To the Office of the Clerk for the San Francisco Board of Supervisors, Angela Calvillo, for your consideration:

Type 42 License (New application for location with existing history of type 42 use over 16 years).

7AM-10PM Daily

26 June 2024 was the initial 30 Day application and response period, ended 26 July 2024 with no comments or objections.

The license exists at a long-standing spot within the SoMa Nightlife and Entertainment District, as well as the SoMa Historical LGBTQ+ Leather Cultural District, serving both of those communities and uses. Aside from offering food alongside beverage throughout its operating hours, the business is LGBTQ+ owned and operated fitting within both the designations within the district. We have worked closely with both the community, neighborhood groups, and residents to address noise complaints and crowding issues related to prior businesses at this location, and have even taken the steps to adjust operating hours and risking minor financial loss to meet the community and our neighbors where they are. San Francisco is known as having a broad and fascinating food and beverage scene, and a bar specializing in California sparkling wines and produce is both a solid addition to the community as well as a showcase for tourists in the neighborhood visiting the state; we have coordinated with both the California Sparkling Winemakers Association, California Wheat Commission and California Fresh Fruit Association (as well as the California Association of Family Farms) in the sourcing and promotion of our establishment. The type 42 licencing allows us a straightforward use case for sparkling wines and no off-license sales, so all drinking activity will take place within the context of our space; we feel strongly that we will be a positive and celebratory environment for the neighborhood while keeping reigns on any disruptive behavior through design and intent. We hope this meets with your approval and hope to receive a full recommendation. Thank you for your time and consideration and we look forward to working with you and the Board of Supervisors on this matter.
