15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. The Board of Supervisors of the City and County of San Francisco hereby  
17 finds, determines and declares based on the record before it that:

18 A. Naval Station Treasure Island ("NSTI") is a former United States Navy base  
19 located in the City and County of San Francisco (the "City") that consists of two islands  
20 connected by a causeway: (1) Treasure Island, and (2) an approximately 90-acre portion of  
21 Yerba Buena Island.

22 B. Under the Treasure Island Conversion Act of 1997, which amended Section  
23 33492.5 of the California Health and Safety Code and added Section 2.1 to Chapter 1333 of  
24 the Statutes of 1968, the California Legislature (i) designated the Treasure Island  
25 Development Authority, a California non-profit public benefit corporation ("TIDA") as a  
redevelopment agency under California redevelopment law with authority over NSTI upon  
approval of the City's Board of Supervisors, and (ii) with respect to those portions of NSTI

1 which are subject to Tidelands Trust, vested in TIDA the authority to administer the public  
2 trust for commerce, navigation and fisheries as to such property.

3 C. The Board of Supervisors approved the designation of TIDA as a redevelopment  
4 agency for NSTI in 1997.

5 D. On January 24, 2012, the Board of Supervisors rescinded designation of TIDA  
6 as the redevelopment agency for Treasure Island under California Community  
7 Redevelopment Law in Resolution No. 11-12; but such rescission did not affect TIDA's status  
8 as the Local Reuse Authority for NSTI or the Tidelands Trust trustee for the portions of NSTI  
9 subject to the Tidelands Trust, or any of the other powers or authority.

10 E. The United States of America, acting by and through the Department of the  
11 Navy ("Navy"), and TIDA entered into an Economic Conveyance Memorandum of Agreement  
12 (as amended and supplemented from time to time, the "Conveyance Agreement") that  
13 governs the terms and conditions for the transfer of NSTI from the Navy to TIDA; under the  
14 Conveyance Agreement, the Navy has and will convey NSTI to TIDA in phases after the Navy  
15 has completed environmental remediation and issued a Finding of Suitability to Transfer (as  
16 defined in the Conveyance Agreement) for specified parcels of NSTI or portions thereof.

17 F. Treasure Island Community Development, LLC ("Developer") and TIDA  
18 previously entered into a Disposition and Development Agreement (Treasure Island/Yerba  
19 Buena Island) dated June 28, 2011 (the "DDA"), including a Financing Plan (Treasure  
20 Island/Yerba Buena Island) (the "Financing Plan"), which governs the disposition and  
21 development of a portion of NSTI (the "Project Site") after the Navy's transfer of NSTI to TIDA  
22 in accordance with the Conveyance Agreement.

23 G. The DDA contemplates a project (the "Project") under which TIDA acquires the  
24 Project Site from the Navy and conveys portions of the Project Site to Developer (or an  
25 affiliate of the Developer) for the purposes of (i) alleviating blight in the Project Site through

1 development of certain improvements, (ii) geotechnically stabilizing the Project Site, (iii)  
2 constructing public infrastructure to support the Project and other proposed uses on NSTI,  
3 (iv) constructing and improving certain public parks and open spaces, (v) abatement of certain  
4 existing hazardous substances, and (vi) selling and ground leasing lots to vertical developers  
5 who will construct residential units and commercial and public facilities.

6 H. On April 21, 2011, the Planning Commission by Motion No. 18325 and the  
7 Board of Directors of TIDA, by Resolution No. 11-14-04/21, as co-lead agencies, certified the  
8 completion of the Final Environmental Impact Report for the Project, and unanimously  
9 approved a series of entitlement and transaction documents relating to the Project, including  
10 certain environmental findings under the California Environmental Quality Act ("CEQA"), a  
11 mitigation and monitoring and reporting program (the "MMRP"), and the DDA and other  
12 transaction documents.

13 I. On June 7, 2011, in Motion No. M11-0092, the Board of Supervisors  
14 unanimously affirmed certification of the Final Environmental Impact Report. On that same  
15 date, the Board of Supervisors, in Resolution No. 246-11, adopted CEQA findings and the  
16 MMRP, and made certain environmental findings under CEQA (collectively, the "FEIR"). Also  
17 on that date, the Board of Supervisors, in Ordinance No. 95-11, approved the DDA and other  
18 transaction documents, including the Transportation Plan and Infrastructure Plan.

19 J. TIDA and the Developer have been working diligently since then to implement  
20 the Project consistent with the DDA, the MMRP and other documents.

21 K. No additional environmental review is required because there are no substantial  
22 changes to the project analyzed in the FEIR, no change in circumstances under which the  
23 project is being undertaken, and no new information of substantial importance indicating that  
24 new significant impacts would occur, that the impacts identified in the FEIR as significant  
25

1 impacts would be substantially more severe, or that mitigation or alternatives previously found  
2 infeasible are now feasible.

3 L. Developer and the City previously entered into a Development Agreement  
4 related to the Project Site to eliminate uncertainty in the City's land use planning for the  
5 Project Site and secure orderly development of the Project consistent with the DDA and other  
6 applicable requirements, and the Financing Plan is also an exhibit to the Development  
7 Agreement.

8 M. The Financing Plan identifies certain financial goals for the Project and the  
9 contractual framework for cooperation between TIDA, the City, and Developer in achieving  
10 those goals and implementing the Project.

11 N. The Financing Plan, among other things, obligates TIDA and the City to take all  
12 actions reasonably necessary for, and obligates Developer to cooperate reasonably with the  
13 efforts of (i) the City to form requested community facilities districts (each, a "CFD"; together,  
14 the "CFDs") and take related actions under the Mello-Roos Community Facilities Act of 1982  
15 (the "Mello-Roos Act") to pay for Qualified Project Costs, Ongoing Park Maintenance and  
16 Additional Community Facilities (as those terms are defined in the Financing Plan), (ii) the City  
17 to form requested infrastructure financing districts and take related actions under applicable  
18 provisions of the Government Code of the State of California to pay for Qualified Project Costs  
19 (although the Financing Plan refers to a different infrastructure financing act than the IRFD  
20 Law (as defined below) because the IRFD Law had not been created at the time, the City  
21 finds that the provisions of the Financing Plan discussing infrastructure financing districts shall  
22 apply to the IRFD (as defined herein) and the IRFD Law) and (iii) the City to issue bonds and  
23 other debt for the CFDs and the infrastructure financing districts and other public financing  
24 instruments described in the Financing Plan (defined in the Financing Plan as "Public  
25 Financing").

1 O. Under Chapter 2.6 of Part 1 of Division 2 of Title 5 of the California Government  
2 Code commencing with Section 53369 (the "IRFD Law"), this Board of Supervisors is  
3 authorized to establish an infrastructure and revitalization financing district and to act as the  
4 legislative body for an infrastructure and revitalization financing district.

5 P. Pursuant to IRFD Law Section 53369.5, an infrastructure and revitalization  
6 financing district may be divided into project areas.

7 Q. The IRFD Law provides that the legislative body of an infrastructure and  
8 revitalization financing district may, at any time, add territory to a district or amend the  
9 infrastructure financing plan for the district by conducting the same procedures for the  
10 formation of a district or approval of bonds as provided in the IRFD Law, and the Board of  
11 Supervisors wishes to establish the procedure for future annexation of property on Yerba  
12 Buena Island and Treasure Island into the proposed infrastructure district.

13 R. IRFD Section 53369.14(d)(5) provides that the legislative body of a proposed  
14 infrastructure and revitalization financing district may specify, by ordinance, the date on which  
15 the allocation of tax increment will begin and IRFD Law Section 53369.5(b) provides that  
16 project areas within a district may be subject to distinct limitations established under the IRFD  
17 Law, and the Board of Supervisors accordingly wishes to specify the date on which the  
18 allocation of tax increment will begin for the proposed infrastructure district on a project area-  
19 by-project area basis.

20 S. Pursuant to the Financing Plan and the IRFD Law, the Board of Supervisors  
21 adopted its "Resolution of intention to establish City and County of San Francisco  
22 Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas  
23 therein to finance the construction and/or acquisition of facilities on Treasure Island and Yerba  
24 Buena Island; to provide for future annexation; to call a public hearing on the formation of the  
25 district and project areas therein and to provide public notice thereof; and determining other

1 matters in connection therewith” (the “Resolution of Intention to Establish IRFD”), on File with  
2 the Clerk of the Board in File No. 161035, stating its intention to form (i) the “City and County  
3 of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)”  
4 (the “IRFD”), (ii) “Project Area A of the City and County of San Francisco Infrastructure and  
5 Revitalization Financing District No. 1 (Treasure Island)” (“Project Area A”) as a project area  
6 within the IRFD, (iii) “Project Area B of the City and County of San Francisco Infrastructure  
7 and Revitalization Financing District No. 1 (Treasure Island)” (“Project Area B”) as a project  
8 area within the IRFD, (iv) “Project Area C of the City and County of San Francisco  
9 Infrastructure and Revitalization Financing District No. 1 (Treasure Island)” (“Project Area C”)  
10 as a project area within the IRFD, (v) “Project Area D of the City and County of San Francisco  
11 Infrastructure and Revitalization Financing District No. 1 (Treasure Island)” (“Project Area D”)  
12 as a project area within the IRFD, and (vi) “Project Area E of the City and County of San  
13 Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)” (“Project  
14 Area E” and, together with Project Area A, Project Area B, Project Area C and Project Area D,  
15 the “Initial Project Areas” and together with any future project areas that may be established in  
16 the IRFD, the “Project Areas”) as a project area within the IRFD, pursuant to the IRFD Law.

17 T. In the Resolution of Intention to Establish IRFD, this Board of Supervisors  
18 declared its intent to provide for future annexations of property on Yerba Buena Island and  
19 Treasure Island into the IRFD any time after formation of the IRFD, but only if the Board of  
20 Supervisors has completed the procedures set forth in the Infrastructure Financing Plan,  
21 which shall be based on the following: (i) this Board of Supervisors adopts a resolution of  
22 intention to annex property (the “annexation territory”) into the IRFD and describes whether  
23 the annexation territory will be included in one of the then-existing Project Areas or in a new  
24 Project Area and to issue Bonds, (ii) the resolution of intention is mailed to each owner of land  
25 in the annexation territory and each affected taxing entity in the annexation territory, if any, in

1 substantial compliance with IRFD Law Sections 53369.11 and 53369.12, (iii) this Board of  
2 Supervisors designates TIDA to prepare an amendment to the Infrastructure Financing Plan, if  
3 necessary, and the designated official prepares any such amendment, in substantial  
4 compliance with IRFD Law Sections 53369.13 and 53369.14, (iv) any amendment to the  
5 Infrastructure Financing Plan is sent to each owner of land and each affected taxing entity (if  
6 any) within the annexation territory, in substantial compliance with IRFD Law Sections  
7 53369.15 and 53369.16, and approved by this Board of Supervisors, as the legislative body of  
8 the only affected taxing entity that is subject to the division of taxes pursuant to the IRFD Law,  
9 (v) this Board of Supervisors notices and holds a public hearing on the proposed annexation,  
10 in substantial compliance with IRFD Law Sections 53369.17 and 53369.18, (vi) this Board of  
11 Supervisors adopts a resolution proposing the adoption of any amendment to the  
12 Infrastructure Financing Plan and annexation of the annexation territory to the IRFD, and  
13 submits the proposed annexation to the qualified electors in the annexation territory, in  
14 substantial compliance with IRFD Law Sections 53369.20-53369.22, with the ballot measure  
15 to include the question of the proposed annexation of the annexation territory into the IRFD,  
16 approval of the appropriations limit for the IRFD and approval of the issuance of bonds for the  
17 IRFD, and (vii) after canvass of returns of any election, and if two-thirds of the votes cast upon  
18 the question are in favor of the ballot measure, this Board may, by ordinance, adopt the  
19 amendment to the Infrastructure Financing Plan, if any, and approve the annexation of the  
20 annexation territory to the IRFD, in substantial compliance with IRFD Law Section 53369.23.

21 U. The Board of Supervisors also adopted its "Resolution authorizing and directing  
22 the Director of the Office of Public Finance, or designee of the Director of the Office of Public  
23 Finance to prepare an infrastructure financing plan for City and County of San Francisco  
24 Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas  
25 therein; and determining other matters in connection therewith," ordering preparation of an

1 infrastructure financing plan for the IRFD (“Infrastructure Financing Plan”), on file with the  
2 Clerk of the Board of Supervisors in File No. 161036, consistent with the requirements of the  
3 IRFD Law.

4 V. The Infrastructure Financing Plan includes a list of Facilities (as defined below)  
5 to be financed by the IRFD.

6 W. As required by the IRFD Law, the Clerk of the Board of Supervisors caused to  
7 be mailed a copy of the Resolution of Intention to Establish IRFD to each owner of land within  
8 the proposed IRFD and each affected taxing entity (as defined in the IRFD Law).

9 X. As further required by the IRFD Law, the Director of the Office of Public Finance  
10 prepared the Infrastructure Financing Plan and the Treasure Island Director sent the  
11 Infrastructure Financing Plan, along with any report required by the California Environmental  
12 Quality Act (Division 13) (commencing with Section 2100) of the Public Resources Code) that  
13 pertains to the proposed Facilities or the proposed development project for which the Facilities  
14 are needed, to (i) each owner of land within the proposed IRFD and (ii) each affected taxing  
15 entity; the Treasure Island Director also sent the Infrastructure Financing Plan and the CEQA  
16 Report to the City’s planning commission and the Board of Supervisors.

17 Y. The Clerk of the Board of Supervisors made the Infrastructure Financing Plan  
18 available for public inspection, on file with the Clerk of the Board of Supervisors in File No.  
19 161120.

20 Z. As required by the IRFD Law, the Board of Supervisors, as the legislative body  
21 of the City, which is the only affected taxing entity which is proposed to be subject to the  
22 division of taxes pursuant the IRFD Law, considered and adopted its resolution “Resolution  
23 approving infrastructure financing plan for City and County of San Francisco Infrastructure  
24 and Revitalization Financing District No. 1 (Treasure Island) and project areas therein; and  
25 determining other matters in connection therewith,” on file with the Clerk of the Board of

1 Supervisors in File No. 161116, pursuant to which the Board of Supervisors approved the  
2 Infrastructure Financing Plan.

3 AA. Following publication of a notice consistent with the requirements of the IRFD  
4 Law, this Board of Supervisors held a public hearing relating to the proposed IRFD, the  
5 proposed Project Areas and the proposed Infrastructure Financing Plan.

6 BB. Subsequent to the hearing, the Board of Supervisors adopted resolutions  
7 entitled (i) "Resolution proposing adoption of infrastructure financing plan and formation of  
8 City and County of San Francisco Infrastructure and Revitalization Financing District No. 1  
9 (Treasure Island) and project areas therein and determining other matters in connection  
10 therewith" (the "Resolution Proposing Adoption and Formation") on file with the Clerk of the  
11 Board of Supervisors in File No. 161117, and (ii) "Resolution calling special election for City  
12 and County of San Francisco Infrastructure and Revitalization Financing District No. 1  
13 (Treasure Island) and determining other matters in connection therewith," on file with the Clerk  
14 of the Board of Supervisors in File No. 161118, which resolutions proposed formation of the  
15 IRFD and the Initial Project Areas, proposed approval of the Infrastructure Financing Plan,  
16 proposed the process for future annexations of territory to the IRFD, proposed an  
17 appropriations limit for the IRFD, proposed issuance of bonds and other debt ("Bonds") for the  
18 IRFD to finance certain facilities (the "Facilities") and called a special election within the IRFD.

19 CC. A special election was held within the IRFD which the eligible landowner-electors  
20 approved the propositions presented at the election by the two-thirds vote required by the IRFD Law.

21 Section 2. By the passage of this Ordinance this Board of Supervisors hereby declares  
22 the IRFD and each of the Initial Project Areas to be fully formed with full force and effect of  
23 law, approves the Infrastructure Financing Plan, declares the IRFD to have an appropriations  
24 limit of \$192 million, and declares that the Board of Supervisors has the authority to issue  
25 from time to time Bonds in one or more series for the IRFD in the maximum aggregate

1 principal amount of (i) \$780 million plus (ii) the principal amount of Bonds approved by this  
2 Board of Supervisors and the qualified electors of annexation territory in connection with each  
3 annexation of annexation territory to the IRFD, so long as the Board makes the finding  
4 specified in IRFD Law Section 53369.41(f), all as provided in the proceedings for the IRFD  
5 and in the IRFD Law.

6 Additional Project Areas may be designated in the future, and territory on Yerba Buena Island  
7 and Treasure Island may be annexed to the IRFD in the future, as described in the Resolution of  
8 Intention to Establish IRFD and the Resolution Proposing Adoption and Formation. It is hereby found  
9 that all prior proceedings and actions taken by this Board of Supervisors with respect to the IRFD were  
10 valid and in conformity with the IRFD Law.

11 Section 3. In accordance with IRFD Law Sections 53369.5(b) and 53369.14(d)(5), the Board of  
12 Supervisors hereby establishes the date on which the allocation of tax increment shall begin for the  
13 IRFD, which date shall be determined on a Project Area-by-Project Area basis (each such date, the  
14 "Commencement Date"), and each Project Area may accordingly have a different Commencement  
15 Date, with each Commencement Date being the first day of the fiscal year following the fiscal year in  
16 which the applicable Project Area has generated and the City has received: (i) with respect to Project  
17 Areas A, B and E, at least \$150,000 of tax increment, (ii) with respect to Project Areas C and D, at  
18 least \$300,000 of tax increment, and (iii) with respect to all other Project Areas established in  
19 connection with the annexation of territory to the IRFD, the amount of tax increment specified in the  
20 ordinance annexing such Project Area to the IRFD.

21 Section 4. The Board of Supervisors has reviewed and considered the FEIR and finds that the  
22 FEIR is adequate for its use for the actions taken by this resolution and incorporates the FEIR and the  
23 CEQA findings contained in Board of Supervisors Resolution No. 246-11 by this reference.

24 Section 5. If any section, subsection, sentence, clause, phrase, or word of this  
25 ordinance, or any application thereof to any person or circumstance, is held to be invalid or

1 unconstitutional by a decision of a court of competent jurisdiction, such decision shall not  
2 affect the validity of the remaining portions or applications of this ordinance, this Board of  
3 Supervisors hereby declaring that it would have passed this ordinance and each and every  
4 section, subsection, sentence, clause, phrase, and word not declared invalid or  
5 unconstitutional without regard to whether any other portion of this ordinance or application  
6 thereof would be subsequently declared invalid or unconstitutional.

7 Section 6. This ordinance shall become effective 30 days after enactment. Enactment  
8 occurs when the Mayor signs the ordinance, the Mayor returns the ordinance unsigned or  
9 does not sign the ordinance within 10 days of receiving it, or the Board of Supervisors  
10 overrides the Mayor's veto of the ordinance.

## **LEGISLATIVE DIGEST**

[Forming Infrastructure and Revitalization Financing District No. 1 (Treasure Island) - Adopting an Infrastructure Financing Plan]

**Ordinance forming City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island); and adopting an Infrastructure Financing Plan for such district.**

### Existing Law

This is new legislation.

### Background Information

The proposed Ordinance creates an Infrastructure and Revitalization District to finance the cost of certain public capital improvements for the Treasure Island Project, as described below. The proposed Ordinance also adopts an infrastructure financing plan which sets forth the sources of funding, and the mechanisms of public financing (including, among other things, the establishment of an infrastructure financing district).

The Naval Station Treasure Island (“NSTI”) is a former United States Navy base located in the City and County of San Francisco (“City”) that consists of two islands connected by a causeway: (1) Treasure Island, and (2) an approximately 90-acre portion of Yerba Buena Island.

The Department of the Navy (“Navy”), and the Treasure Island Development Authority (“TIDA”) entered into an Economic Conveyance Memorandum of Agreement (the “Conveyance Agreement”) that provides the terms and conditions under which the Navy will transfer the NSTI to TIDA. Ultimately the NSTI will be redeveloped (as further described below, the “Treasure Island Project”) by the Treasure Island Community Development, LLC (“TICD”) on the basis of numerous agreements including but not limited to a Disposition and Development Agreement (Treasure Island/Yerba Buena Island), dated June 28, 2011 (“DDA”), including a Financing Plan (Treasure Island/Yerba Buena Island) (“Financing Plan”).

The Treasure Island Project includes the development of 8,000 new homes (including 2,173 affordable units), 300 acres of parks and open space, roughly 550,000 square feet of commercial and retail space, and up to 500 hotel rooms. To facilitate the development, TICD is required to deliver a wide range of public improvements, including geotechnically stabilizing; constructing new roadways, utilities, and other public infrastructure to support the Treasure

Island Project; and constructing new ferry facilities, a new police/fire public safety building, and other community facilities.

The City also anticipates that future public capital improvements will be necessary to ensure that the shoreline, public facilities, and public access improvements will be protected should sea level rise at the perimeter of the Treasure Island Development site, and the Board of Supervisors desires to provide a mechanism to pay for such improvements.

Under California Government Code Sections 53395 et seq. ("IRFD Law"), the Board of Supervisors is authorized to establish an infrastructure financing district and to act as the legislative body for such an IFD. Under the IRFD Law an infrastructure and revitalization financing district may be divided into one or more project areas.

The proposed Ordinance adopts the terms and provisions set forth in the Financing Plan. The Financing Plan identifies certain financial goals for the Treasure Island Project and the contractual framework for cooperation between TIDA, the City, and Developer in achieving those goals and implementing the Treasure Island Development. The Financing Plan obligates TIDA and the City to take reasonable actions City to, among other acitons, form requested infrastructure financing districts and take related actions under applicable provisions of the Government Code of the State of California to pay for Qualified Project Costs (as defined in the Financing Plan) and to issue bonds and other debt for the infrastructure financing districts and other public financing instruments described in the Financing Plan.

By passage of this Ordinance, the City will establish several project areas within the IFD for the for purposes of financing Qualified Project Costs for the development of Treasure Island. It will (i) establish an annual appropriations limit of \$192 million, (ii) declare that the Board of Supervisors has the authority to issue from time to time Bonds in one or more series for the IRFD in the maximum aggregate principal amount of (a) \$780 million plus (b) the principal amount of IRFD Bonds approved by this Board of Supervisors and the qualified electors of annexation territory in connection with each annexation of annexation territory to the IRFD.

The Ordinance also the establishes the date on which the allocation of tax increment shall begin for the each project area within the IRFD (referred to in the Ordinance as the "Commencement Date"), with each Commencement Date being the first day of the fiscal year following the fiscal year in which the applicable Project Area has generated and the City has received: (i) with respect to Project Areas A, B and E, at least \$150,000 of tax increment, (ii) with respect to Project Areas C and D, at least \$300,000 of tax increment, and (iii) with respect to all other Project Areas established in connection with the annexation of territory to the IRFD, the amount of tax increment specified in the ordinance annexing such Project Area to the IRFD.

Honorable Members, Board of Supervisors

**FROM:** Nadia Sesay, Public Finance Director   
Robert Beck, Treasure Island Director 

**SUBJECT:** Treasure Island/Yerba Buena Island: Affordable Housing Funding Plan

**DATE:** Monday, November 14, 2016

This memorandum identifies strategies to address the affordable housing funding gap in the Treasure Island Program as they relate to legislative actions pending at the Board of Supervisors.

**Executive Summary**

- In 2011, the Board of Supervisors adopted a series of resolutions to approve numerous entitlement and transaction documents relating to Treasure Island/Yerba Buena Island Development Project.
- The Project includes the development of 8,000 new homes (including 2,173 or 27.2% affordable units), 300 acres of parks and open space, roughly 550,000 square feet of commercial and retail space, and up to 500 hotel rooms.
- Treasure Island Community Development ("TICD") is required to deliver a wide range of public improvements, including geotechnically stabilizing the project site; constructing new roadways, utilities, and other public infrastructure to support the Project; and constructing new ferry facilities, a new police/fire public safety building, and other community facilities.
- The City, in partnership with Treasure Island Homeless Development Initiative ("TIHDI"), is required to develop the affordable housing units.
- The City is obligated under the Disposition and Development Agreement dated June 7, 2011 ("DDA") to establish the required public financing mechanisms as development commences.
- The first five of seventeen resolutions and ordinance required to form the Infrastructure Financing and Revitalization District ("IRFD") and Community Facilities District ("CFD") are pending at the Board of Supervisors. If adopted the resolutions are adopted, the formation of the districts would be considered by the Board of Supervisors in January following Public Hearings on the districts.
- The IRFD will allow Treasure Island Development Authority ("TIDA") to capture property tax increment for affordable housing and to reimburse Treasure Island Community Development ("TICD") for eligible public infrastructure expenses.

- The CFD will place a supplemental assessment on development parcels which will reimburse eligible TICD public infrastructure expenses and will fund future sea level rise adaptation strategies and park & open space maintenance, but which cannot finance affordable housing.
- The 2011 agreements allowed for 1,684 affordable units with the option to develop up to 1,866 affordable units without compensation to the developer, TICD, although it was not determined at the time how the City might finance these additional units.
- Since the adoption of the DDA in 2011 revised projections have identified a gap of \$382 million across a total cost of \$968 million to construct the 1,864 units.
- The gap includes funding an additional 184 affordable housing units, increased construction cost, and lost contributions from State and Federal funding programs which no longer exist. Most notable is the loss due to dissolution of redevelopment of the Educational Revenue Augmentation Fund (“ERAF”) which represent 25.3% of the 1% ad valorem property tax.
- Potential solutions to close the affordable housing funding gap will be available in near-, mid-, and long-term, over the life of the development and will entail future Board actions and change in State law.
- The City is projected to deliver 720 TIDA/TIHDI affordable units over 7 parcels between 2018 – when the first parcel will be available – and 2026 with funding in the near-term from MOHCD.
- The committed and project-generated sources funds 1,429 units (including the 720 units above) or 65% of the affordable housing obligation, including inclusionary units, over the life of the development.
- To the extent that we are able to further realize the potential funding sources identified in this memo, 1,967 units or 90% of the affordable housing obligation including inclusionary units can be delivered over the life of the development.
- Although the City has rights to develop over 20 parcels, the City projects it can construct the 1,864 units on only 17 parcels. Therefore, the City has 3 parcels available for future affordable housing development beyond the 8,000 units and outside of the scope of the development.

### Affordable Housing Program

Table 1 below, summarizes some of the key characteristics of the affordable housing program and costs in 2011 compared to 2016.

**Table 1: Affordable Housing Program – 2011 and 2016**

	<b>2011</b>	<b>2016</b>
Total Affordable Housing Units	2,000	2,173
TIDA/TIHDI Units	1,684	1,864
Inclusionary Units	316	309
Total Cost of TIDA/TIHDI Units	\$600 million	\$968 million
Estimated Funding Gap	\$144+ million*	\$382 million

\* – Includes expired Federal and State sources, TIHDI financing obligation, and construction of Tax Credit ineligible market rate units.

With the elimination of redevelopment, the Project was limited to the share of ad valorem property taxes allocated to San Francisco as a City and County which are 64.7% of the total revenues. State law authorizing the formation of Infrastructure Financing Districts (“IFDs”) allowed the City to leverage these revenues in a manner similar to redevelopment law. In the Finance Plan and Housing Plan as revised following the dissolution of redevelopment, the City dedicated 56.7% of the ad valorem tax revenues to the financing of the public improvements, with 82.5% of that amount committed to the reimbursement of TICD for the provision of infrastructure improvements and 17.5% of that amount set aside to finance affordable housing to be constructed by TIDA and TIHDI. The resultant financing structure is reflected in Table 2.

**Table 2: Available Tax Increment Under Redevelopment Law vs Treasure Island Post-Redevelopment Finance Plan**

	RDA*	IFD**	Notes
General Fund Subtotal	13%	8%	8% of local Tax Increment to GF; 56.7 to project implementation

Other Districts	0.5%	2.3%	Not available under IFD
Affordable Housing	20%	9.92%	=17.5% of 56.7%
Available for Infrastructure	60%	46.78%	=82.5% of 56.7%
Total	100%	100%	

- \* – Under Redevelopment Law, the State committed the ERAF share of property tax increment derived from the project area to the Redevelopment Agency (“RDA”) for the financing of public improvements and affordable housing within the project area.
- \*\* – Per the Treasure Island Finance Plan, local Tax Increment is to be leveraged through an Infrastructure and Revitalization Financing District (“IFD”)

**Addressing the Funding Gap**

As illustrated in Table 3, the \$382 million funding gap considers only funding contributions from affordable housing tax credits, TICD’s affordable housing subsidy payment, and tax increment to be leveraged through the IRFD. The committed and project-generated sources funds 1,429 units or 65% of affordable housing obligation, which includes inclusionary units. It does not factor in potential contributions from potential state and local revenues. There are several other avenues that we can pursue to close the funding gap, but the pursuit of these revenues will, by necessity, unfold over time. It is difficult to currently predict with certainty the timing of sources and amounts available to contribute to the final funding program. If these potential funding sources are realized, 1,967 units or 90% of the affordable housing obligation including inclusionary units will be delivered over the life of the development.

The City is exploring a number of alternative funding sources to close the funding gap. The funding source with the potential greatest impact is the restoration of the State ERAF share that was lost when the State dissolved redevelopment in 2011. The restoration of the ERAF Share is one of several of the funding strategies which would require State legislation. The Infrastructure Financing Plan before the Board provides that any additional revenues arising from changes in IRFD law including the reinstatement of ERAF and/or the pledge of MVLF would be used exclusively to finance affordable housing.

**Table 3: Net Funding Need (\$ in Millions)**

	<b>Amount</b>

## Conclusion

TIDA and TIHDI have been working with the MOHCD to develop a funding strategy with an emphasis on projects deliverable over the next 10 years. It is very difficult to predict with any certainty what local revenues will be available beyond 10 years and what other projects will be competing for those resources. Based on our efforts, we project that we will be able to deliver 720 TIDA/TIHDI affordable units between 2018 – when the first parcel will be available – and 2026 with approximately \$30 million in support from MOHCD. These projections do not assume external grants or the legislative changes described above which could make more funds available. To the extent that we are able to realize the potential funding sources identified above, 1,967 units or 90% of the affordable housing obligation including inclusionary units will be delivered over the life of the development.

To date, TICD has demolished structures on Yerba Buena Island and, in August, began demolition on Treasure Island. TICD has taken bids for the initial infrastructure contracts on Yerba Buena Island – for new water storage reservoirs and for new roadways and utility infrastructure – and those contractors are poised to mobilize and begin construction in the coming weeks.

For this work to continue moving forward, it is essential that the City and TIDA commence formation of the initial IRFD and CFD to demonstrate the capacity to reimburse TICD – and, by extension, their lenders – for eligible work as it is completed. A delay in the formation of the IRFD and CDF would slow the release of funds and progress to implement the Program would stall.

The administration of the IRFD and CFD will require TIDA and the Office of Public Finance to appear regularly before the Board of Supervisors to authorize future bond sales and take other actions. We would update the Board of the progress in funding individual affordable housing projects and narrowing the overall funding gap as a regular part of every report.

Your consideration of this matter is greatly appreciated. Please contact Nadia Sesay at 415-554-554-5956 or Bob Beck at 415-274-0646 if you have any questions.

## I. INTRODUCTION

**General.** This Infrastructure Financing Plan has been prepared at the direction of the Board of Supervisors (the "**Board**") of the City and County of San Francisco (the "**City**") in connection with the proposed "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "**IRFD**").

***The IRFD will be funded solely from a portion of the property tax increment that would otherwise be distributed to the General Fund of the City. No other taxing agency's revenues will be affected by or available to the IRFD. Consequently, this Infrastructure Financing Plan will discuss the tax increment of the City only.***

**Summary of Infrastructure Financing Plan.** As required by California Government Code Section 53369 et seq. (the "**IRFD Law**"), including Section 53369.14 therein, this Infrastructure Financing Plan contains the following information:

- A. A map and legal description of the proposed IRFD. Pursuant to the Resolution of Intention,<sup>1</sup> the Board approved a map of the proposed boundaries of the IRFD, which is attached hereto as Appendix A. After formation of the IRFD, property may be annexed to the IRFD in the manner set forth in Section IV.
- B. A description of the facilities required to serve the development proposed in the area of the IRFD including those to be provided by the private sector, those to be provided by governmental entities without assistance under the IRFD Law, those improvements and facilities to be financed with assistance from the proposed IRFD, and those to be provided jointly. The description shall include the proposed location, timing, and costs of the improvements and facilities. See Section V for more details. As used herein, the facilities to be financed from the IRFD consist of both facilities (herein, "**Facilities**") and affordable housing (as defined herein, "**Housing Costs**" and together with the Facilities, the "**IRFD Improvements**").
- C. A finding that the IRFD Improvements are of communitywide significance (see Section VI for more details).

---

<sup>1</sup> The term "**Resolution of Intention**" refers to Resolution No. \_\_\_\_-16, adopted by the Board of Supervisors of the City and County of San Francisco on \_\_\_\_\_, 2016.

- D. A financing section, which shall contain all of the following information (see Section VII for more details):
1. A specification of the maximum portion of the incremental tax revenue of the City proposed to be committed to the IRFD for each year during which the IRFD will receive incremental tax revenue. The portion may change over time.
  2. A projection of the amount of tax revenues expected to be received by the IRFD in each year during which the IRFD will receive tax revenues. **This is a projection and for illustrative purposes only based on currently expected land uses and development schedules; it is not a limit on the amount of tax increment that can be allocated to the IRFD on an annual basis. Actual results may vary.**
  3. A plan for financing the IRFD Improvements, including a detailed description of any intention to incur debt.
  4. A limit on the total number of tax increment dollars that may be allocated to the IRFD pursuant to this Infrastructure Financing Plan.
  5. A date on which the IRFD will cease to exist, by which time all tax allocation, including any allocation of net available revenue, to the IRFD will end. The date shall not be more than 40 years from the date on which the ordinance forming the IRFD is adopted, or a later date, if specified by the ordinance on which the allocation of tax increment will begin. As discussed more completely in Section VII, the IRFD will consist of multiple project areas with varying tax increment commencement dates, so the IRFD will terminate on the same date as the final project area in the IRFD terminates. As set forth herein, the Board reserves the right to amend this Infrastructure Financing Plan to extend the 40-year duration of Project Areas and the period for allocation of tax increment within a Project Area if the IRFD Law is amended to allow a longer period. No further vote of the qualified electors in the IRFD shall be required if the law is changed and the Board approves such an extension by ordinance.
  6. An analysis of the costs to the City of providing facilities and services to the area of the IRFD while the area is being developed and after the area is developed. The plan shall also include an analysis of the tax, fee, charge, and other revenues expected to be received by the City as a result of expected development in the area of the IRFD. **The analyses described in the two preceding sentences and set forth in this Infrastructure Financing Plan reflect certain assumptions and projections and,**

**accordingly, are merely estimates for illustrative purposes only. Actual results may vary.**

7. An analysis of the projected fiscal impact of the IRFD and the associated development upon the City. **The analysis described in the preceding sentence and set forth in this Infrastructure Financing Plan reflects certain assumptions and projections and, accordingly, is merely an estimate for illustrative purposes only. Actual results may vary.**
  8. A plan for financing any potential costs that may be incurred by reimbursing a developer of a project that is both located entirely within the boundaries of the IRFD and qualifies for the Transit Priority Project Program, pursuant to California Government Code Section 65470, including any permit and affordable housing expenses related to the project.
- E. If any dwelling units occupied by persons or families of low or moderate income are proposed to be removed or destroyed in the course of private development or facilities construction within the area of the IRFD, a plan providing for replacement of those units and relocation of those persons or families consistent with the requirements of Section 53369.6 of the IRFD Law. See Section VII for a further discussion of the replacement housing plan.

***Future Amendments of this Infrastructure Financing Plan.*** The Board reserves the right, and nothing in this Infrastructure Financing Plan limits the ability of the Board, to update or amend this Infrastructure Financing Plan and the Development Agreements (as defined herein) in accordance with and subject to applicable law. In addition, and in furtherance of the foregoing, the Board reserves the right to amend this Infrastructure Financing Plan by ordinance, and without any public hearing or vote of the qualified electors of the IRFD or other proceedings, for the following purposes:

(a) to extend the 40-year duration of Project Areas and the period for allocation of tax increment within a Project Area, if and to the extent the IRFD Law is amended to allow a longer period;

(b) to increase the maximum amount of bonded indebtedness and other debt for the IRFD based on the increased period of tax increment allocation described in the preceding clause (a);

(c) for the purpose of financing Housing Costs, to allocate to the IRFD ~~all or any portion of the ad valorem~~ (i) any property tax revenue that was not previously allocated to the IRFD, including but not limited to any ad valorem property tax revenue annually allocated to the City pursuant to Section 97.70 of the Revenue and Taxation Code, if and to the extent the IRFD Law is amended to permit such an allocation, and (ii) subject to compliance with the DDA Financing Plan, the Conditional City Increment;

(d) to adopt any alternative amendment or annexation procedure with respect to the IRFD that is permitted by an amendment to the IRFD Law; and

(e) to amend the list of IRFD Facilities as long as the Board finds that the resulting IRFD Facilities are permitted by the IRFD Law, will serve the development in the IRFD and are of communitywide significance.

## II. DESCRIPTION OF TREASURE ISLAND PROJECT

The Treasure Island project (the "**Project**") is currently intended to be comprised of approximately nine future development stages on the islands known as Treasure Island and Yerba Buena Island (collectively, "**Treasure Island**"). As detailed on Table 1, it is currently anticipated that the Project will include up to a total of 5,827 market rate residential units, 2,173 below market rate units, 451,000 square feet of retail, 100,000 square feet of commercial space, and 500 hotel rooms.

Appendix A contains a map of Yerba Buena Island and Treasure Island. It is anticipated that the territory planned to be developed as part of the Project that is not initially part of the IRFD will be annexed to the IRFD in the future, in accordance with the procedures set forth in the IRFD Law, the Resolution of Intention, and this Infrastructure Financing Plan. If the anticipated future annexations to the IRFD occur as expected, the ultimate boundaries of the IRFD will encompass the entirety of the development parcels in the Project. A map and the legal description of the property initially contained in the IRFD is set forth in Appendix A.

The Project is being developed by Treasure Island Community Development, LLC, or permitted transferees, as the master developer ("**TICD**" or "**Developer**"). In connection with the development of the Project, (i) TICD and the Treasure Island Development Authority, a California non-profit public benefit corporation ("**TIDA**"), entered into the Disposition and Development Agreement dated June 28, 2011 (the "**TIDA DDA**") and (ii) TICD and the City entered into the Development Agreement dated June 28, 2011 (the "**City DA**") and along with the TIDA DDA, collectively, the "**Development Agreements**"). Attached to both the TIDA DDA and the City DA is the Financing Plan (the "**DDA Financing Plan**"), which discusses, among other things, facilities and Housing Costs (as such term is defined in the DDA Financing Plan) to be financed by the formation of an infrastructure financing district. Although the DDA Financing Plan discusses infrastructure district financing through legislation that is different than the IRFD Law (because the

IRFD Law had not been created at the time), the City finds that the IRFD Law is a better vehicle for financing the Project and all references in the DDA Financing Plan to “IFD” or “IFD Act” shall mean “IRFD” and “IRFD Law,” respectively, and that the IRFD will be used to comply with the requirements of the DDA Financing Plan. Except for the change from IFD to IRFD and from IFD Act to IRFD Law, which has been agreed to by the Developer, nothing in this Infrastructure Financing Plan is intended to amend the Development Agreements.

The entirety of Treasure Island (not including certain lands retained by the U.S. Government) is entitled for development. Development will occur in Major Phases and Sub-Phases, as such terms are defined in and as completed in accordance with the TIDA DDA, as it may be revised from time to time.

Major Phase 1, which includes Yerba Buena, Stage 1, Stage 2, and Stage 3, has been approved by TIDA. The Major Phase application outlines the development plan for approximately 3,474 market rate residential homes, 827 below market rate units, 451,000 square feet of retail, 100,000 square feet of commercial space and 500 hotel rooms. The first two stages of Major Phase 1 – i.e., Yerba Buena and Stage 1 - have received sub-phase approval from TIDA, and development has commenced in these areas. It is these two stages of Major Phase 1 that comprise the Initial Project Areas (as defined herein) of the IRFD.

As Annexation Territory (as defined in Section IV) is annexed to the IRFD, information similar to the paragraph immediately above will be contained in the Annexation Supplement (as defined in Section IV) for each annexation of Annexation Territory.

The scope and timing of future stages are conceptual at this time, and will be determined by the demand for the finished homes on Treasure Island and based on the phasing of development consistent with the Development Agreements.

All new development is anticipated to be complete and fully absorbed by 2035. It is anticipated that there may be an approximate 2-year lag between the date that development is completed and the date the full assessed value of such development is reflected on the tax roll.

The numbers in Table 2 represent the current maximum density for the Initial Project Areas. ***The type of development and the number of units and square footage of retail/commercial space are based on current projections; actual development may, and will likely, vary. The Net Available Increment allocated to the IRFD will be based on the actual development within the IRFD.***

As Annexation Territory is annexed to the IRFD, information similar to Table 2 will be contained in the Annexation Supplement for each annexation of Annexation Territory.

### **III. DESCRIPTION OF THE PROPOSED IRFD**

#### **A. Boundaries of the IRFD**

The map showing the boundaries of the IRFD (the “**Boundary Map**”), including each of the Initial Project Areas, and the legal description of the property in the IRFD, is attached hereto as Appendix A.

#### **B. Project Areas**

Pursuant to Section 53369.5 of the IRFD Law, the IRFD may be divided into separate Project Areas, each with distinct limitations. As shown on the Boundary Map, the IRFD will initially consist of five (5) Project Areas. Pursuant to Section IV herein, additional Project Areas may be designated in connection with the annexation of additional property to the IRFD.

#### **C. Approval of Boundaries**

Pursuant to Section 53369.10 of the IRFD Law, the Boundary Map was preliminarily approved by the Board in the Resolution of Intention.

#### **IV. PROCEDURE FOR ANNEXATION OF PROPERTY TO THE IRFD**

##### **A. Authority for Project Areas and Annexation**

Section 53369.5(b) of the IRFD Law provides as follows:

A district may include areas that are not contiguous. A district may be divided into project areas, each of which may be subject to distinct limitations established under this chapter. The legislative body may, at any time, add territory to a district or amend the infrastructure financing plan for the district by conducting the same procedures for the formation of a district or approval of bonds, if applicable, as provided pursuant to this chapter.

##### **B. Findings of the Board**

The Board hereby finds and determines as follows:

- The IRFD Law allows the annexation of property into an IRFD subsequent to the initial formation of the IRFD.
- The IRFD Law allows the creation of Project Areas within the boundaries of the IRFD that may have distinct limitations, and any tax increment generated from a Project Area is allocated to the IRFD.
- When property is annexed into the IRFD, a vote shall be required of the qualified electors of the territory to be annexed only.
- Property that is annexed into the IRFD may annex into an existing Project Area, in which case it will be subject to the limitations applicable to that Project Area, or into a separate and newly-created Project Area with unique limitations that are set forth in the Annexation Supplement (as defined below).
- This Infrastructure Financing Plan defines the procedures for the annexation of property into the IRFD, and such procedures are consistent with the Resolution of Intention and the IRFD Law.

**C. Initiation of Annexation**

Annexation of property to the IRFD shall be initiated by a petition executed by the owners of the property desiring to annex into the IRFD (the "**Annexation Territory**"). The petition shall include (i) the name of the owner(s) of the Annexation Territory, (ii) the legal description of the Annexation Territory (which may be by reference to Assessor's Parcel Numbers or lots on a recorded map), (iii) either the identity of the existing Project Area into which the Annexation Territory is to be annexed or a request to designate the Annexation Territory as a new Project Area, (iv) if the Annexation Territory is to be designated as a new Project Area, the Commencement Year (as defined in Section VII) for the new Project Area, (v) the anticipated amount of additional Bonds (as defined herein) that may be issued as a result of the allocation of the tax increment derived from the Annexation Territory, and (vi) authorization to use the Net Available Increment derived from the Annexation Territory and any additional Bond proceeds for purposes of financing the IRFD Improvements described in Section V.

**D. Procedures for Annexation**

This section summarizes the procedures for annexation of Annexation Territory to the IRFD. The intent of this section is to establish a clear process for each and every annexation of Annexation Territory, subject to any changes in the IRFD Law or any changes to this Infrastructure Financing Plan. Numerous annexations over time are expected.

1. Adopt a Resolution of Intention to Annex. Within sixty (60) days following the receipt of a petition for annexation, the Board shall adopt a resolution of intention to annex the applicable Annexation Territory into the IRFD (the "**Resolution of Intention to Annex**"). Each Resolution of Intention to Annex shall do all of the following:

a. State that annexation of the Annexation Territory to the IRFD is proposed under the terms of the IRFD Law and this Infrastructure Financing Plan and describe the boundaries of the Annexation Territory, which may be accomplished by reference to a map on file in the office of the clerk of the City, and shall include a legal description of the Annexation Territory.

b. Identify the existing Project Area into which the Annexation Territory is proposed to be annexed, or, if the property owners have requested that the Annexation Territory be annexed into the IRFD as a new Project Area, identify the name and location of the new Project Area.

c. Identify the Base Year for determining the Net Available Increment to be derived from the Annexation Territory, which shall be Fiscal Year 2016-17.

d. State that upon annexation of the Annexation Territory to the IRFD, the IRFD Improvements described in this Infrastructure Financing Plan may be financed with the Net Available Increment derived from the Annexation Territory, including any additional Bond proceeds that may be generated as the result of the increased allocation of Net Available Increment derived from the Annexation Territory.

e. If a new Project Area is requested, establish (i) the Commencement Year for when Net Available Increment from the Annexation Territory will commence to be allocated to the IRFD, which shall be the same as the Commencement Year identified in the petition of the landowners, unless the landowners of the Annexation Territory agree in writing to an alternative Commencement Year, and (ii) the termination date, which shall be 40 years after the Commencement Year (or such longer period permitted by the IRFD Law and approved by the Board).

f. Pursuant to resolution, the Board approved the issuance of Bonds for the Initial Project Areas of the IRFD in a maximum principal amount of (i) \$780 million plus (ii) the amount approved by the Board and the qualified electors of the Annexation Territory in connection with each annexation of Annexation Territory to the IRFD. Therefore, each Resolution of Intention to Annex will state that the annexation of the Annexation Territory to the IRFD will include an authorization to issue a maximum additional principal amount of Bonds above the \$780 million authorized for the Initial Project Areas. Such additional Bonds will be issued upon the same terms, and subject to the same limitations, as the Bonds set forth in the resolutions forming the IRFD.

g. State that Annexation Territory, if annexed to the IRFD, will be subject to the appropriations limit established for the IRFD.

h. Fix a time and place for a public hearing on the proposed annexation with the date of the public hearing to be no sooner than 60 days after the proposed Annexation Supplement (as defined below) of this Infrastructure Financing Plan has been sent to the Clerk of the Board.

2. Resolution of Intention to Issue Bonds. For each annexation, the Board shall adopt a resolution stating its intent to issue additional Bonds secured by the Net Available Increment for the IRFD as a whole as a result of the additional bonding capacity derived from the addition of the Annexation Territory. Any bonds issued in the IRFD will be secured by all of the property in the IRFD, including all Project Areas. The resolution shall contain the information described in Section 53369.41 of the IRFD Law.

3. Annexation Supplement. After adopting a Resolution of Intention to Annex, the Board will adopt a resolution designating and directing TIDA to prepare an appendix to this Infrastructure Financing Plan for the applicable Annexation Territory (each an “**Annexation Supplement**”). Upon its completion, each Annexation Supplement will be sent to each landowner in the Annexation Territory, and the Board, as the legislative body of the only affected taxing entity, will approve such Annexation Supplement, and such Annexation Supplement will be a permanent part of this Infrastructure Financing Plan.

4. Distribution of Copies of Resolution of Intention to Annex; Notice of Public Hearing. The clerk of the Board shall mail a copy of each Resolution of Intention to Annex to each owner of land within the applicable Annexation Territory and to the Clerk of the Board. In addition, a notice of each public hearing shall be given by publication not less than once a week for four successive weeks in a newspaper of general circulation published in the City. The notice shall state that the IRFD will be used to finance public works, briefly describe the public works, briefly describe the proposed financial arrangements, including the proposed commitment of incremental tax revenue, describe the boundaries of the IRFD and the Annexation Territory and state the day, hour, and place when and where any persons having any objections to the annexation of the Annexation Territory or the proposed Annexation Supplement, or the regularity of any of the prior proceedings, may appear before the Board and object to the annexation of the Annexation Territory or the adoption of the Annexation Supplement by the Board.

5. Conduct Public Hearing. The Board shall conduct a public hearing prior to approving any Annexation Supplement to this Infrastructure Financing Plan and approving the annexation of the Annexation Territory to the IRFD. The public hearing shall be called no sooner than 60 days after the applicable Annexation Supplement has been sent to each owner of property in the Annexation Territory. At the hour set in the required notices, the Board shall proceed to hear and pass upon all written and oral objections. The hearing may be continued from time to time. The Board shall consider all evidence and testimony for and against the annexation of the Annexation Territory and the adoption of the Annexation Supplement.

6. Calling Special Election.

a. At the conclusion of a public hearing on an annexation of Annexation Territory, the Board may adopt a resolution proposing such annexation and proposing adoption of the Annexation Supplement, or it may abandon the proceedings. In the resolution of annexation, the Board will submit the proposal to annex the Annexation Territory to the IRFD, the authorization to issue Bonds for the IRFD (as increased by the inclusion of the Annexation Territory), and the appropriations limit of the IRFD to the qualified electors of the Annexation Territory in an election that complies with Sections 53369.20-53369.22 of the IRFD Law.

b. For each annexation, the qualified electors for the election shall be the qualified electors for the applicable Annexation Territory only, as defined in Section 53369.20 of the IRFD Law.

7. Adoption of an Ordinance. After the canvass of returns of any election on the annexation of property to the IRFD, and if two-thirds of the votes cast by the qualified electors in the Annexation Territory upon the question of annexing the Annexation Territory to the IRFD are in favor of such annexation, the Board shall, by ordinance, adopt the Annexation Supplement and order the annexation of the Annexation Territory to the IRFD with full force and effect of law. The ordinance shall identify the Commencement Year if the Annexation Territory is designated as a new Project Area and the principal amount of the Bonds added to the maximum aggregate principal amount of Bonds for the IRFD as a result of the annexation. If two-thirds of the votes cast by the qualified electors in the Annexation Territory upon the question of annexing the Annexation Territory to the IRFD are not in favor of such annexation, the Board shall take no further action with respect to the proposed annexation of such Annexation Territory for one year from the date of the election.

## **V. DESCRIPTION OF THE FACILITIES REQUIRED TO SERVE THE PROJECT**

Based on the information available to the City as of the date of this Infrastructure Financing Plan and subject to change, the following is a description of the facilities required to serve the Project.

### ***A. Facilities to be Provided by the Private Sector***

The Facilities required to serve development that will be provided by the private sector are as follows:

- Improvements to strengthen the perimeter of Treasure Island.
- Interior soil stabilization and raising the level of Treasure Island.
- Public infrastructure on Treasure Island, including roads and highways, curbs and gutters, sidewalks, streetlights, storm drains, water improvements, fire protections, recycled water improvements, storm drains, retaining walls, landscaping, conduit and cables, and other public utilities.
- Open space, parks and shoreline improvements.
- Improvements to the Ferry Terminal.
- Improvements required for development of the Project.

These Facilities are described in more detail in Appendix C.

These Facilities will be constructed throughout Treasure Island as development progresses (currently estimated to continue through 2035).

Some, but not all, of these Facilities are anticipated to be financed or reimbursed through the IRFD, consistent with the DDA Financing Plan. All of the Facilities listed in Appendix C under the caption “Facilities to be Provided by the Private Sector” are to be constructed by the Developer of the Project. To the extent not financed by the IRFD (or other forms of public finance, including Mello-Roos Financings (see subsection C of Section VII)), the costs listed in Appendix C under the caption “Facilities to be Provided by the Private Sector” will be borne by the Developer.

***B. Facilities to be Provided by Governmental Entities Without Assistance from the IRFD***

The City will construct a Wastewater Treatment Plant on Treasure Island expected to cost approximately \$65 million. This Wastewater Treatment Plan will not be financed with assistance from the IRFD.

***C. Facilities to be Financed with Assistance from the Proposed IRFD***

The housing to be developed by TIDA and the Facilities required to serve development in the area of the IRFD, including anticipated Annexation Territories, are summarized in Appendix C. The Facilities include both those provided by the private sector and those provided by the public sector, and the Housing Costs include affordable housing to be provided by TIDA.

As set forth in Section VII and the DDA Financing Plan:

- 82.5% of Net Available Increment will be used to finance Facilities (directly or through Bonds);
- 17.5% of the Net Available Increment will be dedicated to TIDA to be used for Housing Costs (directly or through Bonds); and
- Once Developer has been paid or reimbursed for all Qualified Project Costs to which it is entitled for the Project as a whole (not just the Initial Project Areas) as defined in and in accordance with the Development Agreements, the City may dedicate 100% of the Net Available Increment to TIDA for Housing Costs or Facilities set forth on Appendix C as may be updated and approved by the TIDA Board and the City’s Board.

As shown, the total cost of the Facilities for the entire Project to be provided by the private sector in current dollars is estimated at approximately \$1.9 billion.

As shown, the estimated Housing Costs to be incurred by TIDA in current dollars is approximately \$970 million. Housing Costs of affordable housing built by TIDA will be financed out of the 17.5% of the Net Available Increment allocated to TIDA for affordable housing until the Developer has been paid or reimbursed for all Qualified Project Costs to which it is entitled for the Project as a whole (not just the Initial Project Areas) under the Development Agreements; thereafter, 100% of the Net Available Increment may be used to financing Housing Costs to be incurred by TIDA.

As shown, the total cost of Facilities to be provided by TIDA or the City in current dollars is estimated at approximately \$250 million.

By mutual agreement, the City and Developer may agree to issue Facilities-only or affordable housing-only bonds to finance only Facilities or affordable housing, respectively, or divide the allocation in some other manner depending on the timing of construction expenditures, provided the overall allocation must satisfy the requirements of the DDA Financing Plan.

***D. Facilities to be Provided Jointly by the Private Sector and Governmental Entities***

None.

**VI. COMMUNITYWIDE BENEFITS OF IRFD-FUNDED FACILITIES**

The IRFD Improvements will substantially benefit not just the immediate Treasure Island neighborhood, but the City as a whole. Treasure Island will be transformed from its current condition into a new and vibrant neighborhood, with all new utility connections, streets, landscaping, passive and active open space, and transportation upgrades, as well as new commercial and residential uses. These new and improved amenities will both support the new community as well as draw visitors from within San Francisco as well as neighboring areas. The Treasure Island neighborhood is unique in that it contains a concentration of streets of citywide and regional importance because of its proximity to the Bay Bridge and the bridge's on- and off-ramps in the neighborhood, in addition to its proximity to the downtown, the City's major job center.

Treasure Island has been targeted as a key part of the City to absorb future growth per the Development Agreements. Funding the IRFD Improvements on Treasure Island will support and catalyze planned growth in the City. Should these IRFD Improvements not be funded and

constructed, housing development on Treasure Island will be less robust and will be a less desirable area for growth, pushing development pressures into outlying areas of the City and the region, contrary to existing local and regional policies, which would exacerbate local and regional congestion, greenhouse gas emissions, and job-housing imbalance locally and regionally. By supporting growth on Treasure Island with necessary public infrastructure and improvements, future residents will be provided the option of taking the ferry or public transit to the East Bay or into the City center, and from there to take Muni, BART, or Caltrans. The transit hub on Treasure Island will be located within walking distance of every residence on Treasure Island and an on-island shuttle will bring residents from around Treasure Island to the Transit Hub, thereby reducing the need for any residents to drive. The construction of affordable housing will serve a significant communitywide benefit in helping to alleviate the regional housing crisis, particularly the significant need for affordable housing located near job centers. The open space program includes a 25-plus acre Sports Park providing flexible-programming athletic fields capable of supporting a variety of active recreational activities and team sports to foster healthy and active lifestyles for residents and visitors as well as providing needed regional service sports facilities and space for large gatherings and events. Additionally, passive uses of open space will be added, including urban farms, walking trails, and parks.

As described above, the construction of affordable housing will serve a significant communitywide benefit in helping to alleviate the regional housing crisis, particularly the significant need for affordable housing located near job centers.

The City and TIDA found that the IRFD Improvements are of community-wide significance in Section 3.2(b) of the DDA Financing Plan. The Board of Supervisors also found that the IRFD Improvements are of community-wide significance in the Resolution of Intention.

## **VII. FINANCING SECTION**

***The financing plan delineated in this Infrastructure Financing Plan is based on the best information available regarding the scope, timing, and value of future development. However, given the time horizon for the entire Project development and the conceptual nature of some of the planned developments, actual values may be different than the projections contained herein.***

The IRFD will receive incremental property tax revenue that would otherwise be allocated to the City. No other taxing entity is affected by or participating in the IRFD. Consequently, the tax increment revenues as discussed in this Infrastructure Financing Plan means only the City Portion, as shown in Table 3 below:

**Table 3 – Distribution of 1% Property Tax Rate Among Taxing Agencies**

<b><i>Distribution of 1% Property Tax Rate in City and County of San Francisco</i></b>		
City Portion		
• City Pledged Portion	IRFD	<b>56.69%</b>
• City Portion Not Dedicated to IRFD but Pledged as Conditional City Increment	City and County General Fund (unless needed by the IRFD as set forth in the DDA Financing Plan)	<b>8.00%</b>
ERAF Portion		
	Education Revenue Augmentation Fund	<b>25.33%</b>
Other Taxing Agencies		
	San Francisco Unified School District	7.70%
	San Francisco Community College Fund	1.44%
	Bay Area Rapid Transit District	0.63%
	Bay Area Air Quality Management District	<u>0.21%</u>
	Total Other Taxing Agencies	<b>9.98%</b>
	<b>Total</b>	<b>100.00%</b>

As used in this Infrastructure Financing Plan, and consistent with the DDA Financing Plan, the “City Pledged Portion” of the property tax amounts that are dedicated to the IRFD and shown in Table 3 above shall be referred to as "**Net Available Increment**" and the City Portion not dedicated to the IRFD but pledged if and as needed to pay debt service on Bonds shall be referred to as the "**Conditional City Increment**".

The IRFD will be funded solely from a diversion of the Net Available Increment that would otherwise be distributed to the General Fund. However, pursuant to the Development Agreements, the Conditional City Increment is pledged for the payment of Bonds issued by the IRFD to the extent Net Available Increment is not available to make a debt service payment (see Section VIII for a discussion of the pledge of the Conditional City Increment). Tax increment revenues payable to ERAF and the Other Taxing Agencies are not affected by or pledged to the IRFD.

As described herein, there are five Initial Project Areas in the IRFD. Each Project Area has its own limitations under the IRFD Law. The base year for the IRFD and each proposed and future Project Area shall be Fiscal Year 2016-2017, but the tax increment revenues will be allocated to each Project Area commencing in the applicable Commencement Year described below in Table 4 (the "**Commencement Year**").

The Commencement Year shall be calculated separately for each Project Area. Tax increment shall be allocated to a Project Area on the first day of the fiscal year that follows the fiscal year in which at a certain amount of tax increment (i.e., the “**trigger amount**”) is generated in the Project Area and received by the City, and ending 40 years thereafter (or such longer period, if permitted by the IRFD Law and approved by the Board). The trigger amount for each Initial Project Area is shown in Table 4.

**Table 4 – Project Areas and Limitations**

---

<sup>3</sup> Or such longer period if allowed by the IRFD Law and approved by the Board.

A table similar to Table 4 shall be set forth in the Annexation Supplement for each annexation of Annexation Territory.

***A. Maximum portion of the incremental tax revenue of the City proposed to be committed to the IRFD for each year during which the IRFD will receive incremental tax revenue***

As shown above in Table 3, the City receives 64.69% of property tax increment generated within the IRFD, including 56.69% which it dedicated and pledged in the DDA Financing Plan as Net Available Increment to finance the IRFD Improvements and 8.0% which is dedicated as Conditional City Increment, but will accrue to the City's General Fund if not required for repayment of Bonds (as defined herein). Separately for each Project Area of the IRFD, property tax increment is calculated by applying the 1% base tax levy to incremental assessed property value<sup>4</sup> of the property in a Project Area. Incremental assessed property value is the difference between future assessed value of the property in the Project Area during any year for the Project Area and the aggregate assessed value of the Project Area's properties as shown upon the assessment roll used in connection with the taxation of the property by the City, last equalized prior to the effective date of the ordinance creating the IRFD pursuant to the IRFD Law, and referred to as the base year for the applicable Project Area (as shown in Table 4).

In the Development Agreements and by this Infrastructure Financing Plan, the City has agreed to allocate 100% of the Net Available Increment to the financing of the IRFD Improvements that qualify under the IRFD Law, until all of such IRFD Improvements are financed in full. **Therefore, the maximum portion of incremental tax revenue of the City proposed to be annually committed to the IRFD for each year during which the IRFD will receive incremental tax revenue is 56.69% of the 1% base property tax levy, as shown above in Table 3 (subject to an additional contribution of the Conditional City Increment if needed as set forth in the DDA Financing Plan).**

Under the DDA Financing Plan, the Developer and the City agreed that 17.5% of the Net Available Increment will be allocated to TIDA for Housing Costs. Section 53369.3 of the IRFD Law allows the financing of Housing Costs from tax increment. Consequently, 17.5% of all tax increment revenues that are allocated to the IRFD (as collected and paid annually and as collected from the proceeds of each sale of Bonds, unless otherwise agreed by the City) shall

---

<sup>4</sup> While the current total property tax rate is 1.18%, voter-approved overrides comprise .18%. Therefore, the taxes that are potentially available for distribution are calculated from the 1% County-wide rate.

be put in a segregated account to be used by TIDA for Housing Costs. The remaining 82.5% will be used to finance the private sector improvements constituting a portion of the IRFD Improvements. As set forth above in Section V, once the Developer has been paid or reimbursed for all Qualified Project Costs to which it is entitled for the Project as a whole (not just the Initial Project Areas) under the Development Agreements, the City may dedicate 100% of the Net Available Increment to TIDA for Housing Costs or Facilities set forth on Appendix C approved by the TIDA Board and the City's Board.

For the Initial Project Areas, the base year aggregated assessed value of each Initial Project Area in the IRFD properties is anticipated to be \$0. The new development anticipated within the Initial Project Areas of the IRFD is anticipated to be valued at \$4.24 billion upon build-out, resulting in an estimated \$42.4 million of annual property tax increment and \$24.1 million of annual Net Available Increment.

82.5% of Net Available Increment will be used to finance Facilities and 17.5% will be available to TIDA for Housing Costs.

As Annexation Territory is annexed to the IRFD, information similar to the preceding paragraphs in this Section will be contained in the Annexation Supplement for each annexation of Annexation Territory.

***B. Projection of the amount of tax revenues expected to be received by the IRFD in each year during which the IRFD will receive tax revenues***

The anticipated incremental assessed value, property tax increment, Net Available Increment, and Conditional City Increment for the Initial Project Areas of the IRFD are summarized in Table 5 below. The anticipated incremental assessed value, property tax increment, Net Available Increment, and Conditional City Increment for each individual Initial Project Area of the IRFD are summarized in Tables 5A – 5E below in nominal dollars.

***The amounts shown in Table 5 and in Tables 5A – 5E are based on the best information available regarding the scope, timing, and value of future development. However, given the time horizon for the entire Project development and the conceptual nature of some of the planned developments, actual values may be different than the projections contained herein. In addition, because the commencement years and final years for receiving Net Available Increment is dependent on the timing of generation and receipt of Net Available Increment within each Project Area, the commencement and final years shown in Table 5 and Tables 5A – 5E are estimates only; actual dates for each Project Area may differ.***

The Board will allocate the Net Available Increment to the IRFD, which will be applied to meet all of its obligations, including: (A) for 82.5% of the Net Available Increment (i) accumulation and expenditure on Facilities, and (ii) payment of debt service, debt service coverage requirements, and replenishment of any debt service reserve fund for Bonds secured by the 82.5% of the Net Available Increment; and (B) for 17.5% of the Net Available Increment (i) accumulation and expenditure on Housing Costs, and (ii) payment of debt service, debt service coverage requirements, and replenishment of any debt service reserve fund for Bonds secured by the 17.5% of the Net Available Increment.

As Annexation Territory is annexed into the IRFD, the Annexation Supplement shall contain a table similar to the tables above for the tax increment revenues expected from each annexation of Annexation Territory.

***C. Plan for financing the IRFD Improvements, including a detailed description of any intention to incur debt***

The IRFD Improvements will be financed through a combination of annual tax increment revenue allocated to the IRFD (in the manner permitted by the IRFD Law, including, without limitation, Section 53369.2), as well as indebtedness (herein, “**Bonds**”) secured by the property tax increment committed to the IRFD.

Under proceedings to form the IRFD, the IRFD is authorized to issue, in one or more series, up to (i) \$780 million in Bonds, plus (ii) the amount approved by the Board and the qualified electors of the Annexation Territory in connection with each annexation of Annexation Territory to the IRFD. Pursuant to the IRFD Law, the Board intends to issue Bonds, in one or more series, secured by the Net Available Increment generated from all Project Areas in the IRFD. The Bonds may be taxable or tax-exempt, and may be current-interest bonds, capital appreciation bonds, fixed-rate bonds, or variable-rate bonds. Pursuant to Section 53369.14(d)(5) of the IRFD Law, the Board may issue Bonds with a final maturity date of up to 30 years from the date of issuance.

As Annexation Territory is annexed to the IRFD, the Annexation Supplement for each annexation shall estimate the additional bond capacity that results from the tax increment revenue to be generated by the Annexation Territory.

***D. Limit on the total number of dollars of taxes that may be allocated to the IRFD pursuant to this Infrastructure Financing Plan***

It is estimated that:

- a total of \$1.081 billion of Net Available Increment and \$152 million of Conditional City Increment<sup>5</sup> will be generated within the Initial Project Areas of the IRFD over the life of the IRFD to finance the IRFD Improvements,
- plus additional amounts of Net Available Increment and Conditional City Increment generated from Annexation Territory annexed to the IRFD following approval of such annexation by the Board and the qualified electors within such Annexation Territory.

The amount generated within the Initial Project Areas represents 100% of the total tax increment that would otherwise be allocated to the General Fund of the City from the properties in the Initial Project Areas of the IRFD over the life of the IRFD. This amount is necessary to fund debt service on the Bonds used to fund the private sector Facilities and is expected to be sufficient to pay any pay-as-you-go administrative and capital expenses for the Initial Project Areas.

The annual allocation of tax increment to the IRFD for purposes of Section 53369.30(b) of the IRFD Law shall be the amount appropriated by the Board for deposit in the special fund or funds established for the IRFD; provided, however, that the Board hereby commits to appropriate and, therefore, allocate Net Available Increment from the Initial Project Areas to (i) to pay debt service on any Bonds issued for the IRFD and to comply with any other covenants related to Bonds issued for the IRFD as set forth in the Development Agreements and the approval actions relating to each Bond issuance and (ii) reimburse the Developer in accordance with the DDA Financing Plan.

**After providing an allowance for variations in future inflation, it has been determined that the total nominal number of tax increment dollars to be allocated to the Initial Project Areas of the IRFD over the life of the IRFD shall not exceed \$1.53 billion of Net Available Increment and \$216 million of Conditional City Increment. The combined total of Net Available Increment and Conditional City Increment allocated to the Initial Projects Areas of the IRFD shall not exceed \$1.75 billion. The IRFD cash flow projection assuming these factors is set forth in Appendix D, Table 1 (Net Available Increment) and Table 2 (Conditional City Increment).**

---

<sup>5</sup> The use of Conditional City Increment is restricted as described in Section VIII.

As Annexation Territory is annexed to the IRFD, the increase in the allocation of tax increment dollars to the IRFD as a result of the annexation of Annexation Territory, along with information similar to that set forth above, shall be included in the Annexation Supplement for each annexation of the Annexation Territory.

***E. IRFD termination date by Project Area***

Each Initial Project Area of the IRFD will terminate forty (40) years (or such longer period as allowed by the IRFD Law and approved by the Board) from the date specified as the Commencement Year, as shown in Table 4 and in any corresponding table in an Annexation Supplement. As additional land is annexed to the IRFD into its own Project Area, the termination date will be the fortieth (40<sup>th</sup>) year (or such longer period as allowed by the IRFD Law and approved by the Board) from the date specified in the Annexation Supplement as the Commencement Year (which may be any year selected by the land owner annexing into the IRFD). See Table 4 for a list of the termination dates for the Initial Project Areas.

As Annexation Territory is annexed to the IRFD, a table similar to Table 4 shall be included in the Annexation Supplement for each annexation of Annexation Territory. The IRFD will terminate on the same date as the final Project Area (as may be created by annexation of Annexation Territory) in the IRFD terminates.

***F. Analysis of City service costs and revenues to be generated by the Project***

An assessment of the annual revenue and cost impacts of the entire Project on the City is presented in Appendix B. As shown, net of revenues allocated to the IRFD, the Project is expected to generate an annual surplus to the City (i.e., the General Fund, the MTA Fund, the Library Fund, and the Children’s Fund) during construction and upon buildout. The diversion of revenues to the IRFD is not anticipated to adversely impact the City’s ability to provide services to the area. Upon stabilization, the IRFD properties are anticipated to annually generate a net surplus of \$11.1 million to the City after the diversion to the IRFD and payment of all Bonds. The annual surplus upon stabilization to the City’s General Fund is anticipated to total \$7.4 million.

***G. Analysis of fiscal impact of IRFD on each affected taxing entity***

The only taxing entity that is affected by the IRFD is the City. The impacts on the General Fund of the City are detailed in the fiscal impact analysis provided as Appendix B. See Appendix B and subsection F above.

***H. Transit Priority Project Program analysis***

As part of the Project entitlements, the City created an innovative and robust transit and transportation program designed to reduce private automobile use. The parameters of the

development, including building heights, densities, the affordable housing program and the transportation program, were approved as an integrated whole in June 2011. The City does not currently intend to provide any increase in densities under the Transit Priority Project Program set forth in Government Code Section 65470(c). To the extent that the City and Developer may apply for state or federal funds as a transit priority project under Government Code Section 65470 or any other state or federal law, nothing in this subsection H shall prevent such application or award.

### ***I. Replacement Housing***

The plan providing for the replacement of dwelling units occupied by persons or families of low or moderate income proposed to be removed or destroyed in the course of private development or facilities construction within the area of the IRFD and the relocation of such persons or families consistent with Section 53369.6 of the IRFD Law is set forth in the TIDA DDA Housing Plan (the "**Housing Plan**"), which is shown as Exhibit E to the TIDA DDA. Furthermore, in order to comply with Sections 53369.6(d) and 53369.6(e) of the IRFD Law and other applicable laws, TIDA adopted the Transition Housing Rules and Regulations (the "**THRRs**") to provide certain benefits to households legally occupying the housing units at the time they are required to move in connection with the Project, including for pre-DDA households the opportunity to occupy transition units, moving benefits, and down-payment assistance. All occupants are also provided with advisory services in accordance with applicable law. The TIDA DDA provides that, as a mutual condition to close on any Sub-Phase and transfer from TIDA to Developer, the THRRs must be implemented as to all units in that Sub-Phase. Finally, the Housing Plan provides that the Developer shall not have the right to demolish any existing occupied residential units on Yerba Buena Island or Treasure Island until the Transition Requirements, as defined in Section 10.3.3(h) of the TIDA DDA have been satisfied. For the complete terms of the foregoing provisions, reference is hereby made to the TIDA DDA and the Housing Plan.

The Initial Project Areas were transferred to the Developer from TIDA on February 22, 2016. The Developer commenced demolition of improvements in the Initial Project Areas in March, 2016. Demolition on Yerba Buena Island was completed in August, 2016; demolition on Treasure Island is expected to be completed in December, 2016. In the Initial Project Areas, a total of 70 residential units were demolished. These 70 units are the total units demolished in the Initial Project Areas – both market and low-income units. None of these 70 units were occupied at the time of demolition.

Under the Housing Plan, in the Initial Project Areas, the Developer is constructing approximately 111 low-income units, and TIDA is expected to construct approximately 196 low-income units. Accordingly, the number of low-income units being constructed in the Initial Project Areas far exceeds the number of low-income units demolished in such area. A minimum of 70 replacement units will be constructed prior to the end of the 4-year time period required by Section 53369.6 of the IRFD Law.

The Board finds that the satisfaction of the conditions for demolition and replacement housing in the Housing Plan, including the THRRs, satisfies Section 53369.6 of the IRFD Law as it relates to the Initial Project Areas.

As used in this section, the term “**low-income unit**” means a unit occupied by persons or families of low or moderate income at affordable housing cost (as defined in California Health and Safety Code Section 50052.5) or affordable rent (as defined in California Health and Safety Code Section 50053).

As Annexation Territory is annexed to the IRFD, if dwelling units are to be demolished, a section similar to this subsection I shall be included in the Annexation Supplement for each annexation of Annexation Territory.

## **VIII. MISCELLANEOUS PROVISIONS**

### **A. *Conditional City Increment***

Under Section 3.3(e) of the DDA Financing Plan, the Developer and the City agreed that the City would allocate the "Conditional City Increment" to the IRFD for the limited purpose of paying debt service on Bonds in the event that the Net Available Increment is insufficient for that purpose. The Conditional City Increment is identified in Table 3.

In connection with the issuance of Bonds, the Conditional City Increment shall be added to the Net Available Increment when determining coverage on the Bonds and such amounts shall be pledged to the payment of debt service on the Bonds. However, in any given year, should the Net Available Increment be sufficient to cover the debt service on the Bonds, the Conditional City Increment shall not be remitted to the IRFD, or, if previously remitted to the IRFD, shall be returned to the City.

If the Conditional City Increment is ever used to pay debt service on Bonds, then in future years after first paying or setting aside amounts needed for debt service due during such Fiscal Year on Bonds for the IRFD secured by or payable from Net Available Increment, the IRFD shall repay the City out of Net Available Increment for any Conditional City Increment used to pay debt service on Bonds in an amount equal to the Conditional City Increment used to pay debt service on the Bonds plus interest through the date of repayment of the amount of Conditional City Increment used to pay debt service on the Bonds at the Default Interest Rate (as defined in the DDA Financing Plan).

**B. *Limitations on Receipt of Tax Increment Revenues***

The Developer agreed to certain restrictions on the receipt of Net Available Increment under certain circumstances. Accordingly, the limitations on receipt of Net Available Increment described in Sections 3.8 and 3.9 of the DDA Financing Plan are incorporated into this Infrastructure Financing Plan.

**C. *Mello-Roos Financing***

Under the DDA Financing Plan, the City and the Developer agreed to form one or more community facilities districts (each a "**CFD**") under the Mello-Roos Community Facilities Act of 1982 (the "**CFD Act**") to finance various facilities. Some of the Facilities are also eligible for financing by the CFD. The Developer and the City intend to use both the CFDs and the IRFD to fund all of the eligible facilities required to be constructed for the Project. In addition, the TIDA Board and the Board may authorize Net Available Increment be used to pay debt service on one or more CFDs.

**D. *Validation***

The City will be seeking a validation judgment regarding the IRFD pursuant to Section 860 of the California Code of Civil Procedure.

## I. EXECUTIVE SUMMARY

The City and County of San Francisco (CCSF), is considering adopting an Infrastructure and Revitalization Financing District (IRFD) to fund a portion of the cost of developing public facilities and affordable housing that will support the Treasure Island/Yerba Buena Island Development Project (the Project). The process for adopting an IRFD is governed by California Government Code Sections 53369 -53369.49. The fiscal impact analysis presented in this report has been prepared to meet the requirements of Section 53369.14 (d) (6), specifically addressing the following:

“The costs to the city of providing facilities and services to the area of the district while the area is being developed and after the area is developed. The plan shall also include an analysis of the tax, fee, charge, and other revenues expected to be received by the city as a result of expected development in the area of the district.”<sup>1</sup>

The Project consists of the development of a mixed use community on Treasure Island and Yerba Buena Island to be undertaken by Treasure Island Community Development LLC (TICD) and the Treasure Island Development Authority (TIDA). It is anticipated that the Project will include 8,000 housing units, two hotels totaling 250 rooms, 451,000 square feet of retail and 100,000 square feet of office. The Project will also contain over 300 acres of privately maintained parks and open space, among other community amenities. Completion and full occupancy of the Project is anticipated by FY2031/32 (16 years). Upon buildout, the Project's service population is projected to reach 16,326 residents and 2,544 employees.

The IRFD will initially include a portion of the Project, with an estimated 2,221 market rate and inclusionary units and 250 hotel rooms. It is anticipated that additional properties will be added to the IRFD over time. Because City services to the Islands generally cannot be apportioned to the various individual components of the Project, this fiscal impact analysis addresses the impacts of the anticipated entire Project. The analysis reflects the anticipated development program and phasing schedule provided by TICD in March 2016 (27.2% affordable scenario), as well as current fiscal information derived from CCSF's FY 2015/16 Budget and Appropriation Ordinance.

This analysis updates the fiscal impact estimates contained in the “Fiscal Analysis of the Treasure Island/Yerba Buena Island Development Project” prepared by Economic & Planning Systems, Inc. (EPS) in May 2011. The 2011 analysis was approved as part of the approval of the Project's Development Agreement between TICD and TIDA. Consistent with the approach of the May 2011 analysis, this fiscal analysis addresses the additional General Fund service costs to be generated by the Project beyond the cost of General Fund services that are currently being provided to the Islands. There are some differences in approach, however, which are detailed in Section IIC.

---

<sup>1</sup> The CCSF is the only taxing agency that is proposed to participate in the IRFD. Therefore, this fiscal analysis addresses only the impacts on the CCSF.

It is anticipated that the IRFD for the entire Project will be comprised of several project areas. Each project area will have a 40-year term, with a start date conditioned upon achievement of an assessed valuation threshold, selected specifically for each project area. Given that the overall term of the IRFD is not known at this time, this fiscal analysis evaluates the impacts of the entire Project over an extended period of time to ensure that the potential aggregate of 40-year terms is captured by the analysis. A 52-year term, extending from FY 2015/16 through FY 2067/68 has been evaluated.

The analysis evaluates the cumulative and annual fiscal impacts on the CCSF General Fund, the Municipal Transit Agency (MTA) Fund (“MTA Fund”), and the Library Preservation Fund (“Library Fund”). The analysis assumes the diversion of 100% of the General Fund’s 56.69% share of base 1% property tax increment to the IRFD throughout the entire study period. <sup>2</sup>

The analysis is presented in the attached Tables 1 through 26, Appendix Tables A-1 through A-4 and in Section III of this report.

#### A. Net Fiscal impacts to the General Fund

The Project is anticipated to generate a cumulative surplus to the City’s General Fund over the anticipated window of the term of the IRFD. It is estimated that the cumulative surplus to the City’s General Fund from FY 2015/16 through FY 2067/68 will total approximately \$688.2 million in nominal dollars or \$328.7 million in current (2016) dollars (3% discount rate). The Project is anticipated to generate an annual General Fund surplus throughout the study period, with an estimated annual surplus upon stabilization of \$12.2 million in nominal dollars or \$6.8 million in current (2016) dollars.

<b>Exhibit 1 – Net General Fund Impacts</b>				
	<b>Cumulative Impacts (FY 2015/16 – FY 2067/68)</b>		<b>Annual Impacts Upon Build-out / Stabilization (FY 2035/36)</b>

<b>Net Surplus (Expense)</b>	<b>\$328.7</b>	<b>\$688.2</b>	<b>\$6.8</b>	<b>\$12.2</b>

\* Includes annual recurring and construction-related revenues

<sup>2</sup> This is a conservative assumption. A portion of property tax revenue will likely be retained by the City prior to and following the 40-year terms of the individual IRFD project areas.

## B. Net Fiscal Impacts to MTA and Library Preservation Funds

The Project is anticipated to generate a cumulative surplus and ongoing annual surpluses after build-out to the MTA and Library Preservation Funds. The sum of operating revenues and General Fund transfers (required by the City's Charter) to be generated by the Project are anticipated to exceed the estimated cost to the funds of providing enhanced services in all fiscal years and result in a cumulative surplus. The cumulative surplus is estimated to total \$201 million (2016\$). The annual surplus upon stabilization is estimated to total \$3.8 million (2016\$).

Exhibit 2 – Net MTA and Library Fund Impacts

<b>Net Surplus (Expense)</b>	<b>\$201.0</b>	<b>\$495.8</b>	<b>\$3.8</b>	<b>\$6.8</b>

## C. Aggregate Net Fiscal Impacts to General Fund, MTA Fund and Library Preservation Fund

The Project's aggregate impact on the General Fund, MTA Fund and Library Preservation Fund is anticipated to be positive on a cumulative basis and on an annual basis throughout the study period. The cumulative city surplus is estimated to total \$529.6 million (2016\$). The annual city surplus upon stabilization is estimated to total \$10.5 million (2016\$).

<b>Net Surplus (Expense)</b>	<b>\$529.6</b>	<b>\$1,184.0</b>	<b>\$10.5</b>	<b>\$19.0</b>

## D. Other City Revenues to be Generated by the Project

The Project will generate additional revenues to the City. These include traditional sources of revenue as well as revenues resulting from the terms of the Development Agreement. Traditional sources include building permit fees, development impact fees and ongoing revenues that are "restricted" to specific purposes. Ongoing "restricted" revenues include General Fund transfers to the Children's Services Fund, as well as franchise fees, fines, licenses and forfeiture revenues to be generated by the Project. These revenues are presented in Table 2A.

Project specific revenue sources include: a subsidy payment for affordable housing totaling \$17,500 per market rate unit, funding for parks and open space maintenance, funding for community facilities, and funding for transportation. Given that these are limited revenue contributions that will not be available on a recurring basis, and some are payments to mitigate impacts generated by the Project, they have not been quantified and included in this fiscal analysis.

## II. INTRODUCTION

The City and County of San Francisco (CCSF), is considering adopting an Infrastructure and Revitalization Financing District (IRFD) to fund a portion of the cost of developing public facilities and affordable housing that will support the Treasure Island/Yerba Buena Island Development Project (the Project). The process for adopting an IRFD is governed by California Government Code Sections 53369 -53369.49. The fiscal impact analysis presented in this report has been prepared to meet the requirements of Section 53369.14 (d) (6), specifically addressing the following:

“The costs to the city of providing facilities and services to the area of the district while the area is being developed and after the area is developed. The plan shall also include an analysis of the tax, fee, charge, and other revenues expected to be received by the city as a result of expected development in the area of the district.”<sup>3</sup>

### A. Project Description

The subject Project consists of the development of a 360-acre site on Yerba Buena and Treasure Island (the Islands) with residential, commercial and hotel uses, in addition to 300 acres of privately maintained parks and open space. The developer, Treasure Island Community Development LLC (TICD), anticipates the Project to reach completion and full occupancy by FY 2031/32, or within the next 16 years. Exhibit 4 summarizes the anticipated development program, which includes:

- 8,000 housing units, including:
  - 5,521 for sale units, of which 223 are Below Market Rate (BMR) units
  - 613 rental units, of which 84 are BMR units
  - 1,866 additional BMR rental units to be built on sites owned by TIDA and the Treasure Island Homeless Development Initiative (TIHDI)
- Two hotels with a total of 250 rooms
- 451,000 square feet of retail
- 100,000 square feet of office

Pricing of for-sale residential units is anticipated to range from \$1.1 million to \$1.8 million for market rate units and \$175,000 to \$353,000 for BMR units (Exhibit 5).

<sup>3</sup> The CCSF is the only taxing agency that is proposed to participate in the IRFD. Therefore, this fiscal analysis addresses only the impacts on the CCSF.

## B. Service Population

Upon buildout, the Project's service population is projected to reach 16,326 residents and 2,544 employees (Exhibit 6). Density factors used for estimating employment are referenced in the table below. The total residential population is estimated by unit type based on average household size information from the American Community Survey (2014) for comparable census block groups in San Francisco. The average household size of the Project reflects a factor of 2.04 residents per household, which is slightly below the San Francisco average of 2.10 (Appendix Table A-4). The service population is equivalent to the sum of the resident and employee population (day and evening population).

### C. Approach

The subject analysis evaluates the marginal impacts of the Project on the CCSF General Fund, Municipal Transit Agency (MTA) Fund, and Library Preservation Fund. The analysis runs from FY 2015/16 through FY 2067/68, which encompasses the full construction period and the duration of the IRFD.<sup>4</sup>

The fiscal impacts are presented net of General Fund tax increment to be diverted to the IRFD. The analysis assumes the diversion of 100% of the General Fund's 56.69% share of base 1% property tax increment for the duration of the study period to the IRFD.<sup>5</sup>

This analysis updates the fiscal impact estimates contained in the "Fiscal Analysis of the Treasure Island/Yerba Buena Island Development Project" prepared by Economic & Planning Systems, Inc. (EPS) in May 2011. The 2011 analysis was approved as part of the approval of the Project's Development Agreement between TICD and TIDA. Consistent with the approach of the May 2011 analysis, this fiscal analysis addresses the marginal additional General Fund service costs to be generated by the Project beyond the cost of General Fund services that are

<sup>4</sup> The IRFD is comprised of multiple project areas. Each project area will have a term of 40 years, with start and termination dates specific to each project area. The termination dates have not yet been established for any of the project areas, but it is likely that none will extend beyond 2067/68.

<sup>5</sup> This is a conservative assumption. A portion of property tax revenue will likely be retained by the City during the study period, prior to and following the 40-year terms of the individual IRFD project areas.

currently being provided to the Islands. The approach of the subject analysis does, however, differ from the previous analysis in several respects:

1. *Charter-required transfers of aggregate discretionary revenues from the General Fund to the MTA Fund, Children's Services Fund and Library Preservation Fund.* While the previous analysis considered only the General Fund transfer to MTA, the subject analysis reflects the impacts to the General Fund net of the three transfers. The baseline revenue transfers reflected in the analysis are as follows:
  - MTA Fund – 9.19% of General Fund Aggregate Discretionary Revenue (ADR)
  - Library Preservation Fund – 2.29% of ADR
  - Children's Services Fund – 8.76% of ADR
2. *Property tax set-asides from the General Fund to the Open Space Fund, Children's Services Fund and Library Preservation Fund.* In the subject analysis, property tax set-asides to the Open Space Fund, Children's Services Fund and Library Preservation Fund, representing 8% of the base property tax increment, are assumed to be retained by the General Fund to fund General Fund services. Pursuant to the Development Agreement, this revenue shall be available to meet debt coverage requirements for IRFD bonds. The prior analysis apportioned 8% of base property tax increment to the foregoing funds.
3. *Policy changes.* The subject analysis reflects policy changes that have taken effect following the completion of the prior analysis. Proposition B, passed by voters in 2014, stipulates that the baseline revenue transfer amount to the MTA Fund must be adjusted annually to reflect the change in the CCSF service population. This population-based adjustment to the citywide General Fund transfer is calculated as a General Fund expense in the subject analysis. In addition, the subject analysis reflects changes to the allocation of Transit Occupancy Tax (TOT) revenues. TOT revenues that were diverted to the Convention Facilities Fund at the time of the 2011 analysis are now assumed to be retained by the General Fund, per the FY 2015/16 Adopted Budget.
4. *Exclusion of certain General Fund revenue sources.* The subject analysis excludes two revenue categories that were included as General Fund revenues in the 2011 analysis. The Controller's Office has indicated that General Fund revenues categorized as Licenses, Permits and Fees and Fines, Forfeitures and Penalties are generally restricted for specific expenditures not available to fund General Fund service costs. These revenues have been estimated, but not included as General Fund revenues.

Projections contained in the subject analysis are based on a combination of project-specific estimating sources and on average revenue and cost factors derived from the CCSF budget

ordinance. Project-specific estimating sources are derived from information provided by the Developer, such as improvement values, and/or input from CCSF departments regarding the service needs of the Project. Average revenue and cost factors are derived per resident, per employee or per service population unit (residents and employees combined) for the City as a whole and applied to the corresponding population of the Project (as shown on Exhibit 6).

The IRFD will initially include a portion of the Project, with an estimated 2,221 market rate and inclusionary units and 250 hotel rooms. It is anticipated that additional properties will be added to the IRFD over time. Because City services to the Islands generally cannot be apportioned to the various individual components of the Project, this fiscal impact analysis addresses the impacts of the anticipated entire Project. The analysis reflects the anticipated development program and phasing schedule provided by TICD in March 2016 (27.2% affordable scenario), as well as current fiscal information derived from CCSF's FY 2015/16 Budget and Appropriation Ordinance.

The assessed valuation schedule reflected in the subject fiscal analysis does not precisely mirror the schedule contained in the main body of the IRFD's Infrastructure Financing Plan (IFP) because: 1) the IFP projection reflects only a portion of the Project while the fiscal impact analysis reflects the entire project; 2) the IFP reflects a "maximum density" development scenario for the initial five project areas while the fiscal analysis reflects a somewhat lower density scenario for the initial five areas; and 3) the IFP reflects specific 40-year terms for each of the five project areas while the fiscal analysis addresses impacts over a longer time period in order to capture the potential window for all of the project areas to ultimately be annexed to the IRFD.

With the exception of property-based revenues, revenue and service cost factors are assumed to increase at an annual rate of 3% per year. Assessed property values for the purposes of estimating VLF and property tax revenues are based on IRFD assessed value projections. Assessed values are assumed to increase at the Proposition 13 statutory rate of 2% per year.

Annual projections contained in the attached tables are presented in nominal (inflated) dollars, unless otherwise noted. Current (2016) dollar figures are calculated based on a 3% per year discount rate and are included in summary tables for comparison purposes.

### III. FISCAL IMPACTS

#### A. Summary of Net Fiscal Impacts to the General Fund

Exhibits 7 and 8 and Table 1 (attached) present the revenue and service cost impacts of the Project on the CCSF General Fund after the expected diversion of tax increment to the IRFD.

The Project is anticipated to generate a surplus to the City's General Fund, amounting to \$328.7 million (2016\$) over the full 52-year study period. Per Exhibit 7, the net surplus in stabilized year FY 2035/36 would total \$6.8 million (2016\$).

## B. General Fund Revenues

Exhibits 9 through 12 and Tables 2-A and 2-B (attached) provide additional information on the revenue impacts of the Project on the CCSF General Fund after the expected diversion of tax increment to the IRFD. Detailed assumptions are provided on Table 10 and calculations are provided on Tables 11A through 15 (recurring revenues) and Tables 24 through 26 (construction-related revenues).

### 1. Recurring Revenues

Cumulative recurring General Fund revenues are estimated to total \$871.1 million (2016\$). Upon stabilization, the Project is estimated to generate approximately \$21.9 million in annual General Fund revenues by year FY 2035/36 (2016\$). VLF revenues are expected to be the leading category (23%), followed by property transfer taxes (18%), and the 8% General Fund share of base property taxes (17%). Public Safety Sales Tax revenues are a restricted revenue source; remaining revenue sources are assumed to be discretionary.

**2. One-Time Construction Revenues**

In addition to recurring revenues, the Project will generate one-time, construction-related revenues amounting to \$110.2 million (2016\$) through buildout (Exhibit 11). Exhibit 9 illustrates the distribution of cumulative construction-related revenues. Transfer taxes on initial pad and unit sales account for 69% of revenues, followed by gross receipts taxes paid by contractors (15%) and use tax revenues from purchases of construction materials, including unrestricted use tax revenues (11%) and use tax revenues for public safety purposes (5%). The estimate of gross receipts taxes includes a small amount of payroll taxes to be paid by contractors before the payroll tax fully phases out in 2018.

### **3. Property Tax In-Lieu of Motor Vehicle License Fees (VLF) Revenues**

Pursuant to SB 1096, the City receives subvention revenues from the State in the form of an allocation of property tax revenues to replace a large portion of the motor vehicle license fee revenues that were distributed proportionate to population prior to the adoption of the legislation in 2004. These subvention payments are based on the growth in assessed value relative to the Citywide assessed value as of 2004/05. Under the State’s formula, the City receives \$1.07 per \$1,000 of growth in assessed property values. Revenue from the Project is based on the Project’s contribution to growth in assessed values (Tables 10, 11A).

### **4. Property Transfer Tax Revenues**

The CCSF collects a property transfer tax of \$6.80 per \$1,000 of transferred value on transactions between \$250,000 and \$1 million, \$7.50 per \$1,000 on transactions up to \$5 million, \$20.00 per \$1,000 on transactions of up to \$10 million, and \$25.00 per \$1,000 on transactions of \$10 million or more. This analysis estimates property transfer taxes based on sales values of the initial site acquisition, completed pads and residential units, absorption rates, and the assumption that for-sale homes will be resold, on average, every 10 years. The resale value of market rate and below market units is assumed to increase annually by 1% and 3%, respectively. A tax rate of \$20 per \$1,000 is assumed for initial site acquisition and residential pad sales; a rate of \$7.50 per \$1,000 is assumed for hotel pad sales and market rate residential units; finally, a rate of \$6.80 per \$1,000 is assumed for sales of BMR units. Rental and commercial buildings are assumed to be subject to extensive hold periods (Tables 10, 15, 25).

## **5. 8% Portion of General Fund Property Tax Increment – 8% of 1% Base Property Tax Levy**

100% of the General Fund's 56.7% share of property tax increment will be diverted to the IRFD over the life of the IRFD and will not be available to fund General Fund service costs. The General Fund receives an additional 8% of the 1% base tax levy. While the 8% portion of the base tax levy is traditionally set aside for the Open Space Fund, Children's Services Fund and Library Preservation Fund, it is assumed that this "8% Portion of General Fund tax increment" is retained by the General Fund and is used to fund city services. The share of property taxes retained by the General Fund is anticipated to total \$125.5 million through FY2067/68 (2016\$), including \$3.8 million (2016\$) annually upon stabilization.

The property's assessed value in FY 2015/16 is assumed to be \$0. Future assessed values are estimated based on values projected in TICD's pro forma. Values of residential units reflect targeted sales prices presented on Exhibit 2. Assessed values are assumed to increase at the Prop. 13 statutory rate of 2% per year and readjust to market values upon sale (Tables 10, 11A).

## **6. Transient Occupancy Tax ("Hotel Tax")**

Hotel tax revenues reflect room rates and occupancy rates to be achieved by the 50-room hotel on Yerba Buena Island and the 200-room hotel on Treasure Island, based on information provided by TICD and analysis of the performance of competitive hotels in the market place. Based on this information, the Yerba Buena Island hotel would generate approximately \$178,000 in annual revenue per room, assuming an average daily rate of \$650 and stabilized occupancy of 75%. The Treasure Island hotel would generate approximately \$82,000 in annual revenue per room, assuming an average daily rate of \$300 and stabilized occupancy of 75%. The hotel tax rate in San Francisco is 14%, resulting in annual TOT revenues per room of approximately \$11,500 for the Treasure Island hotel and \$25,000 for the Yerba Buena Island hotel. One hundred percent of TOT revenues are assumed to accrue to the General Fund, pursuant to the FY2015/16 Adopted Budget (Tables 10, 11A).

## **7. Sales and Use Tax Revenues**

The CCSF General Fund receives 1% of taxable sales. Recurring sales tax revenues will be generated from on-site retail sales and through spending by Project residents within the City. Construction-related sales tax revenues comprise business-to-business sales generated from the purchase of construction materials. Consistent with the 2011 EPS study, business-to-business taxable sales generated by office tenants are not considered, and employee spending is assumed to be reflected in on-site retail sales. Specific sales tax assumptions by source are summarized below:

- *Retailer-generated:* Taxable sales generated by on-site retailers are estimated assuming gross (taxable and non-taxable) sales productivity of \$600 per rentable square foot, with

80% of sales being taxable. The anticipated sales performance of the Project aligns with that of competitive Class A retail space in San Francisco, such as Stonestown Galleria. Consistent with the 2011 EPS study, on-site sales are reduced by 25% to avoid double-counting of on-site resident expenditures (Tables 10, 13).

- *Hotel-generated:* Non-room revenues are assumed to comprise one-third of total hotel revenues and half of these sales are assumed to be taxable, consistent with the 2011 EPS study. Based on projected room rates, taxable sales per room are estimated to be \$21,000 for the Treasure Island hotel and \$44,000 for the Yerba Buena Island hotel (Tables 10, 13).
- *Resident-generated:* Taxable sales generated by new residents are implied from the estimated household incomes by unit type of Project residents and consumer expenditure data published by the Bureau of Labor Statistics. Estimates are reduced to account for expenditures that are anticipated to occur outside of San Francisco based on the City's existing capture rate of retail expenditure potential, derived from California Board of Equalization and U.S. Census data (Tables 10, 12).
- *Construction-generated:* Use tax revenues generated by construction contractors are estimated based on development costs provided in the TICD development pro forma and typical relationships between "hard" and "soft" development costs and material and labor costs. The revenue estimate reflects the assumption that San Francisco is designated as the point of sale by the general and sub-contractors for 50% of materials purchased for the construction of the Project (Tables 10, 25).

## **8. Public Safety Sales Tax Revenues**

Unlike other General Fund revenue sources included in this analysis, Public Safety Sales Tax revenues are restricted to specific public safety uses. The City and County receives an annual allocation of the half-cent statewide Public Safety Sales Tax (Proposition 172) in proportion to its share of statewide taxable sales. For purposes of this analysis it is assumed that the CCSF disbursement will grow proportionally to the increase in taxable sales supported by the Project (Tables 10, 11, 26). For taxable sales assumptions, refer to the discussion of the general (1%) sales and use tax, above.

## **9. Payroll/ Gross Receipts Tax Revenues**

Passed by voters in November 2012, the gross receipts tax replaces the City and County's payroll tax, and phases in from 2014 to 2018. Consequently, construction contractors are the only businesses expected to generate payroll taxes (Table 10).

Per the San Francisco Business and Tax Regulations Code, Article 12-A-1: Gross Receipts Tax, the tax rate varies by business type and by the amount of gross receipts generated. Businesses generating less than \$1 million each year in gross receipts are exempt from the tax.

Average retail and hotel gross receipts are based on the sales productivity levels used to estimate sales and hotel taxes. Construction and rental and leasing gross receipts are based on the TICD pro forma. Tax rates are assigned to these businesses by selecting the applicable industry and size category from the rate schedule. For office tenants, gross receipts taxes are estimated based on 2015 gross receipts tax revenue generated per employee by all San Francisco firms, adjusted to account for phase-in factors that apply to gross receipts tax rates through 2018 (Tables 10, 14, 25).

Payroll tax rates for fiscal years 2015/16 through 2018/19 are determined in accordance with San Francisco Business and Tax Regulations Code, Article 12-A: Payroll Expense Tax Ordinance. It is assumed that payroll constitutes 40% of construction hard costs and that 25% of payroll expenditures are exempt from taxation (Tables 10, 25).

### ***10. Business Registration Fee Revenues***

Per the San Francisco Business and Tax Regulations Code, Article 12: Business Registration, the fee per business is charged by tier based on the level of gross receipts generated. The number of businesses at the project is calculated assuming 3,000 square feet per retail business and 5,000 square feet per office business. Two hotels are assumed. Average gross receipts for office, retail and hotel businesses used to determine applicable fee rates are consistent with gross receipts tax estimating assumptions (Tables 10, 14).

### ***11. Utility Users Tax Revenues***

The City and County of San Francisco imposes a 7.5% tax on charges for certain utilities services. These include non-residential telephone, electricity, natural gas, steam, and water services, and both residential and non-residential cellular telephone services. For purposes of this analysis, the utility users tax has been estimated based on CCSF budget factors for FY 2015/16. The budget factors have been calculated on a per employee basis for electricity, natural gas, steam, and water taxes, and on a per service population basis for telephone services (Tables 10, 11).

### ***12. Access Line Tax Revenues***

Access line taxes are levied against residential and commercial users. For purposes of this analysis, the access tax is estimated based on CCSF budget factors for FY 2015/16. The budget factors have been calculated on a per service population basis. Based on the City's 2015/16 budget, access line tax revenues total approximately \$31.25 per resident/employee (Tables 10, 11).

### ***13. Licenses, Permits and Franchise Fees and Fines, Forfeitures and Penalties***

Licenses, permits, and franchise fees, and fines, forfeitures, and penalties are excluded from the General Fund revenue sources. The Controller's Office has indicated that these revenue

categories are comprised primarily of restricted revenues dedicated to specific expenditures that have not been included in the analysis. For informational purposes, Table 2-A estimates total revenues to be generated by the Project for each category of restricted revenues.

### C. General Fund Expenses

Exhibits 13 and 14 and Tables 2-A and 2-B provide information on the expense impacts of the Project on the CCSF General Fund after the expected diversion of tax increment to the IRFD. Detailed expense assumptions are provided on Table 16 and calculations are provided on Tables 17 through 23.

Cumulative General Fund expenses are estimated to total \$652.6 million (2016\$). The Project is estimated to generate approximately \$15.1 million in General Fund expenditures in stabilized year FY 2035/36 (2016\$). Exhibit 14 illustrates the distribution of recurring General Fund expenditures. Fire Protection is expected to be the leading expense category (31%), followed by Police Services (24%) and the population-based transfer to MTA required under Proposition B (23%).

**Exhibit 14 – Expenditures by Source in Stabilized Year FY 2035/36**

**1. General Fund Transfer to MTA Fund**

For purposes of ensuring adequate funding for public transit, the San Francisco Charter requires an annual transfer from the General Fund to the MTA Fund. The base transfer amount is equivalent to 9.193% of aggregate General Fund discretionary revenues. Proposition B, passed by voters in 2014, stipulates that the base transfer amount must be adjusted annually to reflect the change in the CCSF service population. In this analysis, the baseline transfer is deducted from gross revenues to be generated by the Project, while the Proposition B transfer is calculated as a General Fund expense. The annual Proposition B transfer from the General Fund to MTA is calculated by applying the current transfer amount per service population unit to the Project’s service population (Tables 16, 21-A).

Per the San Francisco Charter, a supplementary transfer may be required to compensate MTA for increases in transit service. KMA compared the net costs of enhanced transit services on Treasure Island to the projected base transfer (including Proposition B) to determine the need for additional General Fund support. Based on this analysis, as presented on Table 21-A, base General Fund transfers, as well as MTA operating revenue and intergovernmental transfers to be generated by the Project are anticipated to exceed the estimated cost to MTA of providing enhanced services in all fiscal years. Based on this assessment, no supplementary General Fund transfer to MTA has been assumed.

**2. Fire Department Expenditures**

The San Francisco Fire Department anticipates that upon buildout, the Project will require two engine trucks, two ladder trucks, two ambulances, and a battalion chief. In addition, the 2011 EPS report indicates that there is currently one engine, one ladder truck, one ambulance, and

one hose tender on the Islands. The estimate of marginal expenditures therefore reflects the addition of one engine, one ladder truck, one ambulance, the battalion chief, as well as the phasing out of the hose tender. Personnel costs are based on the 2015-16 Salary Ordinance and staffing ratios by apparatus provided in the 2011 EPS report. Capital costs by apparatus reflect cost estimates from the 2011 EPS report, adjusted for inflation. All capital costs are annualized based on their useful life, per the EPS report. Based on the most recent TICD Schedule of Performance (June 2016), it is assumed that new fire expenses will be phased in upon completion of the new fire station on Treasure Island in FY 2023-24 (Tables 16, 18, 19).

### **3. Police Department Expenditures**

Based on a service level of 1.7 sworn officers per 1,000 residents and employees as determined in the 2011 EPS report, the Project is anticipated to require 32 officers upon buildout. In addition, the EPS report indicates that there are currently 11 sworn officers serving the Treasure Island station. Therefore, the marginal cost of the Project reflects the addition of 21 sworn officers. The factor for total Police expenditures on Treasure Island is \$297 per unit of service population, which has been extrapolated from the targeted service level and the staffing cost per sworn officer estimated by the San Francisco Office of the Controller in 2015. Existing service costs are estimated based on the same study of staffing costs and are netted out from the total public safety cost to determine the marginal impact of the Project (Tables 16, 17).

### **4. 911/ Emergency Communications**

The factor for Emergency Communications expenditures is \$25 per resident, in accordance with a service level of 1.18 emergency calls per resident. The service level is based on the 2011 EPS study, while staffing costs are derived from the 2015 Adopted Salary Ordinance (Tables 16, 17).

### **5. Public Health**

The factor for Public Health expenditures is \$60 per resident, which reflects modifications to the analysis of public health costs contained in the 2011 EPS study. The prior analysis estimates Public Health costs based on average usage of emergency room and inpatient services per low to moderate income resident, and the cost to the General Fund to provide these services. In the present analysis, the service cost per low to moderate income resident is adjusted for inflation and applied to the population of low and moderate income residents upon buildout of the Project. The total cost is divided by the total resident population to determine the Public Health cost per resident (Tables 16, 17).

### **6. Public Works**

Public Works expenses include maintenance of street infrastructure built by the Project. The Project will add 1,849,420 square feet of streets which will be publicly maintained. The annual cost per mile for street sweeping and for capital repairs is based on the EPS report and adjusted

for inflation. Maintenance costs of new street infrastructure are phased in over the development program as specific population thresholds are met (Tables 16, 20). It is also assumed that private sources will share in maintenance costs during the construction period. A portion of new Public Works expenses will be offset by restricted Public Works revenues generated by the Project:

- *Gas Tax* – The CCSF Gas Tax fund is anticipated to receive revenues proportional to the Project’s residential population as a percentage of the City’s current population. The current factor for Gas Tax revenues is \$20 per resident based on the CCSF FY 2015/16 budget (Table 10);
- *Prop. K Sales Tax* – Public Works receives a portion of the half-cent local sales tax for transportation capital projects approved by voters in 2003. In accordance with the Proposition K expenditure plan, it is assumed that Public Works will receive 10% of tax revenues for street maintenance and renovation projects (Table 10).

Currently, TIDA funds Public Works work orders on Treasure Island related to street cleaning, street repair, urban forestry, and building repair through lease revenues. Based on conversations with TIDA staff, it is assumed that these expenditures will phase out over the course of the development or continue to be funded through lease revenues.

## **7. Library / Community Facilities**

Per the 2011 EPS report, the Project is anticipated to include certain community facility expenses to be supported by the General Fund and/or other funds. These facilities may include: a community center, a library, and senior and youth services. It is assumed that Library expenditures will be funded by baseline transfers to the Library Preservation Fund, while Community facility expenditures will be funded by the General Fund. Operations costs and the initial cost of furnishings, fixtures, and equipment for planned facilities are based on estimates from the 2011 EPS report, adjusted for inflation. Initial capital costs are amortized over five years with a five percent interest rate, starting in FY 2021/22 (Table 23).

## **8. Elections**

The factor for Elections expenditures is \$17 per resident, based on a service level of 800 voters per polling place, per the 2011 EPS study. The average cost per polling place reflects the EPS estimate, adjusted for inflation (Tables 16, 17).

## **9. Assessor-Recorder**

The Project will require one full-time equivalent position in the Office of the Assessor Recorder, per the 2011 EPS study. The staffing cost is derived from the 2015 Adopted Salary Ordinance (Tables 16, 17).

## 10. 311

The factor for 311 Call Center expenditures is \$5 per resident, based on a service level of 4.59 calls per resident, per the 2011 EPS study, and staffing costs derived from the 2015 Adopted Salary Ordinance. The expenditure factor has been reduced to reflect transfers from enterprise funds which reimburse half of the Call Center's costs, according to the CCSF FY2015/16 budget (Tables 16, 17).

## 11. Open Space

It is assumed that property owners will be responsible for maintaining the Project's 300 acres of open space.

## 12. Other General Fund Expenditures

Consistent with the 2011 study, the Project is assumed to have no impact on remaining General Fund program areas, including: Culture and Recreation, Human Welfare and Neighborhood Development, Economic Development and other General Administration programs (Table 16).

## D. Summary of Fiscal Impacts to Baseline Funds

Under current City policies, approximately 20% of aggregate discretionary revenues (ADR) are transferred from the General Fund to the MTA, Library Preservation and Children's Services Funds, as detailed on Exhibit 15. The Project is anticipated generate additional General Fund discretionary revenues to be transferred to the foregoing funds, as well as additional costs to the funds to provide enhanced services on the Islands.

Exhibit 15 – General Fund Set-Asides	
Fund	Set-aside %
MTA*	9.19% of ADR
Library Preservation	2.29% of ADR
Children's Services	8.76% of ADR

\* Baseline transfer only. Proposition B population adjustment still calculated as expense. ADR = Aggregate General Fund Discretionary Revenues

The sum of operating revenues and General Fund transfers to be generated by the Project to the MTA and Library Preservation Funds are anticipated to exceed the estimated cost of providing enhanced services in all fiscal years and result in a cumulative surplus. The cumulative surplus is anticipated to total \$201 million (2016\$) through FY2067/68 (Exhibit 16). Per Exhibit 17, the annual surplus upon stabilization in FY 2035/36 is anticipated to be \$3.8 million (2016\$). While

corresponding service costs have not been estimated, General Fund transfers to the Children's Services Fund are anticipated to total \$96.7 million through FY2067/68 (Exhibit 18).

### 1. Net Impact On MTA Fund

The Project's total net impact on MTA consists of: (1) the base share of General Fund revenues generated by the Project to be transferred to MTA; (2) the increase in the citywide base transfer amount attributable to growth in the Project's service population (per Proposition B); and (3) the net service cost to MTA to provide enhanced service to Treasure Island. While the San Francisco Charter provides for a supplementary transfer to MTA to fund changes in service levels, no such transfer is included in the subject analysis, based on the finding that baseline transfers to the MTA are anticipated to exceed the marginal service costs in all fiscal years.

The estimate of net service costs is based on the "Enhanced Level of Service scenario" analyzed in the 2011 EPS fiscal report and the Transportation Implementation Plan (2011), which includes the implementation of the proposed Civic Center line. The scenario reflects eight phases reaching total annual ridership of approximately 3 million and 10 buses in service upon buildout, representing an increase of approximately 2.5 million annual passengers and 6 buses over the

current condition. The following MTA revenue and expenditure inputs are used to estimate net service costs of enhanced transit service, as shown on Tables 21A through 22B:

#### *MTA Expenditures*

- *Operating costs:* Operating costs for the eight phases of the Transportation Plan are based on the 2011 EPS study and adjusted for inflation (Table 22-A).
- *Other MTA costs:* According to the 2011 EPS report, other MTA costs will include annual maintenance of stop signs, signals and bike lines. The cost of these services upon buildout is based upon the EPS study and adjusted for inflation. The buildout cost is phased in over the development period based on annual growth in the service population (Table 22-B).
- *Capital costs*
  - *Vehicles:* The cost per articulated bus is extrapolated from MTA's 2014 procurement contract with New Flyer of America Inc. to purchase 61 articulated low floor buses, including an allowance for tax, warranty, and consultant support. Per the 2011 EPS report, 20% of new vehicle costs are assumed to be covered by the Project Developer; the remaining costs are amortized over a 14-year period with a 5% interest rate (Tables 21-B, 22-B).
  - *Bus Facility:* The cost of storage and maintenance space for new buses is assumed to be approximately \$768,000 per vehicle. The facility cost per bus is extrapolated from the capital cost of the Islais Motor Creek Facility, which is capable of storing 165 motor coaches. Phase I of the \$126 million project containing the bus yard was completed in 2013, while construction of Phase II's operations and maintenance facility is currently underway. Facility costs are amortized over a 30-year period with a 5% interest rate, consistent with the 2011 EPS report (Tables 21-B, 22-B).

#### *MTA Revenues (in addition to baseline transfers)*

- *Farebox revenue:* MTA is assumed to generate farebox revenue of \$0.86 per passenger trip. Revenue per trip is extrapolated from fare revenues reported in the FY 2015-2016 MTA Operating Budget and monthly MTA ridership reported by the National Transit Database. Cable cars have been excluded from the estimate (Table 22-B).
- *Advertising:* Net advertising revenue is assumed to be \$3,500 per vehicle. The estimate is derived from total advertising revenue budgeted for FY 2015-2016 and the average number of MTA vehicles operating at peak demand reported by the National Transit Database. Per the 2011 EPS report, gross revenues are reduced by 50% to account for administrative expenses (Table 22-B).
- *Proposition K sales tax:* MTA receives a portion of the half-cent local sales tax for transportation capital projects approved by voters in 2003. Consistent with the prior EPS report, Proposition K sales tax revenues are estimated based on taxable sales generated by the project and the share of Proposition K revenues available for transit system

maintenance and renovation. According to the Proposition K expenditure plan, 37% of Proposition K tax revenues are allocated for these purposes (Table 22-B).

- *State sales tax (AB 1107):* Taxable sales from the Project will generate AB 1107 sales tax revenue. AB 1107 is a half-cent sales tax which provides funding support to BART, MTA and AC Transit. AB 1107 sales tax revenues are estimated according to taxable sales generated by the Project and MUNI's share of the tax. Pursuant to MTC policy, MTA receives 12.5% of AB 1107 tax revenues (Table 22-B).
- *State Transit Assistance:* Under the State Transit Assistance (STA) program, MTA receives a portion of state gasoline tax revenues, which are allocated based on population and total local revenues spent on transit. The estimate of marginal STA revenues generated by the Project is based on average STA revenues per resident, as derived from MTA's FY 15/16 Adopted Budget and current demographics for San Francisco (Table 22-B).
- *Transportation Development Act sales tax:* Under the Transportation Development Act (TDA) of 1971, MTA receives one-quarter percent of the state sales tax for sales occurring within the City and County of San Francisco. TDA tax revenues are estimated based on the Project's taxable sales and the TDA portion of the state tax rate (Table 22-B).

## **2. Net Impact on the Library Preservation Fund**

The Project's impact on the Library Preservation Fund consists of: (1) the base share of General Fund revenues generated by the Project to be transferred to MTA, and (2) the net service cost to Library to operate a reading room planned for Treasure Island. Operations costs and the initial cost of furnishings, fixtures, and equipment for the planned library facility on Treasure Island are based on estimates from the 2011 EPS report, adjusted for inflation. Initial capital costs are amortized over five years with a five percent interest rate, starting in FY 2021/22 (Table 23).

## **3. Children's Services Fund Revenues**

The analysis has not evaluated costs to the Children's Services Fund to service the project. The estimate of total revenues to be transferred from the General Fund to the Children's Services Fund can be found on Exhibit 18 and Table 2-C in the Appendix.

## **E. Aggregate Net Fiscal Impacts to City and County of San Francisco**

The Project's aggregate impact on the General Fund, MTA Fund and Library Preservation Fund is anticipated to be significantly positive both on a cumulative basis and on an annual basis both preceding and following full build-out. Per Exhibits 19 and 20, the cumulative surplus through FY2067/68 is projected to be \$529.6 million (2016\$). The aggregate annual surplus to all funds upon stabilization is \$10.5 million (2016\$). The net surplus does not include additional restricted revenues to be generated by the Project to the Children's Services Fund (Exhibit 18).

- <sup>1</sup> KMA assumption.
- <sup>2</sup> Table 9.
- <sup>3</sup> Analysis reflects 8% of base 1% tax levy. The balance is assumed to be dedicated to affordable housing and infrastructure.
- <sup>4</sup> Per SB 1096, growth of property tax in lieu of VLF is proportional to growth in AV since 2004/05.
- <sup>5</sup> Values of City and County of San Francisco. California State Controllers Office.
- <sup>6</sup> Base analysis assumes 0% of VLF revenues will be deposited into IFD.

- <sup>1</sup> San Francisco Office of the Controller. FY 2015/16 Rate Table. Based on weighted average of personnel categories identified in 2011 EPS study.
- <sup>2</sup> Per the report, Fiscal Analysis of the Treasure Island/Yerba Buena Island Development Project, by Economic Planning Systems in May 2011. □
- <sup>3</sup> Per March 2016 email from Fire Department, the staffing requirement is anticipated to fall between 65-75 FTE. The prior fiscal analysis prepared by EPS estimated 66 FTE. Base staffing costs are increased by 7% to reflect the current, mid-range staffing estimate (70 FTE).
- <sup>4</sup> Per EPS (2011) report, adjusted for inflation.
- <sup>5</sup> Per March 2016 email from Fire Department, an additional ladder truck will be required. The cost of an additional ladder truck has been added to the projection.

## **FACILITIES TO BE PROVIDED BY PUBLIC SECTOR:**

Upgrades and rehabilitation of publicly-owned assets on Treasure Island and Yerba Buena Island, including, but not limited to, buildings, hangars, school facilities, living quarters, parks, improvements for sea-level rise, and piers. The publicly-owned facilities to be provided by the public sector shall include any facilities described in the City's capital improvement program documents, as they may be amended from time-to-time. All of the publicly-owned assets are located on Treasure Island or Yerba Buena Island.

The City will be responsible for upgrading and rehabilitation of publicly-owned assets on Treasure Island and Yerba Buena Island, including, but not limited to, buildings, hangars, school facilities, living quarters, piers, roads and utilities. The City will also be responsible for future sea-level rise adaptations and for the parks, open spaces, and public infrastructure provided by the developer and dedicated to the City some of which may require capital renewal or improvement before the expiration of the IRFD. All of these publicly-owned assets are or will be located on Treasure Island or Yerba Buena Island. Periodically during the life of the IRFD, TIDA will prepare a capital plan for Treasure Island and Yerba Buena Island for incorporation into the City Capital Plan. After the Developer has been reimbursed for all Qualified Project Costs, the City may dedicate Net Available Increment to finance projects included in the Treasure Island/Yerba Buena Island Capital Plan, as it may be amended from time to time, that otherwise meet the requirements for IRFD financing. Over the projected life of the IRFD and future annexation areas, the costs of these improvements could exceed \$250,000,000 and will be specified in the Treasure Island/Yerba Buena Island Capital Plan, as it may be amended from time to time.

## **AFFORDABLE HOUSING TO BE PROVIDED BY TIDA:**

TIDA intends to construct, or cause the construction of, approximately 1,866 units of affordable housing on Treasure Island. The estimated cost of the projected affordable housing units to be constructed, or cause to be constructed, by TIDA is \$970 million (2016 dollars). The number and cost of affordable housing units to be constructed or financed by the IRFD may be amended by the Board from time to time, as described in this Infrastructure Financing Plan.

Re: *City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)*

To Whom It May Concern:

You are in receipt of a letter dated October 7, 2016 from the undersigned, which:

- (i) Referred to an attached Resolution of Intention, pursuant to which the Board of Supervisors of the City and County of San Francisco stated its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") under Government Code Section 53369 et seq. (the "IRFD Law").
- (ii) Referred to an attached draft Infrastructure Financing Plan.
- (iii) Incorporated the relevant environmental reports required by CEQA ("Relevant EIRs") for the project and any associated private development projects.

The next step in the proceedings related to the IRFD will be a public hearing and a landowner election; both are scheduled to occur on Tuesday, January 24, 2017. In connection with these

proceedings, I attach a change to the Infrastructure Financing Plan from the version you received in the letter dated October 7, 2016. The only change to the Infrastructure Financing Plan from the draft you previously received are as set forth in the attached.

Please contact me if you have any questions. I can be reached at the number below.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'R. Beck', written in a cursive style.

(c) for the purpose of financing Housing Costs, to allocate to the IRFD all or any portion of the ad valorem (i) any property tax revenue that was not previously allocated to the IRFD, including but not limited to any ad valorem property tax revenue annually allocated to the City pursuant to Section 97.70 of the Revenue and Taxation Code, if and to the extent the IRFD Law is amended to permit such an allocation, and (ii) subject to compliance with the DDA Financing Plan, the Conditional City Increment;

(d) to adopt any alternative amendment or annexation procedure with respect to the IRFD that is permitted by an amendment to the IRFD Law; and

(e) to amend the list of IRFD Facilities as long as the Board finds that the resulting IRFD Facilities are permitted by the IRFD Law, will serve the development in the IRFD and are of communitywide significance.

## II. DESCRIPTION OF TREASURE ISLAND PROJECT

The Treasure Island project (the "**Project**") is currently intended to be comprised of approximately nine future development stages on the islands known as Treasure Island and Yerba Buena Island (collectively, "**Treasure Island**"). As detailed on Table 1, it is currently anticipated that the Project will include up to a total of 5,827 market rate residential units, 2,173 below market rate units, 451,000 square feet of retail, 100,000 square feet of commercial space, and 500 hotel rooms.

Appendix A contains a map of Yerba Buena Island and Treasure Island. It is anticipated that the territory planned to be developed as part of the Project that is not initially part of the IRFD will be annexed to the IRFD in the future, in accordance with the procedures set forth in the IRFD Law, the Resolution of Intention, and this Infrastructure Financing Plan. If the anticipated future annexations to the IRFD occur as expected, the ultimate boundaries of the IRFD will encompass the entirety of the development parcels in the Project. A map and the legal description of the property initially contained in the IRFD is set forth in Appendix A.

The Project is being developed by Treasure Island Community Development, LLC, or permitted transferees, as the master developer ("**TICD**" or "**Developer**"). In connection with the development of the Project, (i) TICD and the Treasure Island Development Authority, a California non-profit public benefit corporation ("**TIDA**"), entered into the Disposition and Development Agreement dated June 28, 2011 (the "**TIDA DDA**") and (ii) TICD and the City entered into the Development Agreement dated June 28, 2011 (the "**City DA**" and along with the TIDA DDA, collectively, the "**Development Agreements**"). Attached to both the TIDA DDA and the City DA is the Financing Plan (the "**DDA Financing Plan**"), which discusses, among other things, facilities and Housing Costs (as such term is defined in the DDA Financing Plan) to be financed by the formation of an infrastructure financing district. Although the DDA Financing Plan discusses infrastructure district financing through legislation that is different than the IRFD Law (because the

## NOTICE OF PUBLIC HEARING

### BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT, in accordance with California Government Code, Section 53369.17, the Board of Supervisors of the City and County of San Francisco, as a Committee of the Whole, will hold a public hearing to consider the following proposals and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

**Date:** Tuesday, January 24, 2017

**Time:** 3:00 p.m.

**Location:** Legislative Chamber, City Hall, Room 250  
1 Dr. Carlton B. Goodlett, Place, San Francisco, CA

**Subject:** **File No. 161361.** Hearing of the Board of Supervisors sitting as a Committee of the Whole on January 24, 2017, at 3:00 p.m., to hold a public hearing to consider the following to form Treasure Island Infrastructure and Revitalization Financing District No. 1: (File Nos. 161117, 161118, 161119, 161120, 161121) a Resolution proposing adoption of the Infrastructure Financing Plan and formation of the Infrastructure and Revitalization Financing District; a Resolution calling a special election for the Infrastructure and Revitalization Financing District; a Resolution declaring results of the special election; an Ordinance forming the Infrastructure and Revitalization Financing District, and adopting an Infrastructure Financing Plan for such district; and a Resolution authorizing issuance of bonds for the Infrastructure and Revitalization Financing District and project areas therein, in an aggregate principal amount not to exceed \$780,000,000.

On December 6, 2016, the Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted its "Resolution of Intention to establish City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein to finance the construction and/or acquisition of capital improvements on Treasure Island; to provide for annexation; to call a public hearing on the formation of the district and project areas therein and to provide public notice thereof; and determining other matters in connection therewith" ("Resolution of Intention to Establish IRFD"), stating its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") pursuant to Government Code Section 53369 *et seq.* (the "IRFD Law"). The City intends to form the IRFD for the purpose of financing certain public improvements (the "Facilities") as further provided in the Resolution of Intention to Establish IRFD and summarized herein.

Also on December 6, 2016, the Board of Supervisors adopted its "Resolution authorizing and directing the Director of the Office of Public Finance, or designee thereof, to prepare an infrastructure financing plan for City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein and determining other matters in connection therewith," ordering preparation of an infrastructure financing plan (the "Infrastructure Financing Plan") consistent with the requirements of the IRFD Law. The Infrastructure Financing Plan is available for public inspection in the office of the Clerk of the Board of Supervisors, 1 Dr. Carlton B. Goodlett Place, City Hall, San Francisco, California and on the website of the Clerk of the Board of Supervisors.

Under the IRFD Law, the Board of Supervisors gives notice as follows:

1. Facilities to be Financed. The IRFD will be used to finance costs of the acquisition, construction and improvement of any facilities authorized by Section 53369.3 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure water facilities, water tank facilities, recycled water facilities, storm drainage system, separated sanitary sewer, joint trench, earthwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetscapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal, community facilities, other amounts specifically identified in the DDA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads). The category of facilities labeled "Acquired from Third Parties" reflects current assumptions of the City and TIDA. The IRFD shall be authorized to finance the listed facilities whether they are acquired from third parties or constructed by the City or TIDA.

2. Financial Arrangements. The IRFD will finance the public works described above with tax increment revenue received by the IRFD from the City (and from no

other affected taxing entities), and the proceeds of bonds or other indebtedness issued or incurred by or for the IRFD that is payable from tax increment revenue received by the IRFD.

3. Boundaries of the IRFD. The boundaries of the IRFD are described in a map of the proposed boundaries that is part of the Infrastructure Financing Plan on file with the Clerk of the Board of Supervisors, to which map reference is hereby made. It is anticipated that the ultimate boundaries of the IRFD, following anticipated annexations to the IRFD, will encompass the entirety of the development parcels comprising the development project on Treasure Island and Yerba Buena Island in the City. The process for the annexation of additional parcels into the IRFD is described in the Resolution of Intention to Establish IRFD, which by this reference is incorporated herein.

4. Public Hearing. The public hearing will be held on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA 94102. At the hearing, any persons having any objections to the proposed Infrastructure Financing Plan, or the regularity of any of the prior proceedings relating to the IRFD, may appear before the Board of Supervisors and object to the adoption of the proposed Infrastructure Financing Plan by the Board of Supervisors. The Board of Supervisors will consider all evidence and testimony for and against the adoption of the Infrastructure Financing Plan.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA, 94102. Information relating to this matter is available in the Office of the Clerk of the Board and agenda information relating to this matter will be available for public review on Friday, January 20, 2017.

CITY COUNCIL, CITY OF SOUTH SAN FRANCISCO, STATE OF CALIFORNIA  
**ORDINANCE SUMMARY AN Ordinance amending Chapter 20.360 and Sections 6.90.080, 10.36.178, 20.220.011, 20.230.009, 20.240.012, 20.240.013, 20.340.003, 20.350.023, 20.350.028, 20.350.030, 20.350.034, and 20.450.005 of the South San Francisco Municipal Code pertaining to the regulation of Signs 1. SUMMARY** The City Council of the City of South San Francisco has introduced and adopted an Ordinance that would amend various sections of Chapter 20.360 and sections 6.90.080, 10.36.178, 20.220.011, 20.230.009, 20.240.012, 20.240.013, 20.340.003, 20.350.023, 20.350.028, 20.350.030, 20.350.034, and 20.450.005 of the South San Francisco Municipal Code, pertaining to the regulation of signs in the City. Adoption of this Ordinance would refine, clarify, and correct certain provisions of City's Zoning Ordinance and other sections of the City's Municipal Code in order to make the City's sign regulations consistent with federal law and recent legal developments. Specifically, adoption of this ordinance would amend and clarify the criteria and sizes of signs that are permitted in the City on properties for sale or lease; displayed on vehicles; on and off-premises of businesses; at outdoor eating and drinking establishments; for temporary posting; and on public property, among various other minor amendments and corrections to the City's sign regulations. This Ordinance Summary was prepared pursuant to Government Code section 36933. The City Council ordered preparation of this Ordinance Summary by the City Attorney. The City Council introduced the Ordinance at its regular meeting held December 14, 2016 and adopted it at the regular meeting of January 11, 2017 at 7:00 p.m. in the Municipal Services Building Council Chambers, 33 Arroyo Drive, South San Francisco, CA. The vote was recorded as follows: AYES: Councilmembers Karyl Matsumoto and Mark N. Addiego, Vice Mayor Liza Normandy and Mayor Pradeep Gupta. NOES: None. ABSTAIN: None. ABSENT: Councilmember Richard A. Garbarino. The full text of the ordinance is available for review in the Office of the South San Francisco City Clerk during regular business hours. /S/ Margaret Roberts, Acting City Clerk City of South San Francisco

### NOTICE OF PETITION TO ADMINISTER ESTATE OF RICHARD SOLORZANO CASE NO. PES-16-300475

To all heirs, beneficiaries, creditors, contingent creditors, and persons who may otherwise be interested in the will or estate, or both, of: Richard Solorzano

A Petition for Probate has been filed by Patricia Hewlett in the Superior Court of California, County of San Francisco.

The Petition for Probate requests that Patricia Hewlett be appointed as personal representative to administer the estate of the decedent.

The Petition requests authority to administer the estate under the Independent Administration of Estates Act. (This authority will allow the personal representative to take many actions without obtaining court approval. Before taking certain very important actions, however, the personal representative will be required to give notice to interested persons unless they have waived notice or consented to the proposed action.) The independent administration authority will be granted unless an interested person files an objection to the petition and shows good cause why the court should not grant the authority.

### NOTICE OF PUBLIC HEARING

**NOTICE OF PUBLIC HEARING** - Tuesday, January 24, 2017 - 1:30 PM  
City Hall, Room 400, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102, at a Regular Meeting of the SAN FRANCISCO PUBLIC UTILITIES COMMISSION (SFPUC): Public Hearing, discussion, and possible action to adopt a Water Use Allocation and Excess Use Charge Program for Accounts Complying with Article 12C of the City and County of San Francisco Health Code. The proposed Program would call for each new account required to comply with Article 12C to be classified as a Mandatory Non-potable Water Ordinance Account in SFPUC's Billing System. The proposed Program would also establish water use allocations and excess use charges, applicable only to water and wastewater accounts (Accounts) that are classified as Mandatory Non-potable Water Ordinance Accounts. The detailed agenda and related files will be available at least 72 hours before the scheduled meetings at the SFPUC website www.sfwater.org, or by calling (415) 554-3165.

### NOTICE OF PUBLIC HEARING

**NOTICE OF PUBLIC HEARING** - Tuesday, January 24, 2017 - 1:30 PM

City Hall, Room 400, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102, at a Regular Meeting of the SAN FRANCISCO PUBLIC UTILITIES COMMISSION (SFPUC): Public Hearing, discussion, and possible action to approve changes to administrative procedures associated with the calculation of water and wastewater capacity charges for developments with onsite non-potable water systems. The proposal would change the current calculation of capacity charges from including all plumbing fixtures in a constructed building to only including those plumbing fixtures not being supplied non-potable water from an onsite non-potable water system during normal building operation. The detailed agenda and related files will be available at least 72 hours before the scheduled meetings at the SFPUC website www.sfwater.org, or by calling (415) 554-3165.

### NOTICE OF PUBLIC HEARING BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

**NOTICE IS HEREBY GIVEN THAT**, in accordance with California Government Code, Section 53369.17, the Board of Supervisors of the City and County of San Francisco, as a Committee of the Whole, will hold a public hearing to consider the following proposals and said public hearing will be held as follows, at which time all interested parties may attend and be heard:  
**Date:** Tuesday, January 24, 2017 **Time:** 3:00 p.m.  
**Location:** Legislative

**Chamber, City Hall, Room 250 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA Subject: File No. 161361.** Hearing of the Board of Supervisors sitting as a Committee of the Whole on January 24, 2017, at 3:00 p.m., to hold a public hearing to consider the following to form Treasury Island Infrastructure and Revitalization Financing District No. 1: (File Nos. 161117, 161118, 161119, 161120, 161121) a Resolution proposing adoption of the Infrastructure Financing Plan and formation of the Infrastructure and Revitalization Financing District; a Resolution calling a special election for the Infrastructure and Revitalization Financing District; a Resolution declaring results of the special election; an Ordinance forming the Infrastructure and Revitalization Financing District; and adopting an Infrastructure Financing Plan for such district; and a Resolution authorizing issuance of bonds for the Infrastructure and Revitalization Financing District and project areas therein, in an aggregate principal amount not to exceed \$780,000,000.  
On December 6, 2016, the Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted its "Resolution of Intention to establish City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein to finance the construction and/or acquisition of capital improvements on Treasure Island; to provide for annexation; to call a public

hearing on the formation of the district and project areas therein and to provide public notice thereof; and determining other matters in connection therewith" ("Resolution of Intention to Establish IRFD"), stating its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") pursuant to Government Code Section 53369 et seq. (the "IRFD Law"). The City intends to form the IRFD for the purpose of financing certain public improvements (the "Facilities") as further provided in the Resolution of Intention to Establish IRFD and summarized herein. Also on December 6, 2016, the Board of Supervisors adopted its Resolution authorizing and directing the Director of the Office of Public Finance, or designee thereof, to prepare an infrastructure financing plan for City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein and determining other matters in connection therewith, ordering preparation of an infrastructure financing plan (the "Infrastructure Financing Plan") consistent with the requirements of the IRFD Law. The Infrastructure Financing Plan is available for public inspection in the office of the Clerk of the Board of Supervisors, 1 Dr. Carlton B. Goodlett Place, City Hall, San Francisco, California and on the website of the Clerk of the Board of Supervisors. Under the IRFD Law, the Board of Supervisors gives notice as follows:  
1. Facilities to be financed. The IRFD will be used to finance

costs of the acquisition, construction and improvement of any facilities authorized by Section 53369.3 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure water facilities, water tank facilities, recycled water facilities, storm drainage system, separated sanitary sewer, joint trench, earthwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetscapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal, community facilities, other amounts specifically identified in the DDA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads). The category of facilities labeled "Acquired from Third Parties" reflects current assumptions of the City and TIDA. The IRFD shall be authorized to finance the listed facilities whether they are acquired from third parties or constructed by the City or TIDA.  
2. Financial Arrangements. The IRFD will finance the public works described above with tax increment revenue received by the IRFD from the City (and from no other affected taxing entities), and the proceeds of bonds or other indebtedness issued or incurred by or for the IRFD

that is payable from tax increment revenue received by the IRFD.  
3. Boundaries of the IRFD. The boundaries of the IRFD are described in a map of the proposed boundaries that is part of the Infrastructure Financing Plan on file with the Clerk of the Board of Supervisors, to which map reference is hereby made. It is anticipated that the ultimate boundaries of the IRFD, following anticipated annexations to the IRFD, will encompass the entirety of the development parcels comprising the development project on Treasure Island and Yerba Buena Island in the City. The process for the annexation of additional parcels into the IRFD is described in the Resolution of Intention to Establish IRFD, which by this reference is incorporated herein.  
4. Public Hearing. The public hearing will be held on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett Place, San Francisco, CA 94102. At the hearing, any persons having any objections to the proposed Infrastructure Financing Plan, or the regularity of any of the prior proceedings relating to the IRFD, may appear before the Board of Supervisors and object to the adoption of the proposed Infrastructure Financing Plan by the Board of Supervisors. The Board of Supervisors will consider all evidence and testimony for and against the adoption of the Infrastructure Financing Plan.  
In accordance with Administrative Code, Section 67.7-1, persons who are

unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA, 94102. Information relating to this matter is available in the Office of the Clerk of the Board and agenda information relating to this matter will be available for public review on Friday, January 20, 2017. ### NOTICE OF PUBLIC HEARINGS BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT, in accordance with California Government Code, Sections 53322(a) and 53346, the Board of Supervisors of the City and County of San Francisco, as a Committee of the Whole, will hold public hearings to consider the following proposals and said public hearings will be held as follows, at which time all interested parties may attend and be heard:

**Date:** Tuesday, January 24, 2017 Time: 3:00 p.m.  
**Location:** Legislative Chamber, City Hall, Room 250 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA  
**Subject:** File No. 161362. Hearing of the Board of Supervisors sitting as a Committee of the Whole on January 24, 2017, at 3:00 p.m., to hold public hearings to consider the following to form Community Facilities District No. 2016-1 and incur bonded indebtedness for Community Facilities District No. 2016-1: (File Nos. 161122, 161123, 161124, 161125, 161126, and 161127) a Resolution of formation of Community Facilities District No. 2016-1, Improvement Area No. 1 and a future annexation area; a Resolution determining necessity to incur bonded indebtedness and other debt in an amount not to exceed \$5,000,000,000

for the Community Facilities District; a Resolution calling a special election in the City and County of San Francisco Community Facilities District; a Resolution declaring results of the special election and directing recording of notice of special tax lien for the Community Facilities District; an Ordinance levying special taxes within the Community Facilities District; and a Resolution authorizing the issuance and sale of special tax bonds for Improvement Area No. 1 of the Community Facilities District in an aggregate principal amount not to exceed \$250,000,000. On December 6, 2016, pursuant to the Mello-Roos Community Facilities Act of 1982, as amended ("Mello-Roos Act"), the Board of Supervisors ("Board of Supervisors") of the City and County of San Francisco ("City"), State of California adopted a resolution of intention ("Resolution of Intention") to establish (i) "City and County of San Francisco Community Facilities District No. 2016-1 (Treasure Island)" ("CFD"), (ii) "Improvement Area No. 1 of the City and County of San Francisco Community Facilities District No. 2016-1 (Treasure Island)" ("Improvement Area No. 1"), and (iii) a future annexation area for the CFD ("Future Annexation Area"). Also on December 6, 2016, the Board of Supervisors adopted a resolution of intention to incur bonded indebtedness and other debt in an amount not to exceed \$5.0 billion for the CFD, Improvement Area No. 1 and the Future Annexation Area under the Mello-Roos Act (the "Bond Resolution"). Under the Mello-Roos Act, the Resolution of Intention and the Bond Resolution, the Board of Supervisors gives notice as follows:

1. The text of the Resolution of Intention, with Exhibits A and B thereto, as adopted by the Board of Supervisors, is on file with the Clerk of the Board of Supervisors and reference is made thereto for the particular provisions thereof. The text of the Resolution of Intention is summarized as follows:  
a. Under the Mello-Roos Act, this Board of Supervisors is undertaking proceedings for the establishment of the CFD, Improvement Area No. 1 and the Future Annexation Area, the boundaries of which are shown on a map on file with the City.  
b. The purpose of the CFD, Improvement Area No. 1 and the Future Annexation Area is to provide for the financing of (i) certain public facilities ("Facilities") as more fully described in the Resolution of Intention and Exhibit A thereto and (ii) certain public services ("Services") as more fully described in the Resolution of Intention and Exhibit B thereto. c. Initially, the method of financing the Facilities and the Services is through the imposition and levy of a special tax ("Special Tax") to be apportioned on the properties in Improvement Area No. 1 under the rate and method of apportionment described in the Resolution of Intention and Exhibit B thereto. d. The Resolution of Intention directed the preparation of a CFD Report that shows the Facilities and the Services and the estimated costs of the Facilities and the Services.

The CFD Report will be made a permanent part of the record of the public hearing specified below. Reference is made to the CFD Report as filed with the Clerk of the Board of Supervisors. e. Property within the Future Annexation Area will be annexed to the CFD, and may be designated as one or more improvement areas (each, a "Future Improvement Area"), and a special tax will be levied on such property, only with the unanimous approval (each, a "Unanimous Approval") of the owner or owners of each parcel or parcels at the time that parcel or those parcels are annexed, in accordance with the annexation approval procedures specified in the Resolution of Intention.

f. As set forth below, the Board of Supervisors will hold a public hearing on the establishment of the CFD, Improvement Area No. 1 and the Future Annexation Area, the Facilities, the Services and the Special Tax.  
2. The public hearing will be held on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA 94102.

3. At the hearing, the testimony of all interested persons or taxpayers, including all persons owning property within Improvement Area No. 1, for or against the establishment of the CFD and Improvement Area No. 1, the Special Tax to be levied in Improvement Area No. 1, the extent of the CFD and Improvement Area No. 1 and the furnishing of the specified Facilities and Services, will be heard. Any person interested may file a protest in writing as provided in Section 53323 of the Mello-Roos Act. Any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities and defects to which objection is made. All written protests must be filed with the Clerk of the Board of Supervisors on or before the time fixed for the hearing.

If 50% or more of the registered voters, or six registered voters, whichever is more, residing in the territory proposed to be included in Improvement Area No. 1, or the owners of one-half or more of the area of land in the territory proposed to be included in Improvement Area No. 1 and not exempt from the Special Tax to be levied in Improvement Area No. 1, file written protests against the establishment of Improvement Area No. 1 and the protests are not withdrawn to reduce the value of the protests to less than a majority, the Board of Supervisors shall take no further action to create the CFD and Improvement Area No. 1 or levy the Special Tax in Improvement Area No. 1 for a period of one year from the date of decision of the Board of Supervisors, and, if the majority protests of the registered voters or landowners are only against the furnishing of a type or types of Facilities or Services within the CFD and Improvement Area No. 1, or against levying a specified part of the Special Tax in Improvement Area No. 1, those types of Facilities or Services or the specified part of the Special Tax to be levied in Improvement Area No. 1

will be eliminated from the proceedings to form the CFD and Improvement Area No. 1. In addition, at the hearing, the testimony of all interested persons for and against the establishment of the Future Annexation Area or the levying of special taxes within any portion of the Future Annexation Area annexed in the future to the CFD will be heard. If 50% or more of the registered voters, or 6 registered voters, whichever is more, residing within the proposed territory of the CFD, or if 50% or more of the registered voters, or 6 registered voters, whichever is more, residing in the territory proposed to be included in the Future Annexation Area, or the owners of 50% or more of the area of land in the territory proposed to be included in the Future Annexation Area, file written protests against the establishment of the Future Annexation Area and the protests are not withdrawn to reduce the value of the protests to less than a majority, the Board of Supervisors shall take no further action to create the Future Annexation Area for a period of one year from the date of decision of the Board of Supervisors.

4. If there is no majority protest, the Board of Supervisors may submit the levy of the Special Tax in Improvement Area No. 1 for voter approval at a special election. The Special Tax requires the approval of 2/3rds of the votes cast at a special election by the property owner voters of Improvement Area No. 1, with each owner having one vote for each acre or portion thereof such owner owns in Improvement Area No. 1 not exempt from the Special Tax.

5. Reference is hereby made to the entire text of the Bond Resolution, a complete copy of which is on file with the Clerk of the Board of Supervisors. The text of the Bond Resolution is summarized as follows:

a. The Board of Supervisors has adopted the Resolution of Intention stating its intention to form the CFD, Improvement Area No. 1 and the Future Annexation Areas for the purpose of financing, among other things, all or part of the Facilities, as further provided in that Resolution of Intention.  
b. The Board of Supervisors estimates the amount required to finance the costs of the Facilities to be not more than \$5.0 billion and, in order to finance such costs, it is necessary to (i) incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) in the amount of not more than \$5.0 billion on behalf of the CFD and the improvement areas therein (including Future Improvement Areas (as such term is defined herein)), (ii) for Improvement Area No. 1, to incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) in the amount of not more than \$250 million ("Improvement Area No. 1 Indebtedness Limit"), and (iii) for the portion of the CFD that is not in Improvement Area No. 1, to incur bonded indebtedness and other debt (as defined in the Mello-Roos Act) in the amount of not more than \$4.75 billion ("Non-Improvement Area No. 1 Indebtedness Limit").  
c. The proposed bonded indebtedness and other debt is to finance the Facilities, including acquisition and

improvement costs and all costs incidental to or connected with the accomplishment of such purposes and of the financing thereof, as permitted by the Mello-Roos Act.  
d. The Board of Supervisors, acting as legislative body for the CFD, intends to authorize the issuance and sale of bonds and other forms of debt (as defined in the Mello-Roos Act) payable from the Improvement Area No. 1 Special Tax in one or more series in the aggregate principal amount of not more than the Improvement Area No. 1 Indebtedness Limit. The Board of Supervisors, acting as legislative body for the CFD, intends to authorize the issuance and sale of bonds and other forms of debt (as defined in the Mello-Roos Act) payable from special taxes levied in the portion of the CFD that is not in Improvement Area No. 1 in one or more series in the maximum aggregate principal amount of not more than the Non-Improvement Area No. 1 Indebtedness.

e. In the event all or a portion of the Future Annexation Area is annexed as one or more future improvement areas (each, a "Future Improvement Area"), the maximum indebtedness of each such Future Improvement Area shall be identified and approved in the unanimous approval executed by property owners in connection with their annexation to the CFD at the time of the annexation (each, a "Unanimous Approval") and in accordance with the Annexation Approval Procedures described in the Resolution of Intention referred to above, and the amount of the maximum indebtedness for the Future Improvement Area shall be subtracted from the Non-Improvement Area No. 1 Indebtedness Limit.  
f. The Board of Supervisors, acting as legislative body for the CFD, intends to authorize the issuance and sale of bonds and other forms of debt (as defined in the Mello-Roos Act) payable from a special tax levied in each Future Improvement Area in one or more series in the aggregate principal amount determined at the time of annexation of such territory as a separate improvement area (not to exceed the Non-Improvement Area No. 1 Indebtedness Limit in the aggregate).

6. The Board of Supervisors will hold a public hearing on the necessity of incurring the above amount of bonded indebtedness and other debt for the CFD, Improvement Area No. 1 and the Future Annexation Area on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA 94102.  
7. At public hearing the testimony of all interested persons, including voters and/or persons owning property in the area of the proposed CFD, Improvement Area No. 1 and the Future Annexation Area for and against the proposed bonded debt and other debt, will be heard.

In accordance with Administrative Code, Section

67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors. Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA, 94102. Information relating to this matter is available in the Office of the Clerk of the Board and agenda information relating to this matter will be available for public review on Friday, January 20, 2017. Angela Calvillo Clerk of the Board

### NOTICE OF PUBLIC HEARING BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

**NOTICE IS HEREBY GIVEN** THAT, in accordance with California Government Code, Section 53369.17, the Board of Supervisors of the City and County of San Francisco, as a Committee of the Whole, will hold a public hearing to consider the following proposals and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

**Date:** Tuesday, January 24, 2017 Time: 3:00 p.m.  
**Location:** Legislative Chamber, City Hall, Room 250 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA  
**Subject:** File No. 161361. Hearing of the Board of Supervisors sitting as a Committee of the Whole on January 24, 2017, at 3:00 p.m., to hold a public hearing to consider the following to form Treasure Island Infrastructure and Revitalization Financing District No. 1: (File Nos. 161117, 161118, 161119, 161120, 161121) a Resolution proposing adoption of the Infrastructure Financing Plan and formation of the Infrastructure and Revitalization Financing District; a Resolution calling a special election for the Infrastructure and Revitalization Financing District; a Resolution declaring results of the special election; an Ordinance forming the Infrastructure and Revitalization Financing District, and adopting an Infrastructure Financing Plan for such district; and a Resolution authorizing issuance of bonds for the Infrastructure and Revitalization Financing District and project areas therein, in an aggregate principal amount not to exceed \$780,000,000.

On December 6, 2016, the Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted its "Resolution of Intention to establish City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein to finance the construction and/or acquisition of capital improvements on Treasure Island; to provide for annexation; to call a public hearing on the formation of the district and project areas therein and to provide public notice thereof; and determining

other matters in connection therewith" ("Resolution of Intention to Establish IRFD"), stating its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") pursuant to Government Code Section 53369 et seq. (the "IRFD Law"). The City intends to form the IRFD for the purpose of financing certain public improvements (the "Facilities") as further provided in the Resolution of Intention to Establish IRFD and summarized herein.

Also on December 6, 2016, the Board of Supervisors adopted its "Resolution authorizing and directing the Director of the Office of Public Finance, or designee thereof, to prepare an infrastructure financing plan for City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein and determining other matters in connection therewith," ordering preparation of an infrastructure financing plan (the "Infrastructure Financing Plan") consistent with the requirements of the IRFD Law. The Infrastructure Financing Plan is available for public inspection in the office of the Clerk of the Board of Supervisors, 1 Dr. Carlton B. Goodlett Place, City Hall, San Francisco, California and on the website of the Clerk of the Board of Supervisors.

Under the IRFD Law, the Board of Supervisors gives notice as follows:

1. **Facilities to be Financed.** The IRFD will be used to finance costs of the acquisition, construction and improvement of any facilities authorized by Section 53369.3 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure water facilities, water tank facilities, recycled water facilities, storm drainage system, separated sanitary sewer, joint trench, earthwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetscapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal, community facilities, other amounts specifically identified in the DDA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs (as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads). The category of facilities labeled "Acquired from Third Parties" reflects current assumptions of the City and TIDA. The IRFD shall be authorized to finance the listed facilities whether they are acquired from third parties or constructed by the City or TIDA.

2. **Financial Arrangements.** The IRFD will finance the public works described above received by the IRFD from the City (and from no other affected taxing entities), and the proceeds of bonds or other indebtedness issued or incurred by or for the IRFD

that is payable from tax increment revenue received by the IRFD.

3. **Boundaries of the IRFD.** The boundaries of the IRFD are described in a map of the proposed boundaries that is part of the Infrastructure Financing Plan on file with the Clerk of the Board of Supervisors, to which map reference is hereby made. It is anticipated that the ultimate boundaries of the IRFD, following anticipated annexations to the IRFD, will encompass the entirety of the development parcels comprising the development project on Treasure Island and Yerba Buena Island in the City. The process for the annexation of additional parcels into the IRFD is described in the Resolution of Intention to Establish IRFD, which by this reference is incorporated herein.

4. **Public Hearing.** The public hearing will be held on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA 94102. At the hearing, any persons having any objections to the proposed Infrastructure Financing Plan, or the regularity of any of the prior proceedings relating to the IRFD, may appear before the Board of Supervisors and object to the adoption of the proposed Infrastructure Financing Plan by the Board of Supervisors. The Board of Supervisors will consider all evidence and testimony for and against the adoption of the Infrastructure Financing Plan.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors. #### NOTICE OF PUBLIC HEARING BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO

NOTICE IS HEREBY GIVEN THAT, in accordance with California Government Code, Section 53369.17, the Board of Supervisors of the City and County of San Francisco, as a Committee of the Whole, will hold a public hearing to consider the following proposals and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

**Date:** Tuesday, January 24, 2017  
**Time:** 3:00 p.m.

**Location:** Legislative Chamber, City Hall, Room 250 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA

**Subject:** File No. 161361.

Hearing of the Board of Supervisors sitting as a Committee of the Whole on January 24, 2017, at 3:00 p.m., to hold a public hearing to consider the following to form Treasure Island Infrastructure and Revitalization Financing District No. 1: (File Nos. 16117, 16118, 16119, 16120, 16121) a Resolution proposing adoption of the Infrastructure Financing Plan and formation of the Infrastructure and Revitalization Financing District; a Resolution calling a special election for the Infrastructure and Revitalization Financing District; a Resolution declaring results of the special election; an Ordinance forming the Infrastructure and Revitalization Financing District; and adopting an Infrastructure Financing Plan for such district; and a Resolution authorizing issuance of bonds for the Infrastructure and Revitalization Financing District and project areas therein, in an aggregate principal amount not to exceed \$780,000,000.

On December 6, 2016, the Board of Supervisors (the "Board of Supervisors") of the City and County of San Francisco (the "City") adopted its "Resolution of Intention to establish City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein to finance the construction and/or acquisition of capital improvements on Treasure Island; to provide for annexation; to call a public hearing on the formation of the district and

project areas therein and to provide public notice thereof; and determining other matters in connection therewith" ("Resolution of Intention to Establish IRFD"), stating its intention to form the "City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island)" (the "IRFD") pursuant to Government Code Section 53369 et seq. (the "IRFD Law"). The City intends to form the IRFD for the purpose of financing certain public improvements (the "Facilities") as further provided in the Resolution of Intention to Establish IRFD and summarized herein.

Also on December 6, 2016, the Board of Supervisors adopted its "Resolution authorizing and directing the Director of the Office of Public Finance, or designee thereof, to prepare an infrastructure financing plan for City and County of San Francisco Infrastructure and Revitalization Financing District No. 1 (Treasure Island) and project areas therein and determining other matters in connection therewith," ordering preparation of an infrastructure financing plan (the "Infrastructure Financing Plan") consistent with the requirements of the IRFD Law. The Infrastructure Financing Plan is available for public inspection in the office of the Clerk of the Board of Supervisors, 1 Dr. Carlton B. Goodlett Place, City Hall, San Francisco, California and on the website of the Clerk of the Board of Supervisors.

Under the IRFD Law, the Board of Supervisors gives notice as follows:

1. **Facilities to be Financed.** The IRFD will be used to finance costs of the acquisition, construction and improvement of any facilities authorized by Section 53369.3 of the IRFD Law, including, but not limited to, facilities acquired from third parties (such as acquisition, abatement and demolition costs, a supplemental fire water supply system, low pressure water facilities, water tank facilities, recycled water facilities, storm drainage system, separated sanitary sewer, joint trench, earthwork, retaining walls, highway ramps, roadways, pathways, curbs and gutters, traffic facilities, streetscapes, shoreline improvements, parks, a ferry terminal, hazardous soil removal,

community facilities, other amounts specifically identified in the DDA as a Qualified Project Cost and Hard Costs, Soft Costs and Pre-Development Costs as defined in the Conveyance Agreement), and authorized payments (consisting of the contribution to the City and other public agencies for costs related to open space improvements, transportation and transit facilities, and design and construction of ramps and access roads). The category of facilities labeled "Acquired from Third Parties" reflects current assumptions of the City and TIDA. The IRFD shall be authorized to finance the listed facilities whether they are acquired from third parties or constructed by the City or TIDA.

2. Financial Arrangements. The IRFD will finance the public works described above with tax increment revenue received by the IRFD from the City (and from no other affected taxing entities), and the proceeds of bonds or other indebtedness issued or incurred by or for the IRFD that is payable from tax increment revenue received by the IRFD.

3. Boundaries of the IRFD. The boundaries of the IRFD are described in a map of the proposed boundaries that is part of the Infrastructure Financing Plan on file with the Clerk of the Board of Supervisors, to which map reference is hereby made. It is anticipated that the ultimate boundaries of the IRFD, following anticipated annexations to the IRFD, will encompass the entirety of the development parcels comprising the development project on Treasure Island and Yerba Buena Island in the City. The process for the annexation of additional parcels into the IRFD is described in the Resolution of Intention to Establish IRFD, which by this reference is incorporated herein.

4. Public Hearing. The public hearing will be held on the date and at the time specified above, or as soon as possible thereafter, in the Legislative Chamber, City Hall, Room 250, 1 Dr. Carlton B. Goodlett, Place, San Francisco, CA 94102. At the hearing, any persons having any objections to the proposed Infrastructure Financing Plan, or the regularity of any of the prior proceedings relating to the IRFD, may appear before the

Board of Supervisors and object to the adoption of the proposed Infrastructure Financing Plan by the Board of Supervisors. The Board of Supervisors will consider all evidence and testimony for and against the adoption of the Infrastructure Financing Plan.

In accordance with Administrative Code, Section 67.7-1, persons who are unable to attend the hearing on this matter may submit written comments prior to the time the hearing begins. These comments will be made as part of the official public record in this matter and shall be brought to the attention of the Board of Supervisors.

Written comments should be addressed to Angela Calvillo, Clerk of the Board, City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA, 94102. Information relating to this matter is available in the Office of the Clerk of the Board and agenda information relating to this matter will be available for public review on Friday, January 20, 2017.
