Re: SR Visions, LLC dba 7 Social
Original California ABC Liquor License Transfer- Type 90 Music Venue License
65 Post Street, San Francisco, CA 94104
Public Convenience and Necessity Determination Request
ABC Type-90 —Music Venue General License.

Dear Ms. Calvillo:

This office represents SR Visions dba 7 Social. My client has applied to the California Department of Alcoholic Beverage Control (ABC) for an original Type-90 Music Venue General License. Currently : SR Visions is operating a music /entertainment venue at 177 Eddy Street and has lost their lease and wishes to move his business to this new location. Ther is no ABC license at this location, but prior to COVID-19 there was a Type -48 license at this bar. with no ABC license presently at this theater. The entertainment operation of the business under the proposed new ABC license will remain identical to the operation of their current Record Bar located at 177 Eddy St.

A Type-90 ABC license is a new license (2023) that authorizes the sale of beer, wine, and distilled spirits at retail for consumption on the premises of a music entertainment facility, as defined in Business and Professions Code Section 23550. Sale, service, and consumption of alcoholic beverages are limited to the time period from 2 hours before a live performance until one hour after the live performance. Minors are allowed on the premises.

There are very few surrounding residences within 100 feet of this music venue and bar. The location has been a bar and lounge for several decades. This request is to allow SR Visions, LLC to add a Type-90 ABC license to the premises.

The area is zoned C-3-0 Downtown Office. We do not see any problems with the San Francisco Police Department approving this new ABC license, with conditions. We have the support for this

application from many of our neighbors, and are open to the imposition of conditions, if necessary, to this license. We have the support of this application, also, from local community and arts groups.

SR Visions is locally owned, and thus revenue and taxes from the business will stay in the community. This new license will allow SR Visions to move locations following loss of their lease and to remain open and viable, will sustain the pedestrian traffic to other businesses in the neighborhood, and keep more "eyes on the street" and make the neighborhood safer after 10 PM.

SR Visions has been well-managed by the current owners and non-problematic since 2019. The owner has owned and managed many venues over the past 20 years and there have been no noise complaints and minimal police issues since the business opened five years ago. My client will continue with this new ABC music venue license to be respectful to the neighborhood and to its customers. Foremost, they will be Good Neighbors.

For the reasons outlined above, applicant SR Visions dba 7 Social respectfully requests that this letter be forwarded to the Public Safety & Neighborhood Services Committee of the Board and that this Committee and the full Board of Supervisors make a determination under California Business and Professions Code Section 23958.4 that the public need or convenience would be served by allowing this new ABC Type-90 liquor license to issue at this location.

Thank you for your consideration of this request.

Yours truly,

Mark E. Rennie
