RE: TIDA Review and Approval of Proposed Final Map 9228

Director Nuru,

On behalf of the Treasure Island Development Authority ("TIDA"), pursuant to section 1734 of the San Francisco Subdivision Code, Division 4 (Treasure Island and Yerba Buena Island), I have reviewed proposed Final Map 9228 (the "Final Map") submitted to you and TIDA by Treasure Island Series 1, LLC ("Subdivider") and determined that:

Development of the area covered by the Final Map, and the underlying Tentative Map, are consistent with the Project Documents (as defined in Subdivision Code section 1707(z)), City Regulations (as defined in Subdivision Code section 1707(e)) and project approvals issued by TIDA.

Each of the conditions imposed upon approval of the underlying Tentative Map by your Order No. 186,703 on November 8, 2017 to provide infrastructure improvements consistent with the Project Documents has been satisfied or the performance of such condition is otherwise secured by the Public Improvement Agreement between TIDA, the City, and Subdivider, submitted concurrently with the Final Map.

By delivering this letter to you, TIDA approves the Final Map on the bases described above. Thank you for your assistance on this matter.

Regards,
