EXECUTIVE SUMMARY	
<p>Legislative Objectives</p> <ul style="list-style-type: none"> • The proposed resolutions would approve food production and delivery contract amendments for the Great Plates Delivered program between the Human Services Agency (HSA) and (i) Moonstar Buffet Restaurant (Moonstar), increasing the not-to-exceed amount by \$8,085,000, for a total not to exceed \$17,424,000 (File 21-0415); (ii) San Francisco New Deal (SF New Deal), increasing the not-to-exceed amount by \$21,186,000, for a total not to exceed \$46,926,000 (File 21-0447); and (iii) Off the Grid Services LLC (Off the Grid), increasing the not-to-exceed amount by \$21,483,000, for a total not to exceed \$50,193,000 (File 21-0448). All three contracts would be extended through December 2021. <p>Key Points</p> <ul style="list-style-type: none"> • The Great Plates Delivered program provides meals to adults 65 and older and adults 60-64 at high risk from COVID-19 and unable to access meals while staying at home and ineligible for other nutrition programs. In April 2020, HSA issued a Request for Qualifications (RFQ) to select food vendors eligible for the Great Plates Delivered program. Moonstar, SF New Deal, and Off the Grid were among the 93 vendors that met minimum qualifications and were awarded contracts. • The proposed resolutions would extend the three contracts through December 2021. Under the contracts, the vendors prepare, package, and deliver three meals per day to program participants. HSA pays the vendors a daily rate of \$60 per participant served. <p>Fiscal Impact</p> <ul style="list-style-type: none"> • The total amount increased by the three proposed contract amendments is \$50,754,000. MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Great Plates Delivered Program

The State of California and the Federal Emergency Management Agency (FEMA) created the Great Plates Delivered program to (1) provide meals to adults 65 and older and adults 60-64 at high risk from COVID-19 and unable to access meals while staying at home and ineligible for other nutrition programs; and (2) support local restaurants and food and agricultural workers at risk during the public health crisis.

In April 2020, the Human Services Agency (HSA) issued a Request for Qualifications (RFQ) to select food vendors eligible to participate in the Great Plates Delivered program. Proposals were considered from organizations that could provide food production, packaging, and/or delivery services. Each proposal's screening was a pass or fail determination as to whether the proposer met the minimum qualifications. The RFQ established a pool of 93 pre-qualified, as needed contractors, including Moonstar Buffet Restaurant (Moonstar), San Francisco New Deal (SF New Deal), and Off the Grid Services LLC (Off the Grid).

Moonstar (File 21-0415)

In June 2020, HSA executed a contract with Moonstar for a term of approximately two months from June 22, 2020 through August 31, 2020 and an amount not to exceed \$2,343,000.¹ In September 2020, HSA executed the First Amendment to the contract, extending the term by four months through December 2020, and increasing the not-to-exceed amount by \$4,026,000, for a total not to exceed \$6,369,000. In March 2021, HSA executed the Second Amendment to the contract, extending the term by four months through April 2021, and increasing the not-to-exceed amount by \$2,970,000, for a total not to exceed \$9,339,000.

SF New Deal (File 21-0447)

In June 2020, HSA executed a contract with SF New Deal for a term of three months from June 1, 2020 through August 31, 2020 and an amount not to exceed \$9,108,000. In September 2020, HSA executed the First Amendment to the contract, extending the term by four months through December 2020, with no change to the not-to-exceed amount. In December 2020, the Board of Supervisors approved the Second Amendment to the contract, extending the term by five months through May 2021, and increasing the not-to-exceed amount by \$16,632,000, for a total not to exceed \$25,740,000 (File 20-1318).

¹ The original contracts for Moonstar, SF New Deal, and Off the Grid did not require Board of Supervisors approval because the contracts did not exceed 10 years or \$10 million.

Off the Grid (File 21-0448)

In May 2020, HSA executed a contract with Off the Grid for a term of approximately three months from May 29, 2020 through August 31, 2020 and an amount not to exceed \$9,405,000. In September 2020, HSA executed the First Amendment to the contract, extending the term by four months through December 2020, with no change to the not-to-exceed amount. In December 2020, the Board of Supervisors retroactively approved the Second Amendment to the contract (effective November 15, 2020), extending the contract by approximately five months through May 28, 2021, and increasing the not-to-exceed amount by \$19,305,000, for a total not to exceed \$28,710,000.

DETAILS OF PROPOSED LEGISLATION

The proposed resolutions would approve the following contract amendments with HSA for the Great Plates Delivered program:

- i. **File 21-0415** would retroactively approve the Third Amendment to the contract with Moonstar, extending the contract term by eight months from April 2021 through December 2021, and increasing the not-to-exceed amount by \$8,085,000, for a total not to exceed \$17,424,000;
- ii. **File 21-0447** would approve the Third Amendment to the contract with SF New Deal, extending the contract by seven months from May 2021 through December 2021, and increasing the not-to-exceed amount by \$21,186,000, for a total not to exceed \$46,926,000; and
- iii. **File 21-0448** would approve the Third Amendment to the contract with Off the Grid, extending the contract term by approximately seven months from May 2021 through December 2021, and increasing the not-to-exceed amount by \$21,483,000, for a total not to exceed \$50,193,000.

According to Ms. Rocio Duenas, HSA Senior Contract Manager, HSA is requesting retroactive approval of the proposed Third Amendment to the contract with Moonstar due to the Great Plates Delivered program being extended by the State on a month-to-month basis. State notification of the extension of the program happens 24-48 hours prior to the program end date, and the delayed notification caused the resolution to be retroactive.

Services Provided

The purpose of the contracts is to provide delivery of three meals per day to eligible participants identified by the Department of Disability and Aging Services' Integrated Intake. Eligibility requirements were determined by the State of California and FEMA and include the following criteria:

- Adults aged 65 or older, as well as older adults who are aged 60-64 and in high-risk categories (i.e. have received a positive COVID-19 diagnosis, have been exposed to COVID-19, or have underlying health conditions);
- Unable to obtain or make their own meals;

- Living alone or with one other adult who also meets these criteria;
- Earning less than \$74,940 for a single-person household or \$101,460 for two person households; and
- People whose income is between 200 percent and 600 percent of the poverty level.

The City allows adults aged 60 or older whose income is below 200 percent of the federal poverty level to participate in the program.

According to Ms. Duenas, to date the program has provided 2,317,430 meals to 3,841 recipients since its inception in May 2020. Ninety-four percent of recipients have been adults aged 65 or older, and six percent have been adults aged 60-64. The proposed amendment does not make any changes to the scope of the original contract.

The Great Plates Delivered program is currently authorized through June 7, 2021. According to Ms. Duenas, each extension has been announced approximately 24-48 hours prior to the end date. If the program ends before December 31, 2021, HSA would terminate the contracts.

FISCAL IMPACT

The proposed contract amendments would increase the not-to-exceed amounts of the contracts as follows: (i) File 21-0415 would increase the not-to-exceed amount of the Moonstar contract by \$8,085,000, for a total not to exceed \$17,424,000; (ii) File 21-0447 would increase the not-to-exceed amount of the SF New Deal contract by \$21,186,000, for a total not to exceed \$46,926,000; and (iii) File 21-0448 would increase the not-to-exceed amount of the Off the Grid contract by \$21,483,000, for a total not to exceed \$50,193,000. The total amount increased by the three proposed contract amendments is \$50,754,000. The calculation of charges for the three proposed contract increases is shown in Table 1 below.

Table 1: Calculation of Charges for Contract Increases

Vendor	# of People Served	# of Days	Meal Rate ²	Subtotal	Contingency (10%)	Not-to-Exceed Amount Increase
Moonstar (File 21-0415)	500	245	\$60	<i>\$7,350,000</i>	\$735,000	\$8,085,000
SF New Deal (File 21-0447)	1,500	214	\$60	<i>19,260,000</i>	1,926,000	21,186,000
Off the Grid (File 21-0448)	1,500	217	\$60	<i>19,530,000</i>	1,953,000	21,483,000
Total				<i>\$46,140,000</i>	\$4,614,000	\$50,754,000

Source: HSA

Total actual and projected expenditures for the three contracts are shown in Table 2 below.

² The meal rate of \$60 is for three meals per day. The Great Plates Delivered program guidance allows for up to \$66 for three daily meals, but HSA has negotiated a rate of \$60 with the contractors.

Table 2: Actual and Projected Expenditures

Vendor	Actual Expenditures to Date³	Projected Remaining Expenditures under Existing Contract	Proposed Contract Increase	Total Projected Expenditures
Moonstar (File 21-0415)	\$8,194,680	\$920,000	\$8,085,000	\$17,199,680
SF New Deal (File 21-0447)	14,989,705	3,690,000	21,186,000	39,865,705
Off the Grid (File 21-0448)	21,722,765	2,700,000	21,483,000	45,905,765
Total	\$44,907,150	\$7,310,000	\$50,754,000	\$102,971,150

Source: HSA

Projected SF New Deal contract expenditures of \$39,865,705, shown in Table 2 above, are \$7,060,295 less than the requested contract amount of \$46,926,000. Therefore, the Budget and Legislative Analyst recommends amending File 21-0447 to reduce the total SF New Deal contract not-to-exceed amount by \$7,000,000 to \$39,926,000.

Projected Off the Grid contract expenditures of \$45,905,765, shown in Table 2 above, are \$4,287,235 less than the requested contract amount of \$50,193,000. Therefore, the Budget and Legislative Analyst recommends amending File 21-0448 to reduce the total Off the Grid contract not-to-exceed amount by \$4,200,000 to \$45,993,000.

According to Ms. Duenas, HSA estimates that approximately 40 percent of the proposed contract increases, or \$20,301,600, will be funded by FEMA, and approximately 60 percent, or \$30,452,400, will be funded by the City's General Fund. The California Governor's Office of Emergency Services (Cal OES), which had previously funded approximately eight percent of the Great Plates Delivered program in San Francisco, will no longer provide funding. To be eligible for FEMA funding, recipients must meet the age and health condition requirements and have income between 200 percent and 600 percent of the Federal Poverty Level. For eligible recipients, the program is fully funded by FEMA, and for ineligible recipients (those with incomes below 200 percent of the Federal Poverty Level), the City fully funds the costs of services.

POLICY CONSIDERATION

HSA's FY 2020-21 budget included \$15 million for the overall Great Plates Delivered program, which contained \$7.95 million in General Fund support. According to Ms. Duenas, total expenditures on the Great Plates Delivered program in FY 2020-21 are now projected to be \$56.7 million, which after State and Federal reimbursements, will require an estimated \$34.0 million in General Fund support, or approximately \$26.1 more than budgeted. According to Ms. Duenas, HSA is funding the added General Fund cost by shifting \$9 million within HSA's meal program, and redirecting \$8.3 million from savings within the HSA budget. The FY 2020-21 Six-Month Budget Status report assumed \$6 million of the remaining \$8.7 million projected deficit/gap, and also posited a surplus in the COVID Emergency Response project budget at the Citywide level,

³ Actual expenditures shown are through March 31, 2021 for Moonstar, March 28, 2021 for SF New Deal, and April 23, 2021 for Off the Grid.

largely due to updated projections of FEMA revenues. Some of this surplus will be utilized to address the remaining gap in Great Plates funding; updated projections will be detailed in the soon-to-be-published FY 2020-21 Nine-Month Budget Status report.

RECOMMENDATIONS

1. Amend the proposed resolution in File 21-0415 to state that approval is retroactive.
2. Amend the proposed resolution in File 21-0447 to reduce the not-to-exceed amount by \$7,000,000, for a total not to exceed \$39,926,000.
3. Amend the proposed resolution in File 21-0448 to reduce the not-to-exceed amount by \$4,200,000, for a total not to exceed \$45,993,000.
4. Approve the resolutions as amended.

Recitals

WHEREAS, this Agreement is a sole source emergency services contract approved by the Office of the Controller and awarded pursuant to procedures applicable under the Local Emergency declared by Mayor London Breed on Tuesday, February 25, 2020, and Chapter 21 of the San Francisco Administrative Code, attached hereto; and

WHEREAS, the Human Services Agency ("**Department**") wishes to procure the following emergency services in support of the Local Emergency: **The purpose of the Great Plates Delivered San Francisco program is to provide meals to adults 65 and older and adults 60-64 who are at high-risk and to support local restaurants and other food provider/agricultural workers at risk during the COVID-19 crisis further described in Appendix A (Statement of Work)**; and,

1.3 "**Contractor**" has the meaning set forth in the Preamble.

1.4 "**Effective Date**" means the date upon which the City's Controller certifies the availability of funds for this Agreement as provided in Section 3.1.

1.5 "**Party**" and "**Parties**" mean the City and Contractor either collectively or individually.

Article 2 Term of the Agreement

2.1 Term.

The term of this Agreement shall commence on **June 1, 2020** and continue through **August 31, 2020**, unless earlier terminated as otherwise provided herein.

Article 3 Financial Matters

3.1 **Certification of Funds; Budget and Fiscal Provisions.**

This Agreement is subject to the budget and fiscal provisions of the City's Charter. Charges for the Services will accrue only after prior written authorization certified by the Controller, and the amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This Agreement will terminate without penalty, liability or expense of any kind to City at the end of any fiscal year if funds are not appropriated for the next succeeding fiscal year. If funds are appropriated for a portion of the fiscal year, this Agreement will terminate, without penalty, liability or expense of any kind at the end of the term for which funds are appropriated. City has no obligation to make appropriations for this Agreement in lieu of appropriations for new or other agreements. City budget decisions are subject to the discretion of the Mayor and the Board of Supervisors. Contractor's assumption of risk of possible non-appropriation is part of the consideration for this Agreement.

THIS SECTION CONTROLS AGAINST ANY AND ALL OTHER PROVISIONS OF THIS AGREEMENT.

3.2 **Guaranteed Maximum Costs.**

The City's payment obligation to Contractor cannot at any time exceed the amount certified by City's Controller for the purpose and period stated in such certification. Absent an authorized Emergency per the City Charter or applicable Code, no City representative is authorized to offer or promise, nor is the City required to honor, any offered or promised payments to Contractor under this Agreement in excess of the certified maximum amount without the Controller having first certified the additional promised amount and the Parties having modified this Agreement as provided in Section 11.5, "Modification of this Agreement."

3.3 **Compensation.**

3.3.1 Payment. Contractor shall provide an invoice to the City on a weekly basis for Services completed in the immediate preceding week, unless a different schedule is set out in Appendix B, "Calculation of Charges." Compensation shall be made for Services identified in the invoice that the HSA Director, in his or her sole discretion, concludes has been satisfactorily performed. Payment shall be made within 30 calendar days of receipt of the invoice, unless the City notifies the Contractor that a dispute as to the invoice exists. In no event shall the amount of this Agreement exceed **Nine Million, One Hundred and Eight Thousand Dollars (\$9,108,000)**. The breakdown of charges associated with this Agreement appears in Appendix B, "Calculation of Charges," attached hereto and incorporated by reference as though fully set forth herein. A portion of payment may be withheld until conclusion of the Agreement if agreed to by both parties as retainage, described in Appendix B. In no event shall City be liable for interest or late charges for any late payments.

3.3.2 Payment Limited to Satisfactory Services. Contractor is not entitled to any payments from City until the Department confirms that the Services have been provided in a manner satisfying all of the requirements of this Agreement. Services that do not conform to the requirements of this Agreement may be rejected by City and in such case must be replaced by Contractor without delay at no cost to the City.

3.3.3 Withhold Payments. If Contractor fails to provide Services in accordance with Contractor's obligations under this Agreement, following written notice of such failure the City may withhold any and all payments due Contractor until such failure to perform is cured, and Contractor shall not stop performance under this Agreement as a result of City's withholding of payments as provided herein.

3.3.4 Invoice Format. Invoices furnished by Contractor under this Agreement must be in a form acceptable to the Controller and City, and must include a unique invoice number. Payment shall be made by City as specified in Section 3.4, or in such alternate manner as the Parties have mutually agreed upon in writing.

3.3.5 LBE Payment and Utilization Tracking System. (Reserved)

3.4 Getting paid by the City for goods and/or services.

3.5 Federal and/or State Funded Contracts. (Reserved)

3.6 Contract Amendments.

3.6.1 Formal Contract Amendment: Except as expressly set forth herein, Contractor shall not be entitled to an increase in the Compensation or an extension of the Booking Period unless the Parties agree to a Formal Amendment in accordance with the San Francisco Administrative Code and Section 11.5 (Modifications of this Agreement).

3.6.2 City Revisions to Program Budgets: The City shall have authority, without the execution of a Formal Amendment, to purchase additional Services and/or make changes to the work in accordance with the terms of this Agreement (including such terms that require Contractor's agreement), not involving an increase in the Compensation or the Term by use of a written City Program Budget Revision.

3.7 Audit and Inspection of Records.

Contractor agrees to maintain and make available to the City, during regular business hours, accurate books and accounting records relating to the Services. Contractor will permit City to audit, examine and make excerpts and transcripts from such books and records, and to make audits of all invoices, materials, payrolls, records or personnel and other data related to all other matters covered by this Agreement, whether funded in whole or in part under this Agreement. Contractor shall maintain such data and records in an accessible location and condition for a period of not fewer than five years, unless required for a longer duration due to Federal, State, or local requirements of which the City will notify Contractor in writing, after final payment under this Agreement or until after final audit has been resolved, whichever is later. The State of California or any Federal agency having an interest in the subject matter of this Agreement shall have the same rights as conferred upon City by this Section. Contractor shall include the same audit and inspection rights and record retention requirements in all subcontracts.

3.8 Submitting False Claims.

The full text of San Francisco Administrative Code Chapter 21, Section 21.35, including the enforcement and penalty provisions, is incorporated into this Agreement. Pursuant to San Francisco Administrative Code §21.35, any entity who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. An entity will be deemed to have submitted a false claim to the City if the entity: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request

for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

3.9 **Reserved. (Payment of Prevailing Wages)**

Article 4 Services Contractor and City Agrees to Perform.

4.1 **Services Contractor Agrees to Perform.**

Contractor agrees to perform the Services stated in Appendix A, "Scope of Services." Officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Services beyond the Scope of Services listed in Appendix A, unless Appendix A is modified as provided in Section 11.5, "Modification of this Agreement."

4.2 **Qualified Personnel.**

Contractor shall utilize only competent personnel under the supervision of, and in the employment of, Contractor (or Contractor's authorized subcontractors) to perform the Services. Contractor will comply with City's reasonable requests regarding assignment and/or removal of personnel, but all personnel, including those assigned at City's request, must be supervised by Contractor. Contractor shall commit adequate resources to allow timely completion within the project schedule specified in this Agreement.

4.3 **Subcontracting.**

Contractor may subcontract portions of the Services only upon prior written approval of City. Currently approved subcontractors, if any, are listed in Appendix D (Permitted Subcontractors). Contractor is responsible for its subcontractors throughout the course of the work required to perform the Services. All Subcontracts must incorporate the terms of Article 10 "Additional Requirements Incorporated by Reference" of this Agreement, unless inapplicable. Neither Party shall, on the basis of this Agreement, contract on behalf of, or in the name of, the other Party. Any agreement made in violation of this provision shall be null and void.

4.4 **Independent Contractor; Payment of Employment Taxes and Other Expenses.**

4.4.1 Independent Contractor. For the purposes of this Section 4.4, "Contractor" shall be deemed to include not only Contractor, but also any agent or employee of Contractor. Contractor acknowledges and agrees that at all times, Contractor or any agent or employee of Contractor shall be deemed at all times to be an independent contractor and is wholly responsible for the manner in which it performs the services and work requested by City under this Agreement. Contractor, its agents, and employees will not represent or hold themselves out to be employees of the City at any time. Contractor or any agent or employee of Contractor shall not have employee status with City, nor be entitled to participate in any plans, arrangements, or distributions by City pertaining to or in connection with any retirement, health or other benefits that City may offer its employees. Contractor or any agent or employee of Contractor is liable for the acts and omissions of itself, its employees and its agents. Contractor shall be responsible for all obligations and payments, whether imposed by federal, state or local law, including, but not limited to, FICA, income tax withholdings, unemployment compensation, insurance, and other similar responsibilities related to Contractor's performing services and work, or any agent or employee of Contractor providing same. Nothing in this Agreement shall be construed as creating an employment or agency relationship between City and Contractor or any agent or employee of

Contractor. Any terms in this Agreement referring to direction from City shall be construed as providing for direction as to policy and the result of Contractor's work only, and not as to the means by which such a result is obtained. City does not retain the right to control the means or the method by which Contractor performs work under this Agreement. Contractor agrees to maintain and make available to City, upon request and during regular business hours, accurate books and accounting records demonstrating Contractor's compliance with this section. Should City determine that Contractor, or any agent or employee of Contractor, is not performing in accordance with the requirements of this Agreement, City shall provide Contractor with written notice of such failure. Within five (5) business days of Contractor's receipt of such notice, and in accordance with Contractor policy and procedure, Contractor shall remedy the deficiency. Notwithstanding, if City believes that an action of Contractor, or any agent or employee of Contractor, warrants immediate remedial action by Contractor, City shall contact Contractor and provide Contractor in writing with the reason for requesting such immediate action.

4.4.2 Payment of Employment Taxes and Other Expenses. Should City, in its discretion, or a relevant taxing authority such as the Internal Revenue Service or the State Employment Development Division, or both, determine that Contractor is an employee for purposes of collection of any employment taxes, the amounts payable under this Agreement shall be reduced by amounts equal to both the employee and employer portions of the tax due (and offsetting any credits for amounts already paid by Contractor which can be applied against this liability). City shall then forward those amounts to the relevant taxing authority. Should a relevant taxing authority determine a liability for past services performed by Contractor for City, upon notification of such fact by City, Contractor shall promptly remit such amount due or arrange with City to have the amount due withheld from future payments to Contractor under this Agreement (again, offsetting any amounts already paid by Contractor which can be applied as a credit against such liability). A determination of employment status pursuant to this Section 4.4 shall be solely limited to the purposes of the particular tax in question, and for all other purposes of this Agreement, Contractor shall not be considered an employee of City. Notwithstanding the foregoing, Contractor agrees to indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and all claims, losses, costs, damages, and expenses, including attorneys' fees, arising from this section.

4.5 Assignment.

The Services to be provided and performed by Contractor are personal in character and neither this Agreement nor any duties or obligations hereunder may be assigned or delegated by Contractor unless first approved by City by written instrument executed and approved in the same manner as this Agreement. Any purported assignment made in violation of this provision shall be null and void.

4.6 Warranty.

Contractor warrants to City that the Services will be performed with the degree of skill and care that is required by current, good and sound professional procedures and practices, and in conformance with generally accepted professional standards prevailing at the time the Services are performed so as to ensure that all Services performed are correct and appropriate for the purposes contemplated in this Agreement.

4.7 Liquidated Damages. (Reserved)

4.8 Bonding Requirements. (Reserved)

Article 5 Insurance and Indemnity

5.1 Insurance.

5.1.1 Required Coverages. Without in any way limiting Contractor's liability pursuant to the "Indemnification" section of this Agreement, Contractor must maintain in force, during the full term of the Agreement, insurance in the following amounts and coverages:

(a) Workers' Compensation, in statutory amounts, with Employers' Liability Limits not less than \$1,000,000 each accident, injury, or illness; and

(b) Commercial General Liability Insurance with limits not less than \$2,000,000 each occurrence for Bodily Injury and Property Damage, including coverage for food preparation and distribution, Contractual Liability, Personal Injury, Products and Completed Operations; and

(c) Commercial Automobile Liability Insurance with limits not less than \$1,000,000 each occurrence, "Combined Single Limit" for Bodily Injury and Property Damage, including Owned, Non-Owned and Hired auto coverage, as applicable.

(d) **Reserved. (Professional Liability Coverage)**

(e) **Reserved. (Technology Errors and Omissions Coverage)**

(f) **Reserved. (Cyber and Privacy Coverage)**

5.1.2 Commercial General Liability and Commercial Automobile Liability Insurance policies must be endorsed to name as Additional Insured the City and County of San Francisco, its Officers, Agents, and Employees.

5.1.3 Contractor's Commercial General Liability and Commercial Automobile Liability Insurance policies shall provide that such policies are primary insurance to any other insurance available to the Additional Insureds, with respect to any claims arising out of this Agreement, and that the insurance applies separately to each insured against whom claim is made or suit is brought.

5.1.4 All policies shall be endorsed to provide thirty (30) days' advance written notice to the City of cancellation for any reason, intended non-renewal, or reduction in coverages. Notices shall be sent to the City address set forth in Section 11.1, entitled "Notices to the Parties."

5.1.5 Should any of the required insurance be provided under a claims-made form, Contractor shall maintain such coverage continuously throughout the term of this Agreement and, without lapse, for a period of three years beyond the expiration of this Agreement, to the effect that, should occurrences during the contract term give rise to claims made after expiration of the Agreement, such claims shall be covered by such claims-made policies.

5.1.6 Should any of the required insurance be provided under a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs be included in such general annual aggregate limit, such general annual aggregate limit shall be double the occurrence or claims limits specified above.

5.1.7 Should any required insurance lapse during the term of this Agreement, requests for payments originating after such lapse shall not be processed until the City receives satisfactory evidence of reinstated coverage as required by this Agreement, effective as of the lapse date. If insurance is not reinstated, the City may, at its sole option, terminate this Agreement effective on the date of such lapse of insurance.

5.1.8 Before commencing any Services, Contractor shall furnish to City certificates of insurance and additional insured policy endorsements with insurers with ratings

comparable to A-, VIII or higher, that are authorized to do business in the State of California, and that are satisfactory to City, in form evidencing all coverages set forth above. Approval of the insurance by City shall not relieve or decrease Contractor's liability hereunder.

5.1.9 The Workers' Compensation policy(ies) shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

5.1.10 If Contractor will use any subcontractor(s) to provide Services, Contractor shall require the subcontractor(s) to provide all necessary insurance and to name the City and County of San Francisco, its officers, agents and employees and the Contractor as additional insureds.

5.2 Indemnification.

5.2.1 Contractor shall indemnify and hold harmless City and its officers, agents and employees from, and, if requested, shall defend them from and against any and all claims, demands, losses, damages, costs, expenses, and liability (legal, contractual, or otherwise) arising from or in any way connected with any: (i) injury to or death of a person, including employees of City or Contractor; (ii) loss of or damage to property; (iii) violation of local, state, or federal common law, statute or regulation, including but not limited to privacy or personally identifiable information, health information, disability and labor laws or regulations; (iv) strict liability imposed by any law or regulation; or (v) losses arising from Contractor's execution of subcontracts not in accordance with the requirements of this Agreement applicable to subcontractors; so long as such injury, violation, loss, or strict liability (as set forth in subsections (i) – (v) above) arises directly or indirectly from Contractor's performance of this Agreement, including, but not limited to, Contractor's use of facilities or equipment provided by City or others, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law, and except where such loss, damage, injury, liability or claim is the result of the active negligence or willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on Contractor, its subcontractors, or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City.

In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter.

5.2.2 Contractor shall indemnify and hold City harmless from all loss and liability, including attorneys' fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark, and all other intellectual property claims of any person or persons arising directly or indirectly from the receipt by City, or any of its officers or agents, of Contractor's Services..

Article 6 Liability of the Parties

6.1 **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THIS AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED FOR IN SECTION 3.3.1, "PAYMENT," OF THIS AGREEMENT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON

CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

6.2 **Liability for Use of Equipment.** City shall not be liable for any damage to persons or property as a result of the use, misuse or failure of any equipment used by Contractor, or any of its subcontractors, or by any of their employees, even though such equipment is furnished, rented or loaned by City.

6.3 **Liability for Incidental and Consequential Damages.** Contractor shall be responsible for incidental and consequential damages resulting in whole or in part from Contractor's acts or omissions.

Article 7 Payment of Taxes

7.1 Taxes

City shall reimburse Contractor for all sales and use taxes. Payment of any taxes, including possessory interest taxes and California sales and use taxes, levied upon or as a result of this Agreement, or the services delivered pursuant hereto, shall be the obligation of Contractor. Contractor recognizes and understands that this Agreement may create a "possessory interest" for property tax purposes. Contractor shall include a line item in its invoice and the budget for taxes.

7.2 Withholding.

Contractor agrees that it is obligated to pay all amounts due to the City under the San Francisco Business and Tax Regulations Code during the term of this Agreement. Pursuant to Section 6.10-2 of the San Francisco Business and Tax Regulations Code, Contractor further acknowledges and agrees that City may withhold any payments due to Contractor under this Agreement if Contractor is delinquent in the payment of any amount required to be paid to the City under the San Francisco Business and Tax Regulations Code. Any payments withheld under this paragraph shall be made to Contractor, without interest, upon Contractor coming back into compliance with its obligations.

Article 8 Termination and Default

8.1 Termination for Convenience

8.1.1 This Agreement shall expire of its own accord on the expiration date set forth in Section 2.1. In addition, City shall have the option, in its sole discretion with not less than 30 days' written notice, to terminate this Agreement, at any time during the term hereof, for convenience. City shall also have the option, in its sole discretion and without penalty of any kind, to terminate this Agreement upon a determination by the City that Contractor is unable to continue to provide the Services described in Appendix A or otherwise in this Agreement. In any case, the City shall provide written notice that specifies the date on which termination shall become effective.

8.1.2 Upon receipt of the notice of termination, Contractor shall commence and perform, with diligence, all actions necessary on the part of Contractor to effect the termination of this Agreement on the date specified by City and to minimize the liability of Contractor and City to third parties as a result of termination. All such actions of Contractor shall be subject to the prior approval of City. Within 30 days after the specified termination date, Contractor shall submit to City an invoice. City's payment obligation under this Section shall survive termination of this Agreement.

8.2 Termination for Default; Remedies.

8.2.1 City may terminate this Agreement for Contractor's default in the event that Contractor fails or refuses to perform or observe other term, covenant or condition contained in this Agreement, including any obligation imposed by ordinance or statute and incorporated by reference herein, and such default is not cured within thirty (30) calendar days after written notice thereof from City to Contractor ("**Event of Default**").

8.2.2 On and after any Event of Default, City shall have the right to exercise its legal and equitable remedies, including, without limitation, the right to terminate this Agreement or to seek specific performance of all or any part of this Agreement. In addition, where applicable, City shall have the right (but no obligation) to cure (or cause to be cured) on behalf of Contractor any Event of Default; Contractor shall pay to City on demand all costs and expenses incurred by City in effecting such cure, with interest thereon from the date of incurrence at the maximum rate then permitted by law. City shall have the right to offset from any amounts due to Contractor under this Agreement or any other agreement between City and Contractor: (i) all damages, losses, costs or expenses incurred by City as a result of an Event of Default; and (ii) any liquidated damages levied upon Contractor pursuant to the terms of this Agreement; and (iii), any damages imposed by any ordinance or statute that is incorporated into this Agreement by reference, or into any other agreement with the City.

8.3 Non-Waiver of Rights.
