President Yee called the meeting to order at 2:01 p.m.

Remote Access to Information and Participation

In accordance with Governor Gavin Newsom's statewide order for all residents to "Stay at Home" - and the numerous preceding local and state proclamations, orders and supplemental directions - aggressive directives have been issued to slow down and reduce the spread of the COVID-19 virus.

On March 17, 2020, the Board of Supervisors authorized their Board and Committee meetings to convene remotely and allow for remote public comment; therefore, Board of Supervisors meetings that are held through videoconferencing will allow remote public comment. Visit the SFGovTV website (www.sfgovtv.org) to stream the live meetings or watch them on demand.

As the COVID-19 disease progresses, please visit the Board's website regularly to be updated on the current situation as it affects the legislative process and the Board of Supervisors.

COMMUNICATIONS

Angela Calvillo, Clerk of the Board, announced that due to the COVID-19 health emergency, Board Members will participate in the meeting remotely, through videoconference and to the same extent as if they were physically present. To the members of the public, when general public comment is called, you may contribute live comments for up to two minutes by dialing the provided telephone number. When you are connected, you will receive another prompt, dial "1-0" to be added to the queue to speak. Make sure to call from a quiet location, speak clearly and slowly, and turn down your television or radio. Written comments may be submitted through email (board.of.supervisors@sfgov.org) or the US Postal Service at City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244, San Francisco, CA 94102.

Adrienne Pon, Executive Director (Office of Civic Engagement and Immigrant Affairs), was thanked for her efforts to provide more remote access by assigning multi-lingual staff to assist with interpretation services for members of the public who wish to provide public comment in Spanish, Chinese or Filipino.

EMERGENCY OPERATIONS CENTER (EOC) REPORT

The current lead for the Board Liaison Team, Supervisor Mar, provided the fifth update on the EOC summarizing the time he and his staff, Alan Wong, provided coverage. From the period of Monday, April 27, 2020, to Friday, May 3, 2020, the number of confirmed cases have increased significantly from 1,517 to 1,728; the number of COVID-19 related deaths increased slightly from 27 to 31; hospitalization slightly declined from 89 to 86; and the number of patients in Intensive Care Units declined from 28 to 26. These key data points reflect our continuing success at preventing a surge in hospitalizations in our City.

The most significant event last week was the extension of the Shelter in Place Order to the end of May 2020, along with some loosening of restrictions on outdoor business and recreational activities. This, along with Governor Newsom's announcement yesterday of the transition into Phase 2 of the statewide four-stage reopening plan, has meant we see the light at the end of the tunnel and attention is being focused on how and when to gradually loosen restrictions while being guided by safety and public health precautions. The EOC continues to focus on the overall citywide priorities to implement and build capacity for effective, safe, efficient, and equitable testing, shelter, and feeding operations to mitigate, prepare, respond to, and recover from COVID-19. The EOC is supporting testing expansion by leading the efforts to add two new potential testing sites that will be operated by the state and developing a robust multilingual outreach campaign. Support is being provided to housing and sheltering partners by transporting hotel site guests, delivering PPE, linking congregate housing sites to cleaning supplies and janitorial contracts, completing assessments for alternate care and medical sites to plan for future medical surges, and providing resources to new housing sites. Face coverings are being procured and delivered to the vulnerable population. A block by block assessment of the Tenderloin was led to help formulate a mitigation plan that promotes the health and safety of all those who live and work in the area. A public-facing COVID-19 alternative housing data tracker was also launched.

Supervisor Mar thanked Mary Ellen Carroll, EOC Director, and all the disaster service workers who have stepped up in this time of need. Supervisor Mar and his staff will continue to staff the liaison position through the next week and will provide the next EOC update at the next meeting.
