1 [Appointments, Pedestrian Safety Advisory Committee]

2
3 **Motion appointing Catherine Liddell, Pi Ra, Richard Rothman, Mari Hunter, Howard**
4 **Strassner, Dahianna Lopez and Paul Supawanich, terms ending March 28, 2011, and**
5 **March 28, 2012, to the Pedestrian Safety Advisory Committee, residency requirement**
6 **waived.**

7 MOVED, That the Board of Supervisors of the City and County of San Francisco does
8 hereby appoint the hereinafter designated persons to serve as members of the Pedestrian
9 Safety Advisory Committee, pursuant to the provisions of the Administrative Code Article IV,
10 sections 5.20 and 5.21, for the terms specified:

11 Catherine Liddell, seat 1, succeeding herself, term expired, must be a representative
12 from pedestrian safety organizations, for the unexpired portion of a two-year term ending
13 March 28, 2012.

14 Pi Ra, seat 2, succeeding himself, term expired, must be a representative from
15 pedestrian safety organizations, for the unexpired portion of a two-year term ending March 28,
16 2011.

17 Richard Rothman, seat 3, succeeding himself, term expired, must be a representative
18 from senior or disability organizations, for the unexpired portion of a two-year term ending
19 March 28, 2011.

20 Mari Hunter, seat 5, succeeding Catherine Liddell, term expired, must be a
21 representative from bicycle or other non-motorized wheeled personal transport organization,
22 for the unexpired portion of a two-year term ending March 28, 2011.

23 Howard Strassner, seat 6, succeeding himself, term expired, must be a representative
24 from transit or environmental organization, for the unexpired portion of a two-year term ending

2 term expired, must be representative from a public health organization, for the unexpired
3 portion of a two-year term ending March 28, 2012.

4 Paul Supawanich, seat 10, succeeding William Riggs, term expired, must represent the
5 public at-large, for the unexpired portion of a two-year term ending March 28, 2012.

6 FURTHER MOVED, That the Board of Supervisors makes the following findings:

- 7 1. The membership of the Pedestrian Safety Advisory Committee has a goal to be
8 representative of the diversity of the City and County of San Francisco.
- 9 2. Applicant Dahianna Lopez, appointee, who is not a resident of San Francisco, is a
10 person with experience that uniquely qualifies her to serve on the Pedestrian Safety
11 Advisory Committee.
- 12 3. The Pedestrian Safety Advisory Committee has attempted to fill the position, for
13 which Dahianna Lopez was nominated, with an individual who is a City resident and
14 who has the specific experience, skills, and qualifications, but has been unable to
15 do so at this time. The Rules Committee has certified that Dahianna Lopez is
16 qualified to serve on the Pedestrian Safety Advisory Committee.
- 17 4. After exercising due diligence, the Board of Supervisors concludes that there is no
18 other possible representative, who is a resident of San Francisco and who has the
19 specific experience, skills, or qualifications possessed by this applicant, and who is
20 willing to serve on the Pedestrian Safety Advisory Committee at this time; and, be it

21 FURTHER MOVED, That the Board of Supervisors waives the residency requirement
22 for Dahianna Lopez, as allowed in cases where no qualified City resident, willing to serve, can
23 be found, pursuant to Section 4.101 of the City Charter that requires person(s) appointed to
24
25

boards, commissions, and advisory bodies established by legislative act of the Board of Supervisors to be resident(s) of the City and County of San Francisco.

To whom it may concern,

My interest in urban spaces and the walkability of cities began years ago and led me into my current profession as a transportation planner. I feel quite strongly about the need for cities such as San Francisco to maintain and provide a safe environment for all residents who walk either by choice or necessity. In addition, I understand the needs for these spaces to be accessible by not only those who are physically able, but those who use the public realm that are physically disabled and/or elderly.

My background in city planning with a focus on transportation provides me unique insight into pedestrian safety. While studying at UC Berkeley, I was a student researcher for the Traffic Safety Center and furthered my interest and knowledge of pedestrian safety and the factors that either enhance or detract from it. It was here where I developed a greater appreciation for the many intricacies of what goes into pedestrian safety and came to realize it is much more complex than simply building a sidewalk for individuals to use. In addition, I also understand that working within the confines of a diverse city and county framework, decisions are often more complex than what can be seen at the surface. Interactions between various city agencies, budgets, and needs in various parts of the city will always present interesting challenges. Yet, I feel that my basic knowledge in these will enable me to be more effective if I were given the opportunity to serve on the Pedestrian Safety Advisory Committee.

In closing, I hope to be considered for a role on the Pedestrian Safety Advisory Committee. I believe that my youth and my experiences thus far enable me to provide a unique perspective on pedestrian safety. As a member of the Hayes Valley neighborhood, I am looking forward to contributing not only to my neighbors, but my fellow San Franciscans as a whole. Thank you for your consideration and I look forward to answering any questions that you may have.

Best,

Paul Supawanich
