**Section 2.05 *Tax Covenants of the Borrower.*** The Borrower covenants and agrees that:

(a) it will at all times comply with the terms of the Tax Certificate and the TEL Regulatory Agreement.

(b) it will not take, or permit to be taken on its behalf, any action which would cause the interest payable on the Tax-Exempt Governmental Note to be included in the gross income of the holders thereof for federal income tax purposes, and will take such action as may be necessary in the opinion of Bond Counsel to continue such exclusion from gross income, including, without limitation, the preparation and filing of all statements required to be filed by it in order to maintain the exclusion (including, but not limited to, the filing of all reports and certifications required by the TEL Regulatory Agreement);

(c) no changes will be made to the Project, no actions will be taken by the Borrower, and the Borrower will not omit to take any actions, which will in any way adversely affect the tax-exempt status of the Tax-Exempt Governmental Note;

(d) it will comply with the requirements of Section 148 of the Code and the Treasury Regulations issued thereunder throughout the term of the Funding Loan and the Project Loan and will not make any use of the proceeds of the Tax-Exempt Funding Loan or the Tax-Exempt Project Loan, or of any other funds which may be deemed to be proceeds of the Tax-Exempt Funding Loan under the Code and the Treasury Regulations, which would cause the Tax-Exempt Governmental Note to be "arbitrage bonds" within the meaning of Section 148 of the Code;

(e) if the Borrower becomes aware of any situation, event or condition which would, to the best of its knowledge, result in the interest on the Tax-Exempt Governmental Note becoming includable in gross income of the holders thereof for federal income tax purposes, it will promptly give written notice of such circumstance, event or condition to

the Governmental Lender, the Fiscal Agent, the Funding Lender Representative and the Loan Servicer;

(f) the full amount of each disbursement of proceeds of the Project Loan will be applied to pay or to reimburse the Borrower for the payment of Costs of the Project and, after taking into account any proposed disbursement, (i) at least 95% of the net proceeds of the Tax-Exempt Governmental Note (as defined in Section 150 of the Code) will be used to provide a qualified residential rental project (as defined in Section 142(d) of the Code) and (ii) less than 25% of the net proceeds of the Tax-Exempt Governmental Note will have been disbursed to pay or to reimburse the Borrower for the cost of acquiring land. None of the proceeds of the Tax-Exempt Governmental Note (as defined for purposes of Section 147(g) of the Code) will be disbursed to provide working capital;

(g) the Borrower will cause all of the residential units in the Project to be rented or available for rental on a basis which satisfies the requirements of the Act, the Code and the TEL Regulatory Agreement;

(h) all leases will comply with all applicable laws and the TEL Regulatory Agreement;

(i) in connection with any lease or grant by the Borrower of the use of the Project, the Borrower will require that the lessee or user of any portion of the Project not use that portion of the Project in any manner which would violate the covenants set forth in this Project Loan Agreement or the TEL Regulatory Agreement;

(j) no proceeds of the Tax-Exempt Funding Loan shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in Section 147(d) of the Code) with respect to such building equal or exceed fifteen percent (15%) of the portion of the cost of acquiring such building (and equipment) financed with the proceeds of the Tax-Exempt Governmental Note; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed one hundred percent (100%) of the portion of the cost of acquiring such structure financed with the proceeds of the Tax-Exempt Governmental Note; and

(k) from the proceeds of the Tax-Exempt Funding Loan and investment earnings thereon, an amount not in excess of two percent (2%) of the proceeds of the Tax-Exempt Funding Loan, will be used for Costs of Issuance of the Governmental Notes, all within the meaning of Section 147(g)(1) of the Code;

(l) no proceeds of the Tax-Exempt Funding Loan shall be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

In the event of a conflict between the terms and requirements of this Section 2.05 and the Tax Certificate, the terms and requirements of the Tax Certificate shall control.

The outstanding principal balance of the Project Loan at any time shall be an amount equal to the proceeds of the Funding Loan advanced by the Funding Lender and deposited by the Fiscal Agent into the Project Loan Fund under the Funding Loan Agreement minus any amounts prepaid with respect to principal in accordance with the terms hereof and the Project Notes.

(b) The Funding Lender Representative may appoint a Loan Servicer to service the Loans for all or a portion of the term of the Loans. The initial Loan Servicer of the Loans is Bank of America, N.A., a national banking association, which shall service the Loans as required by the Initial Funding Lender. On the Freddie Mac Purchase Date, the Seller/Servicer shall become the Loan Servicer and shall service the Loans pursuant to the terms of the Freddie Mac Commitment and the Guide. The Funding Lender Representative may remove a Loan Servicer or appoint a replacement Loan Servicer, in its discretion, by written notice provided to the Governmental Lender, the Fiscal Agent and the Borrower. Any successor Loan Servicer shall signify its acceptance of the duties and obligations imposed upon it by the Funding Loan Agreement and this Project Loan Agreement by executing such instrument(s) as shall be acceptable to the Funding Lender Representative, a copy of which shall be provided to the parties hereto.

(c) During any period that the Loan Servicer services the Loans, the Borrower shall make all payments in connection with the Project Loan to the Loan Servicer, and the Loan Servicer will:

In addition, on the Delivery Date, the Borrower will deposit with the Fiscal Agent from the closing escrow, from Borrower funds, (A) the Costs of Issuance Deposit and (B) \$[\_\_\_\_\_] for credit to the Borrower Equity Account of the Project Loan Fund. Subject to the conditions listed in Section 3.01 hereof, amounts on deposit in the Project Loan Fund are to be disbursed to the Borrower or otherwise as provided in Section 2.11(d) of the Funding Loan Agreement.

To the extent that amounts in the Costs of Issuance Fund from the above-mentioned sources are insufficient to pay all costs of closing the Loans, the Borrower shall cause the payment of such additional costs of closing the Loans to be made on its behalf as such amounts become due.

**Section 3.04 Pledge and Assignment to Fiscal Agent.** The parties hereto acknowledge, and the Borrower consents to, the pledge and assignment by the Governmental Lender to the Fiscal

## ARTICLE IV

### LOAN PAYMENTS

**Section 4.01 *Payments Under the Project Notes; Independent Obligation of Borrower.***

(a) **Payment Obligations.** The Borrower agrees to repay the Project Loan on each Project Loan Payment Date as provided in the Project Notes, and in all instances at the times and in the amounts necessary to enable the Fiscal Agent, on behalf of the Governmental Lender, or the Loan Servicer, to pay all amounts payable with respect to the Funding Loan, when due, whether at maturity or upon prepayment (with Prepayment Premium, if applicable), acceleration or otherwise. To ensure such timely payment during the Permanent Phase, the Loan Servicer shall collect from the Borrower, and the Borrower shall provide to the Loan Servicer the foregoing payments not less than two (2) Business Days prior to each respective Project Loan Payment Date.

The obligation of the Borrower to make the payments set forth in this Article IV shall be an independent obligation of the Borrower, separate from its obligation to make payments under the Project Notes, provided that in all events payments made by the Borrower under and pursuant to the Project Notes shall be credited against the Borrower's obligations hereunder on a dollar for dollar basis. If for any reason the Project Notes or any provision of the Project Notes shall be held invalid or unenforceable against the Borrower by any court of competent jurisdiction, the Project Notes or such provision of

the Project Notes shall be deemed to be the obligation of the Borrower pursuant to this Project Loan Agreement to the full extent permitted by law and such holding shall not invalidate or render unenforceable any of the provisions of this Article IV and shall not serve to discharge any of the Borrower's payment obligations hereunder or eliminate the credit against such obligations to the extent of payments made under the Project Notes.

(b) **Obligations Unconditional; No Set-Off.** The obligation of the Borrower to repay the Project Loan, to perform all of its obligations under the Project Loan Documents, to provide indemnification pursuant to Section 6.01 hereof, to pay costs, expenses and charges pursuant to Section 4.02 hereof and to make any and all other payments required by this Project Loan Agreement, the Funding Loan Agreement or any other documents contemplated by this Project Loan Agreement or by the Project Loan Documents shall, subject to the limitations set forth in Section 4.06 hereof, be absolute and unconditional, and shall be paid or performed without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense or any right of termination or cancellation arising from any circumstance whatsoever, whether now existing or hereafter arising, and irrespective of whether the Borrower's title to the Project or to any part thereof is defective or nonexistent, and notwithstanding any damage due to loss, theft or destruction of the Project or any part thereof, any failure of consideration or frustration of commercial purpose, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of the Borrower's use thereof, the eviction or constructive eviction of the Borrower, any change in the tax or other laws of the United States of America, the Property Jurisdiction or any political subdivision thereof, any change in the Governmental Lender's legal organization or status, or any default of the Governmental Lender or the Fiscal Agent hereunder or under any other Financing Document, and regardless of the invalidity of any action of the Governmental Lender or the invalidity of any portion of this Project Loan Agreement.

(c) **Payments from Borrower to Fiscal Agent or Loan Servicer.** Each payment by the Borrower hereunder or under the Project Notes shall be made in immediately available funds to the Loan Servicer on each Project Loan Payment Date or such other date when such payment is due; provided, however, such Project Loan Payment shall be made directly to the Fiscal Agent if there is no Loan Servicer or if the Borrower is so directed in writing by the Funding Lender Representative. Each such payment shall be made to the Fiscal Agent or the Loan Servicer, as applicable, by deposit to such account as the Fiscal Agent or the Loan Servicer may designate by written notice to the Borrower. Whenever any Project Loan Payment or any other payment under this Project Loan Agreement or under the Project Notes shall be stated to be due on a day that is not a Business Day, such payment shall be made on the first Business Day immediately thereafter.

***Section 4.02 Additional Payments Under the Project Notes and this Project Loan Agreement.***

To the extent that any portion of the Fee Component, the Servicing Fee, or amounts required to be deposited pursuant to the Continuing Covenant Agreement and the other Project Loan Documents remain due and owing at any time, such amounts remaining due and owing shall be payable from money on deposit in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement or from other money of the Borrower, to the extent that money in the Administration Fund is insufficient for such purposes. All other fees and expenses shall be payable from money of the Borrower as provided in subsection (b) of this Section 4.02.

(b) In addition to the funding of the initial deposits required of the Borrower described in Section 3.03, the Borrower shall pay (or cause to be paid by the Loan Servicer or the Fiscal Agent (to the extent paid from money on deposit in the Administration Fund or the Costs of Issuance Fund, as applicable) or a third-party escrow agent acceptable to the Governmental Lender and the Initial Funding Lender), in consideration of the funding of the Project Loan, the following fees, expenses and other money payable in connection with the Loans:

(iv) On the Delivery Date, from money on deposit in the Costs of Issuance Fund or, to the extent such money is insufficient for such purpose, from other money of the Borrower, to the Seller/Servicer, its commitment fees and application fees, together with all third party and out of pocket expenses of the Seller/Servicer (including but not limited to the fees and expenses of counsel to the Seller/Servicer, if any) in connection with the Loans.

(v) On the Delivery Date, from money on deposit in the Costs of Issuance Fund or, to the extent such money is insufficient for such purpose, from other money of the Borrower, to the Fiscal Agent, an acceptance fee in an amount equal to \$[\_\_\_\_\_], together with all third party and out-of-pocket expenses of the Fiscal Agent (including but not limited to the fees and expenses of counsel to the Fiscal Agent) in connection with the Loans and the execution and delivery of the Governmental Notes.

(vi) To the Fiscal Agent, the Fiscal Agent's Ordinary Fees and Expenses and the Fiscal Agent's Extraordinary Fees and Expenses when due from time to time.

(vii) To the Governmental Lender, the Governmental Lender Fee when due and any extraordinary expenses not covered by the Governmental Lender Fee that the Governmental Lender may incur in connection with the Financing Documents or the Project from time to time including all fees, charges, costs, advances, indemnities and expenses, including agent and counsel fees, of the Governmental Lender incurred under or in connection with the Project Loan Documents or the Financing Documents, any costs of responding to or defending audits, investigations or other governmental proceedings, and any taxes and assessments levied on the Governmental Lender with respect to the Project, as and when the same become due.

(xi) To the Loan Servicer, the amounts required to be deposited in respect of reserves and impositions required under the Continuing Covenant Agreement and the other Project Loan Documents.

(xii) If the Fiscal Agent is collecting and remitting loan payments under the Funding Loan Agreement, to the Fiscal Agent, within two (2) Business Days of receipt from the Fiscal Agent of a notice of deficiency in the Administration Fund as provided in Section 4.06 of the Funding Loan Agreement, the amount of any such deficiency in the Administration Fund.

**Section 4.03 *Payments to Rebate Fund.*** The Borrower shall pay when due to the Fiscal Agent at the Principal Office of the Fiscal Agent any amount required to be deposited in the Rebate Fund in accordance with Section 4.10 of the Funding Loan Agreement.

**Section 4.04 *Prepayment.***

(a) **Optional Prepayment of the Project Loan.** The Borrower shall have the option to prepay the Project Loan in whole, together with all accrued and unpaid interest thereon, as provided in the Project Notes.

(b) **Mandatory Prepayment of the Project Loan.** The Borrower shall be required to prepay all or a portion of the outstanding principal balance of the Project Loan, together with accrued interest thereon, and together with any Prepayment Premium due under the Project Notes, as provided in the Project Notes. In addition to the above, the Borrower shall be required to prepay the entire outstanding principal amount of the Taxable Project Loan and the Taxable Project Note, together with accrued interest thereon and any Prepayment Premium, on the Conversion Date such that, from and after the Conversion Date, the Taxable Project Loan and the Taxable Governmental Note shall cease to be outstanding hereunder.

In connection therewith, the Borrower will give written notice (a “**Defeasance Notice**”) to the Funding Lender Representative, the Loan Servicer, the Governmental Lender and the Fiscal Agent of the date the Borrower desires to defease the Funding Loan (the “**Defeasance Date**”). The Defeasance Date may not be more than sixty (60) calendar days, nor less than thirty (30) calendar days, after the delivery of the Defeasance Notice. In connection with the delivery of the Defeasance Notice, the Borrower shall cause to be paid to the Funding Lender Representative the Defeasance Fee set forth in the Continuing Covenant Agreement. In addition to, and not in limitation of any other provisions of this Project Loan Agreement, the Borrower shall pay all fees, costs and expenses in connection with any defeasance whether or not such defeasance occurs. Following such defeasance in accordance with the terms and conditions hereof and the Funding Loan Agreement, the Project Loan shall be deemed paid in full, and the Borrower shall be entitled to the release of the Security

**Section 4.05 *Borrower's Obligations Upon Prepayment.*** In the event of any prepayment, the Borrower will timely pay, or cause to be paid through the Loan Servicer, an amount equal to the principal amount of the Funding Loan or portion thereof called for prepayment, together with interest accrued to the prepayment date and Prepayment Premium, if any. In addition, the Borrower will timely pay all fees, costs and expenses associated with any prepayment of the Funding Loan.

**Section 4.06 *Limits on Personal Liability.***

(a) Except as otherwise set forth in the Project Notes and subsection 4.06(b) below, the obligations of the Borrower under this Project Loan Agreement and the other Financing Documents are non-recourse liabilities of the Borrower which shall be enforced only against the Project and other property of the Borrower encumbered by the Financing Documents and not personally against the Borrower or any partner of the Borrower or any successor or assign of the Borrower. However, nothing in this Section 4.06 shall limit the right of the Governmental Lender, the Fiscal Agent, the Loan Servicer or the Funding Lender Representative to proceed against the Borrower to recover any fees owing to any of them or any actual out-of-pocket expenses (including but not limited to actual out-of-pocket attorneys' fees incurred by any of them) incurred by any of them in connection with the enforcement of any rights under this Project Loan Agreement or the other Financing Documents. **Section 5.09 Survival of Covenants.** The provisions of Sections 2.04, 2.05, 4.02, 4.03, 6.01 and 7.04 hereof shall survive the expiration or earlier termination of this Project Loan Agreement and, with regard to the Fiscal Agent, the resignation or removal of the Fiscal Agent.

**Section 5.11 TEL Regulatory Agreement.** The covenants of the Borrower in the TEL Regulatory Agreement shall be deemed to constitute covenants of the Borrower running with the

land and an equitable servitude for the benefit of the Governmental Lender and the Funding Lender and shall be binding upon any owners of the Project until such time as such restrictions expire as provided in the TEL Regulatory Agreement. The Borrower covenants to file of record the TEL Regulatory Agreement and such other documents, and to take such other steps as are necessary in order to assure that the restrictions contained in the TEL Regulatory Agreement will, subject to the terms of the TEL Regulatory Agreement, be binding upon all owners of the Project. The Borrower covenants to include such restrictions or a reference to such restrictions in any documents transferring any interest in the Project to another to the end that such transferee has notice of, and is bound by, the TEL Regulatory Agreement. Subject to the provisions of Section 7.06 of this Project Loan Agreement, the Governmental Lender and the Fiscal Agent shall have the right to seek specific performance of or injunctive relief to enforce the requirements of any covenants of the Borrower contained in the TEL Regulatory Agreement.

**Section 5.12 *Damage, Destruction and Condemnation.*** If prior to payment in full of the Funding Loan (or provision for payment in full of the Funding Loan in accordance with the provisions of the Funding Loan Agreement) the Project or any portion of it is destroyed (in whole or in part) or is damaged by fire or other casualty, or title to, or the temporary use of, the Project or any portion of it shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, or shall be transferred pursuant to an agreement or settlement in lieu of eminent domain proceedings, the Borrower shall nevertheless be obligated to continue to pay the amounts specified in this Project Loan Agreement and in the Project Notes to the extent the Project Loan is not prepaid in full in accordance with the terms of the Project Loan Documents.

**Section 5.13 *Obligation of the Borrower To Construct the Project.*** The Borrower shall proceed with reasonable dispatch (and in no event later than required under the Financing Documents) to complete the construction, development and equipping of the Project as required by the Financing Documents. If amounts on deposit in the Project Loan Fund designated for the Project and available to be disbursed to the Borrower are not sufficient to pay the costs of the construction, development and equipping, the Borrower shall pay such additional costs from its own funds. The Borrower shall not be entitled to any reimbursement from the Governmental Lender, the Fiscal Agent, the Loan Servicer, the Funding Lender Representative or the Funding Lender in respect of any such additional costs or to any diminution or abatement in the repayment of the Project Loan. None of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Loan Servicer makes any representation or warranty, either express or implied, that money, if any, which will be paid into the Project Loan Fund or otherwise made available to the Borrower will be sufficient to complete the Project, and none of the Fiscal Agent, the Governmental Lender, the Funding Lender, the Funding Lender Representative or the Loan Servicer shall be liable to the Borrower or any other person if for any reason the Project is not completed.

**Section 5.14 *Filing of Financing Statements.*** The Borrower shall file or record or cause to be filed or recorded on or prior to the Delivery Date all UCC financing statements which are required to be filed or recorded in order fully to protect and preserve the security interests relating to the priority of the Project Loan, the Funding Loan, the Pledged Security and the Security Instrument, and the rights and powers of the Governmental Lender, the Fiscal Agent and the Funding Lender in connection with such security interests. The Borrower shall cooperate with the

Fiscal Agent in connection with the filing of any continuation statements for the purpose of continuing without lapse the effectiveness of such financing statements; provided, however, that the Fiscal Agent shall only file or record, or cause to be filed or recorded, those UCC continuation statements on which the Fiscal Agent is named as a secured party or an additional secured party for financing statements that have been delivered to the Fiscal Agent, at the Borrower's expense.

## ARTICLE VI

### INDEMNIFICATION

#### Section 6.01 *Indemnification.*

(a) **Indemnified Losses.** To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Governmental Lender, the Fiscal Agent, the Loan Servicer, the Funding Lender and each of their respective officers, governing commissioners, members, directors, officials, employees, attorneys and agents (collectively, the "**Indemnified Parties**"), against any and all losses, damages (including, but not limited to, consequential and punitive damages), claims, actions, liabilities, costs and expenses of any conceivable nature, kind or character (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise (collectively, "**Losses**"), to the extent arising, directly or indirectly, out of or based upon or in any way relating to any of the: following:

(i) any breach by the Borrower of its obligations under the Financing Documents or the execution, amendment, restructuring or enforcement thereof, or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Project Loan, the Funding Loan, the Project Notes or the Governmental Notes, including any secondary market transaction;

(ii) any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, construction or equipping of, the Project or any part thereof;

(iii) any accident, injury to, or death of persons or loss of or damage to property occurring in, on or about the Project or any part thereof;

(iv) any lien (other than liens permitted under the Continuing Covenant Agreement) or charge upon payments by the Borrower to the Governmental Lender, the Fiscal Agent or the Loan Servicer hereunder, or any Taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Governmental Lender or the Fiscal Agent in

respect of any portion of the Project (other than income and similar taxes on fees received or earned in connection therewith);

(v) any violation of any environmental law, rule or regulation with respect to, or the release of any hazardous materials from, the Project or any part thereof;

(vi) the enforcement of, or any action taken by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative related to remedies under this Project Loan Agreement, the Funding Loan Agreement or any other Financing Document;

(vii) any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower made in the course of Borrower's applying for the Project loan or contained in any of the Financing Documents to which the Borrower is a party or any untrue statement of a material fact or alleged untrue statement of a material fact by the Borrower contained in any offering statement or document for the Governmental Notes or any of the Financing Documents to which the Borrower is a party, or any omission or alleged omission by the Borrower of a material fact from any offering statement or document for the Governmental Notes necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading;

(viii) any declaration of taxability of interest on the Tax-Exempt Governmental Note or allegations (or regulatory inquiry) that interest on the Tax-Exempt Governmental Note is includable in the gross income of the holders thereof for federal income tax purposes;

(ix) any audit or inquiry by the Internal Revenue Service with respect to the Project and/or the tax-exempt status of the Tax-Exempt Governmental Note; or

(x) the Fiscal Agent's acceptance or administration of the trust of the Funding Loan Agreement, or the exercise or performance of any of its powers or duties thereunder or under any of the documents relating to the Governmental Notes to which it is a party;

(xi) Any breach (or alleged breach) by Borrower of any representation, warranty or covenant made in or pursuant to this Project Loan Agreement or in connection with any written or oral representation, presentation, report, appraisal or other information given or delivered by Borrower, General Partner, Guarantor or their Affiliates to Governmental Lender, the Fiscal Agent, the Funding Lender, Servicer or any other Person in connection with Borrower's application for the Project Loan (including, without limitation, any breach or alleged breach by Borrower of any agreement with respect to the provision of any substitute credit enhancement, if applicable);

(xii) Any failure (or alleged failure) by Borrower to comply with applicable federal and state laws and regulations pertaining to the making of the Project Loan and the Funding Loan;

(xiii) The Project, or the condition, occupancy, use, possession, conduct or management of, or work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof; or

(xiv) The use of the proceeds of the Project Loan and the Funding Loan.

except (A) in the case of the foregoing indemnification of the Fiscal Agent, or any of its respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the negligence, unlawful acts or willful misconduct of such Indemnified Party; or (B) in the case of the foregoing indemnification of the Loan Servicer, or the Funding Lender or any of their respective officers, commissioners, members, directors, officials, employees, attorneys and agents, to the extent such Losses are caused by the gross negligence or willful misconduct of such Indemnified Party; or (C) in the case of the foregoing indemnification of the Governmental Lender or any related Indemnified Party, to the extent such damages are caused by the willful misconduct of such Indemnified Party.

(b) **Procedures.** In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from such Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected or approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; provided that such Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof. The Borrower shall pay the reasonable fees and expenses of such separate counsel; provided, however, that such Indemnified Party may employ separate counsel at the expense of the Borrower only if, in such Indemnified Party's good faith judgment, a conflict of interest exists by reason of common representation or if all parties commonly represented do not agree as to the action (or inaction) of counsel. In addition thereto, the Borrower will pay upon demand all of the fees and expenses paid or incurred by the Fiscal Agent and/or the Governmental Lender in enforcing the provisions hereof, as more fully set forth in this Project Loan Agreement.

(c) **Borrower to Remain Obligated.** Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Project Loan Agreement, the Continuing Covenant Agreement and the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 6.01 for Losses with respect to any claims based on actions or events occurring prior to the date of such transfer unless (i) such subsequent owner assumed in writing at the time of such transfer all obligations of the Borrower under this Section 6.01 (including obligations under this Section 6.01 for Losses with respect to any claims based on actions or events occurring

prior to the date of such transfer) and (ii) any such transfer is in compliance with the requirements of the Financing Documents.

(d) **Survival.** The provisions of this Section 6.01 shall survive the termination of this Project Loan Agreement.

**Section 6.02 *Limitation With Respect to the Funding Lender.*** Notwithstanding anything in this Project Loan Agreement to the contrary, in the event that the Funding Lender (or its nominee) shall become the owner of the Project as a result of a foreclosure or a deed in lieu of foreclosure, or comparable conversion of the Project Loan, the Funding Lender (or its nominee) shall not be liable for any breach or default of any prior owner of the Project under this Project Loan Agreement and shall only be responsible for defaults and obligations incurred or occurring during the period that the Funding Lender (or its nominee) is the owner of the Project. Accordingly, during any period that the Funding Lender (or its nominee) owns the Project and that this Article VI is applicable to the Funding Lender (or its nominee), the Funding Lender's (or its nominee's) obligations under this Article VI shall be limited to acts and omissions of the Funding Lender (or its nominee) occurring during the period of the Funding Lender's (or its nominee's) ownership of the Project.

## ARTICLE VII

### EVENTS OF DEFAULT AND REMEDIES

**Section 7.01 *Events of Default.*** The occurrence of any one or more of the following will constitute an "Event of Default" under this Project Loan Agreement:

(a) Any representation or warranty made by the Borrower in the Financing Documents or any certificate, statement, data or information furnished by the Borrower in connection therewith or included by the Borrower in its application to the Governmental Lender for assistance proves at any time to have been incorrect when made in any material respect;

(b) Failure by the Borrower to pay any amounts due under this Project Loan Agreement or the Project Notes at the times and in the amounts required by this Project Loan Agreement or the Project Notes, as applicable;

(c) The Borrower shall fail to observe or perform any other term, covenant, condition or agreement (after taking into account any applicable cure period) set forth in this Project Loan Agreement, which failure continues for a period of 30 days after notice of such failure by the Governmental Lender, the Fiscal Agent or the Funding Lender Representative to the Borrower (with the Governmental Lender, the Fiscal Agent or the Funding Lender Representative providing a courtesy copy of any notice given to the Borrower to the Investor Limited Partner), (unless such default cannot with due diligence be cured within thirty (30) days but can be cured within a reasonable period and will not, in the Funding Lender Representative's sole discretion, adversely affect the Funding Lender or result in impairment of this Project Loan Agreement or any other Financing Document, in which case no Event of Default shall be deemed to exist so long as Borrower

and/or the Investor Limited Partner shall have commenced to cure the default or Event of Default within thirty (30) days after receipt of notice, and thereafter diligently and continuously prosecutes such cure to completion); provided, however, no such notice or grace periods shall apply in the case of any such failure which could, in the Funding Lender Representative's judgment, absent immediate exercise by the Funding Lender Representative of a right or remedy under this Project Loan Agreement, result in harm to the Funding Lender, or impairment of this Project Loan Agreement or any other Financing Document;

(d) The occurrence of a default under the Continuing Covenant Agreement or the Security Instrument (after taking into account any applicable cure period thereunder) shall at the discretion of the Funding Lender Representative constitute an Event of Default under this Project Loan Agreement but only if the Fiscal Agent is provided written notice by the Funding Lender Representative that an Event of Default has occurred under such Financing Document and the Fiscal Agent is instructed by the Funding Lender Representative that such default constitutes an Event of Default hereunder. The occurrence of an Event of Default hereunder shall in the discretion of the Funding Lender Representative constitute a default under the other Financing Documents.

The Investor Limited Partner shall be entitled to cure on behalf of the Borrower any Event of Default with respect to which a cure by the Borrower is expressly permitted, but only to the extent and subject to the same terms and conditions applicable to the Borrower, and any such cure tendered by the Investor Limited Partner shall be treated as a cure tendered by Borrower and shall be accepted or rejected on the same terms as if the cure had been directly tendered by Borrower.

Nothing contained in this Section 7.01 is intended to amend or modify any of the provisions of the Financing Documents or to bind the Governmental Lender, the Fiscal Agent, the Loan Servicer or the Funding Lender Representative to any notice and cure periods other than as expressly set forth in the Financing Documents.

**Section 7.02 Remedies on Default.** Subject to Section 7.06 hereof, whenever any Event of Default hereunder shall have occurred and be continuing, the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), may take any one or more of the following remedial steps:

(a) Such action, without notice or demand, as the Funding Lender deems advisable to protect and enforce its rights against the Borrower and in and to the Project, including declaring the Project Loan to be immediately due and payable (including, without limitation, declaring the principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Project Notes to be immediately due and payable).

(b) Without being required to give any notice (other than to the Governmental Lender or the Fiscal Agent, as applicable), except as provided herein, pursue all remedies of a creditor under the laws of the Property Jurisdiction, as supplemented and amended, or any other applicable laws.

(c) Whatever action at law or in equity may appear necessary or desirable to collect the payments under this Project Loan Agreement then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Project Loan Agreement.

In addition, subject to Section 7.06 hereof, the Governmental Lender and the Fiscal Agent may pursue remedies with respect to the Unassigned Rights.

Any amounts collected pursuant to Article IV hereof and any other amounts which would be applicable to payment of principal of, Prepayment Premium, if any, and interest on and all other amounts due on the Funding Loan collected pursuant to action taken under this Section 7.02 shall be applied in accordance with the provisions of the Funding Loan Agreement.

**Section 7.03 *No Remedy Exclusive.*** Upon the occurrence of an Event of Default, all or any one or more of the rights, powers, privileges and other remedies available against the Borrower hereunder or under the Financing Documents or otherwise at law or in equity may be exercised by the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender), at any time and from time to time, whether or not the Funding Lender has accelerated the Project Loan, and whether or not the Funding Lender shall have commenced any foreclosure proceeding or other action for the enforcement of its rights and remedies under any of the Financing Documents. No remedy conferred upon or reserved to the Funding Lender or the Fiscal Agent by this Project Loan Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Project Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Funding Lender (or the Fiscal Agent at the written direction of the Funding Lender) to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be expressly required by this Project Loan Agreement.

**Section 7.04 *Agreement to Pay Attorneys' Fees and Expenses.*** In the event the Borrower shall default under any of the provisions of this Project Loan Agreement and the Governmental Lender, the Fiscal Agent, the Loan Servicer or the Funding Lender Representative shall employ attorneys or incur other expenses for the collection of loan payments or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower contained in this Project Loan Agreement or in the Project Notes, the Borrower shall on demand therefor reimburse the reasonable fees of such attorneys and such other expenses so incurred.

**Section 7.05 *No Additional Waiver Implied by One Waiver.*** In the event any agreement contained in this Project Loan Agreement shall be breached by any party and thereafter waived by the other parties, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

**Section 7.06 *Control of Proceedings.***

(a) Notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Project Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Project Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of the Fiscal Agent or the Governmental Lender. In no event shall the exercise of any of the foregoing rights result in an acceleration of the Project Loan without the express direction of the Funding Lender Representative.

(b) The Governmental Lender and the Fiscal Agent covenant that they will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

(i) prosecute any action with respect to a lien on the Project; or

(ii) initiate or take any action which may have the effect, directly or indirectly, of impairing the ability of the Borrower to timely pay the principal of, interest on, or other amounts due under, the Project Loan; or

(iii) interfere with or attempt to influence the exercise by the Funding Lender Representative of any of its rights under the Financing Documents upon the occurrence of any default by the Borrower under the Financing Documents; or

(iv) take any action to accelerate or otherwise enforce payment or seek other remedies with respect to the Project Loan or the Funding Loan.

(c) Notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender or the Fiscal Agent may take one or both of the following actions:

(i) specifically enforce the tax covenants of the Borrower specified in Sections 2.04 and 2.05 hereof and the Tax Certificate or seek injunctive relief against acts which may be in violation thereof; and

(ii) specifically enforce the TEL Regulatory Agreement or seek injunctive relief against acts which may be in violation of the TEL Regulatory Agreement or are otherwise inconsistent with the operation of the Project in accordance with applicable requirements of the Code and state and local law (but in neither the case of subsection (c)(i) above or this subsection (c)(ii) may the Governmental Lender or the Fiscal Agent seek any form of monetary damages from the Borrower in connection with such enforcement).

(d) In addition, notwithstanding Sections 7.06(a) and 7.06(b) hereof, the Governmental Lender and the Fiscal Agent may seek specific performance of the other

Unassigned Rights (provided no monetary damages are sought), and nothing herein shall be construed to limit the rights of the Governmental Lender, the Fiscal Agent or any Indemnified Party related to the Governmental Lender or the Fiscal Agent under Section 6.01 (each a “**Related Indemnified Party**”) to enforce their respective rights against the Borrower under Sections 4.02, 4.03, 6.01 and 7.04 hereof, provided that no obligation of the Borrower to the Governmental Lender, the Fiscal Agent or any Related Indemnified Party under such sections shall be secured by or in any manner constitute a lien on, or security interest in, the Project, whether in favor of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party, and all such obligations are and shall be subordinate in priority, in right to payment and in all other respects to all other obligations, liens, rights (including without limitation the right to payment) and interests arising or created under the Financing Documents (except for the Fiscal Agent’s right to receive payment of the Fiscal Agent’s Extraordinary Fees and Expenses pursuant to Section 6.05(a) of the Funding Loan Agreement after an Event of Default with respect to the Funding Loan, which Fiscal Agent’s Extraordinary Fees and Expenses shall be payable as provided thereunder). Accordingly, none of the Governmental Lender, the Fiscal Agent or any Related Indemnified Party shall have the right to enforce any monetary obligation arising under such sections other than directly against the Borrower, without recourse to the Project. In addition, any such enforcement must not cause the Borrower to file a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Borrower under any applicable liquidation, insolvency, bankruptcy, construction, composition, reorganization, conservation or other similar law in effect now or in the future.

**Section 7.07 Assumption of Obligations.** In the event that the Fiscal Agent or the Funding Lender or their respective assignee or designee shall become the legal or beneficial owner of the Project by foreclosure or deed in lieu of foreclosure, such party shall succeed to the rights and the obligations of the Borrower under this Project Loan Agreement, the Project Notes, the TEL Regulatory Agreement, and any other Financing Documents to which the Borrower is a party or with respect to which it is a third-party beneficiary. Such assumption shall be effective from and after the effective date of such acquisition and shall be made with the benefit of the limitations of liability set forth therein and without any liability for the prior acts of the Borrower.

## ARTICLE VIII

### MISCELLANEOUS

**Section 8.01 Notices.**

(a) Whenever in this Project Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding

Lender Representative, the Borrower or the Loan Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth in Section 10.04 of the Funding Loan Agreement or as required or permitted by this Project Loan Agreement by Electronic Instruction and Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Loan Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

A duplicate copy of each notice or other communication given hereunder by any party to the Loan Servicer shall also be given to the Funding Lender Representative and a duplicate copy of each notice or other communication given hereunder by any party to the Funding Lender Representative shall be given to the Loan Servicer.

The Fiscal Agent is authorized and agrees to accept and act upon Electronic Instruction and Notice of written instructions and/or directions pursuant to this Project Loan Agreement.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Loan Servicer (i) prompt notice of the occurrence of any Event of Default hereunder and (ii) any written information or other communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative for any such information or other communication.

**Section 8.02 *Concerning Successors and Assigns.*** All covenants, agreements, representations and warranties made herein and in the certificates delivered pursuant hereto shall survive the financing herein contemplated and shall continue in full force and effect so long as the obligations hereunder are outstanding. Whenever in this Project Loan Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrower which are contained in this Project Loan Agreement shall bind its successors and assigns and inure to the benefit of the successors and assigns of the Governmental Lender, the Fiscal Agent, the Loan Servicer, the Funding Lender and the Funding Lender Representative, as applicable.

**Section 8.03 *Governing Law.*** This Project Loan Agreement shall be construed in accordance with and governed by the internal laws of the Property Jurisdiction and, where applicable, the laws of the United States of America.

**Section 8.04 *Entire Agreement, Modifications in Writing.*** Modification or the waiver of any provisions of this Project Loan Agreement or consent to any departure by the parties therefrom, shall in no event be effective unless the same shall be in writing approved by the parties hereto and shall require the prior written consent of the Funding Lender Representative and then such waiver or consent shall be effective only in the specific instance and for the purpose for which

given. No notice to or demand on the Borrower in any case shall entitle it to any other or further notice or demand in the same circumstances.

**Section 8.05 *Further Assurances and Corrective Instruments.*** The Governmental Lender (at the expense of the Borrower), the Fiscal Agent and the Borrower agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required (including such supplements or further instruments requested by the Funding Lender Representative) for correcting any inadequate or incorrect description of the performance of this Project Loan Agreement; provided, however, that no such supplement or further instruction shall change the essential economic terms of the Project Loan or impose on the Borrower greater liability in connection with the Project Loan Documents without the written consent of the Borrower.

**Section 8.06 *Captions.*** The section headings contained herein are for reference purposes only and shall not in any way affect the meaning or interpretation of this Project Loan Agreement.

**Section 8.07 *Severability.*** The invalidity or unenforceability of any provision of this Project Loan Agreement shall not affect the validity of any other provision, and all other provisions shall remain in full force and effect.

**Section 8.08 *Counterparts.*** This Project Loan Agreement may be signed in any number of counterparts with the same effect as if the signatures thereto and hereto were upon the same instrument.

**Section 8.09 *Amounts Remaining in Loan Payment Fund or Other Funds.*** It is agreed by the parties hereto that any amounts remaining in the Loan Payment Fund or other funds and accounts established under the Funding Loan Agreement upon expiration or sooner termination of the term hereof (and the repayment in full of the Project Loan and all other amounts owing under the Project Loan Documents), shall be paid in accordance with the Funding Loan Agreement.

**Section 8.10 *Effective Date and Term.*** This Project Loan Agreement shall become effective upon its execution and delivery by the parties hereto, shall be effective and remain in full force from the Effective Date, and, subject to the provisions hereof, shall expire on such date as the Funding Loan Agreement shall terminate.

**Section 8.11 *Cross References.*** Any reference in this Project Loan Agreement to an “Exhibit,” an “Article,” a “Section,” a “Subsection” or a “Paragraph” shall, unless otherwise explicitly provided, be construed as referring, respectively, to an exhibit attached to this Project Loan Agreement, an article of this Project Loan Agreement, a section of this Project Loan Agreement, a subsection of the section of this Project Loan Agreement in which the reference appears and a paragraph of the subsection within this Project Loan Agreement in which the reference appears. All schedules and exhibits attached to or referred to in this Project Loan Agreement are incorporated by reference into this Project Loan Agreement.

**Section 8.12 *Funding Lender Representative and Loan Servicer as Third-Party Beneficiaries.*** The parties hereto agree and acknowledge that the Funding Lender Representative and the Loan Servicer are third-party beneficiaries of this Project Loan Agreement.

**Section 8.13 *Supplemental Financings.*** The Governmental Lender and the Fiscal Agent each acknowledges that the Loan Servicer (or another originating lender that is generally approved by Freddie Mac to sell mortgages to Freddie Mac) may make additional loans to the Borrower secured by additional mortgages on the Project (“**Additional Loans**”), provided however that no such Additional Loans may be made without the prior written consent of the Governmental Lender. Additional Loans must be subordinate to the repayment of the Project Loan by the Borrower.

**Section 8.14 *Non-Liability of Governmental Lender.*** Notwithstanding anything to the contrary herein or in any other instrument to the contrary, the Governmental Lender shall not be obligated to pay the principal (or Prepayment Premium) of or interest on the Funding Loan, except from Revenues and other money and assets received by the Fiscal Agent on behalf of the Governmental Lender pursuant to this Project Loan Agreement. Neither the faith and credit nor the taxing power of the Property Jurisdiction or any political subdivision thereof, nor the faith and credit of the Governmental Lender or any member is pledged to the payment of the principal (or Prepayment Premium) or interest on the Funding Loan. The Governmental Lender shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Project Loan Agreement, the Funding Loan, the Governmental Notes or the Funding Loan Agreement, except only to the extent amounts are received for the payment thereof from the Borrower under this Project Loan Agreement.

The Borrower hereby acknowledges that the Governmental Lender’s sole source of money to repay the Funding Loan will be provided by the payments made by the Borrower pursuant to this Project Loan Agreement, together with investment income on certain funds and accounts held by the Fiscal Agent under the Funding Loan Agreement, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or Prepayment Premium) and interest on the Funding Loan as the same shall become due (whether by maturity, prepayment, acceleration or otherwise), then upon notice from the Fiscal Agent, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or Prepayment Premium) or interest, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Fiscal Agent, the Borrower, the Governmental Lender or any third party, subject to any right of reimbursement from the Fiscal Agent, the Governmental Lender or any such third party, as the case may be, therefor.

**Section 8.15 *No Liability of Officers.*** Notwithstanding anything to the contrary herein or in any other instrument to the contrary, no recourse under or upon any obligation, covenant, or agreement or in the Governmental Notes, or under any judgment obtained against the Governmental Lender, or by the enforcement of any assessment or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise or under any circumstances, shall be had against any incorporator, member, director, commissioner, employee, agent or officer, as such, past, present, or future, of the Governmental Lender, either directly or through the Governmental Lender, or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may be due and unpaid by the Governmental Lender upon the Funding Loan. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member, director, commissioner, employee, agent or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the

Governmental Lender or any receiver thereof, or for or to the Funding Lender, of any sum that may remain due and unpaid upon the Funding Loan, is hereby expressly waived and released as a condition of and consideration for the execution of this Project Loan Agreement and the issuance of the Governmental Notes.

**Section 8.16 *Capacity of the Fiscal Agent.*** The Fiscal Agent is entering into this Project Loan Agreement solely in its capacity as Fiscal Agent and shall be entitled to the rights, protections, and limitations from liability and immunities afforded it as Fiscal Agent under the Funding Loan Agreement. The Fiscal Agent shall be responsible only for the duties of the Fiscal Agent expressly set forth herein and in the Funding Loan Agreement.

**Section 8.17 *Reliance.*** The representations, covenants, agreements and warranties set forth in this Project Loan Agreement may be relied upon by the Governmental Lender, the Fiscal Agent, Bond Counsel, the Loan Servicer, the Funding Lender and the Funding Lender Representative. In performing their duties and obligations under this Project Loan Agreement and under the Funding Loan Agreement, the Governmental Lender and the Fiscal Agent may rely upon statements and certificates of the Borrower, upon certificates of tenants believed to be genuine and to have been executed by the proper person or persons, and upon audits of the books and records of the Borrower pertaining to occupancy of the Project. #### Section 2.01 *Terms.*

(a) The total principal amount of the Funding Loan is hereby expressly limited to the Authorized Amount. Subject to Section 2.10 hereof, the Funding Loan shall be originated and funded by the Initial Funding Lender to the Governmental Lender in accordance with Section 2.01(b) below. The proceeds of the Funding Loan shall be deposited with the Fiscal Agent and disbursed in accordance with this Funding Loan Agreement. The Funding Loan shall be evidenced by the Governmental Notes and shall bear interest and be paid in accordance with the payment terms set forth in the Governmental Notes and this Funding Loan Agreement.

(b) The Funding Loan shall be originated by the Initial Funding Lender on a draw-down basis. The proceeds of the Funding Loan shall be advanced by the Initial Funding Lender in installments directly to the Fiscal Agent for deposit to the Project Account upon receipt of an Advance Request and the satisfaction of the conditions to such advance set forth in the Construction Continuing Covenant Agreement and the form of requisition attached as Exhibit E hereto; provided that upon the agreement of the Initial Funding Lender and the Borrower, the form of requisition in the Construction Continuing Covenant Agreement may be used. Upon the advancement of the proceeds of the Funding Loan in accordance with the terms hereof, the principal amount of the Governmental Notes in a principal amount equal to the amount so advanced shall be deemed to be increased automatically and without further acts on the part of the Governmental Lender or the Fiscal Agent. The Initial Installment of the Funding Loan shall be advanced by the Initial Funding Lender on the Tax-Exempt Governmental Note and deposited in the Project Loan Fund on the Delivery Date for application as provided in Section 2.11. Thereafter, all remaining disbursements of the Funding Loan shall be drawn first on the Tax-Exempt Governmental Note, until the available credit thereunder is exhausted, and then upon the Taxable Governmental Note until the available credit thereunder is exhausted, but in no event shall the total of draws on the Governmental Notes in aggregate exceed the Authorized Amount; provided, however, that after the initial draw on the Tax-Exempt Governmental Note, at the request of the Borrower, the Taxable Governmental Note may be drawn on in any amount or amounts from time to time before the credit available under the Tax-Exempt Governmental Note is exhausted but in each such case only with the Loan Servicer's approval and subject to the provisions of the Tax Certificate and the Code. Notwithstanding anything in this Funding Loan Agreement to the contrary, no additional amounts of the Funding Loan may be drawn down and funded hereunder after the Advance Termination Date. Any extension of the Advance Termination Date shall be subject to the receipt by the Fiscal Agent of (i) the prior written consent of the Initial Funding Lender and Freddie Mac and (ii) an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that such extension will not adversely affect the tax-exempt status of the Tax-Exempt Governmental Note.

(c) The Fiscal Agent shall maintain in its books a log which shall reflect the principal amount of the Funding Loan advanced by the Initial Funding Lender from time to time in accordance with the provisions of Section 2.01(b) above (the “**Record of Advances**”). The principal amount due on the Governmental Notes shall be only such amount as has been advanced by the Initial Funding Lender as reflected in the Record of Advances and not otherwise prepaid pursuant to the terms of this Funding Loan Agreement. The records maintained by the Fiscal Agent in such regard will be conclusive evidence of the outstanding principal amount of the Funding Loan (absent manifest error). The Fiscal Agent shall notify the Governmental Lender, the Seller/Service, Freddie Mac and the Borrower if any advance of the proceeds of the Funding Loan is not made by the Initial Funding Lender when due hereunder pursuant to Section 2.01(b) above.

(e) The Funding Loan shall mature on the Maturity Date, subject to scheduled monthly principal payments, and to optional and mandatory prepayment prior to maturity as provided in Article III hereof. If the Conversion Date occurs on or prior to the initial Forward Commitment Maturity Date, then the unpaid principal balance of the Funding Loan shall be paid on the dates and in the amounts set forth on the initial Funding Loan Amortization Schedule provided on the Delivery Date and attached as Schedule 1 to the Governmental Notes, provided that, at the Funding Lender’s discretion, a new Funding Loan Amortization Schedule may be provided on the Conversion Date that reflects the Conversion Date and the term of the Permanent Phase. Additionally, in the event the outstanding amount of the Tax-Exempt Funding Loan on the Conversion Date is greater than or less than the starting principal amount set forth in the initial Funding Loan Amortization Schedule, a new Funding Loan Amortization Schedule will be generated on

the Conversion Date at such greater or lesser outstanding principal amount based on the parameters set forth in the Freddie Mac Commitment, subject to receipt of an opinion of Bond Counsel as aforesaid. In the event the initial Funding Loan Amortization Schedule is modified in accordance with this Section 2.01(e), a replacement Funding Loan Amortization Schedule will be provided by the Seller/Serviceicer which will be attached to the Tax-Exempt Governmental Note on the Conversion Date. All unpaid principal and all accrued and unpaid interest outstanding under the Funding Loan shall be due and payable on the Maturity Date.

(f) Payment of principal of, Prepayment Premium, if any, and interest on the Funding Loan shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by the Funding Lender (unless otherwise directed by the Funding Lender).

(g) Subject to Section 2.12 hereof, on or before the date fixed for payment, money shall be deposited with the Fiscal Agent to pay, and the Fiscal Agent is hereby authorized and directed to apply such money to the payment of, the Funding Loan, together with accrued interest thereon to the date of payment.

(h) In no contingency or event whatsoever shall the aggregate of all amounts deemed interest hereunder and charged or collected pursuant to the terms of this Funding Loan Agreement exceed the Maximum Interest Rate. In the event that such court determines the Funding Lender has charged or received interest hereunder in excess of the Maximum Interest Rate, the Funding Lender shall apply, in its sole discretion, and set off such excess interest received by the Funding Lender against other obligations due or to become due under the Financing Documents and such rate shall automatically be reduced to the maximum rate permitted by such law.

In no event will a payment be due and payable on the Funding Loan or the Governmental Notes except to the extent such amount is due and payable under the Project Loan Agreement and the Project Notes. In the event of any conflict as to the payment terms of the Governmental Notes and the Project Notes, the terms of the Project Notes shall control and the terms of the Governmental Notes shall be deemed amended thereby, provided that no such amendment shall increase the obligations of the Governmental Lender under the Funding Loan or the Governmental Notes except to the extent payable solely from the Pledged Security. Further, no such amendment shall cause the Governmental Lender's obligations hereunder and under the Governmental Notes to be other than limited obligations as set forth in Section 2.03 below.

**Section 2.02 Pledged Security.** To secure the payment of the principal of, Prepayment Premium, if any, and interest on the Funding Loan according to its tenor and effect, and the performance and observance by the Governmental Lender of all the covenants expressed or implied herein and in the Governmental Notes, and the payment and performance of all amounts and obligations under the Continuing Covenant Agreement, the Governmental Lender does hereby grant, bargain, sell, convey, pledge and assign a security interest, unto the Fiscal Agent, and its successors in such capacity and its and their assigns in and to the following (said property being herein referred to as the "**Pledged Security**") for the benefit of the Funding Lender:

(a) All right, title and interest of the Governmental Lender in and to all Revenues;

(b) All right, title and interest of the Governmental Lender in and to the Project Loan Agreement, the Project Notes, the Security Instrument and the other Project Loan Documents (other than the Unassigned Rights), including all extensions and renewals of the terms thereof, if any, including, but without limiting the generality of the foregoing, the present and continuing right to receive, receipt for, collect or make claim for any of the money, income, revenues, issues, profits and other amounts payable or receivable thereunder (including all casualty insurance proceeds or condemnation awards, payments settlements or other compensation to be paid in connection therewith), whether payable under the above referenced documents or otherwise, to bring actions and proceedings thereunder or for the enforcement thereof, and to do any and all things which the Governmental Lender or any other Person is or may become entitled to do under said documents; and

(c) Except for funds, money or securities in the Costs of Issuance Fund, the Administration Fund and the Rebate Fund, all funds, money and securities and any and all other rights and interests in property whether tangible or intangible from time to time hereafter by delivery or by writing of any kind, conveyed, mortgaged, pledged, assigned or transferred as and for additional security hereunder for the Funding Loan by the Governmental Lender or by anyone on its behalf or with its written consent to the Fiscal Agent, which is hereby authorized to receive any and all such property at any and all times and to hold and apply the same subject to the terms hereof.

The foregoing notwithstanding, if the Governmental Lender or its successors or assigns shall pay or cause to be paid to the Funding Lender in full the principal, interest and Prepayment Premium, if any, to become due with respect to the Funding Loan at the times and in the manner provided in Article IX hereof, and if the Governmental Lender shall keep, perform and observe, or cause to be kept, performed and observed, all of its covenants, warranties and agreements contained herein, then these presents and the estate and rights hereby granted shall, at the option of the Governmental Lender, cease, terminate and be void, and thereupon the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof, and, subject to the provisions of Sections 4.09 and 4.10 hereof and Article IX hereof, reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except for the Rebate Fund and cash held by the Fiscal Agent for the payment of interest on and principal of the Governmental Notes; otherwise this Funding Loan Agreement to be and shall remain in full force and effect.

**Section 2.03 *Limited Obligations.*** Notwithstanding anything to the contrary herein or to the contrary in any Financing Document:

(a) The Funding Loan and the Governmental Notes are limited obligations of the Governmental Lender, payable solely from the Pledged Security. None of the Governmental Lender, the State of California or any political subdivision thereof (except

the Governmental Lender, to the limited extent authorized by the Act and set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, Prepayment Premium (if any) or interest on the Funding Loan or the Governmental Notes or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and, notwithstanding anything herein or in any other instrument to the contrary, none of the Funding Loan or the Governmental Notes or any of the Governmental Lender's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

(b) The Funding Loan and the Governmental Notes, together with the interest and Prepayment Premium, if any, thereon and the purchase price thereof, shall not be deemed to constitute a debt or liability of the Governmental Lender, the City, the State of California or of any political subdivision or public agency thereof or a pledge of the faith and credit of the Governmental Lender, the State of California or any political subdivision or public agency thereof, but, notwithstanding anything herein or in any other instrument to the contrary, shall be payable solely from the Pledged Security provided therefor pursuant to this Funding Loan Agreement. The Funding Loan and the Governmental Notes are only limited obligations of the Governmental Lender as provided by the Act, and, notwithstanding anything herein or in any other instrument to the contrary, neither the Governmental Lender nor any public agency shall under any circumstances be obligated to pay the Funding Loan or the Governmental Notes except from the Pledged Security.

(c) Neither the faith and credit nor the taxing power of the Property Jurisdiction, the Governmental Lender, any public agency or any political subdivision of the Property Jurisdiction is pledged to the payment of the principal of, Prepayment Premium, if any, purchase price of or interest on the Funding Loan or the Governmental Notes, nor is the State of California, the Governmental Lender, any public agency or any political subdivision of the Property Jurisdiction, in any manner obligated to make any appropriation for such payment.

(d) Notwithstanding anything herein or in any other instrument to the contrary, no recourse shall be had for the payment of the principal of, Prepayment Premium, if any, or interest on the Funding Loan or the Governmental Notes or for any claim based thereon or upon any obligation, covenant or agreement in this Funding Loan Agreement contained (except from the Pledged Security), against the Governmental Lender, any past, present or future member of its governing body, its officers, attorneys, accountants, financial advisors, agents or staff, or the officers, attorneys, accountants, financial advisors, agents or staff of any successor public entity, as such, either directly or through the Governmental Lender or any successor public entity, under any rule of law or penalty or otherwise, and all such liability of the Governmental Lender, any member of its governing body and its officers, attorneys, accountants, financial advisors, agents and staff is hereby expressly waived and released as a condition of, and in consideration for, the execution of this Funding Loan Agreement.

**Section 2.04 *Funding Loan Agreement Constitutes Contract.*** In consideration of the origination and funding of the Funding Loan by the Initial Funding Lender, the provisions of this Funding Loan Agreement shall be part of the contract of the Governmental Lender with the Initial Funding Lender and any successors or assigns thereof in such capacity from time to time.

**Section 2.05 *Form and Execution.*** The Governmental Notes shall be in substantially the forms attached as Exhibit A-1 and Exhibit A-2 and shall be delivered to the holders thereof in physical form and not as book-entry bonds. The Governmental Notes shall be executed on behalf of the Governmental Lender by the manual or facsimile signature of the Mayor of the City. The signatures of individuals who were the proper officers of the Governmental Lender at the time of execution shall bind the Governmental Lender, notwithstanding that such individuals or any of them shall have ceased to hold such offices prior to the delivery of the Governmental Notes or shall not have held such offices at the date of the Governmental Notes. Any facsimile signatures shall have the same force and effect as if said officers had manually signed the Governmental Notes.

**Section 2.06 *Authentication.*** The Governmental Notes shall not be valid or obligatory for any purpose or entitled to any security or benefit under this Funding Loan Agreement unless a certificate of authentication on the Governmental Notes, substantially in the forms set forth in Exhibit A-1 and Exhibit A-2, shall have been manually executed by an Authorized Officer of the Fiscal Agent; and such executed certificate of authentication upon the Governmental Notes shall be conclusive evidence that the Governmental Notes have been duly executed, registered, authenticated and delivered under this Funding Loan Agreement.

**Section 2.07 *Mutilated, Lost, Stolen or Destroyed Governmental Note.*** In the event a Governmental Note is mutilated, lost, stolen or destroyed, the Governmental Lender shall execute and the Fiscal Agent shall authenticate a new Governmental Note substantially in the form set forth in Exhibit A-1 and Exhibit A-2, as applicable in exchange and substitution for and upon cancellation of the mutilated Governmental Note or in lieu of and in substitution for such lost, stolen or destroyed Governmental Note, upon payment by the Funding Lender of any applicable tax or governmental charge and the reasonable expenses and charges of the Governmental Lender and the Fiscal Agent in connection therewith, and in the case where a Governmental Note is lost, stolen or destroyed, the filing with the Fiscal Agent of evidence satisfactory to it that the Governmental Note was lost, stolen or destroyed, and of the ownership thereof, and furnishing the Governmental Lender and the Fiscal Agent with indemnity satisfactory to each of them. In the event where a Governmental Note shall have matured, instead of delivering a new Governmental Note the Fiscal Agent may pay the same without surrender thereof.

**Section 2.08 *Registration; Transfer of Funding Loan; Transferee Representations Letter.***

(a) The Funding Loan, as evidenced by the Governmental Notes, shall be fully registered as to principal and interest in the manner and with any additional designation as the Fiscal Agent deems necessary for the purpose of identifying the registered owner thereof. The Funding Loan, as evidenced by the Governmental Notes, shall be transferable only on the registration books of the Fiscal Agent. The Fiscal Agent shall maintain books or other records showing the name and date of registration, address and employer

identification number of the registered owner of the Funding Loan, as evidenced by the Governmental Notes, and any transfers of the Funding Loan, as evidenced by the Governmental Notes, as provided herein, which books shall be maintained by the Fiscal Agent for such purpose consistent with the registration requirements of the Code applicable to tax-exempt obligations and which shall be open to inspection by the Governmental Lender. The Funding Loan, as evidenced by the Governmental Notes, shall (i) initially be registered to the Initial Funding Lender, (ii) upon the Conversion Date, the Tax-Exempt Governmental Note shall be registered to the Seller/Servicer, and (iii) upon the Freddie Mac Purchase Date, the Tax-Exempt Governmental Note shall be registered to Freddie Mac.

(b) The Funding Lender shall have the right to sell, assign or otherwise transfer in whole its interest in the Funding Loan or to grant a participation interest in the Funding Loan in a percentage of not less than twenty-five percent (25%) of the outstanding principal amount of the Funding Loan; provided that the Funding Loan may be transferred, or any participation interest therein granted, only to an “accredited investor” as that term is defined in Rule 501 of Regulation D under the Securities Act or a “qualified institutional buyer” as that term is defined under Rule 144A of the Securities Act (such “accredited investor” or “qualified institutional buyer” a “Qualified Transferee”) that delivers a letter to the Governmental Lender and the Fiscal Agent substantially in the form attached hereto as Exhibit C setting forth certain representations with respect to such Qualified Transferee (the “Transferee Representations Letter”). Notwithstanding the preceding sentence, no Transferee Representations Letter shall be required for the Funding Lender to:

(i) transfer the Funding Loan to any affiliate or other party related to the Funding Lender that is a Qualified Transferee or

(ii) sell or transfer the Funding Loan to a special purpose entity, a trust or a custodial or similar pooling arrangement from which the Funding Loan or securitized interests therein are not expected to be sold or transferred except to (A) owners or beneficial owners thereof that are Qualified Transferees or (B) in circumstances where secondary market credit enhancement is provided for such securitized interests resulting in a rating thereof of at least “A” or better.

In connection with any sale, assignment or transfer of the Funding Loan, the Funding Lender shall give notice of such sale, assignment or transfer to the Fiscal Agent and the Fiscal Agent shall record such sale, assignment or transfer on its books or other records maintained for the registration of transfer of the Funding Loan. It shall not be necessary to present, exchange, or re-authenticate the Governmental Notes in connection with any sale, assignment or transfer of the Funding Loan, provided that the Funding Lender shall provide the Fiscal Agent with the name and date of registration, address, and employer identification number of the assignee or transferee, so that the Fiscal Agent may maintain the registration records, together with any information necessary to allow the Fiscal Agent to comply with any applicable tax reporting obligations.

**Section 2.09 TEL Securitization; Allocation of Funding Loan Interest.** In accordance with the provisions of Section 2.08 hereof, the Funding Lender may transfer the Funding Loan to

a Qualified Transferee in connection with the securitization of the Funding Loan, in which event the Funding Lender Representative may direct the Fiscal Agent to make all future payments with respect to the Funding Loan to the appointed master servicer for that securitization (or an account designated by such master servicer), and the Fiscal Agent shall accept such direction from the Funding Lender Representative. In the event that the Funding Lender transfers the Funding Loan to a Qualified Transferee in accordance with the provisions of Section 2.08 hereof, the Funding Lender Representative may also give notice to the Fiscal Agent that the Funding Lender has agreed to allow the Loan Servicer to retain a portion of the monthly interest payable on the Funding Loan as additional compensation for the servicing of the Funding Loan (an “**Additional Servicing Fee**”), which Additional Servicing Fee will equal no more than an annual two (2) basis points with respect to the unpaid principal balance of the Governmental Notes, in which event the Fiscal Agent shall accept and pay to the Funding Lender such lesser amount of interest received from the Loan Servicer and shall consider such payment to be in full compliance with the terms of the Governmental Notes, the Project Notes and all other Financing Documents with regard to the interest owed on the Funding Loan.

**Section 2.10 *Funding Loan Closing Conditions; Delivery of Governmental Notes.***

Closing of the Funding Loan on the Delivery Date shall be conditioned upon, and the Governmental Lender shall only execute and deliver to the Fiscal Agent, and the Fiscal Agent shall only authenticate the Governmental Notes and deliver the Governmental Notes to the Initial Funding Lender upon receipt by the Fiscal Agent of all the following:

Financing Documents to which it is a party, that its execution and delivery of and performance of its covenants in such documents do not contravene law or any provision of any other documents to which it is a party or by which it or such property is bound or affected, and that all such agreements have been duly authorized, executed and delivered by the Borrower, and are legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their respective terms;

(g) A customary approving opinion of Bond Counsel, including but not limited to an opinion to the effect that the interest on the Tax-Exempt Governmental Note, under laws in effect on the date of such opinion, is excluded from the gross income of the holders thereof for federal income tax purposes and, where applicable, for state income tax purposes in the Property Jurisdiction;

(l) A Transferee Representations Letter from the Initial Funding Lender;

(m) Confirmation that all conditions stated in Section 3.01 of the Project Loan Agreement have been satisfied; and

(n) Receipt by the Funding Lender and the Governmental Lender of any other documents or opinions that Funding Lender or Bond Counsel may require.

**Section 2.11 *Establishment of Project Loan Fund; Application of Funding Loan Proceeds and Other Money.***

(a) The Fiscal Agent shall establish, maintain and hold in trust and there is hereby established with the Fiscal Agent a Project Loan Fund and therein a Project Account (with a Tax-Exempt Project Subaccount and a Taxable Project Subaccount therein) and a Borrower Equity Account. No amount shall be charged against the Project Loan Fund except as expressly provided in this Section 2.11 and Section 4.02 hereof.

(b) The proceeds of the Funding Loan shall be delivered by the Initial Funding Lender to the Fiscal Agent on behalf of the Governmental Lender in the Initial Installment on the Delivery Date and thereafter on a draw-down basis as provided for in Section 2.01(b) hereof. Upon receipt, the Fiscal Agent shall deposit such proceeds to the credit of the

applicable subaccount of the Project Account of the Project Loan Fund. Amounts in the Project Loan Fund shall be disbursed as provided in subparagraph (d) below, subject to the conditions set forth in Section 3.01 of the Project Loan Agreement. Upon the disbursement of all amounts in the Project Loan Fund, the Fiscal Agent shall close the Project Loan Fund.

(c) The Governmental Lender shall cause the Borrower to deliver from sources other than the Loans, to the Fiscal Agent, on or prior to the Delivery Date, the Costs of Issuance Deposit for deposit to the credit of the Costs of Issuance Fund and the Borrower Equity Deposit for deposit to the credit of the Borrower Equity Account. The Fiscal Agent shall also deposit in the Costs of Issuance Fund and the Borrower Equity Account any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or the Loan Servicer to be deposited therein, excluding any proceeds of the Loans.

(d) Upon the making of the initial deposits described above in this Section 2.11, the Governmental Lender shall originate the Project Loan pursuant to the Project Loan Agreement and the Fiscal Agent shall make the disbursements of amounts in the Project Loan Fund to the Borrower or otherwise as provided in Section 4.02 hereof.

**Section 2.12 *Direct Loan Payments to Funding Lender; Loan Servicer Disbursement of Fees.***

(a) Notwithstanding any provision in this Funding Loan Agreement to the contrary (but subject to the last two sentences of this paragraph (a)), during any period that a Loan Servicer is engaged with respect to the Loans, the Governmental Lender and the Fiscal Agent agree that all payments of principal of, Prepayment Premium, if any, and interest on the Funding Loan and all fees due hereunder and under the Project Loan Agreement shall be paid by the Borrower to the Loan Servicer; provided, however, the Fiscal Agent shall be responsible for making the debt service and fee payments out of the Project Loan Fund as required under Section 4.02 hereof. The Loan Servicer shall remit all payments collected from the Borrower of principal of, Prepayment Premium, if any, and interest on the Funding Loan, together with other amounts due to the Funding Lender, to the Fiscal Agent. The Fiscal Agent shall remit to the Funding Lender payments of principal of, Prepayment Premiums, if any, and interest on the Governmental Notes and all fees due under the Funding Loan Agreement, using funds collected from the Borrower by the Loan Servicer and remitted to the Fiscal Agent. The Loan Servicer shall be entitled to retain its Servicing Fee (if any) collected from the Borrower and shall remit the Governmental Lender Fee to the Governmental Lender and shall remit the Fiscal Agent's Ordinary Fees and Expenses to the Fiscal Agent, together with any other amounts due to the Governmental Lender and the Fiscal Agent collected by the Loan Servicer from the Borrower, in each case in accordance with their respective instructions and pursuant to invoices issued by the Governmental Lender and/or the Fiscal Agent, as applicable. Any payment made in accordance with the provisions of this Section shall be accompanied by sufficient information to identify the source and proper application of such payment. The Loan Servicer shall promptly notify the Fiscal Agent, the Funding Lender Representative and the Governmental Lender in writing of any failure of the Borrower to make any payment of principal of, Prepayment Premium, if any, and interest on the Funding Loan

when due or to pay any fees due hereunder or under the Project Loan Agreement, and the Fiscal Agent and the Governmental Lender shall not be deemed to have any notice of such failure unless it has received such notice in writing. Notwithstanding any provision in this paragraph (a) to the contrary, during the Construction Phase, the Initial Funding Lender may direct from time to time draws on any Governmental Note to pay accrued but unpaid interest with respect to such Governmental Note, and such draws shall be deemed to constitute corresponding draws on the related Project Note for the payment of the corresponding interest on the Project Loan; provided that such draws in respect of the Tax-Exempt Project Note shall only be applied to the Tax-Exempt Project Note (and not to interest in respect of the Taxable Project Note). Any such draw for the payment of interest during the Construction Phase shall be remitted directly to the payee of the applicable Governmental Note without direction from the Borrower and without collection or remittance of such draw by the Loan Servicer or the Fiscal Agent. The Initial Funding Lender shall promptly notify the Fiscal Agent and the Loan Servicer in writing of the date and amount of any such Funding Loan draws made directly to the Initial Funding Lender for the payment of interest on the Project Notes.

(b) If the Governmental Notes are sold or transferred as provided in Section 2.08, the Funding Lender Representative shall notify the Fiscal Agent and the Borrower in writing of the name and address of the transferee.

(c) So long as payments of principal of, Prepayment Premium, if any, and interest on the Governmental Notes and all fees due hereunder and under the Project Loan Agreement are being made by or for the account of the Borrower to the Loan Servicer in accordance with this Section 2.12 and no Event of Default has occurred of which the Fiscal Agent has been given, or been deemed to have, notice thereof pursuant to this Funding Loan Agreement, the Fiscal Agent shall have no obligations to collect from the Borrower loan payments with respect to the Funding Loan, nor shall it be obligated to collect loan payments or fee payments pursuant to the Project Loan Agreement, except at the express written direction of the Funding Lender Representative; provided, however, the Fiscal Agent shall be responsible for making the debt service and fee payments out of the Project Loan Fund as required under Section 4.02 hereof. Notwithstanding the foregoing, the Funding Lender Representative may elect to have the Fiscal Agent collect from the Borrower and remit loan payments and fee payments hereunder and under the Project Loan Agreement upon written notice of such election to the Fiscal Agent, the Borrower and the Governmental Lender.

**Section 2.13 Conversion.** If the Conversion Notice is issued in compliance with the terms of the Construction Phase Financing Agreement, Conversion will occur on the Conversion Date indicated in such Conversion Notice. If the Conversion Notice is not so issued, Conversion will not occur, and neither the Seller/Servicer nor Freddie Mac will have any obligations with respect to the purchase of the Funding Loan or otherwise with respect to the Loans or the Project.

**Section 2.14 Recycling Transactions.** Notwithstanding any provision of this Funding Loan Agreement or the Governmental Notes to the contrary, the Governmental Lender shall be permitted to direct any Tax-Exempt Project Note prepayments to be transferred to a custodian or trustee selected by the Governmental Lender, in lieu of application to prepay a like portion of the

Tax-Exempt Governmental Note, so long as the Governmental Lender simultaneously causes other funds to be applied to prepay such portion of the Tax-Exempt Governmental Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

### ARTICLE III

#### PREPAYMENT OF THE FUNDING LOAN

##### **Section 3.01** *Prepayment of the Funding Loan Prior to Maturity.*

(a) **Optional Prepayment.** The Funding Loan, together with accrued interest thereon and any Prepayment Premium, is subject to optional prepayment by the Governmental Lender in whole or in part from the funds that the Governmental Lender received from or on behalf of the Borrower upon optional prepayment of the Project Loan in accordance with the notice and other prepayment provisions set forth in the Project Notes.

(b) **Mandatory Prepayment.** The Funding Loan (or portion thereof, as indicated below), together with accrued interest thereon and any Prepayment Premium, is subject to mandatory prepayment on any Business Day, in whole or in part as indicated below, at the earliest practicable date upon the occurrence of any of the following:

(i) in whole or in part, upon the occurrence of a mandatory prepayment of the Project Loan pursuant to the Project Notes and receipt by the Fiscal Agent of a written direction by the Funding Lender Representative that the Funding Loan shall be subject to mandatory prepayment as a result thereof;

(ii) in part, on the Funding Loan Payment Date next following the completion of the construction of the Project, to the extent amounts remaining in the Project Account of the Project Loan Fund are transferred to the Loan Prepayment Fund pursuant to Section 4.02(e) hereof;

(iii) in part, in the event the Borrower makes a Pre-Conversion Loan Equalization Payment; or

(iv) in whole, on or after the Forward Commitment Maturity Date, at the written direction of the Initial Funding Lender, if the Conversion Notice is not issued by the Seller/Service prior to the Forward Commitment Maturity Date.

In addition to the above, the Taxable Funding Loan, together with accrued interest thereon and any Prepayment Premium, is subject to mandatory prepayment in whole on the Conversion Date such that, from and after the Conversion Date, the Taxable Funding Loan and the Taxable Governmental Note shall cease to be outstanding under and secured by this Funding Loan Agreement.

**Section 3.02** *Notice of Prepayment.* Notice of the intended prepayment of the Funding Loan shall be given by the Fiscal Agent by first class mail, postage prepaid, or by overnight

delivery service, to the Funding Lender. All such prepayment notices shall be given not less than ten (10) days (not less than thirty (30) days in the case of optional prepayment) nor more than sixty (60) days prior to the date fixed for prepayment. Notices of prepayment shall state all of the following:

- (a) the prepayment date,
- (b) the prepayment amount, and
- (c) the place or places where amounts due upon such prepayment will be payable.

Notice of such prepayment shall also be sent by first class mail, postage prepaid, or by overnight delivery service, to the Loan Servicer, not later than the time of mailing of notices required by the first paragraph above, and in any event no later than simultaneously with the mailing of notices required by the first paragraph above; provided, that neither failure to receive such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the prepayment of the Funding Loan.

Notwithstanding the foregoing, in the event the Fiscal Agent is not collecting and remitting loan payments hereunder, the Fiscal Agent shall have no obligation to send prepayment notices pursuant to this Section 3.02.

## **ARTICLE IV**

### **REVENUES AND FUNDS**

**Section 4.01 *Pledge of Revenues and Assets; Establishment of Funds.*** The pledge and assignment of and the security interest granted in the Pledged Security pursuant to Section 2.02 hereof shall attach, be perfected and be valid and binding from and after the time of the closing of the Funding Loan and delivery of the Governmental Notes by the Fiscal Agent or by any Person authorized by the Fiscal Agent to deliver the Governmental Notes. The Pledged Security so pledged and then or thereafter received by the Fiscal Agent shall immediately be subject to the lien of such pledge and security interest without any physical delivery thereof or further act, and the lien of such pledge and security interest shall be valid and binding and prior to the claims of any and all parties having claims of any kind in tort, contract or otherwise against the Governmental Lender irrespective of whether such parties have notice thereof.

In addition to the Project Loan Fund established pursuant to Section 2.11 hereof, the Fiscal Agent shall establish, maintain and hold in trust the following funds and accounts, each of which is hereby established and each of which shall be disbursed and applied only as herein authorized:

- (a) Revenue Fund;
- (b) Loan Payment Fund;
- (c) Loan Prepayment Fund;

- (d) Administration Fund;
- (e) Costs of Issuance Fund; and
- (f) Rebate Fund.

The funds and accounts established pursuant to Section 2.11 and this Section 4.01 shall be maintained in the corporate trust department of the Fiscal Agent as segregated trust accounts, separate and identifiable from all other funds held by the Fiscal Agent. The Fiscal Agent shall, at the written direction of an Authorized Officer of the Governmental Lender, and may, in its discretion, establish such additional accounts within any Fund, and subaccounts within any of the accounts, as the Governmental Lender or the Fiscal Agent may deem necessary or useful for the purpose of identifying more precisely the sources of payments into and disbursements from that fund and its accounts, or for the purpose of complying with the requirements of the Code relating to arbitrage, but the establishment of any such account or subaccount shall not alter or modify any of the requirements of this Funding Loan Agreement with respect to a deposit or use of money in the funds established hereunder, or result in commingling of funds not permitted hereunder.

#### **Section 4.02 *Project Loan Fund.***

(a) Deposit. The Fiscal Agent shall deposit the proceeds of the Funding Loan delivered by the Initial Funding Lender into the applicable subaccount of the Project Account of the Project Loan Fund upon each receipt of each advance thereof as provided in Section 2.11(b) hereof. The Fiscal Agent shall deposit the Borrower Equity Deposit into the Borrower Equity Account of the Project Loan Fund, as well as any additional amounts delivered from time to time to the Fiscal Agent and directed by the Borrower or the Loan Servicer to be deposited therein (excluding any proceeds of the Loans), as provided in Section 2.11(c) hereof.

(b) Disbursements. Amounts on deposit in the Project Loan Fund shall be disbursed from time to time by the Fiscal Agent for the purpose of paying (i) interest on the Funding Loan and the Fee Component in each case when due and (ii) Costs of the Project. In addition, amounts in the Project Loan Fund shall be transferred to the Loan Prepayment Fund, the Rebate Fund and the Borrower at the times and in the manner provided in subsection (e) of this Section 4.02.

(c) Transfers and Requisitions. The Fiscal Agent shall automatically transfer amounts from the Borrower Equity Account of the Project Loan Fund to the Administration Fund to pay to the appropriate party its accrued fees that are included in the Fee Component that are due and payable as set forth herein or upon receipt of an invoice, without any need for a Requisition or other written direction. Unless the Fiscal Agent is instructed otherwise by the Initial Funding Lender, the Fiscal Agent shall automatically transfer amounts in the Project Loan Account of the Project Loan Fund to the Loan Payment Fund to pay interest on the Project Loan and Funding Loan without any need for a Requisition or other written direction. The Fiscal Agent shall make disbursements from the respective accounts of the Project Loan Fund for purposes described in subsection(b)(ii) of this Section 4.02 only upon the receipt of Requisitions signed by an Authorized Officer of the Borrower and

countersigned by an Authorized Officer of the Loan Servicer (signifying the consent to the Requisition by the Loan Servicer). The Fiscal Agent shall have no right or duty to determine whether any requested disbursement from the Project Loan Fund complies with the terms, conditions and provisions of the Construction Continuing Covenant Agreement. The countersignature of the Authorized Officer of the Loan Servicer on a Requisition shall be deemed a certification and, insofar as the Fiscal Agent and the Governmental Lender are concerned, constitute conclusive evidence, that all of the terms, conditions and requirements of the Construction Continuing Covenant Agreement applicable to such disbursement have been fully satisfied or waived. The Fiscal Agent shall, immediately upon each receipt of a completed Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Loan Servicer, initiate procedures with the provider of a Qualified Investment to make withdrawals as necessary to fund the Requisition.

Notwithstanding anything to the contrary contained herein, during any period in which an Event of Default has occurred and is then continuing under the Loans or any Financing Document (notice of which default has been given in writing by the Funding Lender Representative or the Loan Servicer to the Fiscal Agent and the Governmental Lender, and the Fiscal Agent shall be entitled to conclusively rely on any such written notice as to the occurrence and continuation of such a default), no signature of an Authorized Officer of the Borrower shall be required for any Requisition duly signed by an Authorized Officer of the Loan Servicer.

(d) If a Requisition signed by an Authorized Officer of the Borrower and countersigned by an Authorized Officer of the Loan Servicer or (as permitted hereunder) solely by an Authorized Officer of the Loan Servicer, is received by the Fiscal Agent, the requested disbursement shall be paid by the Fiscal Agent as soon as practicable, but in no event later than three (3) Business Days following receipt thereof by the Fiscal Agent. Upon final disbursement of all amounts on deposit in the Project Loan Fund, including all interest accrued therein, the Fiscal Agent shall close the Project Loan Fund.

(e) Immediately prior to any mandatory prepayment of the Funding Loan pursuant to Section 3.01(b)(i) hereof, any amount then remaining in the Project Loan Fund shall, at the written direction of the Funding Lender Representative, be transferred to the Loan Prepayment Fund to pay amounts due on the Funding Loan, if any. In addition, any amount remaining in the Project Account of the Project Loan Fund following completion of the construction of the Project in accordance with the Construction Continuing Covenant Agreement, evidenced by an instrument signed by the Funding Lender Representative or the Loan Servicer, shall be transferred to the Loan Prepayment Fund and used to prepay the Funding Loan in accordance with Section 3.01(b)(ii) hereof, unless the Fiscal Agent receives an opinion of Bond Counsel (which shall also be addressed to the Funding Lender Representative) to the effect that a use of such money for other than prepayment of the Funding Loan will not adversely affect the tax-exempt status of the Tax-Exempt Governmental Note; provided, that any amounts in the Project Account of the Project Loan Fund in excess of the amount needed to fund the related prepayment of the Funding Loan shall be transferred to the Rebate Fund. In the event that (i) there are funds remaining in the Borrower Equity Account following completion of the construction of the Project in

accordance with the Construction Continuing Covenant Agreement (as evidenced by an instrument signed by the Funding Lender Representative), (ii) and the Conversion Date has occurred, and (iii) no default by the Borrower exists under this Funding Loan Agreement or any of the Project Loan Documents, such funds shall be paid by the Fiscal Agent to the Borrower at the written direction of the Funding Lender Representative or the Loan Servicer and the Borrower Equity Account shall be closed.

(f) Amounts on deposit in the Project Loan Fund shall be invested as provided in Section 4.07 hereof. All Investment Income on amounts on deposit in the Project Loan Fund shall be retained in and credited to and become a part of the amounts on deposit in the Project Loan Fund, and shall constitute part of any transfers required by subsection (b) or (e) of this Section 4.02.

### **Section 4.03 *Application of Revenues.***

(a) All Revenues received by the Fiscal Agent shall be deposited by the Fiscal Agent, promptly upon receipt thereof, to the Revenue Fund, except for each of the following:

(i) Proceeds of the Funding Loan received by the Fiscal Agent pursuant to Section 2.01(b), which shall be applied in accordance with the provisions of Section 2.11 hereof;

(ii) Deposits into the Loan Prepayment Fund as required under subsection (c) of this Section 4.03;

(iii) Investment Income to the extent required under the terms hereof to be retained in the funds and accounts to which they are attributable; and

(iv) Amounts required to be transferred between funds and accounts as provided in this Article IV.

(b) Subject to Section 2.12 hereof, on each Funding Loan Payment Date or any other date on which payment of principal of or interest on the Funding Loan becomes due and payable, the Fiscal Agent, out of money in the Revenue Fund, shall credit the following amounts to the following funds, but in the order and within the limitations hereinafter indicated with respect thereto, as follows:

**FIRST**, to the Loan Payment Fund, an amount equal to the principal of and interest due on the Funding Loan on such date (including scheduled principal pursuant to the Funding Loan Amortization Schedule); and

**SECOND**, to the Loan Prepayment Fund, an amount equal to the principal and interest due on the Funding Loan on such date with respect to a mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b) hereof (other than any extraordinary mandatory prepayment as described in Section 4.03(c)(i) or (iii) below).

(c) Promptly upon receipt, the Fiscal Agent shall deposit each of the following directly into the Loan Prepayment Fund:

(i) Net Proceeds representing casualty insurance proceeds or condemnation awards paid as a prepayment of the Project Loan, such amount to be applied to provide for the extraordinary mandatory prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(b)(i) hereof;

(ii) funds paid to the Fiscal Agent to be applied to the optional prepayment of all or a portion of the Funding Loan pursuant to Section 3.01(a); and

(d) amounts transferred to the Loan Prepayment Fund from the Project Loan Fund pursuant to Section 4.02(e) hereof.

(e) Subject to Section 2.12 hereof, should the amount in the Loan Payment Fund be insufficient to pay the amount due on the Funding Loan on any given Funding Loan Payment Date, the Fiscal Agent shall credit to the Loan Payment Fund the amount of such deficiency by charging the following funds and accounts in the following order of priority: (i) the Revenue Fund; and (ii) the Loan Prepayment Fund, except no such charge to the Loan Prepayment Fund shall be made from money to be used to effect a prepayment for which notice of prepayment has been provided for hereunder.

**Section 4.04 *Application of Loan Payment Fund.*** Subject to Section 2.12 hereof, the Fiscal Agent shall charge the Loan Payment Fund, on each Funding Loan Payment Date, an amount equal to the unpaid interest and principal due on the Funding Loan on such Funding Loan Payment Date as provided in Section 4.03(a) and (b), and shall cause the same to be applied to the payment of such interest and principal when due. Any money remaining in the Loan Payment Fund on any Funding Loan Payment Date after application as provided in the preceding sentence may, to the extent there shall exist any deficiency in the Loan Prepayment Fund to prepay the Funding Loan if called for prepayment on such Funding Loan Payment Date, be transferred to the Loan Prepayment Fund to be applied for such purpose.

Any Investment Income on amounts on deposit in the Loan Payment Fund shall be deposited by the Fiscal Agent upon receipt thereof in the Revenue Fund.

No amount shall be charged against the Loan Payment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

**Section 4.05 *Application of Loan Prepayment Fund.*** Any money credited to the Loan Prepayment Fund shall be applied as set forth in Sections 4.03(b) and 4.03(c) hereof; provided, however, that to the extent any money credited to the Loan Prepayment Fund is in excess of the amount necessary to effect the prepayments described in Sections 4.03(b) and 4.03(c) hereof it shall be applied to make up any deficiency in the Loan Payment Fund on any Funding Loan Payment Date, to the extent money then available in accordance with Section 4.03(d) hereof in the Revenue Fund is insufficient to make up such deficiency; provided that no money to be used to effect a prepayment for which a notice of prepayment has been provided shall be so transferred to the Loan Payment Fund.

On or before each Funding Loan Payment Date, any Investment Income on amounts on deposit in the Loan Prepayment Fund shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Loan Prepayment Fund except as expressly provided in this Article IV and in Section 6.05 hereof.

**Section 4.06 Administration Fund.** Subject to Section 2.12 hereof, the Fiscal Agent shall deposit into the Administration Fund, promptly upon receipt thereof, all amounts received from the Loan Servicer (or the Borrower if no Loan Servicer exists for the Loans) designated for deposit into such fund, together with amounts transferred by the Fiscal Agent from the Project Loan Fund for deposit into the Administration Fund pursuant to Section 4.02(c). Amounts in the Administration Fund shall be withdrawn or maintained, as appropriate, by the Fiscal Agent and used:

**FIRST**, to pay to the Fiscal Agent when due the Fiscal Agent's Ordinary Fees and Expenses;

**SECOND**, to pay to the Governmental Lender when due the Governmental Lender Fee;

**THIRD**, to pay when due the reasonable fees and expenses of a Rebate Analyst in connection with the computations relating to arbitrage rebate required under this Funding Loan Agreement and the Project Loan Agreement, upon receipt of an invoice from the Rebate Analyst;

**FOURTH**, to pay to the Fiscal Agent any Fiscal Agent's Extraordinary Fees and Expenses due and payable from time to time, as set forth in an invoice submitted to the Borrower and the Loan Servicer;

**FIFTH**, to pay to the Governmental Lender any extraordinary expenses it may incur in connection with the Loans or this Funding Loan Agreement from time to time, as set forth in an invoice submitted to the Fiscal Agent and the Loan Servicer;

**SIXTH**, to pay to the Funding Lender Representative any unpaid amounts due under the Continuing Covenant Agreement, as certified in writing by the Funding Lender Representative to the Fiscal Agent;

**SEVENTH**, to make up any deficiency in the Loan Prepayment Fund on any prepayment date of the Funding Loan, to the extent money then available in accordance with Section 4.03(d) hereof in the Loan Prepayment Fund is insufficient to prepay the Funding Loan scheduled for prepayment on such prepayment date; and

**EIGHTH**, to transfer any remaining balance after application as aforesaid to the Revenue Fund.

In the event that the amounts on deposit in the Administration Fund are not equal to the amounts payable from the Administration Fund as provided in the preceding paragraph on any date on which such amounts are due and payable, the Fiscal Agent shall give notice to the Borrower and the Loan Servicer of such deficiency and of the amount of such deficiency and request payment

within two (2) Business Days to the Fiscal Agent of the amount of such deficiency. Upon payment by the Borrower or the Loan Servicer of such deficiency, the amounts for which such deficiency was requested shall be paid by the Fiscal Agent.

Written notice of any insufficiency, which results in the Governmental Lender not receiving the Governmental Lender Fee on the applicable due date, shall be provided by the Fiscal Agent to the Governmental Lender (with a copy to the Borrower and the Funding Lender) within ten (10) days of the respective due date.

On or before each Funding Loan Payment Date, any Investment Income on amounts on deposit in the Administration Fund not needed to pay the foregoing amounts shall be credited by the Fiscal Agent to the Revenue Fund.

No amount shall be charged against the Administration Fund except as expressly provided in this Article IV and Section 6.05 hereof.

**Section 4.07 *Investment of Funds.*** The money held by the Fiscal Agent shall constitute trust funds for the purposes hereof. Any money attributable to each of the funds and accounts hereunder shall be, except as otherwise expressly provided herein, invested by the Fiscal Agent, at the written direction of the Borrower (or, in the case of the Rebate Fund, as provided in Section 5.07(b)), in Qualified Investments which mature or shall be subject to prepayment or withdrawal at par without penalty on or prior to the earlier of (a) six (6) months from the date of investment and (b) the date such money is needed; provided, that if the Fiscal Agent shall have entered into any investment agreement requiring investment of money in any fund or account hereunder in accordance with such investment agreement and if such investment agreement constitutes a Qualified Investment, such money shall be invested in accordance with such requirements. Such investments may be made through the investment or securities department of the Fiscal Agent. The Fiscal Agent may purchase from or sell to itself or an affiliate, as principal or agent, securities herein authorized and, in such capacity, the Fiscal Agent or such affiliate may charge its ordinary and customary fees for such trades, including account maintenance fees, which fees, for purposes of this Funding Loan Agreement, shall be treated as the Fiscal Agent's Extraordinary Fees and Expenses. The Fiscal Agent shall be entitled to assume, absent receipt by the Fiscal Agent of written notice to the contrary, that any investment which at the time of purchase is a Qualified Investment remains a Qualified Investment thereafter. In no event shall the Fiscal Agent be required to provide supervision, recommendations, or advice with respect to any investment. In the absence of written direction from the Borrower, the Fiscal Agent shall hold amounts on deposit in the funds and accounts established under this Funding Loan Agreement uninvested.

Qualified Investments representing an investment of money attributable to any fund or account shall be deemed at all times to be a part of said fund or account, and, except as otherwise may be provided expressly in other Sections hereof, the interest thereon and any profit arising on the sale thereof shall be credited to the Revenue Fund, and any loss resulting on the sale thereof shall be charged against the Revenue Fund. Such investments shall be sold at the current market price obtainable (but not less than par) whenever it shall be necessary to do so in order to provide money to make any transfer, withdrawal, payment or disbursement from said fund or account. In the case of any required transfer of money to another such fund or account, such investments may be transferred to that fund or account in lieu of the required money if permitted hereby as an

investment of money in that fund or account. The Fiscal Agent shall not be liable or responsible for any loss resulting from any investment made in accordance herewith.

The Governmental Lender acknowledges that to the extent that regulations of the Office of the Comptroller of the Currency or other applicable regulatory agency grant the Governmental Lender the right to receive brokerage confirmations of the security transactions as they occur, to the extent permitted by law, the Governmental Lender specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Fiscal Agent hereunder, that no brokerage confirmations need be sent relating to the security transactions as they occur.

In computing for any purpose hereunder the amount in any fund or account on any date, obligations so purchased shall be valued at Fair Market Value.

**Section 4.08 *Accounting Records.*** The Fiscal Agent shall maintain accurate books and records for all funds and accounts established hereunder.

**Section 4.09 *Amounts Remaining in Funds.*** After full payment of the Funding Loan (or provision for payment thereof having been made in accordance with Section 9.01 hereof) and full payment of the fees, charges and expenses of the Governmental Lender, the Fiscal Agent, the Rebate Analyst, the Funding Lender and the Loan Servicer and other amounts required to be paid hereunder or under any of the Project Loan Documents, including, but not limited to, the Continuing Covenant Agreement (as certified in writing to the Fiscal Agent by the Governmental Lender with respect to amounts due to the Governmental Lender and by the Funding Lender Representative or the Loan Servicer on its behalf with respect to amounts owed under the Continuing Covenant Agreement and by the Rebate Analyst with respect to amounts due to the Rebate Analyst), any amounts remaining in any fund or account hereunder other than the Rebate Fund shall be paid to the Borrower.

**Section 4.10 *Rebate Fund; Compliance with Tax Certificate.*** The Rebate Fund shall be established by the Fiscal Agent and held and applied as provided in this Section 4.10. On any date on which any amounts are required by applicable federal tax law to be rebated to the federal government, amounts shall be deposited into the Rebate Fund by the Borrower for such purpose. All money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust, to the extent required to satisfy the rebate requirement (as set forth in the Tax Certificate) and as calculated by the Rebate Analyst, for payment to the government of the United States of America, and neither the Governmental Lender, the Borrower nor the Funding Lender shall have any rights in or claim to such money. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section 4.10 and by the Tax Certificate. The Fiscal Agent shall conclusively be deemed to have complied with such provisions if it follows the written instructions of the Governmental Lender, Bond Counsel or the Rebate Analyst, including supplying all necessary information in the manner set forth in the Tax Certificate, and shall not be required to take any actions under the Tax Certificate in the absence of written instructions from the Governmental Lender, Bond Counsel or the Rebate Analyst.

Within fifty-five (55) days of the end of each fifth Rebate Year, the Borrower shall cause the Rebate Analyst to calculate the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any

exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (e.g., the temporary investments exceptions of Section 148(f)(4)(B) and (C) of the Code)), for this purpose treating the last day of the applicable Rebate Year as a (computation) date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “**Rebatable Arbitrage**”). Pursuant to Section 2.04 of the Project Loan Agreement, the Borrower shall cause the Rebate Analyst to provide such calculations to the Fiscal Agent and the Governmental Lender. In the event that the Borrower fails to provide such information to the Fiscal Agent and the Governmental Lender within fifty-five (55) days of the end of each fifth Rebate Year, the Fiscal Agent, at the expense of the Borrower, shall select the Rebate Analyst, with the prior written approval of the Governmental Lender, and shall cause the Rebate Analyst to calculate the amount of Rebatable Arbitrage as required herein.

Within fifty-five (55) days of the end of each fifth Rebate Year, upon the written direction of the Governmental Lender, Bond Counsel or the Rebate Analyst, an amount shall be deposited to the Rebate Fund by the Fiscal Agent from amounts provided by the Borrower, if and to the extent required so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with the preceding paragraph.

The Fiscal Agent shall pay, as directed by the Governmental Lender, Bond Counsel or the Rebate Analyst, to the United States Department of the Treasury, out of amounts in the Rebate Fund:

(a) Not later than sixty (60) days after the end of (i) the fifth Rebate Year, and (ii) each applicable fifth Rebate Year thereafter, an amount equal to at least ninety percent (90%) of the Rebatable Arbitrage calculated as of the end of such Rebate Year; and

(i) Not later than sixty (60) days after the payment in whole of the Tax-Exempt Funding Loan, an amount equal to one hundred percent (100%) of the Rebatable Arbitrage calculated as of the end of such applicable Rebate Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code.

Each payment required to be made under this Section 4.10 shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 (or such other address provided in such direction), on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, which shall be prepared by the Rebate Analyst and provided to the Fiscal Agent.

Notwithstanding any provision of this Funding Loan Agreement to the contrary, the obligation to remit payment of the Rebatable Arbitrage to the United States of America and to comply with all other requirements of Sections 2.04 and 4.03 of the Project Loan Agreement and this Section 4.10, and the requirements of the Tax Certificate shall survive the defeasance or payment in full of the Tax-Exempt Funding Loan.

Any funds remaining in the Rebate Fund after payment in full of Tax-Exempt Funding Loan and payment and satisfaction of any rebate requirement, or provision made therefor satisfactory to the Fiscal Agent, shall be withdrawn and remitted to the Borrower.

The Fiscal Agent shall obtain and keep such records of the computations made pursuant to this Section 4.10 as are required under Section 148(f) of the Code to the extent furnished to the Fiscal Agent. The Borrower shall or shall cause the Rebate Analyst to provide to the Governmental Lender and the Fiscal Agent copies of all rebate computations made pursuant to this Section 4.10. The Fiscal Agent shall keep and make available to the Borrower and the Governmental Lender, such records concerning the investments of the gross proceeds of the Tax-Exempt Funding Loan and the investments of earnings from those investments made by the Fiscal Agent as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

Notwithstanding the foregoing, the computations and payments of Rebateable Arbitrage need not be made to the extent that neither the Governmental Lender nor the Borrower will thereby fail to comply with any requirements of Section 148(f) of the Code based on an opinion of Bond Counsel, to the effect that such failure will not adversely affect the exclusion of interest on the Tax-Exempt Governmental Note from the gross income of the holders thereof for federal income tax purposes, a copy of which shall be provided to the Fiscal Agent and the Funding Lender Representative, at the expense of the Borrower.

**Section 4.11 *Costs of Issuance Fund.*** The Fiscal Agent shall use money on deposit to the credit of the Costs of Issuance Fund to pay the Costs of Issuance on the Delivery Date or as soon as practicable thereafter in accordance with a Requisition in the form of Exhibit D to be given to the Fiscal Agent by the Borrower on the Delivery Date, along with appropriate invoices for such expenses, provided that no requisition shall be required for the payment of Costs of Issuance set forth on the closing memorandum delivered to the Fiscal Agent on the Delivery Date. Amounts in the Costs of Issuance Fund funded with proceeds of the Funding Loan, if any, shall be expended prior to the application of the Costs of Issuance Deposit. Investment Income on amounts on deposit in the Costs of Issuance Fund shall be retained in such fund. Amounts remaining on deposit in the Costs of Issuance Fund six (6) months after the Delivery Date shall be transferred to the Borrower. Upon such final disbursement, the Fiscal Agent shall close the Costs of Issuance Fund.

**Section 4.12 *Reports From the Fiscal Agent.*** The Fiscal Agent shall, on or before the fifteenth (15th) day of each month, file with the Funding Lender Representative, the Loan Servicer, the Governmental Lender (at its written request) and the Borrower a statement setting forth in respect of the preceding calendar month all of the following:

- (i) the amount withdrawn or transferred by it, and the amount deposited within or on account of each fund and account held by it under the provisions of this Funding Loan Agreement, including the amount of investment income on each fund and account;
- (ii) the amount on deposit with it at the end of such month to the credit of each fund and account;
- (iii) a brief description of all obligations held by it as an investment of money in each such fund and account; and

(iv) any other information which the Funding Lender Representative or the Governmental Lender may reasonably request and to which the Fiscal Agent has access in the ordinary course of its operations.

Upon the written request of the Funding Lender, the Fiscal Agent, at the cost of the Borrower, shall provide a copy of such statement to Funding Lender. All records and files pertaining to the Pledged Security shall be open at all reasonable times to the inspection of the Governmental Lender and the Funding Lender Representative or the Loan Servicer and their agents and representatives upon reasonable prior notice during normal business hours.

Any and all interest in property hereafter acquired which is of any kind or nature herein provided to be and become subject to the lien hereof shall and without any further conveyance, assignment or act on the part of the Governmental Lender or the Fiscal Agent, become and be subject to the lien of this Funding Loan Agreement as fully and completely as though specifically described herein, but nothing in this sentence shall be deemed to modify or change the obligations of the Governmental Lender under this Section 5.03. The Governmental Lender covenants and agrees that, except as herein otherwise expressly provided, it has not and will not sell, convey, mortgage, encumber or otherwise dispose of any part of its interest in the Pledged Security or the revenues or receipts therefrom.

The Governmental Lender will promptly notify the Fiscal Agent, the Funding Lender Representative and the Loan Servicer in writing of the occurrence of any of the following:

(i) the submission of any claim or the initiation of any legal process, litigation or administrative or judicial investigation against the Governmental Lender with respect to the Loans of which it has received written notice;

(ii) any change in the location of the Governmental Lender's principal office or any change in the location of the Governmental Lender's books and records relating to the transactions contemplated hereby;

(iii) the occurrence of any default or Event of Default of which the Governmental Lender has received written notice;

(iv) the commencement of any proceedings or any proceedings instituted by or against the Governmental Lender in any federal, state or local court or before any governmental body or agency, or before any arbitration board, relating to the Notes, of which it has received written notice; or

(v) the commencement of any proceedings by or against the Governmental Lender under any applicable bankruptcy, reorganization, liquidation, rehabilitation, insolvency or other similar law now or hereafter in effect or of any proceeding in which a receiver, liquidator, conservator, trustee or similar official shall have been, or may be, appointed or requested for the Governmental Lender or any of its assets relating to the Loans.

**Section 5.04 *Inspection of Project Books.*** The Governmental Lender covenants and agrees that all books and documents in its possession relating to the Project shall, upon reasonable prior notice, during normal business hours, be open to inspection and copying by such accountants or other agents as the Fiscal Agent or the Funding Lender Representative may from time to time reasonably designate.

**Section 5.05 *No Modification of Security; Additional Indebtedness.*** The Governmental Lender covenants to and for the benefit of the Funding Lender that it will not, without the prior written consent of the Funding Lender Representative, take any of the following actions:

(i) alter, modify or cancel, or agree to consent to alter, modify or cancel any agreement to which the Governmental Lender is a party, or which has been assigned to the Governmental Lender, and which relates to or affects the security for the Loans or the payment of any amount owed under the Financing Documents; or

(ii) create or suffer to be created any lien upon the Pledged Security or any part thereof other than the lien created hereby and by the Security Instrument.

**Section 5.06 *Damage, Destruction or Condemnation.*** Net Proceeds resulting from casualty to or condemnation of the Project shall be applied as provided in the Continuing Covenant Agreement and, to the extent consistent therewith, Section 3.01(b)(i) hereof.

**Section 5.07 *Tax Covenants.***

(a) *Governmental Lender's Covenants.* The Governmental Lender covenants to and for the benefit of the Funding Lender that it will:

(i) enforce or cause to be enforced all obligations of the Borrower requiring that the proceeds of the Tax-Exempt Governmental Note are used in a

manner such that the Tax-Exempt Governmental Note will satisfy the requirements of Section 142(d) of the Code relating to qualified residential rental projects;

(ii) neither make nor cause to be made or used any investment or other use of the proceeds of the Tax-Exempt Funding Loan or the money and investments held in the funds and accounts in any manner which would cause the Tax-Exempt Governmental Note to be an “arbitrage bond” under Section 148 of the Code and regulations issued under Section 148 of the Code (the “**Regulations**”) or which would otherwise cause the interest payable on the Tax-Exempt Governmental Note to be includable in the gross income of the holders thereof for federal income tax purposes;

(iii) enforce or cause to be enforced all obligations of the Borrower under the TEL Regulatory Agreement in accordance with its terms and seek to cause the Borrower to correct any violation of the TEL Regulatory Agreement within a reasonable period after it first receives written notice of any such violation;

(iv) not take or cause to be taken any other action or actions, or fail to take any action or actions, if the same would cause the interest payable on the Tax-Exempt Governmental Note to be includable in the gross income of the holders thereof for federal income tax purposes;

(v) whenever and so often as requested by the Funding Lender, do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid by the Governmental Lender on the Tax-Exempt Funding Loan will be excluded from the gross income of the holders of the Tax-Exempt Governmental Note for federal income tax purposes pursuant to the Code, except in the event where the Funding Lender is a “substantial user” of the facilities financed with the Loans or a “related person” within the meaning of the Code;

(vi) assure that the California Debt Limit Allocation Committee has transferred a portion of the State of California’s private activity bond allocation (within the meaning of Section 146 of the Code) equal to the principal amount of the Tax-Exempt Governmental Note;

(vii) not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Tax-Exempt Governmental Note to be “federally guaranteed” within the meaning of Section 149(b) of the Code and the Regulations issued under Section 149 of the Code.

(viii) require that, from the proceeds of the Tax-Exempt Governmental Note and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Tax-Exempt Governmental Note, will be used for costs of issuance of the Tax-Exempt Governmental Note, all within the meaning of Section 147(g)(1) of the Code (for this purpose, if the fees of the Initial Funding Lender are retained as a discount on the purchase of the Tax-Exempt Governmental

Note, such retention shall be deemed to be an expenditure of proceeds of the Tax-Exempt Governmental Note for said fees);

(ix) require that not less than ninety-five percent (95%) of the net proceeds of the Tax-Exempt Governmental Note (within the meaning of Section 150(a)(3) of the Code) are paid for Qualified Project Costs;

(x) require that less than twenty-five percent (25%) of the proceeds of the Tax-Exempt Governmental Note shall be used, directly or indirectly, for the acquisition of land;

(xi) require that no proceeds of the Tax-Exempt Governmental Note shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in Section 145(d) of the Code) with respect to such building equal or exceed fifteen percent (15%) of the portion of the cost of acquiring such building (and equipment) financed with Proceeds; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed one hundred percent (100%) of the portion of the cost of acquiring such structure financed with the proceeds of the Tax-Exempt Governmental Note;

(xii) not permit any proceeds of the Tax-Exempt Governmental Note to be used directly or indirectly to provide any airplane, skybox or other private luxury box, health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, nor permit any portion of the Tax-Exempt Funding Loan to be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project; and

(xiii) elect, and hereby does elect, to have the Project meet the requirements of Section 142(d)(1)(B) of the Code in that forty percent (40%) or more of the residential units in the Project shall be occupied by persons or families whose Adjusted Income (as defined in the Regulatory Agreement) is sixty percent (60%) or less of Median Income for the Area (as defined in the Regulatory Agreement), adjusted for household size.

In furtherance of the covenants in this Section 5.07, the Governmental Lender and the Borrower shall each execute, deliver and comply with the applicable provisions of the Tax Certificate, which is by this reference incorporated into this Funding Loan Agreement and made a part of this Funding Loan Agreement as if set forth in this Funding Loan Agreement in full. By its acceptance of this Funding Loan Agreement the Fiscal Agent acknowledges receipt of the Tax Certificate and acknowledges its incorporation into this

Funding Loan Agreement by this reference and agrees to comply with the terms specifically applicable to it.

For purposes of this Section 5.07(a): (1) the Governmental Lender is assuming, with the consent of the parties hereto, the truth of the covenants and representations of the Borrower in the Project Loan Agreement, the Regulatory Agreement and the Tax Certificate, and the Borrower's compliance therewith; (2) the Governmental Lender's compliance shall be based solely on matters within the Governmental Lender's knowledge and control; (3) no acts, omissions or directions of the Borrower, the Funding Lender or any other Persons shall be attributed to the Governmental Lender; and (4) in complying with the foregoing covenants, the Governmental Lender may rely on an opinion of Bond Counsel.

(b) *Fiscal Agent's Covenants.* The Fiscal Agent agrees that it will invest funds held under this Funding Loan Agreement in accordance with the covenants and terms of this Funding Loan Agreement and the Tax Certificate. This covenant shall extend through the term of the Tax-Exempt Funding Loan, to all funds and accounts created under this Funding Loan Agreement and all money on deposit to the credit of any such fund or account. The Fiscal Agent covenants to and for the benefit of the Funding Lender that, notwithstanding any other provisions of this Funding Loan Agreement or of any other Financing Document, it will not knowingly make or cause to be made any investment or other use of the money in the funds or accounts created hereunder which would cause the Tax-Exempt Governmental Note to be classified as an "arbitrage bond" within the meaning of Sections 103(b) and 148 of the Code or would cause the interest on the Tax-Exempt Governmental Note to be includable in the gross income of the holders thereof for federal income tax purposes; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, the Funding Lender Representative, Bond Counsel or the Rebate Analyst. This covenant shall extend, throughout the term of the Tax-Exempt Funding Loan, to all funds created under this Funding Loan Agreement and all money on deposit to the credit of any such fund. Pursuant to this covenant, with respect to the investments of the funds and accounts under this Funding Loan Agreement, the Fiscal Agent obligates itself to comply throughout the term of the Tax-Exempt Funding Loan with the requirements of Sections 103(b) and 148 of the Code; provided that the Fiscal Agent shall be deemed to have complied with such requirements and shall have no liability to the extent it reasonably follows the written directions of the Borrower, the Governmental Lender, Bond Counsel or the Rebate Analyst. The Fiscal Agent further covenants that should the Governmental Lender or the Borrower file with the Fiscal Agent (it being understood that neither the Governmental Lender nor the Borrower has an obligation to so file), or should the Fiscal Agent receive, an opinion of Bond Counsel to the effect that any proposed investment or other use of proceeds of the Tax-Exempt Funding Loan would cause the Tax-Exempt Governmental Note to become an "arbitrage bond," then the Fiscal Agent will comply with any written instructions of the Governmental Lender, the Borrower, the Funding Lender Representative or Bond Counsel regarding such investment (which shall, in any event, be a Qualified Investment) or use so as to prevent the Tax-Exempt Governmental Note from becoming an "arbitrage bond," and the Fiscal Agent will bear no liability to the Governmental Lender, the Borrower, the

Funding Lender or the Funding Lender Representative for investments made in accordance with such instructions.

In the event of any conflict between this Section 5.07 and the Tax Certificate, the terms of the Tax Certificate shall control.

**Section 5.08 *Representations and Warranties of the Governmental Lender.*** The Governmental Lender hereby represents and warrants as follows:

(a) The Governmental Lender is a municipal corporation and charter city organized, validly existing and in good standing under the laws of the Property Jurisdiction.

(b) The Governmental Lender has all necessary power and authority to execute and deliver the Governmental Notes and to execute and deliver this Funding Loan Agreement, the Project Loan Agreement and the other Financing Documents to which it is a party, and to perform its duties and discharge its obligations hereunder and thereunder.

(c) The revenues and assets pledged for the repayment of the Funding Loan are and will be free and clear of any pledge, lien or encumbrance prior to, or equal with, the pledge created by this Funding Loan Agreement, and all action on the part of the Governmental Lender to that end has been duly and validly taken.

(d) The Financing Documents to which the Governmental Lender is a party have been validly authorized, executed and delivered by the Governmental Lender, and assuming due authorization, execution and delivery by the other parties thereto, constitute valid and binding obligations of the Governmental Lender, enforceable against the Governmental Lender in accordance with their respective terms, except as enforceability may be limited by bankruptcy, insolvency, moratorium or other laws affecting creditors' rights generally and the application of equitable principles.

THE GOVERNMENTAL LENDER MAKES NO REPRESENTATION, COVENANT OR AGREEMENT AS TO THE FINANCIAL POSITION OR BUSINESS CONDITION OF THE BORROWER OR THE PROJECT AND DOES NOT REPRESENT OR WARRANT AS TO ANY STATEMENTS, MATERIALS, REPRESENTATIONS OR CERTIFICATIONS FURNISHED BY THE BORROWER IN CONNECTION WITH THE FUNDING LOAN OR AS TO THE CORRECTNESS, COMPLETENESS OR ACCURACY THEREOF.

**Section 5.09 *Performance by the Borrower.*** Without relieving the Governmental Lender from the responsibility for performance and observance of the agreements and covenants required to be performed and observed by it hereunder, the Borrower, on behalf of the Governmental Lender, may perform any such agreement or covenant so long as the Borrower is not in default (beyond any applicable notice and cure period) under the Project Loan Agreement.

**Section 5.10 *Immunities and Limitations of Responsibility of Governmental Lender.***

(a) The Governmental Lender shall be entitled to the advice of counsel, and the Governmental Lender shall be wholly protected as to action taken or omitted in reliance on such advice. The Governmental Lender may rely conclusively on any written notice or

other document furnished to it hereunder or under the Project Loan Agreement and reasonably believed by it to be genuine. The Governmental Lender shall in no event be liable for the application or misapplication of funds or for other acts or defaults by any person, except its own officers and employees. When any payment or consent or other action by it is called for hereby, it may defer such action pending receipt of such evidence (if any) as it may require in support thereof. The Governmental Lender shall not be required to take any remedial action (other than the giving of notice) hereunder or under any of the other Financing Documents unless indemnity in a form acceptable to the Governmental Lender is furnished for any expense or liability to be incurred in connection with such remedial action. The Governmental Lender shall be entitled to reimbursement from the Borrower for its expenses reasonably incurred or advances reasonably made, with interest at the maximum rate of interest permitted under applicable law, in the exercise of its rights or the performance of its obligations hereunder, to the extent that it acts without previously obtaining indemnity. No permissive right or power to act which the Governmental Lender may have shall be construed as a requirement to act; and no delay in the exercise of a right or power shall affect its subsequent exercise of the right or power.

(b) A default by the Borrower in any of its covenants, representations and agreements in the Project Loan Agreement, TEL Regulatory Agreement or Tax Certificate on which the Governmental Lender is relying in the various sections of this Article V shall not be considered a default hereunder by the Governmental Lender.

(c) The Borrower has indemnified the Governmental Lender against certain acts and events as set forth in Section 6.01 of the Project Loan Agreement and Section 8 of the TEL Regulatory Agreement. Such indemnities shall survive payment of the Funding Loan and discharge of this Funding Loan Agreement.

## ARTICLE VI

### DEFAULT PROVISIONS AND REMEDIES OF FISCAL AGENT AND FUNDING LENDER

**Section 6.01 *Events of Default.*** The occurrence of any one or more of the following will constitute an Event of Default with respect to the Funding Loan under this Funding Loan Agreement:

(a) failure to pay the principal of, Prepayment Premium, if any, or interest on the Funding Loan when due, whether on a Funding Loan Payment Date, at the stated maturity thereof, by proceedings for prepayment thereof, by acceleration or otherwise; or

(b) failure to observe the covenants set forth in Section 5.05 hereof; or

(c) failure to observe or perform any of the covenants, agreements or conditions on the part of the Governmental Lender (other than those set forth in Sections 5.01 and 5.05 hereof) set forth in this Funding Loan Agreement or in the Governmental Notes and the continuance thereof for a period of thirty (30) days (or such longer period, if any, as is specified herein for particular defaults) after written notice thereof to the Governmental

Lender from the Fiscal Agent or the Funding Lender Representative specifying such default and requiring the same to be remedied; provided that if such default cannot be cured within such thirty (30) day period through the exercise of diligence and the Governmental Lender commences the required cure within such thirty (30) day period and continues the cure with diligence and the Governmental Lender reasonably anticipates that the default could be cured within sixty (60) days, the Governmental Lender shall have sixty (60) days following receipt of such notice to effect the cure; or

(d) receipt by the Fiscal Agent of written notice from the Funding Lender Representative of the occurrence of an “Event of Default” under the Project Loan Agreement or the Continuing Covenant Agreement.

The Fiscal Agent or the Funding Loan Representative will endeavor to provide a courtesy copy of any notice given to the Governmental Lender to the Borrower. However, the failure to provide such courtesy copy will not affect the validity or sufficiency of any notice provided to the Governmental Lender.

The Fiscal Agent will promptly notify the Governmental Lender, the Loan Servicer and the Funding Lender Representative after a Responsible Officer obtains actual knowledge of the occurrence of an Event of Default or obtains actual knowledge of the occurrence of an event which would become an Event of Default with the passage of time or the giving of notice or both.

**Section 6.02 Acceleration; Other Remedies Upon Event of Default.** Upon the occurrence of an Event of Default, the Fiscal Agent shall, upon the written request of the Funding Lender Representative, by notice in writing delivered to the Governmental Lender, declare the principal of the Funding Loan and the interest accrued thereon immediately due and payable, and interest shall continue to accrue thereon until such amounts are paid.

At any time after the Funding Loan shall have been so declared due and payable, and before any judgment or decree for the payment of the money due shall have been obtained or entered, the Fiscal Agent may, but only if directed in writing by the Funding Lender Representative, by written notice to the Governmental Lender and the Fiscal Agent, rescind and annul such declaration and its consequences if the Governmental Lender or the Borrower shall pay to or deposit with the Fiscal Agent a sum sufficient to pay all principal on the Funding Loan then due (other than solely by reason of such declaration) and all unpaid installments of interest (if any) on the Funding Loan then due, with interest at the rate borne by the Funding Loan on such overdue principal and (to the extent legally enforceable) on such overdue installments of interest, and all of the Fiscal Agent’s Extraordinary Fees and Expenses incurred to date shall have been made good or cured or adequate provision shall have been made therefor, and all outstanding amounts then due and unpaid under the Financing Documents (collectively, the “**Cure Amount**”) shall have been paid in full, and all other defaults hereunder shall have been made good or cured or waived in writing by the Funding Lender Representative; but no such rescission and annulment shall extend to or shall affect any subsequent default, nor shall it impair or exhaust any right or power consequent thereon.

Upon the occurrence and during the continuance of an Event of Default, the Fiscal Agent in its own name and as trustee of an express trust, on behalf and for the benefit and protection of the Funding Lender, may also proceed to protect and enforce any rights of the Fiscal Agent and,

to the full extent that the Funding Lender itself might do, the rights of the Funding Lender under the laws of the Property Jurisdiction or under this Funding Loan Agreement by such of the following remedies as the Fiscal Agent shall deem most effectual to protect and enforce such rights; provided that, the Fiscal Agent may undertake any such remedy only upon the receipt of the prior written consent of the Funding Lender Representative (which consent may be given in the sole discretion of the Funding Lender Representative):

- (i) by mandamus or other suit, action or proceeding at law or in equity, to enforce the payment of the principal of, Prepayment Premium, if any, or interest on the Funding Loan and to require the Governmental Lender to carry out any covenants or agreements with or for the benefit of the Funding Lender and to perform its duties under the Act, this Funding Loan Agreement, the Project Loan Agreement or the TEL Regulatory Agreement (as applicable) to the extent permitted under the applicable provisions thereof;
- (ii) by pursuing any available remedies under the Project Loan Agreement, the TEL Regulatory Agreement or any other Financing Document;
- (iii) by realizing or causing to be realized through sale or otherwise upon the Pledged Security; and
- (iv) by action or suit in equity enjoin any acts or things that may be unlawful or in violation of the rights of the Funding Lender and execute any other papers and documents and do and perform any and all such acts and things as may be necessary or advisable in the opinion of the Fiscal Agent in order to have the claim of the Funding Lender against the Governmental Lender allowed in any bankruptcy or other proceeding.

No remedy by the terms of this Funding Loan Agreement conferred upon or reserved to the Fiscal Agent or to the Funding Lender is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Fiscal Agent or the Funding Lender hereunder or under the Project Loan Agreement, the TEL Regulatory Agreement, the Continuing Covenant Agreement or any other Financing Document, as applicable, or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient. No waiver of any Event of Default hereunder, whether by the Fiscal Agent or the Funding Lender, shall extend to or shall affect any subsequent default or Event of Default or shall impair any rights or remedies consequent thereto.

**Section 6.03 *Funding Lender Representative Control of Proceedings.*** Notwithstanding anything to the contrary herein, the Funding Lender Representative shall have the sole and exclusive right at any time to direct the time, method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of this Funding Loan Agreement, or for the appointment of a receiver or any other proceedings hereunder, in accordance with the provisions of law and of this Funding Loan Agreement. In addition, the Funding Lender Representative shall have the sole and exclusive right at any time to directly enforce all rights and remedies hereunder and under the other Financing Documents with or without the involvement of

the Fiscal Agent or the Governmental Lender (and in connection therewith the Fiscal Agent shall transfer or assign to the Funding Lender Representative all of its interest in the Pledged Security at the request of the Funding Lender Representative). In no event shall the exercise of any of the foregoing rights result in an acceleration of the Funding Loan without the express direction of the Funding Lender Representative.

**Section 6.04 Waiver by Governmental Lender.** Upon the occurrence of an Event of Default, to the extent that such right may then lawfully be waived, neither the Governmental Lender nor anyone claiming through or under it shall set up, claim or seek to take advantage of any appraisal, valuation, stay, extension or prepayment laws now or hereinafter in force, in order to prevent or hinder the enforcement of this Funding Loan Agreement; and the Governmental Lender, for itself and all who may claim through or under it, hereby waives, to the extent that it lawfully may do so, the benefit of all such laws and all right of appraisement and prepayment to which it may be entitled under the laws of the Property Jurisdiction and the United States of America.

**Section 6.05 Application of Money After Default.** All money collected by the Fiscal Agent at any time pursuant to this Article VI shall, except to the extent, if any, otherwise directed by a court of competent jurisdiction, be credited by the Fiscal Agent to the Revenue Fund. Such money so credited to the Revenue Fund and all other money from time to time credited to the Revenue Fund shall at all times be held, transferred, withdrawn and applied as prescribed by the provisions of Article IV hereof and this Section 6.05.

In the event that at any time the money credited to the Revenue Fund, the Loan Payment Fund and the Loan Prepayment Fund available for the payment of interest or principal then due with respect to the Governmental Notes shall be insufficient for such payment, such money shall be applied as follows and in the following order of priority:

(a) For payment of all amounts due to the Fiscal Agent incurred in performance of its duties under this Funding Loan Agreement, including, without limitation, the payment of all of the Fiscal Agent's Extraordinary Fees and Expenses incurred in exercising any remedies under this Funding Loan Agreement.

(b) To the extent directed in writing by the Funding Lender Representative, to the reimbursement of any unreimbursed advances made by or on behalf of the Funding Lender pursuant to the Continuing Covenant Agreement or the Security Instrument.

(c) Unless the full principal amount of the Funding Loan shall have become or have been declared due and payable:

**FIRST**: to the Funding Lender, all installments of interest then due on the Funding Loan in the order of the maturity of such installments; and

**SECOND**: to the Funding Lender, unpaid principal of and Prepayment Premium, if any, on the Funding Loan which shall have become due, whether at maturity or by call for prepayment, in the order in which they became due and payable.

(d) If the full principal amount of the Governmental Notes shall have become or have been declared due and payable, to the Funding Lender for the payment of the principal of, Prepayment Premium, if any, and interest then due and unpaid on the Funding Loan without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest.

(e) To the payment of any and all amounts due under the Financing Documents other than with respect to principal and interest accrued on the Funding Loan, including, without limitation, any amounts due to the Governmental Lender, the Funding Lender, the Loan Servicer and the Rebate Analyst.

(f) The remainder, if any, to the Borrower or to whosoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

**Section 6.06 Remedies Not Exclusive.** No right or remedy conferred upon or reserved to the Fiscal Agent, the Funding Lender or the Funding Lender Representative by the terms of this Funding Loan Agreement is intended to be exclusive of any other right or remedy, but each and every such remedy shall be cumulative and shall be in addition to every other right or remedy given to the Fiscal Agent, the Funding Lender or the Funding Lender Representative under this Funding Loan Agreement or existing at law or in equity or by statute (including the Act).

**Section 6.07 Fiscal Agent May Enforce Rights Without Governmental Notes.** All rights of action and claims, including the right to file proof of claims, under this Funding Loan Agreement may be prosecuted and enforced by the Fiscal Agent at the written direction of the Funding Lender Representative without the possession of the Governmental Notes or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Funding Lender Representative to direct proceedings hereunder, any such suit or proceeding instituted by the Fiscal Agent shall be brought in its name as Fiscal Agent without the necessity of joining as plaintiffs or defendants any Funding Lender, and any recovery or judgment shall be for the benefit as provided herein of the Funding Lender.

**Section 6.08 Termination of Proceedings.** In case the Fiscal Agent (at the written direction of the Funding Lender Representative) or the Funding Lender Representative shall have proceeded to enforce any right under this Funding Loan Agreement by the appointment of a receiver, by entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower and the Funding Lender shall be restored to their former positions and rights hereunder with respect to the Pledged Security herein conveyed, and all rights, remedies and powers of the Fiscal Agent and the Funding Lender Representative shall continue as if no such proceedings had been taken.

**Section 6.09 Waivers of Events of Default.** The Fiscal Agent shall waive any Event of Default hereunder and its consequences (except with respect to Unassigned Rights) and rescind any declaration of maturity of principal of and interest on the Funding Loan upon the written direction of the Funding Lender Representative. In case of any such waiver or rescission, or in case any proceeding taken by the Fiscal Agent on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the

Governmental Lender, the Fiscal Agent, the Borrower, the Loan Servicer, the Funding Lender Representative and the Funding Lender shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereto.

**Section 6.10 *Interest on Unpaid Amounts and Default Rate for Nonpayment.*** In the event that principal of or interest payable on the Funding Loan is not paid when due, there shall be payable on the amount not timely paid, on each Funding Loan Payment Date, interest at the Default Rate, to the extent permitted by law. Interest on the Funding Loan shall accrue at the Default Rate until the unpaid amount, together with interest thereon, shall have been paid in full.

**Section 6.11 *Assignment of Project Loan; Remedies Under the Project Loan.***

(a) The Funding Lender Representative shall have the right, with respect to the Project Loan, in its sole and absolute discretion, without directing the Fiscal Agent to effect an acceleration of the Funding Loan, to instruct the Fiscal Agent in writing to assign the Project Notes, the Security Instrument and the other Project Loan Documents to the Funding Lender Representative, in which event the Fiscal Agent shall do all of the following:

(i) endorse and deliver the Project Notes to the Funding Lender Representative and assign (in recordable form) the Security Instrument,

(ii) execute and deliver to the Funding Lender Representative all documents prepared by the Funding Lender Representative necessary to assign (in recordable form) all other Project Loan Documents to the Funding Lender Representative and

(iii) execute all such documents prepared by the Funding Lender Representative as are necessary to legally and validly effectuate the assignments provided for in the preceding clauses (i) and (ii).

(b) The Fiscal Agent's assignments to the Funding Lender Representative pursuant to this Section 6.11 shall be without recourse or warranty except that the Fiscal Agent shall represent and warrant in connection therewith:

(i) that the Fiscal Agent has not previously endorsed or assigned any such documents or instruments and

(ii) that the Fiscal Agent has the corporate authority to endorse and assign such documents and instruments and such endorsements and assignments have been duly authorized.

(c) The Funding Lender Representative shall have the right, in its own name or on behalf of the Governmental Lender or the Fiscal Agent, to declare any default and exercise any remedies under the Project Loan Agreement, the Project Notes or the Security Instrument, whether or not the Governmental Notes have been accelerated or declared due and payable by reason of an Event of Default or the occurrence of a mandatory prepayment.

**Section 6.12 Substitution.** Upon receipt of written notice from the Funding Lender Representative and the written approval of the Governmental Lender as and to the extent permitted under the TEL Regulatory Agreement, the Fiscal Agent shall exchange the Project Notes and the Security Instrument for new Project Notes and a new Security Instrument, evidencing and securing a new loan (the “New Project Loan”), which may be executed by a Person other than the Borrower (the “New Borrower”), provided that if the Fiscal Agent, the Funding Lender or a nominee of the Fiscal Agent or the Funding Lender has acquired the Project through foreclosure, by accepting a deed in lieu of foreclosure or by comparable conversion of the Project, no approval from the Governmental Lender of such exchange shall be required. Prior to accepting a New Project Loan, the Fiscal Agent shall have received (i) written evidence that the New Borrower shall have executed and recorded a document substantially in the form of the TEL Regulatory Agreement (or executed and recorded an assumption of all of the Borrower’s obligations under the TEL Regulatory Agreement) and that the Project Loan Documents have been modified as necessary to be applicable to the New Project Loan, and (ii) an opinion of Bond Counsel, to the effect that such exchange and modification, in and of itself, will not adversely affect the exclusion of interest on the Tax-Exempt Governmental Note from the gross income of the holders thereof for federal income tax purposes.

## ARTICLE VII

### CONCERNING THE FISCAL AGENT

**Section 7.01 Standard of Care.** The Fiscal Agent, prior to an Event of Default and after the curing or waiver of all such events which may have occurred, shall perform such duties and only such duties as are specifically set forth in this Funding Loan Agreement and no implied covenants or obligations should be read into this Funding Loan Agreement against the Fiscal Agent. The Fiscal Agent, during the existence of any such Event of Default (which shall not have been cured or waived), shall exercise such rights and powers vested in it by this Funding Loan Agreement and use the same degree of care and skill in its exercise as a prudent Person would exercise or use under similar circumstances in the conduct of such Person’s own affairs. For the avoidance of doubt, the permissive rights of the Fiscal Agent to do things enumerated in this Funding Loan Agreement or the Project Loan Agreement shall not be construed as a duty.

No provision of this Funding Loan Agreement shall be construed to relieve the Fiscal Agent from liability for its breach of trust, own negligence or willful misconduct, except that:

- (a) prior to an Event of Default hereunder, and after the curing or waiver of all such Events of Default which may have occurred:
  - (i) the duties and obligations of the Fiscal Agent shall be determined solely by the express provisions of this Funding Loan Agreement, and the Fiscal Agent shall not be liable except with regard to the performance of such duties and obligations as are specifically set forth in this Funding Loan Agreement; and
  - (ii) in the absence of bad faith on the part of the Fiscal Agent, the Fiscal Agent may conclusively rely, as to the truth of the statements and the correctness

of the opinions expressed therein, upon any certificate or opinion furnished to the Fiscal Agent by the Person or Persons authorized to furnish the same;

(b) at all times, regardless of whether or not any such Event of Default shall exist:

(i) the Fiscal Agent shall not be liable for any error of judgment made in good faith by an officer or employee of the Fiscal Agent except for willful misconduct or negligence by the officer or employee of the Fiscal Agent as the case may be; and

(ii) the Fiscal Agent shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the written direction of the Funding Lender Representative relating to the time, method and place of conducting any proceeding for any remedy available to the Fiscal Agent, or exercising any duty or power conferred upon the Fiscal Agent under this Funding Loan Agreement.

When the Fiscal Agent incurs expenses or renders services after the occurrence of an Event of Default, such expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

**Section 7.02 *Reliance Upon Documents.*** Except as otherwise provided in Section 7.01 hereof:

(a) the Fiscal Agent may rely upon the authenticity or truth of the statements and the correctness of the opinions expressed in, and shall be protected in acting upon any resolution, certificate, statement, instrument, opinion, report, notice, notarial seal, stamp, acknowledgment, verification, request, consent, order, bond, or other paper or document in good faith deemed by it to be genuine and correct and to have been signed or sent by the proper party or parties, including any Electronic Instruction and Notice as permitted hereunder or under the Project Loan Agreement;

(b) any notice, request, direction, election, order or demand of the Governmental Lender mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Governmental Lender by an Authorized Officer of the Governmental Lender (unless other evidence in respect thereof be herein specifically prescribed), and any resolution of the Governmental Lender may be evidenced to the Fiscal Agent by a copy of such resolution duly certified by an Authorized Officer of the Governmental Lender;

(c) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Borrower mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Borrower by any Authorized Officer of the Borrower (unless other evidence in respect thereof be herein specifically prescribed), and any resolution or certification of the Borrower may be evidenced to the Fiscal Agent

by a copy of such resolution duly certified by a secretary or other authorized representative of the Borrower;

(d) any notice, request, certificate, statement, requisition, direction, election, order or demand of the Loan Servicer mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Loan Servicer by an Authorized Officer of the Loan Servicer (unless other evidence in respect thereof be herein specifically prescribed);

(e) any notice, request, direction, election, order or demand of the Funding Lender Representative mentioned herein shall be sufficiently evidenced by an instrument purporting to be signed in the name of the Funding Lender Representative by any Authorized Officer of the Funding Lender Representative (unless other evidence in respect thereof be herein specifically prescribed);

(f) in the administration of the trusts of this Funding Loan Agreement:

(i) the Fiscal Agent may execute any of the trusts or powers hereby granted directly or through its agents, custodians, nominees, receivers or attorneys appointed with due care, and

(ii) the Fiscal Agent may consult with counsel (who may be counsel for the Governmental Lender, the Loan Servicer or the Funding Lender Representative) concerning all matters of trusts hereof and duties hereunder, and the opinion or advice of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in accordance with the opinion of such counsel;

(g) whenever in the administration of the trusts of this Funding Loan Agreement, the Fiscal Agent shall deem it necessary or desirable that a matter be proved or established prior to taking or permitting any action hereunder, such matters (unless other evidence in respect thereof be herein specifically prescribed), may in the absence of negligence or willful misconduct on the part of the Fiscal Agent, be deemed to be conclusively proved and established by a certificate of an officer or authorized agent of the Governmental Lender or the Borrower and such certificate shall in the absence of bad faith on the part of the Fiscal Agent be full warrant to the Fiscal Agent for any action taken or permitted by it under the provisions of this Funding Loan Agreement, but in its discretion the Fiscal Agent may in lieu thereof accept other evidence of such matter or may require such further or additional evidence as it may deem reasonable;

(h) the recitals herein and in the Governmental Notes (except the Fiscal Agent's certificate of authentication thereon) shall not be considered as made by or imposing any obligation or liability upon the Fiscal Agent. The Fiscal Agent makes no representations as to the value or condition of the Pledged Security or any part thereof, or as to the title of the Governmental Lender or the Borrower to the Pledged Security, or as to the security of this Funding Loan Agreement, or of the Governmental Notes issued hereunder, and the Fiscal Agent shall incur no liability or responsibility in respect of any of such matters;

(i) the Fiscal Agent shall not be personally liable for debts contracted or liability for damages incurred in the management or operation of the Pledged Security except for its own willful misconduct or negligence; and every provision of this Funding Loan Agreement relating to the conduct or affecting the liability of or affording protection to the Fiscal Agent shall be subject to the provisions of this Section 7.02(i);

(j) the Fiscal Agent shall not be required to ascertain or inquire as to the performance or observance of any of the covenants or agreements (except to the extent they obligate the Fiscal Agent) herein or in any contracts or securities assigned or conveyed to or pledged with the Fiscal Agent hereunder, except Events of Default that are evident under Section 6.01(a) hereof. The Fiscal Agent shall not be required to take notice or be deemed to have notice or actual knowledge of any default or Event of Default specified in Section 6.01 hereof (except defaults under Section 6.01(a) hereof to the extent they are collecting loan payments hereunder) unless the Fiscal Agent shall receive from the Governmental Lender or the Funding Lender Representative written notice stating that a default or Event of Default has occurred and specifying the same, and in the absence of such notice the Fiscal Agent may conclusively assume that there is no such default. Every provision contained in this Funding Loan Agreement or related instruments or in any such contract or security wherein the duty of the Fiscal Agent depends on the occurrence and continuance of such default shall be subject to the provisions of this Section 7.02(j);

(k) the Fiscal Agent shall be under no duty to confirm or verify any financial or other statements or reports or certificates furnished pursuant to any provisions hereof, except to the extent such statement or reports are furnished by or under the direction of the Fiscal Agent, and shall be under no other duty in respect of the same except to retain the same in its files and permit the inspection of the same at reasonable times by the Funding Lender; and

(l) the Fiscal Agent shall be under no obligation to exercise those rights or powers vested in it by this Funding Loan Agreement, other than such rights and powers which it shall be obliged to exercise in the ordinary course of acting as Fiscal Agent under the terms and provisions of this Funding Loan Agreement and as required by law, at the request or direction of the Funding Lender Representative pursuant to Section 6.03 hereof, unless the Funding Lender Representative shall have offered to the Fiscal Agent security or indemnity satisfactory to the Fiscal Agent against the costs, expenses and liabilities which might be incurred by it in the compliance with such request or direction.

None of the provisions contained in this Funding Loan Agreement shall require the Fiscal Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.

The Fiscal Agent is authorized and directed to execute, in its capacity as Fiscal Agent, the Project Loan Agreement and shall have no responsibility or liability with respect to any information, statement or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the delivery of the Governmental Notes and no responsibility for compliance with any state or federal securities laws in connection with the Governmental Notes. In acting or omitting to act pursuant to the Project Loan Agreement or any

other documents executed in connection herewith, the Fiscal Agent shall be entitled to all of the rights, immunities and indemnities accorded to it under this Funding Loan Agreement, including, but not limited to, this Article VII.

The Fiscal Agent or any of its affiliates may act as advisor or sponsor with respect to any Qualified Investments.

Any resolution, certification, notice, request, direction, election, order or demand delivered to the Fiscal Agent pursuant to this Section 7.02 shall remain in effect until the Fiscal Agent receives written notice to the contrary from the party that delivered such instrument accompanied by revised information for such party.

The Fiscal Agent shall have no responsibility for the value of any collateral or with respect to the perfection or priority of any security interest in any collateral except as otherwise provided in Section 7.15 hereof.

Notwithstanding anything contained herein or in the Security Instrument to the contrary, upon the occurrence and continuance of an Event of Default, before taking any foreclosure action or any action which may subject the Fiscal Agent to liability under any environmental law, statute, regulation or similar requirement relating to the environment, the Fiscal Agent may require that a satisfactory indemnity bond, indemnity or environmental impairment insurance be furnished for the payment or reimbursement of all expenses to which it may be put and to protect it against all liability resulting from any claims, judgments, damages, losses, penalties, fines, liabilities (including strict liability) and expenses which may result from such foreclosure or other action. The Fiscal Agent shall not be required to take any action to foreclose or otherwise enforce the Security Instrument unless indemnified to its satisfaction and will not be required to foreclose if doing so will subject it to environmental liability or will require the approval of a governmental regulator that cannot be obtained.

**Section 7.03 *Use of Proceeds.*** The Fiscal Agent shall not be accountable for the use or application of the Governmental Notes authenticated or delivered hereunder or of the proceeds of the Funding Loan or any other moneys paid over by the Fiscal Agent in accordance with the provisions of this Funding Loan Agreement except as provided herein.

**Section 7.04 *Trust Imposed.*** All money received by the Fiscal Agent shall, until used or applied as herein provided, be held in trust for the purposes for which it was received.

**Section 7.05 *Compensation of Fiscal Agent.*** The Fiscal Agent shall be entitled to its Fiscal Agent's Ordinary Fees and Expenses in connection with the services rendered by it in the execution of the trusts hereby created and in the exercise and performance of any of the powers and duties of the Fiscal Agent hereunder or under any Financing Document to the extent money is available therefor, in accordance with Section 4.06 hereof, exclusive of Extraordinary Services. The Fiscal Agent shall be entitled to the Fiscal Agent's Extraordinary Fees and Expenses in connection with any Extraordinary Services performed consistent with the duties hereunder or under any of the Financing Documents; provided the Fiscal Agent shall not perform any Extraordinary Services or incur any Fiscal Agent's Extraordinary Fees and Expenses without the consent of the Funding Lender Representative. If any property, other than cash, shall at any time

be held by the Fiscal Agent subject to this Funding Loan Agreement, or any supplement hereto, as security for the Funding Loan, the Fiscal Agent, if and to the extent authorized by a receivership, bankruptcy, or other court of competent jurisdiction or by the instrument subjecting such property to the provisions of this Funding Loan Agreement as such security for the Funding Loan, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other liens or encumbrances thereon. Payment to the Fiscal Agent for its services and reimbursement to the Fiscal Agent for its expenses, disbursements, liabilities and advances, shall be limited to the sources described in the Project Loan Agreement and in Sections 4.06, 4.09 and 6.05 hereof. The Governmental Lender shall have no liability for Fiscal Agent's fees, costs or expenses. Subject to the provisions of Section 7.08 hereof, the Fiscal Agent agrees that it shall continue to perform its duties hereunder and under the Financing Documents even in the event that money designated for payment of its fees shall be insufficient for such purposes or in the event that the Borrower fails to pay the Fiscal Agent's Ordinary Fees and Expenses or, if applicable, the Fiscal Agent's Extraordinary Fees and Expenses as required by the Project Loan Agreement.

The Borrower shall indemnify and hold harmless the Fiscal Agent and its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants and servants, past, present or future, from and against all of the following:

(a) any and all claims by or on behalf of any Person arising from any cause whatsoever in connection with this Funding Loan Agreement or transactions contemplated hereby, the Project, or the delivery of the Governmental Notes or the Loans;

(b) any and all claims arising from any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Project, or the delivery of the Governmental Notes or the Loans; and

(c) all costs, counsel fees, expenses or liabilities incurred in connection with any such claim or proceeding brought thereon; except that the Borrower shall not be required to indemnify any Person for damages caused by the gross negligence, willful misconduct or unlawful acts of such Person or which arise from events occurring after the Borrower ceases to own the Project.

In the event that any action or proceeding is brought or claim made against the Fiscal Agent, or any of its officers, directors, officials, employees, agents, receivers, attorneys, accountants, advisors, consultants or servants, with respect to which indemnity may be sought hereunder, the Borrower, upon written notice thereof from the indemnified party, shall assume the investigation and defense thereof, including the employment of counsel and the payment of all expenses (except for matters attributable to the negligence or willful misconduct of such Person). The indemnified party shall have the right to approve a settlement to which it is a party and to employ separate counsel in any such action or proceedings and to participate in the investigation and defense thereof, and the Borrower shall pay the reasonable fees and expenses of such separate counsel. The provisions of this Section 7.05 shall survive the termination of this Funding Loan Agreement.

**Section 7.06 *Qualifications of Fiscal Agent.*** There shall at all times be a Fiscal Agent hereunder which shall be an association or a corporation organized and doing business under the laws of the United States of America or any state thereof, authorized under such laws to exercise

corporate trust powers in the Property Jurisdiction and approved in writing by the Governmental Lender. Any successor Fiscal Agent shall have a combined capital and surplus of at least \$50,000,000 (or shall be a wholly-owned subsidiary of an association or corporation that has such combined capital and surplus), and be subject to supervision or examination by federal or state authority, or shall have been appointed by a court of competent jurisdiction pursuant to Section 7.10 hereof. If such association or corporation publishes reports of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority referred to above, then for the purposes of this Section 7.06, the combined capital and surplus of such association or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Fiscal Agent shall cease to be eligible in accordance with the provisions of this Section 7.06 and another association or corporation is eligible, the Fiscal Agent shall resign immediately in the manner and with the effect specified in Section 7.08 hereof.

**Section 7.07 *Merger of Fiscal Agent.*** Any association or corporation into which the Fiscal Agent may be converted or merged, or with which it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any association or corporation resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party shall, ipso facto, be and become successor Fiscal Agent hereunder and vested with all the title to the whole property or Pledged Security and all the trusts, powers, discretions, immunities, privileges and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, and shall also be and become successor Fiscal Agent in respect of the legal interest of the Fiscal Agent in the Loans. Notwithstanding the foregoing, any such successor Fiscal Agent shall cause written notice of such succession to be delivered to the Funding Lender and the Governmental Lender within ten (10) days of such succession.

**Section 7.08 *Resignation by the Fiscal Agent.*** The Fiscal Agent may at any time resign from the trusts hereby created by giving written notice to the Governmental Lender, the Borrower, the Loan Servicer and the Funding Lender Representative. Such notice to the Governmental Lender, the Borrower, the Loan Servicer and the Funding Lender Representative may be served personally or sent by certified mail or overnight delivery service. The resignation of the Fiscal Agent shall not be effective until a successor Fiscal Agent has been appointed as provided herein and such successor Fiscal Agent shall have agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder; provided, however, that after giving notice of resignation, the Fiscal Agent may petition any court of competent jurisdiction for appointment of a temporary Fiscal Agent until a successor Fiscal Agent is appointed. The rights of the Fiscal Agent to indemnity, compensation and reimbursement of fees and expenses shall survive the Fiscal Agent's resignation as set forth herein and in Section 6.01(d) of the Project Loan Agreement.

**Section 7.09 *Removal of the Fiscal Agent.*** The Fiscal Agent may be removed at any time, either with or without cause, with the written consent of the Funding Lender Representative (which consent of the Funding Lender Representative shall not be unreasonably withheld), by a written instrument signed by the Governmental Lender and delivered to the Fiscal Agent, the Loan Servicer and the Borrower. The Fiscal Agent may also be removed by a written instrument signed by the Funding Lender Representative, with the written consent of the Governmental Lender, and

delivered to the Fiscal Agent, the Loan Servicer, the Governmental Lender and the Borrower. In each case written notice of such removal shall be given to the Loan Servicer, the Borrower and to the Funding Lender. Any such removal shall take effect on the day specified in such written instrument(s), but the Fiscal Agent shall not be discharged from the duties of the Fiscal Agent hereby created until a successor Fiscal Agent has been appointed and has accepted such appointment and has agreed in writing to be bound by the duties and obligations of the Fiscal Agent hereunder. The rights of the Fiscal Agent to indemnity, compensation and reimbursement of fees and expenses shall survive the Fiscal Agent's removal as set forth herein and in Section 6.01(d) of the Project Loan Agreement.

**Section 7.10 *Appointment of Successor Fiscal Agent.***

(a) In case at any time the Fiscal Agent shall resign or be removed, or be dissolved, or shall be in course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or shall be adjudged a bankrupt or insolvent, or if a receiver of the Fiscal Agent or of its property shall be appointed, or if a public supervisory office shall take charge or control of the Fiscal Agent or of its property or affairs, a vacancy shall forthwith and ipso facto be created in the office of such Fiscal Agent hereunder, and the Governmental Lender, with the written consent of the Funding Lender Representative, shall promptly appoint a successor Fiscal Agent. Any such appointment shall be made by a written instrument executed by an Authorized Officer of the Governmental Lender. If the Governmental Lender fails to appoint a successor Fiscal Agent within ten (10) days following the receipt of notice of the resignation or removal of the Fiscal Agent pursuant to Section 7.08 or Section 7.09 hereunder, as applicable, the Funding Lender Representative may appoint a successor Fiscal Agent (from any of the institutions approved by the Governmental Lender to serve as a fiscal agent or trustee) with written notice thereof delivered to the Governmental Lender, the Borrower, the Loan Servicer, if any, and if applicable, the retiring Fiscal Agent.

(b) If, in a proper case, no appointment of a successor Fiscal Agent shall be made pursuant to subsection (a) of this Section 7.10 within sixty (60) days following delivery of all required notices of resignation given pursuant to Section 7.08 hereof or of removal of the Fiscal Agent pursuant to Section 7.09 hereof, the retiring Fiscal Agent may apply to any court of competent jurisdiction, at the expense of the Borrower, to appoint a successor Fiscal Agent. The court may thereupon, after such notice, if any, as such court may deem proper and prescribe, appoint a successor Fiscal Agent.

**Section 7.11 *Concerning Any Successor Fiscal Agent.*** Every successor Fiscal Agent appointed hereunder shall execute, acknowledge and deliver to its predecessor and also to the Governmental Lender a written instrument accepting such appointment hereunder, and thereupon such successor, without any further act, deed or conveyance, shall become fully vested with all the Pledged Security and the rights, powers, trusts, duties and obligations of its predecessor; but such predecessor shall, nevertheless, on the written request of the Governmental Lender, the Borrower or the Funding Lender Representative, or of its successor, and upon payment of all amounts due such predecessor, including but not limited to fees and expenses of counsel, execute and deliver such instruments as may be appropriate to transfer to such successor Fiscal Agent all the Pledged Security and the rights, powers and trusts of such predecessor hereunder; and every predecessor

Fiscal Agent shall deliver all securities and money held by it as Fiscal Agent hereunder to its successor. Should any instrument in writing from the Governmental Lender be required by a successor Fiscal Agent for more fully and certainly vesting in such successor the Pledged Security and all rights, powers and duties hereby vested or intended to be vested in the predecessor, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender. The resignation of any Fiscal Agent and the instrument or instruments removing any Fiscal Agent and appointing a successor hereunder, together with all other instruments provided for in this Article VII, shall be filed and/or recorded by the successor Fiscal Agent in each recording office where this Funding Loan Agreement shall have been filed and/or recorded. Each successor Fiscal Agent shall mail notice by first class mail, postage prepaid, at least once within thirty (30) days of such appointment, to the Funding Lender.

**Section 7.12 *Successor Fiscal Agent.*** In the event of a change in the office of the Fiscal Agent, the predecessor Fiscal Agent which shall have resigned or shall have been removed shall cease to be the Fiscal Agent with respect to the Governmental Notes, and the successor Fiscal Agent shall become such Fiscal Agent.

**Section 7.13 *Appointment of Co-Fiscal Agent or Separate Fiscal Agent.*** It is the intent of the Governmental Lender and the Fiscal Agent that there shall be no violation of any law of any jurisdiction (including particularly the laws of the Property Jurisdiction) denying or restricting the right of banking corporations or associations to transact business as Fiscal Agent in such jurisdiction. It is recognized that in case of litigation under or connected with this Funding Loan Agreement, the Project Loan Agreement or any of the other Financing Documents, and, in particular, in case of the enforcement of any remedies on default, or in case the Fiscal Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the powers, rights or remedies herein or therein granted to the Fiscal Agent or hold title to the properties in trust, as herein granted, or take any other action which may be desirable or necessary in connection therewith, it may be necessary that the Fiscal Agent, with the consent of the Governmental Lender and the Funding Lender Representative, and with written notice to the Borrower, appoint an additional individual or institution as a co-fiscal agent or separate fiscal agent.

In the event that the Fiscal Agent appoints an additional individual or institution as a co-fiscal agent or separate fiscal agent, in the event of the incapacity or lack of authority of the Fiscal Agent, by reason of any present or future law of any jurisdiction, to exercise any of the rights, powers, trusts and remedies granted to the Fiscal Agent herein or to hold title to the Pledged Security or to take any other action that may be necessary or desirable in connection therewith, each and every remedy, power, right, obligation, claim, demand, cause of action, immunity, estate, title, interest and lien expressed or intended by this Funding Loan Agreement to be imposed upon, exercised by or vested in or conveyed to the Fiscal Agent with respect thereto shall be imposed upon, exercisable by and vest in such separate fiscal agent or co-fiscal agent, but only to the extent necessary to enable such co-fiscal agent or separate fiscal agent to exercise such powers, rights, trusts and remedies, and every covenant and obligation necessary to the exercise thereof by such co-fiscal agent or separate fiscal agent shall run to and be enforceable by either of them, subject to the remaining provisions of this Section 7.13. Such co-fiscal agent or separate fiscal agent shall deliver an instrument in writing acknowledging and accepting its appointment hereunder to the Governmental Lender and the Fiscal Agent.

Should any instrument in writing from the Governmental Lender be required by the co-fiscal agent or separate fiscal agent so appointed by the Fiscal Agent for more fully and certainly vesting in and confirming to him or it such properties, rights, powers, trusts, duties and obligations, any and all such instruments in writing shall, on request, be executed, acknowledged and delivered by the Governmental Lender, the Fiscal Agent and the Borrower. If the Governmental Lender shall fail to deliver the same within thirty (30) days of such request, the Fiscal Agent is hereby appointed attorney-in-fact for the Governmental Lender to execute, acknowledge and deliver such instruments in the Governmental Lender's name and stead. In case any co-fiscal agent or separate fiscal agent, or a successor to either, shall die, become incapable of acting, resign or be removed, all the estates, properties, rights, powers, trusts, duties and obligations of such co-fiscal agent or separate fiscal agent, so far as permitted by law, shall vest in and be exercised by the Fiscal Agent until the appointment of a new Fiscal Agent or successor to such co-fiscal agent or separate fiscal agent.

Every co-fiscal agent or separate fiscal agent shall, to the extent permitted by law, but to such extent only, be appointed subject to the following terms, namely:

(a) the Governmental Notes shall be authenticated and delivered, and all rights, powers, trusts, duties and obligations by this Funding Loan Agreement conferred upon the Fiscal Agent in respect of the custody, control or management of money, papers, securities and other personal property shall be exercised solely by the Fiscal Agent;

(b) all rights, powers, trusts, duties and obligations conferred or imposed upon the Fiscal Agent shall be conferred or imposed upon or exercised or performed by the Fiscal Agent, or by the Fiscal Agent and such co-fiscal agent, or separate fiscal agent jointly, as shall be provided in the instrument appointing such co-fiscal agent or separate fiscal agent, except to the extent that under the law of any jurisdiction in which any particular act or acts are to be performed the Fiscal Agent shall be incompetent or unqualified to perform such act or acts, in which event such act or acts shall be performed by such co-fiscal agent or separate fiscal agent;

(c) any request in writing by the Fiscal Agent to any co-fiscal agent or separate fiscal agent to take or to refrain from taking any action hereunder shall be sufficient warrant for the taking or the refraining from taking of such action by such co-fiscal agent or separate fiscal agent;

(d) any co-fiscal agent or separate fiscal agent to the extent permitted by law shall delegate to the Fiscal Agent the exercise of any right, power, trust, duty or obligation, discretionary or otherwise;

(e) the Fiscal Agent, at any time by an instrument in writing with the written concurrence of the Governmental Lender by an Authorized Officer, may accept the resignation of or remove any co-fiscal agent or separate fiscal agent appointed under this Section 7.13 and in case an Event of Default shall have occurred and be continuing, the Fiscal Agent shall have power to accept the resignation of or remove any such co-fiscal agent or separate fiscal agent without the concurrence of the Governmental Lender, and upon the request of the Fiscal Agent, the Governmental Lender shall join with the Fiscal

Agent in the execution, delivery and performance of all instruments and agreements necessary or proper to effectuate such resignation or removal. A successor to any co-fiscal agent or separate fiscal agent so resigned or removed may be appointed in the manner provided in this Section 7.13;

(f) no Fiscal Agent or co-fiscal agent hereunder shall be personally liable by reason of any act or omission of any other Fiscal Agent hereunder;

(g) any demand, request, direction, appointment, removal, notice, consent, waiver or other action in writing executed by the Funding Lender Representative and delivered to the Fiscal Agent shall be deemed to have been delivered to each such co-fiscal agent or separate fiscal agent; and

(h) any money, papers, securities or other items of personal property received by any such co-fiscal agent or separate fiscal agent hereunder shall forthwith, so far as may be permitted by law, be turned over to the Fiscal Agent.

The total compensation of the Fiscal Agent and any co-fiscal agent or separate fiscal agent shall be as, and may not exceed the amount, provided in Section 7.05 hereof.

**Section 7.14 *Notice of Certain Events.*** The Fiscal Agent shall give written notice to the Governmental Lender, the Loan Servicer and the Funding Lender Representative of any failure by the Borrower to comply with the terms of the TEL Regulatory Agreement or any Determination of Taxability of which a Responsible Officer has actual knowledge.

**Section 7.15 *Filing of Financing Statements.*** The Fiscal Agent shall, at the expense of the Borrower, file or record or cause to be filed or recorded all continuation statements for financing statements that have been delivered to the Fiscal Agent on which the Fiscal Agent is named as a secured party or additional secured party for the purpose of continuing without lapse the effectiveness of those financing statements which have been filed on or approximately on the Delivery Date in connection with the security for the Funding Loan pursuant to the authority of the Uniform Commercial Code. Upon the filing of any such continuation statement the Fiscal Agent shall immediately notify the Governmental Lender, the Borrower, the Funding Lender Representative and the Loan Servicer that the same has been done. If direction is given by the Loan Servicer or the Funding Lender Representative, the Fiscal Agent shall file all continuation statements in accordance with such directions.

Notwithstanding anything to the contrary contained herein, the Fiscal Agent shall not be responsible for any initial filings of any financing statements or the information contained therein (including the exhibits thereto), the perfection of any such security interests, or the accuracy or sufficiency of any description of collateral in such initial filings or for filing any modifications or amendments to the initial filings required by any amendments to Article 9 of the Uniform Commercial Code and unless the Fiscal Agent shall have been notified by the Funding Lender that any such initial filing or description of collateral was or has become defective, the Fiscal Agent shall be fully protected in relying on such initial filing and descriptions in filing any continuation statements or modifications thereto pursuant to this Section 7.15 and in filing any continuation statements in the same filing offices as the initial filings were made.

**Section 7.16 USA Patriot Act Requirements of the Fiscal Agent.** To help the government of the United States of America fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify, and record information that identifies each Person who opens an account. For a non-individual Person such as a business entity, a charity, a trust, or other legal entity, the Fiscal Agent may request documentation to verify such Person's formation and existence as a legal entity. The Fiscal Agent may also request financial statements, licenses, identification and authorization documents from individuals claiming authority to represent such Person or other relevant documentation.

## ARTICLE VIII

### AMENDMENTS OF CERTAIN DOCUMENTS

**Section 8.01 Amendments to Funding Loan Agreement.** Any of the terms of this Funding Loan Agreement and the Governmental Notes may be amended or waived only by an instrument signed by the Fiscal Agent and the Governmental Lender, and with the prior written consent of the Funding Lender Representative.

**Section 8.02 Amendments to Financing Documents Require Consent of Funding Lender Representative.** Neither the Governmental Lender nor the Fiscal Agent shall consent to any amendment, change or modification of any Financing Document without the prior written consent of the Funding Lender Representative. The Fiscal Agent shall enter into such amendments to the Financing Documents as shall be directed by the Funding Lender Representative, including entering into the amendments attached as exhibits to the Construction Phase Financing Agreement on the Conversion Date.

**Section 8.03 Opinion of Bond Counsel Required.** No amendment to this Funding Loan Agreement, the Governmental Notes, the Project Loan Agreement, the Project Notes, the Security Instrument or the TEL Regulatory Agreement shall become effective unless and until all of the following have occurred:

(a) the Funding Lender Representative shall have consented to the same in writing in its sole discretion and

(b) the Funding Lender Representative, the Governmental Lender and the Fiscal Agent shall have received, at the expense of the Borrower:

(i) An opinion of Bond Counsel to the effect that such amendment, change or modification will not, in and of itself, cause interest on the Governmental Note to be includable in the gross income of the holders thereof for federal income tax purposes, and

(ii) an opinion of counsel acceptable to the Funding Lender Representative and the Governmental Lender to the effect that any such proposed amendment, change or modification is authorized and complies with the provisions of this Funding Loan Agreement and is a legal, valid and binding obligation of the parties thereto, subject to normal exceptions relating to bankruptcy, insolvency and equitable principles limitations.

## ARTICLE IX

### SATISFACTION AND DISCHARGE OF FUNDING LOAN AGREEMENT

#### Section 9.01 *Discharge of Lien.*

(a) These presents and the estates and rights hereby granted shall cease, terminate and be void if the Governmental Lender shall:

(i) pay or cause to be paid to the Funding Lender the principal, interest and Prepayment Premium, if any, to become due with respect to the Funding Loan at the times and in the manner stipulated herein and in the Governmental Notes, in any one or more of the following ways:

(A) by the payment of all unpaid principal of (including Prepayment Premium, if any) and interest on the Funding Loan; or

(B) after the Conversion Date and prior to the Window Period (or, if the Conversion Date does not occur, after the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement), by the deposit to the account of the Fiscal Agent, in trust, of money or securities in the necessary amount to pay the principal, Prepayment Premium and interest to the Maturity Date; or

(C) by the delivery of the Governmental Notes by the Funding Lender to the Fiscal Agent for cancellation; and

(ii) have paid all amounts due and owing under the other Financing Documents,

(iii) have paid all fees and expenses of and any other amounts due to the Fiscal Agent, the Loan Servicer and the Rebate Analyst; and

(iv) keep, perform and observe all and singular the covenants and promises in the Governmental Notes and in this Funding Loan Agreement expressed as to be kept, performed and observed by it or on its part.

(b) Upon satisfaction of each of the requirements of Section 9.01(a), the Fiscal Agent shall cancel and discharge the lien of this Funding Loan Agreement and execute and deliver to the Governmental Lender such instruments in writing as shall be requisite to satisfy the lien hereof and reconvey to the Governmental Lender the estate hereby conveyed, and assign and deliver to the Governmental Lender any interest in property at the time subject to the lien of this Funding Loan Agreement which may then be in its possession, except amounts held by the Fiscal Agent for the payment of principal of, interest and Prepayment Premium, if any, on the Governmental Notes, and the payment of any amounts owed to the United States of America pursuant to Section 4.10 hereof.

(c) After the Conversion Date and prior to the Window Period (or, if the Conversion Date does not occur, after the latest date on which Conversion was permitted to occur under the Construction Phase Financing Agreement) and subject to the satisfaction of the conditions set forth in Section 4.04(c) of the Project Loan Agreement, the Funding Loan shall, prior to the Maturity Date, be deemed to have been paid within the meaning and with the effect expressed in this Section 9.01(a) based on a deposit of moneys or securities with the Fiscal Agent pursuant to Section 9.01(a)(i)(B) if, under circumstances which do not cause interest on the Tax-Exempt Governmental Note to become includable in the gross income of the holders thereof for purposes of federal income tax purposes, each of the following conditions shall have been fulfilled:

(i) there shall be on deposit with the Fiscal Agent either money or noncallable and nonprepayable direct obligations of the United States of America (or other defeasance securities constituting Qualified Investments approved in writing by the Funding Lender Representative) in an amount, together with anticipated earnings thereon (but not including any reinvestment of such earnings), which will be sufficient to pay, when due, the principal and interest due and to become due on the Funding Loan up to and on the Maturity Date;

(ii) the Fiscal Agent shall have received a verification report of a firm of certified public accountants or financial analyst reasonably acceptable to the Fiscal Agent and the Funding Lender Representative as to the adequacy of the amounts or securities so deposited to fully pay the Funding Loan;

(iii) the Fiscal Agent and the Funding Lender Representative shall have received a written opinion of nationally recognized counsel experienced in bankruptcy matters to the effect that if the Borrower, any general partner, member or guarantor of the Borrower, or the Governmental Lender were to become a debtor in a proceeding under the Bankruptcy Code:

(A) payment of such money to the Funding Lender would not constitute a voidable preference under Section 547 of the Bankruptcy Code and

(B) the automatic stay provisions of Section 362(a) of the Bankruptcy Code would not prevent application of such money to the payment of the Funding Loan;

(iv) the Fiscal Agent and the Funding Lender Representative shall have received an opinion of Bond Counsel to the effect that the defeasance of the Funding Loan is in accordance with the provisions of this Funding Loan Agreement and that such defeasance will not adversely affect the exclusion of interest on the Tax-Exempt Governmental Note from the gross income of the holders thereof for federal income tax purposes;

(v) the Fiscal Agent shall have received written confirmation that all fees, expenses or reimbursement of any advances due to the Funding Lender and the Loan Servicer under the Financing Documents have been fully paid.

**Section 9.02 *Discharge of Liability on Funding Loan.*** Upon the deposit with the Fiscal Agent, in trust, on or before the Maturity Date, of money or securities in the necessary amount (as provided in Section 9.01 above) to pay or prepay the Funding Loan (whether upon or prior to the Maturity Date or the prepayment date of the Funding Loan) provided that, if the Funding Loan is to be prepaid prior to the maturity thereof, notice of such prepayment shall have been given as provided in Article III or provision satisfactory to the Fiscal Agent shall have been made for the giving of such notice, all liability of the Governmental Lender in respect of the Funding Loan shall cease, terminate and be completely discharged, except only that thereafter the Funding Lender shall be entitled to payment by the Governmental Lender, and the Governmental Lender shall remain liable for such payment, but only out of the money or securities deposited with the Fiscal Agent as aforesaid for their payment, subject, however, to the provisions of Section 9.03 hereof.

**Section 9.03 *Payment of Funding Loan After Discharge of Funding Loan Agreement.*** Notwithstanding any provisions of this Funding Loan Agreement, and subject to applicable unclaimed property laws of the Property Jurisdiction, any money deposited with the Fiscal Agent or any paying agent in trust for the payment of the principal of, interest or Prepayment Premium on the Governmental Notes remaining unclaimed for two years after the Maturity Date or earlier payment date to the extent permitted by applicable law, shall be paid to the Borrower, whereupon all liability of the Governmental Lender and the Fiscal Agent with respect to such money shall cease, and the Funding Lender shall thereafter look solely to the Borrower for payment of any amounts then due. All money held by the Fiscal Agent and subject to this Section 9.03 shall be held uninvested and without liability for interest thereon.

## ARTICLE X

### MISCELLANEOUS

**Section 10.01 *Servicing of the Loans.*** The Funding Lender Representative may appoint a Loan Servicer (which may be the Funding Lender Representative if the Funding Lender Representative elects to service the Loans) to service the Loans as provided in Section 3.02 of the Project Loan Agreement. The Governmental Lender and the Fiscal Agent shall not be responsible for monitoring the performance of any Loan Servicer or for any acts or omissions of such Loan Servicer. The Funding Lender may, in its sole discretion, terminate or replace the Loan Servicer.

**Section 10.02 *Limitation of Rights.*** With the exception of rights herein expressly conferred, nothing expressed or to be implied from this Funding Loan Agreement or the Governmental Notes is intended or shall be construed to give to any Person other than the Parties hereto, the Funding Lender, the Funding Lender Representative, the Loan Servicer and the Borrower, any legal or equitable right, remedy or claim under or in respect to this Funding Loan Agreement or any covenants, conditions and provisions hereof.

**Section 10.03 *Construction of Conflicts; Severability.***

(a) Notwithstanding anything provided herein, or in any of the documents referred to herein, in the event that any contracts or other documents executed by the Borrower or any other arrangements agreed to by the Borrower in order to finance or refinance the Project with the proceeds of the Funding Loan, the interest on which is excluded from the gross income of the holders thereof for federal income tax purposes under Section 103(a) of the Code are inconsistent with the Project Loan Documents, then the Project Loan Documents shall be controlling in all respects. If any provision of this Funding Loan Agreement shall be held or deemed to be, or shall in fact be inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions, or in all cases because it conflicts with any other provision or provisions hereof or any constitution, statute, rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained invalid, inoperative, or unenforceable to any extent whatever.

(b) The invalidity of any one or more phrases, sentences, clauses or sections in this Funding Loan Agreement contained, shall not affect the remaining portions of this Funding Loan Agreement, or any part thereof.

**Section 10.04 *Notices.***

(a) Whenever in this Funding Loan Agreement the giving of notice by mail or otherwise is required, the giving of such notice may be waived in writing by the Person entitled to receive such notice and in any such case the giving or receipt of such notice shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Any notice, request, complaint, demand, communication or other paper required or permitted to be delivered to the Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Loan Servicer shall be sufficiently given and shall be deemed given (unless another form of notice shall be specifically set forth herein) on the Business Day following the date on which such notice or other communication shall have been delivered to a national overnight delivery service (receipt of which to be evidenced by a signed receipt from such overnight delivery service) addressed to the appropriate party at the addresses set forth below or as may be required or permitted by this Funding Loan Agreement by Electronic Instruction and Notice. The Governmental Lender, the Fiscal Agent, the Funding Lender Representative, the Borrower or the Loan Servicer may, by notice given as provided in this paragraph, designate any further or different address to which subsequent notices or other communication shall be sent.

(b) The Fiscal Agent shall provide to the Funding Lender Representative and the Loan Servicer (i) prompt notice of the occurrence of any Event of Default pursuant to Section 6.01 hereof and (ii) any written information or other written communication received by the Fiscal Agent hereunder within ten (10) Business Days of receiving a written request from the Funding Lender Representative and the Loan Servicer for any such information or other communication.

**Section 10.05 Funding Lender Representative.**

(a) The Initial Funding Lender is the initial Funding Lender Representative with respect to the Governmental Notes. Upon the Conversion Date, the Seller/Servicer shall become the Funding Lender Representative and upon the Freddie Mac Purchase Date, Freddie Mac shall become the Funding Lender Representative. The Funding Lender Representative shall be entitled to all the rights and privileges of the Funding Lender hereunder and under the other Financing Documents.

(b) The Funding Lender Representative may provide written notice to the Fiscal Agent designating particular individuals or Persons authorized to execute any consent, waiver, approval, direction or other instrument on behalf of the Funding Lender Representative, and such notice may be amended or rescinded by the Funding Lender Representative at any time by subsequent written notice. The Funding Lender Representative may be removed and a successor appointed by a written notice in the form of Exhibit B hereto given by the Funding Lender to the Fiscal Agent, the Governmental Lender, the Loan Servicer and the Borrower. The removal and reappointment shall be effective immediately upon receipt of such notice by the Fiscal Agent. The Funding Lender may appoint any Person to act as Funding Lender Representative, including, without limitation, the Loan Servicer. If, for any reason, a Funding Lender Representative resigns by written notice provided to the Fiscal Agent, the Funding Lender, the Governmental Lender, the Loan Servicer and the Borrower, all references to Funding Lender Representative herein and in the other Financing Documents shall be deemed to refer to the Funding Lender until a successor Funding Lender Representative is appointed by the Funding Lender.

(c) Whenever pursuant to this Funding Loan Agreement or any other Financing Document, the Funding Lender Representative exercises any right given to it to approve or disapprove, any arrangement or term hereof, the decision of the Funding Lender Representative to approve or disapprove or to decide whether arrangements or terms are acceptable or not acceptable shall be in the sole discretion of the Funding Lender Representative, except as otherwise specifically indicated.

(d) Each Funding Lender, by their purchase or other acquisition of the Funding Loan, shall be deemed to have acknowledged and agreed to the provisions of this Funding Loan Agreement and the other Financing Documents with respect to the Funding Lender Representative and the rights and privileges thereof, including but not limited to the right to control all remedies in respect of the Governmental Notes and the Loans, subject to the Unassigned Rights.

**Section 10.06 *Payments Due on Non-Business Days.*** In any case where a date of payment with respect to the Funding Loan shall be a day other than a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such date, and no interest shall accrue for the period after such date provided that payment is made on such next succeeding Business Day.

**Section 10.07 *Counterparts.*** This Funding Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

**Section 10.08 *Laws Governing Funding Loan Agreement; Venue.*** The effect and meaning of this Funding Loan Agreement and the rights of all parties hereunder shall be governed by, and construed according to, the internal laws of the Property Jurisdiction without regard to conflicts of laws principles, and venue for any action in which the Governmental Lender is a named party shall be San Francisco County, California, unless the Governmental Lender waives this

requirement in writing or unless required by applicable law to enforce rights and remedies hereunder or under the other Financing Documents.

**Section 10.09 *No Recourse with Respect to Governmental Lender.*** Notwithstanding anything to the contrary herein or to the contrary in any Financing Document, no recourse under or upon any obligation, covenant or agreement contained in this Funding Loan Agreement or in the Governmental Notes shall be had against any member, officer, commissioner, director or employee (past, present or future) of the Governmental Lender, either directly or through the Governmental Lender or its governing body or otherwise, for the payment for or to the Governmental Lender or any receiver thereof, or for or to the Funding Lender, or otherwise, of any sum that may be due and unpaid by the Governmental Lender or its governing body upon the Governmental Notes. Any and all personal liability of every nature whether at common law or in equity or by statute or by constitution or otherwise of any such member, officer, commissioner, director or employee, as such, to respond by reason of any act of omission on his/her part or otherwise, for the payment for or to the Funding Lender or otherwise of any sum that may remain due and unpaid with respect to the Funding Loan hereby secured is, by the acceptance hereof, expressly waived and released as a condition of and in consideration for the execution of this Funding Loan Agreement and the delivery of the Governmental Notes. The Funding Lender's remedies in the event of a default under the Funding Loan shall be limited to those remedies set forth in Article VI hereof and, if an Event of Default also exists under the Project Loan Agreement or the Project Notes, to commence foreclosure under the Security Instrument and the other Project Loan Documents and to exercise of the power of sale or other rights granted thereunder. In the event of a default hereunder or under the Governmental Notes, the Funding Lender shall not have the right to proceed directly against the Governmental Lender or the right to obtain a deficiency judgment from the Governmental Lender after foreclosure. Nothing contained in the foregoing shall limit any rights or remedies the Governmental Lender or the Funding Lender may have against the Borrower.

MULTIFAMILY HOUSING REVENUE NOTE  
(BALBOA RESERVOIR – BUILDING E)  
SERIES 2025F-1**

US \$ [74,116,000]

[\_\_\_\_\_], 2025

FOR VALUE RECEIVED, the undersigned, CITY AND COUNTY OF SAN FRANCISCO (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of Bank of America, N.A., a national banking association (the “**Funding Lender**”), and its assigns, the maximum principal sum of [SEVENTY-FOUR MILLION ONE HUNDRED SIXTEEN THOUSAND] Dollars (US \$[74,116,000]), plus Prepayment Premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-1 (this “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of [September] 1, 2025 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank Trust Company, National Association (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan (the “**Funding Loan**”), and this Governmental Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to Balboa Lee Avenue, L.P. (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of [September] 1, 2025 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Governmental Note at any time shall be an amount equal to the proceeds of the Tax-Exempt Funding Loan advanced by the Funding Lender under the Funding Loan Agreement corresponding to the Tax-Exempt Project Note, and not otherwise prepaid.

This Governmental Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender (collectively, the “Governmental Notes”). The other Governmental Note is designated the “City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-2 (Taxable),” and is dated and delivered concurrently herewith in the aggregate principal amount of \$[\_\_\_\_\_]. Such other Governmental Note corresponds to and evidences the obligation of the Obligor to repay the remaining balance of the Funding Loan with interest thereon and any premium with respect thereto, and corresponds to the Taxable Project Note in the same principal amount and bearing the same series designation as such other Governmental Note.

1. **Defined Terms.** As used in this Governmental Note, (i) the term “Funding Lender” means the holder of this Governmental Note, and (ii) the term “Indebtedness” means the principal

of, Prepayment Premium, if any, and interest on or any other amounts due at any time under this Governmental Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Governmental Note shall have the meanings given to such terms in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [\_\_\_\_\_] 1, 2025, interest on this Governmental Note at (i) the applicable Construction Phase Interest Rate during the Construction Phase and (ii) the Permanent Phase Interest Rate during the Permanent Phase, and shall also pay interest on this Governmental Note at the foregoing rates on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Governmental Note subject to prepayment. Interest shall accrue on the principal amount of the Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Record of Advances corresponding to this Governmental Note.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [October] 1, 2043 (the “**Maturity Date**”) and in monthly installments on each date set forth on the Funding Loan Amortization Schedule attached as Schedule 1 hereto in an amount equal to the corresponding amounts set forth thereon (as such Schedule 1 may be replaced by a new Funding Loan Amortization Schedule provided by the Seller/Serviceicer on the Conversion Date as provided in Section 2.01(e) of the Funding Loan Agreement) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as

governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, (b) any other Event of Default has occurred and is continuing, or (c) a Determination of Taxability has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, or the occurrence of a Determination of Taxability, as applicable, at a rate (the "**Default Rate**") equal to the lesser of (i) the applicable Construction Phase Interest Rate or the Permanent Phase Interest Rate, as applicable, otherwise in effect notwithstanding the default plus [four percent (4%)] per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the lesser of twelve percent (12%) per annum or the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid

principal balance of this Governmental Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Governmental Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Governmental Note.

12. **Governing Law; Venue.** This Governmental Note shall be governed by the internal law of the Property Jurisdiction, and venue shall be in the County of San Francisco, California, unless the Obligor waives this requirement in writing without regard to conflicts of law principles or unless required by applicable law to enforce rights and remedies hereunder or under the other Financing Documents.

13. **Captions.** The captions of the paragraphs of this Governmental Note are for convenience only and shall be disregarded in construing this Governmental Note.

14. **Address for Payment.** All payments due under this Governmental Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Loan Servicer.

15. **Tax Exempt Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Tax-Exempt Project Note. In the event of any conflict between the payment terms of the Tax-Exempt Project Note and this Governmental Note, the terms of the Tax-Exempt Project Note shall control, provided, however, that the Obligor's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State of California, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, Prepayment Premium (if any) or interest on this Governmental Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Obligor. The Funding Loan, or any interest therein, and this Governmental Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

18. **Recycling Transactions.** Notwithstanding any provision of this Governmental Note or the Funding Loan Agreement to the contrary, the Obligor shall be permitted to direct Project Note prepayments to be transferred to a custodian or trustee selected by the Obligor, in lieu of application to prepay a like portion of this Governmental Note, so long as the Obligor simultaneously causes other funds to be applied to prepay such portion of this Governmental Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

This Governmental Note may not be changed orally.

FOR VALUE RECEIVED, the undersigned, CITY AND COUNTY OF SAN FRANCISCO (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of Bank of America, N.A., a national banking association (the “**Funding Lender**”), and its assigns, the maximum principal sum of [ \_\_\_\_\_ ] Dollars (US \$[ \_\_\_\_\_ ]), plus Prepayment Premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-2 (Taxable) (this “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of [September] 1, 2025 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank Trust Company, National Association (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan (the “**Funding Loan**”), and this Governmental Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to Balboa Lee Avenue, L.P. (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of [September] 1, 2025 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Governmental Note at any time shall be an amount equal to the portion of the proceeds of the Taxable Funding Loan advanced by the Funding Lender under the Funding Loan Agreement corresponding to the Taxable Project Note, and not otherwise prepaid.

This Governmental Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender (collectively, the “Governmental Notes”). The other Governmental Note is designated the “City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-1,” and is dated and delivered concurrently herewith in the aggregate principal amount of \$[74,116,000]. Such other Governmental Note corresponds to and evidences the obligation of the Obligor to repay the remaining balance of the Funding Loan with interest thereon and any premium with respect thereto, and corresponds to the Tax-Exempt Project Note in the same principal amount and bearing the same series designation as such other Governmental Note.

1. **Defined Terms.** As used in this Governmental Note, (i) the term “Funding Lender” means the holder of this Governmental Note, and (ii) the term “Indebtedness” means the principal

of, Prepayment Premium, if any, and interest on or any other amounts due at any time under this Governmental Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Governmental Note shall have the meanings given to such terms in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [\_\_\_\_\_] 1, 2025, interest on this Governmental Note at the applicable Construction Phase Interest Rate, and shall also pay interest on this Governmental Note at the foregoing rates on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Governmental Note subject to prepayment. Interest shall accrue on the principal amount of the Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Record of Advances corresponding to the Taxable Project Note.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [\_\_\_\_\_] (the “**Maturity Date**”) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the "**Default Rate**") equal to the lesser of (i) the applicable Construction Phase Interest Rate otherwise in effect notwithstanding the default plus [four percent (4%)] per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the lesser of twelve percent (12%) per annum or the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid principal balance of this Governmental Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Governmental Note. Unless otherwise required by

applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Governmental Note.

12. **Governing Law; Venue.** This Governmental Note shall be governed by the internal law of the Property Jurisdiction, and venue shall be in the County of San Francisco, California, unless the Obligor waives this requirement in writing without regard to conflicts of laws principles or unless required by applicable law to enforce rights and remedies hereunder or under the other Financing Documents.

13. **Captions.** The captions of the paragraphs of this Governmental Note are for convenience only and shall be disregarded in construing this Governmental Note.

14. **Address for Payment.** All payments due under this Governmental Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Loan Servicer.

15. **Taxable Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Taxable Project Note. In the event of any conflict between the payment terms of the Taxable Project Note and this Governmental Note, the terms of the Taxable Project Note shall control, provided, however, that the Obligor's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State of California, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, Prepayment Premium (if any) or interest on this Governmental Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Obligor. The Funding Loan, or any interest therein, and this Governmental Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

To that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed for the purpose of providing multifamily residential rental property, including certain facilities related thereto, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than thirty (30) days in duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be owned as a condominium or by a cooperative housing corporation, nor shall the Owner take any steps in connection with a

conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Tax Counsel that the Tax-Exempt status of the interest on the Tax-Exempt Note will not be adversely affected thereby.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required by (i) this Regulatory Agreement, (ii) the Gap Loan and the Declaration of Restrictions – Gap Loan, (iii) the Ground Lease, (iv) any regulatory or restrictive use agreement to which the Project is or becomes subject pursuant to Section 42 of the Code, (v) any additional tenant income and rent restrictions imposed by the City, (vi) any other federal, State or local governmental agencies that imposes any additional tenant income and rent restrictions, (vii) any preference the Owner gives to veterans or any other class of persons permitted to be given preference pursuant to the Code, State law, and other applicable federal law and (viii) any other legal or contractual requirement not excepted by clauses (i) through (v) of this subsection, upon receipt by the Owner, the Funding Lender and the City of an opinion of Tax Counsel to the effect that compliance with such other requirement will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property (including the portions of the common areas allocated to the Project), as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if any building in the Project contains five (5) or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units in such building by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the Area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (*e.g.*, TANF or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City

from enforcing the requirements of the Code and the Regulations, condemnation or similar event, or upon the occurrence of foreclosure, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, the Owner covenants that, within a “reasonable period” determined in accordance with the Regulations, it will either prepay the Note or, if permitted under the provisions of the Security Instrument and the Funding Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of completion of the construction of the Project with the proceeds of the Note. Notwithstanding the foregoing, the Owner’s obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Project Loan Agreement and the Security Instrument.

(k) The Project will have and continue to have one hundred twenty-eight (128) residential dwelling units, one (1) of which will be a manager’s unit.

(l) The Owner will not sell dwelling units within the Project.

(i) Low-Income Units. A total of [sixty] ([60]) of the Available Units in the Project shall be rented to and continuously occupied by households who qualify as Low-Income Tenants. The monthly rent charged for all the Low-Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 60% of the Median Income for the Area, less the utility allowance, provided however that the monthly rent charged for the Low-Income Units receiving a rental or operating subsidy shall be as determined in accordance with the Declaration of Restrictions – Gap Loan.

(ii) Very Low-Income Units. A total of [sixty-seven] ([67]) of the Available Units in the Project shall be rented to and continuously occupied by households who qualify as Very Low-Income Tenants. The monthly rent charged for all the Very Low-Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area, less

(iii) Additional MOHCD Restrictions. In addition to the requirements in the above subsections (a)(i) and (a)(ii), all Restricted Units shall at all times be occupied, or held vacant and available for rental, as required by the Declaration of Restrictions – Gap Loan, except where otherwise expressly restricted or prohibited by any CDLAC Requirement. Notwithstanding anything to the contrary contained herein, to the extent that the Declaration of Restrictions – Gap Loan allows for rent and income restrictions to increase in certain circumstances the City shall allow the rent and income restrictions set forth in subsections (a)(i) and (a)(ii) to increase in like manner, except where otherwise expressly restricted or prohibited by any CDLAC Requirement.

(iv) CDLAC Requirements. In addition to the other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Owner hereby agrees: (1) to comply with the CDLAC Resolution; (2) that the acquisition, construction, and operation of the Project, and the financing thereof, is and shall be in compliance with the conditions set forth in Exhibit A (“CDLAC Requirements”) to CDLAC Resolution No. 24-245 adopted on December 11, 2024, as revised on July 23, 2025, and the supplemental CDLAC Resolution No. 25-163 adopted on April 16, 2025, each attached hereto as Exhibit F (collectively, the “CDLAC Resolution”), which CDLAC Requirements are incorporated herein by this reference; and (3) that the Owner will cooperate fully with the City in connection with the City’s monitoring and reporting requirements as provided herein. After the Note is executed and delivered, the terms and conditions set forth in the CDLAC Resolution shall be enforceable by CDLAC (or, in its sole discretion, the City) through an action for specific performance or any other available remedy. In addition, after the Note is issued changes to any of the CDLAC Requirements require CDLAC Committee or Executive Director’s approval.

In addition to its obligations to CDLAC set forth in the CDLAC Requirements, annually, on February 1st, until construction of the Project has been completed and the Owner has submitted to the City the Certificate of Completion, and thereafter on February 1st every three years, the Owner shall prepare and submit to the City a Certificate of Compliance II in the form required by CDLAC and referenced in the CDLAC Resolution, executed by an Authorized Owner Representative.

Any of the foregoing requirements of CDLAC contained in this Section 4(a)(iv) may be expressly waived by CDLAC, in its sole discretion, in

writing, provided however that (y) no waiver of CDLAC of any requirement of this Section 4(a)(iv) shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, except to the extent that the City has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note for federal income tax purposes; and (z) any requirement of this Section 4(a)(iv) shall be void and of no force and effect if the City and the Owner receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Note to cease to be Tax-Exempt or to the effect that any compliance with such requirement would be in conflict with the Act, the Code or any other state or federal law.

To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive than any of the foregoing requirements, the Owner shall comply with the CDLAC Requirements.

(v) Income Restrictions Pursuant to the Code. The Owner shall satisfy the requirements of this Subsection 4(a)(v) by complying with the requirements of Subsections 4(a)(i) and 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 142(d)(1)(B) of the Code.

(vi) Income and Rent Restrictions Pursuant to the Housing Law. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project, or fifty-one (51) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed (a) one-twelfth (1/12<sup>th</sup>) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the Median Income for the Area (excluding any supplemental rental assistance from the State, the federal

government, or any other public agency to those occupants or on behalf of those units), (b) less the utility allowance. The Owner shall satisfy the requirements of this Subsection 4(a)(vi) by complying with the requirements of Subsections 4(a)(i) and 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 52080(a)(1)(B) of the Housing Law.

(vii) Restricted Units. Because all of the units in the Project (excluding the manager's unit) are required to be Restricted Units pursuant to Subsections 4(a)(i) and 4(a)(ii), hereof, any Available Unit must be rented to or held vacant for a Very Low-Income Tenant or Low-Income Tenant.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

(c) Income Certifications. The Owner will obtain, complete and maintain on file Income Certification Forms for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, CDLAC, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, and in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Fiscal Agent) an executed Certificate of Continuing Program Compliance (in the form of that which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Tax-Exempt Note or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours,

including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Fiscal Agent. Failure to comply with the provisions of this Subsection will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (i) certifies the accuracy of the statements made in the Income Certification Form; (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification Form or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (iii) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(c) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the City or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the City or the Fiscal Agent shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) Except for the Permitted Encumbrances or as otherwise previously approved by the City, encumber any portion of the Project or grant commercial leases or subleases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except

(a) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (b) upon receipt by the Owner, the Fiscal Agent and the City of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note, or (c) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply, or cause compliance, with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered by the Owner or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days and, in the opinion of Tax Counsel acceptable to the City, in its sole discretion, such noncompliance would not have an adverse effect on any exclusion of interest on the Tax-Exempt Note from gross income for federal income tax purposes, in which event the Owner shall have such additional time as the City determines to be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery, is diligently prosecuting such correction and is keeping the City updated on the progress.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall not be less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the Median Income for the Area, as applicable. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during

normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than BRIDGE Property Management Corporation without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8 and the Operational Rules referenced in Exhibit I, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to the Gap Loan, Sections 42 and 142(d) of the Code, the Act, the CDLAC Resolution, CTCAC requirements or other applicable federal or State law.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, if applicable, or any successor program or similar federal State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all Tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against Tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI). Further, Owner shall comply with all notice provisions set forth in the Housing Act prior to terminating any lease to which any Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

(g) Income Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Subsection 6(f), the parties agree, from and after the expiration of the Qualified Project Period, that (i) Subsection 6(f)(i) shall no longer apply and (ii) units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration, at the rent determined by Subsection 4(a)(v), and (iii) such expiration shall not be the cause for termination of a Tenant's tenancy in a Restricted Unit except as expressly provided in

Subsection 6(f)(ii), Subsection 6(f)(iii), except that the reference to 30 years shall be seventy-five (75) years, and Subsection 6(f)(iv).

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are voluntarily agreed to by the Owner in consideration of financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Subsections 4(a)(i) and 4(a)(ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Fiscal Agent have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note. Any requirement of Subsections 4(a)(i) or 4(a)(ii) or Section 5 shall be void and of no force and effect if the City, the Fiscal Agent and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until the date that is the later of (i) seventy-five (75) years from the Closing Date or (ii) the end of the Life of the Project, provided, however, that if the Life of the Project is less than 75 years due to casualty, then the term of the Life of the Project controls; provided that certain provisions of this Section 5 shall survive and remain in full force and effect following the end of the Qualified Project Period, as specified in Section 11 hereof.

(k) Marketing and Tenant Selection Plan. Owner will market the Restricted Units in accordance with the Marketing and Tenant Selection Plan approved by the City, which shall be substantially in the form referred to in Exhibit J, as may be updated by the City from time to time.

(l) Annual Reporting. Owner must file with the City annual reports (the "Annual Monitoring Report") no later than one hundred twenty (120) days after the end of Owner's fiscal year. The Annual Monitoring Report must be in substantially the form referenced in Exhibit H, as may be updated by the City from time to time. Thereafter and for the remainder of the Life of the Project, the Owner shall maintain sufficient records of the information generally requested in the Annual Monitoring Report.

(m) Capital Needs Assessment. Owner must file with the City a CNA every five (5) years, with the initial CNA due 5 years from the Completion Date. The CNA must

be in the form referenced in Exhibit H, as may be updated or revised by the City from time to time.

6. Additional Requirements of State Law. In addition to the requirements set forth herein, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the Term of this Regulatory Agreement, including the following:

(a) [Reserved].

(b) Availability on Priority Basis. The Restricted Units shall remain available on a priority basis for occupancy at all times by Qualified Tenants.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this Section 6(e) shall have no practical effect because one hundred percent (100%) of the units in the Project (except the one manager unit) are required to be Restricted Units pursuant to Section 4(a).

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Note, assignment of the leasehold interest in the Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), until the earliest of (i) the household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified therein (except as otherwise specified in Subsection 5(g)), (ii) the household voluntarily moves or is evicted for good cause, as defined in the Housing Law, (iii) thirty (30) years after the date of the commencement of the Qualified Project Period (except as otherwise specified in Subsection 5(g)), and (iv) the Owner pays the relocation assistance and benefits to households if required by, and as provided in, Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the expiration of the Qualified Project Period, the Owner shall continue to make available to Qualified Tenants Restricted Units that have been vacated to the same extent that non-Restricted Units, if any, are made available to non-eligible

households. Nothing in this Subsection 6(g) or in Subsection 6(f) shall be interpreted to require the City to monitor Owner's compliance herewith or with Subsection 6(f).

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Partnership Agreement. Any subsequent syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests and other non-material corrections or adjustments; provided, however, that the Owner shall provide to the City, at least five (5) business days prior to the effective date of any such syndication, written notice of such subsequent syndication certifying that no other amendment, modification or supplement to the Partnership Agreement will be effected in connection with such syndication except to the limited extent necessary to reflect such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of MOHCD, which approval shall be granted only after the City determines that the terms and conditions of such syndication (i) will not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (ii) will not cause any of the requirements of the City set forth in this Section 6 to be subordinated to the syndication agreement, and (iii) will not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

7. Indemnification. The Owner hereby releases the City (which includes MOHCD), the Fiscal Agent and the Funding Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees, to the fullest extent permitted by law, to indemnify, hold harmless and defend the City, the Fiscal Agent, the Funding Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees and expenses, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Project Loan or the Note, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Project Loan, the Funding Loan or otherwise, including without limitation, any advances of the Project Loan or Funding Loan or any failure of

the Funding Lender to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Project Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any note or bond, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Project Loan Agreement, the Funding Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation and management of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the City, the Funding Lender or the Fiscal Agent of their powers or duties under the Project Loan Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party or assignee; provided, however, that this provision shall not require the Owner to indemnify (i) the Funding Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Funding Lender or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party (which may include the City Attorney of the City); and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of the counsel rests in the sole discretion of the City Attorney and the Owner shall assume the payment of all attorneys' fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Funding Loan or Project Loan, which is not otherwise set forth in the Funding Loan Agreement, the Project Loan Agreement, the Note or any other agreement relating to the Note.

Additionally, the Owner also shall, to the fullest extent permitted by law, pay and discharge and shall indemnify and hold harmless the City, the Funding Lender, and the Fiscal Agent from (i) any lien or charge upon payments by the Owner to the City, the Funding Lender, and the Fiscal Agent hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City, the Funding Lender, or the Fiscal Agent shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the engagement of counsel approved by the Indemnified Party and the payments of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel (which may be or include the City Attorney of the City) rests in the sole discretion of the City Attorney) and the Owner shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such

Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses (and in the case of the City, all such fees and expenses) of such separate counsel.

Notwithstanding any transfer of the Project to another owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 7 if such subsequent owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 7 shall survive the term of the Note and this Regulatory Agreement, including the termination of this Regulatory Agreement pursuant to the second paragraph of Section 11 hereof and the earlier removal or resignation of the Fiscal Agent.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

8. Consideration. The City has issued the Note and made the Project Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Project Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

9. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Note, and in the Tax-Exempt status of the interest on the Tax-Exempt Note. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion.

10. Sale or Transfer of the Project. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project [(except in accordance with the Purchase Option and the Right of First Refusal Agreement as each are described in the Partnership Agreement)], and, except as otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder and/or pursuant to the aforementioned [Purchase Option and Right of First Refusal Agreement]) or interest therein,

including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Project Loan Agreement or any document related to the Project Loan, and payment of all fees and expenses of the City and the Fiscal Agent due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in and of itself, cause interest on the Tax-Exempt Note to become includable in the gross income of the recipients thereof for federal income tax purposes except to the extent held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 10 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer and providing relevant information regarding the proposed transfer.

Notwithstanding the foregoing, the provisions of this Section 10 shall not apply to the granting of the Security Instrument (or the exercise of remedies thereunder following an uncured event of default) or transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6), (b) the General Partner interest to an affiliate of the General Partner or an affiliate of Bank of America, N.A. if Investor Limited Partner has removed and replaced the General Partner for cause pursuant to the Partnership Agreement, or (c) the transfer of any non-managing member or limited partner interest in the Investor Limited Partner; provided however that such grant, exercise or transfer will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Tax-Exempt Note. Notwithstanding the foregoing sentence, promptly upon the occurrence of any of such transfer, grant, or exercise of remedies under the Security Interest (including, but not limited to a foreclosure), the transferee or subsequent owner shall provide to the City evidence satisfactory to the City that such transferee or new owner has acknowledged in writing, and in full, that the duties and obligations of the "Owner" under Sections 3, 4 and 5 of this Regulatory Agreement and any provisions thereof relating to the enforcement of such provisions or remedies resulting from any breach thereof shall survive and continue to constitute an encumbrance on the Project.

11. Term. Subject to the following paragraph of this Section 11, Section 7 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect until the later of (a) the end of the Qualified Project Period or (b) seventy-five (75) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by events such as fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions or (ii) foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above, within a reasonable period determined in accordance with the Regulations, either the Note is paid in full or cancelled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of an assignment of the leasehold interest in the Project in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above. Notwithstanding the preceding provisions of this Section, Owner, including without limitation, any successor to any Owner pursuant to an event set forth in clause (ii), above, of this paragraph, agrees that Sections 3, 4 and 5 of this Regulatory Agreement (and any provisions relating to the enforcement of such provisions or remedies resulting from any breach thereof) shall survive the termination of this Regulatory Agreement pursuant to the preceding provisions of this paragraph and remain in full force and effect until the end of the Qualified Project Period.

Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received by the City an opinion of Tax Counsel that such termination will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Note. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above.

Upon the expiration or termination of this Regulatory Agreement or certain terms hereof, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of said expired or terminated terms; provided, however, that the execution and delivery

of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

12. Covenants to Run with the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the expiration or termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire except those terms which are expressly intended to survive expiration or termination. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

13. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low-Income Tenants and Very Low-Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued.

14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

15. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "Cure Period") after written notice thereof shall have been given by the City to the Owner and the Investor Limited Partner (and a copy of such notice shall also be given to the Funding Lender and the Fiscal Agent, provided however that the failure of the City to provide such copy to the Funding Lender and the Fiscal Agent shall have no effect on the sufficiency of the notice to the Owner), the City may, as its sole option, extend the Cure Period (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note). Upon the expiration of the Cure Period, as the same may be extended, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Project Loan Agreement, may take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder, subject, however, to those limits on exercising remedies set forth in Section 7.02 of the Project Loan Agreement.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Security Instrument except as may be otherwise specified in the Security Instrument.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

16. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

17. Payment of Fees. The Owner shall pay to the City, or to the Fiscal Agent at the direction of the City on each anniversary date of the Closing Date that occurs during the term of this Regulatory Agreement, (i) an annual fee equal to (a) one-eighth of one percent (0.125%) of the average outstanding aggregate principal amount of the Note in the previous twelve (12) months (the "Maximum Annual Fee"), but no less than \$2,500 (the "Minimum Annual Fee"); provided, however, that (b) the Annual Fee, as collected under clause (a) above, shall be lowered, from time to time, by a sum equal to (i) the amount, if any, by which the previous Annual Fee, prior to any adjustment under this clause (b), exceed the Maximum Annual Fee allowable for such period, plus (ii) any amounts by which any other previous Annual Fees exceeded the respective Maximum Annual Fees, for which no subsequent Annual Fee had been lowered pursuant to this Section 17, all as calculated by the City's financial advisor and confirmed prior to maturity of the Note by a Rebate Analyst approved by the City. For the purposes of the preceding sentence, the "average outstanding aggregate principal amount of the Note in the previous twelve (12) months" shall be calculated by summing the actual outstanding aggregate principal amounts of the Note as of the fourteenth (14th) day of each of the twelve (12) calendar months preceding the due date of the subject Annual Fee and dividing such sum by twelve (12). The Maximum Annual Fee shall be calculated at the time of Conversion (as defined in the Funding Loan Agreement) and may be calculated at other times as directed by the City.

Notwithstanding any prepayment of the Project Loan and notwithstanding a discharge of the Funding Loan Agreement and/or the Project Loan Agreement, the Owner shall continue to pay the City's Annual Fee as calculated and described above. Upon the occurrence of an event of

default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by it hereunder and reimbursement for all expenses incurred by it in connection therewith.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Funding Lender, the Fiscal Agent, CDLAC and/or the Program Administrator in connection with such action.

18. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

19. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Tax-Exempt Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 thereof shall require an opinion of Tax Counsel filed with the City, the Fiscal Agent, the Funding Lender and the Owner, to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

20. City Contracting Provisions. The Owner covenants and agrees to comply with the City Contracting Provisions set forth in Exhibit G to this Regulatory Agreement, which are incorporated in and made a part of this Regulatory Agreement by this reference.

21. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given (i) on the date personally delivered, (ii) on the second business day following the date on which the same have been mailed by first class mail, postage prepaid, (iii) by facsimile or other electronic means (including email), and deemed given one business day after such facsimile or electronic transmission but only upon prompt receipt of such notice by first class or overnight mail, or (iv) the business day following delivery by a recognized overnight delivery service, addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent.

22. Interpretation. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.

23. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

24. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, and the parties hereto acknowledge that the Funding Lender, the Fiscal Agent and CDLAC are third party beneficiaries of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 15 hereof, the terms hereof and the terms of the CDLAC Resolution. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Funding Lender or the Fiscal Agent, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement pursuant to

Section 52080(k) of the Housing Law, the provisions of Subsection 4(a)(v) and Section 6 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

**[\$74,116,000]**

**CITY AND COUNTY OF SAN FRANCISCO  
MULTIFAMILY HOUSING REVENUE NOTE  
(BALBOA RESERVOIR – BUILDING E)  
SERIES 2025F-1**

US \$ [74,116,000]

[\_\_\_\_\_], 2025

FOR VALUE RECEIVED, the undersigned, CITY AND COUNTY OF SAN FRANCISCO (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of Bank of America, N.A., a national banking association (the “**Funding Lender**”), and its assigns, the maximum principal sum of [SEVENTY-FOUR MILLION ONE HUNDRED SIXTEEN THOUSAND] Dollars (US \$[74,116,000]), plus Prepayment Premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-1 (this “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of [September] 1, 2025 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank Trust Company, National Association (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan (the “**Funding Loan**”), and this Governmental Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to Balboa Lee Avenue, L.P. (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of [September] 1, 2025 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Governmental Note at any time shall be an amount equal to the proceeds of the Tax-Exempt Funding Loan advanced by the Funding Lender under the Funding Loan Agreement corresponding to the Tax-Exempt Project Note, and not otherwise prepaid.

This Governmental Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender (collectively, the “Governmental Notes”). The other Governmental Note is designated the “City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-2 (Taxable),” and is dated and delivered concurrently herewith in the aggregate principal amount of \$[\_\_\_\_\_]. Such other Governmental Note corresponds to and evidences the obligation of the Obligor to repay the remaining balance of the Funding Loan with interest thereon and any premium with respect thereto, and corresponds to the Taxable Project Note in the same principal amount and bearing the same series designation as such other Governmental Note.

1. **Defined Terms.** As used in this Governmental Note, (i) the term “Funding Lender” means the holder of this Governmental Note, and (ii) the term “Indebtedness” means the principal

of, Prepayment Premium, if any, and interest on or any other amounts due at any time under this Governmental Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Governmental Note shall have the meanings given to such terms in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [\_\_\_\_\_] 1, 2025, interest on this Governmental Note at (i) the applicable Construction Phase Interest Rate during the Construction Phase and (ii) the Permanent Phase Interest Rate during the Permanent Phase, and shall also pay interest on this Governmental Note at the foregoing rates on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Governmental Note subject to prepayment. Interest shall accrue on the principal amount of the Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Record of Advances corresponding to this Governmental Note.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [October] 1, 2043 (the “**Maturity Date**”) and in monthly installments on each date set forth on the Funding Loan Amortization Schedule attached as Schedule 1 hereto in an amount equal to the corresponding amounts set forth thereon (as such Schedule 1 may be replaced by a new Funding Loan Amortization Schedule provided by the Seller/Serviceicer on the Conversion Date as provided in Section 2.01(e) of the Funding Loan Agreement) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as

governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, (b) any other Event of Default has occurred and is continuing, or (c) a Determination of Taxability has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, or the occurrence of a Determination of Taxability, as applicable, at a rate (the "**Default Rate**") equal to the lesser of (i) the applicable Construction Phase Interest Rate or the Permanent Phase Interest Rate, as applicable, otherwise in effect notwithstanding the default plus [four percent (4%)] per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the lesser of twelve percent (12%) Per annum or the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid

principal balance of this Governmental Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Governmental Note. Unless otherwise required by applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Governmental Note.

12. **Governing Law; Venue.** This Governmental Note shall be governed by the internal law of the Property Jurisdiction, and venue shall be in the County of San Francisco, California, unless the Obligor waives this requirement in writing without regard to conflicts of law principles or unless required by applicable law to enforce rights and remedies hereunder or under the other Financing Documents.

13. **Captions.** The captions of the paragraphs of this Governmental Note are for convenience only and shall be disregarded in construing this Governmental Note.

14. **Address for Payment.** All payments due under this Governmental Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Loan Servicer.

15. **Tax Exempt Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Tax-Exempt Project Note. In the event of any conflict between the payment terms of the Tax-Exempt Project Note and this Governmental Note, the terms of the Tax-Exempt Project Note shall control, provided, however, that the Obligor's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State of California, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, Prepayment Premium (if any) or interest on this Governmental Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Obligor. The Funding Loan, or any interest therein, and this Governmental Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

18. **Recycling Transactions.** Notwithstanding any provision of this Governmental Note or the Funding Loan Agreement to the contrary, the Obligor shall be permitted to direct Project Note prepayments to be transferred to a custodian or trustee selected by the Obligor, in lieu of application to prepay a like portion of this Governmental Note, so long as the Obligor simultaneously causes other funds to be applied to prepay such portion of this Governmental Note. The preceding provisions shall apply only for purposes of preserving or “recycling” private activity bond volume cap in accordance with Section 146(i)(6) of the Code.

This Governmental Note may not be changed orally.

FORM OF TAXABLE GOVERNMENTAL NOTE

\$ \_\_\_\_\_  
CITY AND COUNTY OF SAN FRANCISCO  
MULTIFAMILY HOUSING REVENUE NOTE  
(BALBOA RESERVOIR – BUILDING E)  
SERIES 2025F-2 (TAXABLE)

US \$ [ \_\_\_\_\_ ] [ \_\_\_\_\_ ], 2025

FOR VALUE RECEIVED, the undersigned, CITY AND COUNTY OF SAN FRANCISCO (the “**Obligor**”), promises to pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement referenced below) to the order of Bank of America, N.A., a national banking association (the “**Funding Lender**”), and its assigns, the maximum principal sum of [ \_\_\_\_\_ ] Dollars (US \$[ \_\_\_\_\_ ]), plus Prepayment Premium, if any, and interest thereon and to pay the other amounts owing from time to time hereunder, all as set forth below.

This City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-2 (Taxable) (this “**Governmental Note**”) is being delivered pursuant to that certain Funding Loan Agreement dated as of [September] 1, 2025 (together with any and all amendments, modifications, supplements and restatements, the “**Funding Loan Agreement**”), among the Funding Lender, the Obligor and U.S. Bank Trust Company, National Association (the “**Fiscal Agent**”), pursuant to which the Obligor has incurred a loan (the “**Funding Loan**”), and this Governmental Note is entitled to the benefits of the Funding Loan Agreement and is subject to the terms, conditions and provisions thereof. The Obligor is using the proceeds of the Funding Loan to make a loan to Balboa Lee Avenue, L.P. (the “**Borrower**”) pursuant to the Project Loan Agreement dated as of [September] 1, 2025 (the “**Project Loan Agreement**”), among the Obligor, the Borrower and the Fiscal Agent. The outstanding principal balance of this Governmental Note at any time shall be an amount equal to the portion of the proceeds of the Taxable Funding Loan advanced by the Funding Lender under the Funding Loan Agreement corresponding to the Taxable Project Note, and not otherwise prepaid.

This Governmental Note is one of two Governmental Notes evidencing the obligation of the Obligor to repay the Funding Loan to the Funding Lender (collectively, the “Governmental Notes”). The other Governmental Note is designated the “City and County of San Francisco Multifamily Housing Revenue Note (Balboa Reservoir – Building E) Series 2025F-1,” and is dated and delivered concurrently herewith in the aggregate principal amount of \$[74,116,000]. Such other Governmental Note corresponds to and evidences the obligation of the Obligor to repay the remaining balance of the Funding Loan with interest thereon and any premium with respect thereto, and corresponds to the Tax-Exempt Project Note in the same principal amount and bearing the same series designation as such other Governmental Note.

1. **Defined Terms.** As used in this Governmental Note, (i) the term “Funding Lender” means the holder of this Governmental Note, and (ii) the term “Indebtedness” means the principal

of, Prepayment Premium, if any, and interest on or any other amounts due at any time under this Governmental Note or the Funding Loan Agreement. “Event of Default” and other capitalized terms used but not defined in this Governmental Note shall have the meanings given to such terms in the Funding Loan Agreement.

2. **Payments of Principal and Interest.** The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) on the first calendar day of each month commencing [\_\_\_\_\_] 1, 2025, interest on this Governmental Note at the applicable Construction Phase Interest Rate, and shall also pay interest on this Governmental Note at the foregoing rates on the date of any optional or mandatory prepayment or acceleration of all or part of the Funding Loan pursuant to the Funding Loan Agreement, in an amount equal to the accrued and unpaid interest to the date of prepayment on the portion of this Governmental Note subject to prepayment. Interest shall accrue on the principal amount of the Funding Loan which has been advanced under the Funding Loan Agreement and is outstanding as reflected on the Record of Advances corresponding to the Taxable Project Note.

The Obligor shall pay (but solely from the sources and in the manner provided for in the Funding Loan Agreement) the outstanding principal of this Governmental Note in full on [\_\_\_\_\_] (the “**Maturity Date**”) or at such earlier times and in such amounts as may be required, in the event of an optional or mandatory prepayment or acceleration of the Funding Loan pursuant to the Funding Loan Agreement. The outstanding principal hereof is subject to acceleration at the time or times and under the terms and conditions, and with notice, if any, as provided under the Funding Loan Agreement.

3. **Manner of Payment.** All payments under this Governmental Note shall be made in lawful currency of the United States and in immediately available funds as provided for herein and in the Funding Loan Agreement.

4. **Application of Payments.** If at any time the Funding Lender receives any amount applicable to the Indebtedness which is less than all amounts due and payable at such time, the Funding Lender may apply that payment to amounts then due and payable in any manner and in any order determined by the Funding Lender, in the Funding Lender’s discretion. Neither the Funding Lender’s acceptance of a payment in an amount that is less than all amounts then due and payable nor the Funding Lender’s application of such payment shall constitute or be deemed to constitute either a waiver of the unpaid amounts or an accord and satisfaction.

5. **Security.** The Indebtedness is secured by, among other things, the Pledged Security pledged pursuant to the Funding Loan Agreement.

6. **Acceleration.** If an Event of Default has occurred and is continuing, the entire unpaid principal balance, any accrued interest, and all other amounts payable under this Governmental Note shall at once become due and payable, at the option of the Funding Lender, as governed by the Funding Loan Agreement, without any prior notice to the Obligor (unless required by applicable law). The Funding Lender may exercise this option to accelerate regardless of any prior forbearance.

7. **Prepayment; Prepayment Premium.** This Governmental Note is subject to prepayment as specified in the Funding Loan Agreement. Prepayment Premium shall be payable as specified in the Funding Loan Agreement.

8. **Forbearance.** Any forbearance by the Funding Lender in exercising any right or remedy under this Governmental Note or any other document evidencing or securing the Funding Loan or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of that or any other right or remedy. The acceptance by the Funding Lender of any payment after the due date of such payment, or in an amount which is less than the required payment, shall not be a waiver of the Funding Lender's right to require prompt payment when due of all other payments or to exercise any right or remedy with respect to any failure to make prompt payment. Enforcement by the Funding Lender of any security for the obligations under this Governmental Note shall not constitute an election by the Funding Lender of remedies so as to preclude the exercise of any other right or remedy available to the Funding Lender.

9. **Waivers.** Presentment, demand, notice of dishonor, protest, notice of acceleration, notice of intent to demand or accelerate payment or maturity, presentment for payment, notice of nonpayment, grace and diligence in collecting the Indebtedness are waived by the Obligor and all endorsers and guarantors of this Governmental Note and all other third-party obligors.

10. **Default Rate.** So long as (a) any monthly installment under this Governmental Note remains past due, or (b) any other Event of Default has occurred and is continuing, interest under this Governmental Note shall accrue on the unpaid principal balance from the earlier of the due date of the first unpaid monthly installment or the occurrence of such other Event of Default, as applicable, at a rate (the "**Default Rate**") equal to the lesser of (i) the applicable Construction Phase Interest Rate otherwise in effect notwithstanding the default plus [four percent (4%)] per annum or (ii) the Maximum Interest Rate. If the unpaid principal balance and all accrued interest are not paid in full on the Maturity Date, the unpaid principal balance and all accrued interest shall bear interest from the Maturity Date at the Default Rate.

11. **Loan Charges.** Neither this Governmental Note nor any of the other Financing Documents will be construed to create a contract for the use, forbearance, or detention of money requiring payment of interest at a rate greater than the lesser of twelve percent (12%) per annum or the rate of interest which results in the maximum amount of interest allowed by applicable law (the "**Maximum Interest Rate**"). If any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor in connection with the Funding Loan is interpreted so that any interest or other charge provided for in any Financing Document, whether considered separately or together with other charges provided for in any other Financing Document, violates that law, and Obligor is entitled to the benefit of that law, that interest or charge is hereby reduced to the extent necessary to eliminate that violation. The amounts, if any, previously paid to Funding Lender in excess of the permitted amounts will be applied by Funding Lender to reduce the unpaid principal balance of this Governmental Note. For the purpose of determining whether any applicable law limiting the amount of interest or other charges permitted to be collected from Obligor has been violated, all indebtedness that constitutes interest, as well as all other charges made in connection with the indebtedness that constitute interest, will be deemed to be allocated and spread ratably over the stated term of this Governmental Note. Unless otherwise required by

applicable law, such allocation and spreading will be effected in such a manner that the rate of interest so computed is uniform throughout the stated term of this Governmental Note.

12. **Governing Law; Venue.** This Governmental Note shall be governed by the internal law of the Property Jurisdiction, and venue shall be in the County of San Francisco, California, unless the Obligor waives this requirement in writing without regard to conflicts of laws principles or unless required by applicable law to enforce rights and remedies hereunder or under the other Financing Documents.

13. **Captions.** The captions of the paragraphs of this Governmental Note are for convenience only and shall be disregarded in construing this Governmental Note.

14. **Address for Payment.** All payments due under this Governmental Note shall be payable at the principal office of the Funding Lender as designated by the Funding Lender in writing to the Fiscal Agent and the Loan Servicer.

15. **Taxable Project Note.** Anything herein or in the Funding Loan Agreement to the contrary notwithstanding, amounts shall not be due and payable hereunder except at the rates, in the amounts, and at the times due and payable under the Taxable Project Note. In the event of any conflict between the payment terms of the Taxable Project Note and this Governmental Note, the terms of the Taxable Project Note shall control, provided, however, that the Obligor's obligation hereunder shall be limited as set forth herein and payable solely from the Pledged Security.

16. **Limited Obligation.** This Governmental Note is a limited obligation of the Obligor, payable solely from the Pledged Security pledged and assigned under the Funding Loan Agreement. None of the Obligor, the State of California, or any political subdivision thereof (except the Obligor, to the limited extent set forth herein) nor any public agency shall in any event be liable for the payment of the principal of, Prepayment Premium (if any) or interest on this Governmental Note or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and neither this Governmental Note or any of the Obligor's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit of or a loan of the credit of or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

17. **Registration and Transfer.** The Funding Loan, or any interest therein, and this Governmental Note, shall be in fully-registered form transferable to subsequent holders only on the registration books which shall be maintained by the Fiscal Agent for such purpose and which shall be open to inspection by the Obligor. The Funding Loan, or any interest therein, and this Governmental Note, is only transferable subject to and in accordance with the limitations set forth in the Funding Loan Agreement.

### **RE: RESOLUTION ATTESTING TO THE TRANSFER OF PRIVATE ACTIVITY BOND ALLOCATION**

Dear Eric D. Shaw:

Enclosed is a copy of Resolution No. 24-245, adopted by the California Debt Limit Allocation Committee (the "Committee") on December 11, 2024, transferring \$73,004,348.00 of the 2024 State Ceiling on Qualified Private Activity Bonds to the City and County of San Francisco (the "Applicant") for the Balboa Reservoir - Building E (the "Project"). The Resolution No. 24-245 establishes the terms and conditions under which the allocation has been granted. Please read it carefully and keep a copy in your permanent files.

The following is additional information pertaining to the use of the allocation for this Project:

1. Performance Deposit: Pursuant to Section 5050 of the Committee's Regulations, a performance deposit to one-half of one percent (0.5%) of the Allocation requested, not to exceed \$100,000, made payable to the Applicant, shall be evidenced within 20 calendar days following an award of an Allocation.

The performance deposit certified in support of this project (\$100,000) is to remain on deposit until you receive authorization from the Committee that it may be released. This written release will be provided once the Committee receives: the "Report of Action Taken" template indicating that the allocation transferred was used for the Project's issuance of bonds, a copy of the conformed regulatory agreement, and the payment of the second installment of the CDLAC filing fee. A copy of the conformed regulatory agreement should be sent electronically to CDLAC@treasurer.ca.gov. The full amount of the deposit will be released upon the Executive Director's approval if at least 80% of the allocation to this project is used for the issuance of bonds. If an amount less than 80% of the allocation is used to issue bonds, a proportionate amount of the deposit will be subject to forfeiture.

2. IRS Certification: The IRS-required certification (Certificate pursuant to Section 149(e)(2)(F) Internal Revenue Code of 1986, As Amended) will be prepared by CDLAC staff and sent to the Applicant's bond counsel once the Committee receives the Report of Action Taken template from the Applicant.

3. Second Installment of Filing Fee: **Enclosed is an invoice for this Project.** The invoice attached herein should be considered final, due and payable upon the issuance of bonds.

4. Compliance: The Certification of Compliance II or equivalent form is to be submitted by the Project Sponsor to the Applicant by the Applicant's specified deadline, but no later than March 1st annually until the project's Certificate of Completion has been submitted to the Applicant. Following the submission of the Certificate of Completion or equivalent form to the Applicant, the Certification of Compliance II is to be submitted March 1st every three (3) years thereafter. In addition, an Annual Applicant Public Benefits and On-going Compliance Self-Certification (Self Certification) form must be submitted by the Applicant online every year until the Certificate of Completion has been submitted to the Applicant. After the completion of the project has been reported, the Self Certification will be required to be submitted March 1st every three years thereafter pursuant to Section 5144 of the CDLAC Regulations. Verification to CDLAC of income and rental information is not required in advance of the submission of the Certificate of Completion. A copy of the Certification of Compliance II and the Certificate of Completion forms may be found at this website location: <https://www.treasurer.ca.gov/cdlac/compliance.asp>. **THE CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE**

**RESOLUTION NO. 24-245**

**A RESOLUTION TRANSFERRING A PORTION OF THE 2024 STATE CEILING  
ON QUALIFIED PRIVATE ACTIVITY BONDS FOR A  
QUALIFIED RESIDENTIAL RENTAL PROJECT**

**WHEREAS**, the California Debt Limit Allocation Committee ("CDLAC") is authorized to implement the volume limit for the state on private activity bonds established pursuant to federal law, annually determine a state ceiling on the aggregate amount of private activity bonds that may be issued, and allocate that aggregate amount among state and local agencies (Gov. Code, § 8869.81 et seq.); and

**WHEREAS**, CDLAC has received an application ("Application") from the City and County of San Francisco ("Applicant") for the transfer to the Applicant of a portion of the 2024 state ceiling for use by the Applicant to issue bonds or other obligations ("Bonds") for Balboa Reservoir - Building E ("Project") as described in Exhibit A; and

**WHEREAS**, Balboa Lee Avenue, L.P. ("Project Sponsor") has represented and the Applicant has confirmed in the Application certain facts and information concerning the Project; and

**WHEREAS**, in evaluating the Project and allocating a portion of the state ceiling to the Applicant for the benefit of the Project, CDLAC staff has relied upon the written facts and information represented in the Application by the Project Sponsor and the Applicant; and

**WHEREAS**, it is consistent with CDLAC's statutes and regulations for CDLAC to transfer a portion of the 2024 state ceiling ("Allocation") to benefit the Project;

**NOW, THEREFORE, BE IT RESOLVED** by the California Debt Limit Allocation Committee the following:

**Section 1.** An amount of the 2024 state ceiling on the aggregate amount of private activity bonds equal to \$73,004,348.00 shall be transferred to the Applicant. This Allocation shall be used only by the Applicant and only for the issuance of the Bonds for the Project, as described in Exhibit A. The terms and conditions of Exhibit A are incorporated herein as though set forth in full (this resolution, together with Exhibit A are hereafter referred to collectively as this "Resolution").

**Section 2.** The terms and conditions of this Resolution shall be incorporated in appropriate documents relating to the Bonds. The Project Sponsor and the Applicant, and all of their respective successors and assignees, shall be bound by those terms and conditions. The Applicant shall monitor the Project for compliance with the terms and conditions of this Resolution. The Project shall be subject to the monitoring provisions of California Code of Regulations, title 4, sections 10337(c) and 5220.

**Section 3.** A modification to the Project made prior to the issuance of the Bonds that impacts the Resolution shall be reported to the Executive Director and, if the Executive Director determines that modification to be material pursuant to CDLAC's statutes and regulations, the material modification shall be brought back to CDLAC for consideration before the Allocation may be used for the Project. ### **RE: RESOLUTION ATTESTING TO THE TRANSFER OF PRIVATE ACTIVITY BOND ALLOCATION**

Dear Eric D. Shaw:

Enclosed is a copy of Resolution No. 25-163, approved by the Interim Executive Director within the parameters in the California Debt Limit Allocation Committee (the "Committee") Regulations, transferring \$1,111,652.00 of the 2025 State Ceiling on Qualified Private Activity Bonds to Balboa Reservoir - Building E (the "Project").

This allocation is supplemental to the allocation awarded to the Project in Resolution No. 24-245, adopted on December 11, 2024. The issuance deadline in Resolution No. 24-245 shall be extended to align with the issuance deadline assigned in Resolution No. 25-163. The Resolutions established the terms and conditions under which the allocation has been granted. Please read it carefully and keep a copy in your permanent files.

The following is additional information pertaining to the use of the allocation for this Project:

1. Performance Deposit: Pursuant to Section 5050 of the Committee's Regulations, a performance deposit to one-half of one percent (0.5%) of the Allocation requested, not to exceed \$100,000, made payable to the Applicant, shall be evidenced within 20 calendar days following an award of an Allocation.

The performance deposit certified in support of this project (\$5,558) is to remain on deposit until you receive authorization from the Committee that it may be released. This written release will be provided once the Committee receives: the "Report of Action Taken" template indicating that the allocation transferred was used for the Project's issuance of bonds, a copy of the conformed regulatory agreement, and the payment of the second installment of the CDLAC filing fee. A copy of the conformed regulatory agreement should be sent electronically to CDLAC@treasurer.ca.gov. The full amount of the deposit will be released upon the Executive Director's approval if at least 80% of the allocation to this project is used for the issuance of bonds. If an amount less than 80% of the allocation is used to issue bonds, a proportionate amount of the deposit will be subject to forfeiture.

2. IRS Certification: The IRS-required certification (Certificate pursuant to Section 149(e)(2)(F) Internal Revenue Code of 1986, As Amended) will be prepared by CDLAC staff and sent to the Applicant's bond counsel once the Committee receives the Report of Action Taken template from the Applicant.

**A RESOLUTION TRANSFERRING A PORTION OF THE STATE CEILING  
ON QUALIFIED PRIVATE ACTIVITY BONDS FOR A  
QUALIFIED RESIDENTIAL RENTAL PROJECT**

**WHEREAS**, the California Debt Limit Allocation Committee ("CDLAC") is authorized to implement the volume limit for the state on private activity bonds established pursuant to federal law, annually determine a state ceiling on the aggregate amount of private activity bonds that may be issued, and allocate that aggregate amount among state and local agencies (Gov. Code, § 8869.81 et seq.); and

**WHEREAS**, CDLAC has received an application ("Application") from the City and County of San Francisco ("Applicant") for the transfer to the Applicant of a portion of the 2025 state ceiling for use by the Applicant to issue bonds or other obligations ("Bonds") for Balboa Reservoir - Building E ("Project") as described in Exhibit A; and

**WHEREAS**, Balboa Lee Avenue, L.P. ("Project Sponsor") has represented and the Applicant has confirmed in the Application certain facts and information concerning the Project; and

**WHEREAS**, in evaluating the Project and allocating a portion of the state ceiling to the Applicant for the benefit of the Project, CDLAC staff has relied upon the facts and information represented in the Application by the Project Sponsor and the Applicant; and
