Department:
 Airport, Port, and Public Utilities Commission

EXECUTIVE SUMMARY

Legislative Objectives

- File 21-0651 is an ordinance (a) appropriating \$20,716,252 in the San Francisco Public Utilities Commission and (b) reduces appropriations by (i) \$272,379,116 in the Airport Commission and (ii) \$17,664,260 in the Port Commission. These appropriations revise the FY 2021-22 budget, previously approved by the Board of Supervisor. The ordinance requires a two-thirds approval vote of all members of the Board of Supervisors for \$59,659,237 in the Public Utilities Commission, for \$10,061,693 in the Airport Commission and for \$3,796,402 in the Port Commission appropriations.
- File 21-0652 is an ordinance amending the Salary Ordinance for FY 2020-21 and FY 2021-22 to reflect the substitution of 3 positions (0.00 FTEs) at the Airport Commission, and the substitution of 9 positions (0.00 FTEs) and the addition of 24 positions (20.81 FTEs) at the San Francisco Public Utilities Commission in FY 2021-22.

Key Points

- The Airport's reduction of \$272.4 million includes \$256.0 million reduction in the annual operating budget and approximately \$18.4 million reduction in projects and other uses. The Airport is using \$84.6 million of fund balance to balance the FY 2021-22 budget, resulting in an ending fund balance of \$0. According to Airport staff, the Airport will begin refunding the fund balance and OPEB liability when Airport finances improve.
- The Port's reduction of \$17.7 million includes \$16.1 million increase in the annual operating budget (of which \$12.8 million is a deposit to the Port's fund balance), offset by net reductions of approximately \$33.6 million in capital projects.
- SFPUC proposes an increase of \$20.7 million, allocated to the SFPUC Operating Fund, and CleanPowerSF, Hetch Hetchy Water and Power Enterprise, Wastewater Enterprise, and Water Enterprise. SFPUC is proposing 22 new positions in FY 2021-22.

Fiscal Impact

- Based on our evaluation of SFPUC's proposed organization and position descriptions, we recommend approval of 21 of the 22 new positions.

Recommendations

- Amend File 21-0652 to (1) delete 0.77 FTE 1823 Senior Administrative Analyst in the PUC Operating Fund; and (2) revise 0.77 FTE 0933 Manager V to 0.77 FTE 0932 Manager IV in the PUC Operating Fund.
- Approve File 21-0652 as amended and File 21-0651.

MANDATE STATEMENT

City Charter Section 9.101 provides for two-year budgets and authorizes the Board of Supervisors to determine by resolution which budgets are on a two-year fixed budget. Section 9.101(g) provides for the Mayor to submit an ordinance to the Board of Supervisors, amending the second-year budgets of City departments with fixed two-year budgets, if the Controller projects that the City will experience significant increases or decreases in revenues or expenditures during the second year of such budgetary cycle.

City Charter Section 9.105 states that amendments to the Annual Appropriations Ordinance, after the Controller certifies the availability of funds, are subject to Board of Supervisors approval by ordinance.

BACKGROUND

The Controller's FY 2020-21 Nine Month Budget Status Report reported on the budget status of the Airport, Port, and San Francisco Public Utilities Commission (SFPUC).

Airport

The projected Airport revenue deficit is \$356.8 million in FY 2020-21, offset by expenditure savings of \$383.0 million, for a net operating surplus of \$26.2 million. The revenue deficit is due primarily to reduced travel and flight cancellations, and associated decreases in parking, concession, and other revenues. Expenditure savings are largely from use of federal CARES Act funds, and operating savings, including salary savings and reduced Annual Service Payments to the General Fund due to reduced concession revenues. The projected FY 2020-21 year-end fund balance is \$65.7 million.

Port

The projected Port revenue surplus is \$10.3 million in FY 2020-21, and expenditure savings are \$6.5 million, for a net operating surplus of \$16.8 million. The revenue surplus is due to continued revenues from warehouse and industrial tenants. Expenditure savings are largely from salary savings and other operating expenses. The projected FY 2020-21 year-end fund balance is \$30 million.

San Francisco Public Utilities Commission

According to the Controller's report, SFPUC projects net operating surpluses for the Hetch Hetchy Operating Fund, the Water Enterprise Fund and the Clean Power Fund. A net operating deficit is projected for the Wastewater Operations Fund.

Hetch Hetchy Enterprise

The projected Hetch Hetchy Enterprise revenue surplus is approximately \$3.9 million in FY 2020-21, and expenditure savings are \$41.3 million, for a net operating surplus of \$37.4 million. The revenue surplus is from increases in miscellaneous income, offset by reduced wholesale and retail electricity sales, reduced recoveries from City departments, and other reductions.

Expenditure savings are largely from reduced electricity purchase and distribution costs, and maintenance and capital costs. The projected FY 2020-21 year-end fund balance is \$81.6 million.

CleanPowerSF

The projected CleanPowerSF revenue deficit is \$16.3 million in FY 2020-21, and expenditure savings are \$19.8 million, for a net operating surplus of \$3.5 million. The revenue deficit is due largely to lower than budgeted electricity sales. Expenditure savings are largely from salary and other operating budget savings and from reduced deposits to budgeted reserves. The projected FY 2020-21 year-end fund balance is \$32.5 million.

Wastewater Enterprise

The projected Wastewater Enterprise revenue deficit is \$23.9 million in FY 2020-21, and expenditure savings are \$19.7 million, for a net operating deficit of \$4.2 million. The revenue deficit is due largely to lower than budgeted sewer service charges and COVID discounts. Expenditure savings are largely from salary and other operating budget savings and from reduced maintenance and capital project costs. The projected FY 2020-21 year-end fund balance is \$195.1 million.

Water Enterprise

The projected Water Enterprise revenue deficit is \$10.6 million in FY 2020-21, and expenditure savings are \$14.6 million, for a net operating surplus of \$4.0 million. The revenue deficit is due largely to lower than budgeted retail water sales, offset by an increase in wholesale water sales. Expenditure savings are largely from debt service savings and from reduced maintenance and capital project costs. The projected FY 2020-21 year-end fund balance is \$206.6 million.

DETAILS OF PROPOSED LEGISLATION

File 21-0651: The proposed ordinance (a) appropriates \$20,716,252 in the San Francisco Public Utilities Commission and (b) reduces appropriations by (i) \$272,379,116 in the Airport Commission and (ii) \$17,664,260 in the Port Commission. The ordinance requires a two-thirds approval vote of all members of the Board of Supervisors for \$59,659,237 in the Public Utilities Commission, for \$10,061,693 in the Airport Commission and for \$3,796,402 in the Port Commission appropriations, pursuant to Charter Section 9.113(c).¹

File 21-0652: The proposed ordinance amends the Salary Ordinance for FY 2020-21 and FY 2021-22 to reflect the substitution of 3 positions (0.00 FTEs) at the Airport Commission, and the

¹ Charter Section 9.113(c) states that “In the event the Mayor or a member of the Board of Supervisors recommends a supplemental appropriation ordinance after the adoption of the budget for any budgetary cycle and prior to the close of the budgetary cycle containing any item which had been rejected by the Mayor in his/her review of departmental budget estimates for the budgetary cycle or which had been rejected by the Board of Supervisors in its consideration of the Mayor's proposed budget for the budgetary cycle, it shall require a vote of two-thirds of all members of the Board of Supervisors to approve such supplemental appropriation ordinance”.

substitution of 9 positions (0.00 FTEs) and the addition of 24 positions (20.81 FTEs) at the San Francisco Public Utilities Commission in FY 2021-22.²

Sources of Funds

Increases and decreases in funding sources in the FY 2021-22 budgets for the Airport, Port, and SFPUC are shown in Exhibit 1 below.

Exhibit 1: Sources of Funds FY 2021-22

	SFPUC	Airport	Port

Source: Proposed Ordinance

FISCAL IMPACT

Airport (Reduction \$272,379,116)

Sources and Uses of Funds

The Airport's reduction of \$272.4 million includes \$256.0 million reduction in the annual operating budget and approximately \$18.4 million reduction in projects and other uses, shown in Exhibit 2 below.

Exhibit 2: Reduction in Airport Budget FY 2021-22

	Amount
Annual Operating Budget	(\$255,977,878)
Annual Project Budget	(603,468)
Continuing Budget	(2,500,000)
Capital Operating Fund	(71,770)
Other Post-Employment Benefits (OPEB)	(13,226,000)
Total	(\$272,379,116)

Source: Proposed Ordinance

² The number of Airport and SFPUC positions in the amended Annual Salary Ordinance differs from the number of positions in the revised budget.

³ ELIMSD transfer adjustment accounts for the internal transfer of funds.

The Airport's \$256.0 million reduction in the annual operating budget in FY 2021-22 consists primarily of debt service savings due to debt restructuring, reduction in contracts for passenger services, reduction in the Annual Service Payment to the General Fund due to reduced concession revenues, and other budget adjustments in the revised FY 2021-22 budget, shown in Exhibit 3 below.

Exhibit 3: Proposed Reduction in FY 2021-22 Airport Operating Budget

	FY 2021-22 Change	Notes
Salaries & Fringe Benefits	\$8,297,003	Negotiated wage increases, position reassignments, and salary savings due to hiring freeze.
Professional Service	(53,311,128)	Reduction in contracts for passenger services
Materials and Supplies	(3,422,119)	Reduction in materials & supplies due to reduced passenger volume
Capital Outlay	(106,038)	
Debt Service	(153,961,993)	Debt service reduction based on anticipated debt restructuring/refunding.
Services of Other Departments	(5,422,028)	Reduction to Police MOU, no new Police Academy classes offset by increase to PUC MOU for utilities charges.
Annual Service Payment to General Fund	(23,083,900)	Reduction based on projected concession revenues
Reduction in Reserves	(24,967,675)	
Total Operating Budget	(\$255,977,878)	

Source: Airport

Other reductions to the Airport budget, totaling \$18.4 million, include reductions in temporary salaries, facilities maintenance, small capital projects, and reductions in the funding of the Airport's OPEB liability.

The Airport is using \$84.6 million of fund balance to balance the FY 2021-22 budget, resulting in an ending fund balance of \$0. According to Airport staff, the Airport will begin refunding the fund balance and OPEB liability when Airport finances improve.

Proposed Position Changes

The Airport is proposing nine position substitutions, resulting in salary and fringe benefit increases of \$119,292, shown in Exhibit 4 below.

Exhibit 4: Proposed Airport Position Substitutions

FTE	Current Position	Current Salary	Proposed Position	Proposed Salary	Increase
1.00	Senior Airport Noise Abatement Specialist	\$158,883	Planner II	\$159,754	\$871
1.00	Electrician	175,418	Assistant Materials Coordinator	175,945	527

Source: Proposed Ordinance

The Port is proposing the following changes to the FY 2021-22 budget:

- Increase of \$16.1 million in the annual operating budget, including an approximately \$3 million increase to the Port's office lease at Pier 1, and \$12.8 million deposit to the Port's fund balance; offset by other changes to operating expenses;
- Reduction of \$148,712, including reductions to architect/engineering consulting contracts, and park and facility maintenance; offset by increases to other facility improvements;

- Reduction of \$35.4 million to Port capital projects with previously appropriated but unspent balances, ranked as low priority by Port staff based on the Port's maritime mission, life safety needs, and long-term revenue capacity; and
- \$1.7 million federal Transportation Safety Administration (TSA) grant for Port security improvements.

San Francisco Utilities Commission (Increase of \$20,716,252)

Sources and Uses of Funds

The San Francisco Public Utilities Commission (SFPUC) proposed increase of \$20.7 million in FY 2021-22 is shown in Exhibit 6 below.

Annual Project Budget	<u>\$931,808</u>
Subtotal Wastewater	\$7,480,214
Total	\$20,716,252

Source: Proposed Ordinance

The proposed changes to the FY 2021-22 budget are summarized below.

CleanPower SF

The proposed FY 2021-22 includes (a) a reduction in debt service due to the final payment of a loan from Hetch Hetchy Power to CleanPowerSF; and (b) an increase in the CleanPowerSF Customer Trust Fund due to increases in the cost of power purchases.

Hetch Hetchy Water and Power

The proposed FY 2021-22 increase is primarily due to an increase in the PG&E wholesale distribution tariff, increasing the cost of power purchases.

SFPUC Operating Fund

The proposed FY 2021-22 increase represents an adjustment in the SFPUC operating fund, which is funded by the Water, Wastewater, HHWP and CleanPowerSF operating funds through an overhead allocation.

Water Enterprise

The proposed FY 2021-22 increase is mainly related to (a) climate change and environmental programs, including wildfire mitigation and environmental compliance, and (b) implementation of racial equity initiatives. These increases are offset by reductions in debt service costs.

Wastewater Enterprise

The proposed FY 2021-22 increase is due primarily to (a) maintenance of infrastructure and equipment, and green infrastructure, (b) implementation of racial equity initiatives, and (c) staff and operating costs to manage the new Southeast Community Center.

Proposed Position Changes

SFPUC is proposing 11 position substitutions (shown in Exhibit 7 below) and 22 new positions in FY 2021-22 (shown in Exhibit 8 below).

Position Recommendations*New and Substituted Positions for Racial Equity Initiatives*

SFPUC has proposed 12 new and substituted positions to support Racial Equity initiatives, shown in Exhibit 9 below.

Exhibit 9: SFPUC Proposed Staffing for Racial Equity New Initiatives

Employee Labor Relations	People Science & Strategy	Equity Group
	<u>New Positions</u>	
	0932 Manager IV	1825 Principal Administrative Analyst II
	0923 Manager II	1824 Principal Administrative Analyst
	1824 Principal Administrative Analyst	1824 Principal Administrative Analyst
	1823 Senior Administrative Analyst	1054 Principal IS Business Analyst
	<u>Position Substitutions</u>	
0932 Manager IV	1823 Senior Administrative Analyst	0932 Manager IV 1824 Principal Administrative Analyst

The Employee Labor Relations position is an existing position within Human Resources Services. The People Science & Strategy unit was formerly the Enterprise Workforce Planning unit; SFPUC is proposing adding five positions to this unit to provide human resources data and analytical report. The Equity Group is in the General Manager’s Office, and SFPUC is proposing adding six positions with responsibility for implementing SFPUC’s Racial Equity Action Plan.

Based on our evaluation of proposed organization and position descriptions, we recommend approval of seven of eight of the new positions as follows:

- SFPUC proposes two 1823 Senior Administrative Analyst positions (one new and one substituted) to be added to the People Science & Strategy unit for data management. These two positions are in addition to the existing 1824 Principal Administrative Analyst position for this purpose. Overall, SFPUC is adding five positions to the People Science & Strategy unit for data and analytical support. Given that this is an expanding function, and the total work and staffing needs are not yet fully known, we recommend amending File 21-0652 to delete 0.77 FTE 1823 Senior Administrative Analyst in the PUC Operating Fund.
- SFPUC proposes one new 0933 Manager V to enhance the Department’s audit function. Based on the level of responsibility required for this position, we consider that this position could be more appropriately filled as a 0932 Manager IV, and therefore recommend amending File 21-0652 to revise 0.77 FTE 0933 Manager V to 0.77 FTE 0932 Manager IV in the PUC Operating Fund.

POLICY CONSIDERATION

According to the proposed ordinance, the following appropriation amounts require a 2/3 vote of the Board of Supervisors:

- \$10,061,693 in the Airport FY 2021-22 budget for salaries;
- \$3,769,402 in the Port’s FY 2021-22 budget, including \$567,385, \$3,019,816 for Nonpersonnel Services, and \$209,372 for the South Beach Harbor Project; and
- \$59,659,237 in the SFPUC FY 2021-22 budget as follows:

- \$11,398,337 in the Wastewater Enterprise
- \$15,910,163 in the Hetch Hetchy Water and Power Enterprise
- \$617,635 in CleanPowerSF
- \$1,896,749 in the CleanPowerSF Customer Trust Fund
- \$8,904,876 in the SFPUC Operating Fund
- \$20,931,477 in the Water Enterprise

RECOMMENDATIONS

- Amend File 21-0652 to (1) delete 0.77 FTE 1823 Senior Administrative Analyst in the PUC Operating Fund; and (2) revise 0.77 FTE 0933 Manager V to 0.77 FTE 0932 Manager IV in the PUC Operating Fund.
- Approve File 21-0652 as amended and File 21-0651.

To: Angela Calvillo, Clerk of the Board of Supervisors
From: Ashley Groffenberger, Mayor's Budget Director
Date: June 1, 2021
Re: Mayor's FY 2021-22 and FY 2022-23 Budget Submission

Madam Clerk,

In accordance with City and County of San Francisco Charter, Article IX, Section 9.100, the Mayor's Office hereby submits the Mayor's proposed budget by June 1st, corresponding legislation, and related materials for Fiscal Year (FY) 2021-22 and FY 2022-23.

In addition to the Mayor's Proposed FY 2021-22 and FY 2022-23 Budget Book, the following items are included in the Mayor's submission:

- The Annual Appropriation Ordinance and Annual Salary Ordinance, along with Administrative Provisions, physical copies of which will be delivered by the Controller's Office
- The proposed budget for the Office of Community Investment and Infrastructure for FY 2021-22
- 22 separate pieces of trailing legislation (see list attached)
- A Transfer of Function letter detailing the transfer of positions from one City department to another
- An Interim Exception letter
- A letter addressing funding levels for nonprofit corporations or public entities for the coming two fiscal years
- Memo to the Board President requesting for 30-day rule waivers on ordinances
- Request for release of Budget and Appropriations Committee Reserve

Please note the following:

- Technical adjustments to the budget are being prepared, but are not submitted with this set of materials.

Sincerely,

Ashley Groffenberger
Mayor's Budget Director
