequent year until the Completion Date. If Borrower’s application for the AHP loan is denied, Borrower will continue to apply for an AHP loan to the Federal Home Loan Bank of San Francisco until Borrower is no longer eligible for AHP funding. If awarded AHP funds, and subject to any requirements of the San Francisco Federal Home Loan Bank Affordable Housing Program, Borrower will use the AHP Loan to repay the AHP Bridge Loan, or any portion thereof, as set forth in Article 3. Borrower will submit to MOHCD a preliminary AHP application with a self-score prior to submission to the Federal Home Loan Bank.

ARTICLE 3 TERMS. Borrower's repayment obligations with respect to the Funding Amount will be evidenced and governed by the Note, which will govern in the event of any conflicting provision in this Agreement.

3.1 Maturity Date. Borrower will repay all amounts owing under the City Documents on the date that is the later of (a) the fifty-seventh (57th) anniversary of the date the Deed of Trust is recorded in the Official Records or (b) the fifty-fifth (55th) anniversary of the Conversion Date (the "Maturity Date").

3.2 Compliance Term; Declaration of Restrictions. Borrower will comply with all provisions of the City Documents relating to the use of the Site and the Project as set forth in the Declaration of Restrictions to be recorded in the Official Records, for the period commencing on the date the Deed of Trust is recorded in the Official Records and continuing for the Life of the Project (the "Compliance Term"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed before the end of the Compliance Term.

3.3 Interest. Except as provided in Section 3.4, [one percent (1%)] interest will be charged on the City Loan Amount, except no interest will be charged on the NPLH Loan Amount.

3.4 Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, the principal balance of the Loan will bear interest at the default interest rate set forth in the Note, with such default interest rate commencing as of the date an Event of Default occurs and continuing until such Event of Default is fully cured. In addition, the default interest rate will apply to any amounts to be reimbursed to the City under any City Document if not paid when due or as otherwise provided in any City Document.

3.5 Repayment of Principal and Interest. Except as set forth in **Section 3.5.1** and **Section 3.5.2** below, the outstanding principal balance of the Loan, together with all accrued and unpaid interest, if any, will be due and payable on the Maturity Date according to the terms set forth in full in the Notes. Except as set forth in the Notes, no prepayment of the Loan will be permitted without the prior written consent of the City in its sole and absolute discretion.

3.5.1 Notification and Repayment of Excess Proceeds. Borrower will notify the City in writing within thirty (30) days after the later of the date on which Borrower receives its Form 8609 from the California Tax Credit Allocation Committee or the date on which Borrower receives Excess Proceeds from its Limited Partner or other financing sources. Borrower will repay all Excess Proceeds to the City no later than sixty (60) days after receipt of such notification, unless the City has elected to waive such payment. The City will use such Excess Proceeds to reduce the balance of the Loan.

3.5.2 Notification and Repayment of AHP Bridge Loan. If Borrower is awarded AHP funding for the Project, Borrower will deliver to the City a copy of the award notice of such AHP funding award no later than ten (10) days of receiving written notice, unless the City has received such written notice prior to the Agreement Date. Borrower will make a payment with

respect to the AHP Bridge Loan to the City within three hundred sixty-five (365) days of the date the Borrower is awarded AHP funding; provided, however, that if (i) Borrower is not awarded AHP funding for the Project or receives AHP funding sufficient for only partial repayment of the AHP Bridge Loan, or (ii) City has elected waive all or a portion of such payment, the unpaid principal balance of the AHP Bridge Loan will be due and payable at the Maturity Date according to the terms set forth in full in the City Note.

3.6 Changes In Funding Streams. The City's agreement to make the Loan on the terms set forth in this Agreement and the Note is based in part on Borrower's projected sources and uses of all funds for the Project, as set forth in the Table of Sources and Uses. Borrower covenants to give written notice to the City within thirty (30) days of any significant changes in budgeted funding or income set forth in documents previously provided to the City. Examples of significant changes include loss or adjustments (other than regular annual adjustments) in funding under Shelter + Care, Section 8 or similar programs, but significant changes do not include a reduction in anticipated rental income or reasonable delay in lease-up of the Project.

3.7 Failure to Provide Budgeted Supportive Services. If Borrower fails to provide Supportive Services in the amount shown in the approved 20-Year Cash Flow Proforma, Borrower will provide notice to the City within 10 business days of the date the Supportive Services were terminated, which notice will include, at a minimum, a proposed plan to restore the Supportive Services within a reasonable period of time. If at the time such notice is provided, Borrower is unable to propose a feasible plan for restoring the Supportive Service, Borrower will include in the notice a detailed explanation as to the cause of the termination of Supportive Services and the reasons why it would not be feasible to restore the Supportive Services within a reasonable period of time.

3.8 Additional City Approvals. Borrower understands and agrees that City is entering into this Agreement in its proprietary capacity and not as a regulatory agency with certain police powers. Borrower understands and agrees that neither entry by City into this Agreement nor any approvals given by City under this Agreement will be deemed to imply that Borrower will obtain any required approvals from City departments, boards or commissions which have jurisdiction over the Property. By entering into this Agreement, City is in no way modifying or limiting the obligations of Borrower to develop the Property in accordance with all local laws. Borrower understands that any development of the Property will require approvals, authorizations and permits from governmental agencies with jurisdiction over the Property, which may include, without limitation, the San Francisco City Planning Commission and the San Francisco Board of Supervisors. Notwithstanding anything to the contrary in this Agreement, no party is in any way limiting its discretion or the discretion of any department, board or commission with jurisdiction over the Project, including but not limited to a party hereto, from exercising any discretion available to such department, board or commission with respect thereto, including but not limited to the discretion to (i) make such modifications deemed necessary to mitigate significant environmental impacts, (ii) select other feasible alternatives to avoid such impacts, including the "No Project" alternative; (iii) balance the benefits against unavoidable significant impacts prior to taking final action if such significant impacts cannot otherwise be avoided, or (iv) determine not to proceed with the proposed Project.

ARTICLE 4 CLOSING; DISBURSEMENTS.

4.1 Generally. Subject to the terms of this Agreement, the City will make Disbursements in an aggregate sum not to exceed the Funding Amount to or for the account of Borrower in accordance with this Agreement and the approved line item budget contained in the Table of Sources and Uses.

4.2 Closing. Unless otherwise agreed by the City and Borrower in writing, Borrower will establish an escrow account with the title company issuing the Title Policy, or any other escrow agent Borrower chooses, subject to the City's approval (the "Escrow Agent"). The parties will execute and deliver to the Escrow Agent written instructions consistent with the terms of this Agreement. In the event the escrow does not close on or before the expiration date of escrow instructions signed by the City, or any other mutually agreed date, the City may declare this Agreement to be null and void.

4.3 Conditions Precedent to Closing. The City will authorize the close of the Loan only upon satisfaction of all conditions precedent in this Section as follows:

(a) Borrower will have delivered to the City fully executed (and for documents to be recorded, acknowledged) originals of the following documents, in form and substance satisfactory to the City: (i) the City Note; (ii) the NPLH Note; (iii) this Agreement (in duplicate); (iv) the Deed of Trust; (v) the Declaration of Restrictions; (vi) the Opinion; (vii) the Authorizing Resolutions; (viii) the Developer Fee Agreement; and (ix) any other City Documents reasonably requested by the City.

(b) Borrower will have delivered to the City: (i) Borrower's Charter Documents; and (ii) a comprehensive maintenance and operating plan for the Project duly approved by Borrower's governing body that includes, but is not limited to, plans for emergencies and emergency maintenance, vacant unit turnover, preventive maintenance and inspection schedule, and marketing and resident selection. The Charter Documents will be delivered to the City in their original form and as amended from time to time and be accompanied by a certificate of good standing for Borrower issued by the California Secretary of State and, if Borrower is organized under the laws of a state other than California, a certificate of good standing issued by the Secretary of State of the state of organization, issued no more than ninety (90) days before the Agreement Date.

(c) Borrower will have delivered to the City evidence of all insurance policies and endorsements required under **Exhibit L** of this Agreement and, if requested by the City, copies of such policies.

(d) Borrower will have delivered to the City satisfactory evidence that Borrower has obtained commitments for any additional financing that may be required for the Project, in amounts and from lenders or investors satisfactory to the City in its sole discretion.

(e) Borrower will have delivered to the City a preliminary report on title for the Site dated no earlier than thirty (30) days before the Agreement Date.

(f) Borrower will have delivered to the City a "Phase I" environmental report for the Site, or any other report reasonably requested by the City, prepared by a professional hazardous materials consultant acceptable to the City.

(g) The Escrow Agent will have received and is prepared to record the Declaration of Restrictions and Deed of Trust as valid liens in the Official Records, subject only to the Permitted Exceptions.

(h) The Escrow Agent will have committed to provide to the City the Title Policy in form and substance satisfactory to the City.

(i) Borrower will have provided a true debt test with respect to the Project's ability to sustain a higher interest rate (up to 3%) instead of a 0% interest rate for the City Loan Amount. In the event the Project's true debt test can support a higher (up to 3%) interest rate, such a rate will be applied to the City Loan Amount.

(j) Borrower will have delivered to MOHCD a fully developed resident services budget to be presented and approved by MOHCD.

(k) Borrower will have delivered to MOHCD operating and development budgets that satisfy both MOHCD underwriting guidelines and Commercial Underwriting Guidelines.

(l) Borrower will have continued to seek opportunities to model leveraging additional debt, to bring DSCR down to 1.10 (through Year 20) and provided MOHCD with an updated development budget, including taking on a longer debt term.

(m) Borrower will have provided MOHCD with information outlining cost containment, efficiencies and innovation strategies to reduce overall project costs and maximize efficiency of MOHCD Loan, including, but not limited to, value engineering (VE) for construction cost reduction, and reducing the City Loan Amount (e.g., increased permanent private debt or reduced loan costs).

(n) Borrower will have provided to MOHCD an analysis and plan for a higher commercial property tax assessment on the commercial spaces, if applicable.

(o) Borrower will obtain both executed neighbor agreements and approval from SFMTA of all required traffic control plans prior to construction start.

4.4 Disbursement of Funds. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds as provided in the City's escrow instructions.

4.5 Disbursements. The City's obligation to approve any expenditure of Funds after Loan closing is subject to Borrower's satisfaction of the conditions precedent under this Section as follows:

(a) Borrower will have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The City may grant or withhold its approval of any line item contained in the Expenditure Request that, if funded, would cause it to exceed the budgeted line item as previously approved by the City. Additionally, Borrower will obtain prior written approval for all requested reallocations of Funds for line items previously approved by the City.

(b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

(c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower will have certified to the City that the Project complies with the labor standards set forth in **Exhibit E** and **Section 5.1**, if applicable.

(d) With respect to any Expenditure Request that covers travel expenses, Borrower's travel expenses will be reasonable and will comply with the following:

(i) Lodging, meals and incidental expenses will not exceed the then-current per diem rates set forth by the United States General Services Administration for the County of San Francisco found at: <https://www.gsa.gov/portal/category/104711>.

(ii) Air transportation expenses will use fares for coach-class accommodations, provided that purchases for air travel will occur no less than one week before the travel day.

(iii) If ground transportation is required, the City urges the use of public transit or courtesy shuttles if provided by a lodging. If courtesy transportation is not provided by a lodging, ground transportation expenses for travel to or from regional airports will not exceed Fifty Dollars (\$50.00) each way. Other ground transportation expenses will not exceed then-current San Francisco taxi rates found at: <https://www.sfmta.com/getting-around/taxi/taxi-rates>. Ground transportation will not include any expenses for luxury transportation services, such as a limousine, or any expenses related to travel to or from Project site meetings by Borrower's employees.

(iv) Miscellaneous travel expenses will not exceed Fifty Dollars (\$50.00) without prior written approval of the City.

(v) Any Expenditure Request for travel expenses will include supporting documentation, including, without limitation, original itemized receipts showing rates and cost, air travel itinerary, proof of payment, and any written justification requested by the City.

For the purpose of this Section, the terms “lodging,” “meals” and “incidental expenses” will have the same meanings defined in 41 CFR Part 300-3; the term “coach-class” will have the same meaning defined in 41 CFR Part 301-10.121(a); and the term “miscellaneous” means copying services, printing services, communication services, or other services reasonably related to travel for the Project and approved by the City.

(e) The Loan will be In Balance.

4.6 Loan In Balance. The City may require Borrower to pay certain costs incurred in connection with the Project from sources of funds other than the Loan at any time the City determines that the Loan is Out of Balance. When the City is satisfied that the Loan is again In Balance, the City will recommence making Disbursements for Expenditure Requests meeting the conditions set forth above.

4.7 Retention. In addition to the other conditions to Disbursements, Borrower acknowledges that the amount of hard costs or tenant improvements costs included in any Expenditure Request associated with rehabilitation or construction, when added to previously approved costs, may not exceed ninety percent (90%) of the approved budgeted costs on a line item basis. The remaining ten percent (10%) of approved budgeted hard costs or tenant improvement costs associated with rehabilitation or construction will be held by the City and/or other Project lenders (the “Retention”) and may be released only upon satisfaction of all requirements listed in the Construction Manager’s Checklist for Release of Retention included in the Contracting Manual and as follows:

(a) Early Retention Release. After fifty percent (50%) of the rehabilitation or construction of the Project is complete as determined by the City, Borrower may submit a written request to the City to release up to fifty percent (50%) of the Retention, provided that the following prerequisites have been met: (i) all work required to be performed by all parties for whom the City agrees to release the Retention (the “Early Retention Release Contractors”) has been completed in conformance with the terms of the applicable contract documents, the plans and specifications approved by the City and all applicable Laws; (ii) the applicable Early Retention Release Contractors have filed unconditional lien waivers satisfactory to the City; (iii) no liens or stop notices have been filed against the Project and no claims are pending; (iv) the City determines that the contingency is in balance and adequate to complete the Project; (v) the Project is on schedule, and (vi) Expenditure Requests will not exceed 95% of the approved budgeted costs on a line item basis.

(b) Retention Release After Project Completion. Borrower may request disbursement of the remaining percentage amount of the Retention only upon the satisfaction of each of the following conditions, unless otherwise approved in writing by the City:

(i) completion of rehabilitation or construction of the Project in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion; (ii) timely recordation of a notice of completion; and (iii) either expiration of the lien period and the absence of any unreleased mechanics' liens or stop notices or recordation of the lien releases of all contractors, subcontractors and suppliers who provided labor or materials for the Project.

4.8 Limitations on Approved Expenditures. The City may refuse to approve any expenditure: (a) during any period in which an event that, with notice or the passage of time or both, would constitute an Event of Default remains uncured, or during the pendency of an uncured Event of Default; or (b) for disapproved, unauthorized or improperly documented expenses. The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

ARTICLE 5 DEMOLITION, REHABILITATION OR CONSTRUCTION.

5.1 Selection Requirements. Borrower's procurement procedures, contracts, and subcontracts will comply, and where applicable, require its contractors and subcontractors to comply, with the applicable labor requirements under **Exhibit E** of this Agreement, including, but not limited to, the selection of all contractors and professional consultants for the Project and payment of prevailing wage.

5.2 Plans and Specifications. Before starting any demolition, rehabilitation or construction on the Site, Borrower will have delivered to the City, and the City will have reviewed and approved, plans and specifications and the construction contract for the Project entered into between Borrower and Borrower's general contractor and approved by the City (the "Construction Contract"). The plans approved by the City will also be approved by the City and County of San Francisco's Department of Building Inspection (the "Department of Building Inspection") (collectively, the "Approved Plans") prior to the start of any demolition, rehabilitation or construction on the Site. The Approved Plans will be explicitly identified in the Construction Contract. The specifications approved by the City, including the funder requirements and the technical specifications (the "Approved Specifications") will also be explicitly identified in the Construction Contract. The Construction Contract may include funder requirements not otherwise addressed in the Approved Specifications. After completion of the Project, Borrower will retain the Approved Plans as well as "as-built" plans for the Project, the Approved Specifications and the Construction Contract, all of which Borrower will make available to the City upon request. MOHCD hereby approves the Construction Contract and plans and specifications for the Project provided to the City as of the Agreement Date.

5.3 Change Orders. Borrower may not approve or permit any change orders to the plans and specifications approved by the City without the City's prior written consent. Borrower will provide adequate and complete backup documentation for analysis of the appropriateness of the change order request to the City. Such backup documentation will include confirmation that the requested change order has been reviewed, vetted/negotiated and accepted by (with modifications where appropriate) the Borrower and architect/engineer prior to submission to the City. The City will provide any questions, comments or requests for additional information to Borrower within five (5) business days of receipt of a change order request. In the event the City requests further information, the period will be extended by five (5) business days from receipt of that information. City will promptly review and approve or disapprove of a change order request within ten (10) business days of a complete submission by Borrower. In the event the City fails to approve or disapprove the change order request within such ten (10) business day period, the change order will be deemed approved. If the City denies a change order request, it will specify the reasons for the denial in writing. Borrower will submit on a monthly basis, or as requested by MOHCD, a contingency balance report (in Excel format or equivalent) which documents all change orders as approved, pending, or under review. Borrower acknowledges that the City's approval of any change order will not constitute an agreement to amend the Table of Sources and Uses or to provide additional Funds for the Project, unless the City agrees in its sole discretion to amend the Table of Sources and Uses or provide additional Funds for that purpose.

5.4 Insurance, Bonds and Security. Before starting any demolition, rehabilitation or construction on the Site, Borrower will deliver to the City insurance endorsements and bonds as described in **Exhibit L**. At all times, Borrower will take prudent measures to ensure the security of the Site.

5.5 Notice to Proceed. No demolition, rehabilitation or construction may commence until Borrower has issued a written notice to proceed with the City's approval.

5.6 Commencement and Completion of Project. Unless otherwise extended in writing by the City, Borrower will: (a) commence demolition, rehabilitation or construction by a date no later than June 12, 2023; (b) complete demolition, rehabilitation or construction by a date no later than September 1, 2025, in accordance with the plans and specifications approved by the City, as evidenced by a certificate of occupancy or equivalent certification provided by the City's Department of Building Inspection, and an architect's or engineer's certificate of completion (the "Completion Date"); and (c) achieve occupancy of one hundred percent (100%) of the Units by a date no later than September 1, 2026.

5.7 Rehabilitation/Construction Standards. All rehabilitation or construction will be performed in a first class manner, substantially in accordance with final plans and specifications approved by the City and in accordance with all applicable codes.

ARTICLE 6 MARKETING.

6.1 Marketing and Tenant Selection Plan. No later than twelve (12) months before the Completion Date, Borrower will deliver to the City for the City's review and approval an affirmative plan for initial and ongoing marketing of the Units and a written Tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the "Marketing and Tenant Selection Plan"), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City. In addition to the requirements under Section 6.2, Borrower's draft Marketing and Tenant Selection Plan will provide the affirmative steps Borrower will take to market the Project to the City's preference program participants, including COP Holders, Displaced Tenants, and Neighborhood Residents, as well as how the marketing is consistent with the Mayor's Racial Equity statement and promotion of positive outcomes for African American San Franciscans. Borrower will obtain the City's approval of reasonable alterations to the Marketing and Tenant Selection Plan. Borrower will market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City.

6.2 Affirmative Marketing and Tenant Selection Plan Requirements. Borrower's Marketing and Tenant Selection Plan will address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List, as defined in Section 6.5. The Marketing and Tenant Selection Plan will include as many of the following elements as are appropriate to the Project, as determined by the City:

(a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.

(b) A plan that satisfies the requirement to give preference in occupying units in accordance with the Preferences and Lottery Manual and the Preferences Ordinance. Notwithstanding the foregoing, in the event of a conflict between these provisions and the provisions of Section 42 of the Internal Revenue Code of 1986, as amended, and the regulations promulgated therewith, the provisions of such Section 42 (and the applicable regulations) shall control.

(c) Advertising in local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households. All advertising will display the Equal Housing Opportunity logo.

(d) Notices to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.

(e) Notices to SFHA.

(f) Notices to MOHCD.

(g) To the extent practicable, without holding Units off the market, the community outreach efforts listed above will take place before advertising vacant Units or open spots on the Waiting List to the general public.

(h) An acknowledgement that, with respect to vacant Units, the marketing elements listed above will only be implemented if there are no qualified applicants interested or available from the Waiting List.

(i) Borrower will use access points and accept referrals from HSH or its successor agencies.

(j) NPLH population targeting requirements for the 19 NPLH units (composed of 12 TAY NPLH units and 7 family NPLH units).

6.3 Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements:

(a) Borrower's Marketing and Tenant Selection Plan will comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached Exhibit H. The Marketing and Tenant Selection Plan will be kept on file at the Project at all times.

(b) Borrower's tenant screening criteria will comply with the Tenant Screening Criteria Policy set forth in the attached Exhibit I.

6.4 Marketing Records. Borrower will keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.

6.5 Waiting List. Borrower's Marketing and Tenant Selection Plan will contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but will limit the number of refusals without cause as approved by the City. Borrower will at all times maintain the Waiting List. Upon the vacancy of any Unit, Borrower will first attempt to select the new Tenant for such Unit from the Waiting List, and shall only market the Unit to the general public after determining that no applicants from the Waiting List qualify for such Unit. The Waiting List will be kept on file at the Project at all times.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect: (a) for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the Deed of Trust; (b) for any Unit that has been subject to a regulatory agreement with TCAC, for a period ending three (3) years after the date of any transfer of the Project by foreclosure or deed-in-lieu of foreclosure; and (c) with respect to any Unit occupied by a Qualified Tenant at expiration of either the Compliance Term or the 3-year period referred to in **Subsection (b)** above, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause. The requirements to comply with the provisions of Internal Revenue Code Section 42, including Section 42(h)(6)(E)(ii), are hereby acknowledged.

7.2 Borrower's Covenant.

(a) Borrower covenants to rent all Units (except one Unit reserved for the manager of the Project) at all times to households certified as Qualified Tenants at initial occupancy, as set forth in **Exhibit A**. In addition, (i) thirty two (32) Units will be rented to Homeless Households during the period in which the City's Local Operating Subsidy Program is in operation and the City provides the Local Operating Subsidy to the Project, of which nineteen (19) Units will be targeted to residents who qualify under the Homeless Household under NPLH Criteria, and (ii) thirty two_ (32) Units will be rented to holders of Section 8 certificates or vouchers and referred from SFHA during the term of the HAP Contract.

(b) A Tenant who is a Qualified Tenant at initial occupancy may not be required to vacate the Unit due to subsequent rises in household income, except as provided in **Section 7.3**. After the over-income Tenant vacates the Unit, the vacant Unit will be rented only to Qualified Tenants as provided in this **Article 7**.

7.3 Rent Restrictions.

(a) Rent charged to each Qualified Tenant may not exceed the amounts set forth in **Exhibit A**, *provided that* Rents may be adjusted annually, subject to the limitations below.

(b) Subject to the Hold Harmless Policy, rents for all Units may be increased once annually up to the maximum monthly rent by unit type as published by MOHCD.

(c) With the City's prior written approval, Rent increases for Units exceeding the amounts permitted under **Section 7.3(b)** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) in no event may single or aggregate increases exceed ten percent (10%) per year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the maximum Rent

permitted under **Section 7.3(a)**. City approval for such Rent increases that are necessary to meet all approved Project Expenses will not be unreasonably withheld.

(d) For any Qualified Tenant participating in a Rent or operating subsidy program where the Rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program. There is no limit on the increase/decrease in Rent charged under this provision, as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**. There is no limit on the number of Rent adjustments that can be made in a year under this provision.

(e) For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, there is no limit on the increase in Rent charged as long as it does not exceed the maximum Rent permitted under **Section 7.3(a)**.

(f) Unless prohibited under any applicable Laws, including without limitation Section 42 of the Internal Revenue Code of 1986, as amended, if the household income of a Qualified Tenant exceeds the maximum permissible income during occupancy of a Unit, then, upon no less than thirty (30) days' prior written notice to the Tenant or as otherwise required under the Tenant's lease or occupancy agreement, Borrower may adjust the charges for Rent for the previously Qualified Tenant to be equal to thirty percent (30%) of the Tenant's adjusted household income. Rents charged under this provision may exceed the Maximum Rent permitted under **Section 7.3(a)**.

7.4 Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project will be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant. In addition, each person will be required to provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Borrower will require each Qualified Tenant in the Project to recertify to Borrower on an annual basis the Qualified Tenant's household income and in accordance with applicable tax credit requirements.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year will be maintained on file at Borrower's principal office, and Borrower will file or cause to be filed copies thereof with the City promptly upon request by the City.

7.5 Form of Lease. The form of lease for Tenants will provide for termination of the lease and consent to immediate eviction for failure to: (i) qualify as a Qualified Tenant if the Tenant has made any material misrepresentation in the initial income certification, or (ii) submit to Borrower an annual recertification of income. The initial term of the lease will be for a period

of not less than one (1) year. Borrower will not terminate the tenancy or refuse to renew any lease of a Unit except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Laws or other good cause. Any termination or refusal to renew the lease for a Unit will be preceded by not less than thirty (30) days' written notice to the Tenant specifying the grounds for the action.

7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 Security Deposits. Security deposits may be required of Tenants only in accordance with applicable state law and this Agreement. Borrower will segregate any security deposits collected from all other funds of the Project in an Account held in trust for the benefit of the Tenants and disbursed in accordance with California law. The balance in the trust Account will at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to Tenants.

7.8 Commercial Space. At least sixty (60) days prior to the date that build-out of the Commercial Space begins, Borrower will obtain MOHCD's review and approval of proposed leases and development plans for the Commercial Space. All leases of Commercial Space will be to bona fide third party tenants capable of performing their financial obligations under their leases, which will reflect arms'-length transactions at the then-current market rental rate for comparable space, *provided that*, leases for Public Benefit Purposes may be at below-market rates so long as the sum of Project Income and Commercial Income meets approved cash flow requirements for the Project. Allowed uses of Commercial Space will be consistent with all applicable local planning and building codes and be reasonably compatible with the design and purpose of the Project. Each lease of Commercial Space will restrict its use to Public Benefit Purposes or Community Serving Purposes or all Commercial Surplus Cash generated as a result of a market-rate lease of the Commercial Space will be directed toward repayment of the Loan or used for a Public Benefit Purpose. All Commercial Surplus Cash will be subject to the MOHCD Policy on the Use of Residual Receipts. Each lease of Commercial Space will comply with the MOHCD Commercial Underwriting Guidelines as set forth in **Exhibit O** herein.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement

of capital items. Borrower will maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and the applicable provisions of 24 CFR Part 35.

8.2 Contracting With Management Agent.

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract will contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Tenderloin Neighborhood Development Corporation as Borrower's management agent, subject to approval of the management contract.

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower will exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 Borrower Management. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL APPROVALS AND REQUIREMENTS.

9.1 Approvals. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

9.2 Borrower Compliance. Borrower will comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E** and **Exhibit L**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 17.2**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

(a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Borrower will cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

(b) Borrower will keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. The Annual Monitoring Report will be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.

(b) If the source of Funds is Federal Funding, Borrower will also provide an annual accounting of program income, as defined in applicable federal regulations.

10.4 Capital Needs Assessment. In accordance with the CNA Policy, Borrower will deliver to MOHCD an updated CNA every five (5) years after the Completion Date for approval.

10.5 Project Completion Report. Within the specific time periods set forth below after the completion of rehabilitation or construction, the lease-up and/or permanent financing of the Project, as applicable, Borrower will provide to the City the reports listed below certified by Borrower to be complete and accurate. Subsequent to the required submission of the reports listed below, Borrower will provide to the City information or documents reasonably requested by the City to assist in the City's review and analysis of the submitted reports:

(b) within one hundred-eighty (180) days after the Completion Date, a report on compliance with the applicable requirements under **Section 5.1** of this Agreement, including the type of work and the dollar value of such work; and

(c) within ninety (90) days after the Completion Date, a report demonstrating compliance with all requirements regarding relocation, including the names of all individuals or businesses occupying the Site on the date of the submission of the application for Funds, those moving in after that date, and those occupying the Site upon completion of the Project.

10.6 Response to Inquiries. At the request of the City, its agents, employees or attorneys, Borrower will respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

10.7 Delivery of Records. At the request of the City, made through its agents, employees, officers or attorneys, Borrower will provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:

(a) Borrower will deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses and Partnership Fees. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower will keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower will provide copies of the records to the City upon request.

ARTICLE 12 REQUIRED RESERVES.

12.1 Replacement Reserve Account.

(a) Commencing no later than Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each month following establishment of the Replacement Reserve Account, Borrower will make monthly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary. All reserves held by any lenders or equity providers with respect to the Project will be credited toward the applicable City reserve requirement hereunder on a dollar for dollar basis.

(b) Monthly deposits will equal a minimum of \$500 per unit per year.

After the Project's first five (5) years of operation, Borrower may request adjustments every five (5) years based on its most recently approved CNA.

(c) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval, which approval will not be unreasonably withheld, conditioned or delayed.

12.2 Operating Reserve Account.

(a) Commencing no later than Conversion Date, or any other date the City designates in writing, Borrower will establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to twenty-five percent (25%) of the approved budget for Project Expenses for the first full year of operation of the Project. The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.

(b) No less than annually after establishing the Operating Reserve Account and continuing until the Compliance Term has expired, Borrower will make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses, as allowable by Project Income.

(c) Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses

that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

ARTICLE 13 DISTRIBUTIONS.

13.1 Definition. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.

13.2 Conditions to Distributions. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 Prohibited Distributions. No Distribution may be made in the following circumstances:

- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
- (d) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loan is out of balance) under any City Document.

13.4 Borrower's Use of Residual Receipts for Development. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval Borrower may a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as **Exhibit P** and in all events repayment of the Loan will be made consistent with Section 6.02(g) of the Ground Lease. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the City Note.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 Distribution and Use. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower will allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower will notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 Amount. The City has approved the payment of development fees to the Developer in an amount not to exceed Two Million Eight Hundred Thousand and No/100 Dollars (\$2,800,000.00) for developing the Project ("Developer Fees"), subject to the Developer Fee Policy and the terms and conditions set forth in full in the Developer Fee Agreement between the City and Developer.

15.2 Fee Payment Schedule. Developer will receive payment of the Developer Fees pursuant to Section 2(b) of the Developer Fee Agreement, provided, however, if there is any conflict between the Partnership Development Fee Agreement and the Developer Fee Agreement, the Partnership Development Fee Agreement will control.

ARTICLE 16 TRANSFERS.

16.1 Permitted Transfers/Consent. Borrower will not cause or permit any voluntary transfer, assignment or encumbrance of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units and/or Commercial Space in the Project; or (b) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion; (c) transfers from Borrower to a limited partnership or limited liability company formed for the tax credit syndication of the Project, where Borrower or an affiliated nonprofit public benefit corporation is the sole general partner or manager of that entity or is the manager of a limited liability company that is the sole general partner or manager of that entity; (d) transfers of the general partnership or manager's interest in Borrower to a nonprofit public benefit corporation approved in advance by the City; (e) transfers of any limited partnership or membership interest

Further, City will not unreasonably withhold or delay its approval of the removal or replacement of a General Partner by the Permitted Limited Partner, pursuant to the Partnership Agreement. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS; INDEMNITY.

17.1 Borrower's Insurance. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower will procure and keep in effect, and cause its contractors and subcontractors to obtain and maintain at all times during any work or construction activities on the Site, the insurance and bonds as set forth in **Exhibit L** from the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County until the expiration of the Compliance Term at no expense to the City.

17.2 Borrower's Indemnity Obligations. Borrower will indemnify, protect, defend and hold harmless each of the Indemnitees from and against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 18** below); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, until the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from

any Environmental Activity occurring before the expiration of the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 9.2 and 18.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct.

17.3 Duty to Defend. Borrower acknowledges and agrees that its obligation to defend the Indemnitees under **Section 17.2**: (a) is an immediate obligation, independent of its other obligations hereunder; (b) applies to any Loss which actually or potentially falls within the scope of **Section 17.2**, regardless of whether the allegations asserted in connection with such Loss are or may be groundless, false or fraudulent; and (c) arises at the time the Loss is tendered to Borrower by the Indemnitee and continues at all times thereafter. In the event any action or proceeding is brought against an Indemnitee by reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower will answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The Indemnitee will give Borrower prompt notice of any Loss and Borrower has the right to defend, settle and compromise any such Loss; provided, however, that the Indemnitee has the right to retain its own counsel at the expense of Borrower if representation of such Indemnitee by the counsel retained by Borrower would be inappropriate due to conflicts of interest between such Indemnitee and Borrower. An Indemnitee's failure to notify Borrower promptly of any Loss does not relieve Borrower of any liability to such Indemnity under **Section 17.2**, unless such failure materially impairs Borrower's ability to defend such Loss. Borrower will seek the Indemnified Party's prior written consent to settle or compromise any Loss if Borrower contends that such Indemnitee shares in liability with respect thereto.

17.4 No Limitation. Borrower's obligations under **Section 17.2** are not limited by the insurance requirements under this Agreement.

17.5 Survival. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

ARTICLE 18 HAZARDOUS SUBSTANCES.

18.1 Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct except as disclosed in the Phase I Environmental Site Assessment performed by Langan Engineering and Environmental Services and dated June 8, 2022 and the Phase II Environmental Site Assessment performed by Langan Engineering and Environmental Services and dated September 24, 2021 or otherwise in writing:

(a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in a previous gas station and dry cleaner; (c) the Site does not consist of any landfill or contain any underground storage tanks, which have been removed; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances, except low concentrations of petro hydrocarbons, heavy metals, and tetrachloroethene (PCE); (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

18.2 Covenant. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower will: (a) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

18.3 Survival. Borrower and City agree that this Article 18 is intended as City's written request for information (and Borrower's response) concerning the environmental condition of the Site as security as required by California Code of Civil Procedure § 726.5; and each provision in this Article (together with any indemnity applicable to a breach of any such provision) with respect to the environmental condition of the Site as security is intended by City and Borrower to be an "environmental provision" for purposes of California Code of Civil Procedure § 736, and as such it is expressly understood that Borrower's duty to indemnify City hereunder will survive: (a) any judicial or non-judicial foreclosure under the Deed of Trust, or transfer of the Property in lieu thereof, (b) the release and reconveyance or cancellation of the Deed of Trust; and (c) the satisfaction of all of Borrower's obligation under the City Documents.

ARTICLE 19 DEFAULT.

19.1 Event of Default. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the Deed of Trust or Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Article 16**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) Either the Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; provided that, if the Borrower provides an alternate funding source to cover a loss of funding or rental subsidy that is reasonably satisfactory to the City, a material adverse impact shall not be deemed to have occurred; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Before a certificate of occupancy or equivalent certification is issued for the Project, Borrower ceases rehabilitation or construction of the Project for a period of twenty-five (25) consecutive calendar days, and the cessation is not excused under **Section 19.3**; or

(o) Borrower is in default of its obligations with respect to the Ground Lease or any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(p) Borrower is in default of its obligations under any other material agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

Notwithstanding the foregoing, if an Event of Default occurs, or an event occurs that, with notice or the passage of time, or both, could constitute an Event of Default, the City shall give Limited Partner the same written notice given to the Borrower as required in this

Agreement, and the Limited Partner will have the right, but not the obligation, to cure any Event of Default on behalf of Borrower, and the City will accept or reject such cure on the same terms as if rendered by Borrower within the time periods provided to Borrower herein (as may be extended by the City to be consistent with time periods provided to Limited Partner to cure similar defaults under the Ground Lease).

19.2 Remedies. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the Deed of Trust or Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the Deed of Trust or Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Notes, together with default interest as provided in the Notes and any other charges due under the Notes and the other City Documents, will become due and payable automatically.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Notes, even if it causes the principal balance to exceed the face amount of the Notes, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls, including, but not limited to, government health orders related to a pandemic or epidemic; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

19.4 City's Recourse. The City's recourse against Borrower following an Event of Default is limited as set forth more specifically in the Notes.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

20.1 Borrower Representations and Warranties. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, including the City, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency. Further, Borrower certifies that neither it nor any of its principals is listed by the City or General Services Administration as debarred, suspended, ineligible or voluntarily excluded from receiving the Funds on the Agreement Date. In addition, Borrower will review the list to ensure that any contractor or subcontractor who bids for a contract is not debarred, suspended, ineligible or voluntarily excluded from participating in City or federal programs and activities in addition to obtaining the certification of each contractor or subcontractor whose bid is accepted.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

(h) The Borrower is duly organized and in good standing under applicable laws of the State of California and is qualified to do business in the City and County of San Francisco.

ARTICLE 21 NOTICES.

21.1 Written Notice. All notices required by this Agreement will be made in writing and may be communicated by personal delivery, by a nationally recognized courier that obtains receipts, facsimile (if followed within one (1) business day by first class mail) or by United States certified mail, postage prepaid, return receipt requested. Delivery will be deemed complete as of the earlier of actual receipt (or refusal to accept proper delivery) or five (5) days after mailing, *provided that* any notice that is received after 5 p.m. on any day or on any weekend or holiday will be deemed to have been received on the next succeeding business day. 21.2 Required Notices. Borrower agrees to provide notice to the City in accordance with **Section 21.1** of the occurrence of any change or circumstance that: (a) will have an adverse effect on the physical condition or intended use of the Project; (b) causes the Loan to be Out of Balance; or (c) will have a material adverse effect on Borrower's operation of the Property or ability to repay the Loan.

21.3 Notice to Limited Partner. The City agrees to deliver a copy of any notice of default to the Limited Partner at the address set forth above at the same time and in the same manner as notice is delivered to Borrower. The City's failure to deliver notice under this Section will not affect or impair the City's right to enforce its rights at law or in equity arising by reason of an Event of Default.

ARTICLE 22 GENERAL PROVISIONS.

22.1 Subordination. The Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines in its sole discretion that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval. Pursuant to San Francisco Administrative Code Chapter 120, the Declaration of Restrictions will not be subordinated to any financing secured by and used for the Project.

22.2 No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

22.3 No Claims by Third Parties. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower will include this requirement as a provision in any contracts for the development of the Project.

22.4 Entire Agreement. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

22.5 City Obligations. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

22.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's

performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

22.7 No Inconsistent Agreements. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

22.8 Inconsistencies in City Documents. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

22.9 Governing Law; Venue. This Agreement is governed by California law and the City's Charter and Municipal Code without regard to its choice of law rules. Any legal suit, action, or proceeding arising out of or relating to this Agreement shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Agreement has been brought in an inconvenient forum. The Parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

22.10 Joint and Several Liability. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

22.11 Successors. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

22.12 Reserved.

22.13 Severability. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

22.14 Time. Time is of the essence in this Agreement. Whenever the date on which an action will be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

22.15 Further Assurances. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

22.16 Binding Covenants. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests (other than Tenants and approved commercial tenants), in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

22.17 Consent. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

22.18 Counterparts. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

22.19 Borrower's Personnel. The Project will be implemented only by competent personnel under the direction and supervision of Borrower.

22.20 Borrower's Board of Directors. Borrower, or Borrower's manager or general partner, or each General Partner's managing member, as applicable, will at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors will meet regularly and maintain appropriate membership, as established in the bylaws and other governing documents of Borrower, Borrower's manager or Borrower's general partner, or each General Partner's managing member, as applicable, and will adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Such board of directors will exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

Thirty Two (32) Units will be made available to Homeless Households during the period in which the City’s Local Operating Subsidy program is in operation and the City provides such subsidy to the Project under the LOSP Agreement.

Of those thirty two (32) Units, nineteen (19) Units will be NPLH units and targeted to residents who meet the Homeless Household under No NPLH Criteria for a period of 55 years. Such NPLH units are restricted to 30% of AMI (20% TCAC AMI) as Determined by NPLH Regulations, however the AMI for the NPLH is further restricted by the TCAC regulatory agreement.

NPLH units will be operated under the requirements of NPLH as listed in Exhibit M of this Agreement, and as also included in the MOHCD Underwriting Guidelines and Local Operating Subsidy Program Policies & Procedures Manual. If there is any conflict between this Agreement and the NPLH Regulations, the NPLH Regulations will control.

If the LOSP and/or HAP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City’s reasonable discretion; provided that:

(a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.

(b) One hundred percent (100%) of the Units: (i) formerly under LOSP will at all times be occupied by Qualified Tenants whose household income does not exceed sixty five percent (65%) Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of sixty five percent (65%) of Median Income, (b) less utility allowance; or (ii) formerly under HAP will at all times be occupied by Qualified Tenants whose household income does not exceed eighty percent (80%) of Median Income for HAP units, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income, (b) less utility allowance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

2. Rent and Utilities. The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:

(i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or

(ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

3. To the extent the Borrower needs to repay the full outstanding loan balance by the Maturity Date, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance by the Maturity Date, as determined in City's reasonable discretion. One hundred percent (100%) of the Units must at all times be occupied by Qualified Households whose adjusted income does not exceed Eighty percent (80%) of Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of Median Income and shall be subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Borrower will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83).

Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

A. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.

B. First Source Hiring Agreement. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into a FSH Agreement with the City for any other work that it performs in the City.

C. Hiring Decisions. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

D. Exceptions. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

E. Liquidated Damages. Borrower agrees:

1. To be liable to the City for liquidated damages as provided in this Section;
2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;
3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but

impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:

a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. Subcontracts. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

EXHIBIT E
Governmental Requirements

1. Prevailing Wages and Working Conditions. Any undefined, initially-capitalized term used in this Section will have the meaning given to such term in San Francisco Administrative Code Section 6.1. Every contract for the rehabilitation or construction of housing assisted with Funds will comply with Chapter I (commencing with Section 1720) of Part 7 of the California Labor Code (pertaining to the payment of prevailing wages and administered by the California Department of Industrial Relations) and contain a provision requiring: (1) the payment of not less than the Prevailing Rate of Wage to all laborers and mechanics employed in the development of any part of the housing, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with state law and San Francisco Administrative Code Section 6.22(n) (collectively, "Prevailing Wage Requirements"). The Prevailing Wage Requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units. Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements. If applicable, Borrower will include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Chapter 6.

2. Environmental Review. The Project will meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower will incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it

contracts and, in the event of a breach, Borrower will take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. Disability Access. Borrower will comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower will provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. Lead-Based Paint. Borrower will satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower will also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. Relocation. Borrower will comply with any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws.

7. Low-Income Hiring Requirements. The use of Funds triggers compliance with certain hiring requirements imposed by the City's First Source Hiring Ordinance (S.F. Admin. Code Chapter 83). To ensure compliance with those requirements, Borrower will include the provisions attached as **Exhibit D** in its contract with the general contractor for the Project. Borrower will be responsible to the City for ensuring compliance with the requirements listed on **Exhibit D**.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Borrower Will Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subcontracts. Borrower will incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.

(c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Contract. As a condition to this Agreement, Borrower will execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower will comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this

Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. MacBride Principles. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. Tropical Hardwood & Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" will mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" will mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. Submitting False Claims; Monetary Penalties. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim will be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, will be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its general partner/manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the Loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted, Borrower will notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. Prohibition on Use of Public Funds for Political Activities. Borrower will comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12.M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter will be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti will be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower will remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" will not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et

seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement will constitute an Event of Default of this Agreement.

17. Resource-Efficient Building Ordinance. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it will comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower’s obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement will have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T will only apply to a Borrower’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, will apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, will apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and will not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower will incorporate by reference in all subcontracts the provisions of Chapter 12T, and will require all subcontractors to comply with such provisions. Borrower’s failure to comply with the obligations in this subsection will constitute a material breach of this Agreement.

(d) Borrower or Subcontractor will not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication

in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor will not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor will not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor will state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors will post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice will be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City will have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made.

Such amount will not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. Bottled Drinking Water. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

21. Public Power. From and after the effective date of the Ground Lease, Borrower will procure water and sewer service from the City and electricity, telephone, natural gas, and any other utility service from the City or utility companies providing such services, and will pay all connection and use charges imposed in connection with such services. From and after the effective date of the Ground Lease, as between the City and Borrower, Borrower will be responsible for the installation and maintenance of all facilities required in connection with such utility services to the extent not installed or maintained by the City or the utility providing such service. All electricity necessary for operations on the Site will be purchased from the San Francisco Public Utilities Commission ("PUC"), at PUC's standard rates charged to third parties, unless PUC determines, in its sole judgment, that it is not feasible to provide such service to the Premises. PUC is the provider of electric services to City property, and the Interconnection Services Department of SFPUC's Power Enterprise coordinates with Pacific Gas and Electric Company and others to implement this service. To arrange for electric service to the Site, Borrower will contact the Interconnection Services Department in the Power Enterprise of the SFPUC.

22. Local Business Enterprise and Non-Discrimination in Contracting Ordinance. Borrower will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code Chapter 14B ("LBE Ordinance") and will incorporate such requirements in contracts with any Contractors and Subcontractors.

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ **and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.**

Application Process

- **Application Materials.** MOHCD will provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - be written in language that is clear and readily understandable,
- **First Interview.** In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants will be offered the opportunity for an interview in lottery rank order.
- **Second Interview.** Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality.** All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information will be retained for 12 months after the final applicant interview.
- **Delays in the Process.** If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider will immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

- **Problems with the Referring Agency.** If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider will immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- **Limited English Proficiency Policy.** Throughout the application process, the housing provider will comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider’s rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider will respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider will grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection will explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider will:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which will be at least ten (10) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision will be sent (electronically or otherwise) to the referring agency and the funding agency.
- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers will not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers will not consider:
 - arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - juvenile adjudications.
- Housing providers will consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which will be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

Exhibit L

3. Commercial Space. Borrower will require that all nonresidential tenants' liability insurance policies include Borrower and the City as additional insureds, as their respective interests may appear. Throughout the term of any lease of Commercial Space in the Project, Borrower will require commercial tenants to maintain insurance as follows:

(a) to the extent the tenant has "employees" as defined in the California Labor Code, workers' compensation insurance with employer's liability limits not less than One Million Dollars (\$1,000,000) each accident;

(b) commercial general liability insurance, with limits not less than One Million Dollars (\$1,000,000) each occurrence, combined single limit for bodily injury and property damage, including coverage for contractual liability; personal injury; advertisers' liability; including coverage for loss of income due to an insured peril for twelve (12) months; owners' and contractors' protective; broadform property damage; explosion, collapse and underground (XCU); products and completed operations coverage;

(ii) The Workers' Compensation policy(ies) will be endorsed with a waiver of subrogation in favor of the City for all work performed by the Borrower, its employees, agents, contractor(s), and subcontractors.

(iii) Commercial General Liability and Commercial Automobile Liability Insurance policies will provide that such policies are primary insurance to any other insurance available to the “Additional Insureds,” with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

(iv) All policies will be endorsed to provide thirty (30) days’ advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices will be sent to the City address set forth in Section 21.1 of the Agreement.

Borrower will provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

(b) Certificates of Insurance. By no later than Loan closing and annually thereafter, Borrower will furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Borrower’s liability under this Agreement.

(c) Waiver of Subrogation – Property Insurance. With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower’s insurance, except to the extent subrogation would affect the scope or validity of insurance.

(d) Claims Based Policies. All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made form, Borrower will maintain coverage as follows:

(i) for builder’s risk, continuously for a period ending no less than three (3) years after recordation of a notice of completion without lapse, to the effect that, if any occurrences give rise to claims made after completion of the Project, then those claims will be covered by the claims-made policies; or

(ii) for all other insurance under this Exhibit L, continuously through the Compliance Term and, without lapse, for a period of no less than three (3) years beyond the expiration of the Compliance Term, to the effect that, if any occurrences during the Compliance Term give rise to claims made after expiration of the Agreement, then those claims will be covered by the claims-made policies.

(e) Additional Requirements.

(i) If any of the required insurance is provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or

legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit will be double the occurrence or claims limits specified above.

(ii) Any and all insurance policies required under this Exhibit L will contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(iii) On City's request, Borrower and City will periodically review the limits and types of insurance carried under this Exhibit L. If the general commercial practice in the City and County of San Francisco is to carry liability insurance in an amount or coverage materially greater than the amount or coverage then being carried by Borrower for risks comparable to those associated with the Permit Area, then City in its sole discretion may require Permittee to increase the amounts or coverage carried by Borrower to conform to the general commercial practice, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(iv) Borrower's compliance with the insurance requirements under this Exhibit L will in no way relieve or decrease Borrower's indemnification obligations under this Agreement or any of Borrower's other obligations under this Agreement.

[CITY LOAN]

Principal Amount: \$ [60,945,685.00]

San Francisco, CA

Date: May [___], 2023

FOR VALUE RECEIVED, the undersigned, 730 STANYAN ASSOCIATES, L.P., a California Limited Partnership ("Maker"), hereby promises to pay to the order of the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, "Holder"), the principal sum of [Sixty Million Nine Hundred Forty Five Thousand Six Hundred Eighty Five] and No/100 Dollars (\$[60,945,685.00].00) (the "Funding Amount"), or so much of the Funding Amount as may be disbursed from time to time pursuant to the Agreement described in **Section 1** below, together with interest thereon, as provided in this City Note.

1. Agreement.

1.1 Pursuant to a Loan Agreement dated December 18, 2020, by and between Holder and Maker (the "Original Loan Agreement"), Holder previously made a loan of \$4,500,000.00 to Maker (the "Original Loan") to conduct predevelopment activities in support of the construction of the Project. The Original Loan is further evidenced by a Secured Promissory Note dated December 18, 2020 ("Original Note"). Holder has agreed to increase the Original Loan by an amount not to exceed and [](\$), for a total City Loan of City Funds not to exceed the Funding Amount.

1.2 This Amended and Restated Secured Promissory Note (this "City Note") amends, restates, and replaces in its entirety the Original Note and is given under the terms of an Amended and Restated Loan Agreement by and between Maker and Holder (the "Agreement") dated as of the date set forth above, which Agreement is incorporated herein by reference. Maker's obligations under this City Note and the Agreement are secured by that certain Deed Of Trust, Assignment Of Rents, Security Agreement And Fixture Filing dated as of the date of this City Note, made by Maker for the benefit of Holder. Definitions and rules of interpretation set forth in the Agreement apply to this City Note. In the event of any inconsistency between the Agreement and this City Note, this City Note will control. Upon execution of this City Note, the Original Note will be cancelled and returned to Maker.

2. Interest. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of [one] percent ([1]%) per annum), simple interest, from the date of the close of escrow through the date of full payment of all amounts owing under the City Documents. Interest will be calculated on the basis of actual days elapsed and a 360-day year, which will result in higher interest charges than if a 365-day year were used.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the Loan at a compounded annual rate equal to the lesser of: (a) ten percent (10%); or (b) the maximum lawful rate of interest, commencing on the date of the Event of Default through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that

the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this City Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of Funding Amount.

4.1 Subject to Section 13.4 of the Agreement, Maker must make annual payments of principal and interest (each, a "Payment") in an amount equal to the Residual Receipts, if any, attributable to the prior calendar year, beginning on the first June 30th after the end of the calendar year of the Completion Date, and continuing each June 30th thereafter up to and including the Maturity Date, as defined below (each, a "Payment Date"). All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Loan. The unpaid principal balance of the Loan, together with all accrued and unpaid interest and unpaid costs and fees incurred, will be due and payable on the date that is the later of (a) the fifty-seventh (57th) anniversary of the date the Deed of Trust is recorded in the Recorder's Office of San Francisco County or (b) the fifty-fifth (55th) anniversary of the Conversion Date (the "Maturity Date"). Any Payment Date, including any Excess Proceeds Payment Date, AHP Award Date, and the Maturity Date, that falls on a weekend or holiday will be deemed to fall on the next succeeding business day.

4.2 Subject to Section 13.4 of the Agreement, Maker shall notify the City in writing thirty (30) days after the later of the date on which Maker receives its Form 8609 from the California Tax Credit Allocation Committee or the date on which Maker receives Excess Proceeds from its limited partner or other financing sources. No later than sixty (60) days after receipt of such notification (the "Excess Proceeds Payment Date"), unless the City elects to waive such payment, Maker must make payments of principal and interest (each, an "Excess Proceeds Payment") in an amount equal to the Excess Proceeds. All Excess Proceeds Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Loan.

4.3 If Maker is awarded AHP funding for the Project, Maker will make a payment of principal and interest (an "AHP Payment") in an amount equal to the AHP Bridge Loan within three hundred sixty-five (365) days of the date the AHP funding is awarded to Maker ("AHP Award Date"); provided, however, that if (i) Maker is not awarded AHP funding for the Project or receives AHP funding sufficient for only partial repayment of the AHP Bridge Loan or (ii) City elects to waive all or a portion of such payment, the unpaid principal balance of the AHP Bridge Loan will be due and payable on the Maturity Date. The AHP Payment will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the Loan.

5. Security. Maker's obligations under this City Note are secured by the Deed of Trust. If this City Note is amended by the parties or replaced and superseded by a new secured promissory note, Holder may accept further security or release any security, provided that Holder's loan for the residential component of the Project will at all times be secured by such residential component while such loan is outstanding unless otherwise approved by HCD.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this City Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this City Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this City Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this City Note, provided, that the Payments should be applied pursuant to Section 4.1 of this City Note.

6.5 Except as otherwise set forth herein or in the Agreement, no prepayment of this City Note will be permitted without Holder's prior written consent.

7. Default.

7.1 Any of the following will constitute an Event of Default under this City Note:

(a) Maker fails to make any Payment required under this City Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this City Note or under any other agreement between Maker and Holder with respect to the Project.

Notwithstanding the foregoing, the Limited Partner (as defined in the Agreement) will have the right, but not the obligation, to cure any Event of Default prior to Holder exercising any of its applicable remedies, and Holder will accept or reject such cure on the same terms as if rendered by Maker.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this City Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the Loan, together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

7.3 Notwithstanding Section 7.2 and subject to this Section, Holder will not seek or obtain judgment against Maker for the payment of any amounts due under this City Note following a judicial or nonjudicial foreclosure of the Deed of Trust, and Holder's sole recourse against Maker for any default under this City Note will be limited to the collateral for the Loan, provided, however, that this Section will be deemed void and of no effect if Maker challenges Holder's right to foreclose following an Event of Default in any legal proceeding on the grounds that the City Documents are not valid and enforceable under California law. This provision does

not limit in any way Holder's right to recover sums arising under any obligation of Maker to indemnify Holder of sums incurred by Holder as a result of Maker's fraud, willful misrepresentation, misapplication of funds (including Loan Funds and Rents (as defined in the Deed of Trust), waste or negligent or intentional damage to the collateral for the Loan.

8. Waivers.

8.1 Maker expressly agrees that the term of this City Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this City Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this City Note will operate to release, discharge, modify, change or affect the original liability of Maker under this City Note, either in whole or in part.

8.3 The obligations of Maker under this City Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this City Note for any reason whatsoever.

9. Miscellaneous Provisions.

9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.

9.2 In the event of any legal proceedings arising from the enforcement of or a default under this City Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.

9.3 This City Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.4 This City Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.

9.5 Time is of the essence in the performance of any obligations hereunder.

SECURED PROMISSORY NOTE
(NPLH Funds)

Principal Amount: \$[8,583,241]

San Francisco, CA

Date: [____], 2023

FOR VALUE RECEIVED, the undersigned, **730 STANYAN ASSOCIATES, L.P.**, a California limited partnership (“Maker”), hereby promises to pay to the order of the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, “Holder”), the principal sum of Eight Million Five Hundred Eighty Three Thousand Two Hundred Forty One and No/100 Dollars (\$8,583,241.00) (the “NPLH Loan Amount”), or so much of the NPLH Loan Amount as may be disbursed from time to time pursuant to the Agreement described in **Section 1** below, as provided in this Note.

1. Agreement. This Secured Promissory Note (“NPLH Note”) is given under the terms of an Amended and Restated Loan Agreement by and between Maker and Holder (the “Agreement”) dated as of the date set forth above, which Agreement is incorporated herein by reference. Maker's obligations under this NPLH Note and the Agreement are secured by that certain Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing dated as of the date of this NPLH Note, made by Maker for the benefit of Holder. Definitions and rules of interpretation set forth in the Agreement apply to this NPLH Note. In the event of any inconsistency between the Agreement and this NPLH Note, this NPLH Note will control.

2. No Interest. Except as set forth in Section 3 below, no interest will accrue on the principal balance outstanding under this NPLH Note.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the Loan at a compounded annual rate equal to the lesser of: (a) ten percent (10%); or (b) the maximum lawful rate of interest, commencing on the date the Event of Default through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this NPLH Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of Funding Amount. The entire principal balance of the NPLH Loan Amount, together with all accrued and unpaid default interest (if any) and other unpaid fees and costs incurred (all together, the “Payment”), will be due and payable on the date that is the later of (a) the fifty-seventh (57th) anniversary of the date the Deed of Trust is recorded in the Recorder’s Office of San Francisco County or (b) the fifty-fifth (55th) anniversary of the Conversion Date but in no event later than December 31, 2081 (the “Maturity Date”). If the Maturity Date falls on a weekend or holiday, it will be deemed to fall on the next succeeding business day.

5. Security. Maker's obligations under this NPLH Note are secured by the Deed of Trust.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this NPLH Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this NPLH Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this NPLH Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this NPLH Note.

6.5 Except as otherwise set forth herein or in the Agreement, no prepayment of this NPLH Note will be permitted without Holder's prior written consent.

7. Default.

7.1 Any of the following will constitute an Event of Default under this NPLH Note:

(a) Maker fails to make any Payment required under this NPLH Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this NPLH Note or under any other agreement between Maker and Holder with respect to the Project.

Notwithstanding the foregoing, the Maker's Limited Partner (as defined in the Agreement) will have the right, but not the obligation, to cure any Event of Default, and Holder shall accept or reject such cure on the same terms as if rendered by Maker.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this NPLH Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the Loan, together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

7.3 Notwithstanding Section 7.2 and subject to this Section, Holder will not seek or obtain judgment against Maker for the payment of any amounts due under this NPLH Note following a judicial or nonjudicial foreclosure of the Deed of Trust, and Holder's sole recourse against Maker for any default under this NPLH Note will be limited to the collateral for the Loan, provided, however, that this Section will be deemed void and of no effect if Maker challenges Holder's right to foreclose following an Event of Default in any legal proceeding on the grounds that the City Documents are not valid and enforceable under California law. This provision does not limit in any way Holder's right to recover sums arising under any obligation of Maker to indemnify Holder of sums incurred by Holder as a result of Maker's fraud, willful

misrepresentation, misapplication of funds (including Loan Funds and Rents (as defined in the Deed of Trust), waste or negligent or intentional damage to the collateral for the Loan.

8. Waivers.

8.1 Maker expressly agrees that the term of this NPLH Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this NPLH Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this NPLH Note will operate to release, discharge, modify, change or affect the original liability of Maker under this NPLH Note, either in whole or in part.

8.3 The obligations of Maker under this NPLH Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this NPLH Note for any reason whatsoever.

9. Miscellaneous Provisions.

9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.

9.2 In the event of any legal proceedings arising from the enforcement of or a default under this NPLH Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.

9.3 This NPLH Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.4 This NPLH Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.

9.5 Time is of the essence in the performance of any obligations hereunder.

(b) payment of the indebtedness evidenced by the Agreement and the City Note in the original principal amount of [Sixty Million Nine Hundred Forty Five Thousand

Six Hundred and Eighty Five] and No/100 Dollars (\$[60,945,685.00].00), with interest, according to the terms of the Agreement and the City Note; and

(c) payment of the indebtedness evidenced by the Agreement and the NPLH Note in the original principal amount of Eight Million Five Hundred Eighty Three Thousand Two Hundred Forty One and No/100 Dollars (\$8,583,241.00) according to the terms of the Agreement and the NPLH Note; and

(d) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust.

3. Assignment of Rents.

(a) Assignment as Additional Security. Subject to the rights of senior lenders, Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("License") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.

(b) Collection and Application of Rents. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. 1. Demand, receive, and enforce payment of any and all Rents; or
2. Give receipts, releases, and satisfactions for any and all Rents; or
3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

(c) Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. 1. A "mortgagee in possession" for any purpose; or
2. Responsible for performing any of the obligations of the lessor under any lease; or
3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or

4. Trustor's Covenants. To protect the security of this Deed of Trust, Trustor agrees as follows:

(a) to perform the Secured Obligations in accordance with their respective terms;

(b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;

(c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;

(d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred

in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;

(e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;

(f) should Trustor fail to make any payment or to do any act as herein provided, then, subject to the notice and cure provisions included in this Deed of Trust, but without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this Subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and

(g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Security Agreement and Fixture Filing.

(a) Grant of Security Interest. Without limiting any of the other provisions of this Deed of Trust, to secure the payment, performance and observance of the Secured Obligations, Trustor, as debtor (referred to in this Section 5 as "Debtor"), expressly grants to Beneficiary, as secured party (referred to in this Section 5 as "Secured Party"), a continuing security interest in all the Property (including now and hereafter existing) to the full extent that any portion of the Property may be subject to the Uniform Commercial Code. For purposes of this Section 5, "Collateral" means the personal property (tangible or intangible) and fixtures included in the Property.

(b) Debtor's Covenants, Representations, and Warranties.

(i) Debtor covenants and agrees with Secured Party that:

(1) In addition to any other remedies granted in this Deed of Trust to Secured Party or Trustee (including specifically, but not limited to, the right to proceed against the Property in accordance with the rights and remedies in respect of the

Property that is real property under the Uniform Commercial Code), Secured Party may, if an Event of Defaults occurs and is continuing, proceed under the Uniform Commercial Code as to all or any part of the Collateral, and shall have and may exercise with respect to the Collateral all the rights, remedies, and powers of a secured party under the Uniform Commercial Code.

(2) Without limiting the foregoing, Secured Party shall have the right upon any public sale or sales, and, to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Debtor. Debtor further agrees to allow Secured Party to use or occupy the Property, without charge, for the purpose of effecting any of Secured Party's remedies in respect of the Collateral.

(3) To the extent permitted by applicable law, Debtor waives all claims, damages, and demands against Secured Party arising out of the repossession, retention, or sale of the Collateral, except for claims, damages, and demands due to the active gross negligence or willful misconduct of Secured Party in dealing with such Collateral. Trustor agrees that Secured Party need not give more than five (5) days' notice of the time and place of any public sale or of the time at which a private sale will take place and that such notice is reasonable notification of such matters. Secured Party may disclaim any warranties that might arise in connection with the sale, lease, license, or other disposition of the Collateral and have no obligation to provide any warranties at such time. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(4) To the extent permitted by law, Debtor hereby specifically waives all rights of redemption, stay, or appraisal which it has or may have under any law now existing or hereafter enacted.

(ii) Debtor hereby authorizes Secured Party to file financing and continuation statements with respect to the Collateral as Secured Party may reasonably require.

(iii) Debtor hereby represents and warrants that, except in connection with a senior loan, no financing statement is on file in any public office except as authorized by Secured Party. Debtor will at its own cost and expense, upon demand, furnish to Secured Party such further information and will execute and deliver to Secured Party financing statements and other documents in form reasonably satisfactory to Secured Party and will do all such acts that Secured Party may at any time or from time to time reasonably require to establish and maintain a perfected security interest in the Collateral as security for the Secured Obligations, subject only to liens or encumbrances approved by or benefiting Secured Party. Debtor will pay the actual expense of filing or recording such financing statements or other documents, and this instrument, as and where reasonably required by Secured Party.

(iv) To the extent permitted by applicable law, the security interest created hereby is specifically intended to cover all rents, royalties, issues and profits, and all inventory accounts, accounts receivable and other revenues of the Property.

(c) Fixture Filing. Certain of the Collateral is or will become "fixtures" (as that term is defined in the Uniform Commercial Code). This Deed of Trust, upon being filed for record in the real estate records of San Francisco County, shall operate also as a financing statement and fixture filing upon such of the Collateral that is or may become fixtures under the Uniform Commercial Code. Debtor's name and type and jurisdiction of entity are set forth in the introductory paragraph hereof. Debtor's address is set forth above. Debtor's EIN Number is 85-2233063. Secured Party's name and mailing address are set above.

6. Insurance and Condemnation Proceeds.

(a) Subject to the rights of senior lenders, Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.

(b) Any condemnation award or insurance proceeds received by Trustor must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.

(c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the Notes and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.

(d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.

7. Further Agreements. Trustor further acknowledges and agrees as follows:

(a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default for failure to pay timely by accepting payment of any sum secured hereby after its due date.

(b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Notes for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.

(c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the Notes to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.

(d) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.

(e) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers, and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.

(f) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the Notes, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

(g) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party unless brought by Trustee.

8. Beneficiary's Rights Following Default. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("Event of Default"):

(a) Trustor's license to collect and retain Rents will terminate automatically.

(b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.

(c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("Notice of Default"), and:

i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the Notes and all documents evidencing expenditures secured hereby.

ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("Notice of Sale") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.

iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date

hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.

Notwithstanding anything to the contrary contained herein, the Limited Partner (as defined in the Agreement), will have the right, but not the obligation, to cure any Event of Default prior to Beneficiary exercising its foregoing remedies, and Beneficiary will accept or reject such cure on the same terms as if rendered by Trustor.

9. Notice of Default to Trustor. The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

**DECLARATION OF RESTRICTIONS AND
AFFORDABLE HOUSING COVENANTS
730 STANYAN STREET**

THIS DECLARATION OF RESTRICTIONS AND AFFORDABLE HOUSING COVENANTS (this "Declaration") is made as of [_____, 2023], by **730 STANYAN ASSOCIATES L.P.**, A California Limited Partnership ("Borrower"), in favor of the **CITY AND COUNTY OF SAN FRANCISCO**, represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development (the "City").

RECITALS

A. The City is making a loan (the "Loan") to Borrower 2019 GO Bond Funds, Van Ness-Market Funds, NPLH Funds, HTF Funds, ERAF Funds, and Inclusionary Funds (as each is defined in the Agreement), to finance costs associated with the development of the leasehold interest in the real property described in **Exhibit A** attached hereto and incorporated herein by reference the "Property") as low-income affordable housing (the "Project"). The Loan is evidenced by, among other documents, an Amended and Restated Loan Agreement between the City and Borrower dated as of the date of this Declaration, as it may be amended from time to time (the "Agreement"). The Agreement is incorporated by reference in this Declaration as though fully set forth in this Declaration. Definitions and rules of interpretation set forth in the Agreement apply to this Declaration.

B. Pursuant to the Agreement, Borrower has agreed to comply with certain affordability covenants and other use and occupancy restrictions set forth in the Agreement (collectively, the "Regulatory Obligations"), commencing on the date the Deed of Trust is recorded in the Official Records of San Francisco County, and continuing for the Life of the Project (the "Compliance Term"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed.

AGREEMENT

Now, therefore, in consideration of the City providing the Loan in accordance with the City Documents, Borrower/ agrees as follows:

1. Borrower will comply with the Regulatory Obligations and this Declaration through the expiration of the Compliance Term, regardless of any reconveyance of the Deed of Trust. Specifically, Borrower agrees as follows, subject to additional terms as set forth in the Agreement:

1.1 With the exception of one unrestricted Unit reserved for the manager of the Project, Units in the Project will at all times be rented only to tenants who qualify as Qualified Tenants at initial occupancy, specifically:

HAP Units: In addition, thirty-two (32) Units will be rented at all times to tenants holding Section 8 vouchers or certificates or an equivalent rental subsidy program as long as these subsidies are available under the HAP contract.

LOSP/NPLH Units: In addition, thirty-two (32) Units will be made available to Homeless Households during the period in which the City’s Local Operating Subsidy program is in operation and the City provides such subsidy to the Project under the LOSP Agreement. Of those thirty-two (32) Units, nineteen (19) Units will be No Place Like Home (NPLH) units and targeted to residents who meet the Homeless Household under No Place Like Home (NPLH) Criteria for a period of 55 years. Such NPLH units are restricted to 30% AMI as Determined by NPLH Regulations, however the AMI for the NPLH units may be increased to a maximum of 50% AMI consistent with the provisions under the NPLH Program Guidelines. NPLH units will be operated under the requirements of No Place Like Home as listed in Exhibit M of the Agreement, and as also included in the MOHCD Underwriting Guidelines and Local Operating Subsidy Program Policies & Procedures Manual.

1.1.1 Loss of LOSP or HAP. If the LOSP and/or HAP is terminated, discontinued or reduced at no fault of Borrower with respect to the Project, then the rent restrictions above may be altered but only to the extent necessary for the Project to remain financially feasible, as determined in City’s reasonable discretion; provided that:

(a) Borrower diligently pursues an additional or alternative source of income or subsidy acceptable to the City to replace the rental subsidies.

(b) One hundred percent (100%) of the Units: (i) formerly under the LOSP will at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed sixty five percent (65%) of Median Income and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of fifty percent (50%) of Median Income, (b) less utility allowance, or (ii) formerly under HAP will at all times be occupied by Qualified Tenants whose household income does not exceed eighty percent (80%) of Median Income for HAP units, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income, (b) less utility allowance. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

In such event, the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower’s request to meet. The relief provided by the foregoing will not be construed as authorizing Borrower to exceed any income or rent restriction

imposed on the Project by CDLAC, CTCAC, or under any other agreement. Borrower covenants and warrants that it will obtain all necessary approvals or relief from any other applicable income or rent limitations before implementing the relief provided in this paragraph.

1.1.2 Loan Repayment. To the extent the Borrower needs to repay the full outstanding loan balance by the Maturity Date, the rent restrictions above may be altered, but only to the extent necessary for the Project to refinance and repay the full outstanding loan balance by the Maturity Date, as determined in City's reasonable discretion. One hundred percent (100%) of the Units must at all times be occupied by Qualified Households whose adjusted income does not exceed eighty percent (80%) of Median Income, and the monthly rent paid by the Qualified Tenants may not exceed (a) thirty percent (30%) of eighty percent (80%) of Median Income (b) less utility allowance. The maximum initial occupancy income level restrictions when averaged for all Residential Units in the Project may not exceed sixty percent (60%) of Median Income and shall be subject to any applicable regulatory agreement, restrictive covenant, or other encumbrance. In such event, Borrower will provide the City with a written request no less than one year prior to the Maturity Date, and the City will use good faith efforts to meet with Borrower within fifteen (15) days after Borrower's request to meet. To the extent financially feasible, as mutually determined by the Parties, any such rent increase will be limited to (or will be first implemented with) any vacant units.

1.2 The total amount for rent and utilities (with the maximum allowance for utilities determined by the San Francisco Housing Authority) charged to a Qualified Tenant may not exceed the greater of:

(i) thirty percent (30%) of the applicable maximum income level, adjusted for household size; or

(ii) the tenant paid portion of the contract rent as determined by the San Francisco Housing Authority for Qualified Tenants holding Section 8 vouchers or certificates.

Rents may be increased as permitted pursuant to Section 7.3 of the Agreement.

1.3 For the avoidance of any doubt, notwithstanding any repayment of the Loan or otherwise satisfied or if the Deed of Trust is reconveyed, Borrower will comply with the following terms of the Agreement as if fully set forth herein: Article 6 (Marketing), Article 7 (Affordability and Other Leasing Restrictions), Article 8 (Maintenance and Management of the Project), Article 9 (Governmental Approvals and Requirements), Article 10 (Project Monitoring, Reports, Books and Records), Article 11 (Use of Income From Operations), Article 12 (Required Reserves), Article 16 (Transfers), Article 17 (Insurance and Bonds; Indemnity), Article 18 (Hazardous Substances), and Article 19 (Default).

2. Borrower hereby subjects the Property to the covenants, reservations and restrictions set forth in this Declaration and the Agreement, subject to any subordination agreement executed by the City. This Declaration and the Regulatory Obligations constitute covenants running with the land and bind successors and assigns of Borrower and any non-borrower owner of the Property and will pass to and be binding upon Borrower's successors in title to the Property. Each and every contract, deed or other instrument hereafter executed covering or conveying the Property or any portion thereof will conclusively be held to have been executed, delivered and accepted subject to the covenants, reservations and restrictions in this Declaration, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

3. If Borrower fails to (i) comply with the Regulatory Obligations and this Declaration to the City's satisfaction, in its sole discretion, and (ii) cure such default as set forth in **Section 19.1(c)** of the Agreement, the City will have the right to pursue any available remedy at equity or in law, including as set forth in **Section 19.2** of the Agreement, to enforce this Declaration. Notwithstanding the foregoing, the Limited Partner will have the right to cure any default hereunder, and the City will accept or reject such cure on the same terms as if rendered by the Borrower. The City shall provide notice of any default hereunder to Borrower's limited partner pursuant to Section 21.3 of the Agreement. During the Compliance Term, the City may rely on the Deed of Trust and/or this Declaration, in the City's discretion, to enforce any of the City's rights under the City Documents. Borrower will pay the City's reasonable costs in connection with the City's enforcement of the terms of this Declaration and Regulatory Obligations, including, without limitation, the City's attorneys' fees and costs.

Borrower has executed this Declaration as of the date first written above.

PROJECT DESCRIPTION

The Mayor’s Office of Housing and Community Development is proposing to purchase the property at 700-730 Stanyan Street and construct a 100% affordable housing project on the site. The site is currently occupied by a restaurant, and will be delivered vacant at the close of sale according to the purchase and sale agreement with the current owner. The Mayor’s Office of Housing and Community Development intends to construct up to 186 units of affordable housing, in a building of up to seven stories, on the site.

ENVIRONMENTAL REVIEW

Pursuant to CEQA guidelines Sections 15378 and 15060 (c) (2) and Chapter 31 of the Administrative Code, the acquisition of this property is not considered a project under the California Environmental Quality Act. Any proposed physical project will require environmental review.

GENERAL PLAN COMPLIANCE AND BASIS FOR RECOMMENDATION

As described below, the proposed acquisition of 700-730 Stanyan Street is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the Objectives and Policies of the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 1, IDENTIFY AND MAKE AVAILABLE FOR DEVELOPMENT ADEQUATE SITES TO MEET THE CITY'S HOUSING NEEDS, ESPECIALLY PERMANENTLY AFFORDABLE HOUSING.

POLICY 1.3

Work proactively to identify and secure opportunity sites for permanently affordable housing.

Comment: The acquisition of 700-730 Stanyan Street would secure this site for permanently affordable housing.

POLICY 1.10

Support new housing projects, especially affordable housing, where households can easily rely on public transportation, walking and bicycling for the majority of daily trips.

Comment: The permanently affordable housing project to be constructed on this property would be easily accessible to major MUNI and bicycle routes.

OBJECTIVE 4, FOSTER A HOUSING STOCK THAT MEETS THE NEEDS OF ALL RESIDENTS ACROSS LIFECYCLES.

POLICY 4.4

Encourage sufficient and suitable rental housing opportunities, emphasizing permanently affordable rental units wherever possible.

Comment: The acquisition of 700-730 Stanyan Street would secure this site for permanently affordable housing, addressing an unmet housing need in San Francisco.

POLICY 4.5

Ensure that new permanently affordable housing is located in all of the city's neighborhoods, and encourage integrated neighborhoods, with a diversity of unit types provided at a range of income levels.

Comment: The acquisition of 700-730 Stanyan Street would secure this site for permanently affordable housing in an existing, diverse, mixed-use neighborhood close to amenities like parks, schools and high-frequency transit.

POLICY 4.7

Consider environmental justice issues when planning for new housing, especially affordable housing.

Comment: The acquisition of 700-730 Stanyan Street would secure this site for permanently affordable housing in a location adjacent to the city's largest park, and away from the air pollution surrounding San Francisco's major freeways.

OBJECTIVE 7, SECURE FUNDING AND RESOURCES FOR PERMANENTLY AFFORDABLE HOUSING, INCLUDING INNOVATIVE PROGRAMS THAT ARE NOT SOLELY RELIANT ON TRADITIONAL MECHANISMS OR CAPITAL.

POLICY 7.5

Encourage the production of affordable housing through process and zoning accommodations, and prioritize affordable housing in the review and approval processes.

Comment: Once the site is acquired, the affordable housing project constructed on the site will be eligible to take advantage of recently passed legislation encouraging production of affordable housing, including the Affordable Housing Bonus Program, SB35, and Planning Code Section 315.

OBJECTIVE 8, BUILD PUBLIC AND PRIVATE SECTOR CAPACITY TO SUPPORT, FACILITATE, PROVIDE AND MAINTAIN AFFORDABLE HOUSING.

POLICY 8.1

Support the production and management of permanently affordable housing.

Comment: The acquisition of 700-730 Stanyan Street would secure this site for permanently affordable housing.

PROPOSITION M FINDINGS – PLANNING CODE SECTION 101.1

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project, demolition and replacement of the Chinese Recreation Center, is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

Eight Priority Policies Findings

The subject project is found to be consistent with the Eight Priority Policies of Planning Code Section 101.1 in that:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced.

The current use on the site, a formula retail fast food restaurant, will cease. It is not yet known whether the project MOHCD intends to construct will include retail spaces on the ground floor, which could provide future opportunities for neighborhood-serving retail uses and employment.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

The site contains no existing housing. The construction of a 100% affordable housing project on the site is likely to enhance the cultural and economic diversity of the neighborhood.

GENERAL PLAN REFERRAL

3. That the City's supply of affordable housing be preserved and enhanced.

The project proposed on this site would enhance the City's supply of affordable housing by constructing up to 186 new units of permanently affordable housing.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The Project would not result in commuter traffic impeding MUNI's transit service, overburdening the streets or altering current neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for residential employment and ownership in these sectors be enhanced.

The Project would not adversely affect the City's economic base or future opportunities for employment and/or ownership. The future affordable housing project on the site will increase opportunities for residential employment in our industrial and service sectors by offering permanently affordable housing units for low-income households and families.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

The Project would not adversely affect achieving the greatest possible preparedness against injury and loss of life in an earthquake. The affordable housing project to be constructed on the site would be required to meet all applicable building code seismic standards.

7. That landmarks and historic buildings be preserved.

This Project would not adversely affect any landmarks or buildings of historic significance.

8. That our parks and open space and their access to sunlight and vistas be protected from development.

The acquisition of the site would not adversely affect any parks or open space. The affordable housing project to be constructed on the site would undergo review to ensure it doesn't create a negative impact to sunlight and vistas to our parks and open space.

Project Description

This project would construct an 83-foot tall, 8-story building containing 157,124 square feet of residential uses for 160 100% affordable housing rental units above 12,181 square feet of ground floor retail and community service uses and 9,984 square feet of common space on the currently vacant lot.

Background

California Senate Bill 35 (SB-35) was signed by Governor Jerry Brown on September 29, 2017 and became effective January 1, 2018. SB-35 applies in cities that are not meeting their Regional Housing Need Allocation (RHNA) goal for construction of above-moderate income housing and/or housing for households below 80% area median income (AMI). SB-35 amends Government Code Section 65913.4 to require local entities to streamline the approval of certain housing projects by providing a ministerial approval process, removing the requirement for CEQA analysis, and removing the requirement for Conditional Use Authorization or other similar discretionary entitlements granted by a Planning Commission.

On February 3, 2021, Yakuh Askew submitted an SB 35 Application for the mixed-use project at 730 Stanyan Street. Department staff determined that the SB 35 Application was complete, and that the proposed project was eligible for SB 35 on February 8, 2021.

The Planning Director did not request a Planning Commission Hearing or Historic Preservation Commission Hearing for this project.

Project approval

The Project Sponsor seeks to proceed pursuant to Planning Code Section 206.6, Individually Requested State Density Bonus Law, Government Code Section 65915 et seq (the “State Law”). Under subsection 65915(b)(1)(G) of the State Law, a housing development that provides 100 percent of the total units for lower income households, except that up to 20 percent of the total units in the development may be for moderate-income households and exclusive of a manager’s unit(s), is entitled to four concessions and incentives that result in identifiable and actual cost reductions to provide for affordable housing costs. Such project, when located within one-half mile of a major transit stop, shall be relieved of maximum density controls and shall also receive a height increase of up to three additional stories, or 33 feet; and unlimited waivers from development standards that might otherwise preclude the construction of the project are permitted under this subsection of the State Law. Since the Project Sponsor is providing 160 units of housing affordable to low- and very low-income households, and the project is located within one-half mile of a major transit stop, the project is not subject to any maximum control on density, is entitled to receive up to four concessions/incentives and an additional three stories, or 33 feet of height, and unlimited waivers. The project sponsor is requesting a concession/incentive from the development standards for bird safe glazing (Planning Code Section 139) , and is seeking a waiver from the rear yard requirements of Planning Code Section 134, usable open space (Planning Code Section 135), and dwelling unit exposure (Planning Code Section 140). The project is located in a 40-X Height and Bulk District and therefore requires an additional 33 feet of building height allowed by the Density Bonus Law.

Concessions and Incentives

The Project has requested concessions/incentives from the development standards for bird safe glazing (Planning Code Section 139. Pursuant to Planning Code Section 206.6, the Department shall grant the concession or incentive requested by the applicant unless the Department makes a written finding, based upon substantial evidence, of any of the following:

- A. The concession or incentive does not result in identifiable and actual cost reductions, consistent with subdivision (k), to provide for affordable housing costs, as defined in Section 50052.5 of the Health and Safety Code, or for rents for the targeted units to be set as specified in subdivision (c).

The requested incentives result in actual cost and identifiable cost reductions, as each of the incentives would allow the project to increase the number of units which may be constructed at the project site. Increasing the number of units on the site spreads the fixed costs of construction across more units, which reduces the cost-per-unit of development.

BirdSafe Glazing: *Because the project site is located adjacent to an Urban Bird Refuge, Planning Code Section 139 requires bird safe glazing on the west facing side of the building up to a height of 60 feet, with no more than 10% of non-treated glazing. In addition, uninterrupted glazing units (along glass guardrails, for example) larger than 24 square feet are also required to be treated bird safe glazing. The project team has received an estimate of \$670,000 for the use of Ornlux bird safe glazing for the areas required to comply. A concession to exempt the project from this requirement would therefore result in significant cost savings.*

- B. The concession or incentive would have a specific, adverse impact, as defined in paragraph upon public health and safety or the physical environment or on any real property that is listed in the California Register of Historical Resources and for which there is no feasible method to satisfactorily mitigate or avoid the specific, adverse impact without rendering the development unaffordable to low-income and moderate-income households.

The requested concessions/incentives from the development standards for bird safe glazing would not result in a specific, adverse impact to public health and safety or the physical environment, or on any real property that is listed in the California Register of Historical Resources.

- C. The concession or incentive would be contrary to state or federal law.

The requested concessions/incentives from the development standards for bird safe glazing would not be contrary to state or federal law.

Waivers

The Planning Department may waive any development standard that will have the effect of physically precluding the construction of a development at the densities or with the concessions or incentives permitted by the State Density Bonus Law. The Department is not required to waive or reduce development standards if the waiver or reduction would have a specific, adverse impact upon health, safety, or the physical environment, and for which there is no feasible method to satisfactorily mitigate or avoid the specific adverse impact. The Department is not required to waive or reduce development standards that would have an adverse impact on any real property that is listed in the California Register of Historical Resources, or to grant any waiver or reduction that would be contrary to state or federal law.

In accordance with the State Law, this housing development is seeking waivers or reduction of the following development standards to accommodate the Project: required rear yard area (Planning Code Section 134); required open space (Planning Code Section 135), and dwelling unit exposure (Planning Code Section 140).

Rear Yard: *On corner lots, the required rear yard may be substituted with an open area equal to 25% of the lot area which is located at the same levels as the required rear yard in an interior corner of the lot, an open area between two or more buildings on the lot, or an inner court. In this instance, the strict application of this Planning Code requirement would result in a rear yard measuring approximately 9,453 square feet. The project is seeking a waiver from this requirement by providing three open areas at grade totaling approximately 8,488 square feet, or 22% of the lot area.*

Open Space: *Planning Code Sec 135 requires that 100 square feet of common usable open space per residential unit must be provided. At 160 Units, 16,000 square feet of open space is required for the Project. The project will provide 12,355 square feet of common usable open space which is 2,045 square feet less than the required 14,400 square feet. The strict application of this Planning Code requirement would potentially result in a loss of 14 total residential units and loss of 16,360 square feet of buildable floor area if the usable open space was to be provided at grade within enlarged inner courtyards. Furthermore, the project is located directly across the street from Golden Gate Park which is a large public open space easily accessible to all residents of the project.*

*Exposure*The requested incentive from dwelling unit exposure allows the project to add 34 dwelling units, as the strict application of this Planning Code requirement would require approximately 9,330 square feet of building massing to be eliminated within the two interior courtyards.

The Department has determined that the project meets all the objective standards of the Planning Code and has completed design review of the project. The project has been approved in accordance with the provisions of SB 35, as recorded in Building Permit Application No. 2021.0331.7637.
