1 Be it ordained by the People of the City and County of San Francisco:

2 Section 1. Findings. The Board of Supervisors of the City and County of San  
3 Francisco (the "Board") hereby finds and declares as follows:

4 A. On November 6, 2007, the voters of the City and County of San Francisco (the  
5 "City") approved Proposition D, which extended the Library Preservation Fund (the "Fund"), as  
6 codified in Section 16.109 of the City Charter, and authorized the Board to issue revenue  
7 bonds or other evidences of indebtedness, or to incur lease financing or other obligations,  
8 payable from any available funds pledged or appropriated by the Board for such purpose, the  
9 proceeds of which are to be used for the purposes set forth in Section 16.109(d) of the City  
10 Charter; and,

11 B. By resolution adopted on October 2, 2008, the San Francisco Public Library  
12 Commission (the "Library Commission") has determined to utilize lease revenue bonds to  
13 finance a portion of certain projects under the Branch Library Improvement Program (the  
14 "Project") and, pursuant to said Section 16.109(d), has formally requested the Mayor of the  
15 City to recommend and this Board to authorize, the issuance and sale of lease revenue bonds  
16 for such purposes; and,

17 C. In order to finance the costs of the Project, the Board now desires to authorize  
18 the issuance and sale of lease revenue bonds (the "Bonds") by the City and County of San  
19 Francisco Finance Corporation (the "Corporation") pursuant to Section 16.109 of the Charter  
20 of the City; and,

21 D. The Corporation, a California nonprofit public benefit corporation, has been  
22 formed for the purpose, among others, of facilitating lease financings for the City; and,

23 E. Pursuant to a Facilities Lease between the City and the Corporation (the  
24 "Facilities Lease"), the City shall lease certain City-owned property (as further described in  
25

1 Section 3 below, the "Facilities") to the Corporation, and the Corporation shall make an  
2 advance rental payment to the City from the proceeds of the Bonds; and,

3 F. Pursuant to a Master Trust Agreement between the Corporation and the Trustee  
4 (the "Trust Agreement"), the Corporation shall issue the Bonds and use a portion of the  
5 proceeds thereof to make the advance rental payment to the City under the Facilities Lease,  
6 which the City will in turn use to finance the Project; and,

7 G. Pursuant to a Master Lease between the Corporation and the City (the "Lease"),  
8 Corporation shall lease back the Facilities to the City, and the City shall make certain periodic  
9 rental payments to the Corporation; and,

10 H. Pursuant to an Assignment Agreement (the "Assignment Agreement"), between  
11 the Corporation and a trustee to be selected (the "Trustee"), the Corporation shall assign to  
12 the Trustee its right to receive such periodic rental payments in order to provide funds to  
13 repay the Bonds; and,

14 I. In connection with the sale of the Bonds and the financing of the Project, the  
15 City will enter into a Continuing Disclosure Certificate (the "Continuing Disclosure Certificate")  
16 and certain other related agreements; and,

17 J. Depending on market conditions and other circumstances then existing, the sale  
18 of the Bonds will be conducted either by negotiated sale pursuant to a Purchase Contract by  
19 and among the Corporation, the City and one or more underwriters (the "Purchase Contract"),  
20 or by competitive sale in accordance with the terms of an Official Notice of Sale (the "Official  
21 Notice of Sale"), in which case the competitive sale will be publicized by means of a Notice of  
22 Intention to Sell Bonds (the "Notice of Intention"); and,

23 K. The City reasonably expects to reimburse certain expenditures incurred prior to  
24 the issuance and sale of the Bonds with proceeds of such Bonds; and,  
25

1 L. The specific projects that are expected to be financed with the proceeds of the  
2 Bonds are as follows:
